THIS AGREEMENT SHALL NOT BE BINDING UPON THE
PORT AUTHORITY UNTIL DULY EXECUTED BY AN
EXECUTIVE OFFICER THEREOF AND DELIVERED TO THE PERMITTEE AND THE
SUBLESSEE BY AN AUTHORIZED REPRESENTATIVE OF THE PORT AUTHORITY

Port Authority Permit No. AYD-476
Consent to Sublease No. AYD-685
John F. Kennedy International Airport

CONSENT AGREEMENT

THIS AGREEMENT, effective as of November 10, 2007 ("Effective Date"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("Port Authority"), **WESTFIELD CONCESSION MANAGEMENT, LLC.** ("Permittee"), and **NEWSLINK OF JFK, LLC d/b/a NEWSLINK JUAN VALDEZ CAFE** ("Sublessee"), a corporation organized and existing under the laws of the State of Florida with an office and place of business at 6910 N.W. 12th Street, Miami, Florida, 33126 whose representative is Mr. Raymond Kayal, Jr., President, and consented to by **AMERICAN AIRLINES, INC.** ("Airline").

WITNESSETH, That:

WHEREAS, by a certain agreement of lease dated as of December 22, 2000 bearing Port Authority Lease No. AYB-085R (as may have been heretofore and may be hereafter amended, supplemented or extended, the "Airline Lease") the Port Authority leased to the Airline certain premises at John F. Kennedy International Airport ("Airport") for certain passenger terminal facilities ("Terminal"), as set forth in Section 5 of the Airline Lease; and

WHEREAS, it was contemplated under the Airline Lease that certain food and beverage, newsstand, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required; and

WHEREAS, the Airline and the Permittee have entered into an agreement made as of September 2, 2004 (as may have been heretofore and may be hereafter amended, supplemented or extended, the "Concession Lease") under which the Permittee agreed to provide certain development, leasing, and management services with respect to consumer service operations at the Terminal; and

WHEREAS, the Port Authority and the Permittee have entered into a certain permit agreement identified above by Port Authority Permit Number AYD-476 (as may have been heretofore and may be hereafter supplemented, amended and extended, the "Permit") and

covering the services and facilities which the Permittee agreed to provide pursuant to the terms of the Concession Lease; and

WHEREAS, the applicable provisions of the Concession Lease and the Permit require the Permittee to enter into an agreement with a third party unrelated to the Permittee in any manner to operate consumer service facilities required to be provided pursuant to the terms of the Airline Lease, the Concession Lease and the Permit, provided that the proposed Sublessee and all the terms of its sublease agreement with the Permittee are consented to in writing in advance by the Port Authority and the Airline; and

WHEREAS, the Permittee and the Sublessee have entered into a sublease agreement, dated as of May 31, 2007, consented to by the Airline, a copy of which is attached hereto and made a part hereof ("Sublease"), covering portions of the premises under the Concession Lease (such portions, being hereinafter collectively called the "Space" or the "Spaces"); and

WHEREAS, the Permittee and the Airline have requested the consent of the Port Authority to the proposed Sublease;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Permittee and the Sublessee hereby agree effective as of the Effective Date, as follows:

1. On the terms and conditions hereinafter set forth, the Port Authority consents to the Sublease.

2. Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Permittee or the Sublessee, on the earliest to occur of: (a) the day preceding the date of expiration or earlier termination of the Airline Lease; (b) the effective date of any revocation of this Consent pursuant to paragraph 7 hereof; (c) if applicable, the day preceding the date of expiration or earlier termination of the Concession Lease in accordance with its terms; (d) the date of expiration or earlier termination of the Sublease; or (e) such earlier date as the Permittee and the Sublessee may agree upon subject to the terms and provisions hereof. The Sublessee shall cease its activities and operations at the Space and shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the termination of the Sublease.

3. If the Permittee shall at any time be in default of its obligations under the Permit, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Permittee from the Sublessee (including, but not limited to, late charges, liquidated damages, fines and the like). No such payment shall relieve the Permittee from any obligation under the Permit or under this Consent but all such payments shall be credited against the obligations of the Permittee or of the Sublessee, as the Port Authority may determine for each payment or part thereof, in accordance with the provisions of

the Permit, Concession Lease and the Airline Lease and consistent with paragraph 4(a) hereof.

4. (a) Neither this Consent, nor anything contained herein, shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Airline under the Airline Lease or to the Permittee under the Permit, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Airline Lease or Permit, nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Airline under the Airline Lease and to the Permittee under the Permit. Neither this Consent nor anything contained herein, nor any termination of the Sublease, shall affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Airline under the Airline Lease and on the Permittee under the Permit nor constitute or be deemed to constitute a release of the Airline or the Permittee, respectively, from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Permittee and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority, the Airline or the Permittee that the provisions of the Sublease shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease and the Permit shall, in all respects, be controlling, effective and determinative. In addition, in any case of difference or inconsistency between the provisions of this Consent and those of the Sublease, this Consent shall be controlling and, in any case or difference or inconsistency between the terms of the Sublease and those of the Airline Lease or between the terms of the Sublease and those of the Permit, the terms of the Airline Lease, or of the Permit, as the case may be, shall control. The specific mention of or reference to the Port Authority in any part of the Sublease, including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Consent or shall thereafter grant its consent or approval thereto or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact or that the Port Authority's discretion pursuant to the Airline Lease and Permit as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and Permit shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Permittee including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to

imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) No changes, amendments, renewals or extensions to the Sublease shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee or the Sublessee. The Sublease shall not be changed, modified, discharged, renewed or extended except by written instrument duly executed by the parties thereto and only with the express prior written consent of the Port Authority.

5. The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Airline Lease and the Permit.

6. The granting of this Consent by the Port Authority shall not be, and shall not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease, sublicensing, or other agreement with respect to the use or occupancy of the Space or any other portion of the Terminal, or to any assignment of the Permit or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

7. (a) The Port Authority shall have the right to revoke this Consent at any time without cause, on thirty (30) days' notice to the Sublessee, as to any one or more of the Spaces at which the Sublessee has permission to operate, and no such revocation shall be deemed to affect the Permit or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby. For informational purposes, the Port Authority will send a copy by regular first class mail of such notice to the Permittee, but failure on the part of the Port Authority to send the informational copy shall not however be or be deemed to be a breach of this Consent, or impair or affect the validity of the notice or request actually given.

(b) In the event the Port Authority exercises it right to revoke this Consent if the Sublessee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Consent, the Sublessee shall be obligated to reimburse the Port Authority for any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements

incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Consent including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Consent.

8. The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

9. The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

10. (a) If the Sublessee shall fail to pay any amount required under this Consent when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent, including without limitation under paragraph 7 hereof or (ii) any obligations of the Sublessee under this Consent. In the event that any late charge imposed pursuant to this paragraph shall exceed a legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent shall be payable instead at such legal maximum.

(b) In the event that upon conducting an examination and audit as described in this paragraph the Port Authority determines that unpaid amounts are due to the Port Authority by the Sublessee (the "Audit Findings"), the Sublessee shall be obligated, and hereby agrees, to

pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Sublessee under this Consent or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this paragraph with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent, including, without limitation, the Port Authority's rights to revoke this Consent or (ii) any obligations of the Sublessee under this Consent.

11. Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees, contractors, subcontractors and others on the Space or on the Airport with the consent of the Sublessee.

12. It is hereby acknowledged and agreed by the Permittee and the Sublessee that the Port Authority has no obligation under the Airline Lease, the Sublease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's capital investment in the Space or at the Terminal, whether amortized or unamortized. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or the Concession Lease or upon revocation of this Consent with or without cause (in accordance with the terms of paragraph 7 hereof), of any amount of the Sublessee's capital investment in the Space or at the Premises shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Permittee to pay, subsidize or finance said unamortized capital investment.

13. (a) Without in any manner affecting the obligations of the Airline under the Airline Lease or of the Permittee under the Permit and under this Consent, and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements in, at or about the Space as if it were the Permittee under the Permit. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Consent by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Premises with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers

and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Sublessee shall be deemed to be acts and omissions of the Permittee under the Permit and the Lessee shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at it own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

14. (a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

	Minimum Limits
Commercial General Liability Combined single limit per occurrence for bodily injury and property damage liability:	$2,000,000

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement the Port Authority covenanting and agreeing not to act unreasonably hereunder. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

15. Without limiting the generality of the provisions of this Consent, the terms, provisions, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative and to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Airline Lease or this Consent then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Airline Lease.

16. The Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded

on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Nothing contained in this Consent nor in the Sublease, including without limitation the payment obligation of the Sublessee under Article II of the Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Airline Lease, Concession Lease and the Permit, consistent with paragraph 4(a) hereof. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of the Sublease.

18. Nothing contained in this Consent or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Premises including without limitation the installation of any signs at the Airport. The Permittee and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions of the Airline Lease and an approved Tenant Alteration Application which the Sublessee shall prepare and the Permittee and/or the Airline shall submit to the Port Authority.

19. Notwithstanding anything to the contrary stated in the Concession Lease, the Permit or the Sublease, the cost of utilities shall not be charged to the Sublessee unless the Sublessee is a food/beverage vendor, all in accordance with the Airline Lease. By signing below, the Airline expressly agrees to the foregoing, and agrees that the Airline shall not charge to the Permittee the cost of any utilities other than as aforesaid in this paragraph.

20. Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the Permittee and their respective offices shall be as set forth in the Permit. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and

served as of the date of the registered or certified mailing thereof.

21. Basic Lease Provisions:

(a) Certain Definitions.

(i) "Basic Lease" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and the Port Authority, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same from time to time may have been or may be supplemented, amended and/or restated.

(ii) "City" shall mean The City of New York, a municipal corporation of the State of New York.

(b) The Sublessee acknowledges that it has received a copy of, and is familiar with the contents of, the Basic Lease. The Sublessee acknowledges that no greater rights or privileges are hereby granted to the Sublessee than the Port Authority has the power to grant under the Basic Lease.

ARTICLE I. GRANT AND TERM

Section 1.01 **CONDITIONS OF GRANT OF PREMISES.** American and the Authority each have the right to make any alterations, replacements or modifications to the Terminal (including, but not limited to, the Concession Area) and/or the Airport, including actions which may change the shape, size, location, number and extent of the improvements generally shown on **Exhibits A-1, A-2 and A-3** and eliminate or add any improvements to any portion of the Terminal and/or the Airport at any time without Landlord's or Tenant's consent. Such rights shall include the right to place, install, maintain, use, repair and replace, in any manner, pipes, lines, conduits, ducts, flues, drains, sprinkler mains and valves, wires and wiring (and like improvements) and structural elements leading through the Premises or serving the Premises or any other parts of the Terminal. Tenant acknowledges that pursuant to the Concession Area Lease, American has agreed to use reasonable efforts to place any such items (other than existing items and/or necessary or desirable structural elements) in locations that do not materially interfere with Tenant's use of the Premises unless required to comply with American's obligations under the Authority Lease. Tenant may, upon approval by Landlord and subject to the Authority's TAA Process (as defined in Section 5.01), have the right to install utility lines and facilities which exclusively serve the Premises in the area between Tenant's finished ceiling and the roof above or under the floor below, but such installation shall be at Tenant's sole cost and expense. Wherever the term Airport or Terminal is used, it shall be deemed to include the areas shown as such on **Exhibit A-1**. If American or the Authority elects to enlarge or alter the Airport, the Terminal or the Concession Area, Landlord, at its sole and absolute discretion, may include any additional area in the respective definitions of Airport, Terminal and/or Concession Area for purposes of this Sublease.

Section 1.02 **COMMENCEMENT AND ENDING DATE OF TERM.** The term of this Sublease ("**Term**") shall commence as of the date reflected on the first page hereof ("**Commencement Date**"). Tenant's obligation to pay Guaranteed Rent, Percentage Rent and Additional Rent (collectively, "**Rentals**") shall commence upon the date ("**Rental Commencement Date**") which is the earlier to occur of (a) the date on which Tenant initially opens for business to the public, or (b) the Latest Rental Commencement Date specified in the Data Sheet. Any occupancy of the Premises by Tenant following the Commencement Date and prior to the Rental Commencement Date shall be subject to all terms and conditions hereof other than the payment of Rentals. The Term hereof shall end on the Expiration Date set forth in the Data Sheet, unless sooner terminated in accordance with this Sublease or if the Consent Agreement is terminated or otherwise revoked as provided therein or as may otherwise be extended. Tenant hereby waives any and all rights to recover or regain possession of the Premises and all rights of redemption, granted by or under any present or future law in the event it is evicted or dispossessed for any lawful cause, or in the event either Landlord or American obtains possession of the Premises in any lawful manner. Such termination of the Sublease, as provided herein, and the removal, restoration and surrender obligations of Tenant, shall in no event give rise to any claims for incidental, consequential or severance damages on account of Tenant's occupancy and/or abandonment of the Premises. The first "**Lease Year**" shall be the period commencing on the Rental Commencement Date and ending on the next December 31, and thereafter each "**Lease Year**" shall mean a fiscal year of twelve (12) consecutive calendar months ending on December 31.

Section 1.03 **LATE OPENING.** Landlord and Tenant agree that Tenant's failure to open the Premises on the Latest Rental Commencement Date will result in damages which are difficult to ascertain in light of operational, scheduling and public service factors. Therefore, if Tenant fails to open for business in the Premises by the Latest Rental Commencement Date and such failure shall be due to any fault of Tenant and not due to delays as specified in Section 5.01(c) or other delays caused by or due to the sole fault of either Landlord, American or the Authority, Landlord may assess and Tenant shall pay as liquidated damages and not as a penalty, Two Hundred Fifty Dollars ($250.00) per day for each day Tenant is not open for business for more than twenty (20) days following the Latest Rental Commencement Date. If such failure shall continue for in excess of sixty (60) days, the amount of such liquidated damages may be increased up to a

address set forth in the Data Sheet, or such other place as Landlord may designate in writing, without any deductions or offsets whatsoever. Should the Rental Commencement Date occur on a day other than the first day of a calendar month or this Sublease expire or terminate on a day other than the last day of a calendar month, then Guaranteed Rent shall be prorated on the basis of a thirty (30) day month. Should any Lease Year contain less than twelve (12) calendar months, said Guaranteed Rent shall be prorated on the basis of a three hundred sixty-five (365) day year. Effective each January 1 (commencing January 1, 2008) following the Rental Commencement Date, Guaranteed Rent shall adjust (but in no event shall the Guaranteed Rent decrease below the amount set forth in the Data Sheet) by an amount equal to the then current Lease Year's Guaranteed Rent times the "**Percentage Change in Enplaned Passengers**". The "**Percentage Change in Enplaned Passengers**" shall mean an amount equal to the percentage change, whether an increase or a decrease, between the Terminal's reported "**Enplaned Passengers**" between two (2) consecutive calendar years for each Lease Year of the Term. For example, the initial calendar year for such measurement shall be the "**Enplaned Passengers**" in the Terminal during the 2006 calendar year and shall be compared to the "**Enplaned Passengers**" in the Terminal during the 2007 calendar year. Thereafter, calendar year periods used for the measurement comparison shall each roll forward by one (1) calendar year for subsequent determinations of the Percentage Change in Enplaned Passengers (e.g., the second comparison shall be the 2007 calendar year compared to the 2008 calendar year). For all purposes of this Sublease, the term "**Enplaned Passengers**" means any passenger determined by American to have boarded an aircraft at the Terminal, including passengers who may disembark and re-board the same aircraft as part of the same flight itinerary, but excluding passengers, such as international in-transit passengers, from international flights who are restricted from access to the Concession Area. Notwithstanding the foregoing, Landlord and Tenant hereby agree that for purposes of such measurement throughout the Term, the number of Enplaned Passengers for each calendar year that such adjustment shall be made shall be the greater of: (i) 3,800,000; or (ii) the number of actual Enplaned Passengers in the Terminal for the applicable calendar year.

Section 2.02 **PERCENTAGE RENT.** (a) Tenant shall also pay for each month of the Term ("**Lease Month**"), Percentage Rent equal to the product of the applicable Percentage Rent Rate times the amount of Tenant's "**Gross Receipts**" (as defined below) during such month in accordance with the applicable Percentage Rent Rates as specified in the Data Sheet, such payment to be made to the extent Percentage Rent exceeds the monthly installment amount of Guaranteed Rent paid by Tenant to Landlord. Tenant shall pay Percentage Rent to Landlord monthly without prior notice or demand within 15 days after the expiration of each Lease Month. All Percentage Rent payments shall be computed based on all Gross Receipts made during the previous Lease Month in accordance with the applicable Percentage Rent Rates as specified in the Data Sheet, such payment to be made to the extent Percentage Rent exceeds the monthly installment amount of Guaranteed Rent paid by Tenant to Landlord.

(b) If, at the end of any Lease Year, the monthly installments of Percentage Rent are less than the annual Percentage Rent required to be paid, Tenant shall pay the amount of such deficiency on or before the time Tenant provides its Annual Statement together with "**Late Interest**" (as defined in Section 27.13) from the date any such amounts were originally due. If, at the end of any Lease Year, the monthly installments of Percentage Rent paid exceeds the annual Percentage Rent required to be paid, Tenant shall receive a credit equivalent to such excess, which shall be credited by Landlord to the next monthly payment(s) of Rentals due from Tenant to Landlord hereunder. If at the end of the final Lease Year the total monthly installments of Percentage Rent paid exceeds the annual Percentage Rent required to be paid for such final Lease Year, such excess shall be refunded to Tenant within forty-five (45) days after Tenant has vacated the Premises at the conclusion of this Sublease, so long as the Premises are in the condition required by this Sublease, all of Tenant's obligations and liabilities have been performed to the satisfaction of Landlord and any other sums due Landlord from Tenant under this Sublease have been paid in full or Landlord shall be entitled to deduct such remaining sums due from any such excess. Percentage Rent is agreed to be a portion of the

discounts given by Tenant on sales of merchandise or services to its own employees, if separately stated, and limited in amount to not more than one percent (1%) of Gross Receipts per Lease Month; (10) mandatory discounts of not less than ten percent (10%) of Gross Receipts, if separately stated, which must be given by Tenant on sales of merchandise or services to all individuals employed at the Airport, all American employees and to all Terminal airline employees; (11) gratuities for services performed by employees of Tenant which are paid by Tenant or its customers to such employees, except to the extent Tenant may be entitled to receive a portion of such gratuities; (12) the sale or transfer in bulk of the inventory of Tenant to a purchaser of all or substantially all of the assets of Tenant in a transaction not in the ordinary course of Tenant's business; and/or (13) except with respect to insurance proceeds received due to loss of gross earnings under Tenant's business interruption insurance coverage as provided above and/or insurance proceeds that may be payable to Landlord, American or the Authority under such coverage, receipts from all other insurance proceeds received as a result of a loss or casualty. The conditions with respect to Section 2.02(c)(8) above are as follows: (i) the manufacturer specifically identifies the time period to which the income relates, (ii) reimbursement from the manufacturer to Tenant occurs in connection with employees (1) who are on Tenant's payroll for the operations permitted under the Consent Agreement and (2) who are on such payroll during the time period to which the reimbursement relates, (iii) the manufacturer and Tenant have previously entered into a written agreement that sets forth the material terms of their arrangement with regard to the reimbursement that is the subject of 2.02(c)(8), and (iv) Tenant provides to Landlord written documents and records substantiating the matters listed in sub-clauses (i) through (iii). Without limiting the generality of the foregoing, any and all income that would otherwise qualify as being excludable from Gross Receipts for purposes of this Sublease shall be includable in Gross Receipts if and to the extent that the income from the manufacturer which is associated with an identified employee during a calendar year exceeds such identified employee's base salary for the same calendar year. Such determination shall be made separately with respect to each employee of Tenant and with respect to each calendar year.

Section 2.03 **STORAGE PREMISES AND RENT.** If and to the extent that Storage Premises exist and/or are available, commencing on the date of actual delivery of Storage Premises to Tenant, all of the terms, provisions and conditions of Tenant's use and occupancy of the Premises set forth herein shall apply fully to Tenant's use and occupancy of the Storage Premises and for all purposes of this Sublease, the Premises shall be deemed to include the Storage Premises. Tenant shall build out such Storage Premises at its sole cost and expense, or, if Landlord may build out such Storage Premises to Landlord's specifications in which case, Tenant shall reimburse Landlord for the reasonable and actual costs incurred to build-out the Storage Premises. Landlord has the right at any time, in its reasonable discretion, to designate comparable alternative Storage Premises. In the event of the relocation of Storage Premises, Tenant shall be solely responsible for all moving and other related costs thereto. Tenant shall pay to Landlord as rent for the Storage Premises ("**Storage Premises Rent**") in accordance with the terms of the separate Storage Premises Sublease. Storage Premises Rent shall be payable in equal consecutive monthly installments in advance on or before the first (1st) day each month, without prior demand or notice. If delivery of the Storage Premises occurs on a date other than the first (1st) day of a month, the Storage Premises Rent shall be prorated on a daily basis for any such partial month.

Section 2.04 **TAXES.** (a) From and after the Rental Commencement Date, Tenant shall pay to Landlord, as Additional Rent, its proportionate share of the Taxes payable by Landlord under the Concession Area Lease. "**Taxes**" means, collectively, any tax, fee, excise, levy, lien, duty, impost or similar charge assessed or imposed, including, without limitation, payments under any taxing agreement between the Authority and/or American, and the City of New York, providing for taxes to be paid to the City of New York, and any additions to a tax, by a governmental authority on, against or in connection with the lease, use, possession, equipping, operation or maintenance of the Concession Area, and any amounts paid or deemed paid in connection with the purchase, lease or use of goods and/or services at or

appraiser expenses, and reasonable administrative expenses) based on a formula, the numerator of which is the square footage of Floor Area in the Premises, and the denominator of which is the total square footage of Floor Area in the Concession Area. Notwithstanding any such contest, related negotiation or appeal, Tenant shall timely pay its proportionate share of Taxes. If Taxes shall be increased, Tenant's proportionate share of Taxes shall be computed on the amount of Taxes finally determined to be payable by Landlord including any of the reasonable external costs incurred therein. If Landlord's obligation to pay Taxes shall be decreased, Landlord's statement following such decrease shall include an appropriate adjustment for any prior fiscal tax years affected by such decrease reflecting the amount of such decrease; and Tenant's proportionate share of any such adjustment, less Tenant's proportionate share of the reasonable external costs incurred shall be treated as a credit against future Taxes payable by Tenant following the decrease or, if during the final Lease Year of the Term, refunded to Tenant as provided in Section 2.04 (b) above. If Taxes are separately-assessed against Tenant, Tenant may contest, in good faith for its own account and at Tenant's sole cost and expense, the validity or amount of any such separately assessed Tax, provided **Tenant shall indemnify Landlord against any resulting loss, cost or expense, and shall provide security reasonably satisfactory to Landlord with respect to Tenant's performance of such indemnification.** Under no circumstances shall Tenant permit any type of lien or encumbrance on the Premises or on the Terminal by reason of the failure to pay any Taxes or Tenant Taxes (as defined in Section 22.01).

(d) If Tenant should fail to pay any Taxes required to be paid by Tenant hereunder, in addition to any other remedies provided herein, Landlord may, if it so elects, pay such Taxes either with its own funds or by a draw-down of such amounts upon the Performance Guaranty. Any sums so paid by Landlord shall be due and payable by Tenant on demand, together with Late Interest thereon from the date paid by Landlord to the date of repayment by Tenant. **Tenant hereby agrees to indemnify, defend and hold Landlord, American, the Authority and the City of New York harmless from any and all Taxes and costs, damages, expenses and liabilities (including, without limitation, reasonable attorneys' fees) in connection with any such Taxes and proceedings described in this Section 2.04.** Tenant shall be liable for all Taxes levied or assessed directly against Tenant, including Taxes assessed on or in respect of "**Fixed Improvements**" and any "**Refurbishments**" (as both terms are defined in Section 5.01), or other fixtures, inventory or personal property of Tenant in the Concession Area. If any such Taxes are levied or assessed against Landlord, American or their property and Landlord pays the same or the assessed value of Landlord's or American's property is increased by inclusion of such personal property and fixtures, then, at Landlord's discretion, Tenant shall advance the corresponding Taxes to Landlord, or reimburse them upon demand if paid by Landlord.

