Re: Request for Bidding Documents for Contract WTC 324.359.M1

We hereby request the availability and access to the following information as described within The Freedom of Information Act, all in reference to the above stated Project which was publicly bided on June 2, 2011:

1. Bid documents submitted by Secure USA Inc. for the above reference project.
2. Bid abstract (i.e., bid results including any alternates).
3. Bid notices (including any amendments, requests for information and responses)
4. List of attendees for any meetings conducted in direct relationship to the bidding process.
5. Meeting minutes documenting any discussions regarding this project and the bidding process.
6. Verification of "good faith efforts" and outreach for the solicitation of minority and/or women owned business participation (either on a prime or subcontract level of participation to submit bids accordingly).
7. Approved Minority Participation Plan
8. Please include verification of these efforts from both the Construction Manager and apparent low bidder (if applicable).

Very truly yours,

Ian Katwaroo

RE: Pre-Purchase Bollard Covers Bid for Contract WTC-324.359.M1

To Whom It May Concern:

Please find following this letter the required bid documentation for the Pre-Purchase Bollard Covers including the following:

- Completed Form of Bid, pages 33-49 per Addendum 1 clarification
 - Includes Bid Bond
 - Required signatures and declarations
- List of officers of the corporation known as SecureUSA, Inc.
- Hanover Insurance declaration of SecureUSA's ability to meet bond obligations
- Copy of Letter of Certification from Empire State Development Corporation indicating SecureUSA as a NYS Woman-Owned Business Enterprise

SecureUSA is a 15-plus year-old business specializing in perimeter defense solutions including the original design, manufacture, installation and maintenance of bollard covers. Many SecureUSA bollard covers adorn New York City landscapes including City Hall, 26 Federal Plaza, Columbus Circle, Bank of America Tower and Peter Minuit Plaza at the South Ferry Terminal next to Battery Park.

SecureUSA's products are also approved for use by the Department of Homeland Security protecting contractors and owners from litigation by limiting law suits to SecureUSA, which has protections under the Safety Act of 2002.

SecureUSA has a service force based in Jersey City, NJ, serving the Greater New York City area and beyond. Backed up by a complete engineering and manufacturing department at our Cumming, GA, headquarters, SecureUSA is able to offer timely and technically competent support to Tishman and PANY/NJ throughout the WTC project timeline.

Sincerely Yours,

furnish a Performance and Payment Bond and either the principal(s) furnishes a
Performance and Payment Bond satisfactory to the Authority in accordance with
the requirements of said Proposal or the Authority does not terminate the
Contract as provided therein on account of the failure to furnish such a bond,

~~Then, this obligation shall be void, otherwise the same shall remain in full force and effect; it
being expressly understood and agreed that the liability of the surety for any and all claims
hereunder shall, in no event, exceed the penal amount of this obligation as herein stated.~~

The surety, for value received, hereby stipulates and agrees that the obligations of said surety and
its bond shall be in no way impaired or affected by any extensions of the times within which the
Authority may receive or accept such Proposal or within which the principal(s) may furnish a
Performance and Payment Bond or by any waiver by the Authority of any of the requirements of
said Proposal; and said surety does hereby waive notice of any such extensions or waivers.

STANDARD FORM LLL - DISCLOSURE OF LOBBYING CERTIFICATION
REGARDING LOBBYING PURSUANT TO 31 U.S.C. 1352

The undersigned

CARLA L. CLARK

(name of authorized officer)

certifies, to the best of my knowledge and belief, that:

- No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure of Lobbying, Activities" in accordance with its instructions.
- The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Note: Pursuant to 31 U.S.C § 1352(c)(1)-(2)(A), any person who makes a prohibited expenditure or fails to file or amend a required certification or disclosure form shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure or failure.

The Construction Manager certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Construction Manager understands and agrees that the provisions of 31 U.S.C. § 3801, et seq., apply to this certification and disclosure, if any.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. Section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a followup report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subawardee recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Bid (RFP) number; Invitations for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/Bid control number assigned by the Federal agency). Included prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.
(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).
11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB control Number. The valid OMB control number for this information collection is OMB No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - LOWER TIER COVERED TRANSACTIONS

1. The prospective lower tier participant,

SECURE USA, INC., certifies by submission of this bid or Bid, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this Bid.

3. The prospective lower tier participant shall provide immediate written notice to the Authority (and the Construction Manager, if applicable) if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

RE: SecureUSA, Inc.

To Whom It May Concern:

At the request of SecureUSA, Inc. we would like to offer the following:

SecureUSA, Inc. is a valued client of ours. Our office has been providing Bid, Performance, and Payment Bonds for SecureUSA since 2003. The Hanover Insurance Company carries an A.M. Best Rating of "A" and is listed on the Department of Treasury's Federal Register.

