(Sublessee)

THIS AGREEMENT SHALL NOT BE BINDING UPON THE PORT AUTHORITY UNTIL DULY EXECUTED BY AN EXECUTIVE OFFICER THEREOF AND DELIVERED TO THE AIRLINE AND THE SUBLESSEE BY AN AUTHORIZED REPRESENTATIVE OF THE PORT AUTHORITY

Port Authority Lease No. AYD-350
Consent to Sublease No. AYD-813
Facility: John F. Kennedy International Airport

CONSENT AGREEMENT

THIS CONSENT AGREEMENT, effective as of September 24, 2008 ("*Effective Date*"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("*Port Authority*") and **TAXCO STERLING CO., INC., dba Taxco Sterling** ("*Sublessee*"), a corporation organized and existing under the laws of the State of Virginia with an office and place of business at 10282 Johns Hollow Road, Vienna, Virginia 22182, whose representative is Josh Briggs, and consented to by **JETBLUE AIRWAYS CORPORATION** ("*Airline*").

WITNESSETH, That:

WHEREAS, by a certain agreement of lease made as of the 6th day of May, 2005 and bearing Port Authority Lease No. AYD-350 (as the same may have been and may be hereafter amended, supplemented or extended, the "*Airline Lease*") the Port Authority leased to the Airline certain premises at John F. Kennedy International Airport ("*Airport*") for certain passenger terminal facilities as more particularly set forth in the Airline Lease (the "*Terminal*"); and

WHEREAS, it was contemplated under the Airline Lease that certain food and beverage, newsstand, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required; and

WHEREAS, the Airline and the Sublessee have entered into an agreement of sublease covering portions of the Terminal under the Airline Lease (such portions, being hereinafter collectively called the "*Space*" or the "*Spaces*"), a copy of which is attached hereto and made a part hereof (the "*Sublease*"), subject to the consent of the Port Authority and the execution of this Consent by and among the Airline, Sublessee and the Port Authority;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Airline and the Sublessee hereby agree effective as of the Effective Date, as follows:

1. Consent. On the terms and conditions hereinafter set forth, the Port Authority consents to the Sublease.

2. Term of Consent. Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Airline or the Sublessee, on the earliest to occur of: (a) the day preceding the date of expiration or earlier termination of the Airline Lease; (b) the effective date of any revocation of this Consent pursuant to paragraph 6 hereof; (c) the date of expiration or earlier termination of the Sublease; or (d) such earlier date as the Airline and the Sublessee may agree upon subject to the terms and provisions hereof. Notwithstanding the foregoing, however, no termination of the Sublease shall diminish, limit, alter, affect, modify or impair the obligations, liabilities, or responsibilities of the Airline under the Airline Lease or release or relieve the Airline from the same or from any of the terms, provisions, covenants and conditions of the Airline Lease on its part to be kept, performed or observed. The Sublessee shall cease its activities and operations at the Space and shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the revocation, expiration or termination of the Sublease.

3. Breach or Default of Airline Lease. If the Airline shall at any time be in breach or default of its obligations under the Airline Lease, beyond applicable notice and cure periods, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Airline from the Sublessee (including, but not limited to, late charges, liquidated damages, fines and the like). No such payment shall relieve the Airline from any obligation under the Airline Lease or under this Consent but all such payments shall be credited against the obligations of the Airline or of the Sublessee, as the Port Authority may determine for each payment or part thereof.

4. Controlling Documents; Conflicts and Inconsistencies.

(a) Neither this Consent, nor anything contained herein, shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Airline Lease, nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Airline under the Airline Lease. Neither this Consent nor anything contained herein, nor any termination of the Sublease, shall affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Airline under the Airline Lease nor constitute or be deemed to constitute a release of the Airline from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Airline and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease, including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or

approval thereto under this Consent, or shall thereafter grant its consent or approval thereto, or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact, or that the Port Authority's discretion pursuant to the Airline Lease as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Airline including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) In any case of any conflict with, or difference or inconsistency between, the provisions of this Consent and those of the Sublease, this Consent shall be controlling and, in any case or difference or inconsistency between the terms of the Sublease and those of the Airline Lease, those of the Airline Lease shall control. Accordingly, to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Airline Lease or this Consent then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Airline Lease.

(e) The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Airline Lease.

(f) Notwithstanding anything to the contrary stated in the Sublease, the following shall supercede and control with respect to the Sections of the Sublease which are referenced, below, if and to the extent of any conflict between this Consent and the said Sublease Section:

(1) Section 2.04 "Delivery of Premises; Concessionaire's Work Generally" – In subparagraph (a), the Sublessee shall have at least sixty (60) days from the Commencement

Date to substantially complete the Concessionaire's Work (as defined in the Sublease) and, accordingly, the Substantial Completion Date shall be no longer than the expiration of such 60-day period.

(2) For avoidance of doubt, in the Sublease definitions of Port Authority Share and Sublandlord Share, the phrase "excluding rentals and fees that are strictly pass-through charges for expenses actually incurred by Sublandlord and Sublandlord Concession Manager" shall refer only to certain items of Additional Rent (as defined in the Sublease) and not to the Minimum Annual Guarantee or Percentage Rent (as such terms are defined in the Sublease), and shall not include any expenses personally incurred by the Sublandlord Concession Manager (as defined in the Sublease).

(3) Section 3.02, "Reconciliation" – Any reconciliation to be made by the Port Authority in favor of the Sublessee shall be handled by the Port Authority by applying the procedures typically followed by the Port Authority in the ordinary course of its business with other permittees/lessees/sublessees.

(4) Section 10.09, "Trash and Refuse" and Section 10.11, "Cleaning and Janitorial Services" - The Lessee shall use commercially reasonable efforts to operate, or cause to be operated, the loading dock and storage areas of the Master Lease Premises in an efficient and coordinated manner that supports the use of such facilities by Sublessee and the other concessionaires in connection with their respective businesses, and Sublessee shall have no obligation to manage or operate, to cause to be managed or operated, or to agree to manage or operate, a program for trash removal, the loading dock, the storage areas or any other common areas at the Terminal.

5. Required Port Authority Consent. The granting of this Consent by the Port Authority shall not be, and shall not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease or other agreement with respect to the use or occupancy of the Space or any other portion of the Terminal, or to any assignment of the Airline Lease or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

6. Revocation of Consent.

(a) The Port Authority shall have the right to revoke this Consent at any time without cause, as to any one or more (if applicable) of the Spaces at which the Sublessee has permission to operate on thirty (30) days' notice to the Sublessee and the Airline, and no such revocation shall be deemed to affect the Airline Lease or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby.

(b) In the event the Port Authority exercises its right to revoke this Consent if the Sublessee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Consent, the Sublessee shall be obligated to reimburse the Port Authority for any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of,

relating to, or in connection with the enforcement or revocation of this Consent including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Consent.

7. Utilities.

(a) The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

(b) Except as expressly permitted under the Airline Lease, the cost of utilities shall not be charged to the Sublessee unless the Sublessee is a food/beverage vendor, all in accordance with the Airline Lease. By signing below, the Airline expressly agrees to the foregoing, and agrees that the Airline shall not charge to the Sublessee the cost of any utilities other than as aforesaid in this paragraph.

8. Compliance with Laws. The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

9. Late Charges.

If the Sublessee shall fail to pay any amount to the Port Authority required under this Consent or the Sublease when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way

(i) any rights of the Port Authority under this Consent, including without limitation under paragraph 6 hereof or (ii) any obligations of the Sublessee under this Consent. In the event that any late charge imposed pursuant to this paragraph shall exceed a legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent shall be payable instead at such legal maximum.

10. No Responsibility of Port Authority for Capital Investment.

It is hereby acknowledged and agreed by the Airline and the Sublessee that the Port Authority has no obligation under the Airline Lease, the Sublease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's capital investment in the Space or at the Terminal, whether amortized or unamortized. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or upon revocation of this Consent, with or without cause, of any amount of the Sublessee's capital investment in the Space or at the Terminal shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Airline to pay, subsidize or finance said capital investment.

11. Indemnification.

(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Consent, and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, representatives, agents, contractors, members (in their capacity as members of the Sublessee if it is a limited liability entity), managers (in their capacity as managers of the Sublessee if it is a limited liability entity), partners (if Sublessee is a partnership), customers, guests, invitees and other persons and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Consent by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Sublessee if it is a limited liability entity), managers (in their capacity as managers of the Sublessee if it is a limited liability entity), partners (if Sublessee is a partnership), customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Terminal with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of

the Sublessee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at it own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

12. Insurance.

(a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

	Minimum Limits
Commercial General Liability Combined single limit per occurrence for bodily injury and property damage liability:	$2,000,000

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at

any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

13. Affirmative Action; Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation.

(a) Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

(b) The Sublessee is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Sublessee agrees that Schedule G, attached to

the Sublease and this Consent, is hereby made a part hereof and incorporated by reference herein and the Sublessee shall comply with its terms and provisions.

14. Subordination of Sublease.

Nothing contained in this Consent nor in the Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee, shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority, and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Airline Lease, consistent with paragraph 4 hereof. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of the Sublease.

15. Construction and Repairs. Nothing contained in this Consent or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Terminal including without limitation the installation of any signs at the Airport. The Airline and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions of the Airline Lease and an approved Tenant Alteration Application which the Airline shall prepare and submit to the Port Authority.

16. Notices. Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the Airline and their respective offices shall be as set forth in the Airline Lease. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the registered or certified mailing thereof.

17. Basic Lease Provisions.

(a) Certain Definitions.

(i) "*Basic Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and the Port Authority, as Tenant, dated as of November 24, 2004 and recorded in the office of the

City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same from time to time may have been or may be supplemented, amended and/or restated.

(ii) "*City*" shall mean The City of New York, a municipal corporation of the State of New York.

(b) The Sublessee acknowledges that it has received a copy of, and is familiar with the contents of, the Basic Lease. The Sublessee acknowledges that no greater rights or privileges are hereby granted to the Sublessee than the Port Authority has the power to grant under the Basic Lease.

(c) In accordance with the provisions of the Basic Lease, the Port Authority and the Sublessee hereby agree as follows:

(i) This Consent is subject and subordinate to the Basic Lease and to any interest superior to that of the Port Authority;

(ii) The Sublessee shall not pay the fees or other sums under this Airline Lease for more than one (1) month in advance (excluding security and other deposits required under this Airline Lease);

(iii) With respect to this Consent, the Sublessee on the termination of the Basic Lease will, at the option of the City, enter into a direct consent on identical terms with the City;

(iv) The Sublessee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the Basic Lease;

(v) The Sublessee shall not use any portion of the Airport for any use other than as permitted under the Basic Lease;

(vi) The Sublessee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the Basic Lease;

(vii) The failure of the Sublessee to comply with the foregoing provisions shall be an event of default under this Consent, which shall provide the Port Authority with the right to revoke this Consent and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Sublessee pursuant to this Consent.

18. Inspection.

(a) The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Sublessee of its obligations under this Consent and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Consent, the Airline Lease, or otherwise.

(b) Further, the Port Authority shall have the right to inspect the Sublessee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Sublessee, and any activities or operations of the Sublessee hereunder. Upon request of the Port Authority, the Sublessee shall operate or demonstrate any machines or equipment owned by or in the possession of the Sublessee at the Space or to be placed or brought on the Space, and shall demonstrate any process or other activity being carried on by the Sublessee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Sublessee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

19. No Waiver.

No failure by the Port Authority or the Airline to insist upon the strict performance of any agreement, term, covenant or condition of the Sublease or this Consent or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of the Sublease or this Consent during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Airline of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term, covenant or condition. No agreement, term, covenant or condition of the Sublease or this Consent to be performed or complied with by the Sublessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Sublessee in performance of any agreement, term, covenant or condition of the Sublease or this Consent shall affect or alter the Sublease or this Consent, but each and every agreement, term, covenant and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

20. Continued Exercise of Privilege After Expiration, Revocation or Termination.

Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Sublessee shall continue to perform any of the privileges granted to the Sublessee hereunder (the "Authorized Privileges") after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Consent or other remedies the Port Authority may have by law or otherwise, the Sublessee shall pay to the Port Authority a fee

for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation, termination or cancellation and ending on the date that the Sublessee shall cease to perform the Authorized Privileges at the Premies equal to twice the sum of all fees payable hereunder. Nothing herein contained shall give, or be deemed to give, the Sublessee any right to continue to perform any of the Authorized Privileges at the Terminal after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent. The Sublessee acknowledges that the failure of the Sublessee to cease to perform all the Authorized Privileges at the Terminal from and after the effective date of such expiration, revocation, cancellation or termination will or may cause the Port Authority injury, damage or loss. The Sublessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Sublessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

21. Waiver of Trial by Jury.

The Sublessee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Sublessee in respect of the permission granted under this Consent and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Consent. The Sublessee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

22. Business Development and Records.

(a) In connection with its use of the Space hereunder, the Sublessee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it under the aforedescribed consumer services agreement ;

(ii) not divert, or cause or allow to be diverted, any business from the Terminal or the Airport;

(iii) maintain, in English and accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records and work schedules) recording all transactions of the Sublessee at, through, or in any way connected with its operations at the Terminal or elsewhere at the Airport, and outside the Airport if the order therefor is received at the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall

separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport;

(iv) cause any Affiliate (as herein defined) of Sublessee, if any such company performs services similar to those performed by the Sublessee to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport. An *"Affiliate"* with respect to the Sublessee is any person or entity which directly or indirectly controls, is controlled by, or is under common control with the Sublessee; the term "control" (including the terms controlling, controlled by, and under common control with) shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the person, whether through the ownership of voting securities, by contract, or otherwise;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Consent, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Sublessee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts and all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within twenty (20) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records; and

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Sublessee's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals;

(vii) in those situations where the books and records have been generated from

computerized data (whether mainframe, minicomputer, or PC-BASED computer systems), provide, or cause to be provided, to the Port Authority's representative extracts of data files in a computer readable format on data disks, E-mail with attached files or alternative computer data exchange formats suitable to the Port Authority in its sole discretion; and

(viii) permit the inspection by the officers, employees and representatives of the Port Authority and those of the Airline of any equipment used by the concession operator including, but not limited to, any of the equipment described in subparagraph (1)(vi) above.

(b) Without implying any limitation on the right of the Port Authority to revoke this Consent for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Sublessee understands that the full reporting and disclosure to the Port Authority of all gross receipts and the Sublessee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Consent. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Sublessee to comply with all the provisions of paragraph (a) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Airline under this Consent or otherwise and in addition to all of the Sublessee's other obligations under this Consent:

(i) the Port Authority may estimate the gross receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Sublessee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Sublessee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Sublessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Sublessee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) Without implying any limitation on the rights or remedies of the Port Authority or of the Airline under this Consent or otherwise including without limitation the right of the Port Authority to revoke this Consent for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not

maintained in English, then the Sublessee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(d) In the event that upon conducting an examination and audit as described in this paragraph, the Port Authority determines that unpaid amounts are due to the Port Authority by the Sublessee (the "*Audit Findings*"), the Sublessee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Sublessee under this Consent or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Consent or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent or otherwise, including, without limitation, the Port Authority's rights to revoke this Consent or (ii) any obligations of the Sublessee under this Consent or the Sublease.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Consent payable to the Port Authority with the same force and effect as the basic fee/rent and all other fees/rent payable to the Port Authority hereunder.

23. Sublessee Payments and Statements.

(a) The Sublessee shall pay to the Port Authority the fees, as applicable, due to the Port Authority at the times and in accordance with the terms and provisions of the Sublease. All amounts to be paid to and all statements to be submitted to the Port Authority by the Sublessee pursuant to this Consent and the Sublease shall be made in accordance with Article 3 of the Sublease.

(b) To the extent that the Sublessee has not already done so at the time of execution of this Consent and without limiting the generality of any other term or provision hereof, the Sublessee agrees to submit monthly statements of Gross Receipts and to pay, at the time of execution and delivery of this Consent to the Port Authority, all fees and other amounts, due under this Consent to the Port Authority for the period from the Effective Date to the time of execution and delivery of this Consent by the Sublessee.

24. Port Authority Reserved Uses.

In addition to any other uses prohibited by the express terms of the Sublease, the

Sublessee is prohibited in engaging in any of the following uses, operations or installations at the Space, which the Port Authority has reserved exclusively to itself and its designees: (i) advertising, (ii) public telephones (sometimes also referred to as "pay phones" "pay telephones" or "public telephones"), pre-paid phone cards (except Sublessee may sell Port Authority sponsored pre-paid telephone cards purchased from a pre-paid telephone card contractor, subcontractor or permittee of the Port Authority), facsimile transmission machines and other public communications services and facilities, including without limitation, public communications services and facilities that operate within the licensed spectrum radio frequency allocations and including in particular, but without limitation, "cellphone"/cellular technology and any technology that substitutes for, replaces or is used in conjunction with cellphone/cellular technology, and also including all Port Authority-owned or operated information and communications technology infrastructure for common Airport use, (iii) vending machines dispensing anything including, but not limited to, catalog and electronic sales (except in non-public areas of the Space for products then permitted to be sold on the Space under agreements or subleases approved by the Port Authority), (iv) ground transportation (including vehicle rentals) reservations, and (v) provision of on-airport baggage carts (other than shopping carts made available free of charge to retail shoppers within the concession areas) or other on-airport baggage-moving devices.

25. Other Security Deposits.

(a) With respect to the letter of credit as security for the Port Authority, in connection with the Sublease, such letter of credit shall be in favor of the Port Authority, and payable in the Port of New York District in the amount of Twenty Five Thousand Six Hundred Dollars and No Cents ($25,600.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority.

(b) If the Sublessee is obligated by any other agreement with the Port Authority to maintain a security deposit with the Port Authority to insure payment and performance obligations of the Sublessee to the Port Authority pursuant to any such other agreement or otherwise, then any deposit pursuant thereto shall also secure the obligations of the Sublessee under this Consent and serve as security hereunder, in addition to the amount of any required security cited in Section 25.19 of the Sublease, and in addition to such security continuing to serve as such under such other Port Authority agreement. In such case, all provisions of such other agreement relating to such deposit are hereby incorporated herein by this reference as though fully set forth herein. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply, or any permitted assignment of such other agreement, shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

26. Third Party Beneficiary; Enforcement. The Port Authority is an express and intended third party beneficiary of the Sublease and the Port Authority shall have the right, but not the obligation, to directly enforce the provisions of the Sublease as well as the right to enforce the provisions of this Consent. The obligation of the Sublessee to pay fees or rent hereunder is for the benefit of both the Port Authority and the Airline and the payment thereof may be enforced by either or both the Port Authority and the Airline, individually or collectively. In the event of

any breach or default by the Sublessee in paying the fees due under this Consent, the Airline shall have the right and obligation to enforce payment thereof and to exercise all necessary remedies in connection therewith and, without limiting or affecting the rights of the Port Authority to collect the fees due hereunder for the account of both the Port Authority and the Airline, the Port Authority shall not have any obligation to the Airline to incur any expenses or to commence any legal proceeding to collect unpaid fees or rent from the Sublessee; provided, however, that all fees/rent due hereunder to the Port Authority and collected by the Airline shall be remitted by the Airline to the Port Authority as and when collected and that all fees/ret due hereunder to the Airline and collected by the Port Authority shall be remitted by the Port Authority to the Airline as and when collected.

27. Labor Harmony at the Airport.

(a) General. In connection with its operations at the Airport under this Consent, the Sublessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Sublessee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Sublessee shall promptly give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all threatened or existing labor-related disruptions directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent which (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem reasonable under the circumstances, including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and the Sublessee, subject to applicable laws and regulations.

(b) Labor peace agreement. To assure that labor harmony is maintained at the Airport, the Sublessee agrees that it shall deliver to the Port Authority one of the following: (1) evidence that the Sublessee has entered into a signed "labor peace agreement" with a labor organization that seeks to represent the Sublessee's employees that contains provisions under which the labor organization and its members agree to refrain from engaging in any picketing, work stoppages, boycotts or any other economic interference with the Sublessee's operations, (2) written notification from an officer of the Sublessee on the Sublessee's letterhead that no labor organization (as defined by 29 U.S.C. Section 152(5)) is seeking to represent the employees of the Sublessee at the Airport as of the date of such notification, or (3) written notification from an officer of the Sublessee on the Sublessee's letterhead that Sublessee and a labor organization seeking to represent the employees of the Sublessee have been unable to agree upon the terms of

a "labor peace agreement" that otherwise complies with clause (1) above, and that Sublessee has extended a written offer to such labor organization to enter into mediation to reach such agreement. Should the labor organization that seeks to represent the Sublessee's employees and the Sublessee fail to reach a resolution on the terms of the "labor peace agreement" set forth in clause (1) above, within a period of sixty (60) calendar days from the commencement of mediation, then, upon notice by either party to the other, the dispute shall be submitted to binding arbitration by a single neutral arbitrator (who shall be selected by the parties from a list of neutral arbitrators provided to the parties by the American Arbitration Association ("AAA")) and in accordance with the Commercial Rules of the AAA. Both the cost of mediation and arbitration will be split evenly between the parties. The labor peace agreement provided in (1), or the notification provided in either (2) or (3), of the preceding clause, shall be delivered to the Port Authority no later than ninety (90) days after the execution of this agreement. If after the expiration of such ninety (90) day period, the Sublessee has not provided such labor peace agreement or either such notification, then the Port Authority shall have the right to take such reasonable actions as the Port Authority may deem appropriate including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and Sublessee, subject to applicable laws and regulations, it being understood, that nothing in this subsection shall limit the Port Authority's rights to take any actions it deems reasonable under the circumstances to ensure labor harmony as provided in subsection (a) of this Section during the entire term of this Consent. In the event that the Sublessee has delivered the notification provided in clause (2) of the first sentence of this paragraph, and thereafter a labor organization (as defined by 29 U.S.C. Section 152(5)) seeks to represent the employees of the Sublessee at the Airport, the Sublessee shall provide the Port Authority with notice of such change in circumstances, and follow the procedures set forth in this paragraph.

(c) Employee Retention. If the Sublessee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "Predecessor Concession"), the Sublessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Sublessee at the Space. The foregoing requirement shall be subject to the Sublessee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Sublessee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space.

The Port Authority shall have the right, subject to applicable laws and regulations regarding human resources and employment matters, to demand from the Sublessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision.

(d) Applicability of Provisions. The provisions of the foregoing subsections (b) and (c) of this Section shall apply to any concession operation of the Sublessee at the Terminal which employs ten (10) or more persons at the Space.

28. General; Construction and Interpretation.

(a) Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees, contractors, subcontractors and others on the Space or on the Airport with the consent of the Sublessee.

(b) The paragraph headings used herein are used solely for convenience and shall not be given any weight in the interpretation of this Consent. All Schedules and Exhibits are hereby incorporated and merged into this Consent and made a part hereof.

(c) This Consent shall be construed without regard to any presumption or any other rule requiring construction against the party causing this Consent or any part thereof to be drafted.

(d) For the convenience of the parties, any number of counterparts hereof may be executed, each such executed counterpart shall be deemed an original and all such counterparts together shall constitute one and the same document.

(e) The Port Authority may at any time and from time to time by notice to the Airline and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Airline or the Sublessee.

29. Governing Law. Anything in the Sublease to the contrary notwithstanding, the effect and meaning of this Consent and the rights of the parties hereunder shall be governed by, and construed and enforced in accordance with, the laws of the State of New York without regard to the conflict of laws principles thereof.

30. No Personal Liability. Neither the Commissioners of the Port Authority nor any of them, nor any director, officer, agent or employee of the Port Authority, the Airline or the Sublessee shall be held personally liable to any party under any term or provision of this Consent or because of its execution or attempted execution or because of any breach or alleged breach thereof.

31. Entire Agreement; Amendment. This Consent Agreement constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority, the Sublessee and the Airline.

IN WITNESS WHEREOF, the Port Authority, the Airline and the Sublessee have executed these presents as of the date hereinabove written.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $30million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are

controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

If the total Rent actually paid by Concessionaire to Sublandlord and the Port Authority, respectively, during any Annual Period exceeds the total Rent due and owing for such Annual Period, Sublandlord and the Port Authority shall respectively credit the overpayment in the following order: (i) against any past due amounts owed to Sublandlord and the Port Authority by Concessionaire, including interest and late fees; (ii) against any currently outstanding, but not yet due, Rent owed to Sublandlord and the Port Authority by Concessionaire; and (iii) against any other sums payable by Concessionaire to Sublandlord and the Port Authority, respectively. Sublandlord reserves the right to change the form of the Percentage Rent Statement and to require the submission by Concessionaire of other information pertaining to the Gross Receipts and Percentage Rent, and Concessionaire agrees to change the form of its statements to that requested by Sublandlord and to provide any such additional information Sublandlord requests.

(d) Concessionaire shall pay, in arrears, on the 20th day of each Monthly Period during the Term from and after the Rent Commencement Date, the Percentage Rent payable for the prior Monthly Period, if any. Each payment of Percentage Rent shall be made in accordance with the other provisions of this Article.

(e) The computation of the Percentage Rent for each Monthly Period, or a portion of a Monthly Period, shall be specific to such Monthly Period, or such portion of an Monthly Period, and without relation to any other Monthly Period, or any other portion of any Monthly Period.

Concessionaire and Sublandlord hereby agree that such late fees represent a fair and reasonable estimate of the costs that Sublandlord will incur by reason of Concessionaire's late payment. Acceptance of such late fees (or any portion of the overdue payment) by Sublandlord shall in no event constitute a waiver of Concessionaire's default with respect to such overdue payment, or prevent Sublandlord or the Port Authority from exercising any of the other rights and remedies granted hereunder.

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to Concessionaire's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals;

(vii) in those situations where the Books and Records have been generated from computerized data (whether mainframe, minicomputer, or PC-BASED computer systems), provide, or cause to be provided, to Sublandlord and the Port Authority extracts

(viii) permit the inspection by the officers, employees and representatives of Sublandlord and the Port Authority of any equipment used by Concessionaire, including, but not limited to, any of the equipment described in subparagraph (a)(vi) above.

(b) Without implying any limitation on the right of Sublandlord to terminate this Sublease based on an Event of Default, including but not limited to, default of any term, condition or provision of paragraph (a) above, if any Books and Records are maintained outside of the Port of New York District, then Sublandlord in its sole discretion may (i) require on ten (10) days' notice to Concessionaire that any such Books and Records be made available to Sublandlord and the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (ii) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States, Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all travel costs and related expenses, as determined by Sublandlord and the Port Authority, for Sublandlord and Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, and if such Books and Records are maintained outside the contiguous United States Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all costs and expenses of Sublandlord and the Port Authority, as determined by Sublandlord and the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by Sublandlord and the Port Authority for the purpose of conducting such audit and examination.

(c) Without implying any limitation on the rights or remedies of Sublandlord or the Port Authority under this Sublease or otherwise, including without limitation the right of the Sublandlord to terminate this Sublease for an Event of Default, including a default of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, if any of the Books and Records are not maintained in English, then Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all costs and expenses of Sublandlord and the Port Authority, as determined by Sublandlord and the Port Authority, to translate such Books and Records into English.

(d) If upon conducting an examination and audit as described in this Section, Sublandlord or the Port Authority determines that unpaid amounts are due to Sublandlord or the Port Authority by Concessionaire (the "Audit Findings"), Concessionaire shall be obligated, and hereby agrees, to pay to Sublandlord and the Port Authority a service charge in the amount equal to of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by Sublandlord and the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to Sublandlord and the Port Authority by Concessionaire under this Sublease or otherwise. No acceptance by Sublandlord or the Port

Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of Sublandlord or the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Sublease or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by Sublandlord and the Port Authority in the same manner and with like remedies as if it were originally a part of the original fees to be paid. Nothing in this section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of Sublandlord or the Port Authority under this Sublease or otherwise, including, without limitation, Sublandlord's right to terminate this Sublease or the Port Authority's rights to revoke the Consent, or (ii) any obligations of Concessionaire under this Sublease. In addition, Concessionaire shall pay to Sublandlord and the Port Authority the cost of any audit or inspection performed pursuant to this Section if Gross Receipts were understated by more than three percent (3%).

Such statement shall also contain a list of the Gross Receipts by month, location, and product category, as shown on the Books and Records, which were used to compute the Monthly Rent and other payments made to Sublandlord and the Port Authority during the period covered by said statement, and shall additionally contain a schedule of the Rent payments made to Sublandlord and the Port Authority and detail on any exclusions from Gross Receipts. Such statement shall be certified, at Concessionaire's expense, by an independent certified public accountant. Concessionaire shall have until ninety (90) days from the end of each year during the Term to propose, in writing, any adjustments to such annual statement. No adjustments shall be made until Concessionaire has received approval from Sublandlord, the Port Authority, or their designated representatives, as applicable. Any additional or unpaid rent or fees due for the prior year shall be submitted with such annual statement.

(b) Any year-end credit due to Concessionaire, after approval of the annual certified statement, shall be taken by the 180th day of the year during which the annual statement was submitted. A credit shall be noted in the monthly statement submitted by Concessionaire and the credit shall be applied to the rent due. If credit is not taken by said date, credit shall be deemed as forfeited by Concessionaire with no further obligation by Sublandlord.

SECTION 4.03 Internal Controls. Concessionaire shall maintain an internal control structure designed to provide reasonable assurance that assets are safeguarded from loss or unauthorized use, that transactions are executed in accordance with management's authority, and

that the financial records are reliable for the purposes of preparing financial statements. SECTION 5.01 Alterations.

(a) Concessionaire shall not make or perform or permit the making or performance of, any alterations, installations, improvements, additions or other physical changes in or about the Concessionaire Premises, including Concessionaire's Work (collectively, "Alterations"), without the prior written consent of Sublandlord and the Port Authority as hereinafter set forth. Sublandlord's and the Port Authority's consent to Alterations may be withheld for any reason or for no reason. Any Alterations made to the Concessionaire Premises shall be made in accordance with (i) this Sublease, (ii) the Tenant Design Manual, (iii) the Master Lease, (iv) the Port Authority's TAA process and the specific TAA therefor, (v) the Consent, and (vi) all Legal Requirements.

(b) Title to all Alterations made and installed by Concessionaire upon or in the Concessionaire Premises shall pass to the City of New York as the same or any part thereof is erected, constructed or installed, in accordance with the Master Lease, provided that all furniture, finishings, movable trade fixtures, and personal property of Concessionaire shall remain the property of Concessionaire and upon the Expiration Date, shall be removed from the Concessionaire Premises by Concessionaire, provided, further, that Concessionaire shall repair any damage to the Concessionaire Premises or the Master Lease Premises caused by such removal. The foregoing provisions of this paragraph shall not affect the risks and obligations assumed by Concessionaire under this Sublease nor release Concessionaire from the performance of its obligations to rebuild and/or restore any such Alterations as set forth in this Sublease. Notwithstanding the foregoing, subject to the provisions of the Master Lease, Sublandlord shall have the right and privilege at any time up to six (6) months prior to the expiration of this Sublease to serve notice upon Concessionaire that any of such Alterations shall be removed and, in the event of service of such notice, Concessionaire shall, at Concessionaire's own cost and expense, remove the same in accordance with such request, and restore the Concessionaire Premises to its original condition, ordinary wear and tear and casualty excepted.

First-class standards of design and construction, as determined by Sublandlord, shall be complied with in connection with all Alterations and all construction shall conform with Sublandlord's Tenant Design Manual. Sets of plans and materials boards for all Alterations shall be given to Sublandlord for review prior to commencement of construction in accordance with the requirements listed in the Tenant Design Manual. After final approval by Sublandlord, Sublandlord shall return to Concessionaire one (1)

approved copy for Concessionaire's records and shall retain one (1) approved copy as an official record thereof.

(d) Concessionaire will additionally be required to comply with the Port Authority's Tenant Alteration Application (TAA) procedure and construction requirements. All costs associated with the TAA process, including any resubmissions, shall be borne by Concessionaire. The forms and information required in this process may be obtained directly from the Port Authority's Tenant Liaison Office in Building 14 at the Airport.

(e) All Alterations, including the plans and specifications therefor, constructed or installed by Concessionaire, its agents, or contractors, shall conform in all respects to applicable Legal Requirements, including the ADA Act of 1990, as outlined in the Tenant Design Manual. Any approval given by Sublandlord shall not constitute a representation or warranty as to such conformity; and responsibility therefor shall at all times remain with Concessionaire.

(f) Sublandlord's approval requirements shall extend to and include architectural and aesthetic matters and Sublandlord reserves the right at its sole and absolute discretion to reject any layout or design proposals submitted and to require Concessionaire to resubmit any such layout or design proposals until they meet Sublandlord's approval.

(g) In the event of disapproval by Sublandlord of any portion of any plans or specifications, Concessionaire shall promptly submit necessary modifications and revisions thereof for approval by Sublandlord. Sublandlord agrees to act promptly upon such plans and specifications and upon requests for approval of changes or alterations in said plans or specifications. No substantial changes or alterations, as determined by Sublandlord, shall be made in said plans or specifications after initial approval by Sublandlord, and no alterations or improvements shall be made to or upon the Concessionaire Premises without the prior written approval of Sublandlord.

(h) No more than sixty (60) days after the completion of any construction project, Concessionaire shall provide Sublandlord two (2) completed sets of as-built drawings in reproducible form as specified in Section 7 of the Tenant Design Manual and an electronic file of As-Built Drawings in the format outlined in Section 7 of the Tenant Design Manual, such submissions to include (i) stamped and sealed drawings within the Construction Document set, including architectural, structural, and MEP, (ii) a full set of specifications, including schedules of doors, hardware, equipment, furniture, finishes, and (iii) graphic specifications and details. Concessionaire agrees that, upon the request of Sublandlord, Concessionaire will inspect the Concessionaire Premises jointly with Sublandlord to verify the as-built drawings. If Concessionaire fails to provide such as-built drawings in accordance with the foregoing, Sublandlord shall have the right to assess against Concessionaire liquidated damages of up to $500 per day for each day until Concessionaire provides them, which liquidated damages shall be payable upon demand.

(i) Concessionaire may install video equipment in its Concessionaire Premises in accordance with plans and specifications to be submitted to Sublandlord, but shall not install any paging or audio system within the Concessionaire Premises without the prior written consent of Sublandlord.

SECTION 5.02 Access by Sublandlord and the Port Authority.

(a) Sublandlord, the Port Authority (to the extent permitted under the Master Lease), and their respective directors, officers, employees, agents, representatives, contractors, and furnishers of utilities and other services, shall have the right from time to time, at their own cost and expense, for their own benefit or for the benefit of others at the Master Lease Premises and/or Airport, to: (i) construct and maintain existing and future utility and other systems throughout the Concessionaire Premises; (2) enter the Concessionaire Premises at all reasonable times and upon reasonable notice (provided no notice shall be required during any real or threatened emergency) to inspect any part of the Concessionaire Premises, fixed improvements and operating equipment, and to make such repairs, replacements or alterations thereto as may, in the opinion of Sublandlord or the Port Authority, be necessary or advisable (and, if Concessionaire is otherwise obligated under this Sublease to perform such work and/or take such action, the cost thereof shall be due and payable by Concessionaire on demand, as Additional Rent; (3) construct or install facilities over, in or under parts of the Concessionaire Premises otherwise not conveniently accessible; and (4) install, operate, maintain, recover and repair the property used in connection with their respective rights to the Concessionaire Premises, provided that in each case in the exercise of such rights of access, maintenance, repair, replacement, alteration or new construction, Sublandlord and the Port Authority, as applicable, shall use reasonable efforts not to unreasonably interfere with the use and occupancy of the Concessionaire Premises by Concessionaire. In no event shall the exercise by Sublandlord or the Port Authority of the rights granted under this paragraph entitle Concessionaire to receive any compensation, reimbursement, damages or abatement of Rent, nor shall such actions by Sublandlord or the Port Authority constitute an eviction or constructive eviction of Concessionaire in whole or in part.

(b) If any movable property of Concessionaire shall obstruct the access of Sublandlord or the Port Authority, their employees, agents and/or contractors, to any of the existing or future utility, mechanical, electrical and/or other systems and thus shall interfere with the inspection, maintenance or repair of any such system, Concessionaire shall move such property, as directed by Sublandlord or the Port Authority, in order that access may be had to the system or part thereof for its inspection, maintenance and/or repair; and, if Concessionaire shall fail to so move such property after direction from Sublandlord or the Port Authority to do so, Sublandlord or the Port Authority may move it, and Concessionaire shall pay the cost of such moving upon demand. In the case of fixed improvements installed by or on behalf of Concessionaire that were approved by Sublandlord and/or the Port Authority and thereafter are required to be moved for the reasons provided above, Sublandlord, at its cost, may move the same and, upon completion of the inspection, maintenance and/or repair; and, to the extent Sublandlord is obligated pursuant to the Master Lease, Sublandlord shall restore such permanent

fixed improvements and repair any damage caused by such removal and restoration to the same condition as existed immediately prior to such removal.

SECTION 5.03 Minimum Initial Investment.

(a) As a valuable consideration for Sublandlord's entering into this Sublease, Concessionaire shall expend in the performance of Concessionaire's Work a minimum of One Hundred Thousand Dollars ($100,000) (the "Minimum Initial Investment"). Excluded Costs shall not be counted toward Concessionaire's satisfaction of the Minimum Initial Investment expenditure requirement.

(b) Within sixty (60) days after completion of all of Concessionaire's Work, Concessionaire shall provide Sublandlord with a statement executed by an officer of Concessionaire certifying the total cost of installing Concessionaire's Work, including the associated architectural, engineering, and interior design fees of independent consultants, less any Excluded Costs. If said costs are less than the Minimum Initial Investment, the difference shall be payable to Sublandlord and the Port Authority pro rata based on the percentages set forth in the definitions of Sublandlord Share and Port Authority Share, respectively, within thirty (30) days after issuance of such statement. This certification reporting and fee restrictions shall also apply to any Mid-Term Refurbishments. In addition to the certified statement, Concessionaire shall submit to Sublandlord paid contractor receipts and lien waivers for labor and materials for Concessionaire's Work that have been constructed, as well as depreciation schedules for (i) all Concessionaire's Work, (ii) the Initial Buildout Costs, and (iii) all Mid-Term Refurbishments upon the installation and cost certification thereof. Failure by Concessionaire to provide such reports and schedules on time shall result in a $150 per day penalty, payable to Sublandlord upon demand.

SECTION 5.04 Reimbursement of Unamortized Capital Investment.

(a) If this Sublease is terminated or the Term shall end prior to the eighth (8th) anniversary of the Rent Commencement Date as result of a Discretionary Revocation under Section 25.18 or for any other reason other than (i) Concessionaire's default hereunder, (ii) other cause, including a revocation of the Consent by the Port Authority as a result of a default thereunder, or (iii) a termination under Section 14.01(g), then Sublandlord shall reimburse Concessionaire for its Unamortized Capital Investment as of the effective date of such termination. (b) Any payments required to be made pursuant to this Section shall be in full and final satisfaction of any and all obligations, damages, reimbursements and compensation due to Concessionaire, arising from or related to a termination or expiration of the Sublease as described in Section 5.04(a). If Sublandlord is obligated to reimburse any Unamortized Capital Investment pursuant to this Section, under no circumstances shall Sublandlord be liable to

Concessionaire or any third party for any liabilities or damages whatsoever, including lost profits, revenues, or punitive, consequential, incidental or special damages, other than the Unamortized Capital Investment due Concessionaire under this Section.

(c) Notwithstanding anything in this Section to the contrary, Sublandlord shall not be required to reimburse Concessionaire for any Unamortized Capital Investment unless and until Concessionaire provides Sublandlord with reasonably detailed documentation verifying the Initial Buildout Costs and the Unamortized Capital Investment.

(d) Sublandlord and Concessionaire each expressly acknowledges and agrees that the Port Authority shall have no obligations to Concessionaire to subsidize, finance or reimburse any portion if the Unamortized Capital Investment, and Concessionaire hereby releases and discharges the Port Authority from any such obligation with respect to the Unamortized Capital Investment.

Such Wi-Fi services may be used by Concessionaire, but Sublandlord makes no representations or warranties regarding the availability of such service throughout the Master Lease Premises and there shall be no liability on the part of Sublandlord if such service shall not be available to Concessionaire.

SECTION 11.04 Limitations. In no event shall any Concessionaire operating a retail business install and operate refrigerators or other electrical equipment to dispense food, beverages, or other items, provided that Sublandlord shall have the right to charge any Concessionaire utilizing any such equipment for the reasonable cost of electricity used thereby in the Concessionaire Premises. In such event, Sublandlord shall have its engineers prepare a monetary estimate of annual utility consumption by such equipment, which amount shall be payable monthly as Additional Rent and adjusted from time to time by Sublandlord based on increases in utility rates.

SECTION 11.05 Interruptions to Services. Sublandlord shall have no responsibility or liability for interruption, curtailment or failure to supply cooled or outside air, heat, elevator, plumbing, electricity, or any other service when prevented by exercising its right to stop service or by strikes, labor troubles or accidents or by any cause whatsoever beyond Sublandlord's reasonably control, or by failure of independent contractors to perform or by laws, orders, rules or regulations of any federal, state, county or municipal authority, or failure of suitable fuel supply, or inability by exercise of reasonable diligence to obtain suitable fuel or by reason of governmental preemption in connection with a National Emergency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency. The exercise of such right or such failure by Sublandlord shall not constitute an actual or constructive eviction, in whole or in part, or entitle Concessionaire to any compensation or to any abatement or diminution of rent, or relieve Concessionaire from any of its obligations under this Sublease, or impose any liability upon Sublandlord or its agents by reason of inconvenience

or annoyance to Concessionaire, or injury to or interruption of Concessionaire's business, or otherwise.

ARTICLE XII. INSURANCE AND INDEMNITY

SECTION 12.01 Concessionaire's Insurance.

(a) Concessionaire shall obtain and maintain at all times during the term of this Sublease, at a minimum, the following insurance coverage from companies acceptable to Sublandlord in accordance with this Article: (i) Commercial General Liability (including Premises, Products and Completed Operations, Personal/Advertising Injury, Contractual, and Host Liquor Liability coverages) for bodily injury, including personal injury, and property damage, (ii) Automobile Liability for owned, non-owned and hired vehicles and trailers, (iii) Employer's Liability, (iv) Workers' Compensation, (v) "All-risk" Property, (vi) Builder's Risk, and (vii) the other coverage described in this Article, with the coverages and limits of liability not less than shown below.

Commercial General Liability:	$5,000,000 AGG
Premises:	$5,000,000 OCC
Products & Completed Operations:	$5,000,000 OCC
Personal/Advertising Injury:	$5,000,000 OCC
Contractual:	$5,000,000 OCC
Host Liquor Liability	$5,000,000 OCC
Automobile Liability:	$1,000,000 OCC [$25,000,000 OCC (if automobile access to the AOA)]

Workers' Compensation:	Per State Requirements
"All risk" Property	100% of Replacement Value
Builder's Risk	$100% of Replacement Value of Concessionaire's Work

(b) Such policies shall provide that Concessionaire is named as the insured and that Sublandlord, the Port Authority, and the City of New York, and their respective Commissioners, directors, officers, employees and agents, shall be added as additional insureds, as their respective interests may appear, except with respect to the Employer's Liability and Workers' Compensation insurance required to be carried. The Commercial General Liability policy(ies) of insurance required to be carried above shall include the following statement:

> "Further, unless otherwise agreed by the Port Authority, the liability policy shall be specifically endorsed, to prohibit the insurance carrier from raising any defenses involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority

without obtaining express advance written permission from the General Counsel of the Port Authority."

(c) The insurance requirements set forth in this Article do not in any way limit the amount or scope of liability of Concessionaire under this Sublease. The amounts listed indicate only the minimum amounts of insurance coverage that Sublandlord is willing to accept to help insure full performance of all terms and conditions of this Sublease.

(d) Concessionaire and all officers and employees of Concessionaire who may handle or are responsible for the handling of receipts and disbursements shall be covered by insurance in an amount not less than Five Hundred Thousand Dollars ($500,000) for employee dishonesty coverage against any and all loss, theft, embezzlement or other fraudulent acts on the part of Concessionaire or Concessionaire's employees, and not less than One Hundred Thousand Dollars ($100,000) for money and securities on or off premises, transit and depositors forgery coverage, indemnifying Sublandlord and the Port Authority, as co-obligees, against any and all loss, theft, embezzlement or other fraudulent acts of the part of Concessionaire or Concessionaire's employees.

(e) All insurance coverages and policies required under this Sublease may be reviewed by Sublandlord for adequacy of terms, conditions and limits of coverage at any time during the term of this Sublease. Sublandlord may, at any such time, require commercially reasonably additions, deletions, amendments or modifications to the above insurance requirements, or may require such other and additional insurance, in such reasonable amounts against such other insurable hazards, as Sublandlord may deem required.

SECTION 12.02 Additional Details and Coverages.

(a) During any construction activity with a value of Twenty Five Thousand Dollars ($25,000) or more, Concessionaire shall obtain and maintain for the benefit of the parties to the Sublease, as their interest may appear, "special peril" Builder's Risk insurance equal to one hundred percent (100%) of the value of the project. Coverage shall also include: (i) form work in place; (ii) form lumber on site; (iii) temporary structures; (iv) equipment; and (v) supplies related to the work while at the site. In the event Concessionaire fails to maintain such insurance, Sublandlord may, at its option, arrange therefor, and any premium incurred shall be reimbursed by Concessionaire to Sublandlord upon demand.

(b) Concessionaire shall maintain gross earnings and extra expense insurance that shall include coverage for all rent due in accordance with this Sublease for a minimum of a six (6) month period. The proceeds of such insurance shall be used first to continue rent payments to Sublandlord and the Port Authority.

(c) Prior to any commencement of any construction, alteration, or repair hereunder by Concessionaire that exceeds Ten Thousand Dollars ($10,000.00) in cost, Concessionaire shall furnish to Sublandlord, at Concessionaire's sole cost, a performance bond and a payment bond issued by a surety Concessionaire licensed to transact business in the State of New York and approved by Sublandlord, in a form approved by Sublandlord. The penal

amount of each bond shall not be less than one hundred percent (100%) of the total cost of the contract or contracts for the construction, alteration, or repair. In the event that such contract(s) involve alteration or work on or to Sublandlord's facilities, the performance and payment bonds shall be posted regardless of the dollar value of the work. The payment bond required by this Section shall guarantee the prompt payment to all persons supplying labor, materials, provisions, supplies, and equipment used directly or indirectly by any contractor, subcontractor(s), and suppliers doing work provided for in the above-mentioned construction contract, and the performance bond shall guarantee the full performance of the work.

(d) Unless otherwise agreed to, prior to commencement of construction of the Concessionaire Premises, Concessionaire shall pay the construction deposit as detailed in Section 6.09 of the Tenant Design Manual.

(e) Upon completion of construction, Concessionaire shall procure and maintain policies of insurance at its own expense, insuring the Concessionaire Premises and improvements thereon against all perils of direct physical loss, excluding earthquake and flood. The insurance coverage shall be for not less than one hundred percent (100%) of the full replacement value of said Concessionaire Premises and improvements with an agreed amount clause and a reasonable and customary deductible on said Concessionaire Premises and improvements. Such amount is subject to final approval by Sublandlord. Concessionaire shall furnish to Sublandlord and the Port Authority evidence that such coverage has been procured and is being maintained in full force and effect.

SECTION 12.03 Certificates. Not less than ten (10) days prior to Concessionaire first taking possession of the Concessionaire Premise hereunder, and not less than thirty (30) days prior to the expiration or other termination of any such insurance, Concessionaire shall furnish to Sublandlord and the Port Authority certificates evidencing that Concessionaire has the insurance required by this Sublease. All insurance required to be carried by Concessionaire hereunder shall be effected under valid and enforceable policies issued by reputable and independent insurers permitted to do business in the State of New York and having either (a) a general policyholder rating from Best's Insurance Guide, or an equivalent organization, of not less than "A-" or (b) an international reputation in the aviation marketplace.

SECTION 12.04 Additional Requirements. With respect to the commercial general and automobile liability insurance, each policy shall (a) be primary without right of contribution from any insurance that is carried by Sublandlord or the Port Authority, (b) name as additional insureds the parties listed above, (c) contain a waiver of subrogation in favor of the additional insureds, (d) provide that Concessionaire is solely responsible for the payment of all premiums, deductibles, self insured retentions, penalties and punitive damages thereunder, and (e) contain a provision requiring the insurer(s) to provide Sublandlord and the Port Authority with not less than thirty (30) days' prior written notice of any cancellation or adverse material change in such insurance. To the extent that Concessionaire relies on an excess or "umbrella" policy of insurance to satisfy the requirements of this section, any such policy shall be no less broad than the underlying policy, shall have the same inception and expiration dates as the underlying policy, and shall include a drop-down provision. Any deductible or self insured retention

exceeding ten percent (10%) of the per occurrence or per accident limit of a required policy is subject to approval by Sublandlord and the Port Authority.

SECTION 12.05 Concessionaire's Risk. Concessionaire shall be responsible for obtaining any insurance it deems necessary to cover its own risks. In no event shall Sublandlord or the Port Authority be liable for any: (a) business interruption or other consequential loss sustained by Concessionaire; (b) damage to, or loss of Concessionaire's property of any kind; or (c) damage to, or loss of, an automobile, whether or not such loss is insured, even if such loss is caused by the negligence of Sublandlord or the Port Authority.

SECTION 12.06 Periodic Review. Sublandlord shall have the right to periodically review the types, limits, and terms of insurance coverage. In the event Sublandlord or the Port Authority determines that such types, limits, and/or terms should be changed, Sublandlord will give Concessionaire a minimum of thirty (30) days' notice of such determination and Concessionaire shall modify its coverage to comply with the new insurance requirements of Sublandlord. Concessionaire shall also provide Sublandlord and the Port Authority with proof of such compliance by giving Sublandlord and the Port Authority an updated certificate of insurance within fifteen (15) days.

SECTION 12.07 General Indemnification.

(a) Concessionaire shall indemnify, hold harmless and defend Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives from and against any and all claims and actions, demands, damages, civil penalties, charges, judgments, losses, liabilities of any character or kind and other legal actions and proceedings of whatever nature, including reasonable attorney's fees (including fees to establish the right to indemnification) resulting from, arising out of, related to, or caused by Concessionaire's or Concessionaire's sublessees' conduct of business or from any activity or other things done, permitted, or suffered by Concessionaire in, or about the Concessionaire Premises, Master Lease Premises, and/or Airport or other act or failure to act, excluding only claims or actions arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives, provided that Sublandlord shall give Concessionaire prompt and reasonable notice of any such claim or actions made or filed against it.

(b) Concessionaire hereby agrees to release and hold harmless Sublandlord, the Port Authority, the City of New York, their Commissioners, officers, agents and employees, as the case may be, from any damages to Concessionaire caused by noise, vibrations, fumes, dust, fuel particles and all other effects that may be caused by the operation of aircraft landing at or taking off from, or operating at or on the Airport; and Concessionaire does hereby fully waive, remise and release any right or cause of action that it may now have or that it may have in the future against Sublandlord, the Port Authority, their successors and assigns, due to such noise, vibrations, fumes, dust, fuel particles, and all other effects that may be caused or may have been caused by the operations at or in the Master Lease Premises and/or on the Airport. The above exception shall not limit a cause of action against other persons or entities, including licensees, concessionaires or aircraft operators.

(c) Concessionaire further agrees to hold Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives free and harmless from any claims arising out of the damage, destruction or loss of any or all of Concessionaire's equipment, excluding any claims arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives.

SECTION 12.08 Sublandlord's Right to Recover Damages. Concessionaire agrees to reimburse Sublandlord and the Port Authority, as applicable, for any and all damages, expenses, costs, fees (including, but not limited to, attorney, accountant, paralegal, and expert fees), fines, environmental costs and/or penalties (collectively "Costs") that may be imposed upon, incurred or suffered by Sublandlord or the Port Authority, as applicable, and which, in whole or in part, arise from any of the following, except to the extent resulting from the sole negligent acts of Sublandlord or the Port Authority, as applicable: (a) any act or omission of Concessionaire; (b) any use, occupation, management or control of the Concessionaire Premises by Concessionaire, whether or not due to Concessionaire's own act or omission and whether or not occurring on the Concessionaire Premises; (c) any condition created in or about the Concessionaire Premises by any party (other than Sublandlord and the Port Authority), including any accident, injury or damage occurring on or about the Concessionaire Premises after the date on which Concessionaire takes possession of the Concessionaire Premises for build-out; and (d) any breach, violation or nonperformance of any of Concessionaire's obligations under this Sublease. For purposes of this Section, "Concessionaire" shall be deemed to include Concessionaire and Concessionaire's partners, officers, directors, employees, agents, sublessees, and contractors, and, in the case where Concessionaire may be a limited liability company, its members and managers.

SECTION 12.09 Waiver of Right of Recovery, Indemnification. Except as otherwise provided in this Sublease, neither Sublandlord nor the Port Authority shall be liable to Concessionaire or Concessionaire's insurance company (by way of subrogation or otherwise) for any loss or damage to any building, structure or other tangible property, or any resulting loss of income, or losses under workers' compensation laws and benefits, even though such loss or damage might have been occasioned by the non-gross negligence of Sublandlord, the Port Authority, or their respective agents or employees.

SECTION 12.10 Survival. The indemnification provisions of this Article shall survive the expiration or earlier termination of this Sublease.

ARTICLE XIII. HAZARDOUS MATERIAL

SECTION 13.01 Assumption of Liability. Concessionaire hereby expressly agrees to assume all responsibility for, relieve Sublandlord and the Port Authority from, and reimburse Sublandlord and the Port Authority for, any and all risks, claims, penalties, costs and expenses of any kind whatsoever caused by, arising out of or in connection with, any Hazardous Substances found on, under or about the Master Lease Premises after the date hereof due to the acts or omissions of Concessionaire, its affiliates, officers, agents, employees, contractors or representatives, including without limitation compliance with all Environmental Requirements

and remediation of all Environmental Damages with respect thereto, and to indemnify and hold harmless Sublandlord for all such risks, claims, penalties, responsibilities, costs and expenses.

SECTION 13.02 Compliance with Laws. Without limiting Concessionaire's obligations elsewhere under this Sublease to comply with all Legal Requirements, Concessionaire understands and agrees that it shall be obligated, at its sole cost and expense, to comply with and relieve Sublandlord and the Port Authority from compliance with all Environmental Requirements which are applicable to or which affect (i) the Concessionaire Premises as a result of Concessionaire's use and occupancy thereof, (ii) the operations of, or work performed by, Concessionaire or others with the consent of Concessionaire at the Concessionaire Premises or Concessionaire's operations at the Airport, (iii) the occupancy and use of the Concessionaire Premises by Concessionaire or by others with its consent (and in accordance with this Sublease), or (iv) any Hazardous Substance which has migrated from the Concessionaire Premises. Concessionaire shall, perform all remediation, containment and clean-up of Hazardous Substances required in order to fully satisfy the compliance obligations set forth herein. Nothing in the foregoing shall be construed as a submission by Sublandlord to the application to itself of any Environmental Requirements, provided that no immunity or exemption of Sublandlord from any Environmental Requirements shall excuse compliance or be grounds for noncompliance on the part of Concessionaire. Without limiting the generality of the foregoing and as part of the Concessionaire's fulfillment of the foregoing obligations, Concessionaire shall be responsible, at its sole cost and expense and subject to the direction of Sublandlord, for:

(i) the preparation of and submission to all applicable Governmental Authorities of any notice, negative declaration, remedial action workplan, no further action letter, remediation agreement or any other documentation or information;

(ii) the obtaining of any surety bond or the giving of any other financial assurances; and

(iii) complying with the provisions of all Environmental Requirements becoming effective on or relating to the termination, expiration or surrender of the letting of the Concessionaire Premises or of any portion thereof under this Sublease, or on the closure or transfer of the Concessionaire's operations at the Concessionaire Premises.

SECTION 13.03 Actions by Concessionaire. In addition to and without limiting the generality of the obligations of Concessionaire set forth above and elsewhere in this Sublease, Concessionaire shall, at its sole cost and expense, upon notice from Sublandlord, promptly take all actions to:

(i) completely remove and remediate (i) all Hazardous Substances in, on and under the Concessionaire Premises and at the Airport resulting from or in connection with the use and occupancy of the Concessionaire Premises by Concessionaire or any affiliate of Concessionaire or which have been or permitted to be disposed of, released, discharged or otherwise placed in, on or under the Airport by Concessionaire or any affiliate of Concessionaire, and (ii) all Hazardous Substances which have been disposed

of, released, discharged or otherwise placed in, on or under the Concessionaire Premises during the Term or during the term of any previous agreement between Concessionaire or any affiliate of Concessionaire and Sublandlord covering Concessionaire's or any such affiliate's use and/or occupancy of the Concessionaire Premises or any portion thereof, except for Hazardous Substances caused by the sole acts or omissions of Sublandlord or Sublandlord's officers, agents, employees, contractors and representatives on or after the date hereof;

(ii) remove and remediate all Hazardous Substances in, on or under the Concessionaire Premises or which have migrated from or from under the Concessionaire Premises, in either case as a result of the acts or omissions of Concessionaire, its affiliates, agents, contractors or representatives, to any other property which any Governmental Authority or any Environmental Requirement or any violation thereof require to be remediated or removed; and

(iii) remove and remediate all Hazardous Substances which were in, on or under the Lease Premises and which have migrated from or from under the Concessionaire Premises, in either case as a result of the acts or omissions of Concessionaire, its affiliates, agents, contractors or representatives, necessary to mitigate any Environmental Damages.

SECTION 13.04 Intentionally Omitted.

SECTION 13.05 Additional Remedies of Sublandlord. Without limiting Sublandlord's remedies under this Sublease or at law or in equity, Sublandlord shall have the right during and after the Term to such equitable relief, including restraining injunctions and declaratory judgments, to enforce compliance by Concessionaire of its environmental obligations under this Concession Agreement, including without limitation all Concessionaire's obligations under this Section. In the event that Concessionaire fails to comply with or perform any of such obligations, Sublandlord at any time during the Term or subsequent to the termination, expiration or surrender of the letting of the Concessionaire Premises or any portion thereof may elect (but shall not be required) to perform such obligations and upon demand Concessionaire shall pay to Sublandlord as additional rent its costs thereof, including all overhead costs as determined by Sublandlord.

SECTION 13.06 Obligation to Provide Information. Without limiting any other of Concessionaire's obligations under this Sublease, Concessionaire shall provide Sublandlord, at the cost and expense of Concessionaire, with such information, documentation, records, correspondence, notices, reports, tests, results, and certifications and any other information as Sublandlord shall request in connection with any Environmental Requirements which Concessionaire is obligated to comply with pursuant to this Sublease or Environmental Damages and Concessionaire shall promptly acknowledge, swear to (if required), sign or otherwise fully execute the same. Concessionaire agrees that any of the foregoing may be filed by Sublandlord with the appropriate Governmental Authority on behalf of Concessionaire at Concessionaire's cost and expense. Further, Concessionaire agrees unless directed otherwise by Sublandlord, to

provide Sublandlord with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by Concessionaire to a Governmental Authority and by a Governmental Authority to Concessionaire within five (5) days that the same are made available to or received by Concessionaire with respect to any Environmental Requirements or any Environmental Damages.

SECTION 13.07 Indemnification. Without limiting the generality of any other provision contained in this Sublease, Concessionaire shall indemnify, hold harmless and reimburse Sublandlord, the Port Authority, their respective directors, officers, employees and representatives, from all claims, demands, penalties, fines, liabilities (including strict liability), settlements, attorney and consultant fees, investigation and laboratory fees, removal and remediation costs, court costs and litigation expenses, damages, judgments, losses, costs and expenses of whatsoever kind or nature and whether known or unknown, contingent or otherwise, just or unjust, groundless, unforeseeable or otherwise, arising or alleged to arise out of or in any way related to any Environmental Damages or any Environmental Requirement which Concessionaire is obligated to comply with pursuant to this Sublease, or the risks and responsibilities assumed hereunder by Concessionaire for the condition of the Concessionaire Premises or a breach or default of Concessionaire's obligations under this Section. If so directed, Concessionaire shall at its own expense defend any suit based upon the foregoing.

SECTION 13.08 Compliance Standards. Without limiting the generality of any provision of this Sublease, in the event that any Environmental Requirement sets forth more than one compliance standard, Concessionaire agrees that the standard or standards to be applied in connection with any obligation it may have under this Sublease with respect to said Environmental Requirement shall be that which requires or permits the lowest level of a Hazardous Substance, provided that in the event such lowest level of a Hazardous Substance requires or allows the imposition of any restriction of any nature whatsoever upon the use or occupancy of the Concessionaire Premises or any other portion of the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport or upon the transfer of the Concessionaire Premises or the Airport, then Concessionaire shall remediate to such a level so that there is no such restriction placed upon the use and occupancy of the Concessionaire Premises or the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport.

SECTION 13.09 Effect on Master Lease. It is expressly acknowledged and agreed that nothing in this Article XIII shall constitute a modification, as between the Sublandlord and the Port Authority, of the Master Lease, and that none of the liabilities or obligations of the Sublandlord pursuant to the Master Lease are being assigned or delegated to Concessionaire hereunder.