Section 2.05 **MISCELLANEOUS CHARGES.** (a) Employee Parking. The Authority retains the right to institute a charge to Tenant for the privilege of using such employee designated parking facilities for Tenant's employees. Such charges shall be paid directly to the Authority and shall be promptly paid at such intervals as shall be demanded in accordance with parking rates established by the Authority as adjusted from time to time. (b) Identification Security Badges. All persons employed at the Terminal are required to obtain background checks, security clearances and identification security badges from American or the Authority; and American or the Authority has the right to institute a reasonable charge for processing, issuance, reviews and renewals. Such charges shall be paid directly to the issuing party and shall be promptly paid at such intervals as shall be demanded. All security badges must be properly accounted for by Tenant and promptly returned in accordance with American's, the Authority's and all other applicable rules, policies and regulations. (c) Screening. As may be required by local, state or federal law, including, but not limited to, the Federal Aviation Administration's ("**FAA**"), the Transportation Security Administration's ("**TSA**"), American's, the Authority's or any other applicable rules and regulations now in effect or hereinafter enacted, costs incurred for the screening of Tenant's goods, products, equipment and supplies shall be paid by Tenant directly to Landlord or, if not billed directly, included within the

ARTICLE III. RECORDS AND REPORTS

Section 3.01 **TENANT'S RECORDS.** Tenant shall maintain in English and in accordance with accepted accounting practices consistently applied ("**AAP**"), full and complete records and books of account recording all transactions at, through or in any way connected with Tenant's operations at the Premises or elsewhere at the Terminal or the Airport and outside of the Airport if the order therefor is received at the Premises, and shall require and cause all of Tenant's Affiliates (as defined below) performing similar services within the Port of New York District (as defined in the Authority Lease) and its subtenants, concessionaires, licensees and/or assignees to prepare and keep books, source documents, records and accounts sufficient to substantiate those kept by Tenant (collectively, "**Records**"). For all purposes of this Sublease, "**Affiliate**" or "**Affiliates**" means, with respect to any Person, any other Person, directly or indirectly, through one (1) or more intermediaries, who or which Controls, is Controlled By or is Under Common Control With such Person; "**Person**" means and includes an individual, corporation, partnership, limited liability company, joint venture, estate, trust, unincorporated association, any federal, state, county or municipal government or any bureau, department, authority or agency thereof; and "**Control**" means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise (including any entity in which a Person (including any general or limited partner, managing and non-managing member or shareholder of such Person) has an ownership interest); and the terms "**Controls**", "**Controlled By**" and "**Under Common Control With**" shall have the meanings correlative to the foregoing. The Records shall include, without limitation, true copies of all federal, state and local sales and use tax returns and reports, daily bank deposits and daily receipts from all sales (including those from catalogue, mail or telephone orders), duplicate bank deposit slips, invoices, journals, ledgers and other pertinent original sales records, and records of any other transactions conducted in or from the Premises by Tenant. The Records shall also include, without limitation, all corporate records and books of account which the Landlord, in its sole discretion, believes may be relevant for identification, determination or calculation of all fees, rentals and other amounts paid or payable to American and the Authority, all agreements, and all source documents. The Records shall be preserved and retained by Tenant within the Port of New York District and if not kept by Tenant within the Port of New York District, the Records shall be preserved and retained at Tenant's principal business office located in the United States during the Term and for one (1) year after the expiration or earlier termination hereof, and for any further period extending until receipt of written permission from the Authority to do otherwise; provided, however, those Records pertaining to Gross Receipts shall be maintained for a period of five (5) years from the date of each sale, or, in the event of a claim by Landlord, American or the Authority, until such claim for payments hereunder shall have been resolved, fixed and paid. If such records are not kept by Tenant within the Port of New York District, Tenant shall make all of such records available within the Port of New York District within twenty (20) days of a request therefor. All Records shall at all reasonable times, during Tenant's normal business hours after twenty (20) days prior written notice, be open to the inspection of, and may be copied or extracted from, in whole or in part, by Landlord, American, the Authority or their respective representatives for the period hereinabove required. If the Records are not audited within such retention period, the Records shall be deemed adequate and closed; provided, however, in the case of fraud and/or willful errors, such retention period limitation shall not apply; and, provided, further, records relating to any litigation or settlement of claims arising under or relating to this Sublease shall be made available for during retention period after such litigation or claims have been completed and all time limits for appeals have expired.

Section 3.02 **POINT OF SALE TERMINALS.** Tenant shall install in the Premises, at its sole cost and expense, non-resettable cash register(s) and other point of sale terminals (each, a "**Point-of-Sale Terminal**") for recording orders taken, or services rendered, as may be appropriate to Tenant's business and necessary or desirable to keep accurate records of Gross Receipts and to register therein every

Section 3.04 **BUSINESS STATISTICS REPORTS.** Tenant shall furnish to Landlord, within ten (10) business days after the close of each calendar quarter during the Term, the following report ("**Business Statistics Report**") containing trends for the operation of the Premises, as follows: (a) average weekly sales by category, if applicable; (b) rolling twelve (12) month sales by category, if applicable; (c) sales per Enplaned Passenger, by category, if applicable, on a monthly, quarterly and rolling twelve (12) month basis; (d) average sales per transaction on an annual basis; (e) sales per square foot of Floor Area in the Premises and by category, if applicable, on a rolling twelve (12) month basis; (f) occupancy report, listing Rentals as a percentage of Gross Receipts; and (g) where applicable, comparisons to historical data for the same time frames. If Tenant fails to furnish to Landlord any Business Statistics Report within the time required by this Section 3.04, then Tenant shall pay within ten (10) days of written demand therefor by Landlord as Additional Rent and as liquidated damages and not as a penalty, the amount of One Hundred Dollars ($100.00) per report per day until such report is properly delivered to Landlord for the first (1st) such failure to furnish a report, Two Hundred Fifty Dollars ($250.00) per report per day until such report is delivered to Landlord for the second (2nd) such failure to furnish a report, and Five Hundred Dollars ($500.00) per report per day until such report is delivered to Landlord for the third (3rd) and subsequent such failures to furnish a report. This remedy shall be in addition to other remedies provided herein, at law and/or at equity to Landlord.

ARTICLE IV. EXAMINATION AND AUDIT

Section 4.01 **RIGHT TO EXAMINE BOOKS.** Landlord, American and the Authority each shall have the right to examine all Records. Tenant shall make available to the requesting party within twenty (20)) days following such written request for the same at a designated location within the Port of New York District for the purpose of examination, extracting and/or copying all books, source documents, accounts, records and sales tax reports filed with applicable government agencies of Tenant and any Affiliates, subtenants, concessionaires, licensees and/or assignees, if any, in order to verify the amount of Gross Receipts and the amount of all Rentals. Should such records not be made available at the designated location within the Port of New York District within such twenty (20) day period, Tenant shall reimburse Landlord, American and/or the Authority for reasonable travel, lodging and meal expenses to examine the same at Tenant's office.

Section 4.02 **AUDIT.** During the Term hereof and for one (1) year thereafter, Landlord, American and the Authority may, each at any time upon ten (10) days prior written notice to Tenant, cause a complete audit to be made by an auditor or accountant of their selection (who may be a certified public accountant), of the records and operations of Tenant and/or any Affiliates, subtenants, concessionaires, licensees and/or assignees, if any, relating to the Premises, for the period covered by any statement issued or required to be issued by Tenant, its Affiliates subtenants, licensees, concessionaires, and/or assignees. Tenant shall make available to the auditor or accountant, at a location within the Port of New York District within fifteen (15) days following written notice requiring such audit, all of the Records that such auditor or accountant deems necessary or desirable for the purpose of making such audit. If such audit discloses that Gross Receipts as previously reported for the period audited were understated, Tenant shall immediately pay to Landlord the additional Percentage Rent due for the period audited together with Late Interest from the date such amounts were originally due. Further, if such understatement was in excess of two percent (2%) of actual Gross Receipts as disclosed by such audit, Tenant shall immediately pay to Landlord the reasonable and actual cost of such audit upon Tenant's receipt of an invoice therefor, plus Late Interest; and, if such understatement was in excess of ten percent (10%) of Gross Receipts as disclosed by such audit due to Tenant's intentional, willful or fraudulent act or omission, Landlord may declare this Sublease terminated and the Term ended, in which event this Sublease shall cease and terminate on the date specified in such notice with the same force and effect as though the date set forth in such notice were the date set forth in this Sublease for expiration of the Term, and Tenant shall vacate and

received within twenty (20) days to Landlord and American for prior written approval. Landlord shall promptly review such Final Drawings, and Landlord shall provide consolidated comments or approvals to Tenant within ten (10) days following receipt of the Final Drawings. In the event of disapproval, Tenant shall immediately revise the Final Drawings and promptly resubmit them for approval until such approval is obtained. Following approval of the Final Drawings, Tenant shall immediately prepare so that American can immediately file the Tenant Alteration Application as soon as possible thereafter (and in no event more than five (5) days thereafter) with the Authority pursuant to the Authority's Tenant Alteration Application Process ("**TAA Process**"). It is anticipated that the Authority will provide its comments, approval and/or disapproval no later than thirty (30) days after submission of the Alteration Application and to issue all required construction permits within such time period. Obtaining all approvals required by the Authority's Requirements is the sole responsibility of Tenant. The failure of Landlord to provide comments and/or approvals within the time periods set forth herein for Conceptual Plans and Final Drawings and/or the failure of the Authority to provide its comments, approval and/or disapproval and issue permits within thirty (30) days following the initial submission and ten (10) days following any subsequent submittal shall extend the Latest Rental Commencement Date on a day-for-day basis for each day so delayed; provided, however, no such extension shall be granted to Tenant unless the Conceptual Plans and Final Drawings are submitted substantially in accordance with all of the requirements of the Tenant Construction Review Manual, the Design Guidelines, **Exhibit D** and the Alteration Application. Tenant's failure to furnish or revise the Conceptual Plans and Final Drawings within the time frames and in the form required herein, or failure to perform any other obligation under this Section, shall constitute a material default by Tenant hereunder, which shall entitle Landlord to all remedies set forth in Article XIX. If Landlord reasonably determines that the parties are unable to agree upon the Conceptual Plans and/or the Final Drawings or if Tenant fails to timely provide the Preliminary Plans and Final Drawings, including any revisions required thereto within ten (10) days from the dates required, Landlord may terminate this Sublease upon twenty-four (24) hours written notice to Tenant, in which event this Sublease shall terminate on the date specified in such notice and thereafter neither party shall have any further obligations to the other party. No deviation from the Final Drawings, once approved pursuant to the TAA Process (and once so approved they are incorporated by reference herein), shall be made by Tenant without Landlord's, American's and the Authority's prior written consent. Approval of Conceptual Plans and Final Drawings by Landlord, American or the Authority shall not constitute any representation or warranty or the assumption of any responsibility or any liability by Landlord, American or the Authority for their accuracy, efficacy or sufficiency and Tenant shall be solely responsible for such items. Storefront barricades, reasonably acceptable to Landlord, attractively screening the Premises from view during construction shall be erected and maintained by Tenant at all times prior to Tenant's opening for business and shall be removed and properly disposed of by Tenant prior to such opening, all at Tenant's sole cost and expense. If Landlord originally erects such storefront barricades or if Tenant fails to construct, erect, maintain, remove and dispose any such storefront barricades, Tenant shall reimburse Landlord for all reasonable and actual costs incurred by Landlord in performing any of the same.

(c) Tenant expressly acknowledges that it is familiar with the TAA Process and its design and construction guidelines. Delays in obtaining Authority approvals in regard to these processes shall not be considered an excusable delay or Force Majeure (as defined in Section 27.04) except, and only to the extent, that the Authority fails to respond at all to a conforming Alteration Application for more than thirty (30) days after delivery of such initial application and for more than fifteen (15) days after delivery of any modification. In the latter case, the Latest Rental Commencement Date will be extended one (1) day for each day beyond the 30th day that the Authority has failed to respond to an Alteration Application. No work may commence until an Alteration Application has been approved by the Authority, pre-construction meetings, as scheduled and directed by the Authority, are concluded and the Authority has issued a construction permit, permitting the work to be performed, if applicable. Within one hundred twenty (120) days of the completion of construction, Tenant shall submit "as-built" drawings and

foregoing within such ninety (90) days, Tenant shall pay to Landlord as liquidated damages and not as a penalty, the sum of Five Hundred Dollars ($500.00) per day for each day following five (5) days from the date due that any of the foregoing have not been delivered to Landlord within such period of time. If such failure shall continue for a period exceeding one hundred eighty (180) days after the completion of the Fixed Improvements or any Refurbishments, such shall be a material default by Tenant hereunder entitling Landlord to all remedies available to it hereunder or at law.

"**Eligible Costs**" means, with respect to any investment in Fixed Improvements or Refurbishments, the following: (1) directly contracted construction costs, (2) architectural and engineering fees, construction management fees and the cost to obtain the applicable permits, which amounts under this clause (2) shall not exceed fifteen percent (15%) of the contracted construction costs, unless otherwise approved by Landlord in writing, and (3) permanent fixtures, including any furniture and equipment and custom-built "trade fixtures" which constitute fixtures under applicable law, installed for direct use in the Premises. Notwithstanding the foregoing, Eligible Costs shall not include: (1) costs for Base Building Work incurred by Landlord or American, (2) costs in excess of one hundred thirty-five percent (135%) of the estimated costs for Fixed Improvements provided by Tenant in the letter of intent or proposal term sheet for this Sublease unless otherwise specifically approved by Landlord in writing, (3) any overhead, financing costs (e.g., loan origination fees or interest, legal fees or any non-construction-related costs), or (4) amounts paid to any Affiliate of Tenant. In addition, to qualify as Eligible Costs, disbursements must be supported by the certificate referenced in Section 5.01(e) and the documentary evidence of payment as described in this Section 5.01(f).

"**Depreciation Schedule**" means a schedule reflecting the monthly amortization of the Eligible Costs for Fixed Improvements, which schedule must be approved by Landlord and American and shall reflect amortization on a straight-line basis during the lesser period of either: (1) the useful life of such Fixed Improvement, calculated in accordance with "GAAP"; or (2) the length of time remaining in this Sublease from the date such Fixed Improvement is completed and begins to be depreciated. "**GAAP**" means generally accepted accounting principles in the United States of America, as set forth in the opinions and pronouncements of the American Institute of Certified Public Accountants' Accounting Principles Board and Financial Accounting Standards Board or in such other statements by such other entity as may be in general use by significant segments of the accounting profession, to the extent such principles are applicable to the facts and circumstances on the date of determination. Any schedule submitted by Tenant for this purpose shall not be deemed a Depreciation Schedule until such schedule is approved by Landlord and American in writing, which approval shall not be unreasonably withheld, delayed or conditioned. If Landlord does not respond at all within ninety (90) days of the submission of a Depreciation Schedule, the schedule shall be deemed accepted and approved by Landlord.

Tenants who fail to properly and timely submit the certificates and documentary evidence of Eligible Costs and the Depreciation Schedule to Landlord and American for approval within one hundred eighty (180) days after the completion of the Fixed Improvements or Refurbishments shall forever waive and release Landlord and American for reimbursement of any portion of Tenant's Eligible Costs in the event of a relocation and/or early termination of this Sublease.

(g) Subject in all events to the Authority Lease and the Authority's lease with the City of New York, all alterations, additions, improvements and fixtures (including, without limitation, all floor, wall and/or ceiling coverings and any Tenant-installed heating and air conditioning equipment, but excluding Tenant's readily movable decorations, trade fixtures, furniture and office equipment) that are installed by any party in the Premises shall remain upon and be surrendered with the Premises and become the property of American, if permitted under the Authority Lease, or the City of New York, as the same or any part thereof is erected, constructed or installed; provided, that Tenant shall be permitted to remove its

Tenant acknowledges: (a) that Tenant shall have inspected the Premises and shall be fully aware of the condition of the Premises as of delivery of possession and the suitability thereof for Tenant's permitted use or the conduct of Tenant's business; (b) that Landlord shall have no obligation to improve or alter the Premises for the benefit of Tenant; (c) that, Tenant shall assume all risks in connection therewith without representation or warranty by Landlord, American or the Authority, express or implied, in fact or by law, on the part of Landlord, American and the Authority and without recourse to Landlord, American and the Authority. Tenant irrevocably waives any claim based upon or related to any such claimed representation by Landlord or any claimed representation by Landlord as to public traffic to be expected at the Premises or sales to be expected at the Premises. Tenant's taking possession of the Premises shall constitute Tenant's formal acceptance of the same and acknowledgment that the Premises are in the condition required hereunder. Tenant waives any right to rescind or terminate this Sublease, whether under Section 223-a of the New York Real Property Law or any successor statute of similar import then in force or otherwise, and further waives the right to recover any damages or obtain any other compensation from Landlord which may result from Landlord's failure to deliver possession of the Premises on the date set forth in the Data Sheet and/or in the condition provided herein.

Section 5.03 **ALTERATIONS AND REFURBISHMENTS TO THE PREMISES.** (a) In the event Tenant desires to make any future modifications to the Premises or the Fixed Improvements during the Term, Tenant shall not make such modifications without first obtaining the prior written consent of Landlord, American and the Authority, and otherwise complying with the terms and conditions outlined in this Article V for the initial Fixed Improvements.

(b) If the Term of this Sublease will exceed seven (7) years, whether under the original term or any extension thereof, Tenant agrees that by no later than seven (7) years after the date of beneficial occupancy of its Premises, Tenant will spend and invest as a mid-term reinvestment (in each case with the manner and source of such expenditure and investment being subject to the same procedures applicable to initial Fixed Improvements, including the prior approval of Landlord and American) a minimum of One Hundred Fifty Dollars ($150.00) per square foot for each food and beverage concession and Seventy-Five Dollars ($75.00) per square foot of each other type of concession (e.g., retail or service) for such Refurbishments or other upgrades to the Fixed Improvements. Tenant shall provide to Landlord and American such back-up data as Landlord and American may reasonably request to confirm that such Refurbishment and upgrade to the Fixed Improvements has been made.

ARTICLE VI. RESERVATION OF RIGHTS TO RELOCATE, CONTRACT, TERMINATE, SURRENDER AND WAIVER OF CLAIMS

Section 6.01 **RESERVATION OF RIGHTS.** (a) Tenant acknowledges that American has the right, at any time and from time to time during the Term, in the interest of the efficient operation of the Terminal, to close, move or alter any common corridor, passageway, walkway or common area, including, without limitation, entrances, exits, passages, halls, corridors, aisles, stairways, elevators and escalators, or to restrict or change the traffic on or through any such common corridor, passageway, walkway or common area, with due regard to not unreasonably restricting the use and occupancy of the Premises by Tenant. Tenant shall not have any claim against Landlord, American or the Authority for such action, nor shall such action by American release Tenant from any of its obligations under this Sublease, the Consent Agreement or any other agreement in connection herewith, except as expressly set forth in this Sublease.

(b) Landlord, American and the Authority, and their respective directors, officers, employees, agents, representatives, contractors, and furnishers of utilities and other services, have the right from time to time, at their own cost and expense, for their own benefit or for the benefit of others at the Terminal and/or Airport: (1) to construct and maintain existing and future utility and other systems throughout the

the exercise of any of such rights, Tenant's payment of Rentals shall be abated during the period which Tenant is unable to operate. Further, if the net contraction of the Premises exceeds ten percent (10%), and Tenant demonstrates that such contraction is having a material adverse impact on its Gross Receipts that is distinct from other conditions that may be adversely affecting Tenant's business operations, then, at Tenant's request, Landlord will engage in good faith negotiations with Tenant and grant to Tenant an equitable reduction of the Guaranteed Rent and/or corresponding adjustments to the applicable Percentage Rent Rates. Any such equitable reductions/adjustments are subject to American's and the Authority's approval, determined in their respective sole and absolute discretion.

(b) If Landlord desires to relocate Tenant to a substitute area as provided in Section 6.02(a), Tenant shall have the right, in its sole discretion, to terminate this Sublease within thirty (30) days after receipt of Landlord's relocation notice, provided, however, Landlord can negate Tenant's election to terminate within twenty (20) days after receipt of Tenant's termination notice by revoking Landlord's election to relocate the Premises and thereafter this Sublease shall continue to remain in full force and effect in accordance with its terms. If Tenant elects to so terminate this Sublease due to the proposed relocation of the Premises, this Sublease shall terminate on the effective date thereof as reasonably specified by Landlord and Tenant shall remain liable for the payment of all Rentals and the performance of all other accrued obligations of Tenant under this Sublease up to and including the effective date of such termination. **Under no circumstances shall Landlord or any other third party including American or the Authority have any obligation to Tenant, nor shall Tenant be entitled to any payment from either Landlord or any other third party including American and the Authority for Tenant's Eligible Costs (as defined below) or any other sums if Tenant so elects to terminate this Sublease.**

(c) If American exercises its right to cause a contraction or relocation of the Premises (not including carts and other temporary facilities) from one (1) location to another after Tenant has commenced construction of the Premises or the Premises have been opened for business: (1) the Concession Area Lease provides that American shall in the case of a relocation, reimburse Landlord or Tenant (and therefore, if Landlord is reimbursed by American, Landlord shall reimburse Tenant to the extent Landlord is so reimbursed) within sixty (60) days for reasonable and actual moving costs, and for reasonable and actual costs incurred to construct Fixed Improvements in the new space according to Final Drawings approved by Landlord and American; and (2) if Tenant does not relocate to other space or if this Sublease is terminated by American or the Authority without cause under Section 6.03 and Tenant, in either case, does not have any outstanding uncured material defaults under this Sublease beyond applicable notice and cure periods, the Concession Area Lease provides that American shall reimburse Landlord or Tenant (and therefore, if Landlord is reimbursed by American, Landlord shall reimburse Tenant to the extent Landlord is so reimbursed) within sixty (60) days after the effective date thereof, an amount equal to the then unamortized portion of Tenant's Eligible Costs (based upon the Depreciation Schedule previously submitted by Tenant and approved by Landlord and American) detailing such investment in Tenant's Fixed Improvements or Refurbishments, if applicable. Within twenty (20) days after request by Landlord, and in any event not later than the effective date of such contraction or termination, Tenant shall provide Landlord with its calculations in reasonable detail, together with appropriate back-up or confirmatory data, of the amount which Tenant claims to be due pursuant to this Section 6.02 based upon the approved Depreciation Schedule. **If Tenant fails to provide such information within the time frame provided herein, Tenant shall have forever waived its right to any such reimbursement from Landlord and American and forever released Landlord and American from any obligations under this Section 6.02.**

Section 6.03 **TERMINATION BY AMERICAN OR THE AUTHORITY.** (a) Tenant acknowledges that this Sublease may be terminated, without cause for any reason and at any time, by the Authority upon thirty (30) days notice by means of revocation of the Consent Agreement, or by American upon one

termination and the removal and surrender obligations of Tenant, shall in no event give rise to any claims, causes of actions, suits, or damages that Tenant may have or rights to payment to Tenant by either Landlord, American or the Authority including, without limitation: (a) any and all awards in the nature of land damages under all applicable laws; and (b) any and all rights under the terms of this Sublease; and (c) incidental, consequential, special or severance damages as a result of Tenant's use and occupancy of the Premises. Tenant hereby waives any such claims, including, without limitation, claims for lost business opportunity, claims for lost profits and claims for relocation and termination benefits under any Federal, state or local law, ordinance or regulation or otherwise.

