

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
REQUEST TO QUALIFY (“RTQ”)
FOR
CONTRACT PAT-644
PATH – NEW YORK AND NEW JERSEY FACILITIES – BUILDING AND SITE
IMPROVEMENTS VIA WORK ORDER

AUGUST 2014

I. INTRODUCTION:

The Port Authority of New York & New Jersey (the “Port Authority” or the “Authority”) is a body corporate and politic created by interstate compact between the States of New York and New Jersey with the consent of the Congress of the United States. The Port Authority, together with its wholly-owned subsidiaries, provides the region with integrated transportation and trade services and operates facilities in connection therewith, including, but not limited to, six airports, interstate traffic through four bridges and two tunnels, a bus terminal, a bus station, the PATH rapid transit system, the Hoboken-lower Manhattan ferry service, the World Trade Center site and certain New York-New Jersey port facilities.

Responses to this Request to Qualify (“RTQ”) are due on the Response Due Date set forth on the advertisement of this RTQ. Responses received after that date and time may not be accepted.

Only pre-qualified firms who have received written approval from the Authority will be asked to respond to future solicitations on the specific project described below.

II. PROJECT DESCRIPTION:

The Authority wishes to pre-qualify firms to submit bids for Contract No. PAT-644, entitled “PATH – New York and New Jersey Facilities – Building and Site Improvements via Work Order”. This work will be performed at all PATH facilities. It is anticipated, but not guaranteed, that the work required by the Contract may include the following:

A. Scope of Work

1. Work on an active railroad related to, but not limited to, miscellaneous work on or near active tracks, train yards, PATH tunnels and on PATH stations including electrical work, structural work and mechanical work. Strict coordination of the work with other contractors and PATH facility forces is required to limit disruption to PATH train operations.
2. Building construction work related to but not limited to, miscellaneous facility improvements including repair, rehabilitation, demolition and construction of various interior and exterior building system including: curtain wall, roof, concrete slab, ceiling, floor tile, interior finishes, construction, painting, mechanical, HVAC, electrical, electronics, sprinkler, plumbing, conveying systems, interior landscaping and utility runs within buildings.
3. Site improvement work related to, but not limited to, repair, rehabilitation, demolition and construction of concrete and/or asphalt paving, landscaping,

concrete pads, sidewalks, curbs, erosion control, cracks and slurry seals, irrigation, pavement striping, signage, traffic signals, electrical and communication ductbanks and wiring, drainage structures and piping, guide rails, concrete traffic barriers, exterior screening, exterior demising walls, fencing, various utility runs to building lines and maintenance of traffic and work area protection.

B. Estimated Total Contract Price

For information purposes only, PATH estimates that the maximum compensation for the aggregate of all work orders is \$2,400,000.

C. Contract Schedule

It is anticipated but it is not guaranteed that Bid Document(s) may be available to pre-qualified bidders in November 2014. It is the present intention of the PATH to have all Work under the Contract completed within 24 months after award of the Contract.

III. SUBMITTAL INSTRUCTIONS AND CONTENT

A. Requirements

To be considered for prequalification, the respondent must demonstrate to the satisfaction of the Chief Engineer of the Authority that it meets the minimum requirement of the RTQ as stated in Paragraphs III.A.1, III.A.2 and III.A.3. Company brochures alone shall not be submitted for the purpose of demonstrating experience and technical expertise. Submittals must be tailored to the specific requirements of this RTQ. If the respondent cannot demonstrate that it meets all of the below mentioned qualifications, then the respondent may with others form a joint venture and request that the joint venture be pre-qualified as set forth in Paragraph C below.

1. Minimum Experience of the Firm:

The firm must have as a general contractor, a minimum of five (5) year(s) on the following:

Completed or substantially completed as a general contractor at least two (2) Contracts within the previous five (5) years of size, type and complexity comparable to that indicated in Paragraphs II A&B above.

