X. EXECUTIVE DIRECTOR POWERS AND RESPONSIBILITIES

The Executive Director shall have the following powers, unless otherwise provided by any resolution of the Board of Commissioners or a Committee thereof, subject to the limitations, if any, of the Budget adopted by the Board of Commissioners. These powers shall be in addition to any other powers conferred by any other provisions of these By-Laws, or by any resolution heretofore or hereafter adopted by the Board of Commissioners or a Committee thereof.

(a) Unless otherwise directed by the Committee on Operations or otherwise provided by any resolution of the Board of Commissioners and subject to the limitations, if any, of the Budget adopted by the Board of Commissioners, the Executive Director is authorized:

(i) To determine and prescribe the duties of new and existing positions and the qualifications for appointments made thereto;

(ii) Subject to the approval of the Chairman of the Committee on Operations, to make permanent appointments to the Port Authority staff;

(iii) To make promotions and demotions within the staff;

(iv) To terminate appointments to the staff subject to the approval of the Chairman of the Committee on Operations whenever approval of the Committee on Operations is not otherwise specifically required;

(v) To create temporary positions and to make temporary appointments thereto for periods not exceeding three (3) months' duration; and

(vi) To grant or authorize the granting of vacation, sick leave, other leave of absence and to establish or modify other employee benefits (other than retirement matters) and to take other action affecting personnel.

(b) The Executive Director is authorized:

(i) to authorize or arrange for the printing and engraving of bonds, notes or other securities or obligations, the issuance whereof has been authorized by the Board of Commissioners;

(ii) to authorize and arrange for the payment of the interest upon and principal of such bonds, notes, or other securities or obligations, in accordance with the resolutions authorizing their issuance, out of any revenues directly pledged therefor, out of any sinking funds or special reserve funds especially established in connection therewith and, in case there are no other moneys available for the payment of such interest and principal, out of the General Reserve Fund if such fund has been pledged as security for such payments;

(iii) to authorize or arrange for the making of payments into such reserve funds during the year for which such payments are to be made out of revenues directly pledged for such purposes, and to authorize or arrange for the making of payments into such sinking funds during the year for which such payments are to be made out of revenues directly pledged for such purposes, out of any special reserve funds especially established in connection with the particular issue of such bonds, notes, securities or other obligations for which such payments are to be made, out of any other special reserve funds available for such purposes, out of any other Port Authority funds available for such purposes, and, in case all the preceding available sources are insufficient to make such payment, then out of the General Reserve Fund; and

(iv) whenever the resolutions of the Board of Commissioners establishing the issue of bonds and the various resolutions of the Board of Commissioners establishing the separate series of such bonds require the redemption of bonds for retirement for sinking fund purposes, to (a) arrange for or authorize the call of such bonds for redemption, within the limitations of said bond resolutions to select or arrange for the selection of the particular bonds to be redeemed, (b) publish or arrange for the publication of notice of redemption, (c) pay or arrange for the payment of such bonds upon the date set for their redemption, and (d) generally do all things necessary or incidental to the redemption and retirement of such bonds.

(c) The Executive Director is authorized to authorize, approve, or award agreements, contracts, or purchase orders for

(i) professional, technical, or advisory services, including but not limited to the services of consultants, engineers, architects, designers, artists, technicians, inspectors, appraisers, and experts of any kind;

(ii) maintenance, repair, rehabilitation, or other operating expenses;

(iii) capital improvements and additions (including major repairs or rehabilitation);

(iv) construction;

(v) materials, equipment or supplies (including the leasing of equipment);

(vi) utility or other services;

(vii) insurance or brokerage services; and

(viii) settlement of claims (not covered under paragraphs (e) or (o) of this Article X)

upon such terms as the Executive Director may deem proper and to enter into or execute the same on behalf of the Port Authority where the amount of any such agreement, contract, or purchase order (inclusive of any renewal or extension) is not in excess of \$2,500,000; provided, however, that the Executive Director may not take such action where the amount of any such agreement, contract, or purchase order (inclusive of any renewal or extension) under subparagraphs (c)(i) through (c)(vii), above, is in excess of

- (a) \$1,500,000 but not in excess of \$2,500,000, unless the agreement, contract, or purchase order is awarded to the lowest qualified bidder after public advertisement, or through cooperative governmental purchasing arrangements; or
- (b) \$500,000 but not in excess of \$1,500,000, unless the agreement, contract, or purchase order is awarded to the lowest qualified bidder, or the proposer best qualified by reason of cost, responsibility, and capacity to perform the work and whose bid price or proposal is deemed reasonable, after the receipt of competitive bids or proposals; and,

provided, further, in connection with authorizations under subparagraph (c)(viii), above, the Executive Director may settle such claims if the total settlement is not in excess of \$500,000. In addition, the Executive Director may take such actions under this paragraph (c) with respect to an extension, amendment, or modification of any existing agreement, contract, or purchase order either

- (a) on terms and conditions at least as favorable to the Port Authority and under which the Port Authority will incur no additional expenditures or obligations; or
- (b) where the amount of the extension, amendment, or modification is not in excess of 25 percent of the base amount of the original agreement, contract, or purchase order, provided however that such excess amount is not greater than \$2,500,000.

