

REQUEST FOR QUALIFICATIONS

DESIGN-BUILD SERVICES FOR THE BERGEN ELECTRICAL SUBSTATION PROJECT JOHN F. KENNEDY INTERNATIONAL AIRPORT

The Port Authority of New York & New Jersey has issued a Request for Qualifications (RFQ) for design-build services for the Bergen Electrical Substation Project at John F. Kennedy International Airport. The Project will be delivered using a design-build project delivery method. The RFQ can be found on the Port Authority's Procurement Department website at <http://www.panynj.gov/business-opportunities/bid-proposal-advertisements.html> under the 'Alternative Project Delivery' tab. Statement of Qualifications (SOQs) are due by 2:00 p.m. EST on December 12, 2019.

Firms may submit questions regarding the Project's procurement to:

Allison Agliardo
Procurement Department