If Contractor is the successful proposer and is required to provide performance and/or payment bond(s), we would consider executing the required bonds on their behalf. The current bonding capacity for SecureUSA, Inc. is \$10,000,000 single and \$20,000,000 aggregate. Our consideration would be based on the satisfactory completion of our normal underwriting requirements, which include, but are not limited to, our satisfactory review and approval of the contract terms and conditions, our contractor's financial condition at that time, his overall work program, verification of project financing and other pertinent underwriting criteria. Please be advised that the execution of any bond or bonds is a matter between the contractor and us. We assume no liability to you or any third party in providing this letter.

We have found the principals of SecureUSA, Inc. to be of the highest caliber and their work to be of the highest quality. We feel confident you will find their qualifications will excel in every aspect.

The terms of this letter will expire 90 days from the above date.

Sincerely,

THE HANOVER INSURANCE COMPANY

Ms. Tammy E. Herslebs, President
SECUREUSA Inc.
4250 Keith Bridge Road, Suite 160
Cumming, GA 30041

Dear Ms. Herslebs,

On behalf of New York State Department of Economic Development, Division of Minority and Women's Business Development (DMWBD) has completed its review of your application for State Certification as a Minority-Owned Business Enterprise and has determined that your firm meets eligibility requirements for certification, pursuant to Executive Law, Article 15-A.

We are pleased to inform you that the firm of **SECUREUSA Inc.** has been granted status as a **Woman-Owned Business Enterprise**. Your business will be listed in the State's Directory of Certified Businesses with the following list of principal products or services:

2615-Vehicle Barriers and Bollards, 936-Concrete Barriers (Temporary)

Certification status is not intended to imply that the State of New York guarantees your company's capability to perform on state contracts, nor does it imply that your company is guaranteed any State business.

Be advised that your certification expires 3 years from the date of this letter or unless you are contacted by this office for verification or recertification.

Please remember that any changes in your company that affect ownership, managerial and/or operational control, must be reported to this office within thirty (30) days of such changes; including changes to company name, business address, telephone numbers, principal products/services, and bonding capacity. At such time as it is necessary for your company to be recertified, you will be notified by this office.

If your certification is questioned by any public or private entity, please direct the inquiry to this office for clarification.

Thank you for your cooperation. On behalf of the State of New York, I wish you luck in your business endeavors, particularly those involving State agencies.

Sincerely,

Scott Munson
Associate Certification Analyst

RFI No.	Question	Response to Bidders
1	Can you please confirm that only Bid Form pages 33-49 are required to be returned as the bid package and that the entire book need not be returned as the bid?	Submit Bid Form pages 33-49
2	Neither in the specifications or the drawings are any notes on the T316 stainless steel material thickness of the inner and outer bollard covers or the welded in s/s support ribs. Please advise.	Refer to Addendum No. 1
3	We would like to request a set of the structural drawings to identify the quantities of the two types of structural bollards. If these cannot be provided, please provide a formal breakdown of the quantities.	Refer to LS 1801 – LS 1811
4	We would like to request to make an appointment to see a material sample of the two types of structural bollards as soon as possible to identify the 1/8" clearance for the ribs fitment and possible interferences with welds, tool marks, finishes etc.	Not Available
5	We would like to request to make an appointment to see the finish sample as noted in Division 5 Section 05705C Part 2 Products, 2.4 Shop Finishing, i. Bead Blast (#8 bead), and electropolish to match Engineer of Construction's sample.	Refer to Specification Section 05705C – Appendix A, C "Samples". Also, refer to Addendum No. 1
6	We would like to request if shop fabricated or brake bent material for the inner and outer bollards would be considered in lieu of castings.	No
7	In Specifications Section 05705C Part 2 Products, 2.2 Materials, F, 1. Bituminous Paint is noted. Nowhere on the drawings is any paint called out for. Please advise.	Refer to Addendum No. 1
8	On Drawings LS6201 and LS6202, Section F-F, D2 Connection Detail and D4 Assembly Diagram of the inner bollard cover does not clarify if the base ring will also fit with a 1/8" gap as the support ribs do around the structural bollard component. Please advise.	Refer to Section D-D' on LS 6201 & LS 6202
9	In Specifications Division 5 Section 05705C Part 1 General, 1.10 Extra materials notes furnish extra bollard units. On Drawing LS6206, there is a note referring to the inner bollard covers but not verifying if inner units need to be provided for attic stock. If they do need to be provided, please provide a formal breakdown being there are 3 inner cover base types per structural bollard type.	Refer to Rider A (2 nd Paragraph) for description of attic stock unit(s)
10	Though we do not see any notations pertaining to, we would like to formally inquire if there are any Buy American requirements for this project.	No Buy American requirements
