ADDENDUM #4

To prospective Bidder(s) on Bid # 46641 – Water Collection and Testing Services for Various Port Authority Facilities in New York and New Jersey – Three- Year Contract

Due back on 8/12/2016, no later than 11:00 A.M.

BIDDERS' QUESTIONS AND ANSWERS

The following information is available in response to questions submitted by prospective Bidders. The responses should not be deemed to answer all questions, which have been submitted by Bidders to the Port Authority. It addresses only those questions, which the Port Authority has deemed to require additional information and/or clarification. The fact that information has not been supplied with respect to any questions asked by a Bidders does not mean or imply, nor should it be deemed to mean or imply, any meaning, construction, or implication with respect to the terms.

The Port Authority makes no representations, warranties or guarantees that the information contained herein is accurate, complete or timely or that such information accurately represents the conditions that would be encountered during the performance of the Contract. The furnishing of such information by the Port Authority shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of the Port Authority, its Commissioners, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Bid or Contract and the Bidder agrees that it shall not hold the Port Authority liable or responsible therefor in any manner whatsoever.

The Questions and Answers numbering will be continued sequentially in any forthcoming Addenda that may be issued.

<i>Question #11</i>	The Scope of Work calls to analyze for fecal coliforms if total coliform results are positive, the results for all bacteriological analyses are due in 72 hrs; however, fecal coliform analyses cannot be expedited within the reporting timeframe. The fastest possible fecal coliform analysis turn-around-time is 1 week Please provide clarification or amendment to the