ARTICLE VII. CONDUCT OF BUSINESS BY TENANT

Section 7.01 **PERMITTED USE.** Tenant shall use the Premises only for the purpose of conducting the business specifically set forth in the Data Sheet ("**Permitted Use**") and for no other use or purpose. Notwithstanding anything to the contrary contained herein, including Tenant's Permitted Use, if Landlord, American or the Authority reasonably determine that any item displayed, offered for sale or sold by Tenant is objectionable or inappropriate for display or sale at the Terminal, Tenant shall, upon delivery of Landlord's written notice to the Premises, immediately remove such item from display and its inventory (if the objectionable item and/or service displayed, offered for sale or sold shall be deemed to be potentially dangerous to the public or violate any security regulations, as determined by Landlord, American or the Authority from time to time, Tenant shall remove such potentially dangerous item and/or service or violation immediately upon verbal notice from Landlord) and Tenant shall not thereafter display, offer for sale or sell any such item or service. If Tenant shall fail to remove any such item from display or cease providing such service as may be required from time to time as provided herein, then Tenant shall pay as liquidated damages and not as a penalty the amount of Fifty Dollars ($50.00) per day for the first (1st) violation in any twelve (12) month period and the amount of One Hundred Dollars ($100.00) per day for the second (2nd) and any subsequent violations in any twelve (12) month period until such time as Tenant has complied. Further, Landlord shall be entitled to remove such item without any liability. This remedy shall be in addition to any and all other remedies provided in this Sublease or by law to Landlord, including, but not limited to the graduated fines listed in **Exhibit K**. Tenant represents and warrants to Landlord that it holds all certificates, meets all Authority Requirements, licenses and other entitlements required by federal, state and local, laws, rules and regulations in order to enable Tenant to conduct its operations and to engage in its Permitted Use and that such certificates, Authority Requirements, licenses or other entitlements are and shall be kept current, valid and complete at all times during the Term. Tenant shall submit any/or all of the foregoing for inspection by Landlord from time to time. Tenant, at Tenant's expense, shall at all times comply with the requirements of each such certificate, permit, license and other entitlement. Tenant shall not conduct or permit operations in the Premises that in the reasonable judgment of Landlord or American or the judgment of the Authority that (a) interfere or might interfere with the reasonable use by others of common facilities at the Terminal or the Airport, (b) hinder or might hinder police, firefighters or other emergency personnel in the discharge of their duties, (c) would or would be likely to constitute a hazardous condition at the Airport, (d) would increase the premium for insurance policies maintained by Landlord, American or the Authority, unless such operations are not otherwise prohibited hereunder and Tenant pays the increase in insurance premiums occasioned by such operations, (e) would involve any illegal purposes, or (f) are not in accordance with the commitment of Tenant to operate first-class concessions in the Concession Area. Prohibited uses which are expressly agreed to include all "**American Reserved Uses**" and "**Port Authority Reserved Uses**" as such terms are defined in the Concession Area Lease.

Section 7.02 **OPERATION OF BUSINESS.** (a) General. Tenant and its Operating Staff (as defined below) agree to actively and diligently conduct business at all times in a first-class, professional and business-like reputable manner, using best efforts so as to maximize revenues in accordance with best

(b) Continuous Operations and Service Hours. Tenant agrees to be open for business during the hours of operation specified in the Data Sheet and such other hours as may be required hereunder and to continuously and uninterruptedly operate in all of the Premises during the entire Term. The Airport is open for business every day, three hundred sixty-five (365) days per year and is busy during non-traditional working and shopping hours. Accordingly, service hours shall include the hours the Terminal's concession program shall be open as directed by Landlord from time to time, including without limitation, the hours necessary to provide service for the earliest daily incoming and outgoing flights (including the provision of service to passengers who arrive in advance of same) and the latest daily incoming and outgoing flights, including non-scheduled activity by charter airlines as Landlord may notify Tenant verbally from time to time. To that end, Tenant shall open and operate its business in the Premises during hours directed by Landlord; provided that, if passenger traffic conditions, flight scheduling, flight delays or other considerations make it necessary, in the opinion of Landlord or as Landlord is directed by American, the Terminal's concession program, including the Premises, shall be open at times not then scheduled. The following are the minimum operating hours: (1) for newsstand concessions, a minimum of sixteen (16) hours per day, each day of the year, with the opening for business each day at least one (1) hour prior to the first scheduled flight and closing thirty (30) minutes after the last scheduled departure from the Terminal on the respective day; (2) for all food and beverage concessions, at a minimum, opening at 5:30 a.m. and closing at 10:00 p.m., each day of the year, or at least one (1) hour prior to the first flight and closing thirty (30) minutes after the last scheduled departure from the Terminal on the respective day; (3) for duty-free and foreign currency exchange concessions, at a minimum, opening at 7:00 a.m. and closing at 10:00 p.m., each day of the year, or other hours necessary to service the earliest scheduled international flight departure and the latest scheduled international flight departure from the Terminal on the respective day, whichever constitutes the earlier opening and later closing; and (4) for all other concessions, 7:00 a.m. to 10:00 p.m., each day of the year. Landlord reserves the right to direct Tenant to change or adjust the service hours at any time, and Tenant agrees and covenants to adequately staff the Premises and be open for business during the hours directed by Landlord. In addition, in an emergency, as determined by Landlord or American, Tenant shall open or keep open the Premises upon two (2) hours prior verbal notice. Tenant expressly acknowledges the need for flexibility in the service hours from time to time. Any modifications to the required operating hours that may be requested from time to time by Tenant shall be subject to Landlord's prior written approval determined in its discretion. Tenant agrees to otherwise abide by all service hours of operation as set by Landlord. Tenant acknowledges that the concession program and its business operations are essential services at the Terminal and Tenant's failure to cause continuous operation of its business in the Premises will result in damages to Landlord, American and the Authority that are difficult to quantify in light of airport operational and customer service factors. Therefore, in addition to any other remedies set forth herein, including, but not limited to the graduated fines listed in **Exhibit K,** Tenant shall pay to Landlord as liquidated damages and not as a penalty, the amount One Hundred Dollars ($100.00) per hour for each hour Tenant fails to operate its business during any required operating hours for the first (1st) violation in any twelve (12) month period, and the amount of Two Hundred Fifty Dollars ($250.00) per hour for each hour Tenant fails to operate its business during any required operating hours for the second (2nd) and any subsequent violations in any twelve (12) month period. Failure by Tenant to be open for business and to operate shall entitle Landlord, in addition to other remedies provided in this Sublease or by law, including, but limited to, a mandatory injunctive relief if awarded by a court of competent jurisdiction.

(c) Staffing/Personnel. Tenant shall employ a full-time professional staff ("**Operating Staff**") at all times during the Term of sufficient size, expertise, ability, suitability, and experience in sales and customer service to carry out all of its obligations under this Sublease. Tenant shall maintain a sufficient number of Operating Staff on site at the Premises (including, without limitation, on-site sales, cashiers, management and supervisory personnel) to provide good, friendly, prompt and efficient service adequate to fully meet the demands of all customers at all times and shall furnish said service on a fair, equal and nondiscriminatory

Landlord, American, the Authority or any governmental authorities, or in any way obstruct or interfere with the rights of others; nor shall Tenant use or allow the Premises to be used for any improper, immoral or objectionable purposes or do any act tending to injure the reputation of the Terminal and/or Airport. Any area occupied by Tenant and all equipment and materials used by Tenant shall at all times be kept clean, sanitary, and free from rubbish, refuse, dust, dirt, offensive and unclean materials, flies and other insects, rodents and vermin in accordance with any and all applicable rules, regulations and requirements of Landlord, American, and the Authority and in accordance with any and all Legal Requirements that may be promulgated from time to time by governmental agencies or authorities. All apparatus, utensils, devices, cooking equipment, machines and piping used by Tenant shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned and sterilized on a daily or more frequent basis after each period of use (at no time to exceed eight (8) hours). All trays, dishes, cookery, glassware, cutlery and other such equipment used in the preparation of and/or serving of all food and/or beverage products shall be properly cleaned and sterilized on a daily or more frequent basis immediately before each use thereof. Bottles, vessels, cooking equipment and other reusable containers shall be properly cleaned and sterilized on a daily or more frequent basis immediately before each use thereof. If Landlord or American does not contract for pest control service for all concessions in the Terminal, then Tenant, at its sole cost and expense, shall contract directly with a pest control service reasonably acceptable to Landlord at such reasonable intervals as Landlord may require.

(g) Street Pricing. Tenant shall not charge prices to its customers in excess of Street Prices (as hereinafter defined) and shall conspicuously display notices, in form and substance satisfactory Landlord in the Premises, to the effect that the Tenant adheres to the Authority's Street Prices policy. The term "**Street Prices**" means: (1) if Tenant conducts a similar business in off-airport location(s) in the Greater New York City – Northern New Jersey Metropolitan Area ("**Metro Area**"), the price regularly charged by Tenant for the same or similar item or service in those off-airport locations; (2) if Tenant does not conduct a similar business in off-airport location(s) in the Metro Area, the average price regularly charged in the Metro Area by similar retailers (excluding any locations which do not have multiple independent competitive sources and operators) selected or approved by Landlord for the same or similar items or service; (3) if neither Tenant nor any other similar retailers sell a particular item or provide a similar service in the Metro Area, the price regularly charged by Tenant or similar retailers (excluding any locations which do not have multiple independent competitive sources and operators) selected or approved by Landlord for the same or similar item or service in any other geographic area with a reasonable adjustment for any cost-of-living variance between such area and the Metro Area; and (4) if Tenant is in the business of selling duty-free goods, the price regularly charged by Tenant or other similar retailer (excluding any locations which do not have multiple independent competitive sources and operators) selected or approved by Landlord for the same or similar duty-free item or service at other major airports serving large urban areas in the northeast region of the United States, including, without limitation, the Airport. Tenant agrees to adjust its prices to ensure that they meet the Street Prices without any further notice or immediately upon written notice from Landlord if Tenant is not in compliance therewith. Prior to opening for business, Tenant agrees to supply to Landlord a detailed list of all merchandise, products and services to be offered at the Premises and the prices to be charged therefor. Tenant agrees to continue to provide this data on a quarterly basis throughout the Term hereof. Tenant shall, at all times, observe and comply with the pricing policy as set forth in **Exhibit E**. Further, for the benefit of the users of the Terminal, Landlord has the obligation to promote a "free market" competitive environment within the Terminal and, to the extent possible, Landlord may cluster concession operators with similar products and services in groups to help stimulate competition, provide superior service and competitive pricing.

(h) Coordination of Operational Matters with Landlord and Performance Standards. Tenant shall: (1) cooperate in the testing of pressure, water-flow, and other appropriate tests of the fire-extinguishing

Materials" means hazardous or toxic chemicals or any supplies, materials and wastes containing hazardous or toxic chemicals or substances at levels or content which cause such materials to be classified as hazardous or toxic as then prescribed by the highest industry standards or as set from time to time by the United States Environmental Protection Agency ("**EPA**") or the United States Occupational Safety and Health Administration ("**OSHA**") or as defined under 29 CFR 1910 or 29 CFR 1925 or other applicable governmental laws, rules or regulations in any way applicable to Toxic or Hazardous Materials (collectively, "**Environmental Laws**"). Tenant shall never incorporate into, or dispose of, at, on or under the Terminal or elsewhere at the Premises or at the Airport, or any portion thereof, any Toxic or Hazardous Materials. Tenant agrees not to use at, place on, or store at the Premises or at the Airport any Toxic or Hazardous Materials, except for those Toxic or Hazardous Materials that are either (1) office supplies, or (2) cleaning materials that are generally considered to be a household cleaner and are purchased in a container not larger than one (1) gallon, and then only if: (i) all such Toxic or Hazardous Materials arising therefrom, are properly labeled and contained; (ii) all such Toxic or Hazardous Materials arising therefrom, are stored, handled, transported and disposed of in accordance with highest accepted industry standards and all Environmental Laws; and (iii) if a material safety data sheet or other reporting or registration document is required under applicable Environmental Laws to accompany the Toxic or Hazardous Materials, supplies or materials or wastes or to be filed with any federal, state or local authority, a copy of such current material safety data sheet or other reporting or registration document shall be provided to Landlord. If there is a spill or other discharge of a Toxic or Hazardous Materials in the Premises which spill or discharge is required to be reported to any federal, state or local authority by applicable Environmental Laws, Tenant shall immediately notify Landlord and American of the method, time and procedure for any clean-up and removal of such Toxic or Hazardous Materials; and Landlord and American shall have the right to require reasonable changes in such method, time or procedure (provided that such changes may not contradict applicable law). Tenant shall further notify Landlord and American if any such spill or other discharge, whether reportable or otherwise, would in any way endanger or pose a threat to any employees, Terminal maintenance or custodial personnel or the general public. In the event there is a spill or other discharge of any Toxic or Hazardous Materials outside the Premises, which spill or discharge is required to be reported to any federal, state or local authority by applicable laws, rules or regulations, and upon being so notified American is required under the Concession Area Lease to undertake to clean-up, remove and abate the condition at its cost initially, reserving the right to seek indemnification of its costs for failure of Tenant to abide by the requirements of this section. In the event Tenant fails to comply with this Section 7.03 in respect of any contamination within the Premises, or in the event of a contamination of any other part of the Terminal and/or Airport caused by Tenant, in addition to any other consequences thereof, Tenant shall pay or reimburse to Landlord and/or American, as the case may be, all of such party's costs for the removal, abatement and clean-up of the involved Toxic or Hazardous Materials. Similarly, if a contamination was caused by Landlord or American in the Premises, Landlord (or American as required under the Concession Area Lease), as the case may be, shall reimburse all costs incurred by Tenant for the removal, abatement and/or clean-up of the involved Toxic or Hazardous Materials.

(b) If a lien is filed against Tenant's leasehold interest, the Premises, the Terminal or the Airport relating to Tenant's violation of any Environmental Laws, then Tenant shall, within ten (10) days or such shorter period as may be required under any Environmental Laws, or such even shorter period as is prior to a governmental authority commencing steps to cause any of the foregoing to be sold pursuant to such lien, either: (1) immediately pay the claim and remove the lien; or (2) immediately furnish a cash deposit, bond or such other security as is satisfactory in all respects to Landlord and legally sufficient to effect a complete discharge of such lien.

(c) Landlord at its cost, reserves the right to conduct annually an environmental audit of the Premises and Tenant's operations, equipment, facilities and fixtures thereon. It shall be a material default and breach

Landlord, the Authority and American each shall have the right, but not the obligation, from time to time, to modify the public areas, remove portions of the public areas from common use, permit entertainment events, advertising displays, educational displays and other displays in the public areas and lease retail merchandising units or temporary pushcarts or carts ("**RMUs**"). If Landlord determines in its discretion to place RMUs in the public areas near the Premises, such placement shall not be within fifteen (15) feet of Tenant's storefront entrance and shall not materially interfere with ingress or egress to the Premises by the public. Tenant shall not be entitled to any credit for income earned by Landlord with respect to the public areas. Tenant and its employees shall not park their cars or any other vehicles in the parking facilities except in the areas specifically designated by Landlord for employee parking. There is no free parking at the Airport for Tenant or any of Tenant's employees, contractors or customers. Tenant and its agents, employees, contractors and subcontractors shall comply with the rules and regulations with respect to parking as the same may be amended or modified from time to time and will be subject to any enforcement action (including towing) pursued by the Authority's airport police without any notice thereof. **Tenant shall indemnify, defend and hold harmless Landlord, American, the Authority and the City of New York and their employees, agents, and representatives from and against any and all claims of the employee and/or owner of any vehicle so towed.** Landlord, American or the Authority may at any time close any public areas to make repairs or changes, to prevent the acquisition of public rights in such area, to use areas for attendant or valet parking, and to do such other acts in and to the public areas as in its judgment may be desirable.

Section 8.03 **LOGISTICAL SUPPORT AND PUBLIC AREA MAINTENANCE.** (a) All deliveries of equipment, supplies, materials, inventory, merchandise or products required to support the operations of Tenant shall be made to the designated loading dock areas of the Terminal. American has developed food courts and public seating areas in various locations in the Terminal which are intended to benefit all Tenants, their patrons and the public. For purposes of this Sublease "**public seating areas**" means a non-exclusive, common public seating area for patrons of both retail and food service concession facilities and for the traveling public. All sanitation, cleaning, maintenance and trash removal services for such food courts and public seating areas shall be controlled by Landlord. Such responsibilities shall include, but not be limited to, cleaning including floors, trash removal, trash receptacles, food court trays (operating food court tray washing equipment and well as retrieval and distribution of food court trays to food court concession facilities), public seating area tables and chairs, related public seating area furniture and fixtures, if any, and repair, maintenance and/or replacement thereof. No deliveries of any items shall be made by any Person directly to the Premises without the prior written authorization of Landlord; and, if given by Landlord, Landlord shall have the right to revoke any such authorization at any time and for any reason. Tenant shall be advised by Landlord of all shipments for all items received at the loading dock area and Tenant shall be responsible, at its sole cost and expense, for promptly transporting all such items from the loading dock area to the Premises or to any related Storage Premises leased by Tenant. All equipment to be utilized, methods of operation and employment of personnel shall be at the sole determination of Landlord for such items which may include, but not limited to, the transporting of equipment, supplies, materials, inventory, merchandise or products in the Terminal, pest control extermination services, trash removal, refuse, recycling and compactor services, grease trap maintenance and cleaning (including waste grease removal) to the extent not required to be performed by Tenant, repair and maintenance of food courts and public seating areas furniture, fixtures and equipment maintenance and cleaning (including exhaust hood, duct and roof top maintenance and cleaning and exhaust hood fire suppression equipment inspection and maintenance to the extent not required to be performed by Tenant), all of which shall be conducted in compliance with all applicable federal, state and local laws, regulations and ordinances including, but not limited to, FAA and TSA rules and regulations as well as all Airport rules and regulations promulgated from time to time by Landlord, American or the Authority. Tenant shall comply with all rules, regulations and directives of Landlord, American the Authority, the FAA, the TSA or any other federal or state agency of competent jurisdiction with respect to deliveries which may include, but not be limited to: (1) restrictions

The preceding is for definitional purposes only and shall not impose any obligation upon Landlord to incur such expenses or provide such services. Tenant shall comply in all respects with such procedures and the policies established by Landlord with respect to common logistical support and common operation maintenance services.

(b) The proportionate share to be paid by Tenant shall be that portion of Operating Costs and Expenses which the Floor Area in the Premises bears to the total Floor Area in the Concession Area which has been leased to subtenants who are in occupancy and contributing to the Logistical Support and Maintenance Fee; provided, however, any Floor Area in the Concession Area which is excluded from the foregoing calculation shall not exceed twenty percent (20%) of the gross leaseable Floor Area of all concession facilities in the Concession Area but such restriction shall not be applicable until Landlord has completed the entire phase-in schedule with respect to the implementation of the new concession program in the Terminal. Tenant's proportionate share shall only include those items passed through by Landlord for specialty retail uses and shall not include any such items applicable only to food and beverage uses or with respect to any public food court areas. Annual increases in Tenant's proportionate share shall not exceed fifteen percent (15%) other than extraordinary costs imposed by local, state or federal regulations or as may otherwise be requested by Tenant from time to time as compared to the immediately preceding Lease Year following completion of the entire phase-in schedule with respect to the implementation of the new concession program in the Terminal. Tenant's proportionate share of Operating Costs and Expenses for the first partial Lease Year (2007 calendar year) is estimated to be in the amount of $9.00 per square foot of Floor Area in the Premises calculated on an annual basis and pro-rated for the number of days in such first partial Lease Year.

(c) The Logistical Support and Maintenance Fee following the Rental Commencement Date shall be paid to Landlord as Additional Rent in equal, consecutive monthly installments on or before the first (1st) day of each calendar month, in advance, in an amount estimated by Landlord from time to time. All sums not received within five (5) days after written notice from Landlord shall be delinquent and shall be a default as defined in Article XIX. Subsequent to the end of each Lease Year, Landlord shall furnish Tenant with a detailed statement of Tenant's proportionate share of such Operating Costs and Expenses for such period showing the general method of computing such proportionate share. Tenant shall not have any inspection or audit rights of any of Landlord's books and records pertaining to Operating Costs and Expenses and the Logistical Support and Maintenance Fee. Tenant hereby expressly waives any rights, whether by statute or otherwise, to conduct any such inspection or audit. If the total amount paid by Tenant under this Section 8.04 for any such Lease Year shall be less than the actual amount due for any such Lease Year as shown on Landlord's statement, Tenant shall pay the difference between the amount paid and the actual amount due within thirty (30) days after the furnishing of each such statement. If the total amount paid by Tenant under this Section 8.04 for any such Lease Year shall exceed the actual amount due for such Lease Year, such excess shall be credited against the next payment(s) due from Tenant to Landlord for Operating Costs and Expenses under this Sublease. If at the end of the Term of this Sublease, the total amount paid by Tenant under this Section 8.04 for such final Lease Year shall exceed the actual amount due for such final Lease

Authority's requirements and the Authority's TAA Process. If Tenant, in Landlord's reasonable and sole discretion, shall be in default of this Section 9.01 which is not cured within forty-eight (48) hours after notice, Tenant shall pay as liquidated damages and not as a penalty, the sum of One Hundred Fifty Dollars ($150.00) for each day of default in order to reimburse Landlord for the additional administrative expenses resulting therefrom.

Section 9.02 **TENANT'S INTERIOR ADVERTISING AND DISPLAY WINDOWS.** Tenant acknowledges and agrees that the condition and appearance of its interior advertising and display windows facing into or in any manner visible from the Terminal property including exterior glass windows (if any) is important to Landlord, American and the Authority. If Tenant installs such interior advertising displays or window displays or any signs in the window display facing into or in any manner visible from the public areas of the Terminal which any of Landlord, American or the Authority reasonably determines to be objectionable to the general character and appearance of the Terminal, Tenant agrees to remove the stanchions, window display and/or signs within forty-eight (48) hours after notice. If Tenant fails or refuses to remove such advertising, window displays or signs, Tenant hereby grants Landlord the right to remove the objectionable advertising, displays or signs at Tenant's expense. Tenant agrees that its interior advertising displays and window displays will be designed and printed in a professional manner and will contain only first class products. Tenant shall not display any advertising, promotional or informational pamphlets, circulars, brochures or similar materials outside the Premises without the prior written consent of Landlord and American. No temporary signs or displays will be used by Tenant including any employment opportunity signs, except for temporary holiday decorations, which shall also be designed and printed in a professional manner. Notwithstanding the foregoing, if Landlord or American determine that any such materials are not appropriate for the Terminal, Tenant shall remove the same immediately upon verbal notice from Landlord and Landlord may remove the same if Tenant shall fail to do the same within twenty-four (24) hours thereafter, at Tenant's expense. At a minimum, Tenant shall refresh and change the interior advertising items and signs in the display windows on a quarterly basis during each Lease Year. If Tenant, in Landlord's reasonable and sole discretion, shall be in default of this Section 9.02 which is not cured within forty-eight (48) hours after notice, Tenant shall pay as liquidated damages and not as a penalty, the sum of One Hundred Fifty Dollars ($150.00) for each day of default in order to reimburse Landlord for the additional administrative expenses resulting therefrom.

All such maintenance, repairs and replacements shall be of a quality equal to the original in materials and workmanship; Landlord shall have the right to disapprove any improvements, replacements or alterations which, in its judgment, are of a design, quality, condition or in any color or in any other way deemed to be inconsistent with the Design Guidelines, the TAA Process or the general character and design of the Terminal.

