Information for Bidders

AWARD METHOD

1. AWARD TO SINGLE BIDDER:

It is the intent of the Port Authority of New York and New Jersey (the "Port Authority") to award an order to one Bidder based on the total estimated delivered price for all items. However, the Port Authority shall have the absolute right to reject any or all bids or to accept any bid in whole or in part and to waive defects in bids.

2. CORRECTION IN COMPUTATION

Prices must be quoted in United States Dollars. All figures inserted will be interpreted as being quoted in United States Dollars. Each Bidder shall insure that all information and figures are inserted as required and that all computations have been verified for accuracy. Bidders are advised that the Port Authority may verify only the quotation or quotations that it deems appropriate and may not check each bid for errors in computation. The Port Authority reserves the unqualified right to recalculate any and all extensions set forth by the Bidder. In the event there is a discrepancy between any unit price listed and the "Estimated Total Price" or the "Total Estimated Contract Price," the Bidder's unit price, shall prevail.

3. ACCEPTABLE PRODUCTS AND SAMPLES

This bid may or may not call for specific brands that have been deemed acceptable for the purpose intended. If this bid calls for specific brands that have been deemed acceptable for the purpose intended, the Bidder may quote alternate products other than those listed hereunder. In that case, the Bidder must indicate the manufacturer name and model/part number of the alternate product next to each applicable line item. A Bidder quoting products may be required, at his own expense, to submit a sample of the proposed product and/or a copy of the specifications for the sample being submitted. If the Bidder fails to submit the required sample, the Bidder may be deemed non-responsive. If this bid does not call for the specific brands that have been deemed acceptable for the purpose intended, the Bidder may be required, at its own expense, to submit a sample of a proposed product.

Samples of all the requested products shall be submitted to the Port Authority for evaluation within seven (7) business days of request. Failure by the Bidder to deliver samples within the required timeframe may result in the rejection of the Bid. The package containing sample products should clearly indicate the following: (1) the Bidder's name and address, (2) the Bid number, and (3) the Bid due date. Additionally, each item must be tagged with the Port

Authority's Material Stock Number and the Bidder's name and address. Sample products are to be sent directly to: the Port Authority of New York and New Jersey, Central Warehouse, 777 Jersey Ave, Jersey City, New Jersey 07310. All sample products submitted by the Bidder will be evaluated by the Port Authority, and the Port Authority will make the final determination as to whether or not the sample product is acceptable. The Bidder shall bear all costs of the evaluation, if any. Should a proposed alternate product be deemed not acceptable, the Bidder shall be obligated to provide one of the listed acceptable brands, including the manufacturer's name and model/part numbers at the original quoted price to maintain eligibility for contract award.

All samples must be picked up by the Bidder within thirty (30) days of notification, after which all samples will become the property of the Port Authority.

4. ENERGY STAR

Where applicable, the Bidder shall make best efforts to provide products that earn the ENERGY STAR and meet the ENERGY STAR specifications for energy efficiency. The Bidder is encouraged to visit www.energystar.gov for complete product specifications and updated lists of qualifying products.
