Dear Sir or Madam,

Question 17: Re: Section H - financial information. Is the “proposer” required information also needed from the subs?

Answer 17: The required financial information is only needed from the prime at this stage.

Question 18: If the consultant/prime is a certified M/WBE firm, do they count towards the M/WBE participation goals set on this procurement?

Answer 18: The goals are still applicable to a M/WBE firm.
