SUBJECT: REQUEST FOR PROPOSALS FOR THE PERFORMANCE OF EXPERT PROFESSIONAL RESILIENCE AND SUSTAINABLE DESIGN SERVICES (BUILDINGS) AS REQUESTED ON A “CALL-IN” BASIS DURING 2019-2022 (RFP# 53303) - ADDENDUM #3

Dear Sir or Madam:

The following questions were received from an RFP recipient(s). The questions and the corresponding Authority answers are provided for your information and use, as appropriate.

Question 1: Can this contract be used to provide full-service design services for the PANYNJ?

Answer: Yes

Question 2: Would holders of this contract be precluded from holding a subsequent full-service conventional design or design-build contract?

Answer: At this time, we do not foresee any conflict of interest between the holder of call-in Agreements for these services and any future solicitation for similar services related to project specific Sustainable Design or Design-Build agreements. However, we do reserve the right to preclude any firm from those solicitations should a possible conflict of interest be identified.

Question 3: Does the PANYNJ anticipate that all tasks under this contract will be less than \$350,000?

Answer: The value of Tasks can vary from below \$350,000 to \$1.3M.

Question 4: What is the anticipated total value of the contract?

Answer: These are as needed, call-in services for the years 2019-2022. No anticipated value can be projected.

The due date for submittal of proposals remains July 26, 2018 at 2:00 P.M.