(8) Landlord, American and the Authority each reserves the right to interrupt temporarily the heating, air conditioning, plumbing, fire sprinkler, electrical services and any and all other utility services when necessary to make repairs, alterations, replacements or improvements thereto; and no such party shall have any responsibility or liability to Tenant (including consequential damages and lost profits) for failure to supply heat, air conditioning, any other utilities or plumbing or, when prevented from doing so by laws, orders or regulations of any federal, state or local agency or as a result of strikes, accidents, force majeure or by any other cause whatsoever beyond their control. Landlord shall provide Tenant with as much advance notice as reasonably possible and under the circumstances shall use reasonable efforts to avoid interrupting Tenant's business operations except as deemed necessary by Landlord, American or the Authority.

(c) In no event shall Landlord be liable for consequential damages or Tenant's lost profits claimed to be caused by any failure of maintenance or repair. If Tenant does not, upon reasonable notice and opportunity to Tenant to cure, considering the nature of the maintenance or repair, commence such maintenance and repairs as set forth herein or fails to diligently continue to complete such maintenance or repairs, then Landlord, American or the Authority, in addition to any other remedy which may be available to them, may enter the Premises and perform such maintenance or repair, as they determine, in their sole and absolute discretion, is required. **Tenant shall indemnify and save harmless Landlord, American, the Authority and the City of New York from all injury, loss or damage to any Person or property occasioned by Landlord's, American's or the Authority's completion of such maintenance or repair, except to the extent such loss or damage is solely the result of the gross negligence or willful misconduct of Landlord, American, or their respective employees, agents or contractors.** Tenant shall reimburse Landlord for any and all reasonable costs incurred in completing such maintenance or repair (including without limitation an administrative fee equal to fifteen percent (15%) of such costs), together with Late Interest from the date Landlord, American or the Authority incurred such costs. Landlord, without prior notice to Tenant, may enter the Premises and make inspections as often as it considers necessary, to determine the proper maintenance of the Premises by Tenant. The provisions of this Section 10.01 shall survive the expiration or earlier termination of this Sublease.

ARTICLE XI. INSURANCE AND INDEMNITY

Section 11.01 TENANT'S INSURANCE. (a) Tenant, at its sole cost and expense, shall, during the entire Term hereof, procure and maintain the following insurance in not less than the following amounts: (1) commercial general liability insurance with respect to the Premises and the operations in, on or about the Premises, in which the combined limits shall be not less than Five Million Dollars ($5,000,000.00) per occurrence, broad form/extended coverage, insuring for bodily injury, death and property damage and including, without limitation, premises operations, products-completed operations, explosion, collapse, underground property damage and independent contractors coverage, with such commercial general liability insurance containing a contractual liability endorsement covering the obligations assumed by

In addition, if requested by American, Tenant shall promptly deliver to Landlord a certified copy of each policy bearing the endorsement of or accompanied by evidence of payment of the premium thereof. As often as any such policy shall expire or terminate, renewal or additional policies shall be procured and maintained by Tenant and certificates delivered to Landlord prior to any such expiration or termination.

Such liability policies shall also provide or contain an endorsement providing that the protections afforded Tenant thereunder with respect to any claims or actions against Landlord by a third Person shall pertain and apply with like effect with respect to any claim or action against Tenant by Landlord, American or the Authority, and that such protections shall also pertain and apply with respect to any claim or action against Landlord, American or the Authority, including by Tenant, but such endorsement shall not limit, vary or affect the protections afforded Landlord, American and the Authority thereunder or other named insureds as an additional insured. The "All Risk" property insurance coverage shall name Landlord, American and the Authority as additional loss payees to the extent of their respective interests and shall provide that any loss shall be adjusted with and payable to Tenant, Landlord and American (to the extent of Landlord's or

A failure by Landlord or an Indemnitee to timely notify Tenant of any Claim shall excuse Tenant's obligations hereunder only to the extent the defense of such Claim is prejudiced thereby.

(b) Tenant represents that it is the owner of or fully authorized to use or sell any and all intellectual property used or sold by it in its activities under or in any way connected with this Sublease. **Without in any way limiting its obligations hereunder, Tenant agrees to indemnify, defend and hold harmless the Indemnitees of and from any loss, liability, expense, suit or judgment in connection with any actual or alleged infringement of any patent, service mark, trademark, trade name or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the activities of Tenant under or in any way connected with this Sublease.** With respect to claims or demands against Indemnitees for actual or alleged infringement of any patent, service mark, trademark, trade name or copyright, or for actual or alleged unfair competition or other similar theories arising out of the operations of Tenant, Tenant shall pay or reimburse Indemnitees all actual and reasonable attorneys' fees and costs of defense that Indemnitees may incur in defending any such intellectual property or unfair competition claims or demands.

(c) Tenant agrees to include in all franchise or license agreements and construction contracts and other agreements involving Tenant, a provision by which such franchisee, licensee or contractor agrees to defend, indemnify and hold harmless the Indemnitees, on at least the same basis and to the same extent as required of Tenant under this Section 11.03. The obligations set forth in this Section 11.03 shall survive the expiration or earlier termination of this Sublease.

If such installation is approved by Landlord and American, and if such additional facilities are provided to accommodate Tenant's installation, Tenant agrees to pay Landlord, on demand, the cost of providing such additional utility facilities or utility facilities of greater capacity. Tenant shall in no event use any of the utility facilities in any way which shall overload or overburden the utility systems at the Terminal and the Airport. Landlord and American shall have the right to impose reasonable restrictions and to require Tenant to comply with any and all state and local regulations and measures adopted from time to time with respect to conservation of any utilities, including water usage.

ARTICLE XIII. ATTORNMENT AND SUBORDINATION

Section 13.01 **ATTORNMENT.** Landlord shall be permitted to assign this Sublease to American or its designee; and, in the event of such assignment, Tenant shall attorn to American or its designee and recognize American or its designee as the landlord for all purposes hereunder.

Irrespective of the foregoing, the transfer of the membership or ownership interests among the existing members of Tenant or to their estates or heirs upon the death of any such existing member of Tenant shall not require the prior written consent of Landlord. Tenant shall promptly notify Landlord within ten (10) days thereafter of any such transfer of the membership or ownership interests in Tenant among the existing members of Tenant or to their estates or heirs upon the death of any such existing member of Tenant.

within sixty (60) days prior to the Rental Commencement Date. Landlord reserves the right at any time to terminate the Joint Marketing Fund and, in such event, shall notify Tenant in writing. Thereafter, in the event of such termination, Tenant shall no longer be obligated to make any further contributions to the Joint Marketing Fund and any remaining funds previously contributed to the Joint Marketing Fund shall be used by Landlord to promote the overall concession program and facilities within the Terminal. Landlord, following any such termination, also reserves the right to reinstate the Joint Marketing Fund and, in such event, shall notify Tenant in writing and thereafter, Tenant, upon any such reinstatement, shall immediately recommence contributions to the Joint Marketing Fund in accordance with this Section 16.03. Upon the expiration or earlier termination of the Concession Area Lease, Landlord is required to remit any unused monies in the Joint Marketing Fund in equal shares to American and the Authority.

ARTICLE XVII. DAMAGE AND DESTRUCTION

Section 17.01 **PARTIAL DESTRUCTION.** (a) Landlord and American shall not be required to make reparation for any injury or damage by fire or other cause, or to make any restoration or replacement of any Fixed Improvements, Refurbishments, or any other real or movable property located or installed in the Premises or in the Concession Area by or on behalf of Tenant, except as otherwise provided herein.

(b) In the event the Fixed Improvements or Refurbishments are damaged by any casualty covered under an insurance policy required to be maintained by Tenant pursuant to this Sublease, then Tenant shall repair the same as soon as reasonably possible (following any repair of Base Building Work by American that may be necessary to permit Tenant repairs to proceed) and this Sublease shall continue in full force and effect. In the event the Fixed Improvements or Refurbishments are damaged by any casualty not covered under any insurance policy required to be maintained by Tenant pursuant to this Sublease, then Landlord may, at Landlord's option (1) repair such damage at Landlord's expense and continue this Sublease in full force and effect, or (2) give written notice to Tenant within ninety (90) days after the date of occurrence of such damage of Landlord's intention to terminate this Sublease as of the date of the damage; provided, however, that if such damage is caused by an act or omission to act of Tenant, then Tenant shall repair such damage, promptly at its sole cost and expense. Any repair or restoration of the Premises by Landlord after the termination of this Sublease shall not be deemed to reinstate this Sublease or give Tenant any right to have this Sublease reinstated. In the event Landlord elects to terminate this Sublease under this section, Tenant shall have the right, within thirty (30) days after receipt of the notice from Landlord, to notify Landlord in writing of Tenant's intention to repair such damage at Tenant's expense and without reimbursement from Landlord or American, in which event this Sublease shall continue in full force and effect and Tenant shall proceed to make such repairs as soon as possible. If Tenant does not give such notice within the above thirty (30) day period, this Sublease shall be terminated as of the date specified by Landlord in its notice to Tenant.

Section 17.02 **TOTAL DESTRUCTION.** If the Concession Area or the Premises are totally destroyed during the Term by any cause whether or not covered by the insurance required under this Sublease (including, without limitation, any destruction required by any authorized public authority), and the Concession Area or the Premises cannot be repaired or replaced within sixty (60) days of such total destruction, this Sublease shall terminate as of the date of such total destruction at the option of American, Landlord or the Authority with a total abatement of Rental obligations as of such date, but without affecting any of Tenant's obligations which may have accrued or other rights or remedies of American, Landlord or Tenant which may have arisen as a result of such termination, including insurance claims based on the destruction.

Section 17.03 **DAMAGE OR DESTRUCTION OF THE TERMINAL.** If fifty percent (50%) or more of the Terminal shall be damaged or destroyed by an insured risk, or if twenty-five percent (25%) or

ARTICLE XVIII. CONDEMNATION

Section 18.01 **CONDEMNATION.** (a) If more than thirty percent (30%) of the Floor Area of the Premises shall be taken or condemned for any public or quasi-public use under any governmental law, ordinance or regulation or by the right of eminent domain or in the event of a private conveyance, by purchase, sale or otherwise, in lieu thereof ("**Taking**"), this Sublease shall terminate as of the date of such Taking; and the Term hereof shall cease as such date of Taking and all Rentals shall be abated during the unexpired portion of this Sublease, effective on the date physical possession is commenced by the taking or condemning authority.

(b) If thirty percent (30%) or less of the Floor Area of the Premises should be taken or condemned as aforesaid, this Sublease shall not terminate; rather, the amounts which may be due and owing as Rentals during the unexpired portion of the Term (or for such shorter period during which such Taking or condemnation shall continue) shall be reduced proportionally based on the projected reduction, if any, in Tenant's Gross Receipts as mutually agreed to by Landlord and Tenant (and, if unable to agree, Landlord's reasonable decision with respect thereto shall be conclusive and binding) effective on the date physical possession is commenced by the taking or condemning authority, such reduction to end on the date (if such date falls during the Term) that the Premises is returned to Tenant in a condition which reasonably allows for the commencement of business; provided, however, that in all events any reduction under this section in the Authority's allocated share of Rentals shall require the prior written approval of the Authority. If the taking or condemning authority does not specify the actual portions of floor area of the Premises to be taken or condemned as aforesaid, then Landlord, Tenant and American shall endeavor to agree on such actual portions (and, if they are unable to so agree, American's reasonable decision with respect thereto shall be conclusive and binding).

(c) A voluntary sale or transfer of interest of all or any part of the Premises or the public areas in the Terminal by Landlord or American to any public or quasi-public body, agency, person or other entity having the power of eminent domain, either under threat of condemnation or while condemnation proceedings are pending, shall be deemed to be a Taking under the power of eminent domain for the purposes of Article XVIII. Tenant hereby waives the provisions of any statute or other law that may be in effect at the time of the occurrence of any such Taking under which a lease/sublease is automatically terminated or pursuant to which a tenant is given the right to terminate a lease/sublease by reason of such a Taking.

Section 18.02 **AWARD.** All compensation awarded for any Taking or condemnation (or, in either case, the proceeds of a private sale in lieu thereof) of the Premises shall be the property of the party entitled to any such compensatory award under the Authority Lease and to the extent Tenant is not entitled to any such compensatory award under the Authority Lease, Tenant hereby assigns its interest in any such award to American. The distribution of any such compensatory awards shall be made to the Authority, American, Landlord, if any, and Tenant, if any, as set forth in the Authority Lease.

ARTICLE XIX. DEFAULTS, REMEDIES AND DAMAGES

Section 19.01 **EVENTS OF DEFAULT.** The occurrence, at any time prior to or during the Term, of any one (1) or more of the following events (referred to herein, singly, as an "**Event of Default**" and collectively as "**Events of Default**") shall be an Event of Default by Tenant under this Sublease:

(a) Tenant fails to pay any Rentals or any other charges or sums whatsoever due hereunder (including without limitation, amounts due as reimbursement to Landlord for costs incurred by Landlord in performing obligations of Tenant hereunder upon Tenant's failure so to perform) for more than five (5) days after written notice from Landlord to Tenant that such Rentals or any other charges or sums whatsoever due

(j) Tenant fails comply with any of the other operational requirements set forth in Section 7.02 or any of the exhibits referenced therein (such as compliance with staffing/personnel, street pricing or fails to achieve the Minimum Performance Standards, for example) and such failure shall continue for a period of two (2) days; or

(k) Tenant shall fail to carry insurance as required under this Sublease on the date of such failure or to comply with any applicable law, rule or regulation concerning security, and such failure continues for forty-eight (48) hours after written notice from Landlord thereof; or

(l) A governmental authority, board, agency or officer with competent jurisdiction terminates or suspends any certificate, license, permit or authority held by Tenant without which Tenant shall not be lawfully empowered to conduct its business operations in the Premises; or

(m) Except as otherwise provided by applicable law, if the estate hereby created shall be taken on execution or by other process of law, or if Tenant shall be judicially declared bankrupt or insolvent according to law, or if any assignment shall be made of the property of Tenant for the benefit of creditors, or if a receiver, guardian, conservator, trustee in involuntary bankruptcy or other similar officer shall be appointed to take charge of all or any substantial part of Tenant's property by a court of competent jurisdiction, or if a petition shall be filed for the reorganization of Tenant under any provisions of law now or hereafter enacted, and such proceeding is not dismissed within thirty (30) days after it is begun, or if Tenant shall file or consent to a petition for such reorganization, or for arrangements under any provisions of such laws providing a plan for a debtor to settle, satisfy or extend the time for the payment of substantially all or general payment of debts; and/or

(n) Any act or omission to act by Tenant which, directly or indirectly, puts Landlord in default of its obligations to American under the Concession Area Lease or puts Landlord in default of its obligations to the Authority under the Operator Permit;

then, during such time as such Event(s) of Default is/are continuing, Landlord may at any time, at Landlord's option, give to Tenant five (5) days' notice of termination of this Sublease (which shall be in lieu of any notice required under New York law) and, in the event such notice is given, this Sublease and the Term shall come to an end and expire (whether or not said Term shall have commenced) upon the expiration of said five (5) days with the same effect as if the date of expiration of said five (5) days were the Expiration Date, but Tenant shall remain liable for damages and all other sums payable pursuant to the provisions of Section 19.03.

Section 19.02 REMEDIES. (a) If Tenant shall default in the payment when due of any installment of Rentals or if Tenant shall default in the performance of any of the other terms, provisions, conditions or covenants of this Sublease, or if this Sublease and the Term shall expire and come to an end as provided in Section 19.01: (1) Landlord and its agents and servants may immediately, or at any time after such default or after the date upon which this Sublease and the Term shall expire and come to an end, re-enter the Premises or any part thereof, without notice, either by summary proceedings or by any other applicable action or proceeding, or by force or otherwise (without being liable to indictment, prosecution or damages therefor), and may repossess the Premises and dispossess Tenant and any other Person from the Premises and remove any and all of their property and effects from the Premises; and/or (2) Landlord, at Landlord's option, may relet the whole or any part or parts of the Premises, from time to time, either in the name of Landlord or otherwise, to such tenant or tenants, for such term or terms ending before, on or after the Expiration Date, at such rental or rentals and upon such other conditions, which may include concessions and free rent periods, as Landlord, in its sole discretion, may determine. Landlord shall have no obligation to relet the Premises or any part thereof and shall in no event be liable for refusal or failure

Practice Law and Rules and of any successor law of like import then in force, in connection with any holdover summary proceedings which Landlord may institute to enforce the foregoing provisions of this Sublease.

Section 19.03 DAMAGES. (a) If this Sublease and the Term shall expire and come to an end as provided in Section 19.01, or by or under any summary proceeding or any other action or proceeding, or if Landlord shall re-enter the Premises as provided in Section 19.02(a), or by or under any summary proceeding or any other action or proceeding, then, in any of such events:

(1) Tenant shall pay to Landlord, American and the Authority all Rentals and other charges payable under this Sublease by Tenant to Landlord to the date upon which this Sublease and the Term shall have expired and come to an end or to the date of re-entry upon the Premises by Landlord, as the case may be; and

(2) Tenant shall also be liable for and shall pay to Landlord, as damages, any deficiency ("**Deficiency**") between the Guaranteed Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term and the net amount, if any, of rents collected under any reletting effected pursuant to the provisions of Section 19.02(a) for any part of such period (first deducting from the rents collected under any such reletting all of Landlord's expenses in connection with the termination of this Sublease or Landlord's re-entry upon the Premises and with such reletting including, but not limited to, all repossession costs, brokerage commissions, legal expenses, attorneys' fees, alteration costs and other expenses of preparing the Premises for such reletting). Any such Deficiency shall be paid in monthly installments by Tenant on the days specified in this Sublease for payment of installments of Guaranteed Rent, Landlord shall be entitled to recover from Tenant each monthly Deficiency as the same shall arise, and no suit to collect the amount of the Deficiency for any month shall prejudice Landlord's right to collect the Deficiency for any subsequent month by a similar proceeding. Solely for the purposes of this Section 19.03(a)(2), the term "Guaranteed Rent" shall mean the Guaranteed Rent in effect immediately prior to the date upon which this Sublease and the Term shall have terminated or expired and come to an end, or the date of re-entry upon the Premises by Landlord, as the case may be, adjusted, from time to time, to reflect any increases which would have been payable pursuant to any of the provisions of this Sublease including, but not limited to, the provisions of the Data Sheet and Section 2.01 of this Sublease if the Term hereof had not been terminated; and

(3) At any time after the Term shall have expired and come to an end or Landlord shall have re-entered upon the Premises, as the case may be, whether or not Landlord shall have collected any monthly Deficiencies as aforesaid, Landlord shall be entitled to recover from Tenant, and Tenant shall pay to Landlord, on demand, as and for liquidated and agreed final damages, a sum equal to the amount by which the Guaranteed Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the then fair and reasonable rental value of the Premises for the same period, both discounted to present worth at the rate of four percent (4%) per annum. If, before presentation of proof of such liquidated damages to any court, commission or tribunal, the Premises, or any part thereof, shall have been relet by Landlord for the period which otherwise would have constituted the unexpired portion of the Term, or any part thereof, the amount of rent reserved upon such reletting shall be deemed, prima facie, to be the fair and reasonable rental value for the part or the whole of the Premises so relet during the term of the reletting. Solely for the purposes of this Section 19.03(a)(3), the term "Guaranteed Rent" shall mean the Guaranteed Rent in effect immediately prior to the date upon which this Sublease and the Term shall have expired and come to an end, or the date of re-entry upon the Premises by Landlord, as the case may be, adjusted to reflect any increases preceding such event pursuant to the provisions of the Data Sheet and Section 2.01.

ARTICLE XXI. ACCESS BY LANDLORD, AMERICAN AND THE AUTHORITY

Section 21.01 **RIGHT OF ENTRY.** Landlord, American and the Authority and their respective officers, employees and representatives shall each have the right to enter the Premises for any reasonable purpose (including inspecting the condition of the Premises and any equipment used by Tenant) during ordinary business hours. Tenant shall cooperate upon receipt of any such notice and arrange for its personnel to be available during any such entry. The Authority, American and Landlord and their respective officers, employees and representatives shall each have the further right to enter the Premises to make such repairs, alterations, improvements or additions as they may deem necessary or desirable; and such parties shall be allowed to take all material into and upon the Premises that may be required without the same constituting an eviction of Tenant in whole or in part; and Rentals and other charges reserved hereunder shall not abate while said repairs, alterations, improvements or additions are being made, by reason of loss or interruption of business of Tenant or otherwise. In exercising such right of entry, Landlord shall use reasonable efforts not to disrupt Tenant's business in the Premises. The Authority, American, Landlord and their agents shall each have the further right to enter the Premises without notice at any time in the event of an emergency. Tenant shall assure Landlord, American and the Port Authority emergency access to all enclosed areas of the Premises either by delivering duplicate keys to the Premises to Landlord's General Manager and American's JFK Airport Manager or by providing emergency telephone numbers by which the Store Manager can be reached on a twenty-four (24) hour basis. Finally, Landlord, during the last six (6) months prior to the expiration of the Term, may enter the Premises for the purpose of exhibiting the same to prospective tenants and their representatives.

ARTICLE XXII. TENANT'S PROPERTY

Section 22.01 **TAXES ON TENANT'S PROPERTY.** Tenant shall be responsible for, and agrees to pay prior to delinquency, any and all taxes and other assessments, levies, fees and other governmental charges and impositions or every kind or nature, regular or special, direct or indirect, presently foreseen or unforeseen, known or unknown, levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority, upon, against or with respect to (a) Tenant's leasehold interest in the Premises, (b) the Fixed Improvements, the Operating Equipment, all furniture, fixtures, equipment, inventory and any other personal property of any kind owned by, or placed, installed or located in, within, upon or about the Premises by or on behalf of Tenant, and (c) all alterations, additions, or improvements of whatsoever kind or nature, if any, made to the Premises, by or on behalf of Tenant, irrespective of whether any such tax is assessed, real or personal, and irrespective of whether any such tax is assessed to or against, American, the Authority, Landlord or Tenant (collectively, "**Tenant's Taxes**"). Tenant shall provide Landlord with evidence of Tenant's timely payment of such Tenant's Taxes upon Landlord's request. If at any time any of such Tenant's Taxes are not levied and assessed separately and directly to Tenant (for example, if the same are levied or assessed to Landlord, American or the Authority, or upon or against the building containing the Premises and/or the land underlying said building), Tenant shall pay to Landlord Tenant's share thereof as reasonably determined and billed by Landlord. **Tenant hereby agrees to indemnify, defend and hold Landlord, American, the Authority and the City of New York harmless from any and all Tenant's Taxes and costs, damages, expenses and liabilities (including, without limitation, reasonable attorneys' fees) in connection with any such Tenant's Taxes described in this Section 22.01.**

Section 22.02 **LOSS AND DAMAGE.** Except with respect to Landlord's own negligence, Landlord shall not be responsible or liable to Tenant for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying premises or any part of the premises adjacent to or connected with the Premises or any part of the building of which the Premises are a part, or any other area in Concession Area,

any rules and regulations promulgated from time to time by Landlord or American specifically for or otherwise affecting conduct and/or operations in the Terminal and/or Concession Area, provided that Landlord's and American's rules do not have an unreasonable and material adverse discriminatory impact on concession operations within the Concession Area. Landlord shall not have any duty or obligation to enforce the Rules and Regulations or the terms and conditions in any other lease or sublease as against any other tenant; Landlord and American shall not be liable to Tenant for violations of the same by other tenants, invitees, their servants, employees, contractors, subcontractors and agents. Tenant's failure to keep and observe the Rules and Regulations shall constitute a material breach of the terms hereof in the same manner as if the Rules and Regulations were contained herein as covenants.