The firm may also qualify if during the time period as stated above, the prospective bidder or persons or entities owning and controlling the prospective bidding firm, shall have satisfactorily performed, as owning and controlling another firm, having completed services of similar scope to those required under this Contract. The work must have been completed skillfully in a satisfactory manner and on time.

2. Minimum Qualifications of the Project Manager and Superintendent

The firm's Project Manager/Superintendent must have a minimum of five (5) years' construction experience on contracts comparable in size, type and

complexity outlined in Paragraphs II.A.1, II.A.2 and II.A.3 and that involve performing work to active train tracks, tunnels and stations, electrical substations, restrictive work hours and construction staging conditions. Such conditions shall include, but not limited to, no construction activities allowed during peak hour conditions.

3. Specific Work Experience Critical to the Project

Respondents must demonstrate construction experience on contracts comparable in size, type and complexity to that described in Paragraphs II.A.1, II.A.2 and II.A.3 that involve performing work to active train tracks, tunnels and stations, electrical substations, restrictive work hours and construction staging conditions. Such conditions shall include, but not limited to, no construction activities allowed during peak hour conditions.

B. Submittals

The following items must be submitted in order to be considered for qualification on this specific project:

1. Attachments

In order to expedite the evaluation of the qualification information furnished, the prospective bidder must complete and submit the attached documents. Responses that fail to adhere to this stipulation may be excluded from consideration. The following attachments are incorporated herein and must be submitted:

- A. Contractor's Qualification Statement
- B. Agreement on Terms of Discussion

2. Performance and Payment Bond

The prospective bidder must be able to obtain a Performance and Payment Bond for the amount indicated in paragraph II.B from a surety company whose name appears on the current list of the Treasury Department of the United States as acceptable as a surety upon federal contracts. A letter from the surety company must be submitted with this RTQ.

3. Experience Modification Ratio

The prospective bidder must submit a copy of the most recent Experience Modification Ratio (EMR) for itself and for each of its named Subcontractors as a measure of the respondent's safety record. If the ratio exceeds 1.2, a written explanation shall be provided.

4. Required Licenses/Certifications

The Contractor and/or proposed sub-contractors must have all required NJ, NYS and / or NYC certifications and / or licenses to perform the work in accordance with codes, rules and regulations if applicable.

5. Joint Ventures

PATH will entertain requests for prequalification from a joint venture. If a joint venture is pre-qualified to submit bids, or if two or more entities separately pre-qualified to bid elect to submit a bid as a joint venture, all participants in the joint venture shall be bound jointly and severally and each participant shall execute the bid. If the prospective bidder cannot demonstrate that it meets all of the referenced qualifications, then the prospective bidder may with others form a joint venture and request that the joint venture be deemed to be the prospective bidder (i.e. members of the joint venture may meet the qualification requirement collectively.)

IV. SUBMISSION INSTRUCTIONS:

Respondents must clearly indicate the RTQ# and Title on the outside of any package or document submitted in connection with this Contract.

The respondent shall submit eight (8) total submissions of the required qualification information preferably, one (1) original, six (6) hard copies and one (1) copy in CD-Rom format to Emily Baxter in sufficient time so that the Authority receives it no later than 4:00 p.m. on September 4, 2014 to:

Emily Baxter, Senior Buyer
Procurement Department
Port Authority of New York and New Jersey
Two Montgomery Street, 3rd Floor
Jersey City, NJ 07302

Late submittals may be rejected.

Any questions concerning this RTQ should be directed to Emily Baxter at ebaxter@panynj.gov. Neither Emily Baxter nor any employee of the Authority is authorized to interpret the RTQ or give additional information as to its requirements. Such interpretation or additional information will only be given by written addendum to this RTQ

IV. NOTIFICATION

Notification as to whether a prospective bidder has been pre-qualified will be made only by a notice in writing, signed by the Director of Procurement or her designated representative on behalf of the Authority and mailed or delivered to the office designated by the prospective bidder in its response to this RTQ.