ARTICLE XIV. ASSIGNMENT AND SUBLETTING

SECTION 14.01 Limitations, Prohibitions.

(a) Concessionaire covenants and agrees that it shall not assign, mortgage, pledge, encumber, or otherwise transfer this Sublease, nor underlet, nor suffer, nor permit the Concessionaire Premises or any part thereof to be used or occupied by others or all or any part of the letting hereunder, without obtaining the prior written consent of Sublandlord and the Port Authority, which consent neither Sublandlord nor the Port Authority shall have any obligation whatsoever to give. Any attempted transfer, assumption, assignment or sublease which does not comply with the provisions of this Article shall be void, *ab initio,* and infer no rights upon any third-parties. No amendment, transfer, assumption or contract shall relieve the Concessionaire of any of its obligations under this Sublease. Consent to the foregoing by any one or more of the Port Authority and Sublandlord shall not be deemed a waiver on the part of either or both of the Port Authority or Sublandlord to any prohibition against any future transfer, assignment, assumption or sublease.

(b) The term "transfer" includes, but is not limited to transactions in which any interest of Concessionaire in this Sublease or the Concessionaire Premises are mortgaged or otherwise encumbered or in which the Concessionaire sublets, rents, licenses, or otherwise permits occupancy or use of the Concessionaire Premises or any part thereof.

(c) If Concessionaire is a corporation, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the issued or outstanding stock of said corporation shall change shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a corporation, or if Concessionaire is a corporation whose stock is owned by a corporation ("Parent"), any transfer of any issued or outstanding stock or other change of ownership of Concessionaire or Parent by which control of the majority of the issued or outstanding stock of Concessionaire or Parent shall change shall be deemed to be a transfer under this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a partnership or joint venture, any sale, assignment or transfer, by operation of law or otherwise, of a controlling interest in such partnership or joint venture shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a limited liability company, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the membership interests in such limited liability company shall change, shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(d) A merger, reorganization (including by dissolution, stock transfer or change of classes of stock), or recapitalization of or with Concessionaire, either directly or indirectly, and a purchase of all or substantially all of Concessionaire's assets or stock, shall also

be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(e) If this Sublease is assigned, or if the Concessionaire Premises or any part thereof be underlet or occupied by anybody other than Concessionaire, Sublandlord may, after default by Concessionaire, collect rent from the assignee, undertenant or occupant, and apply the net amount collected to the rent herein reserved, and after Concessionaire shall have defaulted in respect of any of its obligations under this Sublease, Concessionaire shall hold any amounts it receives from any undertenant or occupant in constructive trust for payment of Concessionaire's obligations hereunder; but no assignment, underletting, occupancy or collection shall be deemed a waiver of the provisions hereof, the acceptance of the assignee, undertenant or occupant as tenant, or a release of Concessionaire from the further performance by Concessionaire of covenants on the part of Concessionaire herein contained.

(f) Notwithstanding the foregoing provisions of this Article, and regardless of whether Sublandlord has in fact consented to any further subletting of the Concessionaire Premises or a proposed transfer, Sublandlord's consent will be of no force and effect and shall not be binding upon the Port Authority in any manner whatsoever. No such further subletting or a proposed transfer shall be effective and no estate or benefit shall be conferred on anyone until such time as the Port Authority has consented in writing, as determined in the Port Authority's sole and absolute discretion, to any such further subletting or a proposed transfer, provided that any such consent by the Port Authority shall not become effective until such time as the transferee, any other applicable parties, and the Port Authority shall have entered into an agreement with respect to the use or occupancy of the Concessionaire Premises in such form and substance required by the Port Authority. In addition, the terms and provisions of the Consent which in any way discusses and/or addresses the Port Authority's rights with respect to the subject matter covered in this Article shall be controlling and shall govern. Further, if this Sublease is assigned by Sublandlord and assumed by the Port Authority for any reason whatsoever, the Port Authority shall have the right to determine, in its sole and absolute discretion, whether any of the provisions of this Article shall be binding upon and enforceable against the Port Authority and thereafter be considered to be a part thereof following such assignment and assumption.

(g) Notwithstanding anything in this Sublease to the contrary, if Concessionaire (i) is a corporation or limited liability company whose stock or membership interests, as the case may be, are publicly traded on a national securities exchange or on the "over-the-counter" market, and (ii) fails to obtain the consent of both Sublandlord and the Port Authority to any transfer of a type described in clauses (c) or (d) above, then Sublandlord shall have the right to terminate this Sublease by written notice given at any time within ninety (90) days after the date such transfer occurs, provided that Sublandlord shall have no obligation to reimburse Concessionaire for its Unamortized Capital Investment as a result of any such termination.

ARTICLE XV. DAMAGE AND DESTRUCTION

SECTION 15.01 Damage Caused to Master Lease Premises or Airport Property. Any damage caused to the Master Lease Premises, Airport, or any Master Lease Premises or Airport property or operations or the property of any other tenant, person, or entity caused by Concessionaire, or as a result of the operations of Concessionaire, shall be the responsibility of and promptly repaired by Concessionaire unless otherwise directed by Sublandlord, and Concessionaire shall reimburse Sublandlord for any such damage paid for by Sublandlord within thirty (30) days of billing by Sublandlord. The foregoing reimbursement obligation shall apply with respect to damage to Port Authority or Airport property or operations, the cost of which is incurred by the Port Authority. Any sums so paid by Sublandlord shall bear interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by law, whichever is greater, from the date paid by Sublandlord until Sublandlord has been fully repaid. If the same type of damage is caused by Concessionaire more than once, such as a water leak or electrical service interruption, Sublandlord shall review and approve Concessionaire's plan of repair or may require that Concessionaire allow Sublandlord to make the repair and then reimburse Sublandlord for the cost of such repair.

SECTION 15.02 Partial Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Sublandlord. The damage to the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, shall be repaired and restored by Sublandlord at Sublandlord's expense to essentially the same condition as that which existed prior to such damage. Notwithstanding the foregoing, if such damage is caused by the negligence of Concessionaire, its officials, agents or employees, Concessionaire shall pay for all loss, damage and costs thereof. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) If those portions of the Concessionaire Premises constituting Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Concessionaire. Such damaged portions of the Concessionaire Premises shall be repaired and restored by Concessionaire at Concessionaire's expense to essentially the same condition as that which existed prior to such damage. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the

untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as set forth in paragraph (a) above.

(c) In all events, Concessionaire shall open, or reopen, as the case may be, for business immediately upon the completion of the repairs and restoration. If Concessionaire has exercised due diligence in attempting to complete the necessary repairs and restoration required hereby but is unable to do so within sixty (60) days following the date of said damage or the date of completion of any repairs and restoration first required to be made by Sublandlord in accordance herewith, then Sublandlord has the right to terminate this Sublease as to that portion or those portions of the Concessionaire Premises so damaged. Upon such termination, the Minimum Annual Guaranteed Rent shall be adjusted based on the proportion of the floor area terminated to the total floor area of the Concessionaire Premises immediately prior to said damage.

SECTION 15.03 Total Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, is totally destroyed or damaged by fire or other casualty or so damaged as to remain untenantable for more than sixty (60) days, Sublandlord shall be under no obligation to repair and restore such destruction and damage. The rent of the affected portions of the Concessionaire Premises shall be abated for the period from the date such destruction and damage occurred until (i) such space is repaired and restored, (ii) such space is temporarily replaced with other space reasonably sufficient to allow Concessionaire to operate, if such space is reasonably available, or (iii) this Sublease terminates, as the case may be, all in accordance with this Section. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) Sublandlord shall notify Concessionaire within sixty (60) days after the occurrence of such casualty whether it intends to repair and restore such destruction and damage. If Sublandlord elects to repair and restore, it shall do so with due diligence and at its expense, unless such damage was caused by the negligence of Concessionaire, its officials, employees, or agents, in which case Concessionaire shall pay for all loss, damage, and costs thereof. Should Sublandlord elect not to repair and restore such destruction and damage, this Sublease shall terminate on the date of notification by Sublandlord as specified in this Paragraph for the untenantable portions of the Concessionaire Premises. In either such event, Sublandlord agrees to use reasonable efforts to make reasonably sufficient substitute space available for Concessionaire during any repair or restoration period or upon a termination of this Sublease as set forth above.

SECTION 15.04 Notification of Damage. Concessionaire shall report any damage to the Concessionaire Premises to Sublandlord and the Port Authority immediately upon the occurrence thereof.

SECTION 15.05 Express Agreement. The parties agree that this Article constitutes an express agreement governing any case of damage or destruction of the Concessionaire Premises or the Master Lease Premises by fire or other casualty, and that Section 227 of the Real Property Law of the State of New York, which provides for such contingency in the absence of an express agreement, and any other law of like import now or hereafter in force, shall have no application in any such case.

ARTICLE XVI. EMINENT DOMAIN

SECTION 16.01 Condemnation.

(a) If the whole of the Master Lease Premises or any portion of the Concessionaire Premises shall be taken by any public authority under the power of eminent domain or sold to a public authority under threat or in lieu of such taking, then the Term shall cease as of the day upon which possession is taken by such public authority, and the Rent shall be paid up to that day.

(b) A voluntary sale or transfer of an interest in all or any part of the Master Lease Premises or of the Concessionaire Premises to any public or quasi-public body, agency, person or other entity, corporate or otherwise, having the power of eminent domain, either under threat of condemnation or while condemnation proceedings are pending, shall be deemed to be a taking under the power of eminent domain for the purposes of this Article.

SECTION 16.02 Damages and Awards. Concessionaire shall have no claim against Sublandlord, the Port Authority or the applicable condemning authority for any award and damages for such taking under the power of eminent domain or proceeds from any sale under threat or in lieu of such a taking and any award or damages shall be distributed in accordance with the Master Lease, provided that neither Sublandlord nor the Port Authority shall be entitled to any award or damages specifically designated as compensation for, depreciation to, or cost of removal of, the personal property and trade fixtures of the Concessionaire.

ARTICLE XVII. DEFAULT

SECTION 17.01 Events of Default. Upon the occurrence, at any time prior to or during the Term, of any one or more of the following events (each, an "Event of Default"):

(a) if Concessionaire shall (i) default in the payment to Sublandlord when due of any installment of Rent or in the payment to Sublandlord when due of any Additional Rent, and such default shall continue for a period of five (5) days after notice by Landlord to Tenant of such default, or (ii) default in the payment to the Port Authority when due of any installment of Rent or in the payment to the Port Authority when due of any Additional Rent; or

(b) if Concessionaire shall default in the observance or performance of any term, covenant or condition on Concessionaire's part to be observed or performed under any other lease or agreement with Sublandlord and such default shall continue beyond any grace period set forth in such other lease or agreement for the remedying of such default; or

(c) if the Concessionaire Premises shall become deserted or abandoned; or

(d) if a Governmental Authority terminates, revokes or suspends any certificate, license, permit or authority held by Concessionaire without which Concessionaire shall not be lawfully empowered to conduct its business operations in the Concessionaire Premises and such certificate, license, permit, or authority is not reinstated, or a new one received, within five (5) days; or

(e) if Concessionaire shall fail to cause any lien filed against the Concessionaire Premises, the Master Lease Premises, or any Sublandlord or Port Authority property to be released of record by payment, bond, order of a court of competent jurisdiction or otherwise, within fifteen (15) days after the filing thereof; or

(f) if Concessionaire's interest in this Sublease shall devolve upon or pass to any person, whether by operation of law or otherwise, except as may be expressly permitted under Article XIV hereof; or

(g) if Concessionaire shall file a voluntary petition in bankruptcy or insolvency, or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, or shall make an assignment for the benefit of creditors or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Concessionaire or of all or any part of Concessionaire's property; or

(h) if, within sixty (60) days after the commencement of any proceeding against Concessionaire, whether by the filing of a petition or otherwise, seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, such proceeding shall not have been dismissed, or if, within sixty (60) days after the appointment of any trustee, receiver or liquidator of Concessionaire, or of all or any part of Concessionaire's property, without the consent or acquiescence of Concessionaire, such appointment shall not have been vacated or otherwise discharged, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property pursuant to which the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied; or

(i) if within any twelve (12) consecutive calendar month period, Concessionaire shall have on three (3) or more occasions failed to pay Rent when due hereunder, or Sublandlord has had grounds to commence more than two summary proceedings;

(j) Failure to timely deliver the Letter of Credit and any replacement thereof, that continues for a period of ten (10) business days after written notice thereof to Concessionaire; or

(k) The act or omission of Concessionaire which, under the terms of this Sublease or the Master Lease is prohibited and which would result in the Port Authority having the right to terminate the Master Lease or revoke the Consent for cause, provided that if such act or omission is cured prior to the Port Authority terminating the Master Lease or revoking the Consent, and the Port Authority does not terminate the Master Lease or revoke the Consent, then such act or omission by Concessionaire shall be deemed cured; or

(l) if Concessionaire shall default in the observance or performance of any other term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed and either (1) Concessionaire shall fail to remedy such default within thirty (30) days after notice by Sublandlord to Concessionaire of such default, or (2) if such default is of such a nature that it cannot be completely remedied within said period of thirty (30) days, Concessionaire shall not commence the cure of such default within said period of thirty (30) days, thereafter diligently prosecute to completion all steps-necessary to remedy such default and completely remedy such default within sixty (60) days of the notice from Sublandlord;

then, Sublandlord, at any time thereafter, at Sublandlord's option, may give to Concessionaire a five (5) days' notice of termination of this Sublease and, in the event such notice is given, this Sublease and the Term shall come to an end and expire upon the expiration of said five (5) days with the same effect as if the date of expiration of said five (5) days were the Expiration Date, but Concessionaire shall remain liable for damages as provided in this Article.

SECTION 17.02 Rights, Remedies, Damages.

(a) If there exists an Event of Default by Concessionaire, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property whereupon the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Concessionaire, or if this Sublease and the Term shall expire and come to an end as provided in Section 17.01, then:

(i) Sublandlord and its agents and servants may immediately, or at any time after such default or after the date upon which this Sublease and the Term shall expire and come to an end, re-enter the Concessionaire Premises or any part thereof, without notice, either by summary proceedings, or by any other applicable action or proceeding, or by force or otherwise (without being liable to indictment, prosecution or damages therefor), and may repossess the Premises and dispossess Concessionaire and any other persons from the Concessionaire Premises and remove any and all of their property and effects from the Concessionaire Premises; and

(ii) Sublandlord, at Sublandlord's option, may relet the whole or any part or parts of the Concessionaire Premises from time to time, either in the name of Sublandlord or otherwise, to such tenant or tenants, for such term or terms ending before, on or after

the Expiration Date, at such rental or rentals and upon such other conditions, which may include concessions and free rent periods, as Sublandlord, in its sole discretion, may determine. Sublandlord shall have no obligation to relet the Concessionaire Premises or any part thereof and shall in no event be liable for refusal or failure to relet the Concessionaire Premises or any part thereof, or, in the event of any such reletting, for refusal or failure to collect any rent due upon any such reletting, and no such refusal or failure shall operate to relieve Concessionaire of any liability under this Sublease or otherwise to affect any such liability. Sublandlord, at Sublandlord's option, may make such repairs, replacements, alterations, additions, improvements, decorations and other physical changes in and to the Concessionaire Premises as Sublandlord, in its sole discretion, considers advisable or necessary in connection with any such reletting or proposed reletting, without relieving Concessionaire of any liability under this Sublease or otherwise affecting any such liability.

(b) Concessionaire hereby waives the service of any notice of intention to re-enter or to institute legal proceedings to that end which may otherwise be required to be given under any present or future law. Concessionaire, on its own behalf and on behalf of all persons claiming through or under Concessionaire, including all creditors, does further hereby waive any and all rights which Concessionaire and all such persons might otherwise have under any present or future law to redeem the Concessionaire Premises, or to re-enter or repossess the Concessionaire Premises, or to restore the operation of this Sublease, after (i) Concessionaire shall have been dispossessed by a judgment or by warrant of any court or judge, or (ii) any re-entry by Sublandlord, or (iii) any expiration or termination of this Sublease and the Term, whether such dispossess, re-entry, expiration or termination shall be by operation of law or pursuant to the provisions of this Sublease. The words "re-enter", "re-entry" and "re-entered" as used in this Sublease shall not be deemed to be restricted to their technical legal meanings. In the event of a breach or threatened breach by Concessionaire, or any persons claiming through or under Concessionaire, of any term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed, Sublandlord shall have the right to enjoin such breach and the right to invoke any other remedy allowed by law or in equity as if re-entry, summary proceedings and other special remedies were not provided in this Sublease for such breach. The right to invoke the remedies hereinbefore set forth are cumulative and shall not preclude Sublandlord from invoking any other remedy allowed at law or in equity.

(c) If this Sublease and the Term shall expire and come to an end as provided in this Article, or by or under any summary proceeding or any other action or proceeding, then, in any of said events:

(i) Concessionaire shall pay to Sublandlord all Rent and other charges payable under this Sublease by Concessionaire to Sublandlord to the date upon which this Sublease and the Term shall have expired and come to an end;

(ii) Concessionaire also shall be liable for and shall pay to Sublandlord, as damages, any deficiency (hereinafter, the "Deficiency") between the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of

the Term and the net amount, if any, of rents collected under any reletting effected pursuant to the provisions of this Section for any part of such period. The Deficiency shall also include all of Sublandlord's expenses in connection with the termination of this Sublease, or Sublandlord's re-entry upon the Concessionaire Premises and with such reletting including, but not limited to, all repossession costs, brokerage commissions, legal expenses, attorneys' fees and disbursements, alteration costs and other expenses of preparing the Concessionaire Premises for such reletting. Any such Deficiency shall be paid in monthly installments by Concessionaire on the days specified in this Sublease for payment of installments of Rent, Sublandlord shall be entitled to recover from Concessionaire each monthly Deficiency as the same shall arise, and no suit to collect the amount of the Deficiency for any month shall prejudice Sublandlord's right to collect the Deficiency for any subsequent month by a similar proceeding; and

(iii) whether or not Sublandlord shall have collected any monthly Deficiencies as aforesaid, Sublandlord shall be entitled to recover from Concessionaire, and Concessionaire shall pay to Sublandlord, on demand, in lieu of any further Deficiencies as and for liquidated and agreed final damages, a sum equal to the amount by which the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the then fair and reasonable rental value of the Concessionaire Premises for the same period, less the aggregate amount of Deficiencies theretofore collected by Sublandlord pursuant to the provisions of this Section for the same period. If, before presentation of proof of such liquidated damages to any court, commission or tribunal, the Concessionaire Premises, or any part thereof, shall have been relet by Sublandlord for the period which otherwise would have constituted the unexpired portion of the Term, or any part thereof, the amount of rent reserved upon such reletting shall be deemed, prima facie, to be the fair and reasonable rental value for the part or the whole of the Concessionaire Premises so relet during the term of the reletting. For purposes of this calculation, (i) all additional rent charges due hereunder shall be calculated on the assumption that they would continue to increase at the average rate of increase of additional rent charges in the 24 previous months (or during the prior term hereunder if less); and, (ii) at Sublandlord's election, the "fair and reasonable rate", if the Concessionaire Premises are not re-let, shall be deemed to be the rentable square footage of the Concessionaire Premises multiplied by the discounted average rental per square foot in the last three new leases (excluding renewals) written for space in the Master Lease Premises (or, if fewer than three leases have been written in the previous three months, the most recent lease, or any leases in those three months) discounting for brokerage fees, free rent periods, landlord work letters, and similar expenses, and without reference to any additional rent, escalation or percentage rent clauses therein.

(iv) If the Concessionaire Premises, or any part thereof, shall be relet together with other space in the Master Lease Premises, the rents collected or reserved under any such reletting and the expenses of any such reletting shall be equitably apportioned for the purposes of this Section. Concessionaire shall in no event be entitled to any rents collected or payable under any reletting, whether or not such rents shall exceed the Rent reserved in this Sublease. Solely for the purposes of this Article, the term "Rent" as used

in this Section shall mean the Rent in effect immediately prior to the date upon which this Sublease and the Term shall have expired and come to an end, or the date of re-entry upon the Concessionaire Premises by Sublandlord, as the case may be. Nothing contained in this Article shall be deemed to limit or preclude the recovery by Sublandlord from Concessionaire of the maximum amount allowed to be obtained as damages by any statute or rule of law, or of any sums or damages to which Sublandlord may be entitled in addition to the damages set forth in this Article.

(v) All costs and expenses, including attorneys' fees (whether or not legal proceedings are instituted), involved in collecting Rents or enforcing the obligations of Concessionaire under this Sublease, including the cost and expense of instituting and prosecuting legal proceedings or recovering possession of the Concessionaire Premises after a breach by Concessionaire or upon expiration or earlier termination of this Sublease, to the extent such costs and expenses have not already been paid as a Deficiency or as liquidated damages under this Section, shall be due and payable by Concessionaire as additional rent within twenty (20) days of demand.

(d) For purposes of calculating any Deficiency with respect to Percentage Rent, Gross Receipts shall be determined in the following manner: (i) Gross Receipts shall be derived by multiplying the number of days in the balance of the Term originally fixed, by Concessionaire's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of Concessionaire during that part of the effective period of the Term (including all annual periods falling within the effective period) in which Rent was due and payable, divided by the number of days included in such part of the effective period.

SECTION 17.03 Sanctions for Certain Sublease Violations. Concessionaire's failure to adhere to the operating requirements set forth in this Sublease is reasonably anticipated to result in significant inconvenience to the public, adversely affect the overall concession business of the Master Lease Premises, and reduce the amount of rent to be paid to Sublandlord. Additionally, Sublandlord resources will be expended in dealing with violations of this Sublease by Concessionaire. The parties hereby agree that total damages sustained by Sublandlord for violations of the provisions of this Sublease addressing the subject matter listed below could be significant, but would be difficult to determine and to track. Therefore, the parties hereto agree that the sanction amounts, set forth below for violation of this Sublease terms addressing the referenced subject matter are reasonable estimates of the loss anticipated to be suffered or incurred by Sublandlord. Concessionaire, therefore, hereby agrees that imposition of the sanctions set forth below is fair and reasonable and Concessionaire agrees to pay immediately upon demand by Sublandlord the following sanction amounts upon the occurrence of breaches related to the following subject matter:

Operating Hours
$100 first occurrence ($500 if breach occurs on holiday)
$250 second occurrence ($500 if breach occurs on holiday)
$500 third occurrence (Same if breach occurs on holiday)

$1,000 per occurrence thereafter ($1500 if breach occurs on holiday)

Service Standards; Employee Standards
$50 per occurrence

Pricing and Quality
$250 first occurrence
$500 per occurrence thereafter

Signs and Lease Line Violations

Sanitation, Hygiene, Cleanliness, Waste Disposal and Recycling
$100 per occurrence, for up to three (3) occurrences
$1,000 per occurrence thereafter or a fee for any remedial sanitation work that must be performed by Sublandlord billed at a rate determined by Sublandlord consistent with the market rate (plus a reasonable additional amount for Sublandlord's administrative costs and expenses).

Deliveries and Vendor Access
$100 per occurrence

SECTION 17.04 Imposition of Sanctions. Except for Sublease violations regarding the minimum hours of operation, the sanctions for which shall be incurred immediately and without notice upon violation, other sanction amounts shall not be imposed unless the Sublease violation continues for more than three (3) calendar days after Sublandlord has given Concessionaire written notice of the violation, provided that after Sublandlord has given Concessionaire notice of the same violation more than twice during any given year of the Term, the sanction amount shall be immediately imposed with no opportunity to cure in order to avoid the sanction. Additionally, after two (2) sublease violations of the same type in the same year of the Term, Sublandlord reserves the right, at its sole option, not to impose the sanction and instead seek any other remedies available to it for an Event of Default, including termination of this Sublease. Sublandlord's right to impose the sanctions described above shall be in addition to any other rights and remedies of Sublandlord under this Sublease.

ARTICLE XVIII. TAXES

SECTION 18.01 Taxes. Concessionaire, solely, shall be responsible and liable for any taxes, assessments, levies, fees and other governmental charges and impositions of any and every kind or nature, regular or special, direct or indirect, foreseen or unforeseen or known or unknown, levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority, upon, against or with respect to (i) Concessionaire's leasehold interest in the Concessionaire Premises, (ii) any leasehold improvements or other alterations made to the Concessionaire Premises by Concessionaire, (iii) the furniture, fixtures, equipment, inventory and any other personal property of any kind owned by, or placed, installed or located in, within,

upon or about the Concessionaire Premises by Concessionaire, (iv) Concessionaire's occupancy or use of the Concessionaire Premises.

ARTICLE XIX. HOLDING OVER

SECTION 19.01 Holding Over. Without in any way limiting the provisions in this Sublease regarding Events of Default and the Security Deposit or any other term and condition hereof, unless otherwise notified by Sublandlord in writing, if Concessionaire remains in possession of the Concessionaire Premises after the expiration or termination of the Term, in addition to any damages to which Sublandlord may be entitled under this Sublease or other remedies Sublandlord may have by law or otherwise, Concessionaire shall pay to the Sublandlord a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that Concessionaire shall surrender and completely vacate the Concessionaire Premises at an annual rate equal to twice the sum of (i) the annual rate of Minimum Annual Guarantee in effect on the date of such expiration or termination, plus (ii) all items of Percentage Rents, Additional Rent and other periodic charges payable with respect to the Concessionaire Premises by the Concessionaire at the rates in effect during the three hundred sixty-five (365) day period immediately preceding such date. Nothing herein contained shall give, or be deemed to give, Concessionaire any right to remain in possession of the Concessionaire Premises after the expiration or termination of the letting under this Sublease. Concessionaire acknowledges that the failure of Concessionaire to surrender, vacate and yield up the Concessionaire Premises to Sublandlord on the effective date of such expiration or termination will or may cause Sublandlord and the Port Authority injury, damage or loss. Concessionaire hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay Sublandlord and the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and Concessionaire hereby expressly agrees to indemnify and hold Sublandlord and the Port Authority harmless against any such injury, damage or loss.

ARTICLE XX. QUIET ENJOYMENT

SECTION 20.01 Quiet Enjoyment. Upon payment by Concessionaire of Rent and upon the timely observance and full performance of all the covenants, terms and conditions on Concessionaire's part to be observed and performed under this Sublease and the Consent, Concessionaire shall peaceably and quietly hold and enjoy the Premises for the Term, free from and without hindrance or interruption, subject to the Master Lease and the Consent.

ARTICLE XXI. SIGNS AND ADVERTISING

SECTION 21.01 Definition of Signs. For purposes of this Section, signs shall include, but not necessarily be limited to, identification signs, Concessionaire logos, advertising, promotions, stickers, photographs, art displays, and the like.

SECTION 21.02 Right to Install. Concessionaire may install and operate upon or in the Concessionaire Premises, and at Concessionaire's sole cost and expense, signs containing its name and representing its business in accordance with the guidelines established in the Tenant Design Manual. Concessionaire acknowledges Sublandlord's desire to maintain a high level of aesthetic quality in the Master Lease Premises and in all concession facilities throughout the Master Lease Premises. Therefore, Concessionaire covenants and agrees that, in the exercise of its privilege to install and maintain appropriate signs on the Concessionaire Premises, it will submit to Sublandlord the size, design, content, and intended location of each and every sign it proposes to install on or within the Concessionaire Premises, and that no signs of any type shall be installed on or within the Concessionaire Premises without the specific prior written approval of Sublandlord as to the size, design, content, and location. Handwritten, hand lettered, and paper signs are prohibited. Notwithstanding any prior written approval, Concessionaire shall install, remove, or modify any signs as directed in writing by the Sublandlord Concession Manager. Sublandlord's failure to require removal of any sign placed on or about the Concessionaire Premises without written permission shall not be deemed a waiver of the Sublandlord Concession Manager's authority to require removal of any unapproved sign.

SECTION 21.03 Signs and Fixtures Outside Concessionaire Premises.

(a) Concessionaire shall not place, install, erect, maintain or display any racks, stands, trade fixtures, pedestal signs, or other displays of products outside the boundaries of the Concessionaire Premises without the express prior written approval of Sublandlord.

(b) Except with the prior written consent of the Port Authority and Sublandlord, Concessionaire shall not place, install, erect, maintain or display any signs or any advertising at or on the exterior parts of the Concessionaire Premises or in the Concessionaire Premises so as to be visible through the windows or exterior doors thereof. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

SECTION 21.04 Removal of Signs.

(a) Upon the expiration or sooner termination of this Sublease, Concessionaire shall remove, obliterate or paint out, as Sublandlord may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. If there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, Sublandlord may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to Sublandlord on demand.

(b) Upon the expiration or sooner termination of the Master Lease, Concessionaire shall remove, obliterate or paint out, as the Port Authority may direct, any and all

signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, the Port Authority may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to the Port Authority on demand.

SECTION 21.05 Tenant Directory, Etc. Sublandlord shall list Concessionaire in one or more "Tenant Directories" to be located within the Master Lease Premises for the convenience of passengers. The design, layout, location, size, and placement of any Tenant Directory and Concessionaire's listing therein shall be at the sole discretion of Sublandlord. Concessionaire hereby grants Sublandlord (a) the right to list Concessionaire's name on its website, and (b) a non-exclusive license to use Concessionaire's name and logo in any marketing or promotional materials describing the Master Lease Premises and Sublandlord generally.

ARTICLE XXII. INTENTIONALLY OMITTED

ARTICLE XXIII. RIGHTS AND PRIVILEGES OF SUBLANDLORD

SECTION 23.01 Rules and Regulations. Sublandlord shall have the right to enforce, and adopt from time to time, reasonable rules and regulations, which Concessionaire agrees to observe and obey, with respect to the use of the Master Lease Premises, provided that such rules and regulations shall not be inconsistent with safety, current rules and regulations of the Federal Aviation Administration (FAA) and the Transportation Security Administration (TSA) , and any future changes prescribed from time to time by the FAA, TSA, or any other successor Federal agency, provided, further, that such rules and regulations shall not be inconsistent with current rules and regulations of the Port Authority and any future changes prescribed from time to time by the Port Authority, all of which rules and regulations of the Port Authority, in the event of any inconsistency, shall supercede and control over those of Sublandlord.

SECTION 23.02 Official Representative. The Sublandlord Concession Manager is hereby designated as the representative for Sublandlord with respect to notices and communication regarding this Sublease.

SECTION 23.03 Sublease Actions. All actions relating to policy determination, modification of this Sublease, termination of this Sublease, and any similar matters affecting the terms of this Sublease shall be subject to Section 25.06 regarding amendments hereto.

SECTION 23.04 Right to Enter Concessionaire Premises. The Sublandlord Concession Manager and his or her designated representatives may enter upon the Concessionaire Premises at any reasonable time, for any purpose necessary, incidental to, or connected with, the performance of its obligations hereunder, or at any time in the case of an emergency.

SECTION 23.05 Sublandlord's and the Port Authority's Right to Develop. Sublandlord reserves the right to further develop or improve the public areas of the Concessionaire Premises, including the Master Lease Premises and ramp space, and the other areas of the Concessionaire Premises as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance. Concessionaire hereby acknowledges the Port Authority's right to further develop or improve the airfield, public areas within the Airport, and any other Airport property or facility as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance.

SECTION 23.06 Aircraft Noise, Etc. Concessionaire acknowledges that the Port Authority reserves for the use and benefit of the public, the right of aircraft to fly in the airspace overlying the land herein leased, together with the right of said aircraft to cause such noise as may be inherent in the operation of aircraft landing at, taking off from, or operating on or in the vicinity of the Airport and the Master Lease Premises, and the right to pursue all operations of the Airport and the Master Lease Premises.

SECTION 23.07 Aerial Approach Rights. Concessionaire acknowledges that the Port Authority reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Concessionaire from erecting, or permitting to be erected, any building or other structure on the Airport, which, in the opinion of the Port Authority, would limit the usefulness of the Airport, or constitute a hazard to aircraft.

SECTION 23.08 Right to Make Modifications. Sublandlord may from time to time increase or decrease the size or capacity of any public facilities within the Concessionaire Premises, or the Master Lease Premises, or make alterations thereto or reconstruct or relocate them or modify the design and type of construction thereof or close them or any portions of them, either temporarily or permanently, provided notice is given to Concessionaire.

SECTION 23.09 Renegotiations. This Sublease at any time may be reopened for renegotiation in good faith if Federal Aviation Administration (FAA) Airport Certification or Transportation Security Administration's Security Requirements, FAR Parts 139 and TSR 1542 respectively, result in major expenditures to Sublandlord or the Port Authority due to Concessionaire's tenancy in the Master Lease Premises. If said renegotiation is desired, written notice must be given to Concessionaire not less than sixty (60) days prior to such renegotiations.

SECTION 23.10 Sublandlord's Right to Relocate Concessionaire Premises.

(a) Sublandlord reserves the right to relocate the Concessionaire Premises to other space in the Master Lease Premises (such other space being hereinafter referred to as the "Substitution Space") should that be necessary for Master Lease Premises area remodeling, redesign, or expansion.

(b) Notwithstanding the forgoing, the Substitution Space shall (i) contain substantially the same amount of square footage as the Concessionaire Premises, and (ii) have a

similar or better layout as the Concessionaire Premises, as determined by Sublandlord in its sole discretion.

(c) Sublandlord shall exercise such right by giving Subtenant not less than sixty (60) days' prior written notice specifying the effective date of such substitution of the Substitution Space, or such additional reasonable time for Concessionaire to alter the Substitution Space for the operation of its business, whereupon, as of such effective date:

(i) the description of the Concessionaire Premises set forth in this Sublease shall, without further act on the part of Sublandlord or Concessionaire, be deemed amended so that the Substitution Space shall be deemed to be the Concessionaire Premises under the Lease, and all of the terms, covenants, conditions and provisions and agreements of this Sublease shall continue in full force and effect and apply to the Substitution Space; and

(ii) Concessionaire shall move from the original Concessionaire Premises into the Substitution Space on or before the effective date stated in Sublandlord's notice and shall vacate and surrender possession to Sublandlord of the original Concessionaire Premises; and

(iii) Subject to the other provisions of this subsection (iii), Concessionaire shall be deemed to have accepted possession of the Substitution Space in its "as is" condition as of the effective date stated in Sublandlord's notice.

(d) If Sublandlord exercises this relocation right, Sublandlord shall pay directly, upon presentation of invoices, for any of Concessionaire's actual and reasonable out-of-pocket expenses for moving and installing Concessionaire's furniture, equipment, supplies, telephones and telephone equipment and all of Concessionaire's other property in the Concessionaire Premises from the original Concessionaire Premises to the Substitution Space, but Concessionaire shall not be compensated and Sublandlord and Port Authority shall not be liable for any inconvenience to Concessionaire or for any interruption of Concessionaire's business or affairs. Additionally, Sublandlord, at Sublandlord's expense, shall alter the Substitution Space in substantially the same manner as the original Concessionaire Premises were delivered to Concessionaire and the effective date of the substitution of the Substitution Space shall not be deemed to have occurred until the substantial completion of such alterations. If Concessionaire requests materials or installations in the Substitution Space other than those originally installed by Sublandlord in the original Premises or if Concessionaire shall make any changes in the work, Sublandlord's written consent thereto shall be required and Concessionaire shall pay to Sublandlord, if Sublandlord so gives its consent, the extra costs of any such materials, installations or changes in the work. Sublandlord at its discretion may substitute materials of like quality for the materials originally utilized in proceeding with any such work.

ARTICLE XXIV. AIRPORT SECURITY

SECTION 24.01 Compliance and Responsibility for Fines and Forfeitures.

Concessionaire recognizes its obligations for security on the Airport and in the Master Lease Premises as prescribed by 49 CFR Part 1542, the Airport Security Program, and the Air Terminal Rules and Regulations,, and agrees to employ such measures as are necessary to prevent or deter the unauthorized access of persons or vehicles into the secure area of the Master Lease Premises and Airport. Concessionaire shall comply with Transportation Security Regulation Part 1542 (Airport Security) and the Master Lease Premises and Airport security policies as presently outlined in its Airport Security Program and the Air Terminal Rules and Regulations, as such plan may be amended from time to time. Concessionaire shall pay any forfeitures or fines levied upon it, Sublandlord, or the Port Authority through enforcement of Transportation Security Regulation Part 1542, or any other applicable Federal, state or local regulation, due to the acts or omissions of Concessionaire, its employees, agents, suppliers, invitees or guests and for any attorneys' fees or related costs paid by Sublandlord or the Port Authority as a result of any such violation.

SECTION 24.02 Security Identification.

(a) Concessionaire shall abide by rules and regulations adopted by Sublandlord in carrying out Sublandlord's obligations under Aviation Security Regulations and Directives for the proper identification of persons and vehicles entering the aircraft operations area and other security measures as Sublandlord deems necessary from time to time. Concessionaire shall obtain Airport identification badges for all personnel working in any restricted, SIDA, secure, sterile area, which will require Concessionaire to make initial application to the Port Authority, to include all current contracts, and receive approval; designating Issuing Officers and require each to successfully complete required training; and each worker to complete the Airport ID Card Application Form, submit to required fingerprinting, and successfully complete required security training. Concessionaire shall require all employees to display Airport Identification badges at all times while working. The badges must be worn above the waist, be visible at all times, and otherwise comply with all Port Authority rules and regulations regarding the same.

(b) Pursuant to applicable Federal regulations, Concessionaire shall conduct an annual self-audit of Master Lease Premises and Airport access media, such as keys and access cards, used by Concessionaire, its employees, agents, suppliers, invitees, sublessees or guests. Concessionaire shall provide Sublandlord with a written report of said audits and shall replace, reset or re-key, as appropriate, all affected Master Lease Premises area access locks or devices whenever missing, lost, or stolen access media exceed five (5) percent of the access media issued for the affected lock or device.

SECTION 24.03 Tenant Security Program. Concessionaire shall create a Tenant Security Program (TSP) in coordination with the Airport Security Program (ASP) and the Airport Security Coordinator (ASC) for the Airport. The TSP shall be submitted to the Transportation Security Administration (TSA) and, upon approval, will make Concessionaire a regulated party of the TSA, in accordance with 49 CFR 1542. Additionally, Concessionaire will comply with rules, practices, security restrictions and regulations as set forth by Sublandlord, the Port Authority or other any agency having jurisdiction at the Airport. Any fines assessed against

Sublandlord as a result of Concessionaire's failure to comply with the provisions of this paragraph or other intentional or negligent acts or omissions of Concessionaire, its employees or agents will be paid promptly, upon demand, to Sublandlord by Concessionaire.

SECTION 24.04 Employee Clearance. All employees assigned by Concessionaire shall be physically able to do their assigned work. Sublandlord and the Port Authority shall have complete control over granting, denying, withholding, or terminating security clearance for said employees. Clearance is required for all employees upon being hired or assigned to the Master Lease Premises. Concessionaire shall not permit any employee to begin work until the Port Authority grants clearance to each individual employee.

SECTION 24.05 Intentionally Omitted.

ARTICLE XXV. MISCELLANEOUS

SECTION 25.01 Concessionaire's OFAC Certification.

(a) Concessionaire hereby represents and warrants to Sublandlord and the Port Authority (which representations and warranties shall be deemed to be continuing and re-made at all times during the Term) that Concessionaire is not, and shall not become, a person or entity with whom Sublandlord or the Port Authority is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order on Terrorist Financing Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not engaging, and shall not engage, in any dealings or transactions or be otherwise associated with such persons or entities. Concessionaire acknowledges that Sublandlord is entering into this Sublease, and the Port Authority is entering into the Consent, in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing Sublandlord to enter into and execute this Sublease and the Port Authority to enter into and execute the Consent. In the event of any breach of any of the foregoing representations and warranties by Concessionaire, Sublandlord shall have the right, in addition to any and all other remedies provided under this Sublease or at law or in equity, to immediately terminate this Sublease upon written notice to the Concessionaire, and the Port Authority shall have the right, in addition to any and all other remedies provided under the Consent or at law or in equity, to immediately revoke the Consent upon written notice to the Concessionaire. Concessionaire further acknowledges that there shall be no cure for such a breach. In the event of any such termination by Sublandlord or revocation by the Port Authority, Concessionaire shall, immediately on receipt of Sublandlord's termination notice or the Port Authority's revocation notice, cease all use of and operations permitted under this Sublease and surrender possession of the Concessionaire Premises to Sublandlord without Sublandlord being required to resort to any other legal process. Termination or revocation on the aforedescribed basis shall be deemed a termination or revocation for cause.

(b) Concessionaire shall indemnify and hold harmless Sublandlord and the Port Authority and their respective Commissioners, directors, officers, employees, agents and representatives from and against any and all claims, damages, losses, risks, liabilities and expenses (including, without limitation, attorney's fees and disbursements) arising out of, relating to, or in connection with Concessionaire's breach of any of its representations and warranties made under this Section. Upon the request of Sublandlord or the Port Authority, Concessionaire shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent) and in handling such defense of the Port Authority it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provision of any statutes respecting suits against the Port Authority.

(c) The provisions of this Section shall survive the expiration or earlier termination of this Sublease.

SECTION 25.02 Intentionally Omitted.

SECTION 25.03 Sublease Subordinate to Bond Ordinance. This Sublease and all rights of Concessionaire hereunder are expressly subordinated and subject to the lien and provisions of any pledge or assignment made by Sublandlord or the Port Authority to secure any bonds authorized by law to be issued for the development or improvement of the Master Lease Premises or Airport, and Sublandlord and Concessionaire agree that the holders of the said bonds shall possess, enjoy and may exercise all rights of Sublandlord hereunder to the extent such possession, enjoyment and exercise are necessary to ensure compliance by Concessionaire and Sublandlord with the terms and provisions of the bond covenants.

SECTION 25.04 Information Statement. At any time and from time to time, Concessionaire agrees that, within ten (10) days after written request from Sublandlord, Concessionaire shall execute, acknowledge and deliver to Sublandlord a written statement certifying that this Sublease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications), that Concessionaire is not in default under this Sublease (or if in default, stating the nature of such default), and including such other pertinent and reasonable information regarding this Sublease and Concessionaire's occupancy of the Concessionaire Premises as may be requested. Nothing in this Section 17.01 is intended to, or shall be deemed to affect, alter or diminish in any way (i) any rights of Sublandlord under this Sublease or (ii) any obligations of Concessionaire under this Sublease.

SECTION 25.05 Waiver; Election of Remedies. One or more waivers of any covenant or condition of this Sublease by Sublandlord shall not be construed as a waiver of a subsequent breach of the same covenant or condition, and the consent or approval by Sublandlord to or of any act of Concessionaire requiring consent or approval of Sublandlord, shall not be deemed to render unnecessary such consent or approval to or of any subsequent similar act. No breach by

Concessionaire of a covenant or condition of this Sublease shall be deemed to have been waived by either, any or both of Sublandlord unless such waiver is in writing signed by each non-breaching party. Rights and remedies under this Sublease or under any specific section, subsection or clause hereof shall be cumulative and in addition to any and all other rights and remedies which each party has or may have elsewhere under this Sublease or at law or in equity, whether or not such section, subsection or clause expressly so states.

SECTION 25.06 Entire Agreement; Amendment.

(a) All exhibits and/or addendum(s), and/or rider(s), if any, attached to this Sublease are hereby made a part of this Sublease, with full force and effect as if set forth herein. This Sublease supersedes all prior agreements between the parties hereto and sets forth all the covenants, promises, agreements and conditions, and understandings between Sublandlord and Concessionaire concerning the Concessionaire Premises or any other premises within the Master Lease Premises occupied or used by Concessionaire, and there shall be no actual or implied covenants, promises, agreements, conditions or understandings, either oral or written, between them other than as are set forth herein and none thereof shall be used to interpret, construe, supplement or contradict this Sublease. The parties agree that any deletion of language from the Sublease prior to its mutual execution by Sublandlord and Concessionaire shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, obverse or opposite of the deleted language.

(b) No alteration, amendment, change or addition to this Sublease shall be binding upon Sublandlord or Concessionaire unless reduced to writing and signed by each party. Furthermore, any alteration, amendment, change or addition to this Sublease shall be subject to the consent of the Port Authority, which consent shall be in the sole and absolute discretion of the Port Authority.

SECTION 25.07 Interpretation; Use of Pronouns; Consent.

(a) Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of a joint venture between the parties hereto, it being understood and agreed that neither the method of computation of Rent, any other provision contained herein, nor any acts of the parties herein, shall be deemed to create any relationship between the parties hereto other than the relationship of landlord and tenant. This Sublease is the result of arms length negotiations between Sublandlord and Concessionaire and shall not be construed against Sublandlord by reason of its preparation of this Sublease.

(b) Whenever herein the singular number is used the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

(c) If this Sublease is silent as to the standard for any consent, approval, determination, or similar discretionary action, the standard shall be at the sole and unfettered discretion of Sublandlord, rather than any implied standard of good faith, fairness or

reasonableness. If Concessionaire requests Sublandlord's consent or approval pursuant to any provision of this Sublease and Sublandlord fails or refuses to give such consent, Concessionaire shall not be entitled to any damages as a result of such failure or refusal, whether or not unreasonable.

SECTION 25.08 Contract Documents. The request for proposals published in connection herewith and Concessionaire's proposal in response thereto, which proposal is set forth in Exhibit L attached hereto, shall all form a part of this Sublease. In the event of a conflict between the terms and conditions of this Sublease and any of said documents, the terms and conditions of this Sublease shall take precedence.

SECTION 25.09 Delays; Force Majeure. Time is of the essence in the performance under this Sublease. In the event Sublandlord or Concessionaire shall be delayed in the performance of any obligation, covenant, agreement or other undertaking required of it under this Sublease, by reasons of strikes, lockouts, labor disputes, Acts of God, inability to procure labor, materials, or reasonable substitutes therefor, or shall at any time be so delayed by reason of the diminution of power or power failure(s), restrictive governmental laws or controls, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or reasons of a similar nature beyond the reasonable control of and not the fault of the party delayed in performing work or doing acts required under the terms of this Sublease, then performance of such act shall be excused for the period of the delay, and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay, provided that the time for performance shall in no event be extended due to financial or economic problems of any party. Notwithstanding anything to the contrary, the occurrence of any of the events of force majeure herein described shall not excuse Concessionaire's obligations to pay Rent or any other payment obligation hereunder on a timely basis.

SECTION 25.10 Notices. Any notice or demand to Concessionaire or from Concessionaire to Sublandlord shall be in writing and shall be sent by either (a) certified mail addressed, return receipt requested with proper postage affixed thereto, or (b) a nationally-recognized courier, prepaid, to the following addresses:

Any party may, by like notice, direct that future notices be sent to a different or additional address.

SECTION 25.11 Captions and Section Numbers. The captions, section numbers and article numbers and index appearing in this Sublease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles of this Sublease or in any way affect this Sublease.

SECTION 25.12 Brokers. Concessionaire and Sublandlord represent and warrant each to the other and the Port Authority that there are and shall be no claims for brokerage commissions or finder's fees in connection with this Sublease, and each party agrees to indemnify the other, Sublandlord and the Port Authority and hold each and all of them harmless from all liabilities arising from any claim for brokerage commissions and finder's fees in connection with this Sublease. Such agreement shall survive the expiration or sooner termination of this Sublease.

SECTION 25.13 Successors. All rights and liabilities herein given to, or imposed upon, the parties to this Sublease shall inure to and be imposed upon the respective heirs, executors, administrators, permitted successors and assigns of the said parties; and if there shall be more than one Concessionaire, they shall all be bound jointly and severally by the terms, covenants and agreements herein.

SECTION 25.14 Governing Law. This Sublease shall be governed by and construed in accordance with laws of the State of New York. If any provision of this Sublease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, such provision shall be adjusted rather than voided, if possible, in order to achieve the intent of the parties, to the extent possible. In any such event, all other provisions of this Sublease shall be deemed valid and enforceable to the full extent.

SECTION 25.15 Survival of Obligations. All obligations of both the Concessionaire and Sublandlord which cannot be ascertained to have been fully performed prior to the end of the Term, or any earlier termination hereof shall survive the expiration or termination of this Sublease, whichever occurs earlier.

SECTION 25.16 Attorneys' Fees. If at any time after the date hereof, Sublandlord institutes any action or proceeding against Concessionaire relating to the provisions of this Sublease or any default hereunder, Concessionaire shall reimburse Sublandlord for the costs expenses, including reasonable attorneys' fees and disbursements, incurred by Sublandlord, including any such fees, costs or disbursements incurred on any appeal from such action or proceeding.

SECTION 25.17 Exculpation. Concessionaire, for itself and its successors and assigns covenants and agrees that it or they shall enforce any obligation of Concessionaire contained in this Sublease solely against Sublandlord and not against any of the Protected Parties or in any manner realized upon the personal liability or assets of any of the Protected Parties.

SECTION 25.18 Termination by Port Authority Without Cause; Waiver and Release.

(a) This Sublease shall automatically terminate without notice to Concessionaire upon the expiration, termination or revocation of the Consent. Concessionaire acknowledges that the Port Authority may revoke the Consent without cause upon thirty (30) days prior written notice to Concessionaire whether or not there then exists an Event of Default, such revocation by the Port Authority of the Consent without cause being referred to in this Sublease as a "Discretionary Revocation."

(b) Sublandlord covenants and agrees that, if the Port Authority shall exercise its right to terminate this Sublease by a Discretionary Revocation, then, provided that no Event of Default has occurred, Sublandlord shall pay to Concessionaire an amount equal to Concessionaire's Unamortized Capital Investment, as of the effective date of the Discretionary Revocation. In the event that the Port Authority revokes the Consent for cause or the Concessionaire terminates the Consent, Concessionaire shall not be entitled its Unamortized Capital Investment.

SECTION 25.19 Security Deposit Generally. Upon the execution of this Sublease by Concessionaire and delivery thereof to Sublandlord, Concessionaire shall deliver to Sublandlord and the Port Authority, respectively, as security for the full, faithful and prompt performance of and compliance with, on the part of Concessionaire, all of the terms, provisions, covenants and conditions of this Sublease and the Consent on its part to be fulfilled, kept, performed or observed (the "Security Deposit"), a clean irrevocable letter of credit (a "Letter of Credit") issued by a banking institution satisfactory to Sublandlord and the Port Authority and otherwise meeting the qualifications set forth in this Section, and having its main office within the Port of New York District, and otherwise in accordance with the following:

(a) With respect to the letter of credit as security for Sublandlord, such letter of credit shall be in favor of Sublandlord, and payable in the Port of New York District in the amount of Twenty-Five Thousand Five Hundred Ninety-Three and 75/100 Dollars ($25,593.75) (such amount representing Sublandlord's Share of the Monthly MAG Payment due during the year commencing on the Monthly MAG Commencement Date multiplied by six (6)). The form

and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of Sublandlord.

(b) With respect to the letter of credit as security for the Port Authority, such letter of credit shall be in favor of the Port Authority, and payable in the Port of New York District in the amount set forth in the Consent. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority.

(c) Each such letter of credit required by this Section shall provide that it shall continue throughout the effective period of the permission under this Sublease and the Consent, as applicable, and for a period of not less than six (6) months thereafter, such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by Sublandlord or the Port Authority, its letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. The letters of credit shall not be considered to be held in trust by Sublandlord or the Port Authority for the benefit of Concessionaire, and shall not be considered an advance payment of rent or a measure of Sublandlord's or the Port Authority's damages in the case of an event of default by Concessionaire.

(d) Upon notice of cancellation of any letter of credit, Concessionaire agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the beneficiary, the beneficiary may draw down the full amount thereof and thereafter hold the same as security. Failure to provide a letter of credit at any time during the effective period of the permission under this Sublease and the Consent, as applicable, including any failure of any banking institution issuing any such letter of credit previously accepted by the beneficiary to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Sublease and the Consent on the part of Concessionaire. Upon acceptance of a replacement letter of credit by the beneficiary, and upon request by Concessionaire made thereafter, the beneficiary will return the cash security deposit being held, if any. Concessionaire shall have the same rights to receive such cash security deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Sublease and the Consent and fulfillment of the obligations of the Sublease and the Consent.

(e) If the beneficiary shall make any drawing under a letter of credit held by such party, Concessionaire on demand of such party and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the beneficiary pursuant to the terms of any letter of credit, or any receipt by the beneficiary of funds from any bank issuing such letter of credit, shall be or be deemed to waiver of any default by Concessionaire under the terms of this Sublease or the Consent, and all remedies of Concessionaire and of Sublandlord and the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(f) For purposes of the provisions set forth in this Section, Concessionaire hereby certifies that its I.R.S. Employer Identification No. is

(g) Concessionaire agrees that it will not assign, mortgage or encumber, or attempt to assign, mortgage or encumber, a letter of credit (or any performance guaranty) held by Sublandlord or the Port Authority under this Sublease, and that neither Sublandlord nor the Port Authority, nor either party's successors or assigns, shall be bound by any such assignment, mortgage, encumbrance, attempted assignment, attempted mortgage or attempted encumbrance. Sublandlord and the Port Authority shall not be required to exhaust its remedies against Concessionaire before having recourse to the letter of credit (or any performance guaranty or any other security held by such party). Recourse by Sublandlord and the Port Authority to their respective letters of credit, or any other security held by such party, shall not affect any remedies of such party which are provided in this Sublease or the Consent, or which are available in law or equity.

(h) If Concessionaire fully performs all of its obligations under this Sublease, the letter(s) of credit held by Sublandlord, or any balance remaining, will be released within sixty (60) days from the Expiration Date or termination of this Sublease and delivery of the Concessionaire Premises to Sublandlord. However, if any question exists concerning Concessionaire's full compliance with this Sublease or if there is any obligation under this Sublease to be performed after the Expiration Date or earlier termination of this Sublease, Sublandlord shall be entitled to require that the letter(s) of credit remain in place until Sublandlord is fully satisfied that there has been no violation of this Sublease and all obligations due under this Sublease have been fully performed, even if it takes Sublandlord longer than sixty (60) days to make such a determination to Sublandlord's satisfaction. The return of any letter of credit held by the Port Authority shall be subject to the provisions of the Consent or otherwise follow applicable Port Authority policy.

SECTION 25.20 Authority of Execution. If Concessionaire is a corporation, limited liability company or limited partnership, Concessionaire shall furnish to Sublandlord at the time of execution of this Sublease (a) a certificate issued by the state of its formation that the Concessionaire is in good standing in said state, (b) a certified copy of its Certificate of Incorporation, Articles of Organization, Certificate of Formation, or such other documentation as used in the state of its formation whereby the Concessionaire was originally formed in said state, and (c) a certified copy of the resolution of the Board of Directors, General Partners, Managers or Managing Members of other party(ies) having the power of control of the Concessionaire approving this Sublease and authorizing its execution by the persons who have signed or will sign this Sublease.

SECTION 25.21 Subordination. This Sublease shall be and remain subject and subordinate to the Master Lease and the letting hereunder shall terminate on the day prior to the expiration of the Master Lease, or on the date of the earlier termination of the Master Lease, such termination of this Sublease to be effective on such date and to have the same effect as if the Term had on that date expired. The rights of Sublandlord with respect to the Concessionaire

Premises are those granted to it by the Port Authority, and no greater rights are granted or intended to be granted to Concessionaire than Sublandlord has power thereunder to grant.

SECTION 25.22 Third Party Beneficiary. The Port Authority is an express and intended third party beneficiary of this Sublease and it shall inure to its benefit and its successors and assigns. Without limiting the generality of the foregoing and in addition thereto, since the obligation of the Concessionaire to pay the Percentage Rent, the Minimum Annual Guarantee rent and the Additional Rent hereunder is for the benefit of both the Port Authority and the Sublandlord, the payment thereof may be enforced by either or both the Port Authority and the Sublandlord, individually or collectively, and further in the event of any breach or default by the Concessionaire in paying the Port Authority Share, the Sublandlord Share or any other Additional Rent due under this Sublease, both the Sublandlord and the Port Authority shall have the right to enforce payment thereof and to exercise all necessary remedies in connection therewith.

IN WITNESS WHEREOF, Sublandlord and Concessionaire have caused this Sublease to be duly executed as of the year and day first above written.

AFFIRMATIVE ACTION-EQUAL OPPORTUNITY---MINORITY BUSINESS ENTERPRISES ---WOMEN-OWNED BUSINESS ENTERPRISES REQUIREMENTS

Part I. Affirmative Action Guidelines - Equal Employment Opportunity

I. As a matter of policy, the Port Authority hereby requires Concessionaire and Concessionaire shall require the Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Exhibit G and Sections 6.07 and 6.08 of the Sublease. The provisions set forth in this Part I are similar to the conditions for bidding on federal government contract adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

Concessionaire as well as each bidder, contractor and subcontractor of Concessionaire and each subcontractor of a contractor at any tier of construction (herein collectively referred to as "the Contractor") must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). Concessionaire hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions. Concessionaire shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions by submitting a properly signed bid.

II. Concessionaire and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

(1) Minority participation

Minority, except laborers 30%
Minority, laborers 40%

(2) Female participation

Female, except laborers 6.9%
Female, laborers 6.9%

These goals are applicable to all the Contractor's construction work performed in and for the premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to Concessionaire and Concessionaire shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within 10 working days of award of any construction subcontract in excess of $10,000 at any tier for construction work. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1)"Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941:

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of $10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor, shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone number of each minority and female off-the-street applicant and minority or female referral from

a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Concessionaire when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO Policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decision including specific review of these items with on-premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m)The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered by the Concessionaire. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at lease as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Concessionaire shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanical apprentice, trainee, helper, or laborer), dates of

changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Lease, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II. MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires the Concessionaire and the Concessionaire shall itself and shall require the general contractor or other construction supervisor and each of the Concessionaire's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purposes hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations.

The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Concessionaire and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may specify by notice to the Concessionaire. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e. suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

EXHIBIT H
(Schedule G to the Consent)

AIRPORT CONCESSIONS DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by Concessionaire in its performance of the Sublease, Concessionaire shall use, to the maximum extent feasible and consistent with Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

ARTICLE XXVI. QUALIFICATION AS AN ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 Million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially

or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in

a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

Concessionaire's breach of its obligations under 49 CFR Part 23 shall be a default by Concessionaire and shall entitle the Port Authority to exercise all of its contractual and legal remedies including revocation of the Consent.

EXHIBIT I

PORT AUTHORITY LOCAL BUSINESS ENTERPRISE COMMITMENT

As a matter of policy, Sublandlord and the Port Authority hereby require Concessionaire and Concessionaire shall require any Contractor utilized by Concessionaire to perform construction work on the Concessionaire Premises to comply with the provisions set forth hereinafter in this Exhibit I.

(1) Concessionaire and each Contractor shall use every good faith effort to maximize the participation of Local Business Enterprises ("LBEs") in all construction work on the Concessionaire Premises. In order to assure familiarity with the services and materials provided by LBEs, the Contractor shall attend such meetings as may be called by the General Manager of the Airport on LBEs and shall contact the Queens Air Services Development Office ("ASDO"), located at John F. Kennedy International Airport, Bldg. 141, First Floor, Jamaica, NY 11430 to obtain LBE Vendor Profiles and access ASDO's on-line vendor retrieval system ("BASIS"). Sublandlord, American or the Authority has not checked the references, capabilities or financial background of the LBEs registered with the ASDO, but is referring the Contractor to the ASDO and BASIS solely for the purpose of advising Contractors of LBEs who may be interested in providing services and/or materials to the Contractor.

(2) Good faith efforts to include participation by LBEs in construction work shall include at least the following: (i) Dividing the work to be subcontracted and services and materials to be procured into small portions, where feasible. (ii) Soliciting bids on portions of the work to be subcontracted and services and materials to be procured from LBEs registered with ASDO and such other LBEs as the Contractor deems appropriate.

(3) Sublandlord and the Port Authority are committed to making employment opportunities available to local residents and expects that the Contractor will utilize LBEs.

(4) It is specifically understood and agreed that the requirements set forth herein for the participation of LBEs shall not alter, limit, diminish or modify any of the obligations under this Sublease including, without limitation, the obligation to put into effect the affirmative action program and the MBE and WBE programs in accordance with the provisions set forth above in Exhibit I.

PORT AUTHORITY STREET PRICING REQUIREMENTS

A. General Port Authority Street Pricing Policy.

The Aviation Department of the Port Authority requires specific pricing criteria in all concessions agreements at the Airport. In general, the Port Authority and Sublandlord seek to promote fair and reasonable prices in airport concession programs. The street pricing policy is also designed to produce a greater volume of sales, thereby reflecting the Port Authority's and Sublandlord's objective to provide high customer service and optimization of financial return. The Port Authority's street pricing policy requires that prices charged at the Airport will be comparable to off-airport prices. In general, the policy requires any specialty retail, newsstand and food & beverage vendors that operate both on-airport and off-airport to price goods in the on-airport store within the range of prices charged at their off-airport stores. For vendors without off-airport operations in the area, comparable stores in the region are identified to establish the basis for street prices (the specific methodology for this comparison is established based upon the specific type of store and merchandise sold). For duty free concession vendors, where there are no comparable off-airport operations, the pricing policy requires that the prices of duty free merchandise be substantially comparable to the prices charged for duty free goods in duty free stores at other airports in the northeastern United States. Further, vendors must submit price lists for all goods and services in advance for approval. The street pricing policy also requires vendors to post signs in clearly visible locations notifying customers that the store charges fair and reasonable prices that are comparable to other stores in the region. Sublandlord requires strict adherence to the Port Authority's street pricing policy.