ARTICLE XXV. QUIET ENJOYMENT

Section 25.01 . LANDLORD'S COVENANT. Subject to the terms and conditions hereof, the terms and provisions of the Concession Area Lease, the Authority Lease as well as the Consent Agreement, upon payment by Tenant of Rentals herein provided and other charges payable by Tenant hereunder, and upon the observance and performance of all the covenants, terms and conditions on Tenant's part to be observed and performed, Tenant shall peaceably and quietly hold and enjoy the Premises for the Term without hindrance or interruption by Landlord.

ARTICLE XXVI. PERFORMANCE GUARANTY

Section 26.01 PERFORMANCE GUARANTY. (a) Tenant shall provide Landlord with the Performance Guaranty in the amount specified in the Data Sheet, which shall be at Landlord's option, in the form of either immediately available funds or the unconditional, irrevocable standby letter of credit ("**Letter of Credit**") or a Payment and Performance Bond ("**Bond**"), as security for the faithful observance and performance by Tenant of the terms, covenants and conditions of this Sublease on Tenant's part to be observed and performed. Such Letter of Credit must be in form and content as set forth in **Exhibit H**. If Landlord permits Tenant to provide a Letter of Credit or Bond, the following shall be applicable. Such Letter of Credit or Bond must be for a term of not less than one (1) year which term shall be automatically renewed for successive one (1) year periods, unless the Bank or Surety gives not less than sixty (60) days prior written notice that it will not so renew the Letter of Credit or Bond for such successive term and the last term of the letter of credit or bond shall end not less than sixty (60) days after the Expiration Date. If such letter of credit or bond is not automatically renewed as aforesaid, Tenant agrees to cause the Bank or Surety to renew such Letter of Credit or Bond or another bank or surety to issue a new letter of credit or bond, from time to time, during the Term, at least ninety (90) days prior to the expiration of said letter of credit or bond or any renewal or replacement, upon the same terms and conditions or in lieu thereof, Tenant may provide a cash security deposit in immediately available funds in the amount of any Letter or Credit or Bond so being replaced. In the event of any transfer of said Letter of Credit or Bond pursuant to Section 26.05, and notice of such transfer to Tenant, Tenant, within twenty (20) days thereafter, shall cause a new Letter of Credit or Bond to be issued by said Bank or Surety to the transferee, upon the same terms and conditions, in replacement of the Letter of Credit so transferred and Landlord agrees that, simultaneously with the delivery of such new Letter of Credit or Bond, it will return to said Bank or Surety the Letter of Credit or Bond being replaced. The Letter of Credit or Bond shall be held in trust by Landlord for the purposes set forth in this Article and shall not be transferred except for transfer (a) to an agent for collection, or (b) pursuant to the provisions of Section 26.05. In the event Tenant defaults beyond any applicable grace period hereunder in the performance of its obligations to issue a replacement Letter of Credit or Bond, or in the observance or performance of Tenant's agreement to cause the Bank or Surety to renew the Letter of Credit or Bond, Landlord, in addition to all rights and remedies which Landlord may have under this Sublease or at law, shall have the

other obligations, without thereby waiving any other rights or remedies of Landlord with respect to such default, and Landlord shall hold the remainder of such Performance Guaranty as security for the faithful performance and observance by Tenant of the terms, covenants and conditions of this Sublease on Tenant's part to be observed and performed with the same rights as hereinabove set forth to use, apply or retain all or any part of such remainder in the event of any further default by Tenant under this Sublease.

Section 26.03 **RESTORATION OF PERFORMANCE GUARANTY.** If Landlord uses, applies or retains the whole or any part of the Performance Guaranty held by Landlord under any of the provisions of this Article, Tenant, promptly after notice thereof, shall deliver to Landlord, in cash or by cashier's check or certified check, payable to the order of Landlord, the sum necessary to restore the Performance Guaranty to the sum required under this Sublease.

Section 26.04 **RETURN OF SECURITY.** The Letter of Credit or Bond and/or any remaining portion of any Performance Guaranty then held by Landlord for the performance of Tenant's obligations under this Sublease as security shall be returned to Tenant after (a) sixty (60) days following the Expiration Date and (b) the full observance and performance by Tenant of all of the terms, covenants and conditions of this Sublease on Tenant's part to be observed and performed.

Section 26.05 **TRANSFER OF LETTER OF CREDIT OR BOND.** In the event of a transfer of Landlord's interest in this Sublease, Landlord shall transfer the Letter of Credit or Bond and/or any remaining portion of any Performance Guaranty then held by Landlord as security for the performance of Tenant's obligations under this Sublease to the transferee, and Landlord shall thereupon be released from all liability for the return of such security; Tenant agrees to look solely to the transferee for the return of any such security and it is agreed that the provisions of this sentence shall apply to every sale or transfer of the Premises or Landlord's interest in this Sublease by Landlord named herein or its successors, and to every transfer or assignment made of any such security. Any transferee shall be deemed to have agreed that any Letter of Credit or Bond or Performance Guaranty transferred to such transferee pursuant to this Section shall be held in trust for the purposes of this Article.

Section 26.06 **NO ASSIGNMENT OF SECURITY BY TENANT.** Tenant agrees that it will not assign, mortgage or encumber, or attempt to assign, mortgage or encumber, the Letter of Credit or Bond or any Performance Guaranty held by Landlord under this Sublease, and that neither Landlord nor its successors or assigns shall be bound by any such assignment, mortgage, encumbrance, attempted assignment, attempted mortgage or attempted encumbrance. Landlord shall not be required to exhaust its remedies against Tenant before having recourse to the Letter of Credit or Bond, the Performance Guaranty or any other security held by Landlord. Recourse by Landlord to the Letter of Credit or Bond, the Performance Guaranty or any other security held by Landlord shall not affect any remedies of Landlord which are provided in this Sublease or which are available in law or equity.

ARTICLE XXVII. MISCELLANEOUS

Section 27.01 **WAIVER; ELECTION OF REMEDIES.** One (1) or more waivers of any covenant or condition by either party shall not be construed as a waiver of a subsequent breach of the same covenant or condition by the other party, and the consent or approval to or of any act by Tenant requiring consent or approval shall not be deemed to render unnecessary such consent or approval to or of any subsequent similar act by Tenant. No breach by either party of a covenant or condition hereof shall be deemed to have been waived by the non-breaching party unless such waiver is in writing and signed by a representative of the non-breaching party. The rights and remedies of Landlord hereunder or in any specific Section, subsection or clause hereof shall be cumulative and in addition to any and all other rights and remedies which Landlord has or may have elsewhere hereunder or at law or equity, whether or not such Section, subsection or clause

relieve or excuse Tenant from any of its obligations hereunder.

Section 27.05 **NOTICES.** Notwithstanding the fact that certain descriptions elsewhere in this Sublease of notices required to be given by one (1) party to the other may omit to state that such notices shall be in writing, any notice, demand, request or other instrument which may be or is required to be given hereunder shall be in writing and sent by (a) United States certified mail, return receipt requested, postage prepaid, (b) United States express mail, (c) recognized overnight national air courier (such as Federal Express, Airborne or UPS for example), (d) personal delivery or (e) any other overnight method creating a receipt, waybill or other indication of delivery. Notices shall be addressed if to the Landlord, at the address as set forth on the Data Sheet, or such other address or addresses as Landlord may designate by written notice, together with copies thereof to such other parties designated by Landlord, and if to Tenant, the address set forth on the Data Sheet, or such other address or addresses as Tenant shall designate by written notice, together with copies thereof to such other parties designated by Tenant. Notices shall be deemed given on the 3rd day after deposit for notices sent under (a) and (b) above, on the first (1st) day after deposit for notices sent under (c) and (e) above and on the date delivered for notices sent under (d) above. Nothing contained in this Section 27.05 shall preclude, limit or modify Landlord's service of any notice, statement, demand or other communication in the manner required by law, including, but not limited to, any demand for rent under Article 7 of the New York Real Property Actions and Proceedings Law or any successor law of like import.

Section 27.06 **CAPTIONS AND SECTION NUMBERS.** The captions, section numbers, article numbers appearing herein are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles hereof nor in any way affect this Sublease.

Section 27.07 **BROKER'S COMMISSION.** Each party represents and warrants to the other party that there are and shall be no claims for brokerage commissions or finder's fees in connection with this Sublease, and each party agrees to indemnify the other and hold it harmless from all liabilities arising from any claim due to its own acts for brokerage commissions and finder's fees in connection with this Sublease. Such indemnity shall survive the termination hereof. Notwithstanding the foregoing, each party shall be solely responsible for the payment of any claims for brokerage commissions or finder's fees as a result of such party's retaining a broker or similar entity in connection with this Sublease.

Section 27.08 **RECORDING.** Tenant shall not record this Sublease or any short form or memorandum hereof.

Section 27.09 **FURNISHING OF FINANCIAL STATEMENTS.** Tenant has provided Landlord at or prior to the date of this Sublease with statements reflecting its financial condition and a credit report as of a date within the last twelve (12) months as an inducement to Landlord to enter into this Sublease, and Tenant hereby represents and warrants that its financial condition and credit rating have not materially changed since the date of those statements and reports. Upon Landlord's written request, Tenant shall promptly furnish Landlord, from time to time, but not more frequently than once in any Lease Year, with financial statements and a credit report reflecting Tenant's then current financial condition. Landlord shall treat such financial statements, credit reports and information provided to it confidentially, and shall not disclose them except to Landlord's lenders or otherwise as reasonably necessary for the operation of the Terminal or administration of Landlord's business or unless disclosure is required by any judicial or administrative order or ruling.

Section 27.10 **TENANT'S WAIVERS IN ACTION FOR POSSESSION.** Landlord and Tenant agree that in any action brought by Landlord to obtain possession of the Premises, the parties desire an expeditious resolution of such litigation. Accordingly, Tenant shall not file and hereby waives the right to file any non-compulsory counterclaim in such action. Tenant also shall not file and hereby waives the right to file any

Section 27.15 **EXECUTION OF SUBLEASE; NO OPTION.** The submission of this Sublease to Tenant shall be for examination purposes only, and does not and shall not constitute a reservation of an option for Tenant to lease, or otherwise create any interest by Tenant in the Premises or any other premises in the Terminal. Execution of this Sublease by Tenant and the return of same to Landlord shall not be binding upon Landlord, notwithstanding any time interval, until Landlord has executed and delivered this Sublease to Tenant and the parties have obtained the required Consent Agreement executed by the Authority. Once so executed and delivered by Landlord as aforesaid and the parties have obtained the required Consent Agreement executed by the Authority, this Sublease shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives and assigns where permitted by this Sublease.

Section 27.16 **GOVERNING LAW.** All obligations of the parties hereunder are performable in Queens County, New York. This Sublease shall be governed by and construed under and in accordance with laws of the State of New York except where any state law shall be preempted by any rules, laws or regulations of the government of the United States of America and all agencies thereof. If any provision of this Sublease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, such provision shall be adjusted rather than voided, if possible, in order to achieve the intent of the parties to the extent possible; in any event, all other provisions hereof shall be deemed valid and enforceable to the full extent.

Section 27.17 **SPECIFIC PERFORMANCE OF RIGHTS.** Each party shall have the right to obtain specific performance of any and all covenants or obligations of the other party hereunder except to the extent otherwise provided herein for the benefit of Landlord excusing any such performance by Landlord, and nothing contained herein shall be construed as or shall have the effect of abridging such right.

Section 27.18 **SURVIVAL OF OBLIGATIONS.** All obligations of Tenant hereunder which cannot be ascertained to have been fully performed prior to the end of the Term or any earlier termination hereof shall survive any such expiration or termination. Further, all of the terms, conditions, covenants, provisions, restrictions or requirements imposed upon Tenant hereunder shall be deemed to extend to Tenant's agents, employees, officers, directors, partners, guarantors, contractors, invitees, concessionaires, licensees and subcontractors; and Tenant shall cause all such persons and entities to comply herewith and include any applicable provisions in any agreements, contracts, subcontracts or the like entered into by Tenant with such persons and/or entities with respect to Tenant's activities and operations in the Premises, the Terminal and the Airport.

Section 27.19 **CERTAIN RULES OF CONSTRUCTION.** Time is of the essence in Tenant's performance of this Sublease. Notwithstanding the fact that certain references elsewhere in this Sublease to acts required to be performed by Tenant hereunder, or to breaches or defaults of this Sublease by Tenant, omit to state that such acts shall be performed at Tenant's sole cost and expense, or omit to state that such breaches or defaults by Tenant are material, unless the context clearly implies to the contrary, each and every act to be performed or obligation to be fulfilled by Tenant pursuant hereto shall be performed or fulfilled at Tenant's sole cost and expense, and all breaches or defaults by Tenant hereunder shall be deemed material. Tenant shall be fully responsible and liable for the observance and compliance by concessionaires, franchisees, subtenants and licensees of Tenant and with all the terms and conditions of this Sublease, which terms and conditions shall be applicable to concessionaires, franchisees, subtenants and licensees as fully as if they were the Tenant hereunder; and failure by a concessionaire, franchisee, subtenant or licensee fully to observe and comply with the terms and conditions of this Sublease shall constitute a default by Tenant. Nothing contained in the preceding sentence shall constitute consent by Landlord to any concession, subletting or other arrangement. Further, although the printed provisions of this Sublease were drawn by Landlord, the parties agree that this circumstance alone shall not create any presumption, canon of

Tenant acknowledges that Landlord is executing this Sublease in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing Landlord to enter into and execute this Sublease. In the event of any breach of the foregoing representations and warranties by Tenant, Landlord shall have the right, in addition to any other remedies provided under this Sublease or at law, to immediately terminate this Sublease upon written notice to Tenant. In the event of any such termination by Landlord, Tenant shall, immediately on receipt of Landlord's termination notice, close the Premises for business and surrender possession of the Premises to Landlord without Landlord resorting to any other legal process.

WHEREAS, the Permittee and the Sublessee have entered into a sublease agreement, consented to by the Airline, a copy of which is attached hereto and made a part hereof ("Sublease"), covering portions of the premises under the Concession Lease (such portions, being hereinafter collectively called the "Space" or the "Spaces"); and

WHEREAS, the Permittee and the Airline have requested the consent of the Port Authority to the proposed Sublease;

with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Permittee including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) No changes, amendments, renewals or extensions to the Sublease shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee or the Sublessee. The Sublease shall not be changed, modified, discharged, renewed or extended except by written instrument duly executed by the parties thereto and only with the express prior written consent of the Port Authority.

5. The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Airline Lease and the Permit.

6. The granting of this Consent by the Port Authority shall not be, and shall not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease, sublicensing, or other agreement with respect to the use or occupancy of the Space or any other portion of the Terminal, or to any assignment of the Permit or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

7. The Port Authority shall have the right to revoke this Consent at any time without cause, on thirty (30) days notice to the Sublessee, as to any one or more of the Spaces at which the Sublessee has permission to operate, and no such revocation shall be deemed to affect the Permit or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby. For informational purposes, the Port Authority will send a copy by regular first class mail of such notice to the Permittee, but failure on the part of the Port Authority to send the informational copy shall not however be or be deemed to be a breach of this Consent, or impair or affect the validity of the notice or request actually given.

8. The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

9. The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

10. If the Sublessee shall fail to pay any amount required under this Consent when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period

its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

14. (a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

	Minimum Limits
Commercial General Liability Combined single limit per occurrence for bodily injury and property damage liability:	$2,000,000

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement the Port Authority covenanting and agreeing not to act unreasonably

EXHIBIT E

AUTHORITY STREET PRICING REQUIREMENTS

A. General Authority Street Pricing Policy.

The Aviation Department of the Authority requires specific pricing criteria in all concessions agreements at the Airport. In general, the Authority and American seek to promote fair and reasonable prices in airport concession programs. The street pricing policy is also designed to produce a greater volume of sales, thereby reflecting the Authority's and American's objective to provide high customer service and optimization of financial return. The Authority's street pricing policy requires that prices charged at the Airport will be comparable to off-airport prices. In general, the policy requires any specialty retail, newsstand and food & beverage vendors that operate both on-airport and off-airport to price goods in the on-airport store within the range of prices charged at their off-airport stores. For vendors without off-airport operations in the area, comparable stores in the region are identified to establish the basis for street prices (the specific methodology for this comparison is established based upon the specific type of store and merchandise sold). For duty free concession vendors, where there are no comparable off-airport operations, the pricing policy requires that the prices of duty free merchandise be substantially comparable to the prices charged for duty free goods in duty free stores at other airports in the northeastern United States. Further, vendors must submit price lists for all goods and services in advance for approval. The street pricing policy also requires vendors to post signs in clearly visible locations notifying customers that the store charges fair and reasonable prices that are comparable to other stores in the region. Landlord requires strict adherence to the Authority's street pricing policy.

B. Comparable Locations In the Metro Area.

1. Specialty Retail and Food & Beverage Concession Facilities. For price comparative purposes, the street pricing policy requires that the prices charged in the various types of specialty retail and food & beverage concession facilities permitted hereunder shall be compared to similar specialty retail and food & beverage establishments located in major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations which do not have multiple independent competitive sources and operators) located in the Metro Area as selected by Landlord from time to time.

2. Newsstand and News & Gifts Concession Facilities. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for newspapers, magazines and sundries shall be compared to local convenience store chains and/or local non-Airport news & gift establishments (excluding any locations which do not have multiple independent competitive sources and operators) located in the Metro Area as selected by Landlord from time to time. Business Enterprise" or "MBE" shall mean any business enterprise which is at least fifty-one percent owned by, or in the case of a publicly owned business, at least fifty-one percent of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purposes hereof, "Women-owned Business Enterprise" or "WBE" shall mean any business enterprise which is at least fifty-one percent owned by, or in the case of a publicly owned business, at least fifty-one percent of the stock of which is owned by women and such ownership is real, substantial and continuing.

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as M/WDBE, the Authority, as part of the certification process, will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

The Authority has compiled a list, which may be supplemented and revised from time to time by the Authority, to indicate the firms the Authority determined satisfy the criteria for M/W/DBE certification. Such list shall be made available to the proposers upon request. The Authority makes no representations as to the financial responsibility of such firms, their technical competence to perform, nor any other performance-related qualifications. Only listed M/W/DBEs and such firms not so listed, but certified by the Authority as M/W/DBEs hereunder, will count towards M/W/DBE requirements.

Certification of M/W/DBEs hereunder shall be made by the Economic Development Department/Business and Job Opportunity of the Authority. If a proposer wishes to utilize a firm not so listed but which the proposer believes should be certified as a M/W/DBE, that firm shall submit to the Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required by the Authority from time to time. All such requests shall be in writing, addressed to Mr. John Alexander, Supervisor, Certification Programs or other designee of the Economic Development Department/Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, Newark Legal Center, One Riverfront Plaza, 9P^{thP} Floor, Newark, New Jersey 07102 or such other address as the Authority may designate from time to time. Eligibility for certification shall only be made in writing over the name of the General Manager in charge of the Office of Business and Job Opportunity. The determination of the Authority shall be final and binding on the applicant. For inquiries or assistance, please contact John Alexander at (973) 565-5522.

EXHIBIT I

AFFIRMATIVE ACTION-EQUAL OPPORTUNITY

Part I AFFIRMATIVE ACTION GUIDELINES – EQUAL EMPLOYMENT OPPORTUNITY

I. As a matter of policy the Authority, Landlord and American hereby require Tenant to comply with the provisions set forth hereinafter in this Exhibit I and in sections 41, 68(I)(b) and 79 (b)(1) of the Authority Lease. The provisions set forth in this Part I are similar to the conditions for bidding on federal government contracts adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

Tenant and Tenant's respective bidders, contractors and subcontractors and each subcontractor of a contractor at any tier of construction (herein collectively referred to as "the Contractor"), must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). Tenant hereby commits itself to the goals for Minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions. Tenant shall likewise require the Contractor to commit itself to the said goals for Minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions by submitting a properly signed bid.

II. Tenant and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms and conditions of the following Bid Conditions:

(a) The goals for Minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows: (1) Minority participation: Minority, except laborers-30%; Minority, laborers-40%; and (2) Female participation: Female, except laborers-6.9%; Female, laborers-6.9%. These goals are applicable to all the Contractor's construction work performed in and for the Premises.

The Contractor's specific affirmative action obligations required herein of Minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of Minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to Tenant and Tenant shall provide written notification to Landlord and the General Manager in charge of the Economic Development Department/Business and Job Opportunity of the Authority within 10 working days of award of any construction subcontract in excess of $10,000 at any tier for construction work. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used herein: (1) "**Employer identification number**" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941; and (2) "**Minority**" – as in the Definitions to the Concession Area Lease.

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of $10,000 those provisions which include the applicable goals for Minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of Minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the premises. The Contractor is expected to make substantially

(7) Review, at least every six (6) months the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decision including specific review of these items with on-premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including Minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to Minority, female and community organizations, to schools with Minority and female students and to Minority and female recruitment and training organizations and to State-certified Minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one (1) month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present Minority and female employees to recruit other Minority persons and women and, where reasonable, provide after school, summer and vacation employment to Minority and female youth both on the premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six (6) months, an inventory and evaluation at least of all Minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from Minority and female construction contractors and suppliers, including circulation of solicitations to Minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six (6) months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one (1) or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one (1) or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's Minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is

continuing. For the purposes hereof, "**Women-owned Business Enterprise**" "(WBE)" shall mean any business enterprise which is at least fifty-one percent owned by, or in the case of a publicly owned business, at least fifty-one percent of the stock of which is owned by women and such ownership is real, substantial and continuing. "**Meaningful participation**" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to Minority and female contractor associations. The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that Tenant and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Economic Development Department/Business and Job Opportunity of the Authority. If the Contractor wishes to utilize a firm not already certified by the Authority, it shall submit to the Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Authority. All such requests shall be in writing addressed to the Economic Development Department/Business and Job Opportunity, Port Authority of New York and New Jersey, Newark Legal Center, Riverfront Plaza, 9th floor, Newark, New Jersey 07102, or such other address as the Authority may specify by notice. Certification shall be effective only if made in writing by the General Manager in charge of the Economic Development Department/Business and Job Opportunity of the Authority. The determination of the Authority shall be final and binding.

The Authority has compiled a list of the firms that the Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Authority. Such list shall be made available to the Contractor upon request. The Authority makes no representation as to the financial responsibility of such firms, their technical competence to perform, or any other performance-related qualifications. Only MBEs and WBEs certified by the Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e. suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

8. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. 10. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 7 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

15. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given if the same be in writing and sent by registered mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. 16. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to the Permit at the time of issuance.

17. Neither the Commissioners of the Port Authority nor any officer, agent or employee thereof, shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority/s rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. 1. Grant of Privilege.

(a) (i) By agreement of lease dated as of December 22, 2000 bearing Port Authority file No. AYB-085R (said agreement of lease, as heretofore amended and extended, being hereinafter called the "Airline Lease") the Port Authority leased to American Airlines, Inc. (the "Airline") certain premises in the passenger terminal building designated "Passenger Terminal Buildings 8 and 9" at John F. Kennedy International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in the Airline Lease. It was contemplated under the Airline Lease that certain food-and-beverage, news, news & gift, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. Accordingly, in accordance with the applicable provisions of the Airline Lease, the Airline and Westfield Concession Management, Inc. (the "Permittee") have entered into an agreement, made as of September 2, 2004 (which agreement is hereinafter called the "Concession Agreement"), in the form of a contract under which the Permittee agreed to develop, lease, manage and market certain concession facilities in the Terminal, including management of existing concession facilities in the Terminal previously operated by or through Sky Chefs, Inc.

