Title: RTQ # 35137: PATH – General Contracting Services for Salt Mitigation in Tunnels A, B, E & F - Indefinite Quantity Contracts – 2013 through 2019

Contact: Suchetha Premchan: telephone at 201-395-3473, FAX at 201-395-3972, email at spremchan@panynj.gov.

The Request to Qualify (RTQ) referenced herein involves work in active railroad tunnels, including electrical work, structural work, mechanical work and removing salt contamination from the tunnel structures. Strict coordination of the work with other contractors and facility forces is required to limit disruption to train operations.

Qualification information is to be submitted by **Monday, October 28, 2013**, and it is anticipated that the Work Order/bid documents may be available to pre-qualified bidders on an “As-Needed” Basis over the next six years starting in 2013, through 2019. In order to pre-qualify for this Contract, all participating firms must execute and submit the Contractor’s Qualification Statement and the Agreement on Terms of Discussion with their RTQ submittal package, as well as execute the Background Qualification Questionnaire and submit as per instructions in the RTQ.

Contracts awarded as a result of this Pre-qualification may be funded in whole or in part by the Federal Transit Administration (FTA). Accordingly, contracts awarded as a result of this RTQ will contain Federal requirements and all qualified Firms that are awarded a contract resulting from this RTQ must be able to comply with any and all of the applicable federal provisions set forth in the Work Order/Bid Documents, which will be provided to all qualified firms.
