

## THE PORT AUTHORITY OF NY & NJ OCTOBER 2020 TRAFFIC REPORT

Month		Year-to-date		12 Months Ending	
Current	%	Current	%	Current	%

Total passenger traffic at JFK fell by 83.2 percent (-4.313 million passengers), practically tied with LaGuardia for the second-largest decline after New York Stewart International. The international sector (typically accounting for more than half of JFK's total passenger activity) saw its passenger volume sink by 86.5 percent (-2.459 million travelers). Delta, JetBlue, American, Norwegian and British Airways accounted for most of the losses as they jointly transported 997,152 fewer passengers. Domestic passenger traffic at JFK plunged 79.05 percent (-1.854 million travelers). Delta, JetBlue and American posted a combined loss of 1.718 million travelers. JFK's total freight activity saw a 3.6 percent drop (-4,029 short tons). As in the previous eight months, the decline was entirely driven by the international sector's eighth consecutive double-digit decrease (-14,439 short tons/-16.1 percent), while domestic cargo soared (10,410 tons/+44.3 percent).