B. Comparable Locations In the Metro Area.

1. Specialty Retail and Food Service Concessions. For price comparative purposes, the street pricing policy requires that the prices charged in the various types of specialty retail and food & beverage concession facilities permitted hereunder shall be compared to similar specialty retail and food & beverage establishments located in major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease.

2. Newsstand and News & Gifts Concessions. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for newspapers, magazines and sundries shall be compared to local convenience store chains and/or local non-Airport news & gift establishments (excluding any locations which do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for gifts, souvenirs and novelties shall be compared to both similar gift, souvenir and novelty establishments located in the major regional malls, shopping centers, or other appropriate

retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as well as to the local convenience store chains and/or local non-Airport news & gift locations (excluding any locations that do not have multiple independent competitive sources and operators) in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease.

C. Specialty Retail and Food Service Concession Pricing Requirements.

Concessionaire's prices for all specialty retail and food service products permitted to be sold under the Use and Merchandise clause in this Sublease shall at all times be fair and reasonable and must be competitively priced such that the prices charged therefor are the same or comparable with comparable brands in specialty retail and food service establishments located in the major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time. To determine fair, reasonable and comparable prices, Concessionaire shall, at least once per year or more often if Sublandlord so desires, conduct a price comparison as outlined in Section 8.03 of this Sublease. Concessionaire's prices may not exceed the average price of those similar items in the comparable establishments.

D. Newsstand and News & Gifts Concession Pricing Requirements.

Concessionaire's prices for all news and gift products permitted to be sold under the Use and Merchandise clause in this Sublease shall at all times be fair and reasonable and must be competitively priced such that the prices charged therefor for newspapers, magazines and sundries are the same or comparable to those charged by the local convenience store chains and/or local non-Airport news & gift establishments (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time and for gifts, souvenirs and novelties to those charged by comparable gift, souvenir and novelty establishments located in the major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time. To determine fair, reasonable and comparable prices, Concessionaire shall, at least once per year or more often if Sublandlord so desires, conduct a price comparison as outlined in Section 8.03 of this Sublease.. Concessionaire's prices on any specific item may not exceed the average price of those similar items in the comparable establishments.

E. General Pricing Requirements.

In all other situations and circumstances for which no specific pricing requirement has been established, Concessionaire shall abide by the following pricing requirements. Concessionaire shall offer for sale only goods of first-class quality. For such goods, Concessionaire shall charge fair, reasonable and competitive prices. When an item has a

suggested retail price pre-marked and established by the manufacturer or distributor, Concessionaire shall not charge the public a price higher than the suggested retail pre-marked price without the prior written approval of Sublandlord in accordance with the Port Authority's street pricing policy. When an item has no suggested retail price or pre-marked price, the item shall be sold at a price as first approved by Sublandlord in accordance with the Port Authority's street pricing policy.

THIS CONSENT AGREEMENT SHALL NOT BE BINDING UPON THE PORT AUTHORITY UNTIL DULY EXECUTED BY AN EXECUTIVE OFFICER THEREOF AND DELIVERED TO THE AIRLINE AND THE SUBLESSEE BY AN AUTHORIZED REPRESENTATIVE OF THE PORT AUTHORITY

Port Authority Lease No. AYD-350
Consent to Sublease No. AYD-814
Facility: John F. Kennedy International Airport

CONSENT AGREEMENT

THIS CONSENT AGREEMENT, effective as of October 15, 2008 ("*Effective Date*"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("*Port Authority*") and **ILJ JFK, LLC**, dba Techshowcase ("*Sublessee*"), a limited liability company organized and existing under the laws of the State of New York with an office and place of business at 3260 Fairlane Farms Road, Unit 7, Wellington, Florida 33414, whose representative is Theresa Gordon, and consented to by **JETBLUE AIRWAYS CORPORATION** ("*Airline*").

WITNESSETH, That:

WHEREAS, by a certain agreement of lease made as of the 6th day of May, 2005 and bearing Port Authority Lease No. AYD-350 (as the same may have been and may be hereafter amended, supplemented or extended, the "*Airline Lease*") the Port Authority leased to the Airline certain premises at John F. Kennedy International Airport ("*Airport*") for certain passenger terminal facilities as more particularly set forth in the Airline Lease (the "*Terminal*"); and

WHEREAS, it was contemplated under the Airline Lease that certain food and beverage, newsstand, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required; and

WHEREAS, the Airline and the Sublessee have entered into an agreement of sublease covering portions of the Terminal under the Airline Lease (such portions, being hereinafter collectively called the "*Space*" or the "*Spaces*"), a copy of which is attached hereto and made a part hereof (the "*Sublease*"), subject to the consent of the Port Authority and the execution of this Consent by and among the Airline, Sublessee and the Port Authority;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Airline and the Sublessee hereby agree effective as of the Effective Date, as follows:

1. Consent. On the terms and conditions hereinafter set forth, the Port Authority consents to the Sublease.

2. Term of Consent. Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Airline or the Sublessee, on the earliest to occur of: (a) the day preceding the date of expiration or earlier termination of the Airline Lease; (b) the effective date of any revocation of this Consent pursuant to paragraph 6 hereof; (c) the date of expiration or earlier termination of the Sublease; or (d) such earlier date as the Airline and the Sublessee may agree upon subject to the terms and provisions hereof. Notwithstanding the foregoing, however, no termination of the Sublease shall diminish, limit, alter, affect, modify or impair the obligations, liabilities, or responsibilities of the Airline under the Airline Lease or release or relieve the Airline from the same or from any of the terms, provisions, covenants and conditions of the Airline Lease on its part to be kept, performed or observed. The Sublessee shall cease its activities and operations at the Space and shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the revocation, expiration or termination of the Sublease.

3. Breach or Default of Airline Lease. If the Airline shall at any time be in breach or default of its obligations under the Airline Lease, beyond applicable notice and cure periods, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Airline from the Sublessee (including, but not limited to, late charges, liquidated damages, fines and the like). No such payment shall relieve the Airline from any obligation under the Airline Lease or under this Consent but all such payments shall be credited against the obligations of the Airline or of the Sublessee, as the Port Authority may determine for each payment or part thereof.

4. Controlling Documents; Conflicts and Inconsistencies.

(a) Neither this Consent, nor anything contained herein, shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Airline Lease, nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Airline under the Airline Lease. Neither this Consent nor anything contained herein, nor any termination of the Sublease, shall affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Airline under the Airline Lease nor constitute or be deemed to constitute a release of the Airline from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Airline and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease, including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or

approval thereto under this Consent, or shall thereafter grant its consent or approval thereto, or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact, or that the Port Authority's discretion pursuant to the Airline Lease as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Airline including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) In any case of any conflict with, or difference or inconsistency between, the provisions of this Consent and those of the Sublease, this Consent shall be controlling and, in any case or difference or inconsistency between the terms of the Sublease and those of the Airline Lease, those of the Airline Lease shall control. Accordingly, to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Airline Lease or this Consent then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Airline Lease.

(e) The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Airline Lease.

(f) Notwithstanding anything to the contrary stated in the Sublease, the following shall supercede and control with respect to the Sections of the Sublease which are referenced, below, if and to the extent of any conflict between this Consent and the said Sublease Section:

(1) Section 2.04 "Delivery of Premises; Concessionaire's Work

Generally" – In subparagraph (a), the Sublessee shall have at least sixty (60) days from the Commencement Date to substantially complete the Concessionaire's Work (as defined in the Sublease) and, accordingly, the Substantial Completion Date shall be no longer than the expiration of such 60-day period.

(2) For avoidance of doubt, in the Sublease definitions of Port Authority Share and Sublandlord Share, the phrase "excluding rentals and fees that are strictly pass-through charges for expenses actually incurred by Sublandlord and Sublandlord Concession Manager" shall refer only to certain items of Additional Rent (as defined in the Sublease) and not to the Minimum Annual Guarantee or Percentage Rent (as such terms are defined in the Sublease), and shall not include any expenses personally incurred by the Sublandlord Concession Manager (as defined in the Sublease).

(3) Section 3.02, "Reconciliation" – Any reconciliation to be made by the Port Authority in favor of the Sublessee shall be handled by the Port Authority by applying the procedures typically followed by the Port Authority in the ordinary course of its business with other permittees/lessees/sublessees.

(4) Section 10.09, "Trash and Refuse" and Section 10.11, "Cleaning and Janitorial Services" - The Lessee shall use commercially reasonable efforts to operate, or cause to be operated, the loading dock and storage areas of the Master Lease Premises in an efficient and coordinated manner that supports the use of such facilities by Sublessee and the other concessionaires in connection with their respective businesses, and Sublessee shall have no obligation to manage or operate, to cause to be managed or operated, or to agree to manage or operate, a program for trash removal, the loading dock, the storage areas or any other common areas at the Terminal.

(5) Section 4.01 (a) (iv), "Books and Records" – As between the Sublessee and the Port Authority, paragraph 22 of this Consent shall control over Section 4.01(a)(iv).

5. Required Port Authority Consent. The granting of this Consent by the Port Authority shall not be, and shall not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease or other agreement with respect to the use or occupancy of the Space or any other portion of the Terminal, or to any assignment of the Airline Lease or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

6. Revocation of Consent.

(a) The Port Authority shall have the right to revoke this Consent at any time without cause, as to any one or more (if applicable) of the Spaces at which the Sublessee has permission to operate on thirty (30) days' notice to the Sublessee and the Airline, and no such revocation shall be deemed to affect the Airline Lease or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby.

(b) In the event the Port Authority exercises its right to revoke this Consent if the Sublessee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Consent, the Sublessee shall be obligated to reimburse the Port Authority for any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Consent including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Consent.

7. Utilities.

(a) The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

(b) Except as expressly permitted under the Airline Lease, the cost of utilities shall not be charged to the Sublessee unless the Sublessee is a food/beverage vendor, all in accordance with the Airline Lease. By signing below, the Airline expressly agrees to the foregoing, and agrees that the Airline shall not charge to the Sublessee the cost of any utilities other than as aforesaid in this paragraph.

8. Compliance with Laws. The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

9. Late Charges.

If the Sublessee shall fail to pay any amount to the Port Authority required under this Consent or the Sublease when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the

result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent, including without limitation under paragraph 6 hereof or (ii) any obligations of the Sublessee under this Consent. In the event that any late charge imposed pursuant to this paragraph shall exceed a legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent shall be payable instead at such legal maximum.

10. No Responsibility of Port Authority for Capital Investment.

It is hereby acknowledged and agreed by the Airline and the Sublessee that the Port Authority has no obligation under the Airline Lease, the Sublease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's capital investment in the Space or at the Terminal, whether amortized or unamortized. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or upon revocation of this Consent, with or without cause, of any amount of the Sublessee's capital investment in the Space or at the Terminal shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Airline to pay, subsidize or finance said capital investment.

11. Indemnification.

(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Consent, and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Consent by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Sublessee if it is a limited liability entity), managers (in their capacity as managers of the Sublessee if it is a limited liability entity), partners (if Sublessee is a partnership), customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Terminal with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers

and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Sublessee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at it own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

12. Insurance.

(a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

	Minimum Limits
Commercial General Liability Combined single limit per occurrence for bodily injury and property damage liability:	$2,000,000

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

13. Affirmative Action; Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation.

(a) Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as

required by 14 CFR Part 152, Subpart E, to the same effect.

(b) The Sublessee is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Sublessee agrees that Schedule G, attached to the Sublease and this Consent, is hereby made a part hereof and incorporated by reference herein and the Sublessee shall comply with its terms and provisions.

14. Subordination of Sublease.

Nothing contained in this Consent nor in the Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee, shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority, and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Airline Lease, consistent with paragraph 4 hereof. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of the Sublease.

15. Construction and Repairs. Nothing contained in this Consent or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Terminal including without limitation the installation of any signs at the Airport. The Airline and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions of the Airline Lease and an approved Tenant Alteration Application which the Airline shall prepare and submit to the Port Authority.

16. Notices. Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the Airline and their respective offices shall be as set forth in the Airline Lease. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the registered or certified mailing thereof.

17. Basic Lease Provisions.

(a) Certain Definitions.

(i) "*Basic Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and the Port Authority, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same from time to time may have been or may be supplemented, amended and/or restated.

(ii) "*City*" shall mean The City of New York, a municipal corporation of the State of New York.

(b) The Sublessee acknowledges that it has received a copy of, and is familiar with the contents of, the Basic Lease. The Sublessee acknowledges that no greater rights or privileges are hereby granted to the Sublessee than the Port Authority has the power to grant under the Basic Lease.

(c) In accordance with the provisions of the Basic Lease, the Port Authority and the Sublessee hereby agree as follows:

(i) This Consent is subject and subordinate to the Basic Lease and to any interest superior to that of the Port Authority;

(ii) The Sublessee shall not pay the fees or other sums under this Airline Lease for more than one (1) month in advance (excluding security and other deposits required under this Airline Lease);

(iii) With respect to this Consent, the Sublessee on the termination of the Basic Lease will, at the option of the City, enter into a direct consent on identical terms with the City;

(iv) The Sublessee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the Basic Lease;

(v) The Sublessee shall not use any portion of the Airport for any use other than as permitted under the Basic Lease;

(vi) The Sublessee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the Basic Lease;

(vii) The failure of the Sublessee to comply with the foregoing provisions shall be an event of default under this Consent, which shall provide the Port Authority with the right to revoke this Consent and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as

applicable, under each policy of insurance procured by the Sublessee pursuant to this Consent.

18. Inspection.

(a) The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Sublessee of its obligations under this Consent and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Consent, the Airline Lease, or otherwise.

(b) Further, the Port Authority shall have the right to inspect the Sublessee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Sublessee, and any activities or operations of the Sublessee hereunder. Upon request of the Port Authority, the Sublessee shall operate or demonstrate any machines or equipment owned by or in the possession of the Sublessee at the Space or to be placed or brought on the Space, and shall demonstrate any process or other activity being carried on by the Sublessee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Sublessee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

19. No Waiver.

No failure by the Port Authority or the Airline to insist upon the strict performance of any agreement, term, covenant or condition of the Sublease or this Consent or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of the Sublease or this Consent during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Airline of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term, covenant or condition. No agreement, term, covenant or condition of the Sublease or this Consent to be performed or complied with by the Sublessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Sublessee in performance of any agreement, term, covenant or condition of the Sublease or this Consent shall affect or alter the Sublease or this Consent, but each and every agreement, term, covenant and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

20. Continued Exercise of Privilege After Expiration, Revocation or Termination.

Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Sublessee shall continue to perform any of the privileges granted to the Sublessee hereunder (the "Authorized Privileges") after the expiration, revocation, cancellation or termination of the effective period of the permission granted under

this Consent, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Consent or other remedies the Port Authority may have by law or otherwise, the Sublessee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation, termination or cancellation and ending on the date that the Sublessee shall cease to perform the Authorized Privileges at the Premises equal to twice the sum of all fees payable hereunder. Nothing herein contained shall give, or be deemed to give, the Sublessee any right to continue to perform any of the Authorized Privileges at the Terminal after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent. The Sublessee acknowledges that the failure of the Sublessee to cease to perform all the Authorized Privileges at the Terminal from and after the effective date of such expiration, revocation, cancellation or termination will or may cause the Port Authority injury, damage or loss. The Sublessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Sublessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

21. Waiver of Trial by Jury.

The Sublessee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Sublessee in respect of the permission granted under this Consent and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Consent. The Sublessee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

22. Business Development and Records.

(a) In connection with its use of the Space hereunder, the Sublessee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it under the aforedescribed consumer services agreement ;

(ii) not divert, or cause or allow to be diverted, any business from the Terminal or the Airport;

(iii) maintain, in English and accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records and work schedules) recording all transactions of the

Sublessee at, through, or in any way connected with its operations at the Terminal or elsewhere at the Airport, and outside the Airport if the order therefor is received at the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport;

(iv) cause any Affiliate (as herein defined) of Sublessee, if any such company performs services similar to those performed by the Sublessee to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport. An *"Affiliate"* with respect to the Sublessee is any person or entity which directly or indirectly controls, is controlled by, or is under common control with the Sublessee; the term "control" (including the terms controlling, controlled by, and under common control with) shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the person, whether through the ownership of voting securities, by contract, or otherwise;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Consent, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Sublessee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts and all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within twenty (20) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records; and

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Sublessee's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for

non-resettable totals;

(vii) in those situations where the books and records have been generated from computerized data (whether mainframe, minicomputer, or PC-BASED computer systems), provide, or cause to be provided, to the Port Authority's representative extracts of data files in a computer readable format on data disks, E-mail with attached files or alternative computer data exchange formats suitable to the Port Authority in its sole discretion; and

(viii) permit the inspection by the officers, employees and representatives of the Port Authority and those of the Airline of any equipment used by the concession operator including, but not limited to, any of the equipment described in subparagraph (1)(vi) above.

(b) Without implying any limitation on the right of the Port Authority to revoke this Consent for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Sublessee understands that the full reporting and disclosure to the Port Authority of all gross receipts and the Sublessee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Consent. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Sublessee to comply with all the provisions of paragraph (a) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Airline under this Consent or otherwise and in addition to all of the Sublessee's other obligations under this Consent:

(i) the Port Authority may estimate the gross receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Sublessee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Sublessee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Sublessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Sublessee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) Without implying any limitation on the rights or remedies of the Port Authority or of the Airline under this Consent or otherwise including without limitation the right of the Port Authority to revoke this Consent for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then the Sublessee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(d) In the event that upon conducting an examination and audit as described in this paragraph, the Port Authority determines that unpaid amounts are due to the Port Authority by the Sublessee (the "*Audit Findings*"), the Sublessee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Sublessee under this Consent or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Consent or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent or otherwise, including, without limitation, the Port Authority's rights to revoke this Consent or (ii) any obligations of the Sublessee under this Consent or the Sublease.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Consent payable to the Port Authority with the same force and effect as the basic fee/rent and all other fees/rent payable to the Port Authority hereunder.

23. Sublessee Payments and Statements.

(a) The Sublessee shall pay to the Port Authority the fees, as applicable, due to the Port Authority at the times and in accordance with the terms and provisions of the Sublease. All amounts to be paid to and all statements to be submitted to the Port Authority by the Sublessee pursuant to this Consent and the Sublease shall be made in accordance with Article 3 of the Sublease.

(b) To the extent that the Sublessee has not already done so at the time of execution of this Consent and without limiting the generality of any other term or provision hereof, the Sublessee agrees to submit monthly statements of Gross Receipts and to pay, at the time of execution and delivery of this Consent to the Port Authority, all fees and other amounts, due under this Consent to the Port Authority for the period from the Effective Date to the time of

execution and delivery of this Consent by the Sublessee.

24. Port Authority Reserved Uses.

In addition to any other uses prohibited by the express terms of the Sublease, the Sublessee is prohibited in engaging in any of the following uses, operations or installations at the Space, which the Port Authority has reserved exclusively to itself and its designees: (i) advertising, (ii) public telephones (sometimes also referred to as "pay phones" "pay telephones" or "public telephones"), pre-paid phone cards (except Sublessee may sell Port Authority sponsored pre-paid telephone cards purchased from a pre-paid telephone card contractor, subcontractor or permittee of the Port Authority), facsimile transmission machines and other public communications services and facilities, including without limitation, public communications services and facilities that operate within the licensed spectrum radio frequency allocations and including in particular, but without limitation, "cellphone"/cellular technology and any technology that substitutes for, replaces or is used in conjunction with cellphone/cellular technology, and also including all Port Authority-owned or operated information and communications technology infrastructure for common Airport use, (iii) vending machines dispensing anything including, but not limited to, catalog and electronic sales (except in non-public areas of the Space for products then permitted to be sold on the Space under agreements or subleases approved by the Port Authority), (iv) ground transportation (including vehicle rentals) reservations, and (v) provision of on-airport baggage carts (other than shopping carts made available free of charge to retail shoppers within the concession areas) or other on-airport baggage-moving devices.

25. Other Security Deposits.

(a) With respect to the letter of credit as security for the Port Authority, in connection with the Sublease, such letter of credit shall be in favor of the Port Authority, and payable in the Port of New York District in the amount of Forty Thousand Six Hundred Dollars and No Cents ($40,600.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority.

(b) If the Sublessee is obligated by any other agreement with the Port Authority to maintain a security deposit with the Port Authority to insure payment and performance obligations of the Sublessee to the Port Authority pursuant to any such other agreement or otherwise, then any deposit pursuant thereto shall also secure the obligations of the Sublessee under this Consent and serve as security hereunder, in addition to the amount of any required security cited in Section 25.19 of the Sublease, and in addition to such security continuing to serve as such under such other Port Authority agreement. In such case, all provisions of such other agreement relating to such deposit are hereby incorporated herein by this reference as though fully set forth herein. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply, or any permitted assignment of such other agreement, shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

26. Third Party Beneficiary; Enforcement. The Port Authority is an express and intended third party beneficiary of the Sublease and the Port Authority shall have the right, but not the obligation, to directly enforce the provisions of the Sublease as well as the right to enforce the provisions of this Consent. The obligation of the Sublessee to pay fees or rent hereunder is for the benefit of both the Port Authority and the Airline and the payment thereof may be enforced by either or both the Port Authority and the Airline, individually or collectively. In the event of any breach or default by the Sublessee in paying the fees due under this Consent, the Airline shall have the right and obligation to enforce payment thereof and to exercise all necessary remedies in connection therewith and, without limiting or affecting the rights of the Port Authority to collect the fees due hereunder for the account of both the Port Authority and the Airline, the Port Authority shall not have any obligation to the Airline to incur any expenses or to commence any legal proceeding to collect unpaid fees or rent from the Sublessee; provided, however, that all fees/rent due hereunder to the Port Authority and collected by the Airline shall be remitted by the Airline to the Port Authority as and when collected and that all fees/ret due hereunder to the Airline and collected by the Port Authority shall be remitted by the Port Authority to the Airline as and when collected.

27. Labor Harmony at the Airport.

(a) General. In connection with its operations at the Airport under this Consent, the Sublessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Sublessee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Sublessee shall promptly give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all threatened or existing labor-related disruptions directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent which (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem reasonable under the circumstances, including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and the Sublessee, subject to applicable laws and regulations.

(b) Labor peace agreement. To assure that labor harmony is maintained at the Airport, the Sublessee agrees that it shall deliver to the Port Authority one of the following: (1) evidence that the Sublessee has entered into a signed "labor peace agreement" with a labor organization that seeks to represent the Sublessee's employees that contains provisions under which the labor organization and its members agree to refrain from engaging in any picketing,

work stoppages, boycotts or any other economic interference with the Sublessee's operations, (2) written notification from an officer of the Sublessee on the Sublessee's letterhead that no labor organization (as defined by 29 U.S.C. Section 152(5)) is seeking to represent the employees of the Sublessee at the Airport as of the date of such notification, or (3) written notification from an officer of the Sublessee on the Sublessee's letterhead that Sublessee and a labor organization seeking to represent the employees of the Sublessee have been unable to agree upon the terms of a "labor peace agreement" that otherwise complies with clause (1) above, and that Sublessee has extended a written offer to such labor organization to enter into mediation to reach such agreement. Should the labor organization that seeks to represent the Sublessee's employees and the Sublessee fail to reach a resolution on the terms of the "labor peace agreement" set forth in clause (1) above, within a period of sixty (60) calendar days from the commencement of mediation, then, upon notice by either party to the other, the dispute shall be submitted to binding arbitration by a single neutral arbitrator (who shall be selected by the parties from a list of neutral arbitrators provided to the parties by the American Arbitration Association ("AAA")) and in accordance with the Commercial Rules of the AAA. Both the cost of mediation and arbitration will be split evenly between the parties. The labor peace agreement provided in (1), or the notification provided in either (2) or (3), of the preceding clause, shall be delivered to the Port Authority no later than ninety (90) days after the execution of this agreement. If after the expiration of such ninety (90) day period, the Sublessee has not provided such labor peace agreement or either such notification, then the Port Authority shall have the right to take such reasonable actions as the Port Authority may deem appropriate including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and Sublessee, subject to applicable laws and regulations, it being understood, that nothing in this subsection shall limit the Port Authority's rights to take any actions it deems reasonable under the circumstances to ensure labor harmony as provided in subsection (a) of this Section during the entire term of this Consent. In the event that the Sublessee has delivered the notification provided in clause (2) of the first sentence of this paragraph, and thereafter a labor organization (as defined by 29 U.S.C. Section 152(5)) seeks to represent the employees of the Sublessee at the Airport, the Sublessee shall provide the Port Authority with notice of such change in circumstances, and follow the procedures set forth in this paragraph.

(c) Employee Retention. If the Sublessee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "Predecessor Concession"), the Sublessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Sublessee at the Space. The foregoing requirement shall be subject to the Sublessee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Sublessee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space.

The Port Authority shall have the right, subject to applicable laws and regulations regarding human resources and employment matters, to demand from the Sublessee

documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision.

(d) Applicability of Provisions. The provisions of the foregoing subsections (b) and (c) of this Section shall apply to any concession operation of the Sublessee at the Terminal which employs ten (10) or more persons at the Space.

28. General; Construction and Interpretation.

(a) Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees, contractors, subcontractors and others on the Space or on the Airport with the consent of the Sublessee.

(b) The paragraph headings used herein are used solely for convenience and shall not be given any weight in the interpretation of this Consent. All Schedules and Exhibits are hereby incorporated and merged into this Consent and made a part hereof.

(c) This Consent shall be construed without regard to any presumption or any other rule requiring construction against the party causing this Consent or any part thereof to be drafted.

(d) For the convenience of the parties, any number of counterparts hereof may be executed, each such executed counterpart shall be deemed an original and all such counterparts together shall constitute one and the same document.

(e) The Port Authority may at any time and from time to time by notice to the Airline and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Airline or the Sublessee.

29. Governing Law. Anything in the Sublease to the contrary notwithstanding, the effect and meaning of this Consent and the rights of the parties hereunder shall be governed by, and construed and enforced in accordance with, the laws of the State of New York without regard to the conflict of laws principles thereof.

30. No Personal Liability. Neither the Commissioners of the Port Authority nor any of them, nor any director, officer, agent or employee of the Port Authority, the Airline or the Sublessee shall be held personally liable to any party under any term or provision of this Consent or because of its execution or attempted execution or because of any breach or alleged breach thereof.

31. Entire Agreement; Amendment. This Consent Agreement constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority, the Sublessee and the Airline.

IN WITNESS WHEREOF, the Port Authority, the Airline and the Sublessee have executed these presents as of the date hereinabove written.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

$47.78

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed ~~$30~~million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South,

4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

(b) The foregoing grants and demise to Concessionaire includes the non-exclusive right of Concessionaire and its officers, shareholders, partners, members, contractors, agents, employees and invitees and others acting by, through or under Concessionaire to ingress and egress between the Concessionaire Premises and the city streets outside the Airport over such highways at the Airport as may be made available from time to time by the Port Authority for use by the public, in common with all others having rights of passage within the Airport, subject at all times to the terms and conditions of ingress and egress set forth in the Master Lease.

SECTION 2.02 Term. The term of this Sublease (the "Term") shall commence on the Commencement Date and end on the Expiration Date, unless sooner terminated as provided herein. Sublandlord shall have no liability to Concessionaire if the Commencement Date is delayed for any reason beyond Sublandlord's control, provided that the Term shall not be less than eight (8) years. Notwithstanding anything in this Sublease to the contrary, Sublandlord may terminate this Sublease during the Term (a) without cause upon not less than thirty (30) days' written notice to Concessionaire, or (b) otherwise in accordance with Section 14 hereof.

SECTION 2.03 Sublandlord's Work.

(a) Sublandlord will perform, or cause to be performed, Sublandlord's Work and shall achieve Substantial Completion thereof prior to the Substantial Completion Date. Concessionaire, by its execution of this Sublease, represents, warrants and agrees that Sublandlord has no obligation or duty and has made no agreement with Concessionaire to do or

cause to be done any other work in or to the Concessionaire Premises except Sublandlord's Work.

(b) Notwithstanding the other provisions of this Section, if, on or prior to the Commencement Date set forth in the Delivery of Premises Notice, Sublandlord shall have failed to achieve Substantial Completion of Sublandlord's Work for any reason whatsoever, then the Term shall not commence on the Commencement Date but shall instead commence on the date the Concessionaire Premises is actually turned over to Concessionaire, such date to thereafter be deemed the Commencement Date.

SECTION 2.04 Delivery of Premises; Concessionaire's Work Generally.

(a) On the Commencement Date, the Concessionaire Premises shall be turned over to Concessionaire for the performance of Concessionaire's Work. On such date, Concessionaire shall commence construction and installation of Concessionaire's Work and shall diligently pursue Substantial Completion thereof, provided that Concessionaire shall have, at a minimum, until October 21, 2008 (the "Substantial Completion Date") to achieve Substantial Completion of Concessionaire's Work. If Concessionaire fails to so complete Concessionaire's Work by the Substantial Completion Date due to no fault of Sublandlord or the Port Authority, nor due to a force majeure event, Sublandlord shall have the right to assess against Concessionaire liquidated damages of up to $1,500 per day for each day until Concessionaire achieves Substantial Completion of such work and is ready to open for business to the public, which liquidated damages shall be payable upon demand.

CONCESSIONAIRE IRREVOCABLY WAIVES ANY CLAIM BASED UPON OR RELATED TO ANY SUCH CLAIMED REPRESENTATION BY SUBLANDLORD OR THE PORT AUTHORITY. NO REPRESENTATIONS OR WARRANTIES AS TO THE ECONOMIC VIABILITY OF THE CONCESSIONAIRE PREMISES OR THE AMOUNT OF PASSENGERS TO BE ENPLANED IN THE MASTER LEASE PREMISES HAVE BEEN MADE. NO PROMISES TO ALTER, REMODEL OR IMPROVE, THE CONCESSIONAIRE PREMISES, CONCESSION AREA OR THE MASTER LEASE PREMISES HAVE BEEN MADE EXCEPT AS EXPRESSLY SET FORTH HEREIN. PASSENGER COUNTS, PASSENGER FLOWS AND OTHER CUSTOMER TRAFFIC ARE IN THE MOST PART PRODUCTS OF AIRLINE SCHEDULES AND GATE UTILIZATION AND GOVERNMENTAL RULES AND REGULATIONS GOVERNING SECURITY AND EMERGENCY SITUATIONS AND MAY RESTRICT ACCESS TO THE MASTER LEASE PREMISES. CONCESSIONAIRE MAY NOT RELY ON ANY IMPLIED REPRESENTATIONS OR WARRANTIES (THE EXISTENCE OF WHICH ARE HEREBY DISCLAIMED), OR THE ACCURACY OF PROJECTIONS OR PROSPECTIVE INFORMATION PROVIDED IN CONNECTION WITH THE EXECUTION OF THIS SUBLEASE. SECTION 3.01 Monthly MAG Payment.

(a) For each Monthly Period during the Term, Concessionaire shall pay the Monthly MAG Payment in accordance with this Section.

(b) The "Monthly MAG Payment" shall be an amount equal to one-twelfth (1/12) of the Minimum Annual Guarantee. Concessionaire shall pay the Monthly MAG Payment

for each Monthly Period during the Term, in advance, on the first day of such Monthly Period from and after January 1, 2009 (the "Monthly MAG Commencement Date") in accordance with the other provisions of this Article, provided that for each Monthly Period prior to January 1, 2009, Concessionaire shall pay the Percentage Rent payable for such Monthly Period or portion thereof in accordance with Section 3.03. For any payment period of less than one Monthly Period, the Monthly MAG Payment shall be paid on a pro rata basis in the same proportion that the number of days in the payment period bears to the total number of days in the Monthly Period in which the payment period falls.

(c) "Minimum Annual Guarantee" means the following:

(d) The Minimum Annual Guarantee for the first year following the Monthly MAG Commencement Date shall be based on enplaned passenger projections of enplanements (the "Estimated Year 1 Enplanements"). Notwithstanding the foregoing, if on the first date that annual enplanements for the preceding three hundred sixty-five (365) day period equals enplanements, the Minimum Annual Guarantee is less than , the Minimum Annual Guarantee shall automatically increase to an amount equal to plus annual escalations through such date as though was the Minimum Annual Guarantee for the first year following the Monthly MAG Commencement Date, and the Monthly MAG Payment shall be adjusted accordingly, and thereafter the Minimum Annual Guarantee shall escalate on an annual basis in accordance with the escalation formulas set forth in the definition of Minimum Annual Guarantee above. Such determination of the change in enplanements shall be made by Sublandlord in good faith and set forth in a notice to Concessionaire.

SECTION 3.02 Reconciliation. If any annual statement or report indicates that the total Rent (together with any sales taxes thereon) due and owing for the prior Annual Period is greater than the amount paid by Concessionaire to either Sublandlord or the Port Authority or both during such Annual Period, Concessionaire shall pay the applicable shortfall to Sublandlord and the Port Authority, as the case may be, in accordance with this Article III concurrent with Concessionaire's submission of such Annual Report. If the total Rent actually paid by Concessionaire to Sublandlord and the Port Authority, respectively, during any Annual Period

exceeds the total Rent due and owing for such Annual Period, Sublandlord and the Port Authority shall respectively credit the overpayment in the following order: (i) against any past due amounts owed to Sublandlord and the Port Authority by Concessionaire, including interest and late fees; (ii) against any currently outstanding, but not yet due, Rent owed to Sublandlord and the Port Authority by Concessionaire; and (iii) against any other sums payable by Concessionaire to Sublandlord and the Port Authority, respectively. Notwithstanding the foregoing, in the event of an overpayment by Concessionaire during the last Annual Period, Sublandlord and the Port Authority shall respectively credit the amount thereof against any remaining amounts owed to Sublandlord and the Port Authority, including interest and late fees, and refund to Concessionaire any amounts in excess of the credit. The obligations arising under this Section shall survive the expiration or earlier termination of this Sublease.

SECTION 3.03 Percentage Rent.

(a) In addition to the Monthly MAG Payment, for each Monthly Period during the Term, Concessionaire shall pay Percentage Rent in accordance with this Section.

(b) "Percentage Rent" means the following:

(c) Concessionaire shall report Gross Receipts as follows: (i) on the 20th day of each Monthly Period during the Term and on the 20th day of the calendar month immediately following the Term, Concessionaire shall deliver to Sublandlord and the Port Authority a statement, certified by a responsible fiscal officer of Concessionaire, containing the following information (the "Percentage Rent Statement"): (i) Concessionaire's Gross Receipts for the preceding Monthly Period, (ii) the Percentage Rent, including the amounts resulting from the calculations set forth in each category of the definition of Percentage Rent, (iii) Concessionaire's Cumulative Gross Receipts from the date of the commencement of the Annual Period during which the report is made through the last day of the preceding Monthly Period, and (iv) Gross Receipts by each location of Concessionaire at the Concessionaire Premises for the preceding Monthly Period. Sublandlord reserves the right to change the form of the Percentage Rent Statement and to require the submission by Concessionaire of other information pertaining to the Gross Receipts and Percentage Rent, and Concessionaire agrees to change the form of its statements to that requested by Sublandlord and to provide any such additional information Sublandlord requests.

(d) Concessionaire shall pay, in arrears, on the 20th day of each Monthly Period during the Term from and after the Rent Commencement Date, the Percentage Rent payable for the prior Monthly Period, if any. Each payment of Percentage Rent shall be made in accordance with the other provisions of this Article.

(e) The computation of the Percentage Rent for each Monthly Period, or a portion of a Monthly Period, shall be specific to such Monthly Period, or such portion of an Monthly Period, and without relation to any other Monthly Period, or any other portion of any Monthly Period.

(f) Upon expiration of the Term, Gross Receipts shall be reported and Percentage Rent shall be paid through the Expiration Date, all in accordance with this Article, as if the Term had not been terminated. The obligations set forth in this paragraph shall survive the expiration of the Term.

SECTION 3.04 Additional Rent. During the Term, Concessionaire shall pay the following as additional rent within ten (10) days after receipt of a bill therefor, except as otherwise expressly set forth in Sections 3.05 and 3.06 (collectively, "Additional Rent"):

(a) Electricity Charges in accordance with Section 11.02; and

(b) Gas Charges in accordance with Section 11.02(b); and

(c) Such other amounts owing by Concessionaire to Sublandlord or the Port Authority pursuant to the terms of this Sublease.

SECTION 3.05 Payments to Sublandlord. Concessionaire shall make the following payments to Sublandlord:

(a) In advance, on the first day of each Monthly Period, the Sublandlord Share of the Monthly MAG Payment for such Monthly Period;

(b) In arrears, on the 20th day of each Monthly Period, the Sublandlord Share of the positive difference, if any, of (i) the Percentage Rent due for the prior Monthly Period, minus (ii) the Monthly MAG Payment for such prior Monthly Period; and

(c) In arrears, on the first day of each Monthly Period, the Sublandlord Share of any Additional Rent due for the prior Monthly Period.

SECTION 3.06 Payments to the Port Authority. Concessionaire shall make the following payments to the Port Authority:

(a) In advance, on the first day of each Monthly Period, the Port Authority Share of the Monthly MAG Payment for such Monthly Period;

(b) In arrears, on the 20th day of each Monthly Period, the Port Authority Share of the positive difference, if any, of (i) the Percentage Rent due for the prior Monthly Period, minus (ii) the Monthly MAG Payment for such prior Monthly Period; and

(c) In arrears, on the first day of each Monthly Period, the Port Authority Share of any Additional Rent due for the prior Monthly Period.

SECTION 3.07 Delinquent Rent and Fees. Without prejudice to any other rights and remedies of Sublandlord with respect to any default by Concessionaire, if Concessionaire fails to pay any amount required to be paid by Concessionaire under this Sublease when due to Sublandlord, including without limitation any payment of Rent, then Concessionaire shall pay to Sublandlord, a late payment fee of $500.00 per occurrence, plus interest on the outstanding payment amount at the Default Rate, computed from the date such payment became due to and including the date of payment. If Concessionaire fails to pay any amount required to be paid by Concessionaire under this Sublease when due to the Port Authority, including without limitation any payment of rental, then Concessionaire shall also pay the charges and interest on such unpaid amount at the rates, if any, set forth in the Consent. Concessionaire and Sublandlord hereby agree that such late fees represent a fair and reasonable estimate of the costs that Sublandlord will incur by reason of Concessionaire's late payment. Acceptance of such late fees (or any portion of the overdue payment) by Sublandlord shall in no event constitute a waiver of Concessionaire's default with respect to such overdue payment, or prevent Sublandlord or the Port Authority from exercising any of the other rights and remedies granted hereunder.

SECTION 3.08 Addresses for Payments.

(a) All payments to Sublandlord required of Concessionaire by this Sublease shall be made by mail to JetBlue Airways Corporation, 19 Old Kings Highway South, Darien, Connecticut 06820, Attn: Accounts Payable, or via the following wire transfer instructions:

(ii) not divert, or cause or allow to be diverted, any business from the Master Lease Premises or the Airport;

(iii) maintain, in English, in accordance with GAAP and other accepted accounting practice, during the Term, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until Concessionaire shall, upon request to Sublandlord, receive written permission from Sublandlord to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records and work schedules) recording all transactions of Concessionaire at, through, or in any way connected with its operations at the Concessionaire Premises or elsewhere at the Airport, and outside the Airport if the order therefor is received at the Airport, which records and books of account shall be kept at all times within the Port of New York District or at Concessionaire's corporate offices identified in Section 25.10, and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Sublease, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of Sublandlord and the Port

Authority of all the records and books of account of Concessionaire (including without limitation all corporate records and books of account which Sublandlord or the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which Sublandlord or the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "Books and Records") within twenty (20) days following any request by Sublandlord or the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to Concessionaire's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals;

(vii) in those situations where the Books and Records have been generated from computerized data (whether mainframe, minicomputer, or PC-BASED computer systems), provide, or cause to be provided, to Sublandlord and the Port Authority extracts of data files in a computer readable format on data disks, E-mail with attached files or alternative computer data exchange formats suitable to Sublandlord and the Port Authority in their sole discretion; and

(viii) permit the inspection by the officers, employees and representatives of Sublandlord and the Port Authority of any equipment used by Concessionaire, including, but not limited to, any of the equipment described in subparagraph (a)(vi) above.

(b) Without implying any limitation on the right of Sublandlord to terminate this Sublease based on an Event of Default, including but not limited to, default of any term, condition or provision of paragraph (a) above, if any Books and Records are maintained outside of the Port of New York District, then Sublandlord in its sole discretion may (i) require on ten (10) days' notice to Concessionaire that any such Books and Records be made available to Sublandlord and the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (ii) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States, Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all travel costs and related expenses, as determined by Sublandlord and the Port Authority, for Sublandlord and Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, and if such Books and Records are maintained outside the contiguous United States

Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all costs and expenses of Sublandlord and the Port Authority, as determined by Sublandlord and the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by Sublandlord and the Port Authority for the purpose of conducting such audit and examination.

(c) Without implying any limitation on the rights or remedies of Sublandlord or the Port Authority under this Sublease or otherwise, including without limitation the right of the Sublandlord to terminate this Sublease for an Event of Default, including a default of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, if any of the Books and Records are not maintained in English, then Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all costs and expenses of Sublandlord and the Port Authority, as determined by Sublandlord and the Port Authority, to translate such Books and Records into English.

(d) If upon conducting an examination and audit as described in this Section, Sublandlord or the Port Authority determines that unpaid amounts are due to Sublandlord or the Port Authority by Concessionaire (the "Audit Findings"), Concessionaire shall be obligated, and hereby agrees, to pay to Sublandlord and the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by Sublandlord and the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to Sublandlord and the Port Authority by Concessionaire under this Sublease or otherwise. No acceptance by Sublandlord or the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of Sublandlord or the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Sublease or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by Sublandlord and the Port Authority in the same manner and with like remedies as if it were originally a part of the original fees to be paid. executed by a senior financial officer of Concessionaire certifying that the Rent payments and all other payments made by Concessionaire to Sublandlord and the Port Authority during the preceding year pursuant to this Sublease were made in accordance with the terms of this Sublease. Such statement shall also contain a list of the Gross Receipts, by month, location, and product category, as shown on the Books and Records, which were used to compute the Monthly Rent and other payments made to Sublandlord and the Port Authority during the period covered by said statement, and shall additionally contain a schedule of the Rent payments made to Sublandlord and the Port Authority and detail on any exclusions from Gross Receipts. Such statement shall be certified, at Concessionaire's expense, by an independent certified public accountant. Concessionaire shall have until ninety (90) days from the end of each year during the Term to propose, in writing, any adjustments to such annual statement. No adjustments shall be made until Concessionaire has received approval from Sublandlord, the Port Authority, or their designated representatives, as applicable. Any additional or unpaid rent or fees due for the prior year shall be submitted with such annual statement.

(b) Any year-end credit due to Concessionaire, after approval of the annual certified statement, shall be taken by the 180th day of the year during which the annual statement was submitted. A credit shall be noted in the monthly statement submitted by Concessionaire and the credit shall be applied to the rent due. If credit is not taken by said date, credit shall be deemed as forfeited by Concessionaire with no further obligation by Sublandlord

(c) Sublandlord shall maintain the confidentiality of all financial information and reports received from Concessionaire or audited in accordance herewith, and shall only disclose such information to those employees, advisers, and agents of Sublandlord having a need therefor, or as otherwise required by law.

SECTION 4.03 Internal Controls. Concessionaire shall maintain an internal control structure designed to provide reasonable assurance that assets are safeguarded from loss or unauthorized use, that transactions are executed in accordance with management's authority, and that the financial records are reliable for the purposes of preparing financial statements. The internal control structure shall be supported by the selection, training, and development of qualified personnel, by an appropriate segregation of duties, and by the dissemination of written policies and procedures.

ARTICLE V. ALTERATIONS; INITIAL INVESTMENT

SECTION 5.01 Alterations.

(a) Concessionaire shall not make or perform or permit the making or performance of, any alterations, installations, improvements, additions or other physical changes in or about the Concessionaire Premises, including Concessionaire's Work (collectively, "Alterations"), without the prior written consent of Sublandlord and the Port Authority as hereinafter set forth. Sublandlord's and the Port Authority's consent to Alterations may be withheld for any reason or for no reason. Any Alterations made to the Concessionaire Premises shall be made in accordance with (i) this Sublease, (ii) the Tenant Design Manual, (iii) the

Master Lease, (iv) the Port Authority's TAA process and the specific TAA therefor, (v) the Consent, and (vi) all Legal Requirements.

(b) Title to all Alterations made and installed by Concessionaire upon or in the Concessionaire Premises shall pass to the City of New York as the same or any part thereof is erected, constructed or installed, in accordance with the Master Lease, provided that all furniture, finishings, movable trade fixtures, and personal property of Concessionaire shall remain the property of Concessionaire and upon the Expiration Date, shall be removed from the Concessionaire Premises by Concessionaire, provided, further, that Concessionaire shall repair any damage to the Concessionaire Premises or the Master Lease Premises caused by such removal. The foregoing provisions of this paragraph shall not affect the risks and obligations assumed by Concessionaire under this Sublease nor release Concessionaire from the performance of its obligations to rebuild and/or restore any such Alterations as set forth in this Sublease. Notwithstanding the foregoing, subject to the provisions of the Master Lease, Sublandlord shall have the right and privilege at any time up to six (6) months prior to the expiration of this Sublease to serve notice upon Concessionaire that any of such Alterations shall be removed and, in the event of service of such notice, Concessionaire shall, at Concessionaire's own cost and expense, remove the same in accordance with such request, and restore the Concessionaire Premises to its original condition, ordinary wear and tear and casualty excepted.

(c) Full and complete plans and specifications for all Alterations, and the time required to complete same, shall be submitted to and receive the written approval of Sublandlord before any work or construction is commenced. First-class standards of design and construction, as determined by Sublandlord, shall be complied with in connection with all Alterations and all construction shall conform with Sublandlord's Tenant Design Manual. Sets of plans and materials boards for all Alterations shall be given to Sublandlord for review prior to commencement of construction in accordance with the requirements listed in the Tenant Design Manual. After final approval by Sublandlord, Sublandlord shall return to Concessionaire one (1) approved copy for Concessionaire's records and shall retain one (1) approved copy as an official record thereof.

(d) Concessionaire will additionally be required to comply with the Port Authority's Tenant Alteration Application (TAA) procedure and construction requirements. All costs associated with the TAA process, including any resubmissions, shall be borne by Concessionaire. The forms and information required in this process may be obtained directly from the Port Authority's Tenant Liaison Office in Building 14 at the Airport.

(e) All Alterations, including the plans and specifications therefor, constructed or installed by Concessionaire, its agents, or contractors, shall conform in all respects to applicable Legal Requirements, including the ADA Act of 1990, as outlined in the Tenant Design Manual. Any approval given by Sublandlord shall not constitute a representation or warranty as to such conformity; and responsibility therefor shall at all times remain with Concessionaire.

(f) Sublandlord's approval requirements shall extend to and include architectural and aesthetic matters and Sublandlord reserves the right at its sole and absolute discretion to reject any layout or design proposals submitted and to require Concessionaire to resubmit any such layout or design proposals until they meet Sublandlord's approval.

(g) In the event of disapproval by Sublandlord of any portion of any plans or specifications, Concessionaire shall promptly submit necessary modifications and revisions thereof for approval by Sublandlord. Sublandlord agrees to act promptly upon such plans and specifications and upon requests for approval of changes or alterations in said plans or specifications. No substantial changes or alterations, as determined by Sublandlord, shall be made in said plans or specifications after initial approval by Sublandlord, and no alterations or improvements shall be made to or upon the Concessionaire Premises without the prior written approval of Sublandlord.

Piling of boxes, cartons, barrels, or other similar items in view of a public area is prohibited. Concessionaire shall keep any areas used for trash and garbage storage prior to removal from the Master Lease Premises in a clean and orderly condition so as not to attract rodents, pests, or birds, or create an offensive odor. Notwithstanding the foregoing Sublandlord reserves the right to establish, or require Concessionaire to establish, a centralized program for trash removal for concessions located in the Master Lease Premises, and in such event Concessionaire shall be required to comply with such program and to pay a proportionate share of the costs, based on uniform standards consistently applied to Concessionaire and the Other Concessionaires.

Concessionaire may contest the same in any claim filed or noticed in good faith. Notwithstanding such contest, Concessionaire shall, within fifteen (15) days after the filing thereof, cause such lien to be released of record by payment, bond, order of a court of competent jurisdiction or otherwise. In the event of Concessionaire's failure to clear the record of any such lien within such time period, Sublandlord may (but is not required to) remove said lien by paying the full amount thereof or by bonding or in any other manner Sublandlord deems appropriate, without investigating the validity thereof, and irrespective of the fact that Concessionaire may contest the propriety or the amount thereof, and Concessionaire, upon demand, shall pay Sublandlord the amount so paid out by Sublandlord in connection with the discharge of said lien, together with interest thereon at the rate of 1.5% per month or the maximum legal rate, whichever is greater, and reasonable expenses incurred in connection therewith, including reasonable attorneys' fees, which amounts are due and payable to Sublandlord and the Port Authority as Additional Rent on the first day of the next following month. Nothing contained in this Sublease shall be construed as a consent on the part of Sublandlord to subject Sublandlord's estate in the Concessionaire Premises to any lien or liability under the laws of the State of New York. Concessionaire's obligation to observe and

perform any of the provisions of this Section shall survive the expiration of the Term or the earlier termination of this Sublease.

Sublandlord shall supply electricity to the Concessionaire Premises and the cost thereof (collectively, "Electricity Charges") shall be reimbursed by Concessionaire, provided that (i) if Concessionaire is a Retail Concessionaire, Concessionaire shall have no obligation to reimburse Sublandlord for Electricity Charges, and (ii) if Concessionaire is a F&B Concessionaire, Electricity Charges shall be paid by Concessionaire to Sublandlord in arrears, together with Concessionaire's payment of Rent under Section 3.01 hereof, such Electricity Charges to be the actual cost of electricity for the prior month, as determined by Sublandlord and based on meters installed at such F&B Concessionaire's premises. Maintenance of any meters installed for the Concessionaire Premises shall be at the sole cost and expense of Concessionaire. At no time shall Concessionaire's use of electric current exceed the capacity of the wiring servicing the Concessionaire Premises. Notwithstanding the foregoing, if Concessionaire requires capacity or other upgrades to the electrical infrastructure of the Concessionaire Premises, the cost and expense thereof shall be the sole responsibility of Concessionaire.

SECTION 11.03 Additional Services. Upon prior written approval by Sublandlord as to the nature of such services and the installation of any equipment necessary in connection therewith (which installation shall be subject to the other provisions of this Sublease), Concessionaire may, at its own expense and subject to this Section, request and receive telephone services, Wi-Fi services, or other communications systems. Concessionaire shall be required to have one (1) in-house telephone line to the Concessionaire Premises. Concessionaire shall arrange for and pay the cost of such an in-house telephone or data line directly to the telephone company providing service to the Master Lease Premises (the current telephone service provider is Verizon). Wi-Fi services are intended to be available terminal-wide in the Master Lease Premises and provided through Sublandlord's Wi-Fi provider. Such Wi-Fi services may be used by Concessionaire, but Sublandlord makes no representations or warranties regarding the availability of such service throughout the Master Lease Premises and there shall

be no liability on the part of Sublandlord if such service shall not be available to Concessionaire.

SECTION 11.04 Limitations. In no event shall any Concessionaire operating a retail business install and operate refrigerators or other electrical equipment to dispense food, beverages, or other items, provided that Sublandlord shall have the right to charge any Concessionaire utilizing any such equipment for the reasonable cost of electricity used thereby in the Concessionaire Premises. In such event, Sublandlord shall have its engineers prepare a monetary estimate of annual utility consumption by such equipment, which amount shall be payable monthly as Additional Rent and adjusted from time to time by Sublandlord based on increases in utility rates.

SECTION 11.05 Interruptions to Services. Sublandlord shall have no responsibility or liability for interruption, curtailment or failure to supply cooled or outside air, heat, elevator, plumbing, electricity, or any other service when prevented by exercising its right to stop service or by strikes, labor troubles or accidents or by any cause whatsoever beyond Sublandlord's reasonably control, or by failure of independent contractors to perform or by laws, orders, rules or regulations of any federal, state, county or municipal authority, or failure of suitable fuel supply, or inability by exercise of reasonable diligence to obtain suitable fuel or by reason of governmental preemption in connection with a National Emergency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency. The exercise of such right or such failure by Sublandlord shall not constitute an actual or constructive eviction, in whole or in part, or entitle Concessionaire to any compensation or to any abatement or diminution of rent, or relieve Concessionaire from any of its obligations under this Sublease, or impose any liability upon Sublandlord or its agents by reason of inconvenience or annoyance to Concessionaire, or injury to or interruption of Concessionaire's business, or otherwise.

(b) Such policies shall provide that Concessionaire is named as the insured and that Sublandlord, the Port Authority, and the City of New York, and their respective Commissioners, directors, officers, employees and agents, shall be added as additional insureds, as their respective interests may appear, except with respect to the Employer's Liability and Workers' Compensation insurance required to be carried. The Commercial General Liability policy(ies) of insurance required to be carried above shall include the following statement:

(c) The insurance requirements set forth in this Article do not in any way limit the amount or scope of liability of Concessionaire under this Sublease. The amounts listed indicate only the minimum amounts of insurance coverage that Sublandlord is willing to accept to help insure full performance of all terms and conditions of this Sublease.

(d) Concessionaire and all officers and employees of Concessionaire who may handle or are responsible for the handling of receipts and disbursements shall be covered by insurance in an amount not less than Five Hundred Thousand Dollars ($500,000) for employee dishonesty coverage against any and all loss, theft, embezzlement or other fraudulent acts on the part of Concessionaire or Concessionaire's employees, and not less than One Hundred Thousand Dollars ($100,000) for money and securities on or off premises, transit and depositors forgery coverage, indemnifying Sublandlord and the Port Authority, as co-obligees, against any and all loss, theft, embezzlement or other fraudulent acts of the part of Concessionaire or Concessionaire's employees.

Sublandlord may, at any such time, require commercially reasonably additions, deletions, amendments or modifications to the above insurance

SECTION 12.02 Additional Details and Coverages.

(a) During any construction activity with a value of Twenty Five Thousand Dollars ($25,000) or more, Concessionaire shall obtain and maintain for the benefit of the parties to the Sublease, as their interest may appear, "special peril" Builder's Risk insurance equal to one hundred percent (100%) of the value of the project. Coverage shall also include: (i) form work in place; (ii) form lumber on site; (iii) temporary structures; (iv) equipment; and (v) supplies related to the work while at the site. In the event Concessionaire fails to maintain such insurance, Sublandlord may, at its option, arrange therefor, and any premium incurred shall be reimbursed by Concessionaire to Sublandlord upon demand.

The penal amount of each bond shall not be less than one hundred percent (100%) of the total cost of the contract or contracts for the construction, alteration, or repair. In the event that such contract(s) involve alteration or work on or to Sublandlord's facilities, the performance and payment bonds shall be posted regardless of the dollar value of the work. The payment bond required by this Section shall guarantee the prompt payment to all persons supplying labor, materials, provisions, supplies, and equipment used directly or indirectly by any contractor, subcontractor(s), and suppliers doing work provided for in the above-mentioned construction contract, and the performance bond shall guarantee the full performance of the work.

(d) Unless otherwise agreed to, prior to commencement of construction of the Concessionaire Premises, Concessionaire shall pay the construction deposit as detailed in Section 6.09 of the Tenant Design Manual.

(e) Upon completion of construction, Concessionaire shall procure and maintain policies of insurance at its own expense, insuring the Concessionaire Premises and improvements thereon against all perils of direct physical loss, excluding earthquake and flood. The insurance coverage shall be for not less than one hundred percent (100%) of the full replacement value of said Concessionaire Premises and improvements with an agreed amount clause and a reasonable and customary deductible on said Concessionaire Premises and improvements. Such amount is subject to final approval by Sublandlord. Concessionaire shall

SECTION 12.04 Additional Requirements. With respect to the commercial general and automobile liability insurance, each policy shall (a) be primary without right of contribution from any insurance that is carried by Sublandlord or the Port Authority, (b) name as additional insureds the parties listed above, (c) contain a waiver of subrogation in favor of the additional insureds, (d) provide that Concessionaire is solely responsible for the payment of all premiums, deductibles, self insured retentions, penalties and punitive damages thereunder, and (e) contain a provision requiring the insurer(s) to provide Sublandlord and the Port Authority with not less than thirty (30) days' prior written notice of any cancellation or adverse material change in such insurance. To the extent that Concessionaire relies on an excess or "umbrella" policy of insurance to satisfy the requirements of this section, any such policy shall be no less broad than the underlying policy, shall have the same inception and expiration dates as the underlying policy, and shall include a drop-down provision. Any deductible or self insured retention exceeding ten percent (10%) of the per occurrence or per accident limit of a required policy is subject to approval by Sublandlord and the Port Authority.

SECTION 12.05 Concessionaire's Risk. Concessionaire shall be responsible for obtaining any insurance it deems necessary to cover its own risks. In no event shall Sublandlord or the Port Authority be liable for any: (a) business interruption or other consequential loss sustained by Concessionaire; (b) damage to, or loss of Concessionaire's property of any kind; or (c) damage to, or loss of, an automobile, whether or not such loss is insured, even if such loss is caused by the negligence of Sublandlord or the Port Authority.

SECTION 12.06 Periodic Review. Sublandlord shall have the right to periodically review the types, limits, and terms of insurance coverage. In the event Sublandlord or the Port Authority determines that such types, limits, and/or terms should be changed, Sublandlord will give Concessionaire a minimum of thirty (30) days' notice of such determination and Concessionaire shall modify its coverage to comply with the new insurance requirements of Sublandlord. Concessionaire shall also provide Sublandlord and the Port Authority with proof of such compliance by giving Sublandlord and the Port Authority an updated certificate of insurance within fifteen (15) days.

SECTION 12.07 General Indemnification.

(a) Concessionaire shall indemnify, hold harmless and defend Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives from and against any and all claims and actions, demands, damages, civil penalties, charges, judgments, losses, liabilities of any character or kind and other legal actions and proceedings of whatever nature, including reasonable attorney's fees (including fees to establish the right to indemnification) resulting from, arising out of, related to, or caused by Concessionaire's or Concessionaire's sublessees' conduct of business or from any activity or other things done, permitted, or suffered by Concessionaire in, or about the Concessionaire Premises, Master Lease Premises, and/or Airport or other act or failure to act, excluding only claims or actions arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives, provided that Sublandlord shall give Concessionaire prompt and reasonable notice of any such claim or actions made or filed against it.

(b) Concessionaire hereby agrees to release and hold harmless Sublandlord, the Port Authority, the City of New York, their Commissioners, officers, agents and employees, as the case may be, from any damages to Concessionaire caused by noise, vibrations, fumes, dust, fuel particles and all other effects that may be caused by the operation of aircraft landing at or taking off from, or operating at or on the Airport; and Concessionaire does hereby fully waive, remise and release any right or cause of action that it may now have or that it may have in the future against Sublandlord, the Port Authority, their successors and assigns, due to such noise, vibrations, fumes, dust, fuel particles, and all other effects that may be caused or may have been caused by the operations at or in the Master Lease Premises and/or on the Airport. The above exception shall not limit a cause of action against other persons or entities, including licensees, concessionaires or aircraft operators.

(c) Concessionaire further agrees to hold Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives free and harmless from any claims arising out of the damage, destruction or loss of any or all of Concessionaire's equipment, excluding any claims arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives.

SECTION 12.08 Sublandlord's Right to Recover Damages. Concessionaire agrees to reimburse Sublandlord and the Port Authority, as applicable, for any and all damages, expenses, costs, fees (including, but not limited to, attorney, accountant, paralegal, and expert fees), fines, environmental costs and/or penalties (collectively "Costs") that may be imposed upon, incurred or suffered by Sublandlord or the Port Authority, as applicable, and which, in whole or in part, arise from any of the following, except to the extent resulting from the sole negligent acts of Sublandlord or the Port Authority, as applicable: (a) any act or omission of Concessionaire; (b) any use, occupation, management or control of the Concessionaire Premises by Concessionaire, whether or not due to Concessionaire's own act or omission and whether or not occurring on the Concessionaire Premises; (c) any condition created in or about the Concessionaire Premises by any party (other than Sublandlord and the Port Authority), including any accident, injury or damage occurring on or about the Concessionaire Premises after the date on which

Concessionaire takes possession of the Concessionaire Premises for build-out; and (d) any breach, violation or nonperformance of any of Concessionaire's obligations under this Sublease. For purposes of this Section, "Concessionaire" shall be deemed to include Concessionaire and Concessionaire's partners, officers, directors, employees, agents, sublessees, and contractors, and, in the case where Concessionaire may be a limited liability company, its members and managers.

SECTION 12.09 Waiver of Right of Recovery, Indemnification. Except as otherwise provided in this Sublease, neither Sublandlord nor the Port Authority shall be liable to Concessionaire or Concessionaire's insurance company (by way of subrogation or otherwise) for any loss or damage to any building, structure or other tangible property, or any resulting loss of income, or losses under workers' compensation laws and benefits, even though such loss or damage might have been occasioned by the non-gross negligence of Sublandlord, the Port Authority, or their respective agents or employees.

