II. BIDDER'S QUESTIONS AND ANSWERS

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions, which have been submitted by Bidders to the Port Authority. It addresses only those questions, which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms.

PS11All

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefore in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Bid or Contract and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefore in any manner whatsoever.

The Questions and Answers numbering sequence will be continued sequentially in any forthcoming Addenda that may be issued.

Question #1	We would like to submit a bid for this requirement but the product we have GEN 3 is a hybrid of potassium acetate and another product. Please let me know if it would OK to submit a bid as an alternate for this product?
Answer # 1	The Port Authority can Not accept a deviation from the specification provided.
Question #2	Part A – Contract Description; 2. Intention of Issuing Award(s) “It is the intent of the Port Authority to make issue awards to two (2) Contractors for each chemical based on the Primary and Secondary lowest delivery price.” Will one primary contract be awarded for Teterboro based on the lowest delivered price of either potassium acetate or potassium formate, or will one contract be awarded for the lowest price for each product?
Answer #2	See above I. CHANGES/MODIFICATIONS
Question #3	Will the Authority consider adding /changing its “Force Majeure”, “Warranty” and or “Indemnity clauses”.
Answer # 3	No.
Question #4	We would like to request a list of the bidders as well as their unit prices bid out initially 3 years ago.
Answer #4	General Atomics/Cryotech \$4.277. Seneca Mineral \$4.597. Compass Chemical \$5.53. LNT \$5.585

This communication should be initialed by you and annexed to your Bid upon submission.

In case any Bidder fails to conform to these instructions, its Bid will nevertheless be construed as though this communication had been so physically annexed and initialed.
