

THE PORT AUTHORITY OF NY & NJ

NOTICE OF INTENT TO SOLE SOURCE

TITLE: Hardware Maintenance and Repair Services, Software Support, Provide Operator Training Services and Emergency Call-In Services, for the Building Automation System (BAS) located in the Air Traffic Control Tower at John F. Kennedy International Airport (JFK)

The Port Authority of New York and New Jersey intends to establish a sole source contract with **Honeywell International of Lake Success, NY** to provide the following: monthly visits on the proprietary system to perform maintenance, software support, programming changes, training of Port Authority staff on the Building Automation System (BAS) operations and 24/7 call-in emergency service located in the Air Traffic Control Tower at JFK.

Firms who believe they can compete for this requirement are required to submit via email a brief statement of their intent to compete. The statement and any other questions regarding this sole source should be directed to **LSantana@panynj.gov** by **September 28, 2016 no later than 11:00 AM**. The Port Authority does not guarantee that firms responding to this notice will be rendered a request to tender an offer for this procurement. In addition, the Port Authority does not guarantee that any solicitation will occur for this procurement, but reserves the right to solicit proposals.

Firms who have not done business with the Port Authority should register as a vendor at <https://www.panynjprocure.com>. Also, visit our website to view advertised bids at <http://www.panynj.gov/business-opportunities/bid-proposal-advertisements.html>.
