SUBJECT: REQUEST FOR PROPOSALS FOR THE PERFORMANCE OF EXPERT PROFESSIONAL SERVICES FOR PORT NEWARK PORT STREET CORRIDOR IMPROVEMENTS (RFP# 36024) – ADDENDUM #2

Dear Sir or Madam:

The Port Authority of New York and New Jersey hereby amends the subject Request for Proposals, dated December 20, 2013 as follows:

On page 1 of the RFP letter, in Section I, Proposer Requirements, paragraph E:

- after the word “have” insert “1”;
- after “(PTOE)” insert “ or 2) Must be a licensed, New Jersey Professional Engineer with 20 plus years experience specifically in traffic engineering”
- at the end of paragraph E, skip one line and insert the following: “The foregoing requirements may be met by the Consultant and/or its subconsultants.”

The following question(s) received from an RFP recipient(s) and corresponding answer(s) as provided by the Authority are presented for your information and use:

How will the Authority handle any required hazardous materials investigation, analysis, design/mitigation? Will this be part of the Consultant’s scope of work?

Any required hazardous material investigation, analysis, or design/mitigation shall be by others. Such services are not included as part of the Consultant’s scope of work.

The due date for receipt of proposals remains no later than 2:00 pm on January 24, 2014.

Sincerely,

Tim Volonakis
Assistant Director
