FREEDOM OF INFORMATION LAW REQUEST
Please return a copy of this request letter with your response

Re: Kenneth Gray
Date of Accident: December 9, 2010

Dear Records Access Officer,

Our law firm represents the above plaintiff, who was injured on December 9, 2010 in a fall down incident that occurred at JFK Airport Terminal 3, Delta, New York, New York.

Under the provision of the New York Freedom of Information Law, Article 6 of the Public Officer's Law, we hereby request all records or portions thereof pertaining to the following:

1. A copy of any and all contracts available for the salting and sanding of the area in which our client fell.
2. Name, address and contact information for the companies responsible for the salting and sanding of the area in which our client fell.

If there are any fees for copying the requested records, please inform us before filling the request.

As you know, the Freedom of Information Law requires an agency to respond to a request within five (5) business days of receipt of the request. Therefore, we would appreciate a response as soon as possible and look forward to hearing from you shortly.

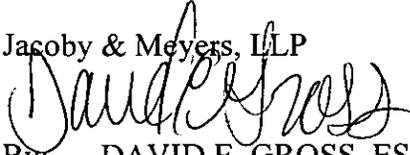

If for any reason any portion of our request is denied, please inform us, in writing, of the reasons for the denial and provide the name and address of the person or body to whom an appeal should be directed.

Please include our file number listed above on all correspondence regarding this request.

Thank you for your cooperation in this matter.

Very truly yours,

Jacoby & Meyers, LLP

Re: Freedom of Information Reference No. 12185

Your Reference No. 100120-02

Dear Mr. Gross:

This is a response to your February 25, 2011 request, which has been processed under the Port Authority's policy on Freedom of Information, copy enclosed, for a copy the contract for salting and sanding at John F. Kennedy International Airport - Delta Terminal 3.

Please be advised that we have searched our files and found no documents responsive to the request.

Sincerely,

Sheree Van Duyne
Acting FOI Administrator
