

III. JFK Service Provider Contact list

Note: Only Port Authority permitted service providers may perform services at JFK. Certified permittees may perform services at JFK. There may be additions or deletions to the list below at any time. An updated service provider list can be obtained through the Property Representative, JFK Properties & Commercial Development. If you wish to use a service provider who currently is not on the list, the service provider is required to reach out to Properties to commence the onboarding process to obtain a privilege permit.