SECTION 12.10 Survival. The indemnification provisions of this Article shall survive the expiration or earlier termination of this Sublease.

ARTICLE XIII. HAZARDOUS MATERIAL

SECTION 13.01 Assumption of Liability. Concessionaire hereby expressly agrees to assume all responsibility for, relieve Sublandlord and the Port Authority from, and reimburse Sublandlord and the Port Authority for, any and all risks, claims, penalties, costs and expenses of any kind whatsoever caused by, arising out of or in connection with, any Hazardous Substances found on, under or about the Master Lease Premises after the date hereof due to the acts or omissions of Concessionaire, its affiliates, officers, agents, employees, contractors or representatives, including without limitation compliance with all Environmental Requirements and remediation of all Environmental Damages with respect thereto, and to indemnify and hold harmless Sublandlord for all such risks, claims, penalties, responsibilities, costs and expenses.

SECTION 13.02 Compliance with Laws. Without limiting Concessionaire's obligations elsewhere under this Sublease to comply with all Legal Requirements, Concessionaire understands and agrees that it shall be obligated, at its sole cost and expense, to comply with and relieve Sublandlord and the Port Authority from compliance with all Environmental Requirements which are applicable to or which affect (i) the Concessionaire Premises as a result of Concessionaire's use and occupancy thereof, (ii) the operations of, or work performed by, Concessionaire or others with the consent of Concessionaire at the Concessionaire Premises or Concessionaire's operations at the Airport, (iii) the occupancy and use of the Concessionaire Premises by Concessionaire or by others with its consent (and in accordance with this Sublease), or (iv) any Hazardous Substance which has migrated from the Concessionaire Premises. Concessionaire shall, perform all remediation, containment and clean-up of Hazardous Substances required in order to fully satisfy the compliance obligations set forth herein. Nothing in the foregoing shall be construed as a submission by Sublandlord to the application to itself of any Environmental Requirements, provided that no immunity or exemption of Sublandlord from any Environmental Requirements shall excuse compliance or be grounds for noncompliance on

the part of Concessionaire. Without limiting the generality of the foregoing and as part of the Concessionaire's fulfillment of the foregoing obligations, Concessionaire shall be responsible, at its sole cost and expense and subject to the direction of Sublandlord, for:

(i) the preparation of and submission to all applicable Governmental Authorities of any notice, negative declaration, remedial action workplan, no further action letter, remediation agreement or any other documentation or information;

(ii) the obtaining of any surety bond or the giving of any other financial assurances; and

(iii) complying with the provisions of all Environmental Requirements becoming effective on or relating to the termination, expiration or surrender of the letting of the Concessionaire Premises or of any portion thereof under this Sublease, or on the closure or transfer of the Concessionaire's operations at the Concessionaire Premises.

SECTION 13.03 Actions by Concessionaire. In addition to and without limiting the generality of the obligations of Concessionaire set forth above and elsewhere in this Sublease, Concessionaire shall, at its sole cost and expense, upon notice from Sublandlord, promptly take all actions to:

(i) completely remove and remediate (i) all Hazardous Substances in, on and under the Concessionaire Premises and at the Airport resulting from or in connection with the use and occupancy of the Concessionaire Premises by Concessionaire or any affiliate of Concessionaire or which have been or permitted to be disposed of, released, discharged or otherwise placed in, on or under the Airport by Concessionaire or any affiliate of Concessionaire, and (ii) all Hazardous Substances which have been disposed of, released, discharged or otherwise placed in, on or under the Concessionaire Premises during the Term or during the term of any previous agreement between Concessionaire or any affiliate of Concessionaire and Sublandlord covering Concessionaire's or any such affiliate's use and/or occupancy of the Concessionaire Premises or any portion thereof, except for Hazardous Substances caused by the sole acts or omissions of Sublandlord or Sublandlord's officers, agents, employees, contractors and representatives on or after the date hereof;

(ii) remove and remediate all Hazardous Substances in, on or under the Concessionaire Premises or which have migrated from or from under the Concessionaire Premises, in either case as a result of the acts or omissions of Concessionaire, its affiliates, agents, contractors or representatives, to any other property which any Governmental Authority or any Environmental Requirement or any violation thereof require to be remediated or removed; and

(iii) remove and remediate all Hazardous Substances which were in, on or under the Lease Premises and which have migrated from or from under the Concessionaire Premises, in either case as a result of the acts or omissions of

Concessionaire, its affiliates, agents, contractors or representatives, necessary to mitigate any Environmental Damages.

SECTION 13.04 Intentionally Omitted.

SECTION 13.05 Additional Remedies of Sublandlord. Without limiting Sublandlord's remedies under this Sublease or at law or in equity, Sublandlord shall have the right during and after the Term to such equitable relief, including restraining injunctions and declaratory judgments, to enforce compliance by Concessionaire of its environmental obligations under this Concession Agreement, including without limitation all Concessionaire's obligations under this Section. In the event that Concessionaire fails to comply with or perform any of such obligations, Sublandlord at any time during the Term or subsequent to the termination, expiration or surrender of the letting of the Concessionaire Premises or any portion thereof may elect (but shall not be required) to perform such obligations and upon demand Concessionaire shall pay to Sublandlord as additional rent its costs thereof, including all overhead costs as determined by Sublandlord.

SECTION 13.06 Obligation to Provide Information. Without limiting any other of Concessionaire's obligations under this Sublease, Concessionaire shall provide Sublandlord, at the cost and expense of Concessionaire, with such information, documentation, records, correspondence, notices, reports, tests, results, and certifications and any other information as Sublandlord shall request in connection with any Environmental Requirements which Concessionaire is obligated to comply with pursuant to this Sublease or Environmental Damages and Concessionaire shall promptly acknowledge, swear to (if required), sign or otherwise fully execute the same. Concessionaire agrees that any of the foregoing may be filed by Sublandlord with the appropriate Governmental Authority on behalf of Concessionaire at Concessionaire's cost and expense. Further, Concessionaire agrees unless directed otherwise by Sublandlord, to provide Sublandlord with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by Concessionaire to a Governmental Authority and by a Governmental Authority to Concessionaire within five (5) days that the same are made available to or received by Concessionaire with respect to any Environmental Requirements or any Environmental Damages.

SECTION 13.07 Indemnification. Without limiting the generality of any other provision contained in this Sublease, Concessionaire shall indemnify, hold harmless and reimburse Sublandlord, the Port Authority, their respective directors, officers, employees and representatives, from all claims, demands, penalties, fines, liabilities (including strict liability), settlements, attorney and consultant fees, investigation and laboratory fees, removal and remediation costs, court costs and litigation expenses, damages, judgments, losses, costs and expenses of whatsoever kind or nature and whether known or unknown, contingent or otherwise, just or unjust, groundless, unforeseeable or otherwise, arising or alleged to arise out of or in any way related to any Environmental Damages or any Environmental Requirement which Concessionaire is obligated to comply with pursuant to this Sublease, or the risks and responsibilities assumed hereunder by Concessionaire for the condition of the Concessionaire Premises or a breach or default of Concessionaire's obligations under this Section. If so

directed, Concessionaire shall at its own expense defend any suit based upon the foregoing.

SECTION 13.08 Compliance Standards. Without limiting the generality of any provision of this Sublease, in the event that any Environmental Requirement sets forth more than one compliance standard, Concessionaire agrees that the standard or standards to be applied in connection with any obligation it may have under this Sublease with respect to said Environmental Requirement shall be that which requires or permits the lowest level of a Hazardous Substance, provided that in the event such lowest level of a Hazardous Substance requires or allows the imposition of any restriction of any nature whatsoever upon the use or occupancy of the Concessionaire Premises or any other portion of the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport or upon the transfer of the Concessionaire Premises or the Airport, then Concessionaire shall remediate to such a level so that there is no such restriction placed upon the use and occupancy of the Concessionaire Premises or the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport.

SECTION 13.09 Effect on Master Lease. It is expressly acknowledged and agreed that nothing in this Article XIII shall constitute a modification, as between the Sublandlord and the Port Authority, of the Master Lease, and that none of the liabilities or obligations of the Sublandlord pursuant to the Master Lease are being assigned or delegated to Concessionaire hereunder.

ARTICLE XIV. ASSIGNMENT AND SUBLETTING

SECTION 14.01 Limitations, Prohibitions.

(a) Concessionaire covenants and agrees that it shall not assign, mortgage, pledge, encumber, or otherwise transfer this Sublease, nor underlet, nor suffer, nor permit the Concessionaire Premises or any part thereof to be used or occupied by others or all or any part of the letting hereunder, without obtaining the prior written consent of Sublandlord and the Port Authority, which consent neither Sublandlord nor the Port Authority shall have any obligation whatsoever to give. Any attempted transfer, assumption, assignment or sublease which does not comply with the provisions of this Article shall be void, *ab initio,* and infer no rights upon any third-parties. No amendment, transfer, assumption or contract shall relieve the Concessionaire of any of its obligations under this Sublease. Consent to the foregoing by any one or more of the Port Authority and Sublandlord shall not be deemed a waiver on the part of either or both of the Port Authority or Sublandlord to any prohibition against any future transfer, assignment, assumption or sublease.

(b) The term "transfer" includes, but is not limited to transactions in which any interest of Concessionaire in this Sublease or the Concessionaire Premises are mortgaged or otherwise encumbered or in which the Concessionaire sublets, rents, licenses, or otherwise permits occupancy or use of the Concessionaire Premises or any part thereof.

(c) If Concessionaire is a corporation, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the issued or outstanding stock of said corporation shall change shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a corporation, or if Concessionaire is a corporation whose stock is owned by a corporation ("Parent"), any transfer of any issued or outstanding stock or other change of ownership of Concessionaire or Parent by which control of the majority of the issued or outstanding stock of Concessionaire or Parent shall change shall be deemed to be a transfer under this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a partnership or joint venture, any sale, assignment or transfer, by operation of law or otherwise, of a controlling interest in such partnership or joint venture shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a limited liability company, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the membership interests in such limited liability company shall change, shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(d) A merger, reorganization (including by dissolution, stock transfer or change of classes of stock), or recapitalization of or with Concessionaire, either directly or indirectly, and a purchase of all or substantially all of Concessionaire's assets or stock, shall also be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(e) If this Sublease is assigned, or if the Concessionaire Premises or any part thereof be underlet or occupied by anybody other than Concessionaire, Sublandlord may, after default by Concessionaire, collect rent from the assignee, undertenant or occupant, and apply the net amount collected to the rent herein reserved, and after Concessionaire shall have defaulted in respect of any of its obligations under this Sublease, Concessionaire shall hold any amounts it receives from any undertenant or occupant in constructive trust for payment of Concessionaire's obligations hereunder; but no assignment, underletting, occupancy or collection shall be deemed a waiver of the provisions hereof, the acceptance of the assignee, undertenant or occupant as tenant, or a release of Concessionaire from the further performance by Concessionaire of covenants on the part of Concessionaire herein contained.

(f) Notwithstanding the foregoing provisions of this Article, and regardless of whether Sublandlord has in fact consented to any further subletting of the Concessionaire Premises or a proposed transfer, Sublandlord's consent will be of no force and effect and shall not be binding upon the Port Authority in any manner whatsoever. No such further subletting or a proposed transfer shall be effective and no estate or benefit shall be conferred on anyone until such time as the Port Authority has consented in writing, as determined in the Port Authority's sole and absolute discretion, to any such further subletting or a proposed transfer, provided that any such consent by the Port Authority shall not become effective until such time as the transferee, any other applicable parties, and the Port Authority shall have entered into an

agreement with respect to the use or occupancy of the Concessionaire Premises in such form and substance required by the Port Authority. In addition, the terms and provisions of the Consent which in any way discusses and/or addresses the Port Authority's rights with respect to the subject matter covered in this Article shall be controlling and shall govern. Further, if this Sublease is assigned by Sublandlord and assumed by the Port Authority for any reason whatsoever, the Port Authority shall have the right to determine, in its sole and absolute discretion, whether any of the provisions of this Article shall be binding upon and enforceable against the Port Authority and thereafter be considered to be a part thereof following such assignment and assumption.

(g) Notwithstanding anything in this Sublease to the contrary, if Concessionaire fails to obtain the consent of both Sublandlord and the Port Authority to any transfer of a type described in clauses (c) or (d) above, such transfer shall not be deemed a breach of this Section, provided that Sublandlord shall have the right to terminate this Sublease by written notice given at any time within ninety (90) days after the date such transfer occurs, provided, further, that Sublandlord shall reimburse Concessionaire for Fifty Percent (50%) of its Unamortized Capital Investment as a result of any such termination.

ARTICLE XV. DAMAGE AND DESTRUCTION

SECTION 15.01 Damage Caused to Master Lease Premises or Airport Property. Any damage caused to the Master Lease Premises, Airport, or any Master Lease Premises or Airport property or operations or the property of any other tenant, person, or entity caused by Concessionaire, or as a result of the operations of Concessionaire, shall be the responsibility of and promptly repaired by Concessionaire unless otherwise directed by Sublandlord, and Concessionaire shall reimburse Sublandlord for any such damage paid for by Sublandlord within thirty (30) days of billing by Sublandlord. The foregoing reimbursement obligation shall apply with respect to damage to Port Authority or Airport property or operations, the cost of which is incurred by the Port Authority. Any sums so paid by Sublandlord shall bear interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by law, whichever is greater, from the date paid by Sublandlord until Sublandlord has been fully repaid. If the same type of damage is caused by Concessionaire more than once, such as a water leak or electrical service interruption, Sublandlord shall review and approve Concessionaire's plan of repair or may require that Concessionaire allow Sublandlord to make the repair and then reimburse Sublandlord for the cost of such repair.

SECTION 15.02 Partial Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Sublandlord. The damage to the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, shall be repaired and restored by Sublandlord at Sublandlord's expense to essentially the same condition as that which existed prior to such damage. Notwithstanding the foregoing, if such damage is caused by the negligence of

Concessionaire, its officials, agents or employees, Concessionaire shall pay for all loss, damage and costs thereof. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) If those portions of the Concessionaire Premises constituting Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Concessionaire. Such damaged portions of the Concessionaire Premises shall be repaired and restored by Concessionaire at Concessionaire's expense to essentially the same condition as that which existed prior to such damage. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as set forth in paragraph (a) above.

(c) In all events, Concessionaire shall open, or reopen, as the case may be, for business immediately upon the completion of the repairs and restoration. If Concessionaire has exercised due diligence in attempting to complete the necessary repairs and restoration required hereby but is unable to do so within sixty (60) days following the date of said damage or the date of completion of any repairs and restoration first required to be made by Sublandlord in accordance herewith, then Sublandlord has the right to terminate this Sublease as to that portion or those portions of the Concessionaire Premises so damaged. Upon such termination, the Minimum Annual Guaranteed Rent shall be adjusted based on the proportion of the floor area terminated to the total floor area of the Concessionaire Premises immediately prior to said damage.

SECTION 15.03 Total Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, is totally destroyed or damaged by fire or other casualty or so damaged as to remain untenantable for more than sixty (60) days, Sublandlord shall be under no obligation to repair and restore such destruction and damage. The rent of the affected portions of the Concessionaire Premises shall be abated for the period from the date such destruction and damage occurred until (i) such space is repaired and restored, (ii) such space is temporarily replaced with other space reasonably sufficient to allow Concessionaire to operate, if such space is reasonably available, or (iii) this Sublease terminates, as the case may be, all in accordance with this Section. The amount of the rent abatement shall

be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) Sublandlord shall notify Concessionaire within sixty (60) days after the occurrence of such casualty whether it intends to repair and restore such destruction and damage. If Sublandlord elects to repair and restore, it shall do so with due diligence and at its expense, unless such damage was caused by the negligence of Concessionaire, its officials, employees, or agents, in which case Concessionaire shall pay for all loss, damage, and costs thereof. Should Sublandlord elect not to repair and restore such destruction and damage, this Sublease shall terminate on the date of notification by Sublandlord as specified in this Paragraph for the untenantable portions of the Concessionaire Premises. In either such event, Sublandlord agrees to use reasonable efforts to make reasonably sufficient substitute space available for Concessionaire during any repair or restoration period or upon a termination of this Sublease as set forth above.

SECTION 15.04 Notification of Damage. Concessionaire shall report any damage to the Concessionaire Premises to Sublandlord and the Port Authority immediately upon the occurrence thereof.

SECTION 15.05 Express Agreement. The parties agree that this Article constitutes an express agreement governing any case of damage or destruction of the Concessionaire Premises or the Master Lease Premises by fire or other casualty, and that Section 227 of the Real Property Law of the State of New York, which provides for such contingency in the absence of an express agreement, and any other law of like import now or hereafter in force, shall have no application in any such case.

ARTICLE XVI. EMINENT DOMAIN

SECTION 16.01 Condemnation.

(a) If the whole of the Master Lease Premises or any portion of the Concessionaire Premises shall be taken by any public authority under the power of eminent domain or sold to a public authority under threat or in lieu of such taking, then the Term shall cease as of the day upon which possession is taken by such public authority, and the Rent shall be paid up to that day.

(b) A voluntary sale or transfer of an interest in all or any part of the Master Lease Premises or of the Concessionaire Premises to any public or quasi-public body, agency, person or other entity, corporate or otherwise, having the power of eminent domain, either under threat of condemnation or while condemnation proceedings are pending, shall be deemed to be a taking under the power of eminent domain for the purposes of this Article.

SECTION 16.02 Damages and Awards. Concessionaire shall have no claim against Sublandlord, the Port Authority or the applicable condemning authority for any award and damages for such taking under the power of eminent domain or proceeds from any sale under threat or in lieu of such a taking and any award or damages shall be distributed in accordance with the Master Lease, provided that neither Sublandlord nor the Port Authority shall be entitled to any award or damages specifically designated as compensation for, depreciation to, or cost of removal of, the personal property and trade fixtures of the Concessionaire.

ARTICLE XVII. DEFAULT

SECTION 17.01 Events of Default. Upon the occurrence, at any time prior to or during the Term, of any one or more of the following events (each, an "Event of Default"):

(a) if Concessionaire shall (i) default in the payment to Sublandlord when due of any installment of Rent or in the payment to Sublandlord when due of any Additional Rent, and such default shall continue for a period of five (5) days after notice by Landlord to Tenant of such default, or (ii) default in the payment to the Port Authority when due of any installment of Rent or in the payment to the Port Authority when due of any Additional Rent; or

(b) if Concessionaire shall default in the observance or performance of any term, covenant or condition on Concessionaire's part to be observed or performed under any other lease or agreement with Sublandlord and such default shall continue beyond any grace period set forth in such other lease or agreement for the remedying of such default; or

(c) if the Concessionaire Premises shall become deserted or abandoned; or

(d) if a Governmental Authority terminates, revokes or suspends any certificate, license, permit or authority held by Concessionaire without which Concessionaire shall not be lawfully empowered to conduct its business operations in the Concessionaire Premises and such certificate, license, permit, or authority is not reinstated, or a new one received, within five (5) days; or

(e) if Concessionaire shall fail to cause any lien filed against the Concessionaire Premises, the Master Lease Premises, or any Sublandlord or Port Authority property to be released of record by payment, bond, order of a court of competent jurisdiction or otherwise, within fifteen (15) days after the filing thereof; or

(f) if Concessionaire's interest in this Sublease shall devolve upon or pass to any person, whether by operation of law or otherwise, except as may be expressly permitted under Article XIV hereof; or

(g) if Concessionaire shall file a voluntary petition in bankruptcy or insolvency, or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future

applicable federal, state or other statute or law, or shall make an assignment for the benefit of creditors or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Concessionaire or of all or any part of Concessionaire's property; or

(h) if, within sixty (60) days after the commencement of any proceeding against Concessionaire, whether by the filing of a petition or otherwise, seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, such proceeding shall not have been dismissed, or if, within sixty (60) days after the appointment of any trustee, receiver or liquidator of Concessionaire, or of all or any part of Concessionaire's property, without the consent or acquiescence of Concessionaire, such appointment shall not have been vacated or otherwise discharged, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property pursuant to which the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied; or

(i) if within any twelve (12) consecutive calendar month period, Concessionaire shall have on three (3) or more occasions failed to pay Rent when due hereunder, or Sublandlord has had grounds to commence more than two summary proceedings;

(j) Failure to timely deliver the Letter of Credit and any replacement thereof, that continues for a period of ten (10) business days after written notice thereof to Concessionaire; or

(k) The act or omission of Concessionaire which, under the terms of this Sublease or the Master Lease is prohibited and which would result in the Port Authority having the right to terminate the Master Lease or revoke the Consent for cause, provided that if such act or omission is cured prior to the Port Authority terminating the Master Lease or revoking the Consent, and the Port Authority does not terminate the Master Lease or revoke the Consent, then such act or omission by Concessionaire shall be deemed cured; or

(l) if Concessionaire shall default in the observance or performance of any other term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed and either (1) Concessionaire shall fail to remedy such default within thirty (30) days after notice by Sublandlord to Concessionaire of such default, or (2) if such default is of such a nature that it cannot be completely remedied within said period of thirty (30) days, Concessionaire shall not commence the cure of such default within said period of thirty (30) days, thereafter diligently prosecute to completion all steps-necessary to remedy such default and completely remedy such default within sixty (60) days of the notice from Sublandlord;

then, Sublandlord, at any time thereafter, at Sublandlord's option, may give to Concessionaire a five (5) days' notice of termination of this Sublease and, in the event such notice is given, this Sublease and the Term shall come to an end and expire upon the expiration of said five (5) days with the same effect as if the date of expiration of said five (5) days were the Expiration Date, but Concessionaire shall remain liable for damages as provided in this Article.

SECTION 17.02 Rights, Remedies, Damages.

(a) If there exists an Event of Default by Concessionaire, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property whereupon the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Concessionaire, or if this Sublease and the Term shall expire and come to an end as provided in Section 17.01, then:

(i) Sublandlord and its agents and servants may immediately, or at any time after such default or after the date upon which this Sublease and the Term shall expire and come to an end, re-enter the Concessionaire Premises or any part thereof, without notice, either by summary proceedings, or by any other applicable action or proceeding, or by force or otherwise (without being liable to indictment, prosecution or damages therefor), and may repossess the Premises and dispossess Concessionaire and any other persons from the Concessionaire Premises and remove any and all of their property and effects from the Concessionaire Premises; and

(ii) Sublandlord, at Sublandlord's option, may relet the whole or any part or parts of the Concessionaire Premises from time to time, either in the name of Sublandlord or otherwise, to such tenant or tenants, for such term or terms ending before, on or after the Expiration Date, at such rental or rentals and upon such other conditions, which may include concessions and free rent periods, as Sublandlord, in its sole discretion, may determine. Sublandlord shall have no obligation to relet the Concessionaire Premises or any part thereof and shall in no event be liable for refusal or failure to relet the Concessionaire Premises or any part thereof, or, in the event of any such reletting, for refusal or failure to collect any rent due upon any such reletting, and no such refusal or failure shall operate to relieve Concessionaire of any liability under this Sublease or otherwise to affect any such liability. Sublandlord, at Sublandlord's option, may make such repairs, replacements, alterations, additions, improvements, decorations and other physical changes in and to the Concessionaire Premises as Sublandlord, in its sole discretion, considers advisable or necessary in connection with any such reletting or proposed reletting, without relieving Concessionaire of any liability under this Sublease or otherwise affecting any such liability.

(b) Concessionaire hereby waives the service of any notice of intention to re-enter or to institute legal proceedings to that end which may otherwise be required to be given under any present or future law. Concessionaire, on its own behalf and on behalf of all persons claiming through or under Concessionaire, including all creditors, does further hereby waive any and all rights which Concessionaire and all such persons might otherwise have under any present or future law to redeem the Concessionaire Premises, or to re-enter or repossess the Concessionaire Premises, or to restore the operation of this Sublease, after (i) Concessionaire shall have been dispossessed by a judgment or by warrant of any court or judge, or (ii) any re-entry by Sublandlord, or (iii) any expiration or termination of this Sublease and the Term, whether such dispossess, re-entry, expiration or termination shall be by operation of law or pursuant to the provisions of this Sublease. The words "re-enter", "re-entry" and "re-entered" as

used in this Sublease shall not be deemed to be restricted to their technical legal meanings. In the event of a breach or threatened breach by Concessionaire, or any persons claiming through or under Concessionaire, of any term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed, Sublandlord shall have the right to enjoin such breach and the right to invoke any other remedy allowed by law or in equity as if re-entry, summary proceedings and other special remedies were not provided in this Sublease for such breach. The right to invoke the remedies hereinbefore set forth are cumulative and shall not preclude Sublandlord from invoking any other remedy allowed at law or in equity.

(c) If this Sublease and the Term shall expire and come to an end as provided in this Article, or by or under any summary proceeding or any other action or proceeding, then, in any of said events:

(i) Concessionaire shall pay to Sublandlord all Rent and other charges payable under this Sublease by Concessionaire to Sublandlord to the date upon which this Sublease and the Term shall have expired and come to an end;

(ii) Concessionaire also shall be liable for and shall pay to Sublandlord, as damages, any deficiency (hereinafter, the "Deficiency") between the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term and the net amount, if any, of rents collected under any reletting effected pursuant to the provisions of this Section for any part of such period. The Deficiency shall also include all of Sublandlord's expenses in connection with the termination of this Sublease, or Sublandlord's re-entry upon the Concessionaire Premises and with such reletting including, but not limited to, all repossession costs, brokerage commissions, legal expenses, attorneys' fees and disbursements, alteration costs and other expenses of preparing the Concessionaire Premises for such reletting. Any such Deficiency shall be paid in monthly installments by Concessionaire on the days specified in this Sublease for payment of installments of Rent, Sublandlord shall be entitled to recover from Concessionaire each monthly Deficiency as the same shall arise, and no suit to collect the amount of the Deficiency for any month shall prejudice Sublandlord's right to collect the Deficiency for any subsequent month by a similar proceeding; and

(iii) whether or not Sublandlord shall have collected any monthly Deficiencies as aforesaid, Sublandlord shall be entitled to recover from Concessionaire, and Concessionaire shall pay to Sublandlord, on demand, in lieu of any further Deficiencies as and for liquidated and agreed final damages, a sum equal to the amount by which the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the then fair and reasonable rental value of the Concessionaire Premises for the same period, less the aggregate amount of Deficiencies theretofore collected by Sublandlord pursuant to the provisions of this Section for the same period. If, before presentation of proof of such liquidated damages to any court, commission or tribunal, the Concessionaire Premises, or any part thereof, shall have been relet by Sublandlord for the period which otherwise would have constituted the unexpired portion of the Term, or any part thereof, the amount of rent reserved upon such reletting

shall be deemed, prima facie, to be the fair and reasonable rental value for the part or the whole of the Concessionaire Premises so relet during the term of the reletting. For purposes of this calculation, (i) all additional rent charges due hereunder shall be calculated on the assumption that they would continue to increase at the average rate of increase of additional rent charges in the 24 previous months (or during the prior term hereunder if less); and, (ii) at Sublandlord's election, the "fair and reasonable rate", if the Concessionaire Premises are not re-let, shall be deemed to be the rentable square footage of the Concessionaire Premises multiplied by the discounted average rental per square foot in the last three new leases (excluding renewals) written for space in the Master Lease Premises (or, if fewer than three leases have been written in the previous three months, the most recent lease, or any leases in those three months) discounting for brokerage fees, free rent periods, landlord work letters, and similar expenses, and without reference to any additional rent, escalation or percentage rent clauses therein.

(iv) If the Concessionaire Premises, or any part thereof, shall be relet together with other space in the Master Lease Premises, the rents collected or reserved under any such reletting and the expenses of any such reletting shall be equitably apportioned for the purposes of this Section. Concessionaire shall in no event be entitled to any rents collected or payable under any reletting, whether or not such rents shall exceed the Rent reserved in this Sublease. Solely for the purposes of this Article, the term "Rent" as used in this Section shall mean the Rent in effect immediately prior to the date upon which this Sublease and the Term shall have expired and come to an end, or the date of re-entry upon the Concessionaire Premises by Sublandlord, as the case may be. Nothing contained in this Article shall be deemed to limit or preclude the recovery by Sublandlord from Concessionaire of the maximum amount allowed to be obtained as damages by any statute or rule of law, or of any sums or damages to which Sublandlord may be entitled in addition to the damages set forth in this Article.

(v) All costs and expenses, including attorneys' fees (whether or not legal proceedings are instituted), involved in collecting Rents or enforcing the obligations of Concessionaire under this Sublease, including the cost and expense of instituting and prosecuting legal proceedings or recovering possession of the Concessionaire Premises after a breach by Concessionaire or upon expiration or earlier termination of this Sublease, to the extent such costs and expenses have not already been paid as a Deficiency or as liquidated damages under this Section, shall be due and payable by Concessionaire as additional rent within twenty (20) days of demand.

(d) For purposes of calculating any Deficiency with respect to Percentage Rent, Gross Receipts shall be determined in the following manner: (i) Gross Receipts shall be derived by multiplying the number of days in the balance of the Term originally fixed, by Concessionaire's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of Concessionaire during that part of the effective period of the Term (including all annual periods falling within the effective period) in which Rent was due and payable, divided by the number of days included in such part of the effective period.

SECTION 17.03 Sanctions for Certain Sublease Violations. Concessionaire's failure to adhere to the operating requirements set forth in this Sublease is reasonably anticipated to result in significant inconvenience to the public, adversely affect the overall concession business of the Master Lease Premises, and reduce the amount of rent to be paid to Sublandlord. Additionally, Sublandlord resources will be expended in dealing with violations of this Sublease by Concessionaire. The parties hereby agree that total damages sustained by Sublandlord for violations of the provisions of this Sublease addressing the subject matter listed below could be significant, but would be difficult to determine and to track. Therefore, the parties hereto agree that the sanction amounts, set forth below for violation of this Sublease terms addressing the referenced subject matter are reasonable estimates of the loss anticipated to be suffered or incurred by Sublandlord. Concessionaire, therefore, hereby agrees that imposition of the sanctions set forth below is fair and reasonable and Concessionaire agrees to pay immediately upon demand by Sublandlord the following sanction amounts upon the occurrence of breaches related to the following subject matter:

Operating Hours
$100 first occurrence ($500 if breach occurs on holiday)
$250 second occurrence ($500 if breach occurs on holiday)
$500 third occurrence (Same if breach occurs on holiday)

$1,000 per occurrence thereafter ($1500 if breach occurs on holiday)

Deliveries and Vendor Access
$100 per occurrence

SECTION 17.04 Imposition of Sanctions. Except for Sublease violations regarding the minimum hours of operation, the sanctions for which shall be incurred immediately and without notice upon violation, other sanction amounts shall not be imposed unless the Sublease violation

continues for more than three (3) calendar days after Sublandlord has given Concessionaire written notice of the violation, provided that after Sublandlord has given Concessionaire notice of the same violation more than twice during any given year of the Term, the sanction amount shall be immediately imposed with no opportunity to cure in order to avoid the sanction. Additionally, after two (2) sublease violations of the same type in the same year of the Term, Sublandlord reserves the right, at its sole option, not to impose the sanction and instead seek any other remedies available to it for an Event of Default, including termination of this Sublease. Sublandlord's right to impose the sanctions described above shall be in addition to any other rights and remedies of Sublandlord under this Sublease.

ARTICLE XVIII. TAXES

SECTION 18.01 Taxes. Concessionaire, solely, shall be responsible and liable for any taxes, assessments, levies, fees and other governmental charges and impositions of any and every kind or nature, regular or special, direct or indirect, foreseen or unforeseen or known or unknown, levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority, upon, against or with respect to (i) Concessionaire's leasehold interest in the Concessionaire Premises, (ii) any leasehold improvements or other alterations made to the Concessionaire Premises by Concessionaire, (iii) the furniture, fixtures, equipment, inventory and any other personal property of any kind owned by, or placed, installed or located in, within, upon or about the Concessionaire Premises by Concessionaire, (iv) Concessionaire's occupancy or use of the Concessionaire Premises.

ARTICLE XIX. HOLDING OVER

SECTION 19.01 Holding Over. Without in any way limiting the provisions in this Sublease regarding Events of Default and the Security Deposit or any other term and condition hereof, unless otherwise notified by Sublandlord in writing, if Concessionaire remains in possession of the Concessionaire Premises after the expiration or termination of the Term, in addition to any damages to which Sublandlord may be entitled under this Sublease or other remedies Sublandlord may have by law or otherwise, Concessionaire shall pay to the Sublandlord a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that Concessionaire shall surrender and completely vacate the Concessionaire Premises at an annual rate equal to twice the sum of (i) the annual rate of Minimum Annual Guarantee in effect on the date of such expiration or termination, plus (ii) all items of Percentage Rents, Additional Rent and other periodic charges payable with respect to the Concessionaire Premises by the Concessionaire at the rates in effect during the three hundred sixty-five (365) day period immediately preceding such date. Nothing herein contained shall give, or be deemed to give, Concessionaire any right to remain in possession of the Concessionaire Premises after the expiration or termination of the letting under this Sublease. Concessionaire acknowledges that the failure of Concessionaire to surrender, vacate and yield up the Concessionaire Premises to Sublandlord on the effective date of such expiration or termination will or may cause Sublandlord and the Port Authority injury, damage or loss. Concessionaire hereby assumes the

risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay Sublandlord and the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and Concessionaire hereby expressly agrees to indemnify and hold Sublandlord and the Port Authority harmless against any such injury, damage or loss.

ARTICLE XX. QUIET ENJOYMENT

SECTION 20.01 Quiet Enjoyment. Upon payment by Concessionaire of Rent and upon the timely observance and full performance of all the covenants, terms and conditions on Concessionaire's part to be observed and performed under this Sublease and the Consent, Concessionaire shall peaceably and quietly hold and enjoy the Premises for the Term, free from and without hindrance or interruption, subject to the Master Lease and the Consent.

ARTICLE XXI. SIGNS AND ADVERTISING

SECTION 21.01 Definition of Signs. For purposes of this Section, signs shall include, but not necessarily be limited to, identification signs, Concessionaire logos, advertising, promotions, stickers, photographs, art displays, and the like.

SECTION 21.02 Right to Install. Concessionaire may install and operate upon or in the Concessionaire Premises, and at Concessionaire's sole cost and expense, signs containing its name and representing its business in accordance with the guidelines established in the Tenant Design Manual. Concessionaire acknowledges Sublandlord's desire to maintain a high level of aesthetic quality in the Master Lease Premises and in all concession facilities throughout the Master Lease Premises. Therefore, Concessionaire covenants and agrees that, in the exercise of its privilege to install and maintain appropriate signs on the Concessionaire Premises, it will submit to Sublandlord the size, design, content, and intended location of each and every sign it proposes to install on or within the Concessionaire Premises, and that no signs of any type shall be installed on or within the Concessionaire Premises without the specific prior written approval of Sublandlord as to the size, design, content, and location. Handwritten, hand lettered, and paper signs are prohibited. Notwithstanding any prior written approval, Concessionaire shall install, remove, or modify any signs as directed in writing by the Sublandlord Concession Manager. Sublandlord's failure to require removal of any sign placed on or about the Concessionaire Premises without written permission shall not be deemed a waiver of the Sublandlord Concession Manager's authority to require removal of any unapproved sign.

SECTION 21.03 Signs and Fixtures Outside Concessionaire Premises.

(a) Concessionaire shall not place, install, erect, maintain or display any racks, stands, trade fixtures, pedestal signs, or other displays of products outside the boundaries of the Concessionaire Premises without the express prior written approval of Sublandlord.

(b) Except with the prior written consent of the Port Authority and Sublandlord, Concessionaire shall not place, install, erect, maintain or display any signs or any

advertising at or on the exterior parts of the Concessionaire Premises or in the Concessionaire Premises so as to be visible through the windows or exterior doors thereof. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

SECTION 21.04 Removal of Signs.

(a) Upon the expiration or sooner termination of this Sublease, Concessionaire shall remove, obliterate or paint out, as Sublandlord may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. If there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, Sublandlord may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to Sublandlord on demand.

(b) Upon the expiration or sooner termination of the Master Lease, Concessionaire shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, the Port Authority may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to the Port Authority on demand.

SECTION 21.05 Tenant Directory, Etc. Sublandlord shall list Concessionaire in one or more "Tenant Directories" to be located within the Master Lease Premises for the convenience of passengers. The design, layout, location, size, and placement of any Tenant Directory and Concessionaire's listing therein shall be at the sole discretion of Sublandlord. Concessionaire hereby grants Sublandlord (a) the right to list Concessionaire's name on its website, and (b) a non-exclusive license to use Concessionaire's name and logo in any marketing or promotional materials describing the Master Lease Premises and Sublandlord generally.

ARTICLE XXII. INTENTIONALLY OMITTED

ARTICLE XXIII. RIGHTS AND PRIVILEGES OF SUBLANDLORD

SECTION 23.01 Rules and Regulations. Sublandlord shall have the right to enforce, and adopt from time to time, reasonable rules and regulations, which Concessionaire agrees to observe and obey, with respect to the use of the Master Lease Premises, provided that such rules and regulations shall not be inconsistent with safety, current rules and regulations of the Federal

Aviation Administration (FAA) and the Transportation Security Administration (TSA) , and any future changes prescribed from time to time by the FAA, TSA, or any other successor Federal agency, provided, further, that such rules and regulations shall not be inconsistent with current rules and regulations of the Port Authority and any future changes prescribed from time to time by the Port Authority, all of which rules and regulations of the Port Authority, in the event of any inconsistency, shall supercede and control over those of Sublandlord.

SECTION 23.02 Official Representative. The Sublandlord Concession Manager is hereby designated as the representative for Sublandlord with respect to notices and communication regarding this Sublease.

SECTION 23.03 Sublease Actions. All actions relating to policy determination, modification of this Sublease, termination of this Sublease, and any similar matters affecting the terms of this Sublease shall be subject to Section 25.06 regarding amendments hereto.

SECTION 23.04 Right to Enter Concessionaire Premises. The Sublandlord Concession Manager and his or her designated representatives may enter upon the Concessionaire Premises at any reasonable time, for any purpose necessary, incidental to, or connected with, the performance of its obligations hereunder, or at any time in the case of an emergency.

SECTION 23.05 Sublandlord's and the Port Authority's Right to Develop. Sublandlord reserves the right to further develop or improve the public areas of the Concessionaire Premises, including the Master Lease Premises and ramp space, and the other areas of the Concessionaire Premises as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance. Concessionaire hereby acknowledges the Port Authority's right to further develop or improve the airfield, public areas within the Airport, and any other Airport property or facility as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance.

SECTION 23.06 Aircraft Noise, Etc. Concessionaire acknowledges that the Port Authority reserves for the use and benefit of the public, the right of aircraft to fly in the airspace overlying the land herein leased, together with the right of said aircraft to cause such noise as may be inherent in the operation of aircraft landing at, taking off from, or operating on or in the vicinity of the Airport and the Master Lease Premises, and the right to pursue all operations of the Airport and the Master Lease Premises.

SECTION 23.07 Aerial Approach Rights. Concessionaire acknowledges that the Port Authority reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Concessionaire from erecting, or permitting to be erected, any building or other structure on the Airport, which, in the opinion of the Port Authority, would limit the usefulness of the Airport, or constitute a hazard to aircraft.

SECTION 23.08 Right to Make Modifications. Sublandlord may from time to time increase or decrease the size or capacity of any public facilities within the Concessionaire Premises, or the Master Lease Premises, or make alterations thereto or reconstruct or relocate

them or modify the design and type of construction thereof or close them or any portions of them, either temporarily or permanently, provided notice is given to Concessionaire.

SECTION 23.09 Renegotiations. This Sublease at any time may be reopened for renegotiation in good faith if Federal Aviation Administration (FAA) Airport Certification or Transportation Security Administration's Security Requirements, FAR Parts 139 and TSR 1542 respectively, result in major expenditures to Sublandlord or the Port Authority due to Concessionaire's tenancy in the Master Lease Premises. If said renegotiation is desired, written notice must be given to Concessionaire not less than sixty (60) days prior to such renegotiations.

SECTION 23.10 Sublandlord's Right to Relocate Concessionaire Premises.

(a) Sublandlord reserves the right to relocate the Concessionaire Premises to other space in the Master Lease Premises (such other space being hereinafter referred to as the "Substitution Space") should that be necessary for Master Lease Premises area remodeling, redesign, or expansion.

(b) Notwithstanding the forgoing, the Substitution Space shall (i) contain substantially the same amount of square footage as the Concessionaire Premises, and (ii) have a similar or better layout as the Concessionaire Premises, as determined by Sublandlord in its sole discretion.

(c) Sublandlord shall exercise such right by giving Subtenant not less than sixty (60) days' prior written notice specifying the effective date of such substitution of the Substitution Space, or such additional reasonable time for Concessionaire to alter the Substitution Space for the operation of its business, whereupon, as of such effective date:

(i) the description of the Concessionaire Premises set forth in this Sublease shall, without further act on the part of Sublandlord or Concessionaire, be deemed amended so that the Substitution Space shall be deemed to be the Concessionaire Premises under the Lease, and all of the terms, covenants, conditions and provisions and agreements of this Sublease shall continue in full force and effect and apply to the Substitution Space; and

(ii) Concessionaire shall move from the original Concessionaire Premises into the Substitution Space on or before the effective date stated in Sublandlord's notice and shall vacate and surrender possession to Sublandlord of the original Concessionaire Premises; and

(iii) Subject to the other provisions of this subsection (iii), Concessionaire shall be deemed to have accepted possession of the Substitution Space in its "as is" condition as of the effective date stated in Sublandlord's notice.

(d) If Sublandlord exercises this relocation right, Sublandlord shall pay directly, upon presentation of invoices, for any of Concessionaire's actual and reasonable out-of-pocket expenses for moving and installing Concessionaire's furniture, equipment, supplies,

telephones and telephone equipment and all of Concessionaire's other property in the Concessionaire Premises from the original Concessionaire Premises to the Substitution Space, but Concessionaire shall not be compensated and Sublandlord and Port Authority shall not be liable for any inconvenience to Concessionaire or for any interruption of Concessionaire's business or affairs. Additionally, Sublandlord, at Sublandlord's expense, shall alter the Substitution Space in substantially the same manner as the original Concessionaire Premises were delivered to Concessionaire and the effective date of the substitution of the Substitution Space shall not be deemed to have occurred until the substantial completion of such alterations. If Concessionaire requests materials or installations in the Substitution Space other than those originally installed by Sublandlord in the original Premises or if Concessionaire shall make any changes in the work, Sublandlord's written consent thereto shall be required and Concessionaire shall pay to Sublandlord, if Sublandlord so gives its consent, the extra costs of any such materials, installations or changes in the work. Sublandlord at its discretion may substitute materials of like quality for the materials originally utilized in proceeding with any such work.

ARTICLE XXIV. AIRPORT SECURITY

SECTION 24.01 Compliance and Responsibility for Fines and Forfeitures. Concessionaire recognizes its obligations for security on the Airport and in the Master Lease Premises as prescribed by 49 CFR Part 1542, the Airport Security Program, and the Air Terminal Rules and Regulations,, and agrees to employ such measures as are necessary to prevent or deter the unauthorized access of persons or vehicles into the secure area of the Master Lease Premises and Airport. Concessionaire shall comply with Transportation Security Regulation Part 1542 (Airport Security) and the Master Lease Premises and Airport security policies as presently outlined in its Airport Security Program and the Air Terminal Rules and Regulations, as such plan may be amended from time to time. Concessionaire shall pay any forfeitures or fines levied upon it, Sublandlord, or the Port Authority through enforcement of Transportation Security Regulation Part 1542, or any other applicable Federal, state or local regulation, due to the acts or omissions of Concessionaire, its employees, agents, suppliers, invitees or guests and for any attorneys' fees or related costs paid by Sublandlord or the Port Authority as a result of any such violation.

SECTION 24.02 Security Identification.

(a) Concessionaire shall abide by rules and regulations adopted by Sublandlord in carrying out Sublandlord's obligations under Aviation Security Regulations and Directives for the proper identification of persons and vehicles entering the aircraft operations area and other security measures as Sublandlord deems necessary from time to time. Concessionaire shall obtain Airport identification badges for all personnel working in any restricted, SIDA, secure, sterile area, which will require Concessionaire to make initial application to the Port Authority, to include all current contracts, and receive approval; designating Issuing Officers and require each to successfully complete required training; and each worker to complete the Airport ID Card Application Form, submit to required fingerprinting, and successfully complete required security training. Concessionaire shall require all employees to display Airport Identification badges at all times while working. The badges

must be worn above the waist, be visible at all times, and otherwise comply with all Port Authority rules and regulations regarding the same.

(b) Pursuant to applicable Federal regulations, Concessionaire shall conduct an annual self-audit of Master Lease Premises and Airport access media, such as keys and access cards, used by Concessionaire, its employees, agents, suppliers, invitees, sublessees or guests. Concessionaire shall provide Sublandlord with a written report of said audits and shall replace, reset or re-key, as appropriate, all affected Master Lease Premises area access locks or devices whenever missing, lost, or stolen access media exceed five (5) percent of the access media issued for the affected lock or device.

SECTION 24.03 Tenant Security Program. Concessionaire shall create a Tenant Security Program (TSP) in coordination with the Airport Security Program (ASP) and the Airport Security Coordinator (ASC) for the Airport. The TSP shall be submitted to the Transportation Security Administration (TSA) and, upon approval, will make Concessionaire a regulated party of the TSA, in accordance with 49 CFR 1542. Additionally, Concessionaire will comply with rules, practices, security restrictions and regulations as set forth by Sublandlord, the Port Authority or other any agency having jurisdiction at the Airport. Any fines assessed against Sublandlord as a result of Concessionaire's failure to comply with the provisions of this paragraph or other intentional or negligent acts or omissions of Concessionaire, its employees or agents will be paid promptly, upon demand, to Sublandlord by Concessionaire.

SECTION 24.04 Employee Clearance. All employees assigned by Concessionaire shall be physically able to do their assigned work. Sublandlord and the Port Authority shall have complete control over granting, denying, withholding, or terminating security clearance for said employees. Clearance is required for all employees upon being hired or assigned to the Master Lease Premises. Concessionaire shall not permit any employee to begin work until the Port Authority grants clearance to each individual employee.

SECTION 24.05 Intentionally Omitted.

ARTICLE XXV. MISCELLANEOUS

SECTION 25.01 Concessionaire's OFAC Certification.

(a) Concessionaire hereby represents and warrants to Sublandlord and the Port Authority (which representations and warranties shall be deemed to be continuing and re-made at all times during the Term) that Concessionaire is not, and shall not become, a person or entity with whom Sublandlord or the Port Authority is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order on Terrorist Financing Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not engaging, and shall not engage, in any dealings or transactions or

be otherwise associated with such persons or entities. Concessionaire acknowledges that Sublandlord is entering into this Sublease, and the Port Authority is entering into the Consent, in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing Sublandlord to enter into and execute this Sublease and the Port Authority to enter into and execute the Consent. In the event of any breach of any of the foregoing representations and warranties by Concessionaire, Sublandlord shall have the right, in addition to any and all other remedies provided under this Sublease or at law or in equity, to immediately terminate this Sublease upon written notice to the Concessionaire, and the Port Authority shall have the right, in addition to any and all other remedies provided under the Consent or at law or in equity, to immediately revoke the Consent upon written notice to the Concessionaire. Concessionaire further acknowledges that there shall be no cure for such a breach. In the event of any such termination by Sublandlord or revocation by the Port Authority, Concessionaire shall, immediately on receipt of Sublandlord's termination notice or the Port Authority's revocation notice, cease all use of and operations permitted under this Sublease and surrender possession of the Concessionaire Premises to Sublandlord without Sublandlord being required to resort to any other legal process. Termination or revocation on the aforedescribed basis shall be deemed a termination or revocation for cause.

(b) Concessionaire shall indemnify and hold harmless Sublandlord and the Port Authority and their respective Commissioners, directors, officers, employees, agents and representatives from and against any and all claims, damages, losses, risks, liabilities and expenses (including, without limitation, attorney's fees and disbursements) arising out of, relating to, or in connection with Concessionaire's breach of any of its representations and warranties made under this Section. Upon the request of Sublandlord or the Port Authority, Concessionaire shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent) and in handling such defense of the Port Authority it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provision of any statutes respecting suits against the Port Authority.

(c) The provisions of this Section shall survive the expiration or earlier termination of this Sublease.

SECTION 25.02 Intentionally Omitted.

SECTION 25.03 Sublease Subordinate to Bond Ordinance. This Sublease and all rights of Concessionaire hereunder are expressly subordinated and subject to the lien and provisions of any pledge or assignment made by Sublandlord or the Port Authority to secure any bonds authorized by law to be issued for the development or improvement of the Master Lease Premises or Airport, and Sublandlord and Concessionaire agree that the holders of the said bonds shall possess, enjoy and may exercise all rights of Sublandlord hereunder to the extent such possession, enjoyment and exercise are necessary to ensure compliance by Concessionaire and Sublandlord with the terms and provisions of the bond covenants.

SECTION 25.04 Information Statement. At any time and from time to time, Concessionaire agrees that, within ten (10) days after written request from Sublandlord, Concessionaire shall execute, acknowledge and deliver to Sublandlord a written statement certifying that this Sublease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications), that Concessionaire is not in default under this Sublease (or if in default, stating the nature of such default), and including such other pertinent and reasonable information regarding this Sublease and Concessionaire's occupancy of the Concessionaire Premises as may be requested. Nothing in this Section 17.01 is intended to, or shall be deemed to affect, alter or diminish in any way (i) any rights of Sublandlord under this Sublease or (ii) any obligations of Concessionaire under this Sublease.

SECTION 25.05 Waiver; Election of Remedies. One or more waivers of any covenant or condition of this Sublease by Sublandlord shall not be construed as a waiver of a subsequent breach of the same covenant or condition, and the consent or approval by Sublandlord to or of any act of Concessionaire requiring consent or approval of Sublandlord, shall not be deemed to render unnecessary such consent or approval to or of any subsequent similar act. No breach by Concessionaire of a covenant or condition of this Sublease shall be deemed to have been waived by either, any or both of Sublandlord unless such waiver is in writing signed by each non-breaching party. Rights and remedies under this Sublease or under any specific section, subsection or clause hereof shall be cumulative and in addition to any and all other rights and remedies which each party has or may have elsewhere under this Sublease or at law or in equity, whether or not such section, subsection or clause expressly so states.

SECTION 25.06 Entire Agreement; Amendment.

(a) All exhibits and/or addendum(s), and/or rider(s), if any, attached to this Sublease are hereby made a part of this Sublease, with full force and effect as if set forth herein. This Sublease supersedes all prior agreements between the parties hereto and sets forth all the covenants, promises, agreements and conditions, and understandings between Sublandlord and Concessionaire concerning the Concessionaire Premises or any other premises within the Master Lease Premises occupied or used by Concessionaire, and there shall be no actual or implied covenants, promises, agreements, conditions or understandings, either oral or written, between them other than as are set forth herein and none thereof shall be used to interpret, construe, supplement or contradict this Sublease. The parties agree that any deletion of language from the Sublease prior to its mutual execution by Sublandlord and Concessionaire shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, obverse or opposite of the deleted language.

(b) No alteration, amendment, change or addition to this Sublease shall be binding upon Sublandlord or Concessionaire unless reduced to writing and signed by each party. Furthermore, any alteration, amendment, change or addition to this Sublease shall be subject to the consent of the Port Authority, which consent shall be in the sole and absolute discretion of the Port Authority.

SECTION 25.07 Interpretation; Use of Pronouns; Consent.

(a) Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of a joint venture between the parties hereto, it being understood and agreed that neither the method of computation of Rent, any other provision contained herein, nor any acts of the parties herein, shall be deemed to create any relationship between the parties hereto other than the relationship of landlord and tenant. This Sublease is the result of arms length negotiations between Sublandlord and Concessionaire and shall not be construed against Sublandlord by reason of its preparation of this Sublease.

(b) Whenever herein the singular number is used the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

(c) If this Sublease is silent as to the standard for any consent, approval, determination, or similar discretionary action, the standard shall be at the sole and unfettered discretion of Sublandlord, rather than any implied standard of good faith, fairness or reasonableness. If Concessionaire requests Sublandlord's consent or approval pursuant to any provision of this Sublease and Sublandlord fails or refuses to give such consent, Concessionaire shall not be entitled to any damages as a result of such failure or refusal, whether or not unreasonable.

SECTION 25.08 Contract Documents. The request for proposals published in connection herewith and Concessionaire's proposal in response thereto, which proposal is set forth in Exhibit L attached hereto, shall all form a part of this Sublease. In the event of a conflict between the terms and conditions of this Sublease and any of said documents, the terms and conditions of this Sublease shall take precedence.

SECTION 25.09 Delays; Force Majeure. Time is of the essence in the performance under this Sublease. In the event Sublandlord or Concessionaire shall be delayed in the performance of any obligation, covenant, agreement or other undertaking required of it under this Sublease, by reasons of strikes, lockouts, labor disputes, Acts of God, inability to procure labor, materials, or reasonable substitutes therefor, or shall at any time be so delayed by reason of the diminution of power or power failure(s), restrictive governmental laws or controls, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or reasons of a similar nature beyond the reasonable control of and not the fault of the party delayed in performing work or doing acts required under the terms of this Sublease, then performance of such act shall be excused for the period of the delay, and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay, provided that the time for performance shall in no event be extended due to financial or economic problems of any party. Notwithstanding anything to the contrary, the occurrence of any of the events of force majeure herein described shall not excuse Concessionaire's obligations to pay Rent or any other payment obligation hereunder on a timely basis.

The captions, section numbers and article numbers and index appearing in this Sublease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles of this Sublease or in any way affect this Sublease.

SECTION 25.12 Brokers. Concessionaire and Sublandlord represent and warrant each to the other and the Port Authority that there are and shall be no claims for brokerage

(b) Sublandlord covenants and agrees that, if the Port Authority shall exercise its right to terminate this Sublease by a Discretionary Revocation, then, provided that no Event of Default has occurred, Sublandlord shall pay to Concessionaire an amount equal to Concessionaire's Unamortized Capital Investment, as of the effective date of the Discretionary Revocation. In the event that the Port Authority revokes the Consent for cause or the Concessionaire terminates the Consent, Concessionaire shall not be entitled its Unamortized Capital Investment.

SECTION 25.19 Security Deposit Generally. Upon the execution of this Sublease by Concessionaire and delivery thereof to Sublandlord, Concessionaire shall deliver to Sublandlord and the Port Authority, respectively, as security for the full, faithful and prompt performance of and compliance with, on the part of Concessionaire, all of the terms, provisions, covenants and conditions of this Sublease and the Consent on its part to be fulfilled, kept, performed or observed (the "Security Deposit"), a clean irrevocable letter of credit (a "Letter of Credit") issued by a banking institution satisfactory to Sublandlord and the Port Authority and otherwise meeting the qualifications set forth in this Section, and having its main office within the Port of New York District, and otherwise in accordance with the following:

(a) With respect to the letter of credit as security for Sublandlord, such letter of credit shall be in favor of Sublandlord, and payable in the Port of New York District in the amount of Forty Thousand Six Hundred Twenty-Five and 00/100 Dollars ($40,625.00)

The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of Sublandlord.

(b) With respect to the letter of credit as security for the Port Authority, such letter of credit shall be in favor of the Port Authority, and payable in the Port of New York District in the amount set forth in the Consent. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority.

(c) Each such letter of credit required by this Section shall provide that it shall continue throughout the effective period of the permission under this Sublease and the Consent, as applicable, and for a period of not less than six (6) months thereafter, such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by Sublandlord or the Port Authority, its letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. The letters of credit shall not be considered to be held in trust by Sublandlord or the Port Authority for the benefit of Concessionaire, and shall not be considered an advance payment of rent or a measure of Sublandlord's or the Port Authority's damages in the case of an event of default by Concessionaire.

commissions or finder's fees in connection with this Sublease, and each party agrees to indemnify the other, Sublandlord and the Port Authority and hold each and all of them harmless from all liabilities arising from any claim for brokerage commissions and finder's fees in connection with this Sublease. Such agreement shall survive the expiration or sooner termination of this Sublease.

SECTION 25.13 Successors. All rights and liabilities herein given to, or imposed upon, the parties to this Sublease shall inure to and be imposed upon the respective heirs, executors, administrators, permitted successors and assigns of the said parties; and if there shall be more than one Concessionaire, they shall all be bound jointly and severally by the terms, covenants and agreements herein.

SECTION 25.14 Governing Law. This Sublease shall be governed by and construed in accordance with laws of the State of New York. If any provision of this Sublease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, such provision shall be adjusted rather than voided, if possible, in order to achieve the intent of the parties, to the extent possible. In any such event, all other provisions of this Sublease shall be deemed valid and enforceable to the full extent.

SECTION 25.15 Survival of Obligations. All obligations of both the Concessionaire and Sublandlord which cannot be ascertained to have been fully performed prior to the end of the Term, or any earlier termination hereof shall survive the expiration or termination of this Sublease, whichever occurs earlier.

SECTION 25.16 Attorneys' Fees. If at any time after the date hereof, Sublandlord institutes any action or proceeding against Concessionaire relating to the provisions of this Sublease or any default hereunder, Concessionaire shall reimburse Sublandlord for the costs expenses, including reasonable attorneys' fees and disbursements, incurred by Sublandlord, including any such fees, costs or disbursements incurred on any appeal from such action or proceeding.

SECTION 25.17 Exculpation. Concessionaire, for itself and its successors and assigns covenants and agrees that it or they shall enforce any obligation of Concessionaire contained in this Sublease solely against Sublandlord and not against any of the Protected Parties or in any manner realized upon the personal liability or assets of any of the Protected Parties.

SECTION 25.18 Termination by Port Authority Without Cause; Waiver and Release.

(a) This Sublease shall automatically terminate without notice to Concessionaire upon the expiration, termination or revocation of the Consent. Concessionaire acknowledges that the Port Authority may revoke the Consent without cause upon thirty (30) days prior written notice to Concessionaire whether or not there then exists an Event of Default, such revocation by the Port Authority of the Consent without cause being referred to in this Sublease as a "Discretionary Revocation."

(d) Upon notice of cancellation of any letter of credit, Concessionaire agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the beneficiary, the beneficiary may draw down the full amount thereof and thereafter hold the same as security. Failure to provide a letter of credit at any time during the effective period of the permission under this Sublease and the Consent, as applicable, including any failure of any banking institution issuing any such letter of credit previously accepted by the beneficiary to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Sublease and the Consent on the part of Concessionaire. Upon acceptance of a replacement letter of credit by the beneficiary, and upon request by Concessionaire made thereafter, the beneficiary will return the cash security deposit being held, if any. Concessionaire shall have the same rights to receive such cash security deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Sublease and the Consent and fulfillment of the obligations of the Sublease and the Consent.

(e) If the beneficiary shall make any drawing under a letter of credit held by such party, Concessionaire on demand of such party and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the beneficiary pursuant to the terms of any letter of credit, or any receipt by the beneficiary of funds from any bank issuing such letter of credit, shall be or be deemed to waiver of any default by Concessionaire under the terms of this Sublease or the Consent, and all remedies of Concessionaire and of Sublandlord and the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(f) For purposes of the provisions set forth in this Section, Concessionaire hereby certifies that its I.R.S. Employer Identification No. is

(g) Concessionaire agrees that it will not assign, mortgage or encumber, or attempt to assign, mortgage or encumber, a letter of credit (or any performance guaranty) held by Sublandlord or the Port Authority under this Sublease, and that neither Sublandlord nor the Port Authority, nor either party's successors or assigns, shall be bound by any such assignment, mortgage, encumbrance, attempted assignment, attempted mortgage or attempted encumbrance. Sublandlord and the Port Authority shall not be required to exhaust its remedies against Concessionaire before having recourse to the letter of credit (or any performance guaranty or any other security held by such party). Recourse by Sublandlord and the Port Authority to their respective letters of credit, or any other security held by such party, shall not affect any remedies of such party which are provided in this Sublease or the Consent, or which are available in law or equity.

(h) If Concessionaire fully performs all of its obligations under this Sublease, the letter(s) of credit held by Sublandlord, or any balance remaining, will be released within sixty (60) days from the Expiration Date or termination of this Sublease and delivery of the Concessionaire Premises to Sublandlord. However, if any question exists concerning Concessionaire's full compliance with this Sublease or if there is any obligation under this Sublease to be performed after the Expiration Date or earlier termination of this Sublease,

Sublandlord shall be entitled to require that the letter(s) of credit remain in place until Sublandlord is fully satisfied that there has been no violation of this Sublease and all obligations due under this Sublease have been fully performed, even if it takes Sublandlord longer than sixty (60) days to make such a determination to Sublandlord's satisfaction. The return of any letter of credit held by the Port Authority shall be subject to the provisions of the Consent or otherwise follow applicable Port Authority policy.

