

THE PORT AUTHORITY OF NY & NJ AUGUST 2020 TRAFFIC REPORT

Month		Year-to-date		12 Months Ending	
Current	%	Current	%	Current	%

Total passenger traffic at JFK fell by 87.8 percent – the sharpest decline among our top airports (-5.312 million passengers). The international sector (typically accounting for more than half of JFK's total passenger activity) saw its passenger volume sink by 89.8 percent (-3.158 million travelers). Delta, JetBlue, American, Norwegian and British Airways accounted for most of the losses as they jointly transported 1.421 million fewer passengers. Domestic passenger traffic at JFK plunged 85.0 percent (-2.153 million travelers). Delta, JetBlue and American posted a combined loss of 2.010 million travelers. JFK's total freight activity saw a 13.8 percent drop (-14,995 short tons). As in the previous six months, the decline was entirely driven by the international sector's sixth consecutive double-digit decrease (-23,554 short tons / -27.5 percent), while domestic cargo improved (8,558 tons / +36.2 percent).
