### **I. CHANGES/MODIFICATIONS**

**The following answers to questions shall become an integral part of the subject Bid.**

### **II. BIDDER'S QUESTIONS AND ANSWERS**

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions, which have been submitted by Bidders to the Port Authority. It addresses only those questions, which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms.

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefore in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Bid or Contract and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefore in any manner whatsoever.

The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

<b>Question #1</b>	Are these items on drawing number S1004 meant to be included in any way with the price?
<b>Answer # 1</b>	Yes, all items (fabricated utility brackets and support hardware, etc.) shown on drawing number S1004 are to be included in the fabrication and delivery of the procurement as part of the unit price, Total Delivered Price of the steel plates.
<b>Question #2</b>	Should drawing S1004 be disregarded, since it has no relation to the plates themselves.
<b>Answer #2</b>	Do NOT disregard drawing S1004, the fabricated pieces on S1004 are to be included as part of the unit price of the steel plates.
<b>Question #3</b>	Are all the items on drawing S-1004 required for this RFQ. If so are the quantity's a total four all four plates or these quantity's to be times 4?
<b>Answer # 3</b>	Yes, the items are required for the RFQ. The quantities shown on drawing S-1004 are total for the procurement.
<b>Question #4</b>	Would you specify the material thickness for Drawings S1002 and S1003 for the Port Authority quotation.
<b>Answer #4</b>	The plate thickness is shown on callout on the top line of Elevation 1 on Bid Drawings S1002 and S1003. There is a note with leader stating "1" Steel Plate".