SECTION 25.20 Authority of Execution. If Concessionaire is a corporation, limited liability company or limited partnership, Concessionaire shall furnish to Sublandlord at the time of execution of this Sublease (a) a certificate issued by the state of its formation that the Concessionaire is in good standing in said state, (b) a certified copy of its Certificate of Incorporation, Articles of Organization, Certificate of Formation, or such other documentation as used in the state of its formation whereby the Concessionaire was originally formed in said state, and (c) a certified copy of the resolution of the Board of Directors, General Partners, Managers or Managing Members of other party(ies) having the power of control of the Concessionaire approving this Sublease and authorizing its execution by the persons who have signed or will sign this Sublease.

SECTION 25.21 Subordination. This Sublease shall be and remain subject and subordinate to the Master Lease and the letting hereunder shall terminate on the day prior to the expiration of the Master Lease, or on the date of the earlier termination of the Master Lease, such termination of this Sublease to be effective on such date and to have the same effect as if the Term had on that date expired. The rights of Sublandlord with respect to the Concessionaire Premises are those granted to it by the Port Authority, and no greater rights are granted or intended to be granted to Concessionaire than Sublandlord has power thereunder to grant.

SECTION 25.22 Third Party Beneficiary. The Port Authority is an express and intended third party beneficiary of this Sublease and it shall inure to its benefit and its successors and assigns. Without limiting the generality of the foregoing and in addition thereto, since the obligation of the Concessionaire to pay the Percentage Rent, the Minimum Annual Guarantee rent and the Additional Rent hereunder is for the benefit of both the Port Authority and the Sublandlord, the payment thereof may be enforced by either or both the Port Authority and the Sublandlord, individually or collectively, and further in the event of any breach or default by the Concessionaire in paying the Port Authority Share, the Sublandlord Share or any other Additional Rent due under this Sublease, both the Sublandlord and the Port Authority shall have the right to enforce payment thereof and to exercise all necessary remedies in connection therewith.

IN WITNESS WHEREOF, Sublandlord and Concessionaire have caused this Sublease to be duly executed as of the year and day first above written.

AFFIRMATIVE ACTION-EQUAL OPPORTUNITY---MINORITY BUSINESS ENTERPRISES ---WOMEN-OWNED BUSINESS ENTERPRISES REQUIREMENTS

Part I. Affirmative Action Guidelines - Equal Employment Opportunity

I. As a matter of policy, the Port Authority hereby requires Concessionaire and Concessionaire shall require the Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Exhibit G and Sections 6.07 and 6.08 of the Sublease. The provisions set forth in this Part I are similar to the conditions for bidding on federal government contract adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

Concessionaire as well as each bidder, contractor and subcontractor of Concessionaire and each subcontractor of a contractor at any tier of construction (herein collectively referred to as "the Contractor") must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). Concessionaire hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions. Concessionaire shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions by submitting a properly signed bid.

II. Concessionaire and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

(1) Minority participation

Minority, except laborers 30%
Minority, laborers 40%

(2) Female participation

Female, except laborers 6.9%
Female, laborers 6.9%

These goals are applicable to all the Contractor's construction work performed in and for the premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to Concessionaire and Concessionaire shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within 10 working days of award of any construction subcontract in excess of $10,000 at any tier for construction work. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1)"Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941:

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of $10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor, shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone number of each minority and female off-the-street applicant and minority or female referral from

a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Concessionaire when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO Policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decision including specific review of these items with on-premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m)The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered by the Concessionaire. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at lease as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Concessionaire shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanical apprentice, trainee, helper, or laborer), dates of

changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Lease, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II. MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires the Concessionaire and the Concessionaire shall itself and shall require the general contractor or other construction supervisor and each of the Concessionaire's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purposes hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations.

The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Concessionaire and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may specify by notice to the Concessionaire. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e. suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

AIRPORT CONCESSIONS DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by Concessionaire in its performance of the Sublease, Concessionaire shall use, to the maximum extent feasible and consistent with Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

ARTICLE XXVI. QUALIFICATION AS AN ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 Million (as may be increased by inflation, as provided in applicable Federal Regulations) and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management

and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their

disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

Concessionaire's breach of its obligations under 49 CFR Part 23 shall be a default by Concessionaire and shall entitle the Port Authority to exercise all of its contractual and legal remedies including revocation of the Consent.

EXHIBIT I

PORT AUTHORITY LOCAL BUSINESS ENTERPRISE COMMITMENT

As a matter of policy, Sublandlord and the Port Authority hereby require Concessionaire and Concessionaire shall require any Contractor utilized by Concessionaire to perform construction work on the Concessionaire Premises to comply with the provisions set forth hereinafter in this Exhibit I.

(1) Concessionaire and each Contractor shall use every good faith effort to maximize the participation of Local Business Enterprises ("LBEs") in all construction work on the Concessionaire Premises. In order to assure familiarity with the services and materials provided by LBEs, the Contractor shall attend such meetings as may be called by the General Manager of the Airport on LBEs and shall contact the Queens Air Services Development Office ("ASDO"), located at John F. Kennedy International Airport, Bldg. 141, First Floor, Jamaica, NY 11430 to obtain LBE Vendor Profiles and access ASDO's on-line vendor retrieval system ("BASIS"). Sublandlord, American or the Authority has not checked the references, capabilities or financial background of the LBEs registered with the ASDO, but is referring the Contractor to the ASDO and BASIS solely for the purpose of advising Contractors of LBEs who may be interested in providing services and/or materials to the Contractor.

(2) Good faith efforts to include participation by LBEs in construction work shall include at least the following: (i) Dividing the work to be subcontracted and services and materials to be procured into small portions, where feasible. (ii) Soliciting bids on portions of the work to be subcontracted and services and materials to be procured from LBEs registered with ASDO and such other LBEs as the Contractor deems appropriate.

(3) Sublandlord and the Port Authority are committed to making employment opportunities available to local residents and expects that the Contractor will utilize LBEs.

(4) It is specifically understood and agreed that the requirements set forth herein for the participation of LBEs shall not alter, limit, diminish or modify any of the obligations under this Sublease including, without limitation, the obligation to put into effect the affirmative action program and the MBE and WBE programs in accordance with the provisions set forth above in Exhibit I.

PORT AUTHORITY STREET PRICING REQUIREMENTS

A. General Port Authority Street Pricing Policy.

The Aviation Department of the Port Authority requires specific pricing criteria in all concessions agreements at the Airport. In general, the Port Authority and Sublandlord seek to promote fair and reasonable prices in airport concession programs. The street pricing policy is also designed to produce a greater volume of sales, thereby reflecting the Port Authority's and Sublandlord's objective to provide high customer service and optimization of financial return. The Port Authority's street pricing policy requires that prices charged at the Airport will be comparable to off-airport prices. In general, the policy requires any specialty retail, newsstand and food & beverage vendors that operate both on-airport and off-airport to price goods in the on-airport store within the range of prices charged at their off-airport stores. For vendors without off-airport operations in the area, comparable stores in the region are identified to establish the basis for street prices (the specific methodology for this comparison is established based upon the specific type of store and merchandise sold). For duty free concession vendors, where there are no comparable off-airport operations, the pricing policy requires that the prices of duty free merchandise be substantially comparable to the prices charged for duty free goods in duty free stores at other airports in the northeastern United States. Further, vendors must submit price lists for all goods and services in advance for approval. The street pricing policy also requires vendors to post signs in clearly visible locations notifying customers that the store charges fair and reasonable prices that are comparable to other stores in the region. Sublandlord requires strict adherence to the Port Authority's street pricing policy.

B. Comparable Locations In the Metro Area.

1. Specialty Retail and Food Service Concessions. For price comparative purposes, the street pricing policy requires that the prices charged in the various types of specialty retail and food & beverage concession facilities permitted hereunder shall be compared to similar specialty retail and food & beverage establishments located in major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease.

2. Newsstand and News & Gifts Concessions. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for newspapers, magazines and sundries shall be compared to local convenience store chains and/or local non-Airport news & gift establishments (excluding any locations which do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for gifts, souvenirs and novelties shall be compared to both similar gift, souvenir and novelty establishments located in the major regional malls, shopping centers, or other appropriate

retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as well as to the local convenience store chains and/or local non-Airport news & gift locations (excluding any locations that do not have multiple independent competitive sources and operators) in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease.

C. Specialty Retail and Food Service Concession Pricing Requirements.

Concessionaire's prices for all specialty retail and food service products permitted to be sold under the Use and Merchandise clause in this Sublease shall at all times be fair and reasonable and must be competitively priced such that the prices charged therefor are the same or comparable with comparable brands in specialty retail and food service establishments located in the major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time. To determine fair, reasonable and comparable prices, Concessionaire shall, at least once per year or more often if Sublandlord so desires, conduct a price comparison as outlined in Section 8.03 of this Sublease. Concessionaire's prices may not exceed the average price of those similar items in the comparable establishments.

D. Newsstand and News & Gifts Concession Pricing Requirements.

Concessionaire's prices for all news and gift products permitted to be sold under the Use and Merchandise clause in this Sublease shall at all times be fair and reasonable and must be competitively priced such that the prices charged therefor for newspapers, magazines and sundries are the same or comparable to those charged by the local convenience store chains and/or local non-Airport news & gift establishments (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time and for gifts, souvenirs and novelties to those charged by comparable gift, souvenir and novelty establishments located in the major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time. To determine fair, reasonable and comparable prices, Concessionaire shall, at least once per year or more often if Sublandlord so desires, conduct a price comparison as outlined in Section 8.03 of this Sublease.. Concessionaire's prices on any specific item may not exceed the average price of those similar items in the comparable establishments.

E. General Pricing Requirements.

In all other situations and circumstances for which no specific pricing requirement has been established, Concessionaire shall abide by the following pricing requirements. Concessionaire shall offer for sale only goods of first-class quality. For such goods, Concessionaire shall charge fair, reasonable and competitive prices. When an item has a

suggested retail price pre-marked and established by the manufacturer or distributor, Concessionaire shall not charge the public a price higher than the suggested retail pre-marked price without the prior written approval of Sublandlord in accordance with the Port Authority's street pricing policy. When an item has no suggested retail price or pre-marked price, the item shall be sold at a price as first approved by Sublandlord in accordance with the Port Authority's street pricing policy.

Port Authority Lease No. AYD-350
Consent to Sublease No. AYD-815
Facility: John F. Kennedy International Airport

CONSENT AGREEMENT

THIS CONSENT AGREEMENT, effective as of October 15, 2008 ("*Effective Date*"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("*Port Authority*") and **INTERNATIONAL SHOPPES, LLC**, dba Duty FreeDuty Paid ("*Sublessee*"), a limited liability organized and existing under the laws of the State of New York, with an office and place of business at 540 Rockaway Avenue, Valley Stream, New York 11581, whose representative is Matthew J. Greenbaum, and consented to by **JETBLUE AIRWAYS CORPORATION** ("*Airline*").

WITNESSETH, That:

WHEREAS, by a certain agreement of lease made as of the 6th day of May, 2005 and bearing Port Authority Lease No. AYD-350 (as the same may have been and may be hereafter amended, supplemented or extended, the "*Airline Lease*") the Port Authority leased to the Airline certain premises at John F. Kennedy International Airport ("*Airport*") for certain passenger terminal facilities as more particularly set forth in the Airline Lease (the "*Terminal*"); and

WHEREAS, it was contemplated under the Airline Lease that certain food and beverage, newsstand, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required; and

WHEREAS, the Airline and the Sublessee have entered into an agreement of sublease covering portions of the Terminal under the Airline Lease (such portions, being hereinafter collectively called the "*Space*" or the "*Spaces*"), a copy of which is attached hereto and made a part hereof (the "*Sublease*"), subject to the consent of the Port Authority and the execution of this Consent by and among the Airline, Sublessee and the Port Authority;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Airline and the Sublessee hereby agree effective as of the Effective Date, as follows:

1. Consent. On the terms and conditions hereinafter set forth, the Port Authority

consents to the Sublease.

2. Term of Consent. Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Airline or the Sublessee, on the earliest to occur of: (a) the day preceding the date of expiration or earlier termination of the Airline Lease; (b) the effective date of any revocation of this Consent pursuant to paragraph 6 hereof; (c) the date of expiration or earlier termination of the Sublease; or (d) such earlier date as the Airline and the Sublessee may agree upon subject to the terms and provisions hereof. Notwithstanding the foregoing, however, no termination of the Sublease shall diminish, limit, alter, affect, modify or impair the obligations, liabilities, or responsibilities of the Airline under the Airline Lease or release or relieve the Airline from the same or from any of the terms, provisions, covenants and conditions of the Airline Lease on its part to be kept, performed or observed. The Sublessee shall cease its activities and operations at the Space and shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the revocation, expiration or termination of the Sublease.

3. Breach or Default of Airline Lease. If the Airline shall at any time be in breach or default of its obligations under the Airline Lease, beyond applicable notice and cure periods, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Airline from the Sublessee (including, but not limited to, late charges, liquidated damages, fines and the like). No such payment shall relieve the Airline from any obligation under the Airline Lease or under this Consent but all such payments shall be credited against the obligations of the Airline or of the Sublessee, as the Port Authority may determine for each payment or part thereof.

4. Controlling Documents; Conflicts and Inconsistencies.

(a) Neither this Consent, nor anything contained herein, shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Airline Lease, nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Airline under the Airline Lease. Neither this Consent nor anything contained herein, nor any termination of the Sublease, shall affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Airline under the Airline Lease nor constitute or be deemed to constitute a release of the Airline from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Airline and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease, including, without limitation thereto,

any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Consent, or shall thereafter grant its consent or approval thereto, or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact, or that the Port Authority's discretion pursuant to the Airline Lease as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Airline including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) In any case of any conflict with, or difference or inconsistency between, the provisions of this Consent and those of the Sublease, this Consent shall be controlling and, in any case or difference or inconsistency between the terms of the Sublease and those of the Airline Lease, those of the Airline Lease shall control. Accordingly, to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Airline Lease or this Consent then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Airline Lease.

(e) The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Airline Lease.

(f) Without limiting the generality of subparagraph (a), above, and notwithstanding anything to the contrary stated in the Sublease, the following shall supercede and control with respect to the Sections of the Sublease which are referenced, below, if and to the extent of any conflict between this Consent and the said Sublease Section:

(1) Section 2.04, "Delivery of Premises; Concessionaire's Work Generally" – In subparagraph (a), the Sublessee shall have at least sixty (60) days from the Commencement Date to substantially complete the Concessionaire's Work (as defined in the Sublease) and, accordingly, the Substantial Completion Date shall be no longer than the expiration of such 60-day period.

(2) For avoidance of doubt, in the Sublease definitions of Port Authority Share and Sublandlord Share, the phrase "excluding rentals and fees that are strictly pass-through charges for expenses actually incurred by Sublandlord and Sublandlord Concession Manager" shall refer only to certain items of Additional Rent (as defined in the Sublease) and not to the Minimum Annual Guarantee or Percentage Rent (as such terms are defined in the Sublease), and shall not include any expenses personally incurred by the Sublandlord Concession Manager (as defined in the Sublease).

(3) Section 3.02, "Reconciliation" – Any reconciliation to be made by the Port Authority in favor of the Sublessee shall be handled by the Port Authority by applying the procedures typically followed by the Port Authority in the ordinary course of its business with other permittees/lessees/sublessees.

(4) Section 10.09, "Trash and Refuse" and Section 10.11, "Cleaning and Janitorial Services" - The Lessee shall use commercially reasonable efforts to operate, or cause to be operated, the loading dock and storage areas of the Master Lease Premises in an efficient and coordinated manner that supports the use of such facilities by Sublessee and the other concessionaires in connection with their respective businesses, and Sublessee shall have no obligation to manage or operate, to cause to be managed or operated, or to agree to manage or operate, a program for trash removal, the loading dock, the storage areas or any other common areas at the Terminal.

5. Required Port Authority Consent. The granting of this Consent by the Port Authority shall not be, and shall not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease or other agreement with respect to the use or occupancy of the Space or any other portion of the Terminal, or to any assignment of the Airline Lease or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

6. Revocation of Consent.

(a) The Port Authority shall have the right to revoke this Consent at any time without cause, as to any one or more (if applicable) of the Spaces at which the Sublessee has permission to operate on thirty (30) days' notice to the Sublessee and the Airline, and no such revocation shall be deemed to affect the Airline Lease or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby.

(b) In the event the Port Authority exercises its right to revoke this Consent if the Sublessee shall fail to keep, perform and observe each and every promise, agreement, condition,

term and provision contained in this Consent, the Sublessee shall be obligated to reimburse the Port Authority for any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Consent including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Consent.

7. Utilities.

(a) The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

(b) Except as expressly permitted under the Airline Lease, the cost of utilities shall not be charged to the Sublessee unless the Sublessee is a food/beverage vendor, all in accordance with the Airline Lease. By signing below, the Airline expressly agrees to the foregoing, and agrees that the Airline shall not charge to the Sublessee the cost of any utilities other than as aforesaid in this paragraph.

8. Compliance with Laws.

The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

9. Late Charges.

If the Sublessee shall fail to pay any amount to the Port Authority required under this Consent or the Sublease when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent. Each late charge shall be payable

immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent, including without limitation under paragraph 6 hereof or (ii) any obligations of the Sublessee under this Consent. In the event that any late charge imposed pursuant to this paragraph shall exceed a legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent shall be payable instead at such legal maximum.

10. No Responsibility of Port Authority for Capital Investment.

It is hereby acknowledged and agreed by the Airline and the Sublessee that the Port Authority has no obligation under the Airline Lease, the Sublease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's capital investment in the Space or at the Terminal, whether amortized or unamortized. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or upon revocation of this Consent, with or without cause, of any amount of the Sublessee's capital investment in the Space or at the Terminal shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Airline to pay, subsidize or finance said capital investment.

11. Indemnification.

(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Consent, and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Consent by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Sublessee if it is a limited liability entity), managers (in their capacity as managers of the Sublessee if it is a limited liability entity), partners (if Sublessee is a partnership), customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Terminal with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by

operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Sublessee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at it own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

12. Insurance.

(a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

	Minimum Limits
Commercial General Liability Combined single limit per occurrence for bodily injury and property damage liability:	$2,000,000

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any

time and from time to time during the term of the consent hereunder. The Port Authority may, at any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

13. Affirmative Action; Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation.

(a) Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

(b) The Sublessee is subject to the requirements of the U.S. Department of

Transportation's regulations, 49 CFR Part 23. The Sublessee agrees that Schedule G, attached to the Sublease and this Consent, is hereby made a part hereof and incorporated by reference herein and the Sublessee shall comply with its terms and provisions.

14. Subordination of Sublease.

Nothing contained in this Consent nor in the Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee, shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority, and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Airline Lease, consistent with paragraph 4 hereof. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of the Sublease.

15. Construction and Repairs.

Nothing contained in this Consent or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Terminal including without limitation the installation of any signs at the Airport. The Airline and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions of the Airline Lease and an approved Tenant Alteration Application which the Airline shall prepare and submit to the Port Authority.

16. Notices.

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the Airline and their respective offices shall be as set forth in the Airline Lease. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the registered or certified mailing thereof.

17. Basic Lease Provisions.

(a) Certain Definitions.

(i) "*Basic Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and the Port Authority, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same from time to time may have been or may be supplemented, amended and/or restated.

(ii) "City" shall mean The City of New York, a municipal corporation of the State of New York.

(b) The Sublessee acknowledges that it has received a copy of, and is familiar with the contents of, the Basic Lease. The Sublessee acknowledges that no greater rights or privileges are hereby granted to the Sublessee than the Port Authority has the power to grant under the Basic Lease.

(c) In accordance with the provisions of the Basic Lease, the Port Authority and the Sublessee hereby agree as follows:

(i) This Consent is subject and subordinate to the Basic Lease and to any interest superior to that of the Port Authority;

(ii) The Sublessee shall not pay the fees or other sums under this Airline Lease for more than one (1) month in advance (excluding security and other deposits required under this Airline Lease);

(iii) With respect to this Consent, the Sublessee on the termination of the Basic Lease will, at the option of the City, enter into a direct consent on identical terms with the City;

(iv) The Sublessee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the Basic Lease;

(v) The Sublessee shall not use any portion of the Airport for any use other than as permitted under the Basic Lease;

(vi) The Sublessee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the Basic Lease;

(vii) The failure of the Sublessee to comply with the foregoing provisions shall be an event of default under this Consent, which shall provide the Port Authority with the right to revoke this Consent and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Sublessee pursuant to this Consent.

18. Inspection.

(a) The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Sublessee of its obligations under this Consent and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Consent, the Airline Lease, or otherwise.

(b) Further, the Port Authority shall have the right to inspect the Sublessee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Sublessee, and any activities or operations of the Sublessee hereunder. Upon request of the Port Authority, the Sublessee shall operate or demonstrate any machines or equipment owned by or in the possession of the Sublessee at the Space or to be placed or brought on the Space, and shall demonstrate any process or other activity being carried on by the Sublessee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Sublessee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

19. No Waiver.

No failure by the Port Authority or the Airline to insist upon the strict performance of any agreement, term, covenant or condition of the Sublease or this Consent or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of the Sublease or this Consent during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Airline of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term, covenant or condition. No agreement, term, covenant or condition of the Sublease or this Consent to be performed or complied with by the Sublessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Sublessee in performance of any agreement, term, covenant or condition of the Sublease or this Consent shall affect or alter the Sublease or this Consent, but each and every agreement, term, covenant and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

20. Continued Exercise of Privilege After Expiration, Revocation or Termination.

Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Sublessee shall continue to perform any of the privileges granted to the Sublessee hereunder (the "Authorized Privileges") after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent,

as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Consent or other remedies the Port Authority may have by law or otherwise, the Sublessee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation, termination or cancellation and ending on the date that the Sublessee shall cease to perform the Authorized Privileges at the Premises equal to twice the sum of all fees payable hereunder. Nothing herein contained shall give, or be deemed to give, the Sublessee any right to continue to perform any of the Authorized Privileges at the Terminal after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent. The Sublessee acknowledges that the failure of the Sublessee to cease to perform all the Authorized Privileges at the Terminal from and after the effective date of such expiration, revocation, cancellation or termination will or may cause the Port Authority injury, damage or loss. The Sublessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Sublessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

21. Waiver of Trial by Jury.

The Sublessee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Sublessee in respect of the permission granted under this Consent and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Consent. The Sublessee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

22. Business Development and Records.

(a) In connection with its use of the Space hereunder, the Sublessee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it under the aforedescribed consumer services agreement ;

(ii) not divert, or cause or allow to be diverted, any business from the Terminal or the Airport;

(iii) maintain, in English and accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records and work schedules) recording all transactions of the

Sublessee at, through, or in any way connected with its operations at the Terminal or elsewhere at the Airport, and outside the Airport if the order therefor is received at the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport;

(iv) cause any Affiliate (as herein defined) of Sublessee, if any such company performs services similar to those performed by the Sublessee to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport. An "Affiliate" with respect to the Sublessee is any person or entity which directly or indirectly controls, is controlled by, or is under common control with the Sublessee; the term "control" (including the terms controlling, controlled by, and under common control with) shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the person, whether through the ownership of voting securities, by contract, or otherwise;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Consent, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Sublessee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts and all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "Books and Records") within twenty (20) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records; and

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Sublessee's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable

totals;

(vii) in those situations where the books and records have been generated from computerized data (whether mainframe, minicomputer, or PC-BASED computer systems), provide, or cause to be provided, to the Port Authority's representative extracts of data files in a computer readable format on data disks, E-mail with attached files or alternative computer data exchange formats suitable to the Port Authority in its sole discretion; and

(viii) permit the inspection by the officers, employees and representatives of the Port Authority and those of the Airline of any equipment used by the concession operator including, but not limited to, any of the equipment described in subparagraph (1)(vi) above.

(b) Without implying any limitation on the right of the Port Authority to revoke this Consent for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Sublessee understands that the full reporting and disclosure to the Port Authority of all gross receipts and the Sublessee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Consent. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Sublessee to comply with all the provisions of paragraph (a) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Airline under this Consent or otherwise and in addition to all of the Sublessee's other obligations under this Consent:

(i) the Port Authority may estimate the gross receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Sublessee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Sublessee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Sublessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Sublessee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) Without implying any limitation on the rights or remedies of the Port Authority or

of the Airline under this Consent or otherwise including without limitation the right of the Port Authority to revoke this Consent for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then the Sublessee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(d) In the event that upon conducting an examination and audit as described in this paragraph, the Port Authority determines that unpaid amounts are due to the Port Authority by the Sublessee (the "*Audit Findings*"), the Sublessee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Sublessee under this Consent or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Consent or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent or otherwise, including, without limitation, the Port Authority's rights to revoke this Consent or (ii) any obligations of the Sublessee under this Consent or the Sublease.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Consent payable to the Port Authority with the same force and effect as the basic fee/rent and all other fees/rent payable to the Port Authority hereunder.

23. Sublessee Payments and Statements.

(a) The Sublessee shall pay to the Port Authority the fees, as applicable, due to the Port Authority at the times and in accordance with the terms and provisions of the Sublease. All amounts to be paid to and all statements to be submitted to the Port Authority by the Sublessee pursuant to this Consent and the Sublease shall be made in accordance with Article 3 of the Sublease.

(b) To the extent that the Sublessee has not already done so at the time of execution of this Consent and without limiting the generality of any other term or provision hereof, the Sublessee agrees to submit monthly statements of Gross Receipts and to pay, at the time of execution and delivery of this Consent to the Port Authority, all fees and other amounts, due under this Consent to the Port Authority for the period from the Effective Date to the time of execution and delivery of this Consent by the Sublessee.

24. Port Authority Reserved Uses.

In addition to any other uses prohibited by the express terms of the Sublease, the Sublessee is prohibited in engaging in any of the following uses, operations or installations at the Space, which the Port Authority has reserved exclusively to itself and its designees: (i) advertising, (ii) public telephones (sometimes also referred to as "pay phones" "pay telephones" or "public telephones"), pre-paid phone cards (except Sublessee may sell Port Authority sponsored pre-paid telephone cards purchased from a pre-paid telephone card contractor, subcontractor or permittee of the Port Authority), facsimile transmission machines and other public communications services and facilities, including without limitation, public communications services and facilities that operate within the licensed spectrum radio frequency allocations and including in particular, but without limitation, "cellphone"/cellular technology and any technology that substitutes for, replaces or is used in conjunction with cellphone/cellular technology, and also including all Port Authority-owned or operated information and communications technology infrastructure for common Airport use, (iii) vending machines dispensing anything including, but not limited to, catalog and electronic sales (except in non-public areas of the Space for products then permitted to be sold on the Space under agreements or subleases approved by the Port Authority), (iv) ground transportation (including vehicle rentals) reservations, and (v) provision of on-airport baggage carts (other than shopping carts made available free of charge to retail shoppers within the concession areas) or other on-airport baggage-moving devices.

25. Other Security Deposits.

(a) With respect to the letter of credit as security for the Port Authority, in connection with the Sublease, such letter of credit shall be in favor of the Port Authority, and payable in the Port of New York District in the amount of Three Hundred Fourteen Thousand Eight Hundred Dollars ($314,800.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority.

(b) If the Sublessee is obligated by any other agreement with the Port Authority to maintain a security deposit with the Port Authority to insure payment and performance obligations of the Sublessee to the Port Authority pursuant to any such other agreement or otherwise, then any deposit pursuant thereto shall also secure the obligations of the Sublessee under this Consent and serve as security hereunder, in addition to the amount of any required security cited in Section 25.19 of the Sublease, and in addition to such security continuing to serve as such under such other Port Authority agreement. In such case, all provisions of such other agreement relating to such deposit are hereby incorporated herein by this reference as though fully set forth herein. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply, or any permitted assignment of such other agreement, shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

organization that seeks to represent the Sublessee's employees that contains provisions under which the labor organization and its members agree to refrain from engaging in any picketing, work stoppages, boycotts or any other economic interference with the Sublessee's operations, (2) written notification from an officer of the Sublessee on the Sublessee's letterhead that no labor organization (as defined by 29 U.S.C. Section 152(5)) is seeking to represent the employees of the Sublessee at the Airport as of the date of such notification, or (3) written notification from an officer of the Sublessee on the Sublessee's letterhead that Sublessee and a labor organization seeking to represent the employees of the Sublessee have been unable to agree upon the terms of a "labor peace agreement" that otherwise complies with clause (1) above, and that Sublessee has extended a written offer to such labor organization to enter into mediation to reach such agreement. Should the labor organization that seeks to represent the Sublessee's employees and the Sublessee fail to reach a resolution on the terms of the "labor peace agreement" set forth in clause (1) above, within a period of sixty (60) calendar days from the commencement of mediation, then, upon notice by either party to the other, the dispute shall be submitted to binding arbitration by a single neutral arbitrator (who shall be selected by the parties from a list of neutral arbitrators provided to the parties by the American Arbitration Association ("AAA")) and in accordance with the Commercial Rules of the AAA. Both the cost of mediation and arbitration will be split evenly between the parties. The labor peace agreement provided in (1), or the notification provided in either (2) or (3), of the preceding clause, shall be delivered to the Port Authority no later than ninety (90) days after the execution of this agreement. If after the expiration of such ninety (90) day period, the Sublessee has not provided such labor peace agreement or either such notification, then the Port Authority shall have the right to take such reasonable actions as the Port Authority may deem appropriate including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and Sublessee, subject to applicable laws and regulations, it being understood, that nothing in this subsection shall limit the Port Authority's rights to take any actions it deems reasonable under the circumstances to ensure labor harmony as provided in subsection (a) of this Section during the entire term of this Consent. In the event that the Sublessee has delivered the notification provided in clause (2) of the first sentence of this paragraph, and thereafter a labor organization (as defined by 29 U.S.C. Section 152(5)) seeks to represent the employees of the Sublessee at the Airport, the Sublessee shall provide the Port Authority with notice of such change in circumstances, and follow the procedures set forth in this paragraph.

(c) Employee Retention. If the Sublessee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "Predecessor Concession"), the Sublessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Sublessee at the Space. The foregoing requirement shall be subject to the Sublessee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Sublessee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space.

The Port Authority shall have the right, subject to applicable laws and regulations regarding human resources and employment matters, to demand from the Sublessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision.

(d) Applicability of Provisions. The provisions of the foregoing subsections (b) and (c) of this Section shall apply to any concession operation of the Sublessee at the Terminal which employs ten (10) or more persons at the Space.

28. General; Construction and Interpretation.

(a) Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees, contractors, subcontractors and others on the Space or on the Airport with the consent of the Sublessee.

(b) The paragraph headings used herein are used solely for convenience and shall not be given any weight in the interpretation of this Consent. All Schedules and Exhibits are hereby incorporated and merged into this Consent and made a part hereof.

(c) This Consent shall be construed without regard to any presumption or any other rule requiring construction against the party causing this Consent or any part thereof to be drafted.

(d) For the convenience of the parties, any number of counterparts hereof may be executed, each such executed counterpart shall be deemed an original and all such counterparts together shall constitute one and the same document.

(e) The Port Authority may at any time and from time to time by notice to the Airline and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Airline or the Sublessee.

29. Governing Law.

Anything in the Sublease to the contrary notwithstanding, the effect and meaning of this Consent and the rights of the parties hereunder shall be governed by, and construed and enforced in accordance with, the laws of the State of New York without regard to the conflict of laws principles thereof.

30. No Personal Liability.

Neither the Commissioners of the Port Authority nor any of them, nor any director, officer, agent or employee of the Port Authority, the Airline or the Sublessee shall be held personally liable to any party under any term or provision of this Consent or because of its execution or attempted execution or because of any breach or alleged breach thereof.

31. Entire Agreement; Amendment.

This Consent Agreement constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority, the Sublessee and the Airline.

IN WITNESS WHEREOF, the Port Authority, the Airline and the Sublessee have executed these presents as of the date hereinabove written.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

$47.78

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed ~~$30~~million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South,

4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee/sublessee, the term Concessionaire shall mean the Lessee or Sublessee, as the case may be, herein.

Concessionaire and Sublandlord hereby agree that such late fees represent a fair and reasonable estimate of the costs that Sublandlord will incur by reason of Concessionaire's late payment. Acceptance of such late fees (or any portion of the overdue payment) by Sublandlord shall in no event constitute a waiver of Concessionaire's default with respect to such overdue payment, or prevent Sublandlord or the Port Authority from exercising any of the other rights and remedies granted hereunder.

Such statement shall also contain a list of the Gross Receipts by month, location, and product category, as shown on the Books and Records, which were used to compute the Monthly Rent and other payments made to Sublandlord and the Port Authority during the period covered by said statement, and shall additionally contain a schedule of the Rent payments made to Sublandlord and the Port Authority and detail on any exclusions from Gross Receipts. Such statement shall be certified, at Concessionaire's expense, by an independent certified public accountant. The foregoing provisions of this paragraph shall not affect the risks and obligations assumed by Concessionaire under this Sublease nor release Concessionaire from the performance of its obligations to rebuild and/or restore any such Alterations as set forth in this Sublease. Notwithstanding the foregoing, subject to the provisions of the Master Lease, Sublandlord shall have the right and privilege at any time up to six (6) months prior to the expiration of this Sublease to serve notice upon Concessionaire that any of such Alterations shall be removed and, in the event of service of such notice, Concessionaire shall, at Concessionaire's own cost and expense, remove the same in accordance with such request, and restore the Concessionaire Premises to its original condition, ordinary wear and tear and casualty excepted.

Sets of plans and materials boards for all Alterations shall be given to Sublandlord for review prior to commencement of construction in accordance with the requirements listed in the Tenant Design Manual. After final approval by Sublandlord, Sublandlord shall return to Concessionaire one (1) approved copy for Concessionaire's records and shall retain one (1) approved copy as an official record thereof.

(d) Concessionaire will additionally be required to comply with the Port Authority's Tenant Alteration Application (TAA) procedure and construction requirements. All costs associated with the TAA process, including any resubmissions, shall be borne by Concessionaire. The forms and information required in this process may be obtained directly from the Port Authority's Tenant Liaison Office in Building 14 at the Airport.

(e) All Alterations, including the plans and specifications therefor, constructed or installed by Concessionaire, its agents, or contractors, shall conform in all respects to applicable Legal Requirements, including the ADA Act of 1990, as outlined in the Tenant Design Manual. Any approval given by Sublandlord shall not constitute a representation or warranty as to such conformity; and responsibility therefor shall at all times remain with Concessionaire.

(f) Sublandlord's approval requirements shall extend to and include architectural and aesthetic matters and Sublandlord reserves the right at its sole and absolute discretion to reject any layout or design proposals submitted and to require Concessionaire to resubmit any such layout or design proposals until they meet Sublandlord's approval.

(g) In the event of disapproval by Sublandlord of any portion of any plans or specifications, Concessionaire shall promptly submit necessary modifications and revisions thereof for approval by Sublandlord. Sublandlord agrees to act promptly upon such plans and specifications and upon requests for approval of changes or alterations in said plans or specifications. No substantial changes or alterations, as determined by Sublandlord, shall be made in said plans or specifications after initial approval by Sublandlord, and no alterations or improvements shall be made to or upon the Concessionaire Premises without the prior written approval of Sublandlord.

(h) No more than sixty (60) days after the completion of any construction project, Concessionaire shall provide Sublandlord two (2) completed sets of as-built drawings in reproducible form as specified in Section 7 of the Tenant Design Manual and an electronic file of As-Built Drawings in the format outlined in Section 7 of the Tenant Design Manual, such submissions to include (i) stamped and sealed drawings within the Construction Document set, including architectural, structural, and MEP, (ii) a full set of specifications, including schedules of doors, hardware, equipment, furniture, finishes, and (iii) graphic specifications and details. Concessionaire agrees that, upon the request of Sublandlord, Concessionaire will inspect the Concessionaire Premises jointly with Sublandlord to verify the as-built drawings. If Concessionaire fails to provide such as-built drawings in accordance with the foregoing, Sublandlord shall have the right to assess against Concessionaire liquidated damages of up to $500 per day for each day until Concessionaire provides them, which liquidated damages shall be payable upon demand.

(i) Concessionaire may install video equipment in its Concessionaire Premises in accordance with plans and specifications to be submitted to Sublandlord, but shall not install any paging or audio system within the Concessionaire Premises without the prior written consent of Sublandlord.

In no event shall the exercise by Sublandlord or the Port Authority of the rights granted under this paragraph entitle Concessionaire to receive any compensation, reimbursement, damages or abatement of Rent, nor shall such actions by Sublandlord or the Port Authority constitute an eviction or constructive eviction of Concessionaire in whole or in part.

(b) If any movable property of Concessionaire shall obstruct the access of Sublandlord or the Port Authority, their employees, agents and/or contractors, to any of the existing or future utility, mechanical, electrical and/or other systems and thus shall interfere with the inspection, maintenance or repair of any such system, Concessionaire shall move such property, as directed by Sublandlord or the Port Authority, in order that access may be had to the system or part thereof for its inspection, maintenance and/or repair; and, if Concessionaire shall fail to so move such property after direction from Sublandlord or the Port Authority to do so, Sublandlord or the Port Authority may move it, and Concessionaire shall pay the cost of such moving upon demand. In the case of fixed improvements installed by or on behalf of Concessionaire that were approved by Sublandlord and/or the Port Authority and thereafter are required to be moved for the reasons provided above, Sublandlord, at its cost, may move the same and, upon completion of the inspection, maintenance and/or repair; and, to the extent Sublandlord is obligated pursuant to the Master Lease, Sublandlord shall restore such permanent fixed improvements and repair any damage caused by such removal and restoration to the same condition as existed immediately prior to such removal.

Excluded Costs shall not be counted toward Concessionaire's satisfaction of the Minimum Initial Investment expenditure requirement.

(b) Within sixty (60) days after completion of all of Concessionaire's Work, Concessionaire shall provide Sublandlord with a statement executed by an officer of Concessionaire certifying the total cost of installing Concessionaire's Work, including the associated architectural, engineering, and interior design fees of independent consultants, less any Excluded Costs. If said costs are less than the Minimum Initial Investment, the difference shall be payable to Sublandlord and the Port Authority pro rata based on the percentages set forth in the definitions of Sublandlord Share and Port Authority Share, respectively, within thirty (30)

days after issuance of such statement. This certification reporting and fee restrictions shall also apply to any Mid-Term Refurbishments. In addition to the certified statement, Concessionaire shall submit to Sublandlord paid contractor receipts and lien waivers for labor and materials for Concessionaire's Work that have been constructed, as well as depreciation schedules for (i) all Concessionaire's Work, (ii) the Initial Buildout Costs, and (iii) all Mid-Term Refurbishments upon the installation and cost certification thereof. Failure by Concessionaire to provide such reports and schedules on time shall result in a $150 per day penalty, payable to Sublandlord upon demand.

SECTION 5.04 Reimbursement of Unamortized Capital Investment.

(a) If this Sublease is terminated or the Term shall end prior to the eighth (8) anniversary of the Rent Commencement Date as result of a Discretionary Revocation under Section 25.18 or for any other reason other than (i) Concessionaire's default hereunder, (ii) other cause, including a revocation of the Consent by the Port Authority as a result of a default thereunder, or (iii) a termination under Section 14.01(g), then Sublandlord shall reimburse Concessionaire for its Unamortized Capital Investment as of the effective date of such termination. (b) Any payments required to be made pursuant to this Section shall be in full and final satisfaction of any and all obligations, damages, reimbursements and compensation due to Concessionaire, arising from or related to a termination or expiration of the Sublease as described in Section 5.04(a). If Sublandlord is obligated to reimburse any Unamortized Capital Investment pursuant to this Section, under no circumstances shall Sublandlord be liable to Concessionaire or any third party for any liabilities or damages whatsoever, including lost profits, revenues, or punitive, consequential, incidental or special damages, other than the Unamortized Capital Investment due Concessionaire under this Section.

(c) Notwithstanding anything in this Section to the contrary, Sublandlord shall not be required to reimburse Concessionaire for any Unamortized Capital Investment unless and until Concessionaire provides Sublandlord with reasonably detailed documentation verifying the Initial Buildout Costs and the Unamortized Capital Investment.

(a) Without limiting the generality of any of the provisions of this Sublease, Concessionaire, for itself, its successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the ground of race, creed, color, sex or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Premises, (2) that in the construction of any improvements on, over, or under the Premises and furnishing of services thereon, no person on the ground of race, creed, color, sex or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that Concessionaire shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may

be applicable to Concessionaire's operations at the Airport, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) Concessionaire shall include the provisions of paragraph (a) of this Section in every sublease, agreement or concession it may make pursuant to which any Person or Persons, other than Concessionaire, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such covenant.

(c) Concessionaire's noncompliance with the provisions of this Section shall constitute a material breach of this Sublease. In the event of the breach by Concessionaire of any of the above nondiscrimination provisions, the Port Authority may take appropriate action to enforce compliance; or in the event such noncompliance shall continue for a period of twenty (20) days after receipt of written notice from the Port Authority, the Port Authority shall have the right to terminate this Sublease and the letting hereunder with the same force and effect as a revocation of the Consent, or may pursue such other remedies as may be provided by law; and as to any or all the foregoing, the Port Authority may take such action as the United States may direct.

(d) Concessionaire shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from Concessionaire's noncompliance with any of the provisions of this Section and Concessionaire shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to Concessionaire the right to transfer or assign this Sublease, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on the Concessionaire Premises.

SECTION 6.11 Airport Concessions Disadvantaged Business Enterprise (ACDBE) Participation. Concessionaire hereby represents, warrants, and covenants as follows:

(a) Concessionaire was selected as a Airport Concessions Disadvantaged Business Enterprise (an "ACDBE"), and its subtenancy under this Sublease is subject to the provisions of this Section and the requirements set forth in Exhibit H attached hereto.

(b) Concessionaire shall use the Concessionaire Premises, and shall keep and maintain the necessary books of account and records, in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 23, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to Concessionaire's operations at the Airport, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(c) Concessionaire is now, or will be prior to the Operational Commencement Date, qualified as an ACDBE to the extent and by virtue of an ACDBE participation of at least Twenty-Five Percent (25%) of Concessionaire's Gross Receipts for each Annual Period throughout the Term of this Sublease. Concessionaire shall, at all times during the Term, maintain its status and qualification as such pursuant to the requirements set forth in this Section and Exhibit H attached hereto. In furtherance of the foregoing:

(i) Any ACDBE participation agreement between Concessionaire and its selected ACDBE shall provide for meaningful involvement of the ACDBE in the activities, management, operations and revenues of the Concessionaire operations. Concessionaire shall provide written quarterly reports to Sublandlord, in form and detail reasonably satisfactory to Sublandlord, as to the ACDBE participation. At any time the ACDBE participation level drops below the established ACDBE participation goal stated in this Section, Concessionaire shall take immediate corrective measures to ensure that the ACDBE participation is increased to the established participation goal. Concessionaire shall provide written reports to the Sublandlord documenting such efforts. For a period of at least six (6) months, Concessionaire shall provide assistance to its ACDBE participants, including administrative support, purchasing, inventory control, and management and marketing techniques; and

(ii) If Concessionaire determines an ACDBE is unwilling or unable to perform satisfactorily under this Sublease, Concessionaire shall immediately replace such ACDBE with another ACDBE, maintaining or exceeding the participation percentage of the substituted ACDBE. Requests for substitutions must be submitted to the Sublandlord and the Port Authority for approval prior to substitution.

(d) Concessionaire's noncompliance with the provisions of this Section shall constitute a material breach of this Sublease. In the event of the breach by Concessionaire of any ACDBE provisions in this Sublease, Sublandlord and the Port Authority may take appropriate action to enforce compliance, or in the event such noncompliance shall continue for a period of twenty (20) days after receipt of written notice from either Sublandlord or the Port Authority, Sublandlord or the Port Authority, as the case may be, shall have the right to terminate this Sublease and the letting hereunder, and with respect to any such termination by the Port Authority such termination shall have the same force and effect as a revocation of the Consent, or Sublandlord and the Port Authority may pursue such other remedies as may be provided by law.

(e) Concessionaire shall indemnify and hold harmless Sublandlord and the Port Authority from any claims and demands of third persons, including the United States of America, resulting from Concessionaire's noncompliance with any of the provisions of this Section, and Concessionaire shall reimburse Sublandlord and the Port Authority for any loss or expense incurred by reason of such noncompliance.

ARTICLE VII. HOURS OF OPERATION, ETC.

SECTION 7.01 Hours of Operation. Concessionaire shall actively operate its business in the Concessionaire Premises in a business-like manner. The Concessionaire Premises shall be open to serve the public seven (7) days per week, and the hours of operation shall be such that passengers of any and all flights departing from the Master Lease Premises will be accommodated. In no event shall the hours of operation be curtailed to an extent that the service contemplated under this Concession Lease shall be diminished. Except as otherwise stated herein, the hours of service shall be determined in light of changing public demands and Sublandlord's flight schedules, provided that Concessionaire shall remain open for business continuously during the period commencing no later than one hour prior to the first scheduled aircraft departure at the Master Lease Premises each day and continuing until at least the last actual departure at the Master Lease Premises on such day. Concessionaire has the right to advise the Sublandlord Concession Manager of Concessionaire's analysis of the optimum arrangements, but the final determination of minimum hours of operation shall be made by the Sublandlord Concession Manager based on his or her analysis of necessary service to the public. No facilities shall be blocked off or closed at any time during the designated minimum hours of operation. The minimum hours of operation for the first ninety (90) days following the Operational Commencement Date shall be as follows:

Minimum Hours of Operation

After the first ninety (90) days following the Operational Commencement Date of each specific location constituting part of the Concessionaire Premises, the hours of operation may be changed upon submittal of a specific and substantiated request by Concessionaire and receipt of prior written approval from Sublandlord.

Notwithstanding anything herein to the contrary, all locations constituting part of the Concessionaire Premises shall remain open to accommodate customers and passengers of all flights arriving and departing at the Master Lease Premises, including flights that are, for any reason, delayed, re-scheduled, or otherwise the subject of irregular operations.

SECTION 8.01 Merchandise. Concessionaire shall sell the items listed in Exhibit E in the designated locations. Concessionaire shall upon written demand from Sublandlord cease selling any item that Sublandlord shall determine is objectionable for sale or display in the Master Lease Premises and immediately remove such item from its inventory and not thereafter offer such item for sale in the Master Lease Premises. These outlets must be approved in advance in writing by Sublandlord. The comparable outlets must be valid comparables and will be used as the basis for price comparisons during the term of the Sublease to determine compliance with the Street Pricing Requirements. Acceptable outlets shall not include hotel gift stores, amusement parks, stadiums, arenas, other airports or transportation facilities, and zoos. If Concessionaire owns and/or operates a similar business selling like products to the public or there are outlets of the same brand in the New York Metropolitan area, then prices at the Concessionaire Premises shall be the same as the prices charged at the non-airport location(s).

(b) During the term of this Sublease, Concessionaire shall at least semi-annually provide documentation to Sublandlord comparing the prices it charges in the Master Lease Premises with the prices charged by the designated comparable outlets to establish Concessionaire's compliance with the Street Pricing Requirements. The items used in the

(c) Additionally, no more than twice per year, Sublandlord may require Concessionaire to perform a price comparison of up to twenty items selected by Sublandlord. In the event it is determined by Sublandlord that Concessionaire is not in compliance with the Street Pricing Requirements, Sublandlord shall give Concessionaire written notice thereof and proceed with the Sanctions outlined in Section 17.03 hereof.

Adult magazines shall be wrapped or covered, except for the name, and their manner of display shall be subject at all times to Sublandlord's approval. Any other adult materials shall be handled as directed by Sublandlord. Concessionaire shall immediately remove from the Concessionaire Premises all adult materials that Sublandlord directs it to so remove and shall not thereafter display such material on the Concessionaire Premises. For the purposes of this Section, Sublandlord's designation of an item as adult material shall be final.

SECTION 8.05 Sublandlord Concession Manager's Right to Object. The Sublandlord Concession Manager shall have the right to raise reasonable objections to the appearance or condition of the Concessionaire Premises, the quality and quantity of merchandise, the character of the service, the hours of operation, the appearance and performance of service personnel, and to require any such conditions or practices objectionable to said Sublandlord Concession Manager to be remedied by Concessionaire.

SECTION 8.06 Nondiscriminatory Services Requirement. Concessionaire shall provide all services authorized hereunder to its customers and patrons upon a fair, equal, and nondiscriminatory basis and charge fair, reasonable, and nondiscriminatory prices. Concessionaire shall offer a 20% discount on the price of all products and merchandise, excluding reading material and tobacco products, sold in the Master Lease Premises to all Sublandlord, Sublandlord affiliate, and Port Authority employees, provided such individuals show valid identification. Such discount shall be taken from the typical Street Price charged to all other customers. Exemptions from and modifications to the discount shall be subject to the prior written approval of Sublandlord in its sole discretion.

SECTION 8.07 Type of Operation. At all times during the term of this Sublease, Concessionaire shall accept as payment for goods and services travelers checks and at least three major nationally recognized credit or debit cards (e.g., American Express, Master Card, VISA) as designated by Sublandlord, subject, in all instances, to applicable Legal Requirements. Such travelers' checks and credit and debit cards shall be accepted as a service to the public for purchases. "Contactless" credit card transactions (e.g., Visa/Mastercard PayPass, Amex ExpressPay, etc.) and "No Signature Required" credit card transactions are Sublandlord's preferred payment options for customer purchases that are less than $25 at all concession locations in the Master Lease Premises.

SECTION 8.10 Services to the General Public. Concessionaire shall without charge provide services such as making change, giving directions, and providing general information to the public. (a) Concessionaire shall maintain a sufficient number of properly trained personnel to ensure that all customers of Concessionaire receive prompt and courteous service at all times. All such personnel, while on or about the Concessionaire Premises, shall be polite, clean, appropriately attired, and neat in appearance. Employees of Concessionaire shall wear appropriate nametags, subject to the approval of Sublandlord, and employees performing similar jobs shall have a similar dress code or wear similar uniforms, which shall be clean and pressed. Employees of Concessionaire shall also wear/display their Port Authority-issued security badges as required. Sublandlord shall have the right to object to the demeanor, conduct, and appearance of any employee of Concessionaire, or any of its invitees or those doing business with it, whereupon Concessionaire shall take all steps necessary to remedy the cause of the objection.

(b) The management, maintenance, and operation of the Concessionaire Premises shall be at all times during the term hereof under the supervision and direction of an active, qualified, competent, and experienced manager, who shall at all times be authorized to represent and act for Concessionaire. Concessionaire shall cause such manager to be assigned a duty station or office in the Concessionaire Premises at which he or she shall be available during normal business hours, and Concessionaire will at all times during the absence of such manager

assign, or cause to be assigned, a qualified subordinate to assume and be directly responsible for the carrying out of his or her duties. A local representative of Concessionaire shall be available by telephone 24 hours per day, 7 days per week, 365 days per year in case of an emergency. The contact information for this representative shall be on record with Sublandlord at all times.

In bars and sit-down restaurants, tip jars may be kept apart from the public serving area, such as on a back bar. In quick service restaurants such as coffee shops, tip jars, cups, baskets and containers must be kept from public view. Under no circumstances shall a tip jar be placed in such a way as to "invite" or suggest that tips should be offered by customers.

ARTICLE IX. COMMON AREAS

SECTION 9.01 Use of Common Areas. Upon payment of the Rent and performance and observance of all terms and conditions in this Sublease to be performed and observed by Concessionaire, the right to possession of the Concessionaire Premises shall also include the non-exclusive right to the use of the Common Areas with all others for whose convenience and use both the Common Areas have been or may hereafter be provided by the Port Authority or Sublandlord, or both, subject however, to such rules and regulations for the use thereof as may be prescribed from time to time by either or both of Sublandlord and the Port Authority.

The foregoing obligations of Sublandlord shall include the responsibility and liability for the repair, maintenance, replacement and restoration of all systems serving the Concessionaire Premises or all portions thereof, save and except for those systems installed within the Concessionaire Premises by Concessionaire, to the extent that such system serves only the Concessionaire Premises.

SECTION 10.03 Preventive and Routine Maintenance Programs. Upon the execution of this Sublease, Concessionaire shall establish a preventive and routine maintenance program to maintain the Concessionaire Premises in like-new condition, the provisions of which shall be subject to the approval of and periodic review by the Sublandlord Concession Manager or his or her designated representative. Concessionaire shall in January of each lease year, provide the Sublandlord Concession Manager a written schedule of Concessionaire's cleaning and maintenance program.

SECTION 10.04 Sublandlord Sole Judge of Maintenance. Sublandlord or its authorized agents shall be the sole judge of the quality of maintenance. Sublandlord or its authorized agents may, during Concessionaire's working hours and without notice, enter upon the Concessionaire Premises to determine if maintenance satisfactory to Sublandlord is being performed. If it is

determined that such maintenance is not satisfactory, Sublandlord shall so notify Concessionaire in writing. If such maintenance is not performed to Sublandlord standards by Concessionaire within seven (7) days after receipt of written notice, Sublandlord or its agents thereafter shall have the right (but not the obligation) to enter upon the Concessionaire Premises and perform the maintenance thereof and Concessionaire agrees to promptly reimburse Sublandlord for the cost thereof, plus twenty percent (20%) for administrative overhead.

SECTION 10.05 Routine Refurbishment. On or about the commencement of each calendar year, representatives of Sublandlord and Concessionaire shall tour the Concessionaire Premises and jointly agree upon what, if any routine refurbishment is required to maintain the Concessionaire Premises in first-class condition, and Concessionaire shall promptly undertake such refurbishment at its sole cost and expense. If Concessionaire and Sublandlord cannot jointly agree upon the type and extent of refurbishment, Sublandlord may in its sole discretion determine the refurbishment required. For purposes of this paragraph, "refurbishment" shall mean the routine repainting or redecoration of concession space within the Concessionaire Premises, including the replacement or repair of worn carpet, tile, furnishings, fixtures, finishes, or equipment.

The cost of such refurbishments shall be a minimum of

(b) Concessionaire shall proceed with the Mid-Term Refurbishments implementation schedule as approved by Sublandlord and construct the Mid-Term Refurbishments prior to the MTR Completion Date. Upon completion thereof, Concessionaire shall submit to Sublandlord paid contractor receipts and lien waivers for labor and materials for the Mid-Term Refurbishments, together with a certificate from an officer of Concessionaire certifying that (i) such refurbishments or portion thereof have been constructed in accordance with the approved plans and specifications, and (ii) all contractors performing such refurbishments have been paid. Excluded Costs shall not be counted toward satisfaction of the minimum Mid-Term Refurbishment expenditure requirement.

immediately upon discovery thereof give oral notice to the Sublandlord Concession Manager and the Port Authority of any hazardous or potentially hazardous conditions in the Concessionaire Premises or in the Master Lease Premises, followed by written notice thereof. Any hazardous or potentially hazardous condition in the Concessionaire Premises shall be corrected immediately upon receipt of oral notice from the Sublandlord Concession Manager in accordance with the other provisions of this Sublease. At the direction of the Sublandlord Concession Manager, Concessionaire shall close the Concessionaire Premises until such hazardous or potentially hazardous condition is removed.

Concessionaire shall provide a complete and proper arrangement for the adequate sanitary handling of all trash, refuse, and cardboard caused as a result of the operation of the Concessionaire Premises and shall provide for its timely removal and placement in the appropriate dumpsters pre-approved by Sublandlord. The garbage and recycling containers used by Concessionaire to transport the garbage and recyclables from the Concessionaire Premises to the dumpsters must be manually moveable with rubber tires, and must be approved in advance by Sublandlord. Piling of boxes, cartons, barrels, or other similar items in view of a public area is prohibited. Concessionaire shall keep any areas used for trash and garbage storage prior to removal from the Master Lease Premises in a clean and orderly condition so as not to attract rodents, pests, or birds, or create an offensive odor. Notwithstanding the foregoing Sublandlord reserves the right to establish, or require Concessionaire to establish, a centralized program for trash removal for concessions located in the Master Lease Premises, and in such event Concessionaire shall be required to comply with such program and to pay a proportionate share of the costs, based on uniform standards consistently applied to Concessionaire and the Other Concessionaires.

SECTION 10.10 Transporting Trash and Refuse. In transporting trash and refuse from the Concessionaire Premises, Concessionaire shall use only carts, vehicles, or conveyances that are covered, leak proof, and equipped with wheels made of rubber, suitable for operating on carpets and tile without damage thereto, any such equipment to be approved in advance by Sublandlord. Such disposal shall take place during hours as may be approved by Sublandlord. Trash or debris shall not be allowed to accumulate or be stored on any portion of the Concessionaire Premises.

SECTION 10.11 Cleaning and Janitorial Services.

(a) Concessionaire shall at all times maintain the Concessionaire Premises, including all customer seating areas, and all equipment and materials used by Concessionaire in a clean and sanitary condition, including, but not limited to, keeping them free of rubbish, dirt, insects, rodents and vermin, in accordance with the policies and specifications (as the same may be modified from time to time, the "Cleaning Specifications") set by Sublandlord as well as all

Legal Requirements, all without cost to Sublandlord. All cooking equipment, refrigeration, freezer, storage units, and piping shall be constructed to facilitate the necessary cleaning and sterilization. Concessionaire shall provide and maintain trash receptacles, as required, in the Concessionaire Premises and all customer seating areas. (b) Sublandlord or its authorized agents shall be the sole judge of compliance with the Cleaning Specifications. Sublandlord or its authorized agents may, during Concessionaire's working hours and without notice, enter upon the Concessionaire Premises to determine if the Cleaning Specifications are being followed in a manner satisfactory to Sublandlord. If it is determined that compliance with the Cleaning Specifications is not satisfactory, Sublandlord shall so notify Concessionaire in writing. If such non-compliance is not remedied to Sublandlord standards by Concessionaire within one (1) day after receipt of written notice, Sublandlord or its agents thereafter shall have the right (but not the obligation) to enter upon the Concessionaire Premises and perform the cleaning and janitorial services with respect thereto and Concessionaire agrees to promptly reimburse Sublandlord for the cost thereof, plus twenty percent (20%) for administrative overhead.

SECTION 10.12 Liens. Concessionaire shall not create, or permit or suffer to be created or to remain, any mechanics' or materialman's lien filed against the Concessionaire Premises, the Master Lease Premises or any Sublandlord or Port Authority property by reason of construction, labor, services, or materials performed or furnished at the request of Concessionaire or any contractor or supplier employed by Concessionaire. Concessionaire may contest the same in any claim filed or noticed in good faith. Notwithstanding such contest, Concessionaire shall, within fifteen (15) days after the filing thereof, cause such lien to be released of record by payment, bond, order of a court of competent jurisdiction or otherwise. In the event of Concessionaire's failure to clear the record of any such lien within such time period, Sublandlord may (but is not required to) remove said lien by paying the full amount thereof or by bonding or in any other manner Sublandlord deems appropriate, without investigating the validity thereof, and irrespective of the fact that Concessionaire may contest the propriety or the amount thereof, and Concessionaire, upon demand, shall pay Sublandlord the amount so paid out by Sublandlord in connection with the discharge of said lien, together with interest thereon at the rate of 1.5% per month or the maximum legal rate, whichever is greater, and reasonable expenses incurred in connection therewith, including reasonable attorneys' fees, which amounts are due and payable to Sublandlord and the Port Authority as Additional Rent on the first day of the next following month. Nothing contained in this Sublease shall be construed as a consent on the part of Sublandlord to subject Sublandlord's estate in the Concessionaire Premises to any lien or liability under the laws of the State of New York. Concessionaire's obligation to observe and

perform any of the provisions of this Section shall survive the expiration of the Term or the earlier termination of this Sublease.

SECTION 10.13 Condition Generally. Concessionaire shall cause the Concessionaire Premises to be, at all times, in good order, working condition and repair, and in a first-class condition. Concessionaire covenants and agrees that it shall maintain the Concessionaire Premises in "as new" condition throughout the Term.

SECTION 11.02 Electricity. Sublandlord shall bring to the perimeter of the Concessionaire Premises, and shall install, the necessary pipes, wires, conduits and other infrastructure needed for the supply of electricity, all without charge to Concessionaire, provided that Concessionaire shall be responsible, at its sole cost and expense, for the installation of such infrastructure within the Concession Premises. Sublandlord shall supply electricity to the Concessionaire Premises and the cost thereof (collectively, "Electricity Charges") shall be reimbursed by Concessionaire, provided that (i) if Concessionaire is a Retail Concessionaire, Concessionaire shall have no obligation to reimburse Sublandlord for Electricity Charges, and (ii) if Concessionaire is a F&B Concessionaire, Electricity Charges shall be paid by Concessionaire to Sublandlord in arrears, together with Concessionaire's payment of Rent under Section 3.01 hereof, such Electricity Charges to be the actual cost of electricity for the prior month, as determined by Sublandlord and based on meters installed at such F&B Concessionaire's premises. Maintenance of any meters installed for the Concessionaire Premises shall be at the sole cost and expense of Concessionaire. At no time shall Concessionaire's use of electric current exceed the capacity of the wiring servicing the Concessionaire Premises. Notwithstanding the foregoing, if Concessionaire requires capacity or other upgrades to the electrical infrastructure of the Concessionaire Premises, the cost and expense thereof shall be the sole responsibility of Concessionaire.

