

## THE PORT AUTHORITY OF NY & NJ SEPTEMBER 2020 TRAFFIC REPORT

Month		Year-to-date		12 Months Ending	
Current	%	Current	%	Current	%

**Aviation Department**  
Total passenger traffic at JFK fell by 86.1 percent – the sharpest decline among our top airports (-4.444 million passengers). The international sector (typically accounting for more than half of JFK's total passenger activity) saw its passenger volume sink by 88.7 percent (-2.609 million travelers). Delta, JetBlue, American, Norwegian and British Airways accounted for most of the losses as they jointly transported 1.062 million fewer passengers. Domestic passenger traffic at JFK plunged 82.6 percent (-1.835 million travelers). Delta, JetBlue and American posted a combined loss of 1.707 million travelers. JFK's total freight activity saw a 14.6 percent drop (-16,122 short tons). As in the previous seven months, the decline was entirely driven by the international sector's seventh consecutive double-digit decrease (-28,097 short tons / -31.9 percent), while domestic cargo soared (11,975 tons / +54.5 percent).
