# ASDO's 21<sup>st</sup> Annual Aviation Networking Conference

**NJ Air Service Development Office** brings opportunities to businesses surrounding the airports by matching the needs of aviation industry buyers at Newark Liberty and Teterboro Airports with the expertise of area businesses in Bergen, Essex, Hudson and Union Counties.

Our 21<sup>st</sup> annual "reverse" trade show has aviation industry buyers and purchasing agents staff tables while vendors and service suppliers visit and share information on products and services that are available locally.

Complimentary continental breakfast and parking is hosted by the **Garden State Food Group**, located in the **Ramada Plaza Hotel**. This event is entirely **free** but registration is required.

Aviation representatives only need a generous supply of business cards, contact information and any promotional items for your company's table. A private luncheon for aviation industry participants will immediately follow the event. We look forward to welcoming you.

Pre-register today with the following information:  
**Company**

**Representatives**

**Email Address**

**Telephone**
