SUBJECT: REQUEST FOR PROPOSAL PERFORMANCE OF EXPERT PROFESSIONAL COST ESTIMATING AND SCHEDULING SERVICES INDEFINITE QUANTITY SERVICES CONTRACTS (IQC) FOR FEDERALLY FUNDED MAJOR CAPITAL PROJECTS ON AN “AS NEEDED” BASIS DURING 2019 THROUGH 2022 (RFP# 57732) - ADDENDUM # 2

Dear Sir or Madam,

1) Delete Attachment F -Insurance Requirements in its entirety and replace it with revised Attachment F dated 7/15/19.

2) The following questions were received from a Request for Proposals (RFP) recipients(s). The questions and the corresponding Authority answers are provided for your information and use, as appropriate.

Question 1: Can you confirm whether or not Financial Statements and Federal Forms (Sections H and M) are required for subconsultants or the prime only?

Answer 1: Proposers should see the RFP letter, page 8, Section M, entitled “Federal Submission Requirements” for information about which certifications and forms must be submitted with the proposals, and by whom. Exhibits IA, IB and IC contain more detailed information. In addition to the firms that need to be submitted by both Consultants and their subconsultants/subcontractors, several of the certifications require Consultants to include provisions in their subcontracts, and obtain certifications from their contractors, and in that case the Proposer should submit such forms/certifications from their known subconsultants/subcontractors at the time of proposal submission.

Question 2: The insurance requirements listed in Attachment F of the subject RFP appear to be applicable for a contractor or Construction Manager. An estimating and/or scheduling consultant has no field construction responsibilities (or design related responsibilities) thus the specified requirements for additional insurance for items such as working within 50 feet of a railroad, maritime coverage, etc. appear excessive and will limit the firms that can respond to the RFP. Additionally the \$5M Professional Liability coverage, which is appropriate for a design team, will also limit the pool of consultants who can respond.

Is there, and can there be, any consideration to modifying the required insurances to allow more firms such as ours to respond.

Answer 2: Refer to item 1 above.

If you have any questions, please contact Mr. Thomas Lal, Sr. Contract Specialist, at TLAL@panynj.gov

Sincerely,

Joann Spirito

- Excess/umbrella policies shall have a liberalization clause with drop down provision;
- To the extent any coverage the Consultant(s) and Sub-consultant(s) obtains and/or maintains under this Agreement contains “Other Insurance” language or provisions shall not be applicable to the additional insureds or to any insurance coverage maintained by the additional insureds.
- All insurance policies shall include a waiver of subrogation, as allowed by law, in favor of the additional insureds.

The "Insured" shall be afforded coverage and defense as broad as if they are the first named insured and regardless of whether they are otherwise identified as additional insureds under the liability policies, including but not limited to premises-operations, products-completed operations of the Commercial General Liability Policy. Such additional insureds status shall be provided regardless of privity of contract between parties. The liability policy(ies) and certificate of insurance shall contain cross-liability language providing severability of interests so that coverage will respond as if separate policies were in force for each insured. An act or omission of one of the insureds shall not reduce or void coverage to the other insureds. The Consultant(s) is/are responsible for all deductibles or losses not covered by commercially procured insurance. Any portion of the coverage to be provided under a Self-Insured Retention (SIR) of the Consultant(s) is/are subject to the review and approval of the General Manager, Risk Financing. “The Consultant, its Sub-consultant(s) and its insurer(s) shall not, without obtaining the express advance written permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the Tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.”

The Port Authority may, at any time during the term of this Agreement, change or modify the limits and coverages of insurance. Should the modification or change result in an additional premium, the General Manager, Risk Financing for the Port Authority may consider such cost as an out-of-pocket expense.

Within five (5) days after award of this Agreement and prior to the start of work at the site, the Consultant(s) must submit an original certificate of insurance, to the Project Manager at the

location where the work will take place. This certificate of insurance MUST show evidence of the above insurance policy(ies), including, but not limited to, the title of this Agreement, the P. A. If the Agreement is so suspended, no extension of time shall be due on account thereof.

Failure by the Consultant(s) to meet any of the insurance requirements, including the requirement that the Port Authority be afforded the full extent of the insurance obtained under this Agreement without limitation, shall be deemed a material breach of Agreement and may be a basis for termination of this Agreement by the Port Authority.

The requirements for insurance procured by the Consultant(s) shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Consultant(s) under this Agreement. The insurance requirements are not a representation by the Authority as to the adequacy of the insurance to protect the Consultant against the obligations imposed on them by law or by this or any other Agreement.

All insurance coverage shall be provided by the Consultant(s) and/or by or for any of its/their Sub-consultant(s) at no additional expense to the Port Authority and its related entities. A copy of this "Insurance" section shall be given to your insurance agent and Sub-consultant(s) and shall form a part of the covered Agreement for insurance purposes in furtherance of the insurance requirements of this Agreement.