(d) In the exercise of authority under this paragraph (d), the Executive Director may take the following actions only upon providing prior notice to the Board of Commissioners. The Executive Director, pursuant to authority granted to the Executive Director in conjunction with the adoption of the Budget or other resolutions of the Board of Commissioners, may, as the Executive Director deems in the best interest of the Port Authority, in connection with agreements, contracts or purchase orders:

- (i) (a) award to the bidder or proposer who, in the opinion of the Executive Director, is best qualified by reason of cost, responsibility, experience, and capacity to perform the work and whose bid price or proposal the Executive Director deems reasonable, (b) reject all bids or proposals, (c) solicit new bids or proposals on revised or the same requirements, (d) negotiate with one or more

bidders, proposers, or other contractors; or (e) exercise any rights and the performance of any obligations vested in or assumed by the Port Authority under such agreement, contract, or purchase order;

(ii) execute agreements, contracts, or purchase orders and supplemental agreements, contracts or purchase orders with such bidders, proposers, or contractors;

(iii) order extra work and net cost work; and

(iv) authorize payments to contractors or vendors.

(e) The Executive Director may, in connection with any agreement, contract, or purchase order,

(i) require a bond securing the performance thereof and/or the payment of subcontractors, materialmen, workers, and other third persons;

(ii) settle claims arising under or in connection with such agreements (including leases, permits, and licenses, for the use or occupancy of property), contracts, or purchase orders; provided, that the Executive Director may settle such claims if the total settlement is not in excess of \$500,000; and

(iii) authorize the payment to contractors and vendors of all or any portion of their compensation even though not yet payable under the terms of the agreement, contract, or purchase order, in each case whenever the Executive Director deems it advisable under the circumstances.

(f) The Executive Director may acquire temporary interests in real property necessary in connection with construction or operation of Port Authority facilities, provided that the term of any such interest shall not be in excess of five years.

(g) Not less than ten days in advance of any meeting of the Board of Commissioners at which the Board is to consider an action to authorize the sale of real property owned by the Port Authority, the Executive Director shall provide public notice of such proposed action, by posting on the Port Authority's Internet site or any successor electronic media designated by the Executive Director for such purposes.

(h) In compliance with the policies established by the Board of Commissioners, the Executive Director shall, from time to time, adopt appropriate procedural guidelines, consistent with those applied to state authorities in the two States, to ensure that procurement, based on competitive contract-award processes, of agreements and contracts for the purchase of goods and contract services, professional, technical and advisory services, real estate and construction is based on open competition and fairness, with the highest level of integrity, and to discourage attempts by others to influence the Port Authority to achieve preferential, unequal or favored consideration of proposals for

procurement based on considerations other than on the merits of such proposals. Such procedural guidelines shall include: restrictions on contacts between Commissioners and staff regarding the procurement process and particular active procurement matters; restrictions on contacts between lobbyists representing contractors, vendors or service providers, and Commissioners and staff, regarding the procurement process and particular active procurement matters; rules controlling flow of procurement inquiries and bids to responsible staff and pursuant to pre-set procedures; advertisement of procurement opportunities by the Port Authority through a broad range of media outlets, to increase vendors' awareness of and participation in the procurement process; and equal opportunity for minority-owned, women-owned and small business enterprises.

(i) In compliance with the policies established by the Board of Commissioners, the Executive Director shall have authority to adopt, rescind, amend, and modify rules and regulations

(i) for and in connection with facilities and properties owned, leased, or operated by the Port Authority and for the conduct of the users thereof and all other persons in or about such facilities or properties, including the officers, employees, or representatives of the Port Authority and of the users of its facilities and properties and people doing business with it or them; and

(ii) for the operation, management, and conduct of the business of the Port Authority and the staff.

(j) The Executive Director shall have authority to enter into any agreement including, but not limited to, leases, permits and licenses, for the use or occupancy of any property owned or operated by the Port Authority and for the use or occupancy of property by the Port Authority or for the exercise of privileges thereat; provided, that such agreement

(i) is for a total term, including any renewals and extensions, of not more than ten years, and the average annual rental (net present value) is not more than \$1,000,000;

(ii) is unconditionally revocable without cause by the Port Authority upon 30 days' notice or less and there is no fixed obligation on the Port Authority in excess of \$1,000,000; or

(iii) substitutes another for the contracting party to an existing agreement.