SECTION 11.03 Additional Services. Upon prior written approval by Sublandlord as to the nature of such services and the installation of any equipment necessary in connection therewith (which installation shall be subject to the other provisions of this Sublease), Concessionaire may, at its own expense and subject to this Section, request and receive telephone services, Wi-Fi services, or other communications systems. Concessionaire shall be required to have one (1) in-house telephone line to the Concessionaire Premises. Concessionaire shall arrange for and pay the cost of such an in-house telephone or data line directly to the telephone company providing service to the Master Lease Premises (the current telephone service provider is Verizon). Wi-Fi services are intended to be available terminal-wide in the Master Lease Premises and provided through Sublandlord's Wi-Fi provider. Such Wi-Fi services may be used by Concessionaire, but Sublandlord makes no representations or warranties regarding the availability of such service throughout the Master Lease Premises and there shall

be no liability on the part of Sublandlord if such service shall not be available to Concessionaire.

SECTION 11.04 Limitations. In no event shall any Concessionaire operating a retail business install and operate refrigerators or other electrical equipment to dispense food, beverages, or other items, provided that Sublandlord shall have the right to charge any Concessionaire utilizing any such equipment for the reasonable cost of electricity used thereby in the Concessionaire Premises. In such event, Sublandlord shall have its engineers prepare a monetary estimate of annual utility consumption by such equipment, which amount shall be payable monthly as Additional Rent and adjusted from time to time by Sublandlord based on increases in utility rates.

SECTION 11.05 Interruptions to Services. Sublandlord shall have no responsibility or liability for interruption, curtailment or failure to supply cooled or outside air, heat, elevator, plumbing, electricity, or any other service when prevented by exercising its right to stop service or by strikes, labor troubles or accidents or by any cause whatsoever beyond Sublandlord's reasonably control, or by failure of independent contractors to perform or by laws, orders, rules or regulations of any federal, state, county or municipal authority, or failure of suitable fuel supply, or inability by exercise of reasonable diligence to obtain suitable fuel or by reason of governmental preemption in connection with a National Emergency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency. The exercise of such right or such failure by Sublandlord shall not constitute an actual or constructive eviction, in whole or in part, or entitle Concessionaire to any compensation or to any abatement or diminution of rent, or relieve Concessionaire from any of its obligations under this Sublease, or impose any liability upon Sublandlord or its agents by reason of inconvenience or annoyance to Concessionaire, or injury to or interruption of Concessionaire's business, or otherwise.

ARTICLE XII. INSURANCE AND INDEMNITY

SECTION 12.01 Concessionaire's Insurance.

(a) Concessionaire shall obtain and maintain at all times during the term of this Sublease, at a minimum, the following insurance coverage from companies acceptable to Sublandlord in accordance with this Article: (i) Commercial General Liability (including Premises, Products and Completed Operations, Personal/Advertising Injury, Contractual, and Host Liquor Liability coverages) for bodily injury, including personal injury, and property damage, (ii) Automobile Liability for owned, non-owned and hired vehicles and trailers, (iii) Employer's Liability, (iv) Workers' Compensation, (v) "All-risk" Property, (vi) Builder's Risk, and (vii) the other coverage described in this Article, with the coverages and limits of liability not less than shown below.

Commercial General Liability:	$5,000,000 AGG
Premises:	$5,000,000 OCC
Products & Completed Operations:	$5,000,000 OCC
Personal/Advertising Injury:	$5,000,000 OCC

Contractual:	$5,000,000 OCC
Host Liquor Liability	$5,000,000 OCC
Automobile Liability:	$1,000,000 OCC [$25,000,000 OCC (if automobile access to the AOA)]
Employer's Liability:	$1,000,000 Per Claim
Workers' Compensation:	Per State Requirements
"All risk" Property	100% of Replacement Value
Builder's Risk	100% of Replacement Value of Concessionaire's Work

(b) Such policies shall provide that Concessionaire is named as the insured and that Sublandlord, the Port Authority, and the City of New York, and their respective Commissioners, directors, officers, employees and agents, shall be added as additional insureds, as their respective interests may appear, except with respect to the Employer's Liability and Workers' Compensation insurance required to be carried. The Commercial General Liability policy(ies) of insurance required to be carried above shall include the following statement:

> "Further, unless otherwise agreed by the Port Authority, the liability policy shall be specifically endorsed, to prohibit the insurance carrier from raising any defenses involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority without obtaining express advance written permission from the General Counsel of the Port Authority."

(c) The insurance requirements set forth in this Article do not in any way limit the amount or scope of liability of Concessionaire under this Sublease. The amounts listed indicate only the minimum amounts of insurance coverage that Sublandlord is willing to accept to help insure full performance of all terms and conditions of this Sublease.

(d) Concessionaire and all officers and employees of Concessionaire who may handle or are responsible for the handling of receipts and disbursements shall be covered by insurance in an amount not less than Five Hundred Thousand Dollars ($500,000) for employee dishonesty coverage against any and all loss, theft, embezzlement or other fraudulent acts on the part of Concessionaire or Concessionaire's employees, and not less than One Hundred Thousand Dollars ($100,000) for money and securities on or off premises, transit and depositors forgery coverage, indemnifying Sublandlord and the Port Authority, as co-obligees, against any and all loss, theft, embezzlement or other fraudulent acts of the part of Concessionaire or Concessionaire's employees.

(e) All insurance coverages and policies required under this Sublease may be reviewed by Sublandlord for adequacy of terms, conditions and limits of coverage at any time during the term of this Sublease. Sublandlord may, at any such time, require commercially reasonably additions, deletions, amendments or modifications to the above insurance

requirements, or may require such other and additional insurance, in such reasonable amounts against such other insurable hazards, as Sublandlord may deem required.

SECTION 12.02 Additional Details and Coverages.

(a) During any construction activity with a value of Twenty Five Thousand Dollars ($25,000) or more, Concessionaire shall obtain and maintain for the benefit of the parties to the Sublease, as their interest may appear, "special peril" Builder's Risk insurance equal to one hundred percent (100%) of the value of the project. Coverage shall also include: (i) form work in place; (ii) form lumber on site; (iii) temporary structures; (iv) equipment; and (v) supplies related to the work while at the site. In the event Concessionaire fails to maintain such insurance, Sublandlord may, at its option, arrange therefor, and any premium incurred shall be reimbursed by Concessionaire to Sublandlord upon demand.

(b) Concessionaire shall maintain gross earnings and extra expense insurance that shall include coverage for all rent due in accordance with this Sublease for a minimum of a six (6) month period. The proceeds of such insurance shall be used first to continue rent payments to Sublandlord and the Port Authority.

(c) Prior to any commencement of any construction, alteration, or repair hereunder by Concessionaire that exceeds Ten Thousand Dollars ($10,000.00) in cost, Concessionaire shall furnish to Sublandlord, at Concessionaire's sole cost, a performance bond and a payment bond issued by a surety Concessionaire licensed to transact business in the State of New York and approved by Sublandlord, in a form approved by Sublandlord. The penal amount of each bond shall not be less than one hundred percent (100%) of the total cost of the contract or contracts for the construction, alteration, or repair. In the event that such contract(s) involve alteration or work on or to Sublandlord's facilities, the performance and payment bonds shall be posted regardless of the dollar value of the work. The payment bond required by this Section shall guarantee the prompt payment to all persons supplying labor, materials, provisions, supplies, and equipment used directly or indirectly by any contractor, subcontractor(s), and suppliers doing work provided for in the above-mentioned construction contract, and the performance bond shall guarantee the full performance of the work.

(d) Unless otherwise agreed to, prior to commencement of construction of the Concessionaire Premises, Concessionaire shall pay the construction deposit as detailed in Section 6.09 of the Tenant Design Manual.

(e) Upon completion of construction, Concessionaire shall procure and maintain policies of insurance at its own expense, insuring the Concessionaire Premises and improvements thereon against all perils of direct physical loss, excluding earthquake and flood. The insurance coverage shall be for not less than one hundred percent (100%) of the full replacement value of said Concessionaire Premises and improvements with an agreed amount clause and a reasonable and customary deductible on said Concessionaire Premises and improvements. Such amount is subject to final approval by Sublandlord. Concessionaire shall

furnish to Sublandlord and the Port Authority evidence that such coverage has been procured and is being maintained in full force and effect.

SECTION 12.03 Certificates. Not less than ten (10) days prior to Concessionaire first taking possession of the Concessionaire Premise hereunder, and not less than thirty (30) days prior to the expiration or other termination of any such insurance, Concessionaire shall furnish to Sublandlord and the Port Authority certificates evidencing that Concessionaire has the insurance required by this Sublease. All insurance required to be carried by Concessionaire hereunder shall be effected under valid and enforceable policies issued by reputable and independent insurers permitted to do business in the State of New York and having either (a) a general policyholder rating from Best's Insurance Guide, or an equivalent organization, of not less than "A-" or (b) an international reputation in the aviation marketplace.

SECTION 12.04 Additional Requirements. With respect to the commercial general and automobile liability insurance, each policy shall (a) be primary without right of contribution from any insurance that is carried by Sublandlord or the Port Authority, (b) name as additional insureds the parties listed above, (c) contain a waiver of subrogation in favor of the additional insureds, (d) provide that Concessionaire is solely responsible for the payment of all premiums, deductibles, self insured retentions, penalties and punitive damages thereunder, and (e) contain a provision requiring the insurer(s) to provide Sublandlord and the Port Authority with not less than thirty (30) days' prior written notice of any cancellation or adverse material change in such insurance. To the extent that Concessionaire relies on an excess or "umbrella" policy of insurance to satisfy the requirements of this section, any such policy shall be no less broad than the underlying policy, shall have the same inception and expiration dates as the underlying policy, and shall include a drop-down provision. Any deductible or self insured retention exceeding ten percent (10%) of the per occurrence or per accident limit of a required policy is subject to approval by Sublandlord and the Port Authority.

SECTION 12.05 Concessionaire's Risk. Concessionaire shall be responsible for obtaining any insurance it deems necessary to cover its own risks. In no event shall Sublandlord or the Port Authority be liable for any: (a) business interruption or other consequential loss sustained by Concessionaire; (b) damage to, or loss of Concessionaire's property of any kind; or (c) damage to, or loss of, an automobile, whether or not such loss is insured, even if such loss is caused by the negligence of Sublandlord or the Port Authority.

SECTION 12.06 Periodic Review. Sublandlord shall have the right to periodically review the types, limits, and terms of insurance coverage. In the event Sublandlord or the Port Authority determines that such types, limits, and/or terms should be changed, Sublandlord will give Concessionaire a minimum of thirty (30) days' notice of such determination and Concessionaire shall modify its coverage to comply with the new insurance requirements of Sublandlord. Concessionaire shall also provide Sublandlord and the Port Authority with proof of such compliance by giving Sublandlord and the Port Authority an updated certificate of insurance within fifteen (15) days.

SECTION 12.07 General Indemnification.

(a) Concessionaire shall indemnify, hold harmless and defend Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives from and against any and all claims and actions, demands, damages, civil penalties, charges, judgments, losses, liabilities of any character or kind and other legal actions and proceedings of whatever nature, including reasonable attorney's fees (including fees to establish the right to indemnification) resulting from, arising out of, related to, or caused by Concessionaire's or Concessionaire's sublessees' conduct of business or from any activity or other things done, permitted, or suffered by Concessionaire in, or about the Concessionaire Premises, Master Lease Premises, and/or Airport or other act or failure to act, excluding only claims or actions arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives, provided that Sublandlord shall give Concessionaire prompt and reasonable notice of any such claim or actions made or filed against it.

(b) Concessionaire hereby agrees to release and hold harmless Sublandlord, the Port Authority, the City of New York, their Commissioners, officers, agents and employees, as the case may be, from any damages to Concessionaire caused by noise, vibrations, fumes, dust, fuel particles and all other effects that may be caused by the operation of aircraft landing at or taking off from, or operating at or on the Airport; and Concessionaire does hereby fully waive, remise and release any right or cause of action that it may now have or that it may have in the future against Sublandlord, the Port Authority, their successors and assigns, due to such noise, vibrations, fumes, dust, fuel particles, and all other effects that may be caused or may have been caused by the operations at or in the Master Lease Premises and/or on the Airport. The above exception shall not limit a cause of action against other persons or entities, including licensees, concessionaires or aircraft operators.

(c) Concessionaire further agrees to hold Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives free and harmless from any claims arising out of the damage, destruction or loss of any or all of Concessionaire's equipment, excluding any claims arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives.

SECTION 12.08 Sublandlord's Right to Recover Damages. Concessionaire agrees to reimburse Sublandlord and the Port Authority, as applicable, for any and all damages, expenses, costs, fees (including, but not limited to, attorney, accountant, paralegal, and expert fees), fines, environmental costs and/or penalties (collectively "Costs") that may be imposed upon, incurred or suffered by Sublandlord or the Port Authority, as applicable, and which, in whole or in part, arise from any of the following, except to the extent resulting from the sole negligent acts of Sublandlord or the Port Authority, as applicable: (a) any act or omission of Concessionaire; (b) any use, occupation, management or control of the Concessionaire Premises by Concessionaire, whether or not due to Concessionaire's own act or omission and whether or not occurring on the Concessionaire Premises; (c) any condition created in or about the Concessionaire Premises by any party (other than Sublandlord and the Port Authority), including any accident, injury or damage occurring on or about the Concessionaire Premises after the date on which

Concessionaire takes possession of the Concessionaire Premises for build-out; and (d) any breach, violation or nonperformance of any of Concessionaire's obligations under this Sublease. For purposes of this Section, "Concessionaire" shall be deemed to include Concessionaire and Concessionaire's partners, officers, directors, employees, agents, sublessees, and contractors, and, in the case where Concessionaire may be a limited liability company, its members and managers.

SECTION 12.09 Waiver of Right of Recovery, Indemnification. Except as otherwise provided in this Sublease, neither Sublandlord nor the Port Authority shall be liable to Concessionaire or Concessionaire's insurance company (by way of subrogation or otherwise) for any loss or damage to any building, structure or other tangible property, or any resulting loss of income, or losses under workers' compensation laws and benefits, even though such loss or damage might have been occasioned by the non-gross negligence of Sublandlord, the Port Authority, or their respective agents or employees.

SECTION 12.10 Survival. The indemnification provisions of this Article shall survive the expiration or earlier termination of this Sublease.

ARTICLE XIII. HAZARDOUS MATERIAL

SECTION 13.01 Assumption of Liability. Concessionaire hereby expressly agrees to assume all responsibility for, relieve Sublandlord and the Port Authority from, and reimburse Sublandlord and the Port Authority for, any and all risks, claims, penalties, costs and expenses of any kind whatsoever caused by, arising out of or in connection with, any Hazardous Substances found on, under or about the Master Lease Premises after the date hereof due to the acts or omissions of Concessionaire, its affiliates, officers, agents, employees, contractors or representatives, including without limitation compliance with all Environmental Requirements and remediation of all Environmental Damages with respect thereto, and to indemnify and hold harmless Sublandlord for all such risks, claims, penalties, responsibilities, costs and expenses.

SECTION 13.02 Compliance with Laws. Without limiting Concessionaire's obligations elsewhere under this Sublease to comply with all Legal Requirements, Concessionaire understands and agrees that it shall be obligated, at its sole cost and expense, to comply with and relieve Sublandlord and the Port Authority from compliance with all Environmental Requirements which are applicable to or which affect (i) the Concessionaire Premises as a result of Concessionaire's use and occupancy thereof, (ii) the operations of, or work performed by, Concessionaire or others with the consent of Concessionaire at the Concessionaire Premises or Concessionaire's operations at the Airport, (iii) the occupancy and use of the Concessionaire Premises by Concessionaire or by others with its consent (and in accordance with this Sublease), or (iv) any Hazardous Substance which has migrated from the Concessionaire Premises. Concessionaire shall, perform all remediation, containment and clean-up of Hazardous Substances required in order to fully satisfy the compliance obligations set forth herein. Nothing in the foregoing shall be construed as a submission by Sublandlord to the application to itself of any Environmental Requirements, provided that no immunity or exemption of Sublandlord from any Environmental Requirements shall excuse compliance or be grounds for noncompliance on

the part of Concessionaire. Without limiting the generality of the foregoing and as part of the Concessionaire's fulfillment of the foregoing obligations, Concessionaire shall be responsible, at its sole cost and expense and subject to the direction of Sublandlord, for:

(i) the preparation of and submission to all applicable Governmental Authorities of any notice, negative declaration, remedial action workplan, no further action letter, remediation agreement or any other documentation or information;

(ii) the obtaining of any surety bond or the giving of any other financial assurances; and

(iii) complying with the provisions of all Environmental Requirements becoming effective on or relating to the termination, expiration or surrender of the letting of the Concessionaire Premises or of any portion thereof under this Sublease, or on the closure or transfer of the Concessionaire's operations at the Concessionaire Premises.

SECTION 13.03 Actions by Concessionaire. In addition to and without limiting the generality of the obligations of Concessionaire set forth above and elsewhere in this Sublease, Concessionaire shall, at its sole cost and expense, upon notice from Sublandlord, promptly take all actions to:

(i) completely remove and remediate (i) all Hazardous Substances in, on and under the Concessionaire Premises and at the Airport resulting from or in connection with the use and occupancy of the Concessionaire Premises by Concessionaire or any affiliate of Concessionaire or which have been or permitted to be disposed of, released, discharged or otherwise placed in, on or under the Airport by Concessionaire or any affiliate of Concessionaire, and (ii) all Hazardous Substances which have been disposed of, released, discharged or otherwise placed in, on or under the Concessionaire Premises during the Term or during the term of any previous agreement between Concessionaire or any affiliate of Concessionaire and Sublandlord covering Concessionaire's or any such affiliate's use and/or occupancy of the Concessionaire Premises or any portion thereof, except for Hazardous Substances caused by the sole acts or omissions of Sublandlord or Sublandlord's officers, agents, employees, contractors and representatives on or after the date hereof;

(ii) remove and remediate all Hazardous Substances in, on or under the Concessionaire Premises or which have migrated from or from under the Concessionaire Premises, in either case as a result of the acts or omissions of Concessionaire, its affiliates, agents, contractors or representatives, to any other property which any Governmental Authority or any Environmental Requirement or any violation thereof require to be remediated or removed; and

(iii) remove and remediate all Hazardous Substances which were in, on or under the Lease Premises and which have migrated from or from under the Concessionaire Premises, in either case as a result of the acts or omissions of

Concessionaire, its affiliates, agents, contractors or representatives, necessary to mitigate any Environmental Damages.

SECTION 13.04 Intentionally Omitted.

SECTION 13.05 Additional Remedies of Sublandlord. Without limiting Sublandlord's remedies under this Sublease or at law or in equity, Sublandlord shall have the right during and after the Term to such equitable relief, including restraining injunctions and declaratory judgments, to enforce compliance by Concessionaire of its environmental obligations under this Concession Agreement, including without limitation all Concessionaire's obligations under this Section. In the event that Concessionaire fails to comply with or perform any of such obligations, Sublandlord at any time during the Term or subsequent to the termination, expiration or surrender of the letting of the Concessionaire Premises or any portion thereof may elect (but shall not be required) to perform such obligations and upon demand Concessionaire shall pay to Sublandlord as additional rent its costs thereof, including all overhead costs as determined by Sublandlord.

SECTION 13.06 Obligation to Provide Information. Without limiting any other of Concessionaire's obligations under this Sublease, Concessionaire shall provide Sublandlord, at the cost and expense of Concessionaire, with such information, documentation, records, correspondence, notices, reports, tests, results, and certifications and any other information as Sublandlord shall request in connection with any Environmental Requirements which Concessionaire is obligated to comply with pursuant to this Sublease or Environmental Damages and Concessionaire shall promptly acknowledge, swear to (if required), sign or otherwise fully execute the same. Concessionaire agrees that any of the foregoing may be filed by Sublandlord with the appropriate Governmental Authority on behalf of Concessionaire at Concessionaire's cost and expense. Further, Concessionaire agrees unless directed otherwise by Sublandlord, to provide Sublandlord with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by Concessionaire to a Governmental Authority and by a Governmental Authority to Concessionaire within five (5) days that the same are made available to or received by Concessionaire with respect to any Environmental Requirements or any Environmental Damages.

SECTION 13.07 Indemnification. Without limiting the generality of any other provision contained in this Sublease, Concessionaire shall indemnify, hold harmless and reimburse Sublandlord, the Port Authority, their respective directors, officers, employees and representatives, from all claims, demands, penalties, fines, liabilities (including strict liability), settlements, attorney and consultant fees, investigation and laboratory fees, removal and remediation costs, court costs and litigation expenses, damages, judgments, losses, costs and expenses of whatsoever kind or nature and whether known or unknown, contingent or otherwise, just or unjust, groundless, unforeseeable or otherwise, arising or alleged to arise out of or in any way related to any Environmental Damages or any Environmental Requirement which Concessionaire is obligated to comply with pursuant to this Sublease, or the risks and responsibilities assumed hereunder by Concessionaire for the condition of the Concessionaire Premises or a breach or default of Concessionaire's obligations under this Section. If so

directed, Concessionaire shall at its own expense defend any suit based upon the foregoing.

SECTION 13.08 Compliance Standards. Without limiting the generality of any provision of this Sublease, in the event that any Environmental Requirement sets forth more than one compliance standard, Concessionaire agrees that the standard or standards to be applied in connection with any obligation it may have under this Sublease with respect to said Environmental Requirement shall be that which requires or permits the lowest level of a Hazardous Substance, provided that in the event such lowest level of a Hazardous Substance requires or allows the imposition of any restriction of any nature whatsoever upon the use or occupancy of the Concessionaire Premises or any other portion of the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport or upon the transfer of the Concessionaire Premises or the Airport, then Concessionaire shall remediate to such a level so that there is no such restriction placed upon the use and occupancy of the Concessionaire Premises or the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport.

SECTION 13.09 Effect on Master Lease. It is expressly acknowledged and agreed that nothing in this Article XIII shall constitute a modification, as between the Sublandlord and the Port Authority, of the Master Lease, and that none of the liabilities or obligations of the Sublandlord pursuant to the Master Lease are being assigned or delegated to Concessionaire hereunder.

ARTICLE XIV. ASSIGNMENT AND SUBLETTING

SECTION 14.01 Limitations, Prohibitions.

(a) Concessionaire covenants and agrees that it shall not assign, mortgage, pledge, encumber, or otherwise transfer this Sublease, nor underlet, nor suffer, nor permit the Concessionaire Premises or any part thereof to be used or occupied by others or all or any part of the letting hereunder, without obtaining the prior written consent of Sublandlord and the Port Authority, which consent neither Sublandlord nor the Port Authority shall have any obligation whatsoever to give. Any attempted transfer, assumption, assignment or sublease which does not comply with the provisions of this Article shall be void, *ab initio,* and infer no rights upon any third-parties. No amendment, transfer, assumption or contract shall relieve the Concessionaire of any of its obligations under this Sublease. Consent to the foregoing by any one or more of the Port Authority and Sublandlord shall not be deemed a waiver on the part of either or both of the Port Authority or Sublandlord to any prohibition against any future transfer, assignment, assumption or sublease.

(b) The term "transfer" includes, but is not limited to transactions in which any interest of Concessionaire in this Sublease or the Concessionaire Premises are mortgaged or otherwise encumbered or in which the Concessionaire sublets, rents, licenses, or otherwise permits occupancy or use of the Concessionaire Premises or any part thereof.

(c) If Concessionaire is a corporation, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the issued or outstanding stock of said corporation shall change shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a corporation, or if Concessionaire is a corporation whose stock is owned by a corporation ("Parent"), any transfer of any issued or outstanding stock or other change of ownership of Concessionaire or Parent by which control of the majority of the issued or outstanding stock of Concessionaire or Parent shall change shall be deemed to be a transfer under this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a partnership or joint venture, any sale, assignment or transfer, by operation of law or otherwise, of a controlling interest in such partnership or joint venture shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a limited liability company, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the membership interests in such limited liability company shall change, shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(d) A merger, reorganization (including by dissolution, stock transfer or change of classes of stock), or recapitalization of or with Concessionaire, either directly or indirectly, and a purchase of all or substantially all of Concessionaire's assets or stock, shall also be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(e) If this Sublease is assigned, or if the Concessionaire Premises or any part thereof be underlet or occupied by anybody other than Concessionaire, Sublandlord may, after default by Concessionaire, collect rent from the assignee, undertenant or occupant, and apply the net amount collected to the rent herein reserved, and after Concessionaire shall have defaulted in respect of any of its obligations under this Sublease, Concessionaire shall hold any amounts it receives from any undertenant or occupant in constructive trust for payment of Concessionaire's obligations hereunder; but no assignment, underletting, occupancy or collection shall be deemed a waiver of the provisions hereof, the acceptance of the assignee, undertenant or occupant as tenant, or a release of Concessionaire from the further performance by Concessionaire of covenants on the part of Concessionaire herein contained.

(f) Notwithstanding the foregoing provisions of this Article, and regardless of whether Sublandlord has in fact consented to any further subletting of the Concessionaire Premises or a proposed transfer, Sublandlord's consent will be of no force and effect and shall not be binding upon the Port Authority in any manner whatsoever. No such further subletting or a proposed transfer shall be effective and no estate or benefit shall be conferred on anyone until such time as the Port Authority has consented in writing, as determined in the Port Authority's sole and absolute discretion, to any such further subletting or a proposed transfer, provided that any such consent by the Port Authority shall not become effective until such time as the transferee, any other applicable parties, and the Port Authority shall have entered into an

agreement with respect to the use or occupancy of the Concessionaire Premises in such form and substance required by the Port Authority. In addition, the terms and provisions of the Consent which in any way discusses and/or addresses the Port Authority's rights with respect to the subject matter covered in this Article shall be controlling and shall govern. Further, if this Sublease is assigned by Sublandlord and assumed by the Port Authority for any reason whatsoever, the Port Authority shall have the right to determine, in its sole and absolute discretion, whether any of the provisions of this Article shall be binding upon and enforceable against the Port Authority and thereafter be considered to be a part thereof following such assignment and assumption.

(g) Notwithstanding anything in this Sublease to the contrary, if Concessionaire (i) is a corporation or limited liability company whose stock or membership interests, as the case may be, are publicly traded on a national securities exchange or on the "over-the-counter" market, and (ii) fails to obtain the consent of both Sublandlord and the Port Authority to any transfer of a type described in clauses (c) or (d) above, then Sublandlord shall have the right to terminate this Sublease by written notice given at any time within ninety (90) days after the date such transfer occurs, provided that Sublandlord shall have no obligation to reimburse Concessionaire for its Unamortized Capital Investment as a result of any such termination.

ARTICLE XV. DAMAGE AND DESTRUCTION

SECTION 15.01 Damage Caused to Master Lease Premises or Airport Property. Any damage caused to the Master Lease Premises, Airport, or any Master Lease Premises or Airport property or operations or the property of any other tenant, person, or entity caused by Concessionaire, or as a result of the operations of Concessionaire, shall be the responsibility of and promptly repaired by Concessionaire unless otherwise directed by Sublandlord, and Concessionaire shall reimburse Sublandlord for any such damage paid for by Sublandlord within thirty (30) days of billing by Sublandlord. The foregoing reimbursement obligation shall apply with respect to damage to Port Authority or Airport property or operations, the cost of which is incurred by the Port Authority. Any sums so paid by Sublandlord shall bear interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by law, whichever is greater, from the date paid by Sublandlord until Sublandlord has been fully repaid. If the same type of damage is caused by Concessionaire more than once, such as a water leak or electrical service interruption, Sublandlord shall review and approve Concessionaire's plan of repair or may require that Concessionaire allow Sublandlord to make the repair and then reimburse Sublandlord for the cost of such repair.

SECTION 15.02 Partial Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Sublandlord. The damage to the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, shall be repaired and restored by Sublandlord at

Sublandlord's expense to essentially the same condition as that which existed prior to such damage. Notwithstanding the foregoing, if such damage is caused by the negligence of Concessionaire, its officials, agents or employees, Concessionaire shall pay for all loss, damage and costs thereof. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) If those portions of the Concessionaire Premises constituting Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Concessionaire. Such damaged portions of the Concessionaire Premises shall be repaired and restored by Concessionaire at Concessionaire's expense to essentially the same condition as that which existed prior to such damage. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as set forth in paragraph (a) above.

(c) In all events, Concessionaire shall open, or reopen, as the case may be, for business immediately upon the completion of the repairs and restoration. If Concessionaire has exercised due diligence in attempting to complete the necessary repairs and restoration required hereby but is unable to do so within sixty (60) days following the date of said damage or the date of completion of any repairs and restoration first required to be made by Sublandlord in accordance herewith, then Sublandlord has the right to terminate this Sublease as to that portion or those portions of the Concessionaire Premises so damaged. Upon such termination, the Minimum Annual Guaranteed Rent shall be adjusted based on the proportion of the floor area terminated to the total floor area of the Concessionaire Premises immediately prior to said damage.

SECTION 15.03 Total Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, is totally destroyed or damaged by fire or other casualty or so damaged as to remain untenantable for more than sixty (60) days, Sublandlord shall be under no obligation to repair and restore such destruction and damage. The rent of the affected portions of the Concessionaire Premises shall be abated for the period from the date such destruction and damage occurred until (i) such space is repaired and restored, (ii) such space is temporarily replaced with other space reasonably sufficient to allow

Concessionaire to operate, if such space is reasonably available, or (iii) this Sublease terminates, as the case may be, all in accordance with this Section. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) Sublandlord shall notify Concessionaire within sixty (60) days after the occurrence of such casualty whether it intends to repair and restore such destruction and damage. If Sublandlord elects to repair and restore, it shall do so with due diligence and at its expense, unless such damage was caused by the negligence of Concessionaire, its officials, employees, or agents, in which case Concessionaire shall pay for all loss, damage, and costs thereof. Should Sublandlord elect not to repair and restore such destruction and damage, this Sublease shall terminate on the date of notification by Sublandlord as specified in this Paragraph for the untenantable portions of the Concessionaire Premises. In either such event, Sublandlord agrees to use reasonable efforts to make reasonably sufficient substitute space available for Concessionaire during any repair or restoration period or upon a termination of this Sublease as set forth above.

SECTION 15.04 Notification of Damage. Concessionaire shall report any damage to the Concessionaire Premises to Sublandlord and the Port Authority immediately upon the occurrence thereof.

SECTION 15.05 Express Agreement. The parties agree that this Article constitutes an express agreement governing any case of damage or destruction of the Concessionaire Premises or the Master Lease Premises by fire or other casualty, and that Section 227 of the Real Property Law of the State of New York, which provides for such contingency in the absence of an express agreement, and any other law of like import now or hereafter in force, shall have no application in any such case.

ARTICLE XVI. EMINENT DOMAIN

SECTION 16.01 Condemnation.

(a) If the whole of the Master Lease Premises or any portion of the Concessionaire Premises shall be taken by any public authority under the power of eminent domain or sold to a public authority under threat or in lieu of such taking, then the Term shall cease as of the day upon which possession is taken by such public authority, and the Rent shall be paid up to that day.

(b) A voluntary sale or transfer of an interest in all or any part of the Master Lease Premises or of the Concessionaire Premises to any public or quasi-public body, agency, person or other entity, corporate or otherwise, having the power of eminent domain, either under

threat of condemnation or while condemnation proceedings are pending, shall be deemed to be a taking under the power of eminent domain for the purposes of this Article.

SECTION 16.02 Damages and Awards. Concessionaire shall have no claim against Sublandlord, the Port Authority or the applicable condemning authority for any award and damages for such taking under the power of eminent domain or proceeds from any sale under threat or in lieu of such a taking and any award or damages shall be distributed in accordance with the Master Lease, provided that neither Sublandlord nor the Port Authority shall be entitled to any award or damages specifically designated as compensation for, depreciation to, or cost of removal of, the personal property and trade fixtures of the Concessionaire.

ARTICLE XVII. DEFAULT

SECTION 17.01 Events of Default. Upon the occurrence, at any time prior to or during the Term, of any one or more of the following events (each, an "Event of Default"):

(a) if Concessionaire shall (i) default in the payment to Sublandlord when due of any installment of Rent or in the payment to Sublandlord when due of any Additional Rent, and such default shall continue for a period of five (5) days after notice by Landlord to Tenant of such default, or (ii) default in the payment to the Port Authority when due of any installment of Rent or in the payment to the Port Authority when due of any Additional Rent; or

(b) if Concessionaire shall default in the observance or performance of any term, covenant or condition on Concessionaire's part to be observed or performed under any other lease or agreement with Sublandlord and such default shall continue beyond any grace period set forth in such other lease or agreement for the remedying of such default; or

(c) if the Concessionaire Premises shall become deserted or abandoned; or

(d) if a Governmental Authority terminates, revokes or suspends any certificate, license, permit or authority held by Concessionaire without which Concessionaire shall not be lawfully empowered to conduct its business operations in the Concessionaire Premises and such certificate, license, permit, or authority is not reinstated, or a new one received, within five (5) days; or

(e) if Concessionaire shall fail to cause any lien filed against the Concessionaire Premises, the Master Lease Premises, or any Sublandlord or Port Authority property to be released of record by payment, bond, order of a court of competent jurisdiction or otherwise, within fifteen (15) days after the filing thereof; or

(f) if Concessionaire's interest in this Sublease shall devolve upon or pass to any person, whether by operation of law or otherwise, except as may be expressly permitted under Article XIV hereof; or

(g) if Concessionaire shall file a voluntary petition in bankruptcy or insolvency, or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, or shall make an assignment for the benefit of creditors or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Concessionaire or of all or any part of Concessionaire's property; or

(h) if, within sixty (60) days after the commencement of any proceeding against Concessionaire, whether by the filing of a petition or otherwise, seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, such proceeding shall not have been dismissed, or if, within sixty (60) days after the appointment of any trustee, receiver or liquidator of Concessionaire, or of all or any part of Concessionaire's property, without the consent or acquiescence of Concessionaire, such appointment shall not have been vacated or otherwise discharged, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property pursuant to which the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied; or

(i) if within any twelve (12) consecutive calendar month period, Concessionaire shall have on three (3) or more occasions failed to pay Rent when due hereunder, or Sublandlord has had grounds to commence more than two summary proceedings;

(j) Failure to timely deliver the Letter of Credit and any replacement thereof, that continues for a period of ten (10) business days after written notice thereof to Concessionaire; or

(k) The act or omission of Concessionaire which, under the terms of this Sublease or the Master Lease is prohibited and which would result in the Port Authority having the right to terminate the Master Lease or revoke the Consent for cause, provided that if such act or omission is cured prior to the Port Authority terminating the Master Lease or revoking the Consent, and the Port Authority does not terminate the Master Lease or revoke the Consent, then such act or omission by Concessionaire shall be deemed cured; or

(l) if Concessionaire shall default in the observance or performance of any other term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed and either (1) Concessionaire shall fail to remedy such default within thirty (30) days after notice by Sublandlord to Concessionaire of such default, or (2) if such default is of such a nature that it cannot be completely remedied within said period of thirty (30) days, Concessionaire shall not commence the cure of such default within said period of thirty (30) days, thereafter diligently prosecute to completion all steps-necessary to remedy such default and completely remedy such default within sixty (60) days of the notice from Sublandlord;

then, Sublandlord, at any time thereafter, at Sublandlord's option, may give to Concessionaire a

five (5) days' notice of termination of this Sublease and, in the event such notice is given, this Sublease and the Term shall come to an end and expire upon the expiration of said five (5) days with the same effect as if the date of expiration of said five (5) days were the Expiration Date, but Concessionaire shall remain liable for damages as provided in this Article.

SECTION 17.02 Rights, Remedies, Damages.

(a) If there exists an Event of Default by Concessionaire, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property whereupon the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Concessionaire, or if this Sublease and the Term shall expire and come to an end as provided in Section 17.01, then:

(i) Sublandlord and its agents and servants may immediately, or at any time after such default or after the date upon which this Sublease and the Term shall expire and come to an end, re-enter the Concessionaire Premises or any part thereof, without notice, either by summary proceedings, or by any other applicable action or proceeding, or by force or otherwise (without being liable to indictment, prosecution or damages therefor), and may repossess the Premises and dispossess Concessionaire and any other persons from the Concessionaire Premises and remove any and all of their property and effects from the Concessionaire Premises; and

(ii) Sublandlord, at Sublandlord's option, may relet the whole or any part or parts of the Concessionaire Premises from time to time, either in the name of Sublandlord or otherwise, to such tenant or tenants, for such term or terms ending before, on or after the Expiration Date, at such rental or rentals and upon such other conditions, which may include concessions and free rent periods, as Sublandlord, in its sole discretion, may determine. Sublandlord shall have no obligation to relet the Concessionaire Premises or any part thereof and shall in no event be liable for refusal or failure to relet the Concessionaire Premises or any part thereof, or, in the event of any such reletting, for refusal or failure to collect any rent due upon any such reletting, and no such refusal or failure shall operate to relieve Concessionaire of any liability under this Sublease or otherwise to affect any such liability. Sublandlord, at Sublandlord's option, may make such repairs, replacements, alterations, additions, improvements, decorations and other physical changes in and to the Concessionaire Premises as Sublandlord, in its sole discretion, considers advisable or necessary in connection with any such reletting or proposed reletting, without relieving Concessionaire of any liability under this Sublease or otherwise affecting any such liability.

(b) Concessionaire hereby waives the service of any notice of intention to re-enter or to institute legal proceedings to that end which may otherwise be required to be given under any present or future law. Concessionaire, on its own behalf and on behalf of all persons claiming through or under Concessionaire, including all creditors, does further hereby waive any and all rights which Concessionaire and all such persons might otherwise have under any present or future law to redeem the Concessionaire Premises, or to re-enter or repossess the

Concessionaire Premises, or to restore the operation of this Sublease, after (i) Concessionaire shall have been dispossessed by a judgment or by warrant of any court or judge, or (ii) any re-entry by Sublandlord, or (iii) any expiration or termination of this Sublease and the Term, whether such dispossess, re-entry, expiration or termination shall be by operation of law or pursuant to the provisions of this Sublease. The words "re-enter", "re-entry" and "re-entered" as used in this Sublease shall not be deemed to be restricted to their technical legal meanings. In the event of a breach or threatened breach by Concessionaire, or any persons claiming through or under Concessionaire, of any term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed, Sublandlord shall have the right to enjoin such breach and the right to invoke any other remedy allowed by law or in equity as if re-entry, summary proceedings and other special remedies were not provided in this Sublease for such breach. The right to invoke the remedies hereinbefore set forth are cumulative and shall not preclude Sublandlord from invoking any other remedy allowed at law or in equity.

(c) If this Sublease and the Term shall expire and come to an end as provided in this Article, or by or under any summary proceeding or any other action or proceeding, then, in any of said events:

(i) Concessionaire shall pay to Sublandlord all Rent and other charges payable under this Sublease by Concessionaire to Sublandlord to the date upon which this Sublease and the Term shall have expired and come to an end;

(ii) Concessionaire also shall be liable for and shall pay to Sublandlord, as damages, any deficiency (hereinafter, the "Deficiency") between the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term and the net amount, if any, of rents collected under any reletting effected pursuant to the provisions of this Section for any part of such period. The Deficiency shall also include all of Sublandlord's expenses in connection with the termination of this Sublease, or Sublandlord's re-entry upon the Concessionaire Premises and with such reletting including, but not limited to, all repossession costs, brokerage commissions, legal expenses, attorneys' fees and disbursements, alteration costs and other expenses of preparing the Concessionaire Premises for such reletting. Any such Deficiency shall be paid in monthly installments by Concessionaire on the days specified in this Sublease for payment of installments of Rent, Sublandlord shall be entitled to recover from Concessionaire each monthly Deficiency as the same shall arise, and no suit to collect the amount of the Deficiency for any month shall prejudice Sublandlord's right to collect the Deficiency for any subsequent month by a similar proceeding; and

(iii) whether or not Sublandlord shall have collected any monthly Deficiencies as aforesaid, Sublandlord shall be entitled to recover from Concessionaire, and Concessionaire shall pay to Sublandlord, on demand, in lieu of any further Deficiencies as and for liquidated and agreed final damages, a sum equal to the amount by which the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the then fair and reasonable rental value of the Concessionaire Premises for the same period, less the aggregate amount of Deficiencies

theretofore collected by Sublandlord pursuant to the provisions of this Section for the same period. If, before presentation of proof of such liquidated damages to any court, commission or tribunal, the Concessionaire Premises, or any part thereof, shall have been relet by Sublandlord for the period which otherwise would have constituted the unexpired portion of the Term, or any part thereof, the amount of rent reserved upon such reletting shall be deemed, prima facie, to be the fair and reasonable rental value for the part or the whole of the Concessionaire Premises so relet during the term of the reletting. For purposes of this calculation, (i) all additional rent charges due hereunder shall be calculated on the assumption that they would continue to increase at the average rate of increase of additional rent charges in the 24 previous months (or during the prior term hereunder if less); and, (ii) at Sublandlord's election, the "fair and reasonable rate", if the Concessionaire Premises are not re-let, shall be deemed to be the rentable square footage of the Concessionaire Premises multiplied by the discounted average rental per square foot in the last three new leases (excluding renewals) written for space in the Master Lease Premises (or, if fewer than three leases have been written in the previous three months, the most recent lease, or any leases in those three months) discounting for brokerage fees, free rent periods, landlord work letters, and similar expenses, and without reference to any additional rent, escalation or percentage rent clauses therein.

(iv) If the Concessionaire Premises, or any part thereof, shall be relet together with other space in the Master Lease Premises, the rents collected or reserved under any such reletting and the expenses of any such reletting shall be equitably apportioned for the purposes of this Section. Concessionaire shall in no event be entitled to any rents collected or payable under any reletting, whether or not such rents shall exceed the Rent reserved in this Sublease. Solely for the purposes of this Article, the term "Rent" as used in this Section shall mean the Rent in effect immediately prior to the date upon which this Sublease and the Term shall have expired and come to an end, or the date of re-entry upon the Concessionaire Premises by Sublandlord, as the case may be. Nothing contained in this Article shall be deemed to limit or preclude the recovery by Sublandlord from Concessionaire of the maximum amount allowed to be obtained as damages by any statute or rule of law, or of any sums or damages to which Sublandlord may be entitled in addition to the damages set forth in this Article.

(v) All costs and expenses, including attorneys' fees (whether or not legal proceedings are instituted), involved in collecting Rents or enforcing the obligations of Concessionaire under this Sublease, including the cost and expense of instituting and prosecuting legal proceedings or recovering possession of the Concessionaire Premises after a breach by Concessionaire or upon expiration or earlier termination of this Sublease, to the extent such costs and expenses have not already been paid as a Deficiency or as liquidated damages under this Section, shall be due and payable by Concessionaire as additional rent within twenty (20) days of demand.

(d) For purposes of calculating any Deficiency with respect to Percentage Rent, Gross Receipts shall be determined in the following manner: (i) Gross Receipts shall be derived by multiplying the number of days in the balance of the Term originally fixed, by

Concessionaire's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of Concessionaire during that part of the effective period of the Term (including all annual periods falling within the effective period) in which Rent was due and payable, divided by the number of days included in such part of the effective period.

SECTION 17.03 Sanctions for Certain Sublease Violations. Concessionaire's failure to adhere to the operating requirements set forth in this Sublease is reasonably anticipated to result in significant inconvenience to the public, adversely affect the overall concession business of the Master Lease Premises, and reduce the amount of rent to be paid to Sublandlord. Additionally, Sublandlord resources will be expended in dealing with violations of this Sublease by Concessionaire. The parties hereby agree that total damages sustained by Sublandlord for violations of the provisions of this Sublease addressing the subject matter listed below could be significant, but would be difficult to determine and to track. Therefore, the parties hereto agree that the sanction amounts, set forth below for violation of this Sublease terms addressing the referenced subject matter are reasonable estimates of the loss anticipated to be suffered or incurred by Sublandlord. Concessionaire, therefore, hereby agrees that imposition of the sanctions set forth below is fair and reasonable and Concessionaire agrees to pay immediately upon demand by Sublandlord the following sanction amounts upon the occurrence of breaches related to the following subject matter:

Operating Hours
$100 first occurrence ($500 if breach occurs on holiday)
$250 second occurrence ($500 if breach occurs on holiday)
$500 third occurrence (Same if breach occurs on holiday)

$1,000 per occurrence thereafter ($1500 if breach occurs on holiday)

Service Standards; Employee Standards
$50 per occurrence

Pricing and Quality
$250 first occurrence
$500 per occurrence thereafter

Signs and Lease Line Violations

Sanitation, Hygiene, Cleanliness, Waste Disposal and Recycling
$100 per occurrence, for up to three (3) occurrences
$1,000 per occurrence thereafter or a fee for any remedial sanitation work that must be performed by Sublandlord billed at a rate determined by Sublandlord consistent with the market rate (plus a reasonable additional amount for Sublandlord's administrative costs and expenses).

Deliveries and Vendor Access
$100 per occurrence

SECTION 17.04 Imposition of Sanctions. Except for Sublease violations regarding the minimum hours of operation, the sanctions for which shall be incurred immediately and without notice upon violation, other sanction amounts shall not be imposed unless the Sublease violation continues for more than three (3) calendar days after Sublandlord has given Concessionaire written notice of the violation, provided that after Sublandlord has given Concessionaire notice of the same violation more than twice during any given year of the Term, the sanction amount shall be immediately imposed with no opportunity to cure in order to avoid the sanction. Additionally, after two (2) sublease violations of the same type in the same year of the Term, Sublandlord reserves the right, at its sole option, not to impose the sanction and instead seek any other remedies available to it for an Event of Default, including termination of this Sublease. Sublandlord's right to impose the sanctions described above shall be in addition to any other rights and remedies of Sublandlord under this Sublease.

ARTICLE XVIII. TAXES

SECTION 18.01 Taxes. Concessionaire, solely, shall be responsible and liable for any taxes, assessments, levies, fees and other governmental charges and impositions of any and every kind or nature, regular or special, direct or indirect, foreseen or unforeseen or known or unknown, levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority, upon, against or with respect to (i) Concessionaire's leasehold interest in the Concessionaire Premises, (ii) any leasehold improvements or other alterations made to the Concessionaire Premises by Concessionaire, (iii) the furniture, fixtures, equipment, inventory and any other personal property of any kind owned by, or placed, installed or located in, within, upon or about the Concessionaire Premises by Concessionaire, (iv) Concessionaire's occupancy or use of the Concessionaire Premises.

ARTICLE XIX. HOLDING OVER

SECTION 19.01 Holding Over. Without in any way limiting the provisions in this Sublease regarding Events of Default and the Security Deposit or any other term and condition hereof, unless otherwise notified by Sublandlord in writing, if Concessionaire remains in possession of the Concessionaire Premises after the expiration or termination of the Term, in addition to any damages to which Sublandlord may be entitled under this Sublease or other remedies Sublandlord may have by law or otherwise, Concessionaire shall pay to the Sublandlord a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that Concessionaire shall surrender and completely vacate the Concessionaire Premises at an annual rate equal to twice the sum of (i) the annual rate of Minimum Annual Guarantee in effect on the date of such expiration or termination, plus (ii) all items of Percentage Rents, Additional Rent and other periodic charges payable with respect to the Concessionaire Premises by the Concessionaire at the rates in effect during the three hundred sixty-five (365) day period

immediately preceding such date. Nothing herein contained shall give, or be deemed to give, Concessionaire any right to remain in possession of the Concessionaire Premises after the expiration or termination of the letting under this Sublease. Concessionaire acknowledges that the failure of Concessionaire to surrender, vacate and yield up the Concessionaire Premises to Sublandlord on the effective date of such expiration or termination will or may cause Sublandlord and the Port Authority injury, damage or loss. Concessionaire hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay Sublandlord and the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and Concessionaire hereby expressly agrees to indemnify and hold Sublandlord and the Port Authority harmless against any such injury, damage or loss.

ARTICLE XX. QUIET ENJOYMENT

SECTION 20.01 Quiet Enjoyment. Upon payment by Concessionaire of Rent and upon the timely observance and full performance of all the covenants, terms and conditions on Concessionaire's part to be observed and performed under this Sublease and the Consent, Concessionaire shall peaceably and quietly hold and enjoy the Premises for the Term, free from and without hindrance or interruption, subject to the Master Lease and the Consent.

ARTICLE XXI. SIGNS AND ADVERTISING

SECTION 21.01 Definition of Signs. For purposes of this Section, signs shall include, but not necessarily be limited to, identification signs, Concessionaire logos, advertising, promotions, stickers, photographs, art displays, and the like.

SECTION 21.02 Right to Install. Concessionaire may install and operate upon or in the Concessionaire Premises, and at Concessionaire's sole cost and expense, signs containing its name and representing its business in accordance with the guidelines established in the Tenant Design Manual. Concessionaire acknowledges Sublandlord's desire to maintain a high level of aesthetic quality in the Master Lease Premises and in all concession facilities throughout the Master Lease Premises. Therefore, Concessionaire covenants and agrees that, in the exercise of its privilege to install and maintain appropriate signs on the Concessionaire Premises, it will submit to Sublandlord the size, design, content, and intended location of each and every sign it proposes to install on or within the Concessionaire Premises, and that no signs of any type shall be installed on or within the Concessionaire Premises without the specific prior written approval of Sublandlord as to the size, design, content, and location. Handwritten, hand lettered, and paper signs are prohibited. Notwithstanding any prior written approval, Concessionaire shall install, remove, or modify any signs as directed in writing by the Sublandlord Concession Manager. Sublandlord's failure to require removal of any sign placed on or about the Concessionaire Premises without written permission shall not be deemed a waiver of the Sublandlord Concession Manager's authority to require removal of any unapproved sign.

SECTION 21.03 Signs and Fixtures Outside Concessionaire Premises.

(a) Concessionaire shall not place, install, erect, maintain or display any racks, stands, trade fixtures, pedestal signs, or other displays of products outside the boundaries of the Concessionaire Premises without the express prior written approval of Sublandlord.

(b) Except with the prior written consent of the Port Authority and Sublandlord, Concessionaire shall not place, install, erect, maintain or display any signs or any advertising at or on the exterior parts of the Concessionaire Premises or in the Concessionaire Premises so as to be visible through the windows or exterior doors thereof. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

SECTION 21.04 Removal of Signs.

(a) Upon the expiration or sooner termination of this Sublease, Concessionaire shall remove, obliterate or paint out, as Sublandlord may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. If there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, Sublandlord may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to Sublandlord on demand.

(b) Upon the expiration or sooner termination of the Master Lease, Concessionaire shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, the Port Authority may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to the Port Authority on demand.

SECTION 21.05 Tenant Directory, Etc. Sublandlord shall list Concessionaire in one or more "Tenant Directories" to be located within the Master Lease Premises for the convenience of passengers. The design, layout, location, size, and placement of any Tenant Directory and Concessionaire's listing therein shall be at the sole discretion of Sublandlord. Concessionaire hereby grants Sublandlord (a) the right to list Concessionaire's name on its website, and (b) a non-exclusive license to use Concessionaire's name and logo in any marketing or promotional materials describing the Master Lease Premises and Sublandlord generally.

ARTICLE XXII. INTENTIONALLY OMITTED

ARTICLE XXIII. RIGHTS AND PRIVILEGES OF SUBLANDLORD

SECTION 23.01 Rules and Regulations. Sublandlord shall have the right to enforce, and adopt from time to time, reasonable rules and regulations, which Concessionaire agrees to observe and obey, with respect to the use of the Master Lease Premises, provided that such rules and regulations shall not be inconsistent with safety, current rules and regulations of the Federal Aviation Administration (FAA) and the Transportation Security Administration (TSA) , and any future changes prescribed from time to time by the FAA, TSA, or any other successor Federal agency, provided, further, that such rules and regulations shall not be inconsistent with current rules and regulations of the Port Authority and any future changes prescribed from time to time by the Port Authority, all of which rules and regulations of the Port Authority, in the event of any inconsistency, shall supercede and control over those of Sublandlord.

SECTION 23.02 Official Representative. The Sublandlord Concession Manager is hereby designated as the representative for Sublandlord with respect to notices and communication regarding this Sublease.

SECTION 23.03 Sublease Actions. All actions relating to policy determination, modification of this Sublease, termination of this Sublease, and any similar matters affecting the terms of this Sublease shall be subject to Section 25.06 regarding amendments hereto.

SECTION 23.04 Right to Enter Concessionaire Premises. The Sublandlord Concession Manager and his or her designated representatives may enter upon the Concessionaire Premises at any reasonable time, for any purpose necessary, incidental to, or connected with, the performance of its obligations hereunder, or at any time in the case of an emergency.

SECTION 23.05 Sublandlord's and the Port Authority's Right to Develop. Sublandlord reserves the right to further develop or improve the public areas of the Concessionaire Premises, including the Master Lease Premises and ramp space, and the other areas of the Concessionaire Premises as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance. Concessionaire hereby acknowledges the Port Authority's right to further develop or improve the airfield, public areas within the Airport, and any other Airport property or facility as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance.

SECTION 23.06 Aircraft Noise, Etc. Concessionaire acknowledges that the Port Authority reserves for the use and benefit of the public, the right of aircraft to fly in the airspace overlying the land herein leased, together with the right of said aircraft to cause such noise as may be inherent in the operation of aircraft landing at, taking off from, or operating on or in the vicinity of the Airport and the Master Lease Premises, and the right to pursue all operations of the Airport and the Master Lease Premises.

SECTION 23.07 Aerial Approach Rights. Concessionaire acknowledges that the Port

Authority reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Concessionaire from erecting, or permitting to be erected, any building or other structure on the Airport, which, in the opinion of the Port Authority, would limit the usefulness of the Airport, or constitute a hazard to aircraft.

SECTION 23.08 Right to Make Modifications. Sublandlord may from time to time increase or decrease the size or capacity of any public facilities within the Concessionaire Premises, or the Master Lease Premises, or make alterations thereto or reconstruct or relocate them or modify the design and type of construction thereof or close them or any portions of them, either temporarily or permanently, provided notice is given to Concessionaire.

SECTION 23.09 Renegotiations. This Sublease at any time may be reopened for renegotiation in good faith if Federal Aviation Administration (FAA) Airport Certification or Transportation Security Administration's Security Requirements, FAR Parts 139 and TSR 1542 respectively, result in major expenditures to Sublandlord or the Port Authority due to Concessionaire's tenancy in the Master Lease Premises. If said renegotiation is desired, written notice must be given to Concessionaire not less than sixty (60) days prior to such renegotiations.

SECTION 23.10 Sublandlord's Right to Relocate Concessionaire Premises.

(a) Sublandlord reserves the right to relocate the Concessionaire Premises to other space in the Master Lease Premises (such other space being hereinafter referred to as the "Substitution Space") should that be necessary for Master Lease Premises area remodeling, redesign, or expansion.

(b) Notwithstanding the forgoing, the Substitution Space shall (i) contain substantially the same amount of square footage as the Concessionaire Premises, and (ii) have a similar or better layout as the Concessionaire Premises, as determined by Sublandlord in its sole discretion.

(c) Sublandlord shall exercise such right by giving Subtenant not less than sixty (60) days' prior written notice specifying the effective date of such substitution of the Substitution Space, or such additional reasonable time for Concessionaire to alter the Substitution Space for the operation of its business, whereupon, as of such effective date:

(i) the description of the Concessionaire Premises set forth in this Sublease shall, without further act on the part of Sublandlord or Concessionaire, be deemed amended so that the Substitution Space shall be deemed to be the Concessionaire Premises under the Lease, and all of the terms, covenants, conditions and provisions and agreements of this Sublease shall continue in full force and effect and apply to the Substitution Space; and

(ii) Concessionaire shall move from the original Concessionaire Premises into the Substitution Space on or before the effective date stated in Sublandlord's notice and

shall vacate and surrender possession to Sublandlord of the original Concessionaire Premises; and

(iii) Subject to the other provisions of this subsection (iii), Concessionaire shall be deemed to have accepted possession of the Substitution Space in its "as is" condition as of the effective date stated in Sublandlord's notice.

(d) If Sublandlord exercises this relocation right, Sublandlord shall pay directly, upon presentation of invoices, for any of Concessionaire's actual and reasonable out-of-pocket expenses for moving and installing Concessionaire's furniture, equipment, supplies, telephones and telephone equipment and all of Concessionaire's other property in the Concessionaire Premises from the original Concessionaire Premises to the Substitution Space, but Concessionaire shall not be compensated and Sublandlord and Port Authority shall not be liable for any inconvenience to Concessionaire or for any interruption of Concessionaire's business or affairs. Additionally, Sublandlord, at Sublandlord's expense, shall alter the Substitution Space in substantially the same manner as the original Concessionaire Premises were delivered to Concessionaire and the effective date of the substitution of the Substitution Space shall not be deemed to have occurred until the substantial completion of such alterations. If Concessionaire requests materials or installations in the Substitution Space other than those originally installed by Sublandlord in the original Premises or if Concessionaire shall make any changes in the work, Sublandlord's written consent thereto shall be required and Concessionaire shall pay to Sublandlord, if Sublandlord so gives its consent, the extra costs of any such materials, installations or changes in the work. Sublandlord at its discretion may substitute materials of like quality for the materials originally utilized in proceeding with any such work.

ARTICLE XXIV. AIRPORT SECURITY

SECTION 24.01 Compliance and Responsibility for Fines and Forfeitures. Concessionaire recognizes its obligations for security on the Airport and in the Master Lease Premises as prescribed by 49 CFR Part 1542, the Airport Security Program, and the Air Terminal Rules and Regulations,, and agrees to employ such measures as are necessary to prevent or deter the unauthorized access of persons or vehicles into the secure area of the Master Lease Premises and Airport. Concessionaire shall comply with Transportation Security Regulation Part 1542 (Airport Security) and the Master Lease Premises and Airport security policies as presently outlined in its Airport Security Program and the Air Terminal Rules and Regulations, as such plan may be amended from time to time. Concessionaire shall pay any forfeitures or fines levied upon it, Sublandlord, or the Port Authority through enforcement of Transportation Security Regulation Part 1542, or any other applicable Federal, state or local regulation, due to the acts or omissions of Concessionaire, its employees, agents, suppliers, invitees or guests and for any attorneys' fees or related costs paid by Sublandlord or the Port Authority as a result of any such violation.

SECTION 24.02 Security Identification.

(a) Concessionaire shall abide by rules and regulations adopted by Sublandlord in carrying out Sublandlord's obligations under Aviation Security Regulations and Directives for the proper identification of persons and vehicles entering the aircraft operations area and other security measures as Sublandlord deems necessary from time to time. Concessionaire shall obtain Airport identification badges for all personnel working in any restricted, SIDA, secure, sterile area, which will require Concessionaire to make initial application to the Port Authority, to include all current contracts, and receive approval; designating Issuing Officers and require each to successfully complete required training; and each worker to complete the Airport ID Card Application Form, submit to required fingerprinting, and successfully complete required security training. Concessionaire shall require all employees to display Airport Identification badges at all times while working. The badges must be worn above the waist, be visible at all times, and otherwise comply with all Port Authority rules and regulations regarding the same.

(b) Pursuant to applicable Federal regulations, Concessionaire shall conduct an annual self-audit of Master Lease Premises and Airport access media, such as keys and access cards, used by Concessionaire, its employees, agents, suppliers, invitees, sublessees or guests. Concessionaire shall provide Sublandlord with a written report of said audits and shall replace, reset or re-key, as appropriate, all affected Master Lease Premises area access locks or devices whenever missing, lost, or stolen access media exceed five (5) percent of the access media issued for the affected lock or device.

SECTION 24.03 Tenant Security Program. Concessionaire shall create a Tenant Security Program (TSP) in coordination with the Airport Security Program (ASP) and the Airport Security Coordinator (ASC) for the Airport. The TSP shall be submitted to the Transportation Security Administration (TSA) and, upon approval, will make Concessionaire a

regulated party of the TSA, in accordance with 49 CFR 1542. Additionally, Concessionaire will comply with rules, practices, security restrictions and regulations as set forth by Sublandlord, the Port Authority or other any agency having jurisdiction at the Airport. Any fines assessed against Sublandlord as a result of Concessionaire's failure to comply with the provisions of this paragraph or other intentional or negligent acts or omissions of Concessionaire, its employees or agents will be paid promptly, upon demand, to Sublandlord by Concessionaire.

SECTION 24.04 Employee Clearance. All employees assigned by Concessionaire shall be physically able to do their assigned work. Sublandlord and the Port Authority shall have complete control over granting, denying, withholding, or terminating security clearance for said employees. Clearance is required for all employees upon being hired or assigned to the Master Lease Premises. Concessionaire shall not permit any employee to begin work until the Port Authority grants clearance to each individual employee.

SECTION 24.05 Intentionally Omitted.

ARTICLE XXV. MISCELLANEOUS

SECTION 25.01 Concessionaire's OFAC Certification.

