RTQ– LAGUARDIA AIRPORT – ABATEMENT AND DEMOLITION OF HANGARS 2 & 4 – Contract No. LGA-124.208

Contact: Suchetha Premchan: telephone at 201-395-3473, FAX at 201-395-3472, email at spremchan@panynj.gov.

Due Date: June 12, 2013

The work generally consists of the demolition of two Hangars and two adjacent buildings including the removal of asbestos containing materials, removal of lead and other hazardous materials, removal of below grade storage tanks and installation of aeronautical fences. Services may also include grading of the site. The Hangars and buildings were constructed in the 1940's. The structure of the Hangars consists of steel framing supported on reinforced concrete foundations. The buildings are built with concrete encased steel columns over concrete foundations, concrete encased steel beams and reinforced concrete floors.

Qualification information is to be submitted by **4:00 pm on June 12, 2013** and it is anticipated that bid documents will be available to pre-qualified bidders on or about September 2013. In order to pre-qualify for the said contract, all participating firms must execute and submit the Contractor's Qualification Statement, the Agreement on Terms of Discussion, and the Background Qualification Questionnaire with their RFQ submittal package.