Any such agreement may contain such indemnity and other provisions as the Executive Director may deem appropriate.

(k) The Executive Director may authorize or arrange for contracts for the sale of personal property owned by the Port Authority upon such terms and conditions as the Executive Director may deem proper and execute the same on behalf of the Port

Authority where the value of such personal property is not in excess of \$1,000,000; provided, however, that personal property valued at more than \$250,000 shall not be sold by authority of the Executive Director other than to the highest bidder after public advertisement.

(l) The Executive Director may authorize intervention and participation on behalf of the Port Authority in proceedings before any administrative tribunal of the United States or of the States of New York and New Jersey or their subdivisions affecting the trade, commerce, and economic development of the Port District or the terminal or transportation facilities or facilities of commerce and economic development therein; provided, however, that no statement as to the position of the Port Authority on the issues in the proceedings shall be submitted until the position has been authorized by the Board of Commissioners or the appropriate Committee thereof.

(m) With respect to the operation, planning, and development of Port Authority facilities and to other projects, programs, and studies which have been authorized by the Port Authority, the Executive Director may apply for and accept on behalf of the Port Authority grants from federal, state, or other governmental entities. Expenditures in connection with such grants or projects and activities funded in whole or in part by such grants are, however, subject to consideration and authorization in accordance with the provisions of these By-Laws.

(n) The Executive Director may, in the best interests of the Port Authority, enter into or authorize execution of agreements with federal, state, or other governmental entities for the performance of services by Port Authority employees or the participation by such employees in programs or other activities sponsored in whole or in part by such entities.

(o) The Executive Director shall have authority to settle all claims of and all claims against the Port Authority (not covered under paragraphs (c) and (e) of this Article X) when the total payment or the amount of damages incurred by the Port Authority is not in excess of \$1,000,000. Claims of and against the Port Authority shall include claims against individuals for which the Port Authority would be responsible under Article XI of these By-Laws; provided, however, that in the case of claims against individuals for which the Port Authority would be responsible under the said Article XI, which are covered by insurance purchased by or on behalf of such individuals, the Port Authority shall pay such claims only to the extent that they are in excess of the amount for which the insurance carriers are responsible.

(p) With respect to Port Authority property or to the operation, planning and development of Port Authority facilities the Executive Director may enter into such indemnity agreements as the Executive Director may deem appropriate.

(q) The Executive Director shall publish on a regular basis comprehensive reports
on

(i) transactions of the Port Authority relating to the business and activities of the Port Authority, which reports shall identify vendors retained to perform services through the procurement process and the terms of their engagements; and

(ii) expenditures and operations of the Port Authority, identifying its programs and associated expenditures, which shall also be delivered to the Governors of New York and New Jersey;

provided, however, that the failure of the Executive Director to report the same shall not affect the validity of any action taken by the Executive Director with respect thereto.

(r) The Executive Director is authorized to delegate in whole or in part any power, authority, or discretion conferred upon the Executive Director by these By-Laws, or by any resolution heretofore or hereafter adopted by the Board of Commissioners to any other officer or member of the executive staff; provided, however, that the Executive Director shall file all delegations with the Secretary; and, provided further, that this power shall not apply to any case where the Executive Director is authorized to sign checks, drafts, or commercial paper, or deeds of conveyance of real property, or to have access to safe deposit boxes

(s) In exigent circumstances, the Executive Director, after consultation with the Chairman of the Port Authority (which requirement for consultation is waived if the Chairman of the Port Authority cannot be contacted through reasonable means and in a reasonable period of time), may take any action, whether or not otherwise authorized in these By-Laws, with respect to the property or facilities, projects, programs, and business of the Port Authority, or the rules and regulations or fees, fares, tolls, and other charges relating thereto. The Executive Director shall report such action to the Board of Commissioners. The Executive Director shall notify the Chairman of the Port Authority of any contract entered into pursuant to this provision.

Whenever the Executive Director purports to act pursuant to power vested under these By-Laws, then all third persons are entitled to rely on the Executive Director's representation that the Executive Director has the power to act.

The powers conferred upon the Executive Director under these By-Laws shall be discretionary and, unless otherwise expressly provided, shall not be construed to impose upon the Executive Director a requirement to execute any agreement, contract, or purchase order, or to take any other action authorized under these By-Laws. Except as otherwise provided in this Article X, the Executive Director may take action as authorized without providing prior notice to the Board of Commissioners.