(a) Concessionaire hereby represents and warrants to Sublandlord and the Port Authority (which representations and warranties shall be deemed to be continuing and re-made at all times during the Term) that Concessionaire is not, and shall not become, a person or entity with whom Sublandlord or the Port Authority is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order on Terrorist Financing Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not engaging, and shall not engage, in any dealings or transactions or be otherwise associated with such persons or entities. Concessionaire acknowledges that Sublandlord is entering into this Sublease, and the Port Authority is entering into the Consent, in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing Sublandlord to enter into and execute this Sublease and the Port Authority to enter into and execute the Consent. In the event of any breach of any of the foregoing representations and warranties by Concessionaire, Sublandlord shall have the right, in addition to any and all other remedies provided under this Sublease or at law or in equity, to immediately terminate this Sublease upon written notice to the Concessionaire, and the Port Authority shall have the right, in addition to any and all other remedies provided under the Consent or at law or in equity, to immediately revoke the Consent upon written notice to the Concessionaire. Concessionaire further acknowledges that there shall be no cure for such a breach. In the event of any such termination by Sublandlord or revocation by the Port Authority, Concessionaire shall, immediately on receipt of Sublandlord's termination notice or the Port Authority's revocation notice, cease all use of and operations permitted under this Sublease and surrender possession of the Concessionaire Premises to Sublandlord without

Sublandlord being required to resort to any other legal process. Termination or revocation on the aforedescribed basis shall be deemed a termination or revocation for cause.

(b) Concessionaire shall indemnify and hold harmless Sublandlord and the Port Authority and their respective Commissioners, directors, officers, employees, agents and representatives from and against any and all claims, damages, losses, risks, liabilities and expenses (including, without limitation, attorney's fees and disbursements) arising out of, relating to, or in connection with Concessionaire's breach of any of its representations and warranties made under this Section. Upon the request of Sublandlord or the Port Authority, Concessionaire shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent) and in handling such defense of the Port Authority it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provision of any statutes respecting suits against the Port Authority.

(c) The provisions of this Section shall survive the expiration or earlier termination of this Sublease.

SECTION 25.02 Intentionally Omitted.

SECTION 25.03 Sublease Subordinate to Bond Ordinance. This Sublease and all rights of Concessionaire hereunder are expressly subordinated and subject to the lien and provisions of any pledge or assignment made by Sublandlord or the Port Authority to secure any bonds authorized by law to be issued for the development or improvement of the Master Lease Premises or Airport, and Sublandlord and Concessionaire agree that the holders of the said bonds shall possess, enjoy and may exercise all rights of Sublandlord hereunder to the extent such possession, enjoyment and exercise are necessary to ensure compliance by Concessionaire and Sublandlord with the terms and provisions of the bond covenants.

SECTION 25.04 Information Statement. At any time and from time to time, Concessionaire agrees that, within ten (10) days after written request from Sublandlord, Concessionaire shall execute, acknowledge and deliver to Sublandlord a written statement certifying that this Sublease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications), that Concessionaire is not in default under this Sublease (or if in default, stating the nature of such default), and including such other pertinent and reasonable information regarding this Sublease and Concessionaire's occupancy of the Concessionaire Premises as may be requested. Nothing in this Section 17.01 is intended to, or shall be deemed to affect, alter or diminish in any way (i) any rights of Sublandlord under this Sublease or (ii) any obligations of Concessionaire under this Sublease.

SECTION 25.05 Waiver; Election of Remedies. One or more waivers of any covenant or condition of this Sublease by Sublandlord shall not be construed as a waiver of a subsequent

breach of the same covenant or condition, and the consent or approval by Sublandlord to or of any act of Concessionaire requiring consent or approval of Sublandlord, shall not be deemed to render unnecessary such consent or approval to or of any subsequent similar act. No breach by Concessionaire of a covenant or condition of this Sublease shall be deemed to have been waived by either, any or both of Sublandlord unless such waiver is in writing signed by each non-breaching party. Rights and remedies under this Sublease or under any specific section, subsection or clause hereof shall be cumulative and in addition to any and all other rights and remedies which each party has or may have elsewhere under this Sublease or at law or in equity, whether or not such section, subsection or clause expressly so states.

SECTION 25.06 Entire Agreement; Amendment.

(a) All exhibits and/or addendum(s), and/or rider(s), if any, attached to this Sublease are hereby made a part of this Sublease, with full force and effect as if set forth herein. This Sublease supersedes all prior agreements between the parties hereto and sets forth all the covenants, promises, agreements and conditions, and understandings between Sublandlord and Concessionaire concerning the Concessionaire Premises or any other premises within the Master Lease Premises occupied or used by Concessionaire, and there shall be no actual or implied covenants, promises, agreements, conditions or understandings, either oral or written, between them other than as are set forth herein and none thereof shall be used to interpret, construe, supplement or contradict this Sublease. The parties agree that any deletion of language from the Sublease prior to its mutual execution by Sublandlord and Concessionaire shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, obverse or opposite of the deleted language.

(b) No alteration, amendment, change or addition to this Sublease shall be binding upon Sublandlord or Concessionaire unless reduced to writing and signed by each party. Furthermore, any alteration, amendment, change or addition to this Sublease shall be subject to the consent of the Port Authority, which consent shall be in the sole and absolute discretion of the Port Authority.

SECTION 25.07 Interpretation; Use of Pronouns; Consent.

(a) Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of a joint venture between the parties hereto, it being understood and agreed that neither the method of computation of Rent, any other provision contained herein, nor any acts of the parties herein, shall be deemed to create any relationship between the parties hereto other than the relationship of landlord and tenant. This Sublease is the result of arms length negotiations between Sublandlord and Concessionaire and shall not be construed against Sublandlord by reason of its preparation of this Sublease.

(b) Whenever herein the singular number is used the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

(c) If this Sublease is silent as to the standard for any consent, approval, determination, or similar discretionary action, the standard shall be at the sole and unfettered discretion of Sublandlord, rather than any implied standard of good faith, fairness or reasonableness. If Concessionaire requests Sublandlord's consent or approval pursuant to any provision of this Sublease and Sublandlord fails or refuses to give such consent, Concessionaire shall not be entitled to any damages as a result of such failure or refusal, whether or not unreasonable.

SECTION 25.08 Contract Documents. The request for proposals published in connection herewith and Concessionaire's proposal in response thereto, which proposal is set forth in Exhibit L attached hereto, shall all form a part of this Sublease. In the event of a conflict between the terms and conditions of this Sublease and any of said documents, the terms and conditions of this Sublease shall take precedence.

SECTION 25.09 Delays; Force Majeure. Time is of the essence in the performance under this Sublease. In the event Sublandlord or Concessionaire shall be delayed in the performance of any obligation, covenant, agreement or other undertaking required of it under this Sublease, by reasons of strikes, lockouts, labor disputes, Acts of God, inability to procure labor, materials, or reasonable substitutes therefor, or shall at any time be so delayed by reason of the diminution of power or power failure(s), restrictive governmental laws or controls, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or reasons of a similar nature beyond the reasonable control of and not the fault of the party delayed in performing work or doing acts required under the terms of this Sublease, then performance of such act shall be excused for the period of the delay, and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay, provided that the time for performance shall in no event be extended due to financial or economic problems of any party. Notwithstanding anything to the contrary, the occurrence of any of the events of force majeure herein described shall not excuse Concessionaire's obligations to pay Rent or any other payment obligation hereunder on a timely basis.

SECTION 25.10 Notices. Any notice or demand to Concessionaire or from Concessionaire to Sublandlord shall be in writing and shall be sent by either (a) certified mail addressed, return receipt requested with proper postage affixed thereto, or (b) a nationally-recognized courier, prepaid, to the following addresses:

Any party may, by like notice, direct that future notices be sent to a different or additional address.

SECTION 25.11 Captions and Section Numbers. The captions, section numbers and article numbers and index appearing in this Sublease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles of this Sublease or in any way affect this Sublease.

SECTION 25.12 Brokers. Concessionaire and Sublandlord represent and warrant each to the other and the Port Authority that there are and shall be no claims for brokerage commissions or finder's fees in connection with this Sublease, and each party agrees to indemnify the other, Sublandlord and the Port Authority and hold each and all of them harmless from all liabilities arising from any claim for brokerage commissions and finder's fees in connection with this Sublease. Such agreement shall survive the expiration or sooner termination of this Sublease.

SECTION 25.13 Successors. All rights and liabilities herein given to, or imposed upon, the parties to this Sublease shall inure to and be imposed upon the respective heirs, executors, administrators, permitted successors and assigns of the said parties; and if there shall be more than one Concessionaire, they shall all be bound jointly and severally by the terms, covenants and agreements herein.

SECTION 25.14 Governing Law. This Sublease shall be governed by and construed in accordance with laws of the State of New York. If any provision of this Sublease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, such provision shall be adjusted rather than voided, if possible, in order to achieve the intent of the parties, to the extent possible. In any such event, all other provisions of this Sublease shall be deemed valid and enforceable to the full extent.

SECTION 25.15 Survival of Obligations. All obligations of both the Concessionaire and Sublandlord which cannot be ascertained to have been fully performed prior to the end of the

Term, or any earlier termination hereof shall survive the expiration or termination of this Sublease, whichever occurs earlier.

SECTION 25.16 Attorneys' Fees. If at any time after the date hereof, Sublandlord institutes any action or proceeding against Concessionaire relating to the provisions of this Sublease or any default hereunder, Concessionaire shall reimburse Sublandlord for the costs expenses, including reasonable attorneys' fees and disbursements, incurred by Sublandlord, including any such fees, costs or disbursements incurred on any appeal from such action or proceeding.

SECTION 25.17 Exculpation. Concessionaire, for itself and its successors and assigns covenants and agrees that it or they shall enforce any obligation of Concessionaire contained in this Sublease solely against Sublandlord and not against any of the Protected Parties or in any manner realized upon the personal liability or assets of any of the Protected Parties.

SECTION 25.18 Termination by Port Authority Without Cause; Waiver and Release.

(a) This Sublease shall automatically terminate without notice to Concessionaire upon the expiration, termination or revocation of the Consent. Concessionaire acknowledges that the Port Authority may revoke the Consent without cause upon thirty (30) days prior written notice to Concessionaire whether or not there then exists an Event of Default, such revocation by the Port Authority of the Consent without cause being referred to in this Sublease as a "Discretionary Revocation."

(b) Sublandlord covenants and agrees that, if the Port Authority shall exercise its right to terminate this Sublease by a Discretionary Revocation, then, provided that no Event of Default has occurred, Sublandlord shall pay to Concessionaire an amount equal to Concessionaire's Unamortized Capital Investment, as of the effective date of the Discretionary Revocation. In the event that the Port Authority revokes the Consent for cause or the Concessionaire terminates the Consent, Concessionaire shall not be entitled its Unamortized Capital Investment.

SECTION 25.19 Security Deposit Generally. Upon the execution of this Sublease by Concessionaire and delivery thereof to Sublandlord, Concessionaire shall deliver to Sublandlord and the Port Authority, respectively, as security for the full, faithful and prompt performance of and compliance with, on the part of Concessionaire, all of the terms, provisions, covenants and conditions of this Sublease and the Consent on its part to be fulfilled, kept, performed or observed (the "Security Deposit"), a clean irrevocable letter of credit (a "Letter of Credit") issued by a banking institution satisfactory to Sublandlord and the Port Authority and otherwise meeting the qualifications set forth in this Section, and having its main office within the Port of New York District, and otherwise in accordance with the following:

(a) With respect to the letter of credit as security for Sublandlord, such letter of credit shall be in favor of Sublandlord, and payable in the Port of New York District in the amount of Three Hundred Fourteen Thousand Eight Hundred Forty-Three and 75/100 Dollars ($314,843.75)

The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of Sublandlord.

(b) With respect to the letter of credit as security for the Port Authority, such letter of credit shall be in favor of the Port Authority, and payable in the Port of New York District in the amount set forth in the Consent. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority.

(c) Each such letter of credit required by this Section shall provide that it shall continue throughout the effective period of the permission under this Sublease and the Consent, as applicable, and for a period of not less than six (6) months thereafter, such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by Sublandlord or the Port Authority, its letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. The letters of credit shall not be considered to be held in trust by Sublandlord or the Port Authority for the benefit of Concessionaire, and shall not be considered an advance payment of rent or a measure of Sublandlord's or the Port Authority's damages in the case of an event of default by Concessionaire.

(d) Upon notice of cancellation of any letter of credit, Concessionaire agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the beneficiary, the beneficiary may draw down the full amount thereof and thereafter hold the same as security. Failure to provide a letter of credit at any time during the effective period of the permission under this Sublease and the Consent, as applicable, including any failure of any banking institution issuing any such letter of credit previously accepted by the beneficiary to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Sublease and the Consent on the part of Concessionaire. Upon acceptance of a replacement letter of credit by the beneficiary, and upon request by Concessionaire made thereafter, the beneficiary will return the cash security deposit being held, if any. Concessionaire shall have the same rights to receive such cash security deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Sublease and the Consent and fulfillment of the obligations of the Sublease and the Consent.

(e) If the beneficiary shall make any drawing under a letter of credit held by such party, Concessionaire on demand of such party and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the beneficiary pursuant to the terms of any letter of credit, or any receipt by the beneficiary of funds from any bank issuing such letter of credit, shall be or be deemed to waiver of any default by Concessionaire under the terms of this Sublease or the Consent, and all remedies of Concessionaire and of Sublandlord and

the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(f) For purposes of the provisions set forth in this Section, Concessionaire hereby certifies that its I.R.S. Employer Identification No. is

(g) Concessionaire agrees that it will not assign, mortgage or encumber, or attempt to assign, mortgage or encumber, a letter of credit (or any performance guaranty) held by Sublandlord or the Port Authority under this Sublease, and that neither Sublandlord nor the Port Authority, nor either party's successors or assigns, shall be bound by any such assignment, mortgage, encumbrance, attempted assignment, attempted mortgage or attempted encumbrance. Sublandlord and the Port Authority shall not be required to exhaust its remedies against Concessionaire before having recourse to the letter of credit (or any performance guaranty or any other security held by such party). Recourse by Sublandlord and the Port Authority to their respective letters of credit, or any other security held by such party, shall not affect any remedies of such party which are provided in this Sublease or the Consent, or which are available in law or equity.

(h) If Concessionaire fully performs all of its obligations under this Sublease, the letter(s) of credit held by Sublandlord, or any balance remaining, will be released within sixty (60) days from the Expiration Date or termination of this Sublease and delivery of the Concessionaire Premises to Sublandlord. However, if any question exists concerning Concessionaire's full compliance with this Sublease or if there is any obligation under this Sublease to be performed after the Expiration Date or earlier termination of this Sublease, Sublandlord shall be entitled to require that the letter(s) of credit remain in place until Sublandlord is fully satisfied that there has been no violation of this Sublease and all obligations due under this Sublease have been fully performed, even if it takes Sublandlord longer than sixty (60) days to make such a determination to Sublandlord's satisfaction. The return of any letter of credit held by the Port Authority shall be subject to the provisions of the Consent or otherwise follow applicable Port Authority policy.

SECTION 25.20 Authority of Execution. If Concessionaire is a corporation, limited liability company or limited partnership, Concessionaire shall furnish to Sublandlord at the time of execution of this Sublease (a) a certificate issued by the state of its formation that the Concessionaire is in good standing in said state, (b) a certified copy of its Certificate of Incorporation, Articles of Organization, Certificate of Formation, or such other documentation as used in the state of its formation whereby the Concessionaire was originally formed in said state, and (c) a certified copy of the resolution of the Board of Directors, General Partners, Managers or Managing Members of other party(ies) having the power of control of the Concessionaire approving this Sublease and authorizing its execution by the persons who have signed or will sign this Sublease.

SECTION 25.21 Subordination. This Sublease shall be and remain subject and subordinate to the Master Lease and the letting hereunder shall terminate on the day prior to the expiration of the Master Lease, or on the date of the earlier termination of the Master Lease, such

termination of this Sublease to be effective on such date and to have the same effect as if the Term had on that date expired. The rights of Sublandlord with respect to the Concessionaire Premises are those granted to it by the Port Authority, and no greater rights are granted or intended to be granted to Concessionaire than Sublandlord has power thereunder to grant.

SECTION 25.22 Third Party Beneficiary. The Port Authority is an express and intended third party beneficiary of this Sublease and it shall inure to its benefit and its successors and assigns. Without limiting the generality of the foregoing and in addition thereto, since the obligation of the Concessionaire to pay the Percentage Rent, the Minimum Annual Guarantee rent and the Additional Rent hereunder is for the benefit of both the Port Authority and the Sublandlord, the payment thereof may be enforced by either or both the Port Authority and the Sublandlord, individually or collectively, and further in the event of any breach or default by the Concessionaire in paying the Port Authority Share, the Sublandlord Share or any other Additional Rent due under this Sublease, both the Sublandlord and the Port Authority shall have the right to enforce payment thereof and to exercise all necessary remedies in connection therewith.

IN WITNESS WHEREOF, Sublandlord and Concessionaire have caused this Sublease to be duly executed as of the year and day first above written.

Concessionaire hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions. Concessionaire shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions by submitting a properly signed bid.

II. Concessionaire and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

(1) Minority participation

Minority, except laborers 30%
Minority, laborers 40%

(2) Female participation

Female, except laborers 6.9%
Female, laborers 6.9%

These goals are applicable to all the Contractor's construction work performed in and for the premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to Concessionaire and Concessionaire shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within 10 working days of award of any construction subcontract in excess of $10,000 at any tier for construction work. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1)"Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941:

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of $10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor, shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone number of each minority and female off-the-street applicant and minority or female referral from

a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Concessionaire when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO Policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decision including specific review of these items with on-premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m)The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered by the Concessionaire. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at lease as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Concessionaire shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanical apprentice, trainee, helper, or laborer), dates of

changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Lease, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II. MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires the Concessionaire and the Concessionaire shall itself and shall require the general contractor or other construction supervisor and each of the Concessionaire's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purposes hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations.

The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Concessionaire and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may specify by notice to the Concessionaire. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e. suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

(Schedule G to the Consent)

AIRPORT CONCESSIONS DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by Concessionaire in its performance of the Sublease, Concessionaire shall use, to the maximum extent feasible and consistent with Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

ARTICLE XXVI. QUALIFICATION AS AN ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 Million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially

or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in

a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

Concessionaire's breach of its obligations under 49 CFR Part 23 shall be a default by Concessionaire and shall entitle the Port Authority to exercise all of its contractual and legal remedies including revocation of the Consent.

EXHIBIT I

PORT AUTHORITY LOCAL BUSINESS ENTERPRISE COMMITMENT

As a matter of policy, Sublandlord and the Port Authority hereby require Concessionaire and Concessionaire shall require any Contractor utilized by Concessionaire to perform construction work on the Concessionaire Premises to comply with the provisions set forth hereinafter in this Exhibit I.

(1) Concessionaire and each Contractor shall use every good faith effort to maximize the participation of Local Business Enterprises ("LBEs") in all construction work on the Concessionaire Premises. In order to assure familiarity with the services and materials provided by LBEs, the Contractor shall attend such meetings as may be called by the General Manager of the Airport on LBEs and shall contact the Queens Air Services Development Office ("ASDO"), located at John F. Kennedy International Airport, Bldg. 141, First Floor, Jamaica, NY 11430 to obtain LBE Vendor Profiles and access ASDO's on-line vendor retrieval system ("BASIS"). Sublandlord, American or the Authority has not checked the references, capabilities or financial background of the LBEs registered with the ASDO, but is referring the Contractor to the ASDO and BASIS solely for the purpose of advising Contractors of LBEs who may be interested in providing services and/or materials to the Contractor.

(2) Good faith efforts to include participation by LBEs in construction work shall include at least the following: (i) Dividing the work to be subcontracted and services and materials to be procured into small portions, where feasible. (ii) Soliciting bids on portions of the work to be subcontracted and services and materials to be procured from LBEs registered with ASDO and such other LBEs as the Contractor deems appropriate.

(3) Sublandlord and the Port Authority are committed to making employment opportunities available to local residents and expects that the Contractor will utilize LBEs.

(4) It is specifically understood and agreed that the requirements set forth herein for the participation of LBEs shall not alter, limit, diminish or modify any of the obligations under this Sublease including, without limitation, the obligation to put into effect the affirmative action program and the MBE and WBE programs in accordance with the provisions set forth above in Exhibit I.

PORT AUTHORITY STREET PRICING REQUIREMENTS

A. General Port Authority Street Pricing Policy.

The Aviation Department of the Port Authority requires specific pricing criteria in all concessions agreements at the Airport. In general, the Port Authority and Sublandlord seek to promote fair and reasonable prices in airport concession programs. The street pricing policy is also designed to produce a greater volume of sales, thereby reflecting the Port Authority's and Sublandlord's objective to provide high customer service and optimization of financial return. The Port Authority's street pricing policy requires that prices charged at the Airport will be comparable to off-airport prices. In general, the policy requires any specialty retail, newsstand and food & beverage vendors that operate both on-airport and off-airport to price goods in the on-airport store within the range of prices charged at their off-airport stores. For vendors without off-airport operations in the area, comparable stores in the region are identified to establish the basis for street prices (the specific methodology for this comparison is established based upon the specific type of store and merchandise sold). For duty free concession vendors, where there are no comparable off-airport operations, the pricing policy requires that the prices of duty free merchandise be substantially comparable to the prices charged for duty free goods in duty free stores at other airports in the northeastern United States. Further, vendors must submit price lists for all goods and services in advance for approval. The street pricing policy also requires vendors to post signs in clearly visible locations notifying customers that the store charges fair and reasonable prices that are comparable to other stores in the region. Sublandlord requires strict adherence to the Port Authority's street pricing policy.

B. Comparable Locations In the Metro Area.

1. Specialty Retail and Food Service Concessions. For price comparative purposes, the street pricing policy requires that the prices charged in the various types of specialty retail and food & beverage concession facilities permitted hereunder shall be compared to similar specialty retail and food & beverage establishments located in major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease.

2. Newsstand and News & Gifts Concessions. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for newspapers, magazines and sundries shall be compared to local convenience store chains and/or local non-Airport news & gift establishments (excluding any locations which do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for gifts, souvenirs and novelties shall be compared to both similar gift, souvenir and novelty establishments located in the major regional malls, shopping centers, or other appropriate

retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as well as to the local convenience store chains and/or local non-Airport news & gift locations (excluding any locations that do not have multiple independent competitive sources and operators) in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease.

C. Specialty Retail and Food Service Concession Pricing Requirements.

Concessionaire's prices for all specialty retail and food service products permitted to be sold under the Use and Merchandise clause in this Sublease shall at all times be fair and reasonable and must be competitively priced such that the prices charged therefor are the same or comparable with comparable brands in specialty retail and food service establishments located in the major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time. To determine fair, reasonable and comparable prices, Concessionaire shall, at least once per year or more often if Sublandlord so desires, conduct a price comparison as outlined in Section 8.03 of this Sublease. Concessionaire's prices may not exceed the average price of those similar items in the comparable establishments.

D. Newsstand and News & Gifts Concession Pricing Requirements.

Concessionaire's prices for all news and gift products permitted to be sold under the Use and Merchandise clause in this Sublease shall at all times be fair and reasonable and must be competitively priced such that the prices charged therefor for newspapers, magazines and sundries are the same or comparable to those charged by the local convenience store chains and/or local non-Airport news & gift establishments (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time and for gifts, souvenirs and novelties to those charged by comparable gift, souvenir and novelty establishments located in the major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time. To determine fair, reasonable and comparable prices, Concessionaire shall, at least once per year or more often if Sublandlord so desires, conduct a price comparison as outlined in Section 8.03 of this Sublease.. Concessionaire's prices on any specific item may not exceed the average price of those similar items in the comparable establishments.

E. General Pricing Requirements.

In all other situations and circumstances for which no specific pricing requirement has been established, Concessionaire shall abide by the following pricing requirements. Concessionaire shall offer for sale only goods of first-class quality. For such goods, Concessionaire shall charge fair, reasonable and competitive prices. When an item has a

suggested retail price pre-marked and established by the manufacturer or distributor, Concessionaire shall not charge the public a price higher than the suggested retail pre-marked price without the prior written approval of Sublandlord in accordance with the Port Authority's street pricing policy. When an item has no suggested retail price or pre-marked price, the item shall be sold at a price as first approved by Sublandlord in accordance with the Port Authority's street pricing policy.

Port Authority Lease No. AYD-350
Consent to Sublease No. AYD-816
Facility: John F. Kennedy International Airport

CONSENT AGREEMENT

THIS CONSENT AGREEMENT, effective as of September 24, 2008 ("*Effective Date*"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("*Port Authority*") and **HARMONY PHARMACY & HEALTH CENTER, INC.** ("*Sub lessee*"), a corporation organized and existing under the laws of the State of Delaware with an office and place of business at 287 Bowman Avenue, Purchase, New York 10577, whose representative is Kenneth M. Croon, and consented to by **JET BLUE AIRWAYS CORPORATION** ("*Airline*").

WITNESSETH, That:

WHEREAS, by a certain agreement of lease made as of the 6th day of May, 2005 and bearing Port Authority Lease No. AYD-350 (as the same may have been and may be hereafter amended, supplemented or extended, the "*Airline Lease*") the Port Authority leased to the Airline certain premises at John F. Kennedy International Airport ("*Airport*") for certain passenger terminal facilities as more particularly set forth in the Airline Lease (the "*Terminal*"); and

WHEREAS, it was contemplated under the Airline Lease that certain food and beverage, newsstand, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required; and

WHEREAS, the Airline and the Sub lessee have entered into an agreement of sublease covering portions of the Terminal under the Airline Lease (such portions, being hereinafter collectively called the "*Space*" or the "*Spaces*"), a copy of which is attached hereto and made a part hereof (the "*Sublease*"), subject to the consent of the Port Authority and the execution of this Consent by and among the Airline, Sub lessee and the Port Authority;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Airline and the Sublessee hereby agree effective as of the Effective Date, as follows:

1. Consent. On the terms and conditions hereinafter set forth, the Port Authority consents to the Sublease.

2. Term of Consent. Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Airline or the Sublessee, on the earliest to occur of: (a) the day preceding the date of expiration or earlier termination of the Airline Lease; (b) the effective date of any revocation of this Consent pursuant to paragraph 6 hereof; (c) the date of expiration or earlier termination of the Sublease; or (d) such earlier date as the Airline and the Sublessee may agree upon subject to the terms and provisions hereof. Notwithstanding the foregoing, however, no termination of the Sublease shall diminish, limit, alter, affect, modify or impair the obligations, liabilities, or responsibilities of the Airline under the Airline Lease or release or relieve the Airline from the same or from any of the terms, provisions, covenants and conditions of the Airline Lease on its part to be kept, performed or observed. The Sub lessee shall cease its activities and operations at the Space and shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the revocation, expiration or termination of the Sublease.

3. Breach or Default of Airline Lease. If the Airline shall at any time be in breach or default of its obligations under the Airline Lease, beyond applicable notice and cure periods, the Sub lessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Airline from the Sublessee (including, but not limited to, late charges, liquidated damages, fines and the like). No such payment shall relieve the Airline from any obligation under the Airline Lease or under this Consent but all such payments shall be credited against the obligations of the Airline or of the Sublessee, as the Port Authority may determine for each payment or part thereof.

4. Controlling Documents; Conflicts and Inconsistencies.

(a) Neither this Consent, nor anything contained herein, shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Airline Lease, nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Airline under the Airline Lease. Neither this Consent nor anything contained herein, nor any termination of the Sublease, shall affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Airline under the Airline Lease nor constitute or be deemed to constitute a release of the Airline from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Airline and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease, including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained,

shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Consent, or shall thereafter grant its consent or approval thereto, or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact, or that the Port Authority's discretion pursuant to the Airline Lease as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Airline including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) In any case of any conflict with, or difference or inconsistency between, the provisions of this Consent and those of the Sublease, this Consent shall be controlling and, in any case or difference or inconsistency between the terms of the Sublease and those of the Airline Lease, those of the Airline Lease shall control. Accordingly, to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Airline Lease or this Consent then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Airline Lease.

(e) The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Airline Lease.

(f) Notwithstanding anything to the contrary stated in the Sublease, the following shall supercede and control with respect to the Sections of the Sublease which are referenced, below, if and to the extent of any conflict between this Consent and the said Sublease Section:

(1) Section 2.04 "Delivery of Premises; Concessionaire's Work Generally" –

In subparagraph (a), the Sublessee shall have at least sixty (60) days from the Commencement Date to substantially complete the Concessionaire's Work (as defined in the Sublease) and, accordingly, the Substantial Completion Date shall be no longer than the expiration of such 60-day period.

(2) For avoidance of doubt, in the Sublease definitions of Port Authority Share and Sublandlord Share, the phrase "excluding rentals and fees that are strictly pass-through charges for expenses actually incurred by Sublandlord and Sublandlord Concession Manager" shall refer only to certain items of Additional Rent (as defined in the Sublease) and not to the Minimum Annual Guarantee or Percentage Rent (as such terms are defined in the Sublease), and shall not include any expenses personally incurred by the Sublandlord Concession Manager (as defined in the Sublease).

(3) Section 3.02, "Reconciliation" – Any reconciliation to be made by the Port Authority in favor of the Sublessee shall be handled by the Port Authority by applying the procedures typically followed by the Port Authority in the ordinary course of its business with other permittees/lessees/sublessees.

(4) Section 10.09, "Trash and Refuse" and Section 10.11, "Cleaning and Janitorial Services" - The Lessee shall use commercially reasonable efforts to operate, or cause to be operated, the loading dock and storage areas of the Master Lease Premises in an efficient and coordinated manner that supports the use of such facilities by Sublessee and the other concessionaires in connection with their respective businesses, and Sublessee shall have no obligation to manage or operate, to cause to be managed or operated, or to agree to manage or operate, a program for trash removal, the loading dock, the storage areas or any other common areas at the Terminal.

5. Required Port Authority Consent. The granting of this Consent by the Port Authority shall not be, and shall not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease or other agreement with respect to the use or occupancy of the Space or any other portion of the Terminal, or to any assignment of the Airline Lease or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

6. Revocation of Consent.

(a) The Port Authority shall have the right to revoke this Consent at any time without cause, as to any one or more (if applicable) of the Spaces at which the Sublessee has permission to operate on thirty (30) days' notice to the Sublessee and the Airline, and no such revocation shall be deemed to affect the Airline Lease or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby.

(b) In the event the Port Authority exercises its right to revoke this Consent if the Sublessee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Consent, the Sublessee shall be obligated to reimburse the Port Authority for any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of,

relating to, or in connection with the enforcement or revocation of this Consent including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Consent.

7. Utilities.

(a) The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

(b) Except as expressly permitted under the Airline Lease, the cost of utilities shall not be charged to the Sublessee unless the Sublessee is a food/beverage vendor, all in accordance with the Airline Lease. By signing below, the Airline expressly agrees to the foregoing, and agrees that the Airline shall not charge to the Sublessee the cost of any utilities other than as aforesaid in this paragraph.

8. Compliance with Laws. The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

9. Late Charges.

If the Sublessee shall fail to pay any amount to the Port Authority required under this Consent or the Sublease when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way

(i) any rights of the Port Authority under this Consent, including without limitation under paragraph 6 hereof or (ii) any obligations of the Sublessee under this Consent. In the event that any late charge imposed pursuant to this paragraph shall exceed a legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent shall be payable instead at such legal maximum.

10. No Responsibility of Port Authority for Capital Investment.

It is hereby acknowledged and agreed by the Airline and the Sublessee that the Port Authority has no obligation under the Airline Lease, the Sublease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's capital investment in the Space or at the Terminal, whether amortized or unamortized. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or upon revocation of this Consent, with or without cause, of any amount of the Sublessee's capital investment in the Space or at the Terminal shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Airline to pay, subsidize or finance said capital investment.

11. Indemnification.

(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Consent, and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, representatives, agents, contractors, members (in their capacity as members of, and if, the Sublessee as a limited liability entity), managers (in their capacity as managers of, and if, the Sublessee as is a limited liability entity), partners (if Sublessee is a partnership), customers, guests, invitees and other persons and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Consent by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Sublessee as a limited liability entity), managers (in their capacity as managers of the Sublessee as is a limited liability entity), partners (if Sublessee is a partnership), customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Terminal with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of

the Sublessee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at it own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

12. Insurance.

(a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

	Minimum Limits
Commercial General Liability Combined single limit per occurrence for bodily injury and property damage liability:	$2,000,000

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at

any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

13. Affirmative Action; Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation.

(a) Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

(b) The Sublessee is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Sublessee agrees that Schedule G, attached to

the Sublease and this Consent, is hereby made a part hereof and incorporated by reference herein and the Sublessee shall comply with its terms and provisions.

14. Subordination of Sublease.

Nothing contained in this Consent nor in the Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee, shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority, and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Airline Lease, consistent with paragraph 4 hereof. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of the Sublease.

15. Construction and Repairs. Nothing contained in this Consent or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Terminal including without limitation the installation of any signs at the Airport. The Airline and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions of the Airline Lease and an approved Tenant Alteration Application which the Airline shall prepare and submit to the Port Authority.

16. Notices. Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the Airline and their respective offices shall be as set forth in the Airline Lease. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the registered or certified mailing thereof.

17. Basic Lease Provisions.

(a) Certain Definitions.

(i) "*Basic Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and the Port Authority, as Tenant, dated as of November 24, 2004 and recorded in the office of the

City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same from time to time may have been or may be supplemented, amended and/or restated.

(ii) "*City*" shall mean The City of New York, a municipal corporation of the State of New York.

(b) The Sublessee acknowledges that it has received a copy of, and is familiar with the contents of, the Basic Lease. The Sublessee acknowledges that no greater rights or privileges are hereby granted to the Sublessee than the Port Authority has the power to grant under the Basic Lease.

(c) In accordance with the provisions of the Basic Lease, the Port Authority and the Sublessee hereby agree as follows:

(i) This Consent is subject and subordinate to the Basic Lease and to any interest superior to that of the Port Authority;

(ii) The Sublessee shall not pay the fees or other sums under this Airline Lease for more than one (1) month in advance (excluding security and other deposits required under this Airline Lease);

(iii) With respect to this Consent, the Sublessee on the termination of the Basic Lease will, at the option of the City, enter into a direct consent on identical terms with the City;

(iv) The Sublessee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the Basic Lease;

(v) The Sublessee shall not use any portion of the Airport for any use other than as permitted under the Basic Lease;

(vi) The Sublessee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the Basic Lease;

(vii) The failure of the Sublessee to comply with the foregoing provisions shall be an event of default under this Consent, which shall provide the Port Authority with the right to revoke this Consent and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Sublessee pursuant to this Consent.

18. Inspection.

(a) The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Sublessee of its obligations under this Consent and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Consent, the Airline Lease, or otherwise.

(b) Further, the Port Authority shall have the right to inspect the Sublessee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Sublessee, and any activities or operations of the Sublessee hereunder. Upon request of the Port Authority, the Sublessee shall operate or demonstrate any machines or equipment owned by or in the possession of the Sublessee at the Space or to be placed or brought on the Space, and shall demonstrate any process or other activity being carried on by the Sublessee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Sublessee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

19. No Waiver.

No failure by the Port Authority or the Airline to insist upon the strict performance of any agreement, term, covenant or condition of the Sublease or this Consent or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of the Sublease or this Consent during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Airline of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term, covenant or condition. No agreement, term, covenant or condition of the Sublease or this Consent to be performed or complied with by the Sublessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Sublessee in performance of any agreement, term, covenant or condition of the Sublease or this Consent shall affect or alter the Sublease or this Consent, but each and every agreement, term, covenant and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

20. Continued Exercise of Privilege After Expiration, Revocation or Termination.

Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Sublessee shall continue to perform any of the privileges granted to the Sublessee hereunder (the "Authorized Privileges") after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Consent or other remedies the Port Authority may have by law or otherwise, the Sublessee shall pay to the Port Authority a fee

for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation, termination or cancellation and ending on the date that the Sublessee shall cease to perform the Authorized Privileges at the Premises equal to twice the sum of all fees payable hereunder. Nothing herein contained shall give, or be deemed to give, the Sublessee any right to continue to perform any of the Authorized Privileges at the Terminal after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent. The Sublessee acknowledges that the failure of the Sublessee to cease to perform all the Authorized Privileges at the Terminal from and after the effective date of such expiration, revocation, cancellation or termination will or may cause the Port Authority injury, damage or loss. The Sublessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Sublessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

21. Waiver of Trial by Jury.

The Sublessee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Sublessee in respect of the permission granted under this Consent and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Consent. The Sublessee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

22. Business Development and Records:

(a) In connection with its use of the Space hereunder, the Sublessee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it under the aforedescribed consumer services agreement ;

(ii) not divert, or cause or allow to be diverted, any business from the Terminal or the Airport;

(iii) maintain, in English and accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records and work schedules) recording all transactions of the Sublessee at, through, or in any way connected with its operations at the Terminal or elsewhere at the Airport, and outside the Airport if the order therefor is received at the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall

separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport;

(iv) cause any Affiliate (as herein defined) of Sublessee, if any such company performs services similar to those performed by the Sublessee to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport. An *"Affiliate"* with respect to the Sublessee is any person or entity which directly or indirectly controls, is controlled by, or is under common control with the Sublessee; the term "control" (including the terms controlling, controlled by, and under common control with) shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the person, whether through the ownership of voting securities, by contract, or otherwise;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Consent, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Sublessee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts and all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within twenty (20) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records; and

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Sublessee's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals;

(vii) in those situations where the books and records have been generated from

computerized data (whether mainframe, minicomputer, or PC-BASED computer systems), provide, or cause to be provided, to the Port Authority's representative extracts of data files in a computer readable format on data disks, E-mail with attached files or alternative computer data exchange formats suitable to the Port Authority in its sole discretion; and

(viii) permit the inspection by the officers, employees and representatives of the Port Authority and those of the Airline of any equipment used by the concession operator including, but not limited to, any of the equipment described in subparagraph (1)(vi) above.

(b) Without implying any limitation on the right of the Port Authority to revoke this Consent for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Sublessee understands that the full reporting and disclosure to the Port Authority of all gross receipts and the Sublessee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Consent. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Sublessee to comply with all the provisions of paragraph (a) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Airline under this Consent or otherwise and in addition to all of the Sublessee's other obligations under this Consent:

(i) the Port Authority may estimate the gross receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Sublessee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Sublessee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Sublessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Sublessee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) Without implying any limitation on the rights or remedies of the Port Authority or of the Airline under this Consent or otherwise including without limitation the right of the Port Authority to revoke this Consent for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not

maintained in English, then the Sublessee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(d) In the event that upon conducting an examination and audit as described in this paragraph, the Port Authority determines that unpaid amounts are due to the Port Authority by the Sublessee (the "*Audit Findings*"), the Sublessee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Sublessee under this Consent or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Consent or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent or otherwise, including, without limitation, the Port Authority's rights to revoke this Consent or (ii) any obligations of the Sublessee under this Consent or the Sublease.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Consent payable to the Port Authority with the same force and effect as the basic fee/rent and all other fees/rent payable to the Port Authority hereunder.

23. Sublessee Payments and Statements.

(a) The Sublessee shall pay to the Port Authority the fees, as applicable, due to the Port Authority at the times and in accordance with the terms and provisions of the Sublease. All amounts to be paid to and all statements to be submitted to the Port Authority by the Sublessee pursuant to this Consent and the Sublease shall be made in accordance with Article 3 of the Sublease.

(b) To the extent that the Sublessee has not already done so at the time of execution of this Consent and without limiting the generality of any other term or provision hereof, the Sublessee agrees to submit monthly statements of Gross Receipts and to pay, at the time of execution and delivery of this Consent to the Port Authority, all fees and other amounts, due under this Consent to the Port Authority for the period from the Effective Date to the time of execution and delivery of this Consent by the Sublessee.

24. Port Authority Reserved Uses.

In addition to any other uses prohibited by the express terms of the Sublease, the

Sublessee is prohibited in engaging in any of the following uses, operations or installations at the Space, which the Port Authority has reserved exclusively to itself and its designees: (i) advertising, (ii) public telephones (sometimes also referred to as "pay phones" "pay telephones" or "public telephones"), pre-paid phone cards (except Sublessee may sell Port Authority sponsored pre-paid telephone cards purchased from a pre-paid telephone card contractor, subcontractor or permittee of the Port Authority), facsimile transmission machines and other public communications services and facilities, including without limitation, public communications services and facilities that operate within the licensed spectrum radio frequency allocations and including in particular, but without limitation, "cellphone"/cellular technology and any technology that substitutes for, replaces or is used in conjunction with cellphone/cellular technology, and also including all Port Authority-owned or operated information and communications technology infrastructure for common Airport use, (iii) vending machines dispensing anything including, but not limited to, catalog and electronic sales (except in non-public areas of the Space for products then permitted to be sold on the Space under agreements or subleases approved by the Port Authority), (iv) ground transportation (including vehicle rentals) reservations, and (v) provision of on-airport baggage carts (other than shopping carts made available free of charge to retail shoppers within the concession areas) or other on-airport baggage-moving devices.

25. Other Security Deposits.

(a) With respect to the letter of credit as security for the Port Authority, in connection with the Sublease, such letter of credit shall be in favor of the Port Authority, and payable in the Port of New York District in the amount of Twenty Five Thousand Six Hundred Dollars and No Cents ($25,600.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority.

(b) If the Sublessee is obligated by any other agreement with the Port Authority to maintain a security deposit with the Port Authority to insure payment and performance obligations of the Sublessee to the Port Authority pursuant to any such other agreement or otherwise, then any deposit pursuant thereto shall also secure the obligations of the Sublessee under this Consent and serve as security hereunder, in addition to the amount of any required security cited in Section 25.19 of the Sublease, and in addition to such security continuing to serve as such under such other Port Authority agreement. In such case, all provisions of such other agreement relating to such deposit are hereby incorporated herein by this reference as though fully set forth herein. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply, or any permitted assignment of such other agreement, shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

26. Third Party Beneficiary; Enforcement. The Port Authority is an express and intended third party beneficiary of the Sublease and the Port Authority shall have the right, but not the obligation, to directly enforce the provisions of the Sublease as well as the right to enforce the provisions of this Consent. The obligation of the Sublessee to pay fees or rent hereunder is for the benefit of both the Port Authority and the Airline and the payment thereof may be enforced by either or both the Port Authority and the Airline, individually or collectively. In the event of

any breach or default by the Sublessee in paying the fees due under this Consent, the Airline shall have the right and obligation to enforce payment thereof and to exercise all necessary remedies in connection therewith and, without limiting or affecting the rights of the Port Authority to collect the fees due hereunder for the account of both the Port Authority and the Airline, the Port Authority shall not have any obligation to the Airline to incur any expenses or to commence any legal proceeding to collect unpaid fees or rent from the Sublessee; provided, however, that all fees/rent due hereunder to the Port Authority and collected by the Airline shall be remitted by the Airline to the Port Authority as and when collected and that all fees/ret due hereunder to the Airline and collected by the Port Authority shall be remitted by the Port Authority to the Airline as and when collected.

27. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Consent, the Sublessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Sublessee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Sublessee shall promptly give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all threatened or existing labor-related disruptions directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent which (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem reasonable under the circumstances, including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and the Sublessee, subject to applicable laws and regulations.

(b) Labor peace agreement. To assure that labor harmony is maintained at the Airport, the Sublessee agrees that it shall deliver to the Port Authority one of the following: (1) evidence that the Sublessee has entered into a signed "labor peace agreement" with a labor organization that seeks to represent the Sublessee's employees that contains provisions under which the labor organization and its members agree to refrain from engaging in any picketing, work stoppages, boycotts or any other economic interference with the Sublessee's operations, (2) written notification from an officer of the Sublessee on the Sublessee's letterhead that no labor organization (as defined by 29 U.S.C. Section 152(5)) is seeking to represent the employees of the Sublessee at the Airport as of the date of such notification, or (3) written notification from an officer of the Sublessee on the Sublessee's letterhead that Sublessee and a labor organization seeking to represent the employees of the Sublessee have been unable to agree upon the terms of

a "labor peace agreement" that otherwise complies with clause (1) above, and that Sublessee has extended a written offer to such labor organization to enter into mediation to reach such agreement. Should the labor organization that seeks to represent the Sublessee's employees and the Sublessee fail to reach a resolution on the terms of the "labor peace agreement" set forth in clause (1) above, within a period of sixty (60) calendar days from the commencement of mediation, then, upon notice by either party to the other, the dispute shall be submitted to binding arbitration by a single neutral arbitrator (who shall be selected by the parties from a list of neutral arbitrators provided to the parties by the American Arbitration Association ("AAA")) and in accordance with the Commercial Rules of the AAA. Both the cost of mediation and arbitration will be split evenly between the parties. The labor peace agreement provided in (1), or the notification provided in either (2) or (3), of the preceding clause, shall be delivered to the Port Authority no later than ninety (90) days after the execution of this agreement. If after the expiration of such ninety (90) day period, the Sublessee has not provided such labor peace agreement or either such notification, then the Port Authority shall have the right to take such reasonable actions as the Port Authority may deem appropriate including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and Sublessee, subject to applicable laws and regulations, it being understood, that nothing in this subsection shall limit the Port Authority's rights to take any actions it deems reasonable under the circumstances to ensure labor harmony as provided in subsection (a) of this Section during the entire term of this Consent. In the event that the Sublessee has delivered the notification provided in clause (2) of the first sentence of this paragraph, and thereafter a labor organization (as defined by 29 U.S.C. Section 152(5)) seeks to represent the employees of the Sublessee at the Airport, the Sublessee shall provide the Port Authority with notice of such change in circumstances, and follow the procedures set forth in this paragraph."

(c) Employee Retention. If the Sublessee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "Predecessor Concession"), the Sublessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Sublessee at the Space. The foregoing requirement shall be subject to the Sublessee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Sublessee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space.

The Port Authority shall have the right, subject to applicable laws and regulations regarding human resources and employment matters, to demand from the Sublessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision.

(d) Applicability of Provisions. The provisions of the foregoing subsections (b) and (c) of this Section shall apply to any concession operation of the Sublessee at the Terminal which employs ten (10) or more persons at the Space.

28. General; Construction and Interpretation.

(a) Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees, contractors, subcontractors and others on the Space or on the Airport with the consent of the Sublessee.

(b) The paragraph headings used herein are used solely for convenience and shall not be given any weight in the interpretation of this Consent. All Schedules and Exhibits are hereby incorporated and merged into this Consent and made a part hereof.

(c) This Consent shall be construed without regard to any presumption or any other rule requiring construction against the party causing this Consent or any part thereof to be drafted.

(d) For the convenience of the parties, any number of counterparts hereof may be executed, each such executed counterpart shall be deemed an original and all such counterparts together shall constitute one and the same document.

(e) The Port Authority may at any time and from time to time by notice to the Airline and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Airline or the Sublessee.

29. Governing Law. Anything in the Sublease to the contrary notwithstanding, the effect and meaning of this Consent and the rights of the parties hereunder shall be governed by, and construed and enforced in accordance with, the laws of the State of New York without regard to the conflict of laws principles thereof.

30. No Personal Liability. Neither the Commissioners of the Port Authority nor any of them, nor any director, officer, agent or employee of the Port Authority, the Airline or the Sublessee shall be held personally liable to any party under any term or provision of this Consent or because of its execution or attempted execution or because of any breach or alleged breach thereof.

31. Entire Agreement; Amendment. This Consent Agreement constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority, the Sublessee and the Airline.

IN WITNESS WHEREOF, the Port Authority, the Airline and the Sublessee have executed these presents as of the date hereinabove written.

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $30million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are

controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

(a) For each Monthly Period during the Term, Concessionaire shall pay the Monthly MAG Payment in accordance with this Section.

(b) The "Monthly MAG Payment" shall be an amount equal to one-twelfth (1/12) of the Minimum Annual Guarantee. Concessionaire shall pay the Monthly MAG Payment for each Monthly Period during the Term, in advance, on the first day of such Monthly Period from and after January 1, 2009 (the "Monthly MAG Commencement Date") in accordance with the other provisions of this Article, provided that for each Monthly Period prior to January 1, 2009, Concessionaire shall pay the Percentage Rent payable for such Monthly Period or portion thereof in accordance with Section 3.03. For any payment period of less than one Monthly Period, the Monthly MAG Payment shall be paid on a pro rata basis in the same proportion that the number of days in the payment period bears to the total number of days in the Monthly Period in which the payment period falls.

(c) "Minimum Annual Guarantee" means the following:

(d) The Minimum Annual Guarantee for the first year following the Monthly MAG Commencement Date shall be based on enplaned passenger projections of enplanements (the "Estimated Year 1 Enplanements"). Notwithstanding the foregoing, if on the first date that annual enplanements for the preceding three hundred sixty-five (365) day period equals enplanements, the Minimum Annual Guarantee is less than the Minimum Annual Guarantee shall automatically increase to an amount equal to plus annual escalations through such date as though was the Minimum Annual Guarantee for

the first year following the Monthly MAG Commencement Date, and the Monthly MAG Payment shall be adjusted accordingly, and thereafter the Minimum Annual Guarantee shall escalate on an annual basis in accordance with the escalation formulas set forth in the definition of Minimum Annual Guarantee above. Such determination of the change in enplanements shall be made by Sublandlord in good faith and set forth in a notice to Concessionaire.

SECTION 3.02 Reconciliation. If any annual statement or report indicates that the total Rent (together with any sales taxes thereon) due and owing for the prior Annual Period is greater than the amount paid by Concessionaire to either Sublandlord or the Port Authority or both during such Annual Period, Concessionaire shall pay the applicable shortfall to Sublandlord and the Port Authority, as the case may be, in accordance with this Article III concurrent with Concessionaire's submission of such Annual Report. If the total Rent actually paid by Concessionaire to Sublandlord and the Port Authority, respectively, during any Annual Period exceeds the total Rent due and owing for such Annual Period, Sublandlord and the Port Authority shall respectively credit the overpayment in the following order: (i) against any past due amounts owed to Sublandlord and the Port Authority by Concessionaire, including interest and late fees; (ii) against any currently outstanding, but not yet due, Rent owed to Sublandlord and the Port Authority by Concessionaire; and (iii) against any other sums payable by Concessionaire to Sublandlord and the Port Authority, respectively. Notwithstanding the foregoing, in the event of an overpayment by Concessionaire during the last Annual Period, Sublandlord and the Port Authority shall respectively credit the amount thereof against any remaining amounts owed to Sublandlord and the Port Authority, including interest and late fees, and refund to Concessionaire any amounts in excess of the credit. The obligations arising under this Section shall survive the expiration or earlier termination of this Sublease.

(b) "Percentage Rent" means the following:

(c) Concessionaire shall report Gross Receipts as follows: (i) on the 20th day of each Monthly Period during the Term and on the 20th day of the calendar month immediately

following the Term, Concessionaire shall deliver to Sublandlord and the Port Authority a statement, certified by a responsible fiscal officer of Concessionaire, containing the following information (the "Percentage Rent Statement"): (i) Concessionaire's Gross Receipts for the preceding Monthly Period, (ii) the Percentage Rent, including the amounts resulting from the calculations set forth in each category of the definition of Percentage Rent, (iii) Concessionaire's Cumulative Gross Receipts from the date of the commencement of the Annual Period during which the report is made through the last day of the preceding Monthly Period, and (iv) Gross Receipts by each location of Concessionaire at the Concessionaire Premises for the preceding Monthly Period. Sublandlord reserves the right to change the form of the Percentage Rent Statement and to require the submission by Concessionaire of other information pertaining to the Gross Receipts and Percentage Rent, and Concessionaire agrees to change the form of its statements to that requested by Sublandlord and to provide any such additional information Sublandlord requests.

(d) Concessionaire shall pay, in arrears, on the 20th day of each Monthly Period during the Term from and after the Rent Commencement Date, the Percentage Rent payable for the prior Monthly Period, if any. Each payment of Percentage Rent shall be made in accordance with the other provisions of this Article.

(e) The computation of the Percentage Rent for each Monthly Period, or a portion of a Monthly Period, shall be specific to such Monthly Period, or such portion of an Monthly Period, and without relation to any other Monthly Period, or any other portion of any Monthly Period.

(f) Upon expiration of the Term, Gross Receipts shall be reported and Percentage Rent shall be paid through the Expiration Date, all in accordance with this Article, as if the Term had not been terminated. The obligations set forth in this paragraph shall survive the expiration of the Term.

SECTION 3.04 Additional Rent. During the Term, Concessionaire shall pay the following as additional rent within ten (10) days after receipt of a bill therefor, except as otherwise expressly set forth in Sections 3.05 and 3.06 (collectively, "Additional Rent"):

(a) Electricity Charges in accordance with Section 11.02; and

(b) Gas Charges in accordance with Section 11.02(b); and

(c) Such other amounts owing by Concessionaire to Sublandlord or the Port Authority pursuant to the terms of this Sublease.

SECTION 3.05 Payments to Sublandlord. Concessionaire shall make the following payments to Sublandlord:

(a) In advance, on the first day of each Monthly Period, the Sublandlord Share of the Monthly MAG Payment for such Monthly Period;

(b) In arrears, on the 20th day of each Monthly Period, the Sublandlord Share of the positive difference, if any, of (i) the Percentage Rent due for the prior Monthly Period, minus (ii) the Monthly MAG Payment for such prior Monthly Period; and

(c) In arrears, on the first day of each Monthly Period, the Sublandlord Share of any Additional Rent due for the prior Monthly Period.

SECTION 3.06 Payments to the Port Authority. Concessionaire shall make the following payments to the Port Authority:

(a) In advance, on the first day of each Monthly Period, the Port Authority Share of the Monthly MAG Payment for such Monthly Period;

(b) In arrears, on the 20th day of each Monthly Period, the Port Authority Share of the positive difference, if any, of (i) the Percentage Rent due for the prior Monthly Period, minus (ii) the Monthly MAG Payment for such prior Monthly Period; and

(c) In arrears, on the first day of each Monthly Period, the Port Authority Share of any Additional Rent due for the prior Monthly Period.

SECTION 3.07 Delinquent Rent and Fees. Without prejudice to any other rights and remedies of Sublandlord with respect to any default by Concessionaire, if Concessionaire fails to pay any amount required to be paid by Concessionaire under this Sublease when due to Sublandlord, including without limitation any payment of Rent, then Concessionaire shall pay to Sublandlord, a late payment fee of $500.00 per occurrence, plus interest on the outstanding payment amount at the Default Rate, computed from the date such payment became due to and including the date of payment. If Concessionaire fails to pay any amount required to be paid by Concessionaire under this Sublease when due to the Port Authority, including without limitation any payment of rental, then Concessionaire shall also pay the charges and interest on such unpaid amount at the rates, if any, set forth in the Consent. Concessionaire and Sublandlord hereby agree that such late fees represent a fair and reasonable estimate of the costs that Sublandlord will incur by reason of Concessionaire's late payment. Acceptance of such late fees (or any portion of the overdue payment) by Sublandlord shall in no event constitute a waiver of Concessionaire's default with respect to such overdue payment, or prevent Sublandlord or the Port Authority from exercising any of the other rights and remedies granted hereunder.

SECTION 3.08 Addresses for Payments.

(a) All payments to Sublandlord required of Concessionaire by this Sublease shall be made by mail to JetBlue Airways Corporation, 19 Old Kings Highway South, Darien, Connecticut 06820, Attn: Accounts Payable, or via the following wire transfer instructions:

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to Concessionaire's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals;

(vii) in those situations where the Books and Records have been generated from computerized data (whether mainframe, minicomputer, or PC-BASED computer systems), provide, or cause to be provided, to Sublandlord and the Port Authority extracts

of data files in a computer readable format on data disks, E-mail with attached files or alternative computer data exchange formats suitable to Sublandlord and the Port Authority in their sole discretion; and

(viii) permit the inspection by the officers, employees and representatives of Sublandlord and the Port Authority of any equipment used by Concessionaire, including, but not limited to, any of the equipment described in subparagraph (a)(vi) above.

(b) Without implying any limitation on the right of Sublandlord to terminate this Sublease based on an Event of Default, including but not limited to, default of any term, condition or provision of paragraph (a) above, if any Books and Records are maintained outside of the Port of New York District, then Sublandlord in its sole discretion may (i) require on ten (10) days' notice to Concessionaire that any such Books and Records be made available to Sublandlord and the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (ii) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States, Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all travel costs and related expenses, as determined by Sublandlord and the Port Authority, for Sublandlord and Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, and if such Books and Records are maintained outside the contiguous United States Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all costs and expenses of Sublandlord and the Port Authority, as determined by Sublandlord and the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by Sublandlord and the Port Authority for the purpose of conducting such audit and examination.

(d) If upon conducting an examination and audit as described in this Section, Sublandlord or the Port Authority determines that unpaid amounts are due to Sublandlord or the Port Authority by Concessionaire (the "Audit Findings"), Concessionaire shall be obligated, and hereby agrees, to pay to Sublandlord and the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by Sublandlord and the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to Sublandlord and the Port Authority by Concessionaire under this Sublease or otherwise. No acceptance by Sublandlord or the Port

Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of Sublandlord or the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Sublease or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by Sublandlord and the Port Authority in the same manner and with like remedies as if it were originally a part of the original fees to be paid. Such statement shall also contain a list of the Gross Receipts by month, location, and product category, as shown on the Books and Records, which were used to compute the Monthly Rent and other payments made to Sublandlord and the Port Authority during the period covered by said statement, and shall additionally contain a schedule of the Rent payments made to Sublandlord and the Port Authority and detail on any exclusions from Gross Receipts. Such statement shall be certified, at Concessionaire's expense, by an independent certified public accountant, provided that Concessionaire's compliance with the foregoing shall be deemed if Concessionaire submits such annual statement certified by a senior financial officer no later than sixty (60) days after the end of each year, as set forth above, and subsequently re-submits such annual statement certified, at Concessionaire's expense, by an independent certified public accountant no later than one hundred twenty (120) days after the end of each year. Concessionaire shall have until one hundred twenty (120) days from the end of each year during the Term to propose, in writing, any adjustments to such annual statement. No adjustments shall be made until Concessionaire has received approval from Sublandlord, the Port Authority, or their designated representatives, as applicable. Any additional or unpaid rent or fees due for the prior year shall be submitted with such annual statement.

(b) Any year-end credit due to Concessionaire, after approval of the annual certified statement, shall be taken by the 180th day of the year during which the annual statement was submitted. A credit shall be noted in the monthly statement submitted by Concessionaire

and the credit shall be applied to the rent due. If credit is not taken by said date, credit shall be deemed as forfeited by Concessionaire with no further obligation by Sublandlord.

SECTION 4.03 Internal Controls. Concessionaire shall maintain an internal control structure designed to provide reasonable assurance that assets are safeguarded from loss or unauthorized use, that transactions are executed in accordance with management's authority, and that the financial records are reliable for the purposes of preparing financial statements. The internal control structure shall be supported by the selection, training, and development of qualified personnel, by an appropriate segregation of duties, and by the dissemination of written policies and procedures.

ARTICLE V. ALTERATIONS; INITIAL INVESTMENT

SECTION 5.01 Alterations.

(a) Concessionaire shall not make or perform or permit the making or performance of, any alterations, installations, improvements, additions or other physical changes in or about the Concessionaire Premises, including Concessionaire's Work (collectively, "Alterations"), without the prior written consent of Sublandlord and the Port Authority as hereinafter set forth. Sublandlord's and the Port Authority's consent to Alterations may be withheld for any reason or for no reason. Any Alterations made to the Concessionaire Premises shall be made in accordance with (i) this Sublease, (ii) the Tenant Design Manual, (iii) the Master Lease, (iv) the Port Authority's TAA process and the specific TAA therefor, (v) the Consent, and (vi) all Legal Requirements.

The foregoing provisions of this paragraph shall not affect the risks and obligations assumed by Concessionaire under this Sublease nor release Concessionaire from the performance of its obligations to rebuild and/or restore any such Alterations as set forth in this Sublease. Notwithstanding the foregoing, subject to the provisions of the Master Lease, Sublandlord shall have the right and privilege at any time up to six (6) months prior to the expiration of this Sublease to serve notice upon Concessionaire that any of such Alterations shall be removed and, in the event of service of such notice, Concessionaire shall, at Concessionaire's own cost and expense, remove the same in accordance with such request, and restore the Concessionaire Premises to its original condition, ordinary wear and tear and casualty excepted.

All costs associated with the TAA process, including any resubmissions, shall be borne by Concessionaire. The forms and information required in this process may be obtained directly from the Port Authority's Tenant Liaison Office in Building 14 at the Airport.

(e) All Alterations, including the plans and specifications therefor, constructed or installed by Concessionaire, its agents, or contractors, shall conform in all respects to applicable Legal Requirements, including the ADA Act of 1990, as outlined in the Tenant Design Manual. Any approval given by Sublandlord shall not constitute a representation or warranty as to such conformity; and responsibility therefor shall at all times remain with Concessionaire.

(f) Sublandlord's approval requirements shall extend to and include architectural and aesthetic matters and Sublandlord reserves the right at its sole and absolute discretion to reject any layout or design proposals submitted and to require Concessionaire to resubmit any such layout or design proposals until they meet Sublandlord's approval.

(g) In the event of disapproval by Sublandlord of any portion of any plans or specifications, Concessionaire shall promptly submit necessary modifications and revisions thereof for approval by Sublandlord. Sublandlord agrees to act promptly upon such plans and specifications and upon requests for approval of changes or alterations in said plans or specifications. No substantial changes or alterations, as determined by Sublandlord, shall be made in said plans or specifications after initial approval by Sublandlord, and no alterations or improvements shall be made to or upon the Concessionaire Premises without the prior written approval of Sublandlord.