(ii) Pursuant to an Assignment and Assumption Agreement, dated as of June 1, 2004 between the Permittee and Sky Chefs, Inc. and consented to by the Airline, Sky Chefs, Inc. assigned to the Permittee and the Permittee assumed from Sky Chefs, Inc.: (1) the agreement, dated as of July 29, 1994, between Sky Chefs, Inc. and the Airline (as the same was supplemented, the "Sky Chefs Agreement") and (2) the permit, dated as of February 15, 1995 and bearing Port Authority Permit No. AYC-462, between Sky Chefs, Inc. and the Port Authority (the "Sky Chefs Permit"). Pursuant thereto, the Permittee assumed management of the existing concession operations in the Terminal previously operated by or through Sky Chefs, Inc. The Port Authority consented to the assignment of the Sky Chefs Permit pursuant to an Assignment With Assumption and Consent Agreement, dated as of June 1, 2004. Upon the execution of this Permit by the Permittee and the Port Authority and consented to by the Airline, the Sky Chefs Agreement and the Sky Chefs Permit shall automatically terminate, except that (1) the Sky Chefs Agreement and the Sky Chefs Permit shall continue in effect as the same relate to the services to be provided by the Permittee from and after June 1, 2004, in accordance with Article 9 of the Concession Agreement to and including the Effective Date of this Permit and (2) all obligations and liabilities which are intended to survive the termination of the Sky Chefs Agreement and the Sky Chefs Permit shall so survive, including but not limited to indemnity and insurance obligations. The Permittee shall cause the existing security deposit in the form of a letter of credit in the amount of One Million Four Hundred Thousand Dollars ($1,400,000.00), submitted by the Permittee under the Sky Chefs Permit to be amended to the amount of One Million Dollars ($1,000,000.00) and delivered to the Port Authority, and such amended letter of

credit shall be applied to the Permittee's security deposit requirements under this Permit. The Permittee hereby grants its consent to such transfer and application of the previously-provided security deposit to this Permit.

(iii) By its terms, the Concession Agreement is subject and subordinate to the Airline Lease and the Permittee is obligated under the Concession Agreement to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. It was stipulated in the Airline Lease and in the Concession Agreement that the Permittee would also enter into this Permit with the Port Authority covering such services to be provided by Permittee under the Concession Agreement. The Port Authority hereby acknowledges that subject to the provisions of subparagraph (h) of this Special Endorsement, the Port Authority hereby consents to the Concession Agreement as of September 2, 2004.

(b) From and after the Effective Date hereof, the Port Authority grants to the Permittee the privilege of developing, subleasing, managing and marketing concession operations in the Terminal in accordance with terms of the Airline's comprehensive plan for consumer services required pursuant to the Airline Lease, and approved by the Port Authority, but for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege herein granted only in the space and facilities designated in the Concession Agreement and identified in **"Exhibit A"** to this Permit, attached hereto and incorporated by reference herein as such **"Exhibit A"** may be amended from time to time by the parties to the Concession Agreement with the Port Authority's prior written consent, and the Permittee hereby agrees to exercise such privilege subject to all the terms and conditions of this Permit. The Permittee acknowledges that the Port Authority has made no representation or warranty as to the location, size, adequacy or suitability of any of such space or the facilities in the Terminal. Each consumer services concession facility location so designated under the Concession Agreement is sometimes hereinafter referred to as a "Space" and all of the consumer services concession facilities and certain designated portions of the food court public seating areas and other designated public areas as shown and identified on **"Exhibit A"** are hereinafter collectively referred to as the "Concession Area". The Permittee acknowledges and agrees that it has not relied on any representation or statement of the Port Authority, its Commissioners, officers, employees or agents as to the condition or the suitability of the Concession Area for the conduct of the Permittee's operations contemplated hereunder.

(d) It is understood that neither the Permittee nor any Affiliate of the Permittee shall conduct or have any interest whatsoever in any entity conducting a concession operation in any Space. For purposes of this Permit, the term "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership

of voting securities, by contract, or otherwise (including any entity in which a person (including any general or limited partner, managing and non-managing member or shareholder of such person) has an ownership interest.

(e) (i) In accordance with the provisions of the Airline Lease and the Concession Agreement, but subject to the terms, conditions and provisions of this Permit, the Permittee shall negotiate, as a landlord, agreements with concession operators (each such specialty retail, news, news & gift, service and/or food-and-beverage concession operator being hereinafter called an "Operator" and such concession operators being hereinafter collectively called "Operators") permitting each Operator to operate a concession facility in a designated Space in the Terminal, provided, however, that the proposed Operator, the agreement to be entered into between the proposed Operator and the Permittee, and the annual leasing plan for the Terminal (as referred to in Article 2 (Exhibits B-1 and B-2) of the Concession Agreement) shall be consented to in advance by the Port Authority (as or to the extent provided under the Airline Lease) and the Airline, and provided, further, that any sublease, sub-sublease, license, permit or concession agreement, or any other form of written agreement, however denominated, including any renewal or modification thereof (hereinafter "Sublease" and collectively "Subleases"), shall be void *ab initio* and of no force or effect unless and until the proposed Operator, the Permittee, the Airline and the Port Authority shall have executed a consent agreement in form and substance provided by the Port Authority approving same. The general form of such consent agreement is included in this Permit as **"Exhibit B"** attached hereto and incorporated by reference herein (being hereinafter called the "Consent Agreement").

(ii) The Permittee shall prepare a standard form of Sublease to be entered into between the Permittee and a proposed third party Operator, in accordance with this paragraph, which Sublease shall have been approved in advance by the Port Authority. The Port Authority hereby acknowledges that the Permittee has prepared the standard form of Sublease which has been submitted (on March 24, 2005) to and approved as to form and content by the Port Authority; provided, however, the Port Authority reserves the right to require modifications to same from time to time as it deems necessary. Any deviations or modifications of the Port Authority approved standard form of Sublease, with respect to each and every Operator, shall be identified in a writing (such writing may include computer generated comparisons showing such deviations or modifications which are transmitted electronically) to the Port Authority and shall be subject to its approval.

(iii) Any and all Subleases with Operators shall provide that the Port Authority shall have the right to revoke its Consent Agreement with such Operator without cause at any time on thirty (30) days' written notice, which notice must be concurred in or jointly subscribed by the Airline. Concurrence with the Airline shall not be required for any termination of a Consent Agreement for cause. If the Permittee terminates a Sublease for whatever reason, the Consent Agreement between the Port Authority, the relevant Operator and the Permittee, as consented to by the Airline, shall be deemed simultaneously terminated, subject to those obligations and liabilities of the Operator which impliedly or expressly survive such termination.

(f) Subleases shall provide that all Operator security deposits shall be made payable to and held by the Permittee during the term of the Sublease; provided, however, upon request of the Port Authority, the Permittee shall provide the Port Authority with financial, credit and other relevant background information requested by it concerning the prospective Operator and the Permittee hereby agrees to provide the same upon request of the Port Authority to the extent the same can be obtained by using commercially reasonable efforts but, in all events, the Permittee shall provide to the Port Authority all information which the Permittee reviewed or upon which it relied in determining the amount of the security deposit to be obtained from the prospective Operator. The Airline and the Port Authority acknowledge that the security deposit(s) of an Operator may not be sufficient to satisfy in full the unpaid claims and demands (including estimated damages) of both the Airline and the Port Authority with respect to said Operator. The Port Authority reserves the right to directly and independently pursue any and all of its legal remedies against any Operator. Neither the Permittee nor the Airline shall have any right to, or interest in, any portion of a security deposit(s) held by the Port Authority pursuant to any other agreement to which the Port Authority and an Operator are parties, whether elsewhere at the Airport or at any other Port Authority facility.

(g) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent, nor shall there be created an implication that there has been consent, to any enlargement, diminishment or change in the rights, powers and privileges granted to the Airline under the Airline Lease. Consistent with the foregoing sentence, neither this Permit nor any references to the Airline contained herein are intended to create nor may be deemed to create any new rights or obligations of the Airline vis-à-vis the Port Authority or of the Airline vis-à-vis the Permittee whatsoever, except where it is otherwise expressly so stated or clarified and the Airline acknowledges that the provisions of the Permit vis-à-vis the Airline and the Port Authority (e.g., Special Endorsement No. 4 below) are not inconsistent with the Airline Lease. The Concession Agreement is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Concession Agreement shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Concession Agreement including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be impaired. The lack of any specific reference in any provisions of the Concession Agreement to Port Authority approval or consent shall not be deemed to apply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

No provision of the Concession Agreement including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provisions of the Concession Agreement covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction on the Concession Area covered by this Permit, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Concession Agreement which are not specifically referred to herein.

(h) In the event of conflicts and inconsistencies between the terms of the Concession Agreement and the terms of this Permit, the terms of this Permit shall control as between the Port Authority and the Permittee, subject to subparagraph (j) below. In addition, Special Endorsement No. 4 of this Permit shall not be deemed to be a conflict or inconsistency between this Permit and the Concession Agreement or Airline Lease. Nothing contained herein shall be or be deemed to affect the exercise by either the Permittee or the Airline of any right either may have pursuant to the terms of the Concession Agreement to terminate the term of such Concession Agreement. No changes or amendments to the Concession Agreement nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless such changes, amendments, renewals, or extensions have been approved in advance by the Port Authority in writing.

(i) Notwithstanding any other provision of this Permit or the Concession Agreement, this Permit and the privileges granted hereunder shall in any event terminate and expire on the date of expiration or earlier termination of the Concession Agreement, or on the day preceding the expiration date of the Airline Lease, or upon early termination or cancellation of the Airline Lease and/or any rejection of the Concession Agreement or the Airline Lease (including, without limitation, by any trustee/receiver acting on the Airline's behalf) as either an executory contract or an unexpired real property lease under the applicable provisions of the United States Bankruptcy Code, as amended, whichever shall be earlier; provided, however, that nothing contained in this subparagraph shall affect or impair the rights of revocation or termination reserved to the Port Authority as contained elsewhere in this Permit.

(j) Consistent with the provisions of Special Endorsement 2(h), and notwithstanding anything to the contrary stated in the Concession Agreement, or this Permit, the Airline and the Permittee acknowledge that no rent abatements granted by the Permittee to an Operator under a Sublease, or by the Airline to the Permittee under the Concession Agreement, may diminish or otherwise adversely affect the PA Share payable hereunder, other than those abatements (1) which are expressly set forth in the Airline Lease and are applicable to the Concession Area, and

(2) which are consistent with the Port Authority's generally applicable policies for abatements at the Airport as then in effect (and to the degree they are permitted by such policies) and specifically consented to by the Port Authority in writing before being applied. The Permittee shall not claim any abatements vis-à-vis the Port Authority except as set forth in this subparagraph (j).

2. Defined Terms; Fees.

(a) Terms used herein shall have the meanings set forth below. Terms defined in the singular shall be deemed to have the corresponding plural definition when appearing in the text in a plural form, and vice-versa.

(1) "Airline Annual Guaranteed Fee Amount" shall have the meaning described in Special Endorsement No. 4 hereof and shall be an amount calculated for and during each Annual Period occurring during the period of the permission granted under this Permit.

(2) "Annual Period" shall mean, as the context requires, the period commencing on the Effective Date of the permission granted under this Permit and expiring December 31, 2004, both dates inclusive, and each of the twelve (12) month periods thereafter occurring during the effective period of the permission granted under this Permit commencing January 1, 2005 and on each anniversary of that date; provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the Annual Period in which the date of expiration or earlier termination or revocation of the effective period of the permission granted under this Permit shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted under this Permit.

(3) "CPI Index" shall mean the Consumer Price Index for All Urban Consumers - NY-Northern NJ-Long Island, NY-NJ-CT (All Items, unadjusted 1982-1984=100) published by the Bureau of Labor Statistics of the United States Department of Labor. In the event the CPI Index to be used in computing any adjustment referred to in these Special Endorsements is not available on the Effective Date of such adjustment, the Permittee shall continue to pay the fees/rental at the annual rate then in effect subject to retroactive adjustment at such time as the specified CPI Index becomes available; provided, however, that the Port Authority may at its option substitute for such CPI Index the Index for the latest preceding month then published to constitute the specified CPI Index. In the event the United States Consumer Price Index for All Urban Consumers, described above, shall hereafter be converted to a different standard reference base or otherwise revised or the United States Department of Labor shall cease to publish the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100), then for the purposes hereof there shall be substituted for the CPI Index such other appropriate index or indices properly reflecting changes in the value of current United States money in a manner

similar to that established in the CPI Index used in the latest adjustment as the Port Authority in its discretion determine.

(4) "Enplaned Passenger" shall mean any passenger determined by the Airline to have boarded an aircraft at the Terminal, including passengers who disembark and re-board the same aircraft as part of the same flight itinerary, but excluding passengers, such as international in-transit passengers, from international flights who are restricted from exposure to the Concession Area.

(5) "Enplaned Passenger Minimum Guarantee" means $0.70 per domestic Enplaned Passenger and $1.50 per international Enplaned Passenger (in either case on any airline, and not just the Airline) tabulated by the Airline for each month during the period of permission granted under this Permit based on the actual number of Enplaned Passengers at the Terminal to be reported to Permittee, monthly by the Airline and in the same format as provided to the Port Authority, and annually at the same time and in the same format as reported to United States governmental authorities, for the purpose of verifying calculation of the "Minimum Guaranteed Rental Shortfall" under the Concession Agreement. The Enplaned Passenger Minimum Guarantee shall be adjusted annually during the period of permission granted under this Permit in accordance with Special Endorsement 2(a)(8) below.

(6) "Gross Receipts" shall mean and include all monies paid or payable to each and every Operator (which term includes, for the purposes of this definition, any permitted assignees of Subleases or sublicensees/invitees of subtenants, and any other concessionaires or occupants who may be permitted to conduct concession operations within the Concession Area, and the existing concession operators in Terminals 8 and 9), whether for cash, credit or otherwise, for sales made or services rendered at or from the Operator's Space regardless of when or where the order therefor is received and outside the Operator's Space if the order is received at the Terminal, retail display allowances or other promotional incentives (the gross amounts thereof, not net of expenses) received from vendors, suppliers or manufacturers and other revenues of any type arising out of or in connection with any Operator's operations at the Terminal, including, without limitation: proceeds from the sale of gift and merchandise certificates (but only when such certificates are treated as a sale from the Operator's Space pursuant to an Operator's record-keeping system), mail, catalogue (as further explained below), closed circuit television, computer, other electronic or telephone orders received or filled; deposits not refunded to purchasers; orders taken at the Operator's Space (although such orders may be filled elsewhere); sales through vending machines or other devices; the spread earned on any exchange of foreign currency transactions whether as a currency exchange service or in connection with the sale of merchandise or services; and all insurance proceeds received due to loss of gross earnings under any Operator's business interruption insurance coverage. Catalogue sales generated from catalogues distributed from an Operator's Space will be included in the Operator's calculation of Gross Receipts. For this purpose, catalogues displayed in an Operator's Space will include a tracking number unique to the Operator's Space that allows for an auditable method for tracking such sales. A "sale" shall be treated as consummated for the

purposes of this definition, and the entire amount of the sales price shall be included in Gross Receipts and deemed received at the time of determination of the amount due for each transaction, whether for cash, credit or otherwise, and not at the time of billing or payment. No deduction shall be allowed for uncollected or uncollectible credit accounts or "bad" checks.

Gross Receipts shall not include (a) any sums collected for any federal, state, county and municipal sales taxes, so-called luxury taxes, use taxes, consumer excise taxes, gross receipts taxes and other similar taxes now or hereafter imposed by law upon the sale of merchandise or services but only if separately stated from the sales price and only to the extent paid by Operators to any duly constituted governmental/taxing authority, (b) the exchange of merchandise between the stores or warehouses owned by or affiliated with any Operator, if any, where such exchanges of goods or merchandise are made solely for the convenient operation of the business of such Operator and not for the purpose of consummating a sale which has theretofore been made at, in, from or upon the Space or for the purpose of depriving the Permittee, the Airline or the Port Authority of the benefit of the sale which otherwise would be made at, in, from or upon the Space, (c) the amount of any cash or credit refund made upon any sale where the merchandise sold, or some part thereof, is thereafter returned by a purchaser and accepted by the Operator to which it is returned, (d) the proceeds of sale of fixtures, equipment or other items of property which are not stock in trade and not in the ordinary course of any Operator's business, (e) any receipts of an Operator which arise from its operations under any other agreement at the Airport (i.e., an agreement other than the specific Sublease to be entered into between the Permittee and the Operator for a Space within the Concession Area), (f) shipping, delivery, alteration workroom and gift wrapping charges provided at the Operator's actual cost and documented separately by the Operator when such charges are merely an accommodation to customers, (g) receipts in the form of refunds from, or the value of merchandise, services, supplies or equipment returned to, vendors, shippers, suppliers or manufacturers, including volume discounts received from an Operator's vendors, suppliers or manufacturers, (h) income actually received by an Operator from manufacturers of goods displayed for sale at the Space (e.g., cosmetics, perfume) if the conditions set forth below are fully and strictly satisfied with respect to such income; (i) customary discounts given by an Operator on sales of merchandise or services to its own employees, if separately stated, and limited in amount to not more than one percent (1%) of Gross Receipts per month, (j) mandatory discounts, if separately stated, of ten percent (10%) given by Operators on sales of merchandise or services to employees of the Permittee, the Airline, the Port Authority, other airline lessees in the Terminal, and other persons employed at the Airport, (k) gratuities for services performed by employees of an Operator which are paid by an Operator or its customers to such employees, except to the extent the Operator may be entitled to receive a portion of such gratuities, (l) the sale or transfer in bulk of the inventory of an Operator to a purchaser of all or substantially all of the assets of such Operator in a transaction not in the ordinary course of such Operator's business, and/or (m) except with respect to insurance proceeds received due to loss of gross earnings under any Operator's business interruption insurance coverage as provided above and/or insurance proceeds that may be payable to the Airline or the Port Authority or the

Permittee under such coverage, receipts from all other insurance proceeds received by an Operator as a result of a loss or casualty.

(a) The conditions with respect to clause (h) above are as follows: (i) the manufacturer specifically identifies the time period to which the income relates, (ii) reimbursement from the manufacturer to the Operator occurs in connection with employees (1) who are on the Operator's payroll for the operations permitted under such Operator's Consent Agreement with the Port Authority and (2) who are on such payroll during the time period to which the reimbursement relates, (iii) the manufacturer and the Operator have previously entered into a written agreement that sets forth the material terms of their arrangement with regard to the reimbursement that is the subject of clause (h) above, and (iv) the Operator provides to the Permittee and the Port Authority written documents and records substantiating the matters listed in sub-clauses (i) through (iii) of this paragraph. Without limiting the generality of the foregoing, any and all income that would otherwise qualify as being excludable from Gross Receipts for purposes of the Operator's Sublease with the Permittee and the Concession Agreement shall be includable in Gross Receipts if and to the extent that the income from the manufacturer which is associated with an identified employee during a calendar year exceeds such identified employee's base salary for the same calendar year. Such determination shall be made separately with respect to each employee of the Operator and with respect to each calendar year.

(b) For the purpose of determining the percentage rentals and fees payable by Operators (which term includes any assignees, sub-subtenants, licensees of Operators, and any other concessionaires or occupants who may be permitted to conduct concession operations within the Operator's Space) to the Airline and the Port Authority, respectively, through the services of the Permittee as permitted hereunder, all monies, payments, or fees paid or payable to the Operator by its sub-tenants, franchisees or licensees in connection with their operations (including, but not limited to, any rent in excess of the rent due under the relevant Sublease) and all receipts arising out of the permitted operations of any such sub-Operator, franchisee or licensee shall be deemed to be the Gross Receipts of the Operator, shall be included in the Gross Receipts of the Operator and shall be subject to the percentage rental and fee set forth in the applicable Sublease. In the event of any difference between the definition of Gross Receipts in the Concession Agreement and the definition of Gross Receipts in this Permit, the definition of Gross Receipts set forth in this Permit shall control.

(7) "Gross Rent-Based Revenues" shall mean all moneys paid or payable to the Permittee from Operators which are the subject of the Concession Agreement and this Permit including, without limitation, all amounts paid or payable to the Permittee from Operators in the form of fines, liquidated damages, late fees and interest, delinquency amounts and/or early termination payments upon Sublease terminations, and the like. Gross Rent-Based Revenues shall include any and all rentals (whether referred to in the applicable Sublease as guaranteed rent, basic rent, percentage rent, rent for use and occupancy of storage space or otherwise) paid or payable to the Permittee from all Operators and, in addition, all other Operator payments (to

the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Permittee, as applicable). Operators may not be charged in excess of the Airline's and/or the Permittee's actual costs for utility services and taxes (if any) which are not included in rentals as aforesaid (including, but not limited to, items such as rent for storage space. Gross Rent-Based Revenues shall exclude amounts paid or payable to the Permittee by Operators as utility payments and taxes (to the extent permitted as aforesaid), amounts paid or payable as contributions to the "Joint Marketing Fund" (as such term is defined in the Concession Agreement), and amounts paid or payable for the "Common Area Maintenance Fee" (as such term is defined in the Concession Agreement but referred to in the Sublease, by way of information, as the "Logistical Support and Public Area Maintenance Fee") as well as any other actual pass-through charges for expenses actually incurred by the Airline and the Permittee, as applicable. Each of the above-listed, excluded payments shall strictly represent actual costs incurred, i.e., pass-through amounts without any administrative charge or other mark-up.

(8) "Minimum Guaranteed Rental/Fee" ("MAG") shall mean the annual amount of the Enplaned Passenger Minimum Guarantee.

(a) The Enplaned Passenger Minimum Guarantee rates, as adjusted by the CPI Index as described in subparagraph (b) of this paragraph 8, will be determined as of the MAG Effective Date and further readjusted each January 1 thereafter based on the number of Enplaned Passengers as follows: if the Enplaned Passengers total for the calendar year preceding the MAG Effective Date or any subsequent year during the period of permission granted under this Permit is (i) greater than four million, there will be no change, or the rates will be restored if they have been previously reduced; (ii) less than four million but greater than three million five hundred thousand, it will be multiplied by 0.9 (90%), and (iii) three million five hundred thousand or less, it will be multiplied by 0.8 (80%). The MAG shall be adjusted during the period of permission granted under this Permit in accordance with the provisions of subparagraph (b) of this paragraph 8.

(b) As used in this subparagraph (b):

(1) "Base Period" shall mean the following. If the MAG Effective Date occurs before July 1, the CPI Index for the calendar year preceding the year in which the MAG Effective Date occurs will be used as the base year for the first comparison for the year in which the Enplaned Passenger Minimum Guarantee is to be adjusted as described herein, and will be compared to the year in which the MAG Effective Date occurs. If the MAG Effective Date occurs after July 1, the CPI Index for the calendar year in which the MAG Effective Date occurs will be used as the base year for the first comparison for the year in which the Enplaned Passenger Minimum Guarantee is to be adjusted as described herein, and will be compared to the year following the year in which the MAG Effective Date occurs. In either case, each of such comparison year periods shall be rolled forward to the next succeeding calendar year for

the purpose of making subsequent adjustments to the Enplaned Passenger Minimum Guarantee for each subsequent Anniversary Date (as defined below) thereafter.

(2) "Adjustment Period" shall mean, as the context requires, if the MAG Effective Date occurs before July 1 in a given year during the period of permission granted under this Permit, then the Adjustment Period for the Enplaned Passenger Minimum Guarantee shall commence as of January 1 of the next year or January 1, 2008, whichever occurs later, and thereafter as of each subsequent January 1 during the period of permission granted under this Permit. If the MAG Effective Date occurs after July 1 in a given year during the period of permission under this Permit, then the Adjustment Period for the Enplaned Passenger Minimum Guarantee shall commence as of January 1 of the year after the next full calendar year or January 1, 2008, whichever occurs later, and thereafter as of each subsequent January 1 during the period of permission granted under this Permit.

(3) "Anniversary Date" shall mean, as the context requires, as of the January 1 of the calendar year as described in (2) above or January 1, 2008, whichever occurs later and January 1 of every calendar year which thereafter occurs during the period of permission granted under this Permit.

