ADDENDUM #2

To prospective firms submitting qualifications to the **Request to Qualify (RTQ) Information for Contract LGA-124.201: LaGuardia Airport – East End Parking Garage** - Due back on October 22, 2012 no later than 4:00PM

The following changes are hereby made to the RTQ document:

In Section II A1 - In the paragraph beginning “Design and construction of the Multi-Level parking garage will” the last sentence shall read as follows:

“This project will be designed in accordance with the PANYNJ Sustainable Building Guidelines (2007), which are based on criteria from US Green Building Council’s LEED for New Construction building rating system.”

In Section III, A1b - The last sentence of the paragraph shall read as follows:

“The general contractor must also have demonstrated knowledge of the LEED green building rating system.”

In Section III, A1c - The paragraph shall be removed and replaced to read as follows:

“The prospective bidder seeking to be pre-qualified must also have a certified professional on the design team with a minimum of three (3) years experience with respect to design and construction of at least one (1) LEED certified commercial use project of a minimum of 20,000 s.f. within the last five (5) years. Furnish resume with qualification package.”
