ASDO's 18th Annual Aviation Networking Conference

The Air Services Development Office brings opportunities to businesses surrounding our airports by matching the needs of aviation industry buyers with the expertise of area businesses in Bergen, Essex, Hudson and Union Counties. We hope that your company will continue to support and maintain this vital link by joining us Friday, November 2nd at the Hilton Hotel Newark Airport, 1170 Spring Street, Elizabeth, NJ 07201.

This is a "reverse" trade show, where aviation industry buyers or purchasing agents staff tables while vendors and service suppliers visit and share information on products and services that are available locally. The event is entirely free of charge. Register today.

www.asdoonline.com/EventRegistration.asp

Aviation representatives only need a generous supply of business cards, contact information and any promotional items for your company's table.

Complimentary parking along with a continental breakfast will be hosted by the Hilton Hotel. A private luncheon for aviation industry participants will immediately follow the event. We look forward to welcoming you.