(4) "Percentage Increase" shall mean the percentage of increase in the CPI Index on each Anniversary Date equal to a fraction the numerator of which shall be the CPI Index for the Adjustment Period immediately preceding such Anniversary Date less the CPI Index for the Base Period and the denominator of which shall be the CPI Index for the Base Period.

(9) "MAG Effective Date" shall mean the one hundred fiftieth (150^{th}) day after the day on which the "Turn-Over Date" (as such term is defined in the Concession Agreement) has occurred for portions of the Concession Area comprising at least ninety percent (90%) of the total square footage of the portions of the Concession Area subleased or to be subleased by the Permittee to Operators under the Concession Agreement. The Airline shall and the Permittee may advise the Port Authority in writing acknowledging the occurrence of the MAG Effective Date, and the date thereof, within ten (10) calendar days after the date of such occurrence.

(10) "Minimum Guaranteed Rental Shortfall" shall mean the difference (i.e., shortfall), if any, between (a) the amount of MAG actually paid by the Permittee to the Airline and the Port Authority and (b) the Enplaned Passenger Minimum Guarantee (as may be adjusted hereunder) multiplied by the number of Enplaned Passengers tabulated for each six-month period ending on June 30 and December 31. The Minimum Guaranteed Rental Shortfall shall relate to each period that the Permittee is subject to paying the Minimum Guaranteed Rental Shortfall under this Permit.

(11) "Monthly Period" shall mean, as the context requires, the period commencing on the Effective Date of the permission granted under this Permit and expiring on the last day of the calendar month in which the Effective Date of the permission granted hereunder shall occur, and each calendar month or portion thereof thereafter occurring during the effective period of the permission granted hereunder; provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar month then the Monthly Period in which the date of expiration or earlier termination or revocation of the effective period of the permission granted under this Permit shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted under this Permit.

(12) "PA Share" shall mean:

(i) twenty percent (20%) with respect to fees and rentals paid or payable under the Subleases with food and beverage Operators, excluding Specialty Food Operators, as herein defined; and

(ii) fifty percent (50%) with respect to fees and rentals paid or payable under all Subleases other than those covered under clause (i) above, including but not limited to Specialty Food Operators and service concession Operators.

The "Airline Share" (being referred to, by way of information, in the Concession Agreement as "American's Allocated Share") shall mean the balance of the fees and rentals described in clauses (i) and (ii) above, i.e., eighty percent (80%) of fees and rentals described in clause (i) above and fifty percent (50%) of fees and rentals described in clause (ii) above. The foregoing terms "PA Share" and "Airline Share" shall include without limitation fees and rentals payable by Operators in the form of fines, liquidated damages, late fees and interest, delinquency amounts, early termination payments and the like.

(13) "Permittee Fees" shall mean all of the fees to be paid to the Permittee as of the Effective Date for its services to develop, lease, manage and market concession operations at the Terminal pursuant to the Concession Agreement, whether called a management fee or otherwise under the Concession Agreement. For such services, the Permittee shall receive all of the fees payable under the Concession Agreement solely from the Airline and shall not be entitled to any fees from the Port Authority under this Permit. Any such fees or other compensation to be paid to the Permittee shall be paid by the Airline directly or out of the Airline Share (or out of the Airline's share of the MAG to be paid by the Permittee or out of any other funds of the Airline), and no portion of such fees or other compensation shall be paid out of the PA Share or shall offset, reduce, be credited against or otherwise adversely affect the amount of the PA Share to be paid or payable to the Port Authority hereunder or the amount of any fees, rent or other revenue to which the Port Authority may be otherwise entitled. Nor shall the Airline or the Permittee be entitled to impose charges on Operators, whether in the form of key money, chargebacks (other than construction chargebacks set forth in the Sublease) or otherwise,

to pass along or recoup the aforesaid fees or other compensation to be paid to the Permittee, without the prior written consent of the Port Authority.

Notwithstanding anything to the contrary stated or implied in this Permit or the Concession Agreement, if the Airline elects to pay the Permittee the Permittee Fees out of Gross Rent-Based Revenues rather than paying the Permittee directly, the Permittee shall not be entitled to reduce the Gross Rent-Based Revenues by the amount to which it is entitled in Permittee Fees for any Monthly Period or Annual Period unless and until the Permittee has first set aside an amount necessary to pay the Port Authority the PA Share due to it under this Permit, and such set-aside for payment to the Port Authority shall be made prior to the Permittee reducing Gross Rent-Based Revenues for purposes of paying to or reimbursing itself for any Permittee Fees, "Eligible Costs" (as such term is defined in the Concession Agreement) or otherwise.

(14) "Port Authority Reserved Uses" shall mean the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges; airline clubs; airtrain/monorail facilities; advertising (including, without limitation, static display, broadcast and other); pay telephones, pre-paid phone cards, facsimile transmission machines and other public communications services, including without limitation, all Port Authority-owned or operated information and communications technology infrastructure for common Airport use, provided that the Airline shall retain the right to control the location of the placement within the Terminal of telephones, phone banks, phone kiosks, facsimile transmission machines and Internet kiosks, only, and the right to deny, upon reasonable grounds, the placement of a particular pay phone facility, facsimile transmission machine or Internet kiosk; rental of cellular phones; concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)); ground transportation (including vehicle rentals); hotel and other lodging reservations; vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the subleased premises pursuant to a sublease with a specific concessionaire and if approved in advance by the Port Authority; on-airport baggage carts (other than shopping carts made available free of charge to shoppers within the Concession Area) or other on-airport baggage-moving devices; and electronic amusements. The Port Authority shall have the right to all revenues derived for or from the above-stated reserved uses. Any reference, usage or provision in the Concession Agreement to, or relating to, "American Reserved Uses" shall in no way expressly or impliedly modify or supercede any term or provision of the Airline Lease and, accordingly, the same shall have no force or effect vis-à-vis the Port Authority. There shall be no exclusion for any of the aforementioned uses within any Space, except with regard to vending machines approved in advance by the Port Authority as aforestated.

(15) "Specialty Food Operator" shall mean any Operator which, in the reasonable judgment of the Port Authority, maintains a food and/or beverage inventory which is

substantially limited to one or several special type(s) of product(s). The Port Authority's past practice at its facilities in treating a concession operator as a Specialty Food Operator (e.g., sharing equally fees from such an operator with an airline lessee) shall be deemed to be conclusive evidence of the Port Authority's reasonableness.

(b) In consideration of the privileges granted hereunder and the rights contained in the Concession Agreement commencing on the MAG Effective Date, the Permittee shall pay directly to the Airline and the Port Authority, respectively, with respect to each Monthly Period and each Annual Period occurring during the effective period of the permission granted under this Permit, the Airline Share and the PA Share, as follows:

(i) To the Port Authority: (1) the PA Share of Gross Rent-Based Revenues received by the Permittee from all Operators and (2) the percentage of the Permittee's Minimum Guaranteed Rental Shortfall, if any, payable for each six month during the period of permission under this Permit; and

(ii) To the Airline: (1) the Airline Share of Gross Rent-Based Revenues received by the Permittee from all Operators and (2) the percentage of the Permittee's Minimum Guaranteed Rental Shortfall, if any, payable for each six month during the period of permission under this Permit.

If the Minimum Guaranteed Rental Shortfall is payable by the Permittee for any six month period during the period of permission under this Permit, it shall be allocated to the Airline and the Port Authority by determining (i) the ratio of the food-and-beverage (excluding Specialty Food Operators) Gross Rent-Based Revenues collected to the total Gross Rent-Based Revenues collected during such period and (ii) the ratio of other concession Gross Rent-Based Revenues collected to the total Gross Rent-Based Revenues collected during such period, then applying both ratios to the amount of Minimum Guaranteed Rental Shortfall, thereby deriving two separate sums, one applicable to food-and-beverage concessions (excluding Specialty Food Operators) and one applicable to all other concessions. The sum applicable to food-and-beverage concessions (excluding Specialty Food Operators) shall be paid by the Permittee to the Airline and the Port Authority in accordance with the applicable Airline Share and PA Share for this type of concession. The sum applicable to all other concessions shall be paid to the Airline and the Port Authority in accordance with the applicable Airline Share and PA Share for these types of concessions. Such amount of the Minimum Guaranteed Rental Shortfall, if any, shall be paid to the Port Authority and the Airline, respectively on the next Monthly Period payment due hereunder for the PA Share and the Airline Share.

For avoidance of doubt and notwithstanding anything to the contrary set forth in this Permit, from the Effective Date of this Permit until the day immediately prior to the MAG Effective Date, in consideration of the privileges granted hereunder and the rights contained in

the Concession Agreement, the Permittee shall pay directly to the Airline and the Port Authority, respectively, with respect to each Monthly Period and each Annual Period during the period from the Effective Date until the day immediately prior to the MAG Effective Date, the Airline Share and the PA Share, as follows:

(i) To the Port Authority, the PA Share of the Gross Rent-Based Revenues received by the Permittee from all Operators; and

(ii) To the Airline, the Airline Share of the Gross Rent-Based Revenues received by the Permittee from all Operators.

(c) The computation of rental and fees for each Annual Period, or a portion of an Annual Period as hereinafter provided, shall be individual to such Annual Period, or such portion of an Annual Period, and without relation to any other Annual Period, or any portion of any other Annual Period. The time for making payment of fees and the method of calculation of fees shall be as set forth in subparagraph (f) of this Special Endorsement.

(d) Within ten (10) days of the close of each Monthly Period the Airline shall provide the Permittee and the Port Authority with a signed statement of the actual number of Enplaned Passengers for that Monthly Period. With respect to each Annual Period, the Airline's statement shall be certified by a responsible fiscal officer thereof and delivered to the Port Authority on or before the thirtieth (30^{th}) day following the end of each Annual Period as set forth in Special Endorsement No. 4 of this Permit.

(e) For purposes of calculating percentage rentals payable by Operators under each Sublease during any Annual Period which is less than 365 days, any dollar limitation amounts (e.g., annual percentage rent breakpoints) used for purposes of determining applicable amounts of percentage rentals payable under such Subleases shall be subject to pro-ration in accordance with the proportion such shortened Annual Period bears to a 365-day period, and the percentage rentals payable in accordance with the terms of each Sublease shall then be recalculated on the basis of such pro-rated dollar limitation amounts and any additional amounts due hereunder on account of such recalculation shall promptly be made by the Permittee in accordance with the terms of this Permit.

(f) The amounts payable to the Airline and the Port Authority hereunder by the Permittee shall be paid monthly on the 10th day of the first full month following the Effective Date of this Permit and on the 10^{th} day of each and every month thereafter including the month following the end of each Annual Period and the month following the expiration, termination or revocation of the permission granted hereunder. Such monthly payment shall relate to Operators' guaranteed rent (or basic or minimum rent, i.e., non-percentage rent) for the Monthly Period in which Permittee's payment is made and any Operators' percentage rent, if any, for the Monthly Period which is two (2) months prior to the month in which the payment is made (together with any arrearages collected from Operators through the last day of the immediately

preceding month). On the 30th day of the first full month following the Effective Date of this Permit and on the 30th day of each and every month thereafter (except February when it shall be the last day of the month) including the month following the end of each Annual Period, and the month following the expiration, termination or revocation of the permission granted hereunder (and any succeeding month(s) necessary to account for all Operators' percentage rent payments, if any), the Permittee shall render to the Airline and the Port Authority statements signed by a responsible officer showing the reported Gross Receipts of each and every Operator (it being acknowledged that, prior to correction or adjustment based on audits or other reviews or investigations, the same is based upon information received from such Operators and not verified by the Permittee) arising from their operations in the Terminal and specifying each component of Gross Rent-Based Revenues received from each of them (e.g., guaranteed rent (for the Monthly Period covered by the statement), percentage rent, if any (for the Monthly Period which is two (2) months prior to the month covered by the statement), additional rent, and also showing the cumulative Gross Receipts for each and every Operator, and from the operations in the Terminal as a whole, from the date of the commencement of the Annual Period for which the report is made through the last day of the preceding month and likewise specifying the cumulative amount of the various types of rentals and fees applicable to all such Operators. The Permittee's statements described herein shall also include true and accurate copies of each and every Operator's monthly rental statements as required under the Concession Agreement, the amount, if any, retained by the Permittee as Permittee Fees from the Airline Share with regard to the applicable month, the amount representing reimbursement for any Eligible Costs, the amount paid to the Airline and the Port Authority for the Airline Share and the PA Share, respectively, for such month, and the amount of pass-through charges as described herein in the definition of Gross Rent-Based Revenues, and such additional data as the Port Authority or the Airline shall require, from time to time, during the period of the permission granted hereunder, all on a form of reporting statement acceptable to the Port Authority and the Airline.

(g) Payments made to the Port Authority by the Permittee hereunder may only be made in lawful money of the United States. The Permittee's obligation to make payments to the Port Authority hereunder shall not be deemed satisfied until the same have been actually received by the Port Authority.

(h) Operators' rental and fees collected by the Permittee must be paid by the Permittee without set-off, notice or deduction (except as the Airline may authorize in respect of matters related strictly to the Airline Share and not to the PA Share), demand or abatement for any reason or event whatsoever, except as may be expressly provided in this Permit, and without regard to whether the collection of Operators' rentals by the Permittee under the Subleases provides timely or sufficient liquidity for the Permittee to make required payments to the Port Authority for the PA Share without recourse to other funds.

3. Permittee as Fiduciary. To the extent that rentals and other payments collected by the Permittee from Operators are required to discharge the Permittee's payment obligations under this Permit and the Concession Agreement, respectively, the Permittee is deemed a collection

agent of the funds for the Airline and the Port Authority and acknowledges that the Permittee has no ownership or possessory interest in such funds, which would otherwise be paid directly to the Airline and the Port Authority, other than as a trustee for the Airline and the Port Authority to the extent of their respective interests. In accordance with the foregoing capacity as collection agent: (a) Permittee shall be deemed, and shall hold itself out as, a fiduciary vis-à-vis the Port Authority and the Airline, (b) Permittee shall hold all rentals and other payments (other than payments for the pass-through charges permitted under this Permit) received by, from or on behalf of Operators, including without limitation existing Operators in Terminals 8 and 9, in a separate account established in trust for the Airline and the Port Authority in which Permittee must not commingle such rentals and other payments with any other funds, at an institution acceptable to the Port Authority and the Airline having an office within New York City and qualified to do business in the State of New York (the Port Authority hereby approves that such account may be established at Bank of America), (c) Permittee shall obtain additional protections on behalf of the Port Authority and the Airline, including a written agreement by the institution at which the account is located providing for access by the Port Authority and the Airline to the revenues on deposit in such account in the event of insolvency, appointment of a receiver, bankruptcy or creditors' liens affecting Permittee, (d) Permittee shall obtain insurance protecting against employee dishonesty, embezzlement, theft, etc. in amounts and otherwise in a form acceptable to the Port Authority and the Airline in accordance with the Concession Agreement, and naming the Port Authority and American as additional loss payees thereunder, (e) the Permittee's Fees may be withheld by the Permittee from the Airline's Share of such rentals and other payments, after all other payment obligations and any other amounts payable by the Permittee to the Port Authority and the Airline have been paid in full for each calendar month, and provided that the Permittee has not defaulted on a payment obligation under this Permit and has no outstanding uncured material defaults of any kind under this Permit at the time of such withholding, and (f) the Permittee shall comply with any other requirements of the Port Authority and any other reasonable requirements of the Airline.

4. Airline Annual Guaranteed Fee Amount.

(a) In addition to the payments due from the Permittee hereunder, and notwithstanding any direct obligation of Operators to pay rentals and fees to the Airline and the Port Authority pursuant to Consent Agreements entered into by said Operators, or by way of the enforcement by the Airline and the Port Authority of their third party beneficiary rights under the Subleases, or by way of the Port Authority's right to directly enforce the Subleases at the Terminal which the parties acknowledge has been reserved by the Port Authority, the Airline shall guarantee payment to the Port Authority for each Annual Period (whether referred to in the Concession Agreement or a Sublease as an Annual Period, contract year or otherwise) of a sum equivalent to the difference between (i) the fees which would have been payable to the Port Authority by the Permittee if the Permittee's payment obligations to the Airline and the Port Authority were based on rentals and fees (including, without limitation, fines, liquidated damages, late fees and interest, and the like, but excluding any abatements of Operator rental that may be approved or consensted to in writing by the Port Authority) paid or payable to the

Permittee under all Subleases it enters into in connection with the Concession Agreement and this Permit, i.e., rather than being based on rentals and fees actually collected by or on behalf of the Permittee from Operators) and (ii) the fees actually paid by the Permittee and received by the Port Authority hereunder during the relevant Annual Period, such sum being hereinafter called the "Airline Annual Guaranteed Fee Amount". The Airline Annual Guaranteed Fee Amount, therefore, shall be determined on the "paid or payable" basis, and not on the "paid" or "actually collected or received" basis.

(b) No rent abatement granted by the Permittee to an Operator shall be effective to reduce the amount of the PA Share or the Airline Annual Guaranteed Fee Amount, except if such rent abatement would be consistent with the Port Authority's policies and practices with regard to granting rent abatements by the Port Authority to its own tenants at Port Authority facilities. Accordingly, the amount of any rent abatement granted to an Operator which is inconsistent with the Port Authority's abatement policies and practices (i.e., such amount which is allocable or applicable to the Port Authority as part of the PA Share, consistent with the percentage sharing of consumer services revenue under the Airline Lease between the Airline and the Port Authority) and not otherwise approved or consented to in advance in writing by the Port Authority shall be deemed to be an amount due and payable to the Port Authority for purposes of calculating fees hereunder, including without limitation calculating the Airline Annual Guaranteed Fee Amount, if any, that may be payable by the Airline under this Permit.

(c) For each and every Annual Period, if and to the extent that the amount of the PA Share actually received by the Port Authority from the Permittee arising out of all concession operations at the Terminal is less than the Airline Annual Guaranteed Fee Amount for such Annual Period, then the Airline shall pay the amount of the shortfall to the Port Authority on demand or, if no demand has yet been made, then on the 30th day following the last day of the Annual Period with respect to which such payment is due. The computation of the Airline Annual Guaranteed Fee Amount for each Annual Period shall be individual to such Annual Period or such portion of an Annual Period, and without relation to any other Annual Period, or any other portion of any Annual Period. At the time payment is due, the Airline shall provide the Port Authority with a written report signed by a responsible officer of the Airline showing (i) the Gross Rent-Based Revenues received from the commencement of the Annual Period for which the report is made through the last day of the preceding month (and, in addition, identifying separately such information for each Operator, and for each component of Gross Rent-Based Revenues by type of rent), (ii) the amount of the Airline Share and PA Share remitted through said date, (iii) the calculation of the Airline Annual Guaranteed Fee Amount, (iv) the calculation of the shortfall described in subparagraph (a) above in this Special Endorsement No. 4 and (v) the amount, if any, thereby due by the Airline. The Airline's obligation to pay an Airline Annual Guaranteed Fee Amount shall survive any revocation, expiration or early termination of this Permit with the Permittee.

(d) Upon any termination or revocation of the period of permission granted under this Permit (even if stated to have the same effect as expiration), the Airline shall render to

the Permittee and the Port Authority a certified statement setting forth the actual number of Enplaned Passengers boarding at the Terminal for the Annual Period in which the effective date of termination or revocation falls, and within ten (10) days after such statement is due shall remit to the Port Authority any amount due by reason of the Airline Annual Guaranteed Fee Amount through the effective date of termination or revocation.

(e) Prior to the first day of the first Annual Period and prior to the first day of each Annual Period thereafter occurring during the effective period of the permission granted under this Permit, the Airline shall simultaneously provide to the Permittee and the Port Authority, respectively, a written estimate, prepared in good faith but not binding on the Airline in any respect, of the estimated number of Enplaned Passengers for each month in the Annual Period for which the statement is submitted. If the total estimate of Enplaned Passengers for an Annual Period is less than the total estimated for the previous Annual Period, the Airline shall provide an explanation for the lower estimate together with such written estimate. In addition to the foregoing, the Airline shall simultaneously provide to the Port Authority and the Permittee within ten (10) days of the close of each Monthly Period during the term of this Permit a statement of the actual number of Enplaned Passengers boarding at the Terminal for the preceding calendar month.

5. Permittee's Security Deposit.

(a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having a principal business office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of ONE MILLION DOLLARS AND NO CENTS ($1,000,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of permission under this Permit and for a period of not less than three (3) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter of credit. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective term under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this

Permit on the part of the Permittee; provided, however, that in the event of a failure by a banking institution as described in this sentence, the Permittee shall not be deemed in breach if it cures the banking institution's failure by effecting delivery to the Port Authority, within ten (10) business days of the date of the bank failure, in immediately available funds, the full amount of the payment(s) otherwise due but unpaid under the letter of credit from the banking institution. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within ten (10) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed a waiver of any default (after the expiration of applicable notice and cure periods, if any) by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is for purposes of this Special Endorsement.

(c) Without limiting the generality of said Standard Endorsement, the Port Authority and the Permittee agree that the amount of the security deposit at all times during the period of permission of this Permit is intended to represent no less than three (3) months of the average monthly PA Share, based upon the immediately preceding Annual Period, due to the Port Authority from all Operators at the Concession Area based on their Gross Receipts. Notwithstanding the foregoing, the Permittee's security deposit hereunder with respect to the Port Authority, shall at no time be less than One Million Dollars and No Cents ($1,000,000.00). The amount of the Permittee's security deposit may be reevaluated by the Port Authority at the end of each Annual Period and the Port Authority shall advise the Permittee in writing of the amount of the increase, if any, (or decrease, if any) to the security deposit which shall be required in accordance with the foregoing. The Permittee shall within ten (10) days following receipt of such written notice deliver to the Port Authority an amendment to its letter of credit in favor of the Port Authority in the revised amount of the security deposit (whether an increase or a decrease) required by the Port Authority in accordance with this Permit.

6. Termination Without Cause by Port Authority.

It is hereby acknowledged and agreed by the Airline and the Permittee that, except as specifically provided in subparagraph (b) of this Special Endorsement, the Port Authority has no obligation under the Concession Agreement, this Permit or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any

amount of either the Permittee's or any Operator's capital investment in the Concession Area and/or Space or at the Terminal. Any specific mention of or reference in any Sublease to the Port Authority in connection with any payment or other compensation to an Operator, upon termination of a Sublease or the Concession Agreement, or upon revocation of this Permit with or without cause, of any amount of the Permittee's amortized or unamortized capital investment in the Concession Area and/or the Space or at the Terminal shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Airline, the Permittee, or any Operator to pay, subsidize or finance all or any portion of said amortized or said unamortized capital investment.

