List of specific record(s):

I hereby make a request for the following records: Commencing with the dates of January 19, 2010 and continuing up through August 11, 2011, please provide copies of all records containing communications related to discussions between any member of the New Jersey Governor's Office and cabinet and sub-cabinet members with members of the Port Authority, including when those communications occurred, regarding the proposed Port Authority toll and fare increases. Member of the New Jersey Governor's Office is meant to define any and all political appointees who work full-time in the New Jersey Governor's Office and irrespective of whether they are paid by the New Jersey Governor's Office or by another department (this includes any state employee on "mobility" and temporarily assigned to the New Jersey Governor's Office). Cabinet and sub-cabinet members include any member that requires appointment by the New Jersey Governor to lead an executive department or agency. This definition, however, does not limit cabinet and sub-cabinet members to only those appointed by New Jersey Governor Christie but also to those who during the above-referenced time period continued to serve at the pleasure of New Jersey Governor Christie. Member of the Port Authority is meant to define any and all political appointees and

Re: Freedom of Information Reference No. 12541

Dear Mr. Springer:

This is a response to your August 12, 2011 request, which has been processed under the Port Authority's Freedom of Information Code, (the "Code", copy attached), for copies of records related to discussion between any member of the New Jersey Governor's Office and Cabinet and sub-cabinet member with members of the Port Authority regarding the proposed Port Authority toll and fare increases.

The materials responsive to your request, to the extent they exist, are exempt from disclosure pursuant to exemption (5) of the Code as they would be inter- agency or intra-agency advisory, consultative or deliberative records.

Very truly yours,

Daniel D. Duffy  
FOI Administrator
