Media Guidelines for On-Site Reporting

Media are welcome to film or take photos at JFK, but we ask that you follow these guidelines to ensure safe and smooth operations while you're on-site.

Filming is only permitted in the Blue Lot across from Terminal 4.

Parking

Parking for both standard sized vehicles and satellite/oversized vehicles is available free of charge at the Blue Lot. Take the parking ticket when you enter. When you leave, tell the operator you are media.

Filming at the Blue Lot

To avoid any impacts to traffic or terminal operations, we ask that media report from behind the gate that divides the blue lot from the passenger pick-up areas in front of the terminal.