7. Terms and Conditions and Standard Endorsements Modified. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted therefor:

> "Notwithstanding any other term or condition hereof, the effective permission granted by this Permit may be revoked without cause, upon thirty (30) days' written notice to the Permittee, without the requirement of concurrence by or joint subscription with the Airline. Further, effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, cancellation, re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space/premises which may be used and occupied under this Permit (on failure of the Permittee to have restored), preparing such space/premises for use by a succeeding permittee, the care and maintenance of such space/premises during any period of non-use of the space/premises, the foregoing to include without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space/premises and putting the space/premises in order (such as but not limited to cleaning and decorating the same).
>
> In addition, the effective period of the permission granted by this Permit may be revoked on five (5) days written notice by the Port Authority, without concurrence or joint subscription by the Airline, if any one or more of the following events shall occur, that is to say:

(1) The Permittee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the Federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(2) By order or decree of a court of competent jurisdiction, the Permittee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Permittee is a corporation, by any of the stockholders of the Permittee (or members, or managers, if a limited liability company), seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(3) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Permittee and shall not be dismissed within sixty (60) days after the filing thereof; or

(4) The permission hereunder or the interest or estate of the Permittee under this Permit shall be transferred to, pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation without the prior written consent of the Port Authority; or

(5) The Permittee shall, without the prior approval of the Port Authority, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(6) If the Permittee is a partnership, and the said partnership shall be dissolved as the result of any act or omission of its partners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(7) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having competent jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Permittee, and such possession or control shall continue in effect for a period of thirty (30) days; or

(8) Any lien shall be filed against the Concession Area because of any act or omission of the Permittee and is not removed or bonded within thirty (30) days; or

(9) The Permittee shall voluntarily discontinue its operations hereunder, or the Permittee, after exhaustion or abandonment of all rights of appeal shall be prevented from conducting operations hereunder for a period of thirty (30) days by action of a governmental agency (with competent authority or jurisdiction over the Permittee) other than the Port Authority; or

(10) The Permittee shall fail duly and punctually to provide all of the statements (including all information required to be contained therein) required to be provided to the Port Authority hereunder when due, or to pay the sums due hereunder or to make any other payment required hereunder when due, and shall continue in its failure to provide such statements or to pay for a period of ten (10) days after delivery of written notice to it from the Port Authority to provide such statements and/or make such payments; or

(11) The Permittee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Permit on its part to be kept, performed or observed within thirty (30) days after receipt of written notice of default thereunder from the Port Authority (except where fulfillment of its obligation requires activity over a period of time, and the Permittee shall have commenced to perform whatever may be required for fulfillment within thirty (30) days after receipt of written notice and continues such performance without interruption except for causes beyond its control); such termination to be effective upon the date specified in the notice. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

Revocation of this Permit or the permission granted hereunder by the Port Authority shall obligate the Airline to take whatever action is necessary to terminate the Concession Agreement, such termination of the Concession Agreement to be effective on the same date as the revocation of this Permit. Without limiting the generality of the provisions of paragraph (a) herein concerning termination without cause, the Airline acknowledges its obligations under any applicable provisions of the Concession Agreement in the event the Airline terminates such Concession Agreement without cause.

(v) Furnish on or before the thirtieth (30^{th}) day of each month following the Effective Date of this Permit a statement signed by a responsible officer of the Permittee containing the information and documentation described in Special Endorsement No. 2, paragraph (f) of this Permit;

(vi) Furnish on or before the thirtieth (30^{th}) day of April of each Annual Period following the Effective Date of this Permit a statement of all Gross Receipts, on an Operator-by-Operator basis and for the Terminal as a whole, and specifying the guaranteed rent, percentage rent and other fees and charges received from each Operator, from the date of the commencement of the preceding Annual Period through the end of such Annual Period, together with copies of the Operators' Annual Certified Statements (as defined in the Sublease) with respect to such Annual Period, as well as the Gross Rent-Based Revenues (on an Operator-by-Operator basis and for the Terminal as a whole, and specifying the any components which represent revenues for pass-through expenses by type and amount), the Airline Share and PA Share remitted by the Permittee to each of Airline and the Port Authority, respectively, for the preceding Annual Period, certified at the Permittee's expense by a certified public accountant.

(b) The Permittee understands that compliance by it with the provisions of paragraphs (ii) and (iii) above are of the utmost importance to the Port Authority in having entered into the arrangement under this Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or locations as provided in this Special Endorsement, then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(i) Estimate the PA Share, consistent with the provisions of the Airline Lease, due from the Permittee on the basis that the Port Authority, in its sole discretion, shall deem appropriate, and the Permittee shall pay such amount to the Port Authority when billed;

(ii) If any such Records have been maintained outside of the Port District, but within the Continental United States, then the Port Authority in its sole discretion may (1) require such Records to be produced within the Port District within thirty (30) days of written request for same or (2) if Permittee fails to provide all of such Records within the time period stated

above (time being of the essence in connection with such time period and, in addition, such provided Records being to the complete and total satisfaction of the Port Authority) the Port Authority may examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(iii) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (ii)(2) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) The foregoing auditing costs, expenses and amounts set forth in subparagraphs (ii) and (iii) above shall be deemed fees and charges under this Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

(d) Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Special Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Special Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Special Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

9. Indemnity. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease

arising out of or as a result of the Permittee's acts or omissions, or as a result of the Permittee's use and occupancy of the Concession Area pursuant to the Concession Agreement, or as a result of any default by the Permittee of any of the provisions of this Permit, and any claims and demands made by the City of New York against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of New York and the Port Authority covering the leasing of the Airport by the City of New York to the Port Authority, as the same from time to time may have been or may be supplemented or amended arising out of or as a result of the Permittee's acts or omissions, or as a result of the Permittee's use and occupancy of the Concession Area pursuant to the Concession Agreement, or as a result of any default by the Permittee of any of the provisions of this Permit, excepting the willful misconduct or sole negligence of the Port Authority. The agreement of lease between the City of New York and the Port Authority covering the leasing of the Airport by the City of New York to the Port Authority, as it may have been or may hereafter be amended, restated, supplemented or extended is described and defined in Special Endorsement No. 17.

10. Utilities. The Port Authority shall not sell, supply or furnish any utilities or services to the Permittee, including but not limited to electricity. Any and all such utilities or services shall be provided to the Permittee and the Operators in accordance with the terms and provisions of the Airline Lease.

11. Operating Costs and Expenses Charged to Operators. The Permittee shall incur costs and expenses to manage the loading docks areas and maintain and service the food courts, public seating areas and other designated common areas of the Concession Area and, further, that such costs and expenses shall differ for those Operators which utilize the food court and those which do not utilize the food court, and that other distinctions may also exist as to usage of portions of the Concession Area among Operators. In calculating any proportionate share to be paid by Operators (whether characterized as additional rent, a "Logistical Support and Maintenance Fee", or otherwise) of the Permittee's operating costs and expenses, the amount of such proportionate share shall not be based solely on the percentage floor area which an Operator's Space bears to the total floor area in the Concession Area or the subleased Concession Area but shall also fairly take into account the different usages as aforesaid so that Operators are not required to bear the burden of costs and expenses for services or facilities from which they do not derive a benefit comparable to other Operators. Accordingly, by way of example, the formula for calculating an Operator's proportionate share shall differ as between food-and-beverage Operators and other Operators. The Permittee shall provide to the Port Authority, within thirty (30) days after the date of any written request from the Port Authority for such information, written and detailed substantiation as to the Permittee's operating costs and expenses as described above, the general method of computing such proportionate shares, and the detailed computations of the proportionate share for each Operator at the Terminal.

12. Right of Entry. The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Concession Area for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations

under this Permit, and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, or otherwise.

13. Permittee Responsibilities with Respect to the Concession Area.

(a) Without limiting the generality of any term or provision of this Permit or the Standard Endorsements annexed thereto, and notwithstanding anything to the contrary stated in the Concession Agreement or any Sublease entered into between the Permittee and an Operator, (i) the Permittee shall at all times keep the Permittee's fixtures, equipment and personal property in a clean and orderly condition and appearance and (ii) the Permittee shall be responsible for the repair, replacement and rebuilding of any and all parts of the Terminal or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors or other persons doing business with it. No exception vis-à-vis the Airline and the Permittee with regard to repair, replacement and rebuilding which arise out of the acts and omissions of passengers and members of the general public shall apply under this subparagraph (a)(ii) as between the Port Authority and the Permittee.

(b) The Permittee shall not install any equipment, improvements or fixtures in the Concession Area or elsewhere in the Terminal or perform any alteration or construction work therein without the prior written approval of the Port Authority (in full compliance with the Port Authority Tenant and Alteration Application ("TAA") process, which requires, among other things, that TAA applications be submitted by and in the name of the Airline) and the Airline (including but not limited to the time for the performance of any such installation or work). In the event any such alteration or construction work is performed without the approval of the Port Authority and the Airline then upon written notice from the Port Authority or the Airline the Permittee shall remove the same or cause the same to be changed to the satisfaction of the Port Authority and the Airline.

14. Insurance. (a) Notwithstanding the provisions of Standard Endorsement 21.1 of this Permit, the Permittee shall cause the Port Authority to be named as an additional insured in any policy of liability insurance required by this Permit and each such policy shall contain a provision the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(b) The policy of comprehensive general liability insurance required by Standard Endorsement No. 21.1 of this Permit shall include coverage for premises and completed operations. In addition to the policy of insurance required under Standard Endorsement No. 21.1 to this Permit, the Permittee in its own name as insured and naming the Port Authority as a loss payee to the extent of its interest shall secure and pay the premium or premiums for a policy of Fidelity Insurance with a minimum limit of $5,000,000 for employee

dishonesty coverage against any and all loss, theft, embezzlement or other fraudulent acts on the part of Permittee or the Permittee's employees and not less than $1,000,000 for money and securities on or off premises, transit and depositors forgery coverage, indemnifying the Airline and the Port Authority, as co-obligees, against any and all loss, theft, embezzlement or other fraudulent acts on the part of the Permittee or the Permittee's employees, throughout the effective period of the permission granted hereunder, subject to the provisions of Standard Endorsement No. 21.1. Each policy of insurance required by Standard Endorsement No. 21.1 or this paragraph shall contain an endorsement providing that the protection afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third party shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and against the Port Authority by the Permittee, but said endorsement shall not limit, vary, change or affect the protection afforded the Port Authority as an additional insured. A certified copy of each policy or policies or a certificate or certificates evidencing compliance with the terms set forth above, and in compliance with the terms and provisions of this Permit, shall be delivered to the Port Authority simultaneously with the delivery of an executed copy of this Permit by the Permittee. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or certificate upon request of the Port Authority.

15. Labor Harmony. (a) The Permittee shall use its best efforts, taking all measures and means, to insure labor harmony in its activities at the Airport, all to the end of avoiding and preventing strikes, walkouts, work stoppages, slowdowns, boycotts and other labor trouble and discord. The Permittee particularly recognizes the essential necessity of the continued and full operation of the whole Airport as a transportation center.

(b) The Permittee shall immediately give oral notice to the Port Authority (to be followed by written notices and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof.

(c) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee or against any of the Permittee's operations pursuant to this Permit which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport or the Terminal, or (ii) physically interferes with access between the Concession Area and any portion of the Terminal or the Airport, by the public, or (iii) physically interferes with access to other areas of the Airport or the Terminal by the public, or (iv) physically interferes with the operations of other lessees or licensees at the Airport or the Terminal, or (v) presents a danger to the health and safety of users of the Facility, persons employed thereat, or to members of the public, whether or not the same is due to the fault of the Permittee or is caused by employees of the Permittee or of others, the Port Authority shall have the right at any time during the continuance thereof, by twenty-four (24) hours' notice to suspend the Permittee's operations hereunder effective at the time specified in the notice. During any suspension, the Permittee shall cease its activities and operations hereunder and take such steps to secure and protect the Concession Area as shall be necessary or desirable. The period of suspension shall end automatically no later than twenty-four (24) hours after the cause thereof

has ceased or been cured. While the Permittee shall be relieved of its obligation to provide leasing, management and marketing services during a suspension period and liabilities relating thereto during the suspension period, suspension shall not relieve the Permittee of any liabilities or obligations which accrued prior to the effective date of suspension, nor shall suspension relieve it of its payment obligations based on funds received from Operators which funds are in its possession on the effective date of suspension or which come into its possession during the suspension period. Accordingly, while the Permittee shall not be obligated to pursue collection of rentals from Operators as a management service during the suspension period, it shall be obligated to accept, deposit, and make payment to the Airline and Port Authority with respect to funds which come into its possession during the suspension period. If the Permittee fully complies with the foregoing sentence then, with respect to the Minimum Guaranteed Rental Shortfall or any "Additional Payment Obligations" (as such term is defined in the Concession Agreement), during the suspension period the Permittee shall be obligated to pay only that portion of the Minimum Guaranteed Rental Shortfall and any such "Additional Payment Obligations" which the Permittee is able to pay out of its collected fees, rentals and other charges received from Operators.

(d) The Permittee shall in each Sublease impose requirements identical to those set forth in paragraphs (a), (b) and (c) of this Special Endorsement upon each and every Operator.

16. No Personal Liability. No Commissioner, officer, director, agent or employee of either the Port Authority or the Permittee shall be charged personally liable or held contractually liable by or to the other party under any term of provision of this Permit or of any supplement, modification or amendment to this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. New York City Lease

(a) The Permittee acknowledges that it has received, and is familiar with the contents of, a copy of the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 (the "City Lease").

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(1) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(2) The Permittee shall not pay fees or other sums under this Permit for more than one (1) month in advance (excluding security and other deposits required under this Permit);

(3) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of The City of New York (the "City"), attorn to, or enter into a direct permit on identical terms with, the City;

(4) The Permittee shall indemnify the City with respect to all matters to the extent described in Section 31 of the City Lease;

(5) The Permittee shall not engage in the privilege permitted hereunder for any use other than as permitted under the City Lease;

(6) The Permittee shall use, operate and maintain the privilege granted hereunder in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(7) The failure of the Permittee to comply with the forgoing provisions shall be an event of default under this Permit, which, after the giving of reasonable notice, shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have hereunder; and

(8) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to the Permit.

18. Interpretation.

(a) No greater rights are granted or intended to be granted to the Permittee hereunder with respect to the Concession Area than the Port Authority has the power to grant under the Airline Lease, and all of the terms, provisions, and conditions of the Airline Lease shall be and remain in full force and effect throughout the effective period of the permission granted hereunder.

(b) The Special Endorsement and paragraph headings in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(c) No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of a payment of fees or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

(d) Although the printed provisions of this Permit were drawn by the Port Authority, the parties agree that this circumstance alone shall not create any presumption, canon of construction or implication favoring the position of the Port Authority, the Permittee or the Airline and the deletion of language from this Permit prior to its execution shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, adverse or opposite of the deleted language.

THIS AGREEMENT SHALL NOT BE BINDING UPON THE PORT AUTHORITY UNTIL DULY EXECUTED BY AN EXECUTIVE OFFICER THEREOF AND DELIVERED TO THE PERMITTEE AND THE SUBLESSEE BY AN AUTHORIZED REPRESENTATIVE OF THE PORT AUTHORITY

Port Authority Permit No. AYD-476
Consent to Sublease No. _____
John F. Kennedy International Airport

CONSENT AGREEMENT

THIS AGREEMENT, effective as of _____, 200_ ("Effective Date"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("Port Authority"), **WESTFIELD CONCESSION MANAGEMENT, INC.** ("Permittee"), _____ ("Sublessee"), a (corporation/partnership/limited liability company) organized and existing under the laws of the State of _____ with an office and place of business at _____, whose representative is _____, and consented to by **AMERICAN AIRLINES, INC.** ("Airline").

WITNESSETH, That:

WHEREAS, by a certain agreement of lease dated as of December 22, 2000 bearing Port Authority Lease No. AYB-085R (as may have been heretofore and may be hereafter amended, supplemented or extended, the "Airline Lease") the Port Authority leased to the Airline certain premises at John F. Kennedy International Airport ("Airport") for certain passenger terminal facilities ("Terminal"), as set forth in Section 5 of the Airline Lease; and

WHEREAS, it was contemplated under the Airline Lease that certain food and beverage, newsstand, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required; and

WHEREAS, the Airline and the Permittee have entered into an agreement made as of September 2, 2004 (as may have been heretofore and may be hereafter amended, supplemented or extended, the "Concession Lease") under which the Permittee agreed to provide certain development, leasing, and management services with respect to consumer service operations at the Terminal; and

WHEREAS, the Port Authority and the Permittee have entered into a certain permit agreement identified above by Port Authority Permit Number AYD-476 (as may have been heretofore and may be hereafter supplemented, amended and extended, the "Permit") and covering the services and facilities which the Permittee agreed to provide pursuant to the terms of the Concession Lease; and

WHEREAS, the applicable provisions of the Concession Lease and the Permit require the Permittee to enter into an agreement with a third party unrelated to the Permittee in any manner to operate each consumer service facilities required to be provided pursuant to the terms of the Airline Lease, the Concession Lease and the Permit, provided that the proposed Sublessee and all the terms of its sublease agreement with the Permittee are consented to in writing in advance by the Port Authority and the Airline; and

WHEREAS, the Permittee and the Sublessee have entered into a sublease agreement, consented to by the Airline, a copy of which is attached hereto and made a part hereof ("Sublease"), covering portions of the premises under the Concession Lease (such portions, being hereinafter collectively called the "Space" or the "Spaces"); and

WHEREAS, the Permittee and the Airline have requested the consent of the Port Authority to the proposed Sublease;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Permittee and the Sublessee hereby agree effective as of the Effective Date, as follows:

1. On the terms and conditions hereinafter set forth, the Port Authority consents to the Sublease.

2. Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Permittee or the Sublessee, on the earliest to occur of: (a) the day preceding the date of expiration or earlier termination of the Airline Lease; (b) the effective date of any revocation of this Consent pursuant to Paragraph 7 hereof; (c) if applicable, the day preceding the date of expiration or earlier termination of the Concession Lease in accordance with its terms; (d) the date of expiration or earlier termination of the Sublease; (e) or such earlier date as the Permittee and the Sublessee may agree upon subject to the terms and provisions hereof. The Sublessee shall cease its

activities and operations at the Space and shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the termination of the Sublease.

3. If the Permittee shall at any time be in default of its obligations under the Permit, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Permittee from the Sublessee (including, but not limited to, late charges, liquidated damages, fines and the like). No such payment shall relieve the Permittee from any obligation under the Permit or under this Consent but all such payments shall be credited against the obligations of the Permittee or of the Sublessee, as the Port Authority may determine for each payment or part thereof, in accordance with the provisions of the Permit, Concession Lease and the Airline Lease and consistent with paragraph 4(a) hereof.

4. (a) Neither this Consent, nor anything contained herein, shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Airline under the Airline Lease or to the Permittee under the Permit, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Airline Lease or Permit, nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Airline under the Airline Lease and to the Permittee under the Permit. Neither this Consent nor anything contained herein, nor any termination of the Sublease, shall affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Airline under the Airline Lease and on the Permittee under the Permit nor constitute or be deemed to constitute a release of the Airline or the Permittee, respectively, from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Permittee and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority, the Airline or the Permittee that the provisions of the Sublease shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease and the Permit shall, in all respects, be controlling, effective and determinative. In addition, in any case of difference or inconsistency between the provisions of this Consent and those of the Sublease, this Consent shall be controlling and, in any case or difference or inconsistency between the terms of the Sublease and those of the Airline Lease or between the terms of the Sublease and those of the Permit, the terms of the Airline Lease, or of the Permit, as the case may be, shall control. The specific mention of or reference to the Port Authority in any part of the Sublease, including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Consent or shall thereafter grant its consent or approval thereto or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact or that

the Port Authority's discretion pursuant to the Airline Lease and Permit as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and Permit shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Permittee including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) No changes, amendments, renewals or extensions to the Sublease shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee or the Sublessee. The Sublease shall not be changed, modified, discharged, renewed or extended except by written instrument duly executed by the parties thereto and only with the express prior written consent of the Port Authority.

5. The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Airline Lease and the Permit.

6. The granting of this Consent by the Port Authority shall not be, and shall not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease, sublicensing, or other agreement with respect to the use or

occupancy of the Space or any other portion of the Terminal, or to any assignment of the Permit or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

7. The Port Authority shall have the right to revoke this Consent at any time without cause, on thirty (30) days' notice to the Sublessee, as to any one or more of the Spaces at which the Sublessee has permission to operate, and no such revocation shall be deemed to affect the Permit or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby. For informational purposes, the Port Authority will send a copy by regular first class mail of such notice to the Permittee, but failure on the part of the Port Authority to send the informational copy shall not however be or be deemed to be a breach of this Consent, or impair or affect the validity of the notice or request actually given.

8. The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

9. The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

10. If the Sublessee shall fail to pay any amount required under this Consent when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is

intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent, including without limitation under Paragraph 7 hereof or (ii) any obligations of the Sublessee under this Consent. In the event that any late charge imposed pursuant to this Paragraph shall exceed a legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent shall be payable instead at such legal maximum.

11. Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees, contractors, subcontractors and others on the Space or on the Airport with the consent of the Sublessee.

12. It is hereby acknowledged and agreed by the Permittee and the Sublessee that the Port Authority has no obligation under the Airline Lease, the Sublease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's capital investment in the Space or at the Terminal, whether amortized or unamortized. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or the Concession Lease or upon revocation of this Consent with or without cause (in accordance with the terms of Paragraph 7 hereof), of any amount of the Sublessee's capital investment in the Space or at the Premises shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Permittee to pay, subsidize or finance said unamortized capital investment.

13. (a) Without in any manner affecting the obligations of the Airline under the Airline Lease or of the Permittee under the Permit and under this Consent, and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements in, at or about the Space as if it were the Permittee under the Permit. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Consent by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Premises with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts

and omissions of the Sublessee shall be deemed to be acts and omissions of the Permittee under the Permit and the Lessee shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at it own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

14. (a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

	Minimum Limits
Commercial General Liability Combined single limit per occurrence for bodily injury and property damage liability:	$2,000,000

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement the Port Authority covenanting and agreeing not to act unreasonably hereunder. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

15. Without limiting the generality of the provisions of this Consent, the terms, provisions, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative and to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Airline Lease or this Consent then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Airline Lease.

16. The Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Nothing contained in this Consent nor in the Sublease, including without limitation the payment obligation of the Sublessee under Article II of the Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Airline Lease, Concession Lease and the Permit, consistent with paragraph 4(a) hereof. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of the Sublease.

18. Nothing contained in this Consent or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Premises including without limitation the installation of any signs at the Airport. The Permittee and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions of the Airline Lease and an approved Tenant Alteration Application which the Sublessee shall prepare and the Permittee and/or the Airline shall submit to the Port Authority.

19. Notwithstanding anything to the contrary stated in the Concession Lease, the Permit or the Sublease, the cost of utilities shall not be charged to the Sublessee unless the Sublessee is a food/beverage vendor, all in accordance with the Airline Lease. By signing below, the Airline expressly agrees to the foregoing, and agrees that the Airline shall not charge to the Permittee the cost of any utilities other than as aforesaid in this Paragraph.

20. Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the

Permittee and their respective offices shall be as set forth in the Permit. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the registered or certified mailing thereof.

21. New York City Lease

(a) The Sublessee acknowledges that it has received, and is familiar with the contents of, a copy of the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 (the "City Lease").

(b) In accordance with the provisions of the City Lease, the Port Authority and the Sublessee hereby agree as follows:

(1) This Consent is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(2) The Sublessee shall not pay fees or other sums under this Consent for more than one (1) month in advance (excluding security and other deposits required under this Permit);

(3) With respect to this Consent, the Sublessee on the termination of the City Lease will, at the option of The City of New York (the "City"), attorn to, or enter into a direct permit on identical terms with, the City;

(4) The Sublessee shall indemnify the City with respect to all matters to the extent described in Section 31 of the City Lease;

(5) The Sublessee shall not engage in the privilege permitted hereunder for any use other than as permitted under the City Lease;

(6) The Sublessee shall use, operate and maintain the privilege granted hereunder in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(7) The failure of the Sublessee to comply with the forgoing provisions shall be an event of default under this Consent, which, after the giving of reasonable

notice, shall provide the Port Authority with the right to revoke this Consent and exercise any other rights that the Port Authority may have hereunder; and

(8) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Sublessee pursuant to the Consent.

22. This Consent and the interpretation, validity and enforceability thereof shall be governed by the laws of the State of New York.

23. Neither the Commissioners of the Port Authority nor any of them, nor any director, officer, agent or employee of the Port Authority, the Airline, the Permittee or the Sublessee shall be held personally liable to any party under any term or provision of this Consent or because of its execution or attempted execution or because of any breach or alleged breach thereof.

IN WITNESS WHEREOF, the Port Authority, the Permittee and the Sublessee have executed these presents.
