Sustainable Design Review Submittal Checklist

Tenant Name

Facility⁄ ˙@ẀḢ]cb

Project

TAA Number

Instructions

Use this Checklist to be sure all of the required documents are submitted to the PA as part of the Sustainable Design Review Submittal. Incomplete submissions could result in disapproval or delays.

The package is submitted to the Tenant Coordinator.

Documents to be Submitted

1. Preliminary Review Submittal Form – check the "**Sustainable Design Review**" box

2. Applicable Sustainable Design Checklist (from the Sustainable Design Guidelines Manual)

3. Description of the scope of work for sustainable design

Notes
