

Airport Security ID Cardholder Responsibilities

LOST YOUR ID?

Follow these steps if your Airport Security ID is lost:

- > Report it immediately to your Issuing Officer
- > After normal business hours, report your lost Airport Security ID to PA Operations
- > Stolen Airport Security ID Cards should not be reported as lost

Until a new Airport Security ID Card is issued, be aware...

- > You are not permitted to be escorted into the SIDA/AOA or Sterile Area
- > You must obtain a new Airport Security ID Card before entering your work area
- > Failure to comply will result in a Breach of Rules (BOR)
- > There is a \$100 administrative fee to replace your lost Airport Security ID Card

If the Airport Security ID Card is found after reporting it is lost, DO NOT use it. You must return it to the Airport Security ID Office with a disposition form from your Issuing Officer.
