

Staten Island – Richmond Terrace Overnight Road Closures

BEGINNING on or about July 18, overnight street closures of Richmond Terrace between Nicholas Ave and Morningstar Road will be required to safely allow for overhead roadway installation.

During this time residents will have local access to Newark Avenue and John Street.

These closures will begin nightly at 9 p.m. and will conclude at 5 a.m. the following morning. Monday through Saturday and be in place for an estimated 12 weeks, to accommodate construction activity.
