

THE PORT AUTHORITY OF NY & NJ

Managing Growth® - Fall 2011

Blueprint Reading & Construction Drawings

The **Regional Alliance for Small Contractors** is offering a comprehensive two-day training course in Blueprint Reading and Construction Drawings. This program sponsored by the **PORT AUTHORITY OF NY & NJ** is designed to increase the ability of M/W/S/DBE firms to effectively bid and perform on **PORT AUTHORITY OF NY & NJ** projects. A Certificate of Completion will be awarded after successful completion of the program.

COURSE DESCRIPTION: This intensive workshop will expose participants to the skills of understanding and reading architectural, structural, mechanical and electrical construction drawings, and to coordinating the information represented by each type of drawing. Participants will also learn how construction drawings are used to implement the construction process. They will gain an overview of construction drawing basics as well as thorough coverage of standard construction sequence; including site work, foundations, structural systems, and interior work and finishes. The workshop will also be of interest to those working in construction, estimating, facilities management, or construction management.
