SUBJECT: REQUEST FOR PROPOSALS FOR PERFORMANCE OF EXPERT PROFESSIONAL HISTORICAL PRESERVATION AND RELATED SERVICES FOR THE BAYONNE BRIDGE NAVIGATIONAL CLEARANCE PROGRAM ON AN AS-NEEDED BASIS (RFP #37225) – ADDENDUM #1

Dear Sir or Madam:

The following questions were received from RFP recipient(s). The questions and corresponding Authority answers are provided for your information and use, as appropriate.

Question: Attachment A, page 6, Task H, Program Reports states “Prepare regular Draft Program Reports describing the status of the PAGR implementation.” The scope of work requires implementation of some of the PAGR stipulations, by the Consultant while other PAGR stipulations are not included in the Consultant’s work. To complete Task H, does the Authority want the Consultant to coordinate with the others who are carrying out the remaining stipulations (i.e. HABS/HAER, distribution of BB publication, etc.) or will the Authority provide the Consultant with the information necessary to complete the Program Reports?

Answer: The Authority will provide the Consultant the necessary information to complete the program reports.

Please note, the due date for proposals remains May 19, 2014 at 2:00 P.M.

Sincerely,

Tim Volonakis
Assistant Director
Procurement Department