Concessionaire agrees that, upon the request of Sublandlord, Concessionaire will inspect the Concessionaire Premises jointly with Sublandlord to verify the as-built drawings. If Concessionaire fails to provide such as-built drawings in accordance with the foregoing,

Sublandlord shall have the right to assess against Concessionaire liquidated damages of up to $500 per day for each day until Concessionaire provides them, which liquidated damages shall be payable upon demand.

(i) Concessionaire may install video equipment in its Concessionaire Premises in accordance with plans and specifications to be submitted to Sublandlord, but shall not install any paging or audio system within the Concessionaire Premises without the prior written consent of Sublandlord.

In no event shall the exercise by Sublandlord or the Port Authority of the rights granted under this paragraph entitle Concessionaire to receive any compensation, reimbursement, damages or abatement of Rent, nor shall such actions by Sublandlord or the Port Authority constitute an eviction or constructive eviction of Concessionaire in whole or in part.

(b) If any movable property of Concessionaire shall obstruct the access of Sublandlord or the Port Authority, their employees, agents and/or contractors, to any of the existing or future utility, mechanical, electrical and/or other systems and thus shall interfere with the inspection, maintenance or repair of any such system, Concessionaire shall move such property, as directed by Sublandlord or the Port Authority, in order that access may be had to the system or part thereof for its inspection, maintenance and/or repair; and, if Concessionaire shall fail to so move such property after direction from Sublandlord or the Port Authority to do so, Sublandlord or the Port Authority may move it, and Concessionaire shall pay the cost of such moving upon demand. In the case of fixed improvements installed by or on behalf of Concessionaire that were approved by Sublandlord and/or the Port Authority and thereafter are

If said costs are less than the Minimum Initial Investment, the difference shall be payable to Sublandlord and the Port Authority pro rata based on the percentages set forth in the definitions of Sublandlord Share and Port Authority Share, respectively, within thirty (30) days after issuance of such statement. This certification reporting and fee restrictions shall also apply to any Mid-Term Refurbishments. In addition to the certified statement, Concessionaire shall submit to Sublandlord paid contractor receipts and lien waivers for labor and materials for Concessionaire's Work that have been constructed, as well as depreciation schedules for (i) all Concessionaire's Work, (ii) the Initial Buildout Costs, and (iii) all Mid-Term Refurbishments upon the installation and cost certification thereof. Failure by Concessionaire to provide such reports and schedules on time shall result in a $150 per day penalty, payable to Sublandlord upon demand.

SECTION 5.04 Reimbursement of Unamortized Capital Investment.

If Sublandlord is obligated to reimburse any Unamortized Capital Investment pursuant to this Section, under no circumstances shall Sublandlord be liable to Concessionaire or any third party for any liabilities or damages whatsoever, including lost profits, revenues, or punitive, consequential, incidental or special damages, other than the Unamortized Capital Investment due Concessionaire under this Section.

(c) Notwithstanding anything in this Section to the contrary, Sublandlord shall not be required to reimburse Concessionaire for any Unamortized Capital Investment unless and until Concessionaire provides Sublandlord with reasonably detailed documentation verifying the Initial Buildout Costs and the Unamortized Capital Investment.

Piling of boxes, cartons, barrels, or other similar items in view of a public area is prohibited. Concessionaire shall keep any areas used for trash and garbage storage prior to removal from the Master Lease Premises in a clean and orderly condition so as not to attract rodents, pests, or birds, or create an offensive odor. Notwithstanding the foregoing Sublandlord reserves the right to establish, or require Concessionaire to establish, a centralized program for trash removal for concessions located in the Master Lease Premises, and in such event Concessionaire shall be required to comply with such program and to pay a proportionate share of the costs, based on uniform standards consistently applied to Concessionaire and the Other Concessionaires.

Concessionaire may contest the same in any claim filed or noticed in good faith. Notwithstanding such contest, Concessionaire shall, within fifteen (15) days after the filing thereof, cause such lien to be released of record by payment, bond, order of a court of competent jurisdiction or otherwise. In the event of Concessionaire's failure to clear the record of any such lien within such time period, Sublandlord may (but is not required to) remove said lien by paying the full amount thereof or by bonding or in any other manner Sublandlord deems appropriate, without investigating the validity thereof, and irrespective of the fact that Concessionaire may contest the propriety or the amount thereof, and Concessionaire, upon demand, shall pay Sublandlord the amount so paid out by Sublandlord in connection with the discharge of said lien, together with interest thereon at the rate of 1.5% per month or the maximum legal rate, whichever is greater, and reasonable expenses incurred in connection therewith, including reasonable attorneys' fees, which amounts are due and payable to Sublandlord and the Port Authority as Additional Rent on the first day of the next

following month. Nothing contained in this Sublease shall be construed as a consent on the part of Sublandlord to subject Sublandlord's estate in the Concessionaire Premises to any lien or liability under the laws of the State of New York. Concessionaire's obligation to observe and perform any of the provisions of this Section shall survive the expiration of the Term or the earlier termination of this Sublease.

Sublandlord shall supply electricity to the Concessionaire Premises and the cost thereof (collectively, "Electricity Charges") shall be reimbursed by Concessionaire, provided that (i) if Concessionaire is a Retail Concessionaire, Concessionaire shall have no obligation to reimburse Sublandlord for Electricity Charges, and (ii) if Concessionaire is a F&B Concessionaire, Electricity Charges shall be paid by Concessionaire to Sublandlord in arrears, together with Concessionaire's payment of Rent under Section 3.01 hereof, such Electricity Charges to be the actual cost of electricity for the prior month, as determined by Sublandlord and based on meters installed at such F&B Concessionaire's premises. Maintenance of any meters installed for the Concessionaire Premises shall be at the sole cost and expense of Concessionaire. At no time shall Concessionaire's use of electric current exceed the capacity of the wiring servicing the Concessionaire Premises. Notwithstanding the foregoing, if Concessionaire requires capacity or other upgrades to the electrical infrastructure of the Concessionaire Premises, the cost and expense thereof shall be the sole responsibility of Concessionaire.

SECTION 11.03 Additional Services. Upon prior written approval by Sublandlord as to the nature of such services and the installation of any equipment necessary in connection therewith (which installation shall be subject to the other provisions of this Sublease), Concessionaire may, at its own expense and subject to this Section, request and receive telephone services, Wi-Fi services, or other communications systems. Concessionaire shall be required to have one (1) in-house telephone line to the Concessionaire Premises. Wi-Fi services are intended to be available terminal-wide in the

Master Lease Premises and provided through Sublandlord's Wi-Fi provider. Such Wi-Fi services may be used by Concessionaire, but Sublandlord makes no representations or warranties regarding the availability of such service throughout the Master Lease Premises and there shall be no liability on the part of Sublandlord if such service shall not be available to Concessionaire.

SECTION 11.04 Limitations. In no event shall any Concessionaire operating a retail business install and operate refrigerators or other electrical equipment to dispense food, beverages, or other items, provided that Sublandlord shall have the right to charge any Concessionaire utilizing any such equipment for the reasonable cost of electricity used thereby in the Concessionaire Premises. In such event, Sublandlord shall have its engineers prepare a monetary estimate of annual utility consumption by such equipment, which amount shall be payable monthly as Additional Rent and adjusted from time to time by Sublandlord based on increases in utility rates.

SECTION 11.05 Interruptions to Services. Sublandlord shall have no responsibility or liability for interruption, curtailment or failure to supply cooled or outside air, heat, elevator, plumbing, electricity, or any other service when prevented by exercising its right to stop service or by strikes, labor troubles or accidents or by any cause whatsoever beyond Sublandlord's reasonably control, or by failure of independent contractors to perform or by laws, orders, rules or regulations of any federal, state, county or municipal authority, or failure of suitable fuel supply, or inability by exercise of reasonable diligence to obtain suitable fuel or by reason of governmental preemption in connection with a National Emergency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency. The exercise of such right or such failure by Sublandlord shall not constitute an actual or constructive eviction, in whole or in part, or entitle Concessionaire to any compensation or to any abatement or diminution of rent, or relieve Concessionaire from any of its obligations under this Sublease, or impose any liability upon Sublandlord or its agents by reason of inconvenience or annoyance to Concessionaire, or injury to or interruption of Concessionaire's business, or otherwise.

(c) The insurance requirements set forth in this Article do not in any way limit the amount or scope of liability of Concessionaire under this Sublease. The amounts listed indicate only the minimum amounts of insurance coverage that Sublandlord is willing to accept to help insure full performance of all terms and conditions of this Sublease.

(d) Concessionaire and all officers and employees of Concessionaire who may handle or are responsible for the handling of receipts and disbursements shall be covered by insurance in an amount not less than Five Hundred Thousand Dollars ($500,000) for employee dishonesty coverage against any and all loss, theft, embezzlement or other fraudulent acts on the part of Concessionaire or Concessionaire's employees, and not less than One Hundred Thousand Dollars ($100,000) for money and securities on or off premises, transit and depositors forgery coverage, indemnifying Sublandlord and the Port Authority, as co-obligees, against any and all loss, theft, embezzlement or other fraudulent acts of the part of Concessionaire or Concessionaire's employees.

SECTION 12.02 Additional Details and Coverages.

(a) During any construction activity with a value of Twenty Five Thousand Dollars ($25,000) or more, Concessionaire shall obtain and maintain for the benefit of the parties to the Sublease, as their interest may appear, "special peril" Builder's Risk insurance equal to one hundred percent (100%) of the value of the project. Coverage shall also include: (i) form work in place; (ii) form lumber on site; (iii) temporary structures; (iv) equipment; and (v) supplies related to the work while at the site. In the event that such contract(s) involve alteration or work on or to Sublandlord's facilities, the performance and payment bonds shall be posted regardless of the dollar value of the work. The payment bond required by this Section shall guarantee the prompt payment to all persons supplying labor, materials, provisions, supplies, and equipment used directly or indirectly by any contractor, subcontractor(s), and suppliers doing work provided for in the above-mentioned construction contract, and the performance bond shall guarantee the full performance of the work.

(d) Unless otherwise agreed to, prior to commencement of construction of the Concessionaire Premises, Concessionaire shall pay the construction deposit as detailed in Section 6.09 of the Tenant Design Manual.

(e) Upon completion of construction, Concessionaire shall procure and maintain policies of insurance at its own expense, insuring the Concessionaire Premises and improvements thereon against all perils of direct physical loss, excluding earthquake and flood. SECTION 12.04 Additional Requirements. With respect to the commercial general and automobile liability insurance, each policy shall (a) be primary without right of contribution from any insurance that is carried by Sublandlord or the Port Authority, (b) name as additional insureds the parties listed above, (c) contain a waiver of subrogation in favor of the additional insureds, (d) provide that Concessionaire is solely responsible for the payment of all premiums, deductibles, self insured retentions, penalties and punitive damages thereunder, and (e) contain a provision requiring the insurer(s) to provide Sublandlord and the Port Authority with not less than thirty (30) days' prior written notice of any cancellation or adverse material change in such insurance. To the extent that Concessionaire relies on an excess or "umbrella" policy of insurance to satisfy the requirements of this section, any such policy shall be no less broad than the underlying policy, shall have the same inception and expiration dates as the underlying policy, and shall include a drop-down provision. Any deductible or self insured retention exceeding ten percent (10%) of the per occurrence or per accident limit of a required policy is subject to approval by Sublandlord and the Port Authority.

SECTION 12.05 Concessionaire's Risk. Concessionaire shall be responsible for obtaining any insurance it deems necessary to cover its own risks. In no event shall Sublandlord or the Port Authority be liable for any: (a) business interruption or other consequential loss sustained by Concessionaire; (b) damage to, or loss of Concessionaire's property of any kind; or (c) damage to, or loss of, an automobile, whether or not such loss is insured, even if such loss is caused by the negligence of Sublandlord or the Port Authority.

SECTION 12.06 Periodic Review. Sublandlord shall have the right to periodically review the types, limits, and terms of insurance coverage. In the event Sublandlord or the Port Authority determines that such types, limits, and/or terms should be changed, Sublandlord will give Concessionaire a minimum of thirty (30) days' notice of such determination and Concessionaire shall modify its coverage to comply with the new insurance requirements of Sublandlord. Concessionaire shall also provide Sublandlord and the Port Authority with proof of such compliance by giving Sublandlord and the Port Authority an updated certificate of

insurance within fifteen (15) days.

(a) Concessionaire shall indemnify, hold harmless and defend Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives from and against any and all claims and actions, demands, damages, civil penalties, charges, judgments, losses, liabilities of any character or kind and other legal actions and proceedings of whatever nature, including reasonable attorney's fees (including fees to establish the right to indemnification) resulting from, arising out of, related to, or caused by Concessionaire's or Concessionaire's sublessees' conduct of business or from any activity or other things done, permitted, or suffered by Concessionaire in, or about the Concessionaire Premises, Master Lease Premises, and/or Airport or other act or failure to act, excluding only claims or actions arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives, provided that Sublandlord shall give Concessionaire prompt and reasonable notice of any such claim or actions made or filed against it.

(b) Concessionaire hereby agrees to release and hold harmless Sublandlord, the Port Authority, the City of New York, their Commissioners, officers, agents and employees, as the case may be, from any damages to Concessionaire caused by noise, vibrations, fumes, dust, fuel particles and all other effects that may be caused by the operation of aircraft landing at or taking off from, or operating at or on the Airport; and Concessionaire does hereby fully waive, remise and release any right or cause of action that it may now have or that it may have in the future against Sublandlord, the Port Authority, their successors and assigns, due to such noise, vibrations, fumes, dust, fuel particles, and all other effects that may be caused or may have been caused by the operations at or in the Master Lease Premises and/or on the Airport. The above exception shall not limit a cause of action against other persons or entities, including licensees, concessionaires or aircraft operators.

(c) Concessionaire further agrees to hold Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives free and harmless from any claims arising out of the damage, destruction or loss of any or all of Concessionaire's equipment, excluding any claims arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives.

SECTION 12.08 Sublandlord's Right to Recover Damages. Concessionaire agrees to reimburse Sublandlord and the Port Authority, as applicable, for any and all damages, expenses, costs, fees (including, but not limited to, attorney, accountant, paralegal, and expert fees), fines, environmental costs and/or penalties (collectively "Costs") that may be imposed upon, incurred or suffered by Sublandlord or the Port Authority, as applicable, and which, in whole or in part, arise from any of the following, except to the extent resulting from the sole negligent acts of Sublandlord or the Port Authority, as applicable: (a) any act or omission of Concessionaire; (b) any use, occupation, management or control of the Concessionaire Premises by Concessionaire, whether or not due to Concessionaire's own act or omission and whether or not occurring on the Concessionaire Premises; (c) any condition created in or about the Concessionaire Premises by

any party (other than Sublandlord and the Port Authority), including any accident, injury or damage occurring on or about the Concessionaire Premises after the date on which Concessionaire takes possession of the Concessionaire Premises for build-out; and (d) any breach, violation or nonperformance of any of Concessionaire's obligations under this Sublease. For purposes of this Section, "Concessionaire" shall be deemed to include Concessionaire and Concessionaire's partners, officers, directors, employees, agents, sublessees, and contractors, and, in the case where Concessionaire may be a limited liability company, its members and managers.

SECTION 12.10 Survival. The indemnification provisions of this Article shall survive the expiration or earlier termination of this Sublease.

ARTICLE XIII. HAZARDOUS MATERIAL

SECTION 13.01 Assumption of Liability. Concessionaire hereby expressly agrees to assume all responsibility for, relieve Sublandlord and the Port Authority from, and reimburse Sublandlord and the Port Authority for, any and all risks, claims, penalties, costs and expenses of any kind whatsoever caused by, arising out of or in connection with, any Hazardous Substances found on, under or about the Master Lease Premises after the date hereof due to the acts or omissions of Concessionaire, its affiliates, officers, agents, employees, contractors or representatives, including without limitation compliance with all Environmental Requirements and remediation of all Environmental Damages with respect thereto, and to indemnify and hold harmless Sublandlord for all such risks, claims, penalties, responsibilities, costs and expenses.

SECTION 13.02 Compliance with Laws. Without limiting Concessionaire's obligations elsewhere under this Sublease to comply with all Legal Requirements, Concessionaire understands and agrees that it shall be obligated, at its sole cost and expense, to comply with and relieve Sublandlord and the Port Authority from compliance with all Environmental Requirements which are applicable to or which affect (i) the Concessionaire Premises as a result of Concessionaire's use and occupancy thereof, (ii) the operations of, or work performed by, Concessionaire or others with the consent of Concessionaire at the Concessionaire Premises or Concessionaire's operations at the Airport, (iii) the occupancy and use of the Concessionaire Premises by Concessionaire or by others with its consent (and in accordance with this Sublease), or (iv) any Hazardous Substance which has migrated from the Concessionaire Premises. Concessionaire shall, perform all remediation, containment and clean-up of Hazardous Substances required in order to fully satisfy the compliance obligations set forth herein. Nothing in the foregoing shall be construed as a submission by Sublandlord to the application to itself of

any Environmental Requirements, provided that no immunity or exemption of Sublandlord from any Environmental Requirements shall excuse compliance or be grounds for noncompliance on the part of Concessionaire. Without limiting the generality of the foregoing and as part of the Concessionaire's fulfillment of the foregoing obligations, Concessionaire shall be responsible, at its sole cost and expense and subject to the direction of Sublandlord, for:

(i) the preparation of and submission to all applicable Governmental Authorities of any notice, negative declaration, remedial action workplan, no further action letter, remediation agreement or any other documentation or information;

(ii) the obtaining of any surety bond or the giving of any other financial assurances; and

(iii) complying with the provisions of all Environmental Requirements becoming effective on or relating to the termination, expiration or surrender of the letting of the Concessionaire Premises or of any portion thereof under this Sublease, or on the closure or transfer of the Concessionaire's operations at the Concessionaire Premises.

SECTION 13.03 Actions by Concessionaire. In addition to and without limiting the generality of the obligations of Concessionaire set forth above and elsewhere in this Sublease, Concessionaire shall, at its sole cost and expense, upon notice from Sublandlord, promptly take all actions to:

(i) completely remove and remediate (i) all Hazardous Substances in, on and under the Concessionaire Premises and at the Airport resulting from or in connection with the use and occupancy of the Concessionaire Premises by Concessionaire or any affiliate of Concessionaire or which have been or permitted to be disposed of, released, discharged or otherwise placed in, on or under the Airport by Concessionaire or any affiliate of Concessionaire, and (ii) all Hazardous Substances which have been disposed of, released, discharged or otherwise placed in, on or under the Concessionaire Premises during the Term or during the term of any previous agreement between Concessionaire or any affiliate of Concessionaire and Sublandlord covering Concessionaire's or any such affiliate's use and/or occupancy of the Concessionaire Premises or any portion thereof, except for Hazardous Substances caused by the sole acts or omissions of Sublandlord or Sublandlord's officers, agents, employees, contractors and representatives on or after the date hereof;

(ii) remove and remediate all Hazardous Substances in, on or under the Concessionaire Premises or which have migrated from or from under the Concessionaire Premises, in either case as a result of the acts or omissions of Concessionaire, its affiliates, agents, contractors or representatives, to any other property which any Governmental Authority or any Environmental Requirement or any violation thereof require to be remediated or removed; and

(iii) remove and remediate all Hazardous Substances which were in, on or under the Lease Premises and which have migrated from or from under the

Concessionaire Premises, in either case as a result of the acts or omissions of Concessionaire, its affiliates, agents, contractors or representatives, necessary to mitigate any Environmental Damages.

SECTION 13.04 Intentionally Omitted.

SECTION 13.05 Additional Remedies of Sublandlord. Without limiting Sublandlord's remedies under this Sublease or at law or in equity, Sublandlord shall have the right during and after the Term to such equitable relief, including restraining injunctions and declaratory judgments, to enforce compliance by Concessionaire of its environmental obligations under this Concession Agreement, including without limitation all Concessionaire's obligations under this Section. In the event that Concessionaire fails to comply with or perform any of such obligations, Sublandlord at any time during the Term or subsequent to the termination, expiration or surrender of the letting of the Concessionaire Premises or any portion thereof may elect (but shall not be required) to perform such obligations and upon demand Concessionaire shall pay to Sublandlord as additional rent its costs thereof, including all overhead costs as determined by Sublandlord.

SECTION 13.06 Obligation to Provide Information. Without limiting any other of Concessionaire's obligations under this Sublease, Concessionaire shall provide Sublandlord, at the cost and expense of Concessionaire, with such information, documentation, records, correspondence, notices, reports, tests, results, and certifications and any other information as Sublandlord shall request in connection with any Environmental Requirements which Concessionaire is obligated to comply with pursuant to this Sublease or Environmental Damages and Concessionaire shall promptly acknowledge, swear to (if required), sign or otherwise fully execute the same. Concessionaire agrees that any of the foregoing may be filed by Sublandlord with the appropriate Governmental Authority on behalf of Concessionaire at Concessionaire's cost and expense. Further, Concessionaire agrees unless directed otherwise by Sublandlord, to provide Sublandlord with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by Concessionaire to a Governmental Authority and by a Governmental Authority to Concessionaire within five (5) days that the same are made available to or received by Concessionaire with respect to any Environmental Requirements or any Environmental Damages.

SECTION 13.07 Indemnification. Without limiting the generality of any other provision contained in this Sublease, Concessionaire shall indemnify, hold harmless and reimburse Sublandlord, the Port Authority, their respective directors, officers, employees and representatives, from all claims, demands, penalties, fines, liabilities (including strict liability), settlements, attorney and consultant fees, investigation and laboratory fees, removal and remediation costs, court costs and litigation expenses, damages, judgments, losses, costs and expenses of whatsoever kind or nature and whether known or unknown, contingent or otherwise, just or unjust, groundless, unforeseeable or otherwise, arising or alleged to arise out of or in any way related to any Environmental Damages or any Environmental Requirement which Concessionaire is obligated to comply with pursuant to this Sublease, or the risks and responsibilities assumed hereunder by Concessionaire for the condition of the Concessionaire

Premises or a breach or default of Concessionaire's obligations under this Section. If so directed, Concessionaire shall at its own expense defend any suit based upon the foregoing.

SECTION 13.08 Compliance Standards. Without limiting the generality of any provision of this Sublease, in the event that any Environmental Requirement sets forth more than one compliance standard, Concessionaire agrees that the standard or standards to be applied in connection with any obligation it may have under this Sublease with respect to said Environmental Requirement shall be that which requires or permits the lowest level of a Hazardous Substance, provided that in the event such lowest level of a Hazardous Substance requires or allows the imposition of any restriction of any nature whatsoever upon the use or occupancy of the Concessionaire Premises or any other portion of the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport or upon the transfer of the Concessionaire Premises or the Airport, then Concessionaire shall remediate to such a level so that there is no such restriction placed upon the use and occupancy of the Concessionaire Premises or the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport.

SECTION 13.09 Effect on Master Lease. It is expressly acknowledged and agreed that nothing in this Article XIII shall constitute a modification, as between the Sublandlord and the Port Authority, of the Master Lease, and that none of the liabilities or obligations of the Sublandlord pursuant to the Master Lease are being assigned or delegated to Concessionaire hereunder.

ARTICLE XIV. ASSIGNMENT AND SUBLETTING

SECTION 14.01 Limitations, Prohibitions.

(a) Concessionaire covenants and agrees that it shall not assign, mortgage, pledge, encumber, or otherwise transfer this Sublease, nor underlet, nor suffer, nor permit the Concessionaire Premises or any part thereof to be used or occupied by others or all or any part of the letting hereunder, without obtaining the prior written consent of Sublandlord and the Port Authority, which consent neither Sublandlord nor the Port Authority shall have any obligation whatsoever to give. Any attempted transfer, assumption, assignment or sublease which does not comply with the provisions of this Article shall be void, *ab initio,* and infer no rights upon any third-parties. No amendment, transfer, assumption or contract shall relieve the Concessionaire of any of its obligations under this Sublease. Consent to the foregoing by any one or more of the Port Authority and Sublandlord shall not be deemed a waiver on the part of either or both of the Port Authority or Sublandlord to any prohibition against any future transfer, assignment, assumption or sublease.

(b) The term "transfer" includes, but is not limited to transactions in which any interest of Concessionaire in this Sublease or the Concessionaire Premises are mortgaged or otherwise encumbered or in which the Concessionaire sublets, rents, licenses, or otherwise permits occupancy or use of the Concessionaire Premises or any part thereof.

(c) If Concessionaire is a corporation, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the issued or outstanding stock of said corporation shall change shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a corporation, or if Concessionaire is a corporation whose stock is owned by a corporation ("Parent"), any transfer of any issued or outstanding stock or other change of ownership of Concessionaire or Parent by which control of the majority of the issued or outstanding stock of Concessionaire or Parent shall change shall be deemed to be a transfer under this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a partnership or joint venture, any sale, assignment or transfer, by operation of law or otherwise, of a controlling interest in such partnership or joint venture shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a limited liability company, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the membership interests in such limited liability company shall change, shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(d) A merger, reorganization (including by dissolution, stock transfer or change of classes of stock), or recapitalization of or with Concessionaire, either directly or indirectly, and a purchase of all or substantially all of Concessionaire's assets or stock, shall also be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(e) If this Sublease is assigned, or if the Concessionaire Premises or any part thereof be underlet or occupied by anybody other than Concessionaire, Sublandlord may, after default by Concessionaire, collect rent from the assignee, undertenant or occupant, and apply the net amount collected to the rent herein reserved, and after Concessionaire shall have defaulted in respect of any of its obligations under this Sublease, Concessionaire shall hold any amounts it receives from any undertenant or occupant in constructive trust for payment of Concessionaire's obligations hereunder; but no assignment, underletting, occupancy or collection shall be deemed a waiver of the provisions hereof, the acceptance of the assignee, undertenant or occupant as tenant, or a release of Concessionaire from the further performance by Concessionaire of covenants on the part of Concessionaire herein contained.

(f) Notwithstanding the foregoing provisions of this Article, and regardless of whether Sublandlord has in fact consented to any further subletting of the Concessionaire Premises or a proposed transfer, Sublandlord's consent will be of no force and effect and shall not be binding upon the Port Authority in any manner whatsoever. No such further subletting or a proposed transfer shall be effective and no estate or benefit shall be conferred on anyone until such time as the Port Authority has consented in writing, as determined in the Port Authority's sole and absolute discretion, to any such further subletting or a proposed transfer, provided that any such consent by the Port Authority shall not become effective until such time as the transferee, any other applicable parties, and the Port Authority shall have entered into an

agreement with respect to the use or occupancy of the Concessionaire Premises in such form and substance required by the Port Authority. In addition, the terms and provisions of the Consent which in any way discusses and/or addresses the Port Authority's rights with respect to the subject matter covered in this Article shall be controlling and shall govern. Further, if this Sublease is assigned by Sublandlord and assumed by the Port Authority for any reason whatsoever, the Port Authority shall have the right to determine, in its sole and absolute discretion, whether any of the provisions of this Article shall be binding upon and enforceable against the Port Authority and thereafter be considered to be a part thereof following such assignment and assumption.

(g) Notwithstanding anything in this Sublease to the contrary, if Concessionaire (i) is a corporation or limited liability company whose stock or membership interests, as the case may be, are publicly traded on a national securities exchange or on the "over-the-counter" market, and (ii) fails to obtain the consent of both Sublandlord and the Port Authority to any transfer of a type described in clauses (c) or (d) above, then Sublandlord shall have the right to terminate this Sublease by written notice given at any time within ninety (90) days after the date such transfer occurs, provided that Sublandlord shall have no obligation to reimburse Concessionaire for its Unamortized Capital Investment as a result of any such termination.

ARTICLE XV. DAMAGE AND DESTRUCTION

SECTION 15.01 Damage Caused to Master Lease Premises or Airport Property. Any damage caused to the Master Lease Premises, Airport, or any Master Lease Premises or Airport property or operations or the property of any other tenant, person, or entity caused by Concessionaire, or as a result of the operations of Concessionaire, shall be the responsibility of and promptly repaired by Concessionaire unless otherwise directed by Sublandlord, and Concessionaire shall reimburse Sublandlord for any such damage paid for by Sublandlord within thirty (30) days of billing by Sublandlord. The foregoing reimbursement obligation shall apply with respect to damage to Port Authority or Airport property or operations, the cost of which is incurred by the Port Authority. Any sums so paid by Sublandlord shall bear interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by law, whichever is greater, from the date paid by Sublandlord until Sublandlord has been fully repaid. If the same type of damage is caused by Concessionaire more than once, such as a water leak or electrical service interruption, Sublandlord shall review and approve Concessionaire's plan of repair or may require that Concessionaire allow Sublandlord to make the repair and then reimburse Sublandlord for the cost of such repair.

SECTION 15.02 Partial Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Sublandlord. The damage to the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, shall be repaired and restored by Sublandlord at

Sublandlord's expense to essentially the same condition as that which existed prior to such damage. Notwithstanding the foregoing, if such damage is caused by the negligence of Concessionaire, its officials, agents or employees, Concessionaire shall pay for all loss, damage and costs thereof. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) If those portions of the Concessionaire Premises constituting Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Concessionaire. Such damaged portions of the Concessionaire Premises shall be repaired and restored by Concessionaire at Concessionaire's expense to essentially the same condition as that which existed prior to such damage. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as set forth in paragraph (a) above.

(c) In all events, Concessionaire shall open, or reopen, as the case may be, for business immediately upon the completion of the repairs and restoration. If Concessionaire has exercised due diligence in attempting to complete the necessary repairs and restoration required hereby but is unable to do so within sixty (60) days following the date of said damage or the date of completion of any repairs and restoration first required to be made by Sublandlord in accordance herewith, then Sublandlord has the right to terminate this Sublease as to that portion or those portions of the Concessionaire Premises so damaged. Upon such termination, the Minimum Annual Guaranteed Rent shall be adjusted based on the proportion of the floor area terminated to the total floor area of the Concessionaire Premises immediately prior to said damage.

SECTION 15.03 Total Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, is totally destroyed or damaged by fire or other casualty or so damaged as to remain untenantable for more than sixty (60) days, Sublandlord shall be under no obligation to repair and restore such destruction and damage. The rent of the affected portions of the Concessionaire Premises shall be abated for the period from the date such destruction and damage occurred until (i) such space is repaired and restored, (ii) such space is temporarily replaced with other space reasonably sufficient to allow

Concessionaire to operate, if such space is reasonably available, or (iii) this Sublease terminates, as the case maybe, all in accordance with this Section. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) Sublandlord shall notify Concessionaire within sixty (60) days after the occurrence of such casualty whether it intends to repair and restore such destruction and damage. If Sublandlord elects to repair and restore, it shall do so with due diligence and at its expense, unless such damage was caused by the negligence of Concessionaire, its officials, employees, or agents, in which case Concessionaire shall pay for all loss, damage, and costs thereof. Should Sublandlord elect not to repair and restore such destruction and damage, this Sublease shall terminate on the date of notification by Sublandlord as specified in this Paragraph for the untenantable portions of the Concessionaire Premises. In either such event, Sublandlord agrees to use reasonable efforts to make reasonably sufficient substitute space available for Concessionaire during any repair or restoration period or upon a termination of this Sublease as set forth above.

SECTION 15.04 Notification of Damage. Concessionaire shall report any damage to the Concessionaire Premises to Sublandlord and the Port Authority immediately upon the occurrence thereof.

SECTION 15.05 Express Agreement. The parties agree that this Article constitutes an express agreement governing any case of damage or destruction of the Concessionaire Premises or the Master Lease Premises by fire or other casualty, and that Section 227 of the Real Property Law of the State of New York, which provides for such contingency in the absence of an express agreement, and any other law of like import now or hereafter in force, shall have no application in any such case.

ARTICLE XVI. EMINENT DOMAIN

SECTION 16.01 Condemnation.

(a) If the whole of the Master Lease Premises or any portion of the Concessionaire Premises shall be taken by any public authority under the power of eminent domain or sold to a public authority under threat or in lieu of such taking, then the Term shall cease as of the day upon which possession is taken by such public authority, and the Rent shall be paid up to that day.

(b) A voluntary sale or transfer of an interest in all or any part of the Master Lease Premises or of the Concessionaire Premises to any public or quasi-public body, agency, person or other entity, corporate or otherwise, having the power of eminent domain, either under

threat of condemnation or while condemnation proceedings are pending, shall be deemed to be a taking under the power of eminent domain for the purposes of this Article.

SECTION 16.02 Damages and Awards. Concessionaire shall have no claim against Sublandlord, the Port Authority or the applicable condemning authority for any award and damages for such taking under the power of eminent domain or proceeds from any sale under threat or in lieu of such a taking and any award or damages shall be distributed in accordance with the Master Lease, provided that neither Sublandlord nor the Port Authority shall be entitled to any award or damages specifically designated as compensation for, depreciation to, or cost of removal of, the personal property and trade fixtures of the Concessionaire.

ARTICLE XVII. DEFAULT

SECTION 17.01 Events of Default. Upon the occurrence, at any time prior to or during the Term, of any one or more of the following events (each, an "Event of Default"):

(a) if Concessionaire shall (i) default in the payment to Sublandlord when due of any installment of Rent or in the payment to Sublandlord when due of any Additional Rent, and such default shall continue for a period of five (5) days after notice by Landlord to Tenant of such default, or (ii) default in the payment to the Port Authority when due of any installment of Rent or in the payment to the Port Authority when due of any Additional Rent; or

(b) if Concessionaire shall default in the observance or performance of any term, covenant or condition on Concessionaire's part to be observed or performed under any other lease or agreement with Sublandlord and such default shall continue beyond any grace period set forth in such other lease or agreement for the remedying of such default; or

(c) if the Concessionaire Premises shall become deserted or abandoned; or

(d) if a Governmental Authority terminates, revokes or suspends any certificate, license, permit or authority held by Concessionaire without which Concessionaire shall not be lawfully empowered to conduct its business operations in the Concessionaire Premises and such certificate, license, permit, or authority is not reinstated, or a new one received, within five (5) days; or

(e) if Concessionaire shall fail to cause any lien filed against the Concessionaire Premises, the Master Lease Premises, or any Sublandlord or Port Authority property to be released of record by payment, bond, order of a court of competent jurisdiction or otherwise, within fifteen (15) days after the filing thereof; or

(f) if Concessionaire's interest in this Sublease shall devolve upon or pass to any person, whether by operation of law or otherwise, except as may be expressly permitted under Article XIV hereof; or

(g) if Concessionaire shall file a voluntary petition in bankruptcy or insolvency, or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, or shall make an assignment for the benefit of creditors or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Concessionaire or of all or any part of Concessionaire's property; or

(h) if, within sixty (60) days after the commencement of any proceeding against Concessionaire, whether by the filing of a petition or otherwise, seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, such proceeding shall not have been dismissed, or if, within sixty (60) days after the appointment of any trustee, receiver or liquidator of Concessionaire, or of all or any part of Concessionaire's property, without the consent or acquiescence of Concessionaire, such appointment shall not have been vacated or otherwise discharged, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property pursuant to which the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied; or

(i) if within any twelve (12) consecutive calendar month period, Concessionaire shall have on three (3) or more occasions failed to pay Rent when due hereunder, or Sublandlord has had grounds to commence more than two summary proceedings;

(j) Failure to timely deliver the Letter of Credit and any replacement thereof, that continues for a period of ten (10) business days after written notice thereof to Concessionaire; or

(k) The act or omission of Concessionaire which, under the terms of this Sublease or the Master Lease is prohibited and which would result in the Port Authority having the right to terminate the Master Lease or revoke the Consent for cause, provided that if such act or omission is cured prior to the Port Authority terminating the Master Lease or revoking the Consent, and the Port Authority does not terminate the Master Lease or revoke the Consent, then such act or omission by Concessionaire shall be deemed cured; or

(l) if Concessionaire shall default in the observance or performance of any other term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed and either (1) Concessionaire shall fail to remedy such default within thirty (30) days after notice by Sublandlord to Concessionaire of such default, or (2) if such default is of such a nature that it cannot be completely remedied within said period of thirty (30) days, Concessionaire shall not commence the cure of such default within said period of thirty (30) days, thereafter diligently prosecute to completion all steps-necessary to remedy such default and completely remedy such default within sixty (60) days of the notice from Sublandlord;

then, Sublandlord, at any time thereafter, at Sublandlord's option, may give to Concessionaire a

five (5) days' notice of termination of this Sublease and, in the event such notice is given, this Sublease and the Term shall come to an end and expire upon the expiration of said five (5) days with the same effect as if the date of expiration of said five (5) days were the Expiration Date, but Concessionaire shall remain liable for damages as provided in this Article.

SECTION 17.02 Rights, Remedies, Damages.

(a) If there exists an Event of Default by Concessionaire, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property whereupon the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Concessionaire, or if this Sublease and the Term shall expire and come to an end as provided in Section 17.01, then:

(i) Sublandlord and its agents and servants may immediately, or at any time after such default or after the date upon which this Sublease and the Term shall expire and come to an end, re-enter the Concessionaire Premises or any part thereof, without notice, either by summary proceedings, or by any other applicable action or proceeding, or by force or otherwise (without being liable to indictment, prosecution or damages therefor), and may repossess the Premises and dispossess Concessionaire and any other persons from the Concessionaire Premises and remove any and all of their property and effects from the Concessionaire Premises; and

(ii) Sublandlord, at Sublandlord's option, may relet the whole or any part or parts of the Concessionaire Premises from time to time, either in the name of Sublandlord or otherwise, to such tenant or tenants, for such term or terms ending before, on or after the Expiration Date, at such rental or rentals and upon such other conditions, which may include concessions and free rent periods, as Sublandlord, in its sole discretion, may determine. Sublandlord shall have no obligation to relet the Concessionaire Premises or any part thereof and shall in no event be liable for refusal or failure to relet the Concessionaire Premises or any part thereof, or, in the event of any such reletting, for refusal or failure to collect any rent due upon any such reletting, and no such refusal or failure shall operate to relieve Concessionaire of any liability under this Sublease or otherwise to affect any such liability. Sublandlord, at Sublandlord's option, may make such repairs, replacements, alterations, additions, improvements, decorations and other physical changes in and to the Concessionaire Premises as Sublandlord, in its sole discretion, considers advisable or necessary in connection with any such reletting or proposed reletting, without relieving Concessionaire of any liability under this Sublease or otherwise affecting any such liability.

(b) Concessionaire hereby waives the service of any notice of intention to re-enter or to institute legal proceedings to that end which may otherwise be required to be given under any present or future law. Concessionaire, on its own behalf and on behalf of all persons claiming through or under Concessionaire, including all creditors, does further hereby waive any and all rights which Concessionaire and all such persons might otherwise have under any present or future law to redeem the Concessionaire Premises, or to re-enter or repossess the

Concessionaire Premises, or to restore the operation of this Sublease, after (i) Concessionaire shall have been dispossessed by a judgment or by warrant of any court or judge, or (ii) any re-entry by Sublandlord, or (iii) any expiration or termination of this Sublease and the Term, whether such dispossess, re-entry, expiration or termination shall be by operation of law or pursuant to the provisions of this Sublease. The words "re-enter", "re-entry" and "re-entered" as used in this Sublease shall not be deemed to be restricted to their technical legal meanings. In the event of a breach or threatened breach by Concessionaire, or any persons claiming through or under Concessionaire, of any term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed, Sublandlord shall have the right to enjoin such breach and the right to invoke any other remedy allowed by law or in equity as if re-entry, summary proceedings and other special remedies were not provided in this Sublease for such breach. The right to invoke the remedies hereinbefore set forth are cumulative and shall not preclude Sublandlord from invoking any other remedy allowed at law or in equity.

(c) If this Sublease and the Term shall expire and come to an end as provided in this Article, or by or under any summary proceeding or any other action or proceeding, then, in any of said events:

(i) Concessionaire shall pay to Sublandlord all Rent and other charges payable under this Sublease by Concessionaire to Sublandlord to the date upon which this Sublease and the Term shall have expired and come to an end;

(ii) Concessionaire also shall be liable for and shall pay to Sublandlord, as damages, any deficiency (hereinafter, the "Deficiency") between the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term and the net amount, if any, of rents collected under any reletting effected pursuant to the provisions of this Section for any part of such period. The Deficiency shall also include all of Sublandlord's expenses in connection with the termination of this Sublease, or Sublandlord's re-entry upon the Concessionaire Premises and with such reletting including, but not limited to, all repossession costs, brokerage commissions, legal expenses, attorneys' fees and disbursements, alteration costs and other expenses of preparing the Concessionaire Premises for such reletting. Any such Deficiency shall be paid in monthly installments by Concessionaire on the days specified in this Sublease for payment of installments of Rent, Sublandlord shall be entitled to recover from Concessionaire each monthly Deficiency as the same shall arise, and no suit to collect the amount of the Deficiency for any month shall prejudice Sublandlord's right to collect the Deficiency for any subsequent month by a similar proceeding; and

(iii) whether or not Sublandlord shall have collected any monthly Deficiencies as aforesaid, Sublandlord shall be entitled to recover from Concessionaire, and Concessionaire shall pay to Sublandlord, on demand, in lieu of any further Deficiencies as and for liquidated and agreed final damages, a sum equal to the amount by which the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the then fair and reasonable rental value of the Concessionaire Premises for the same period, less the aggregate amount of Deficiencies

theretofore collected by Sublandlord pursuant to the provisions of this Section for the same period. If, before presentation of proof of such liquidated damages to any court, commission or tribunal, the Concessionaire Premises, or any part thereof, shall have been relet by Sublandlord for the period which otherwise would have constituted the unexpired portion of the Term, or any part thereof, the amount of rent reserved upon such reletting shall be deemed, prima facie, to be the fair and reasonable rental value for the part or the whole of the Concessionaire Premises so relet during the term of the reletting. For purposes of this calculation, (i) all additional rent charges due hereunder shall be calculated on the assumption that they would continue to increase at the average rate of increase of additional rent charges in the 24 previous months (or during the prior term hereunder if less); and, (ii) at Sublandlord's election, the "fair and reasonable rate", if the Concessionaire Premises are not re-let, shall be deemed to be the rentable square footage of the Concessionaire Premises multiplied by the discounted average rental per square foot in the last three new leases (excluding renewals) written for space in the Master Lease Premises (or, if fewer than three leases have been written in the previous three months, the most recent lease, or any leases in those three months) discounting for brokerage fees, free rent periods, landlord work letters, and similar expenses, and without reference to any additional rent, escalation or percentage rent clauses therein.

(iv) If the Concessionaire Premises, or any part thereof, shall be relet together with other space in the Master Lease Premises, the rents collected or reserved under any such reletting and the expenses of any such reletting shall be equitably apportioned for the purposes of this Section. Concessionaire shall in no event be entitled to any rents collected or payable under any reletting, whether or not such rents shall exceed the Rent reserved in this Sublease. Solely for the purposes of this Article, the term "Rent" as used in this Section shall mean the Rent in effect immediately prior to the date upon which this Sublease and the Term shall have expired and come to an end, or the date of re-entry upon the Concessionaire Premises by Sublandlord, as the case may be. Nothing contained in this Article shall be deemed to limit or preclude the recovery by Sublandlord from Concessionaire of the maximum amount allowed to be obtained as damages by any statute or rule of law, or of any sums or damages to which Sublandlord may be entitled in addition to the damages set forth in this Article.

(v) All costs and expenses, including attorneys' fees (whether or not legal proceedings are instituted), involved in collecting Rents or enforcing the obligations of Concessionaire under this Sublease, including the cost and expense of instituting and prosecuting legal proceedings or recovering possession of the Concessionaire Premises after a breach by Concessionaire or upon expiration or earlier termination of this Sublease, to the extent such costs and expenses have not already been paid as a Deficiency or as liquidated damages under this Section, shall be due and payable by Concessionaire as additional rent within twenty (20) days of demand.

(d) For purposes of calculating any Deficiency with respect to Percentage Rent, Gross Receipts shall be determined in the following manner: (i) Gross Receipts shall be derived by multiplying the number of days in the balance of the Term originally fixed, by

Concessionaire's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of Concessionaire during that part of the effective period of the Term (including all annual periods falling within the effective period) in which Rent was due and payable, divided by the number of days included in such part of the effective period.

SECTION 17.03 Sanctions for Certain Sublease Violations. Concessionaire's failure to adhere to the operating requirements set forth in this Sublease is reasonably anticipated to result in significant inconvenience to the public, adversely affect the overall concession business of the Master Lease Premises, and reduce the amount of rent to be paid to Sublandlord. Additionally, Sublandlord resources will be expended in dealing with violations of this Sublease by Concessionaire. The parties hereby agree that total damages sustained by Sublandlord for violations of the provisions of this Sublease addressing the subject matter listed below could be significant, but would be difficult to determine and to track. Therefore, the parties hereto agree that the sanction amounts, set forth below for violation of this Sublease terms addressing the referenced subject matter are reasonable estimates of the loss anticipated to be suffered or incurred by Sublandlord. Concessionaire, therefore, hereby agrees that imposition of the sanctions set forth below is fair and reasonable and Concessionaire agrees to pay immediately upon demand by Sublandlord the following sanction amounts upon the occurrence of breaches related to the following subject matter:

Operating Hours
$100 first occurrence ($500 if breach occurs on holiday)
$250 second occurrence ($500 if breach occurs on holiday)
$500 third occurrence (Same if breach occurs on holiday)

$1,000 per occurrence thereafter ($1500 if breach occurs on holiday)

Deliveries and Vendor Access
$100 per occurrence

SECTION 17.04 Imposition of Sanctions. Except for Sublease violations regarding the minimum hours of operation, the sanctions for which shall be incurred immediately and without notice upon violation, other sanction amounts shall not be imposed unless the Sublease violation continues for more than three (3) calendar days after Sublandlord has given Concessionaire written notice of the violation, provided that after Sublandlord has given Concessionaire notice of the same violation more than twice during any given year of the Term, the sanction amount shall be immediately imposed with no opportunity to cure in order to avoid the sanction. Additionally, after two (2) sublease violations of the same type in the same year of the Term, Sublandlord reserves the right, at its sole option, not to impose the sanction and instead seek any other remedies available to it for an Event of Default, including termination of this Sublease. Sublandlord's right to impose the sanctions described above shall be in addition to any other rights and remedies of Sublandlord under this Sublease.

ARTICLE XVIII. TAXES

SECTION 18.01 Taxes. Concessionaire, solely, shall be responsible and liable for any taxes, assessments, levies, fees and other governmental charges and impositions of any and every kind or nature, regular or special, direct or indirect, foreseen or unforeseen or known or unknown, levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority, upon, against or with respect to (i) Concessionaire's leasehold interest in the Concessionaire Premises, (ii) any leasehold improvements or other alterations made to the Concessionaire Premises by Concessionaire, (iii) the furniture, fixtures, equipment, inventory and any other personal property of any kind owned by, or placed, installed or located in, within, upon or about the Concessionaire Premises by Concessionaire, (iv) Concessionaire's occupancy or use of the Concessionaire Premises.

ARTICLE XIX. HOLDING OVER

SECTION 19.01 Holding Over. Without in any way limiting the provisions in this Sublease regarding Events of Default and the Security Deposit or any other term and condition hereof, unless otherwise notified by Sublandlord in writing, if Concessionaire remains in possession of the Concessionaire Premises after the expiration or termination of the Term, in addition to any damages to which Sublandlord may be entitled under this Sublease or other remedies Sublandlord may have by law or otherwise, Concessionaire shall pay to the Sublandlord a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that Concessionaire shall surrender and completely vacate the Concessionaire Premises at an annual rate equal to twice the sum of (i) the annual rate of Minimum Annual Guarantee in effect on the date of such expiration or termination, plus (ii) all items of Percentage Rents, Additional Rent and other periodic charges payable with respect to the Concessionaire Premises by the Concessionaire at the rates in effect during the three hundred sixty-five (365) day period

immediately preceding such date. Nothing herein contained shall give, or be deemed to give, Concessionaire any right to remain in possession of the Concessionaire Premises after the expiration or termination of the letting under this Sublease. Concessionaire acknowledges that the failure of Concessionaire to surrender, vacate and yield up the Concessionaire Premises to Sublandlord on the effective date of such expiration or termination will or may cause Sublandlord and the Port Authority injury, damage or loss. Concessionaire hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay Sublandlord and the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and Concessionaire hereby expressly agrees to indemnify and hold Sublandlord and the Port Authority harmless against any such injury, damage or loss.

ARTICLE XX. QUIET ENJOYMENT

SECTION 20.01 Quiet Enjoyment. Upon payment by Concessionaire of Rent and upon the timely observance and full performance of all the covenants, terms and conditions on Concessionaire's part to be observed and performed under this Sublease and the Consent, Concessionaire shall peaceably and quietly hold and enjoy the Premises for the Term, free from and without hindrance or interruption, subject to the Master Lease and the Consent.

ARTICLE XXI. SIGNS AND ADVERTISING

SECTION 21.01 Definition of Signs. For purposes of this Section, signs shall include, but not necessarily be limited to, identification signs, Concessionaire logos, advertising, promotions, stickers, photographs, art displays, and the like.

SECTION 21.02 Right to Install. Concessionaire may install and operate upon or in the Concessionaire Premises, and at Concessionaire's sole cost and expense, signs containing its name and representing its business in accordance with the guidelines established in the Tenant Design Manual. Concessionaire acknowledges Sublandlord's desire to maintain a high level of aesthetic quality in the Master Lease Premises and in all concession facilities throughout the Master Lease Premises. Therefore, Concessionaire covenants and agrees that, in the exercise of its privilege to install and maintain appropriate signs on the Concessionaire Premises, it will submit to Sublandlord the size, design, content, and intended location of each and every sign it proposes to install on or within the Concessionaire Premises, and that no signs of any type shall be installed on or within the Concessionaire Premises without the specific prior written approval of Sublandlord as to the size, design, content, and location. Handwritten, hand lettered, and paper signs are prohibited. Notwithstanding any prior written approval, Concessionaire shall install, remove, or modify any signs as directed in writing by the Sublandlord Concession Manager. Sublandlord's failure to require removal of any sign placed on or about the Concessionaire Premises without written permission shall not be deemed a waiver of the Sublandlord Concession Manager's authority to require removal of any unapproved sign.

SECTION 21.03 Signs and Fixtures Outside Concessionaire Premises.

(a) Concessionaire shall not place, install, erect, maintain or display any racks, stands, trade fixtures, pedestal signs, or other displays of products outside the boundaries of the Concessionaire Premises without the express prior written approval of Sublandlord.

(b) Except with the prior written consent of the Port Authority and Sublandlord, Concessionaire shall not place, install, erect, maintain or display any signs or any advertising at or on the exterior parts of the Concessionaire Premises or in the Concessionaire Premises so as to be visible through the windows or exterior doors thereof. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

SECTION 21.04 Removal of Signs.

(a) Upon the expiration or sooner termination of this Sublease, Concessionaire shall remove, obliterate or paint out, as Sublandlord may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. If there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, Sublandlord may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to Sublandlord on demand.

(b) Upon the expiration or sooner termination of the Master Lease, Concessionaire shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, the Port Authority may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to the Port Authority on demand.

SECTION 21.05 Tenant Directory, Etc. Sublandlord shall list Concessionaire in one or more "Tenant Directories" to be located within the Master Lease Premises for the convenience of passengers. The design, layout, location, size, and placement of any Tenant Directory and Concessionaire's listing therein shall be at the sole discretion of Sublandlord. Concessionaire hereby grants Sublandlord (a) the right to list Concessionaire's name on its website, and (b) a non-exclusive license to use Concessionaire's name and logo in any marketing or promotional materials describing the Master Lease Premises and Sublandlord generally.

ARTICLE XXII. INTENTIONALLY OMITTED

ARTICLE XXIII. RIGHTS AND PRIVILEGES OF SUBLANDLORD

SECTION 23.01 Rules and Regulations. Sublandlord shall have the right to enforce, and adopt from time to time, reasonable rules and regulations, which Concessionaire agrees to observe and obey, with respect to the use of the Master Lease Premises, provided that such rules and regulations shall not be inconsistent with safety, current rules and regulations of the Federal Aviation Administration (FAA) and the Transportation Security Administration (TSA) , and any future changes prescribed from time to time by the FAA, TSA, or any other successor Federal agency, provided, further, that such rules and regulations shall not be inconsistent with current rules and regulations of the Port Authority and any future changes prescribed from time to time by the Port Authority, all of which rules and regulations of the Port Authority, in the event of any inconsistency, shall supercede and control over those of Sublandlord.

SECTION 23.02 Official Representative. The Sublandlord Concession Manager is hereby designated as the representative for Sublandlord with respect to notices and communication regarding this Sublease.

SECTION 23.03 Sublease Actions. All actions relating to policy determination, modification of this Sublease, termination of this Sublease, and any similar matters affecting the terms of this Sublease shall be subject to Section 25.06 regarding amendments hereto.

SECTION 23.04 Right to Enter Concessionaire Premises. The Sublandlord Concession Manager and his or her designated representatives may enter upon the Concessionaire Premises at any reasonable time, for any purpose necessary, incidental to, or connected with, the performance of its obligations hereunder, or at any time in the case of an emergency.

SECTION 23.05 Sublandlord's and the Port Authority's Right to Develop. Sublandlord reserves the right to further develop or improve the public areas of the Concessionaire Premises, including the Master Lease Premises and ramp space, and the other areas of the Concessionaire Premises as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance. Concessionaire hereby acknowledges the Port Authority's right to further develop or improve the airfield, public areas within the Airport, and any other Airport property or facility as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance.

SECTION 23.06 Aircraft Noise, Etc. Concessionaire acknowledges that the Port Authority reserves for the use and benefit of the public, the right of aircraft to fly in the airspace overlying the land herein leased, together with the right of said aircraft to cause such noise as may be inherent in the operation of aircraft landing at, taking off from, or operating on or in the vicinity of the Airport and the Master Lease Premises, and the right to pursue all operations of the Airport and the Master Lease Premises.

SECTION 23.07 Aerial Approach Rights. Concessionaire acknowledges that the Port

Authority reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Concessionaire from erecting, or permitting to be erected, any building or other structure on the Airport, which, in the opinion of the Port Authority, would limit the usefulness of the Airport, or constitute a hazard to aircraft.

SECTION 23.08 Right to Make Modifications. Sublandlord may from time to time increase or decrease the size or capacity of any public facilities within the Concessionaire Premises, or the Master Lease Premises, or make alterations thereto or reconstruct or relocate them or modify the design and type of construction thereof or close them or any portions of them, either temporarily or permanently, provided notice is given to Concessionaire.

SECTION 23.09 Renegotiations. This Sublease at any time may be reopened for renegotiation in good faith if Federal Aviation Administration (FAA) Airport Certification or Transportation Security Administration's Security Requirements, FAR Parts 139 and TSR 1542 respectively, result in major expenditures to Sublandlord or the Port Authority due to Concessionaire's tenancy in the Master Lease Premises. If said renegotiation is desired, written notice must be given to Concessionaire not less than sixty (60) days prior to such renegotiations.

SECTION 23.10 Sublandlord's Right to Relocate Concessionaire Premises.

(a) Sublandlord reserves the right to relocate the Concessionaire Premises to other space in the Master Lease Premises (such other space being hereinafter referred to as the "Substitution Space") should that be necessary for Master Lease Premises area remodeling, redesign, or expansion.

(b) Notwithstanding the forgoing, the Substitution Space shall (i) contain substantially the same amount of square footage as the Concessionaire Premises, and (ii) have a similar or better layout as the Concessionaire Premises, as determined by Sublandlord in its sole discretion.

(c) Sublandlord shall exercise such right by giving Subtenant not less than sixty (60) days' prior written notice specifying the effective date of such substitution of the Substitution Space, or such additional reasonable time for Concessionaire to alter the Substitution Space for the operation of its business, whereupon, as of such effective date:

(i) the description of the Concessionaire Premises set forth in this Sublease shall, without further act on the part of Sublandlord or Concessionaire, be deemed amended so that the Substitution Space shall be deemed to be the Concessionaire Premises under the Lease, and all of the terms, covenants, conditions and provisions and agreements of this Sublease shall continue in full force and effect and apply to the Substitution Space; and

(ii) Concessionaire shall move from the original Concessionaire Premises into the Substitution Space on or before the effective date stated in Sublandlord's notice and

shall vacate and surrender possession to Sublandlord of the original Concessionaire Premises; and

(iii) Subject to the other provisions of this subsection (iii), Concessionaire shall be deemed to have accepted possession of the Substitution Space in its "as is" condition as of the effective date stated in Sublandlord's notice.

(d) If Sublandlord exercises this relocation right, Sublandlord shall pay directly, upon presentation of invoices, for any of Concessionaire's actual and reasonable out-of-pocket expenses for moving and installing Concessionaire's furniture, equipment, supplies, telephones and telephone equipment and all of Concessionaire's other property in the Concessionaire Premises from the original Concessionaire Premises to the Substitution Space, but Concessionaire shall not be compensated and Sublandlord and Port Authority shall not be liable for any inconvenience to Concessionaire or for any interruption of Concessionaire's business or affairs. Additionally, Sublandlord, at Sublandlord's expense, shall alter the Substitution Space in substantially the same manner as the original Concessionaire Premises were delivered to Concessionaire and the effective date of the substitution of the Substitution Space shall not be deemed to have occurred until the substantial completion of such alterations. If Concessionaire requests materials or installations in the Substitution Space other than those originally installed by Sublandlord in the original Premises or if Concessionaire shall make any changes in the work, Sublandlord's written consent thereto shall be required and Concessionaire shall pay to Sublandlord, if Sublandlord so gives its consent, the extra costs of any such materials, installations or changes in the work. Sublandlord at its discretion may substitute materials of like quality for the materials originally utilized in proceeding with any such work.

ARTICLE XXIV. AIRPORT SECURITY

SECTION 24.01 Compliance and Responsibility for Fines and Forfeitures. Concessionaire recognizes its obligations for security on the Airport and in the Master Lease Premises as prescribed by 49 CFR Part 1542, the Airport Security Program, and the Air Terminal Rules and Regulations,, and agrees to employ such measures as are necessary to prevent or deter the unauthorized access of persons or vehicles into the secure area of the Master Lease Premises and Airport. Concessionaire shall comply with Transportation Security Regulation Part 1542 (Airport Security) and the Master Lease Premises and Airport security policies as presently outlined in its Airport Security Program and the Air Terminal Rules and Regulations, as such plan may be amended from time to time. Concessionaire shall pay any forfeitures or fines levied upon it, Sublandlord, or the Port Authority through enforcement of Transportation Security Regulation Part 1542, or any other applicable Federal, state or local regulation, due to the acts or omissions of Concessionaire, its employees, agents, suppliers, invitees or guests and for any attorneys' fees or related costs paid by Sublandlord or the Port Authority as a result of any such violation.

SECTION 24.02 Security Identification.

(a) Concessionaire shall abide by rules and regulations adopted by Sublandlord in carrying out Sublandlord's obligations under Aviation Security Regulations and Directives for the proper identification of persons and vehicles entering the aircraft operations area and other security measures as Sublandlord deems necessary from time to time. Concessionaire shall obtain Airport identification badges for all personnel working in any restricted, SIDA, secure, sterile area, which will require Concessionaire to make initial application to the Port Authority, to include all current contracts, and receive approval; designating Issuing Officers and require each to successfully complete required training; and each worker to complete the Airport ID Card Application Form, submit to required fingerprinting, and successfully complete required security training. Concessionaire shall require all employees to display Airport Identification badges at all times while working. The badges must be worn above the waist, be visible at all times, and otherwise comply with all Port Authority rules and regulations regarding the same.

(b) Pursuant to applicable Federal regulations, Concessionaire shall conduct an annual self-audit of Master Lease Premises and Airport access media, such as keys and access cards, used by Concessionaire, its employees, agents, suppliers, invitees, sublessees or guests. Concessionaire shall provide Sublandlord with a written report of said audits and shall replace, reset or re-key, as appropriate, all affected Master Lease Premises area access locks or devices whenever missing, lost, or stolen access media exceed five (5) percent of the access media issued for the affected lock or device.

SECTION 24.03 Tenant Security Program. Concessionaire shall create a Tenant Security Program (TSP) in coordination with the Airport Security Program (ASP) and the Airport Security Coordinator (ASC) for the Airport. The TSP shall be submitted to the Transportation Security Administration (TSA) and, upon approval, will make Concessionaire a

regulated party of the TSA, in accordance with 49 CFR 1542. Additionally, Concessionaire will comply with rules, practices, security restrictions and regulations as set forth by Sublandlord, the Port Authority or other any agency having jurisdiction at the Airport. Any fines assessed against Sublandlord as a result of Concessionaire's failure to comply with the provisions of this paragraph or other intentional or negligent acts or omissions of Concessionaire, its employees or agents will be paid promptly, upon demand, to Sublandlord by Concessionaire.

SECTION 24.04 Employee Clearance. All employees assigned by Concessionaire shall be physically able to do their assigned work. Sublandlord and the Port Authority shall have complete control over granting, denying, withholding, or terminating security clearance for said employees. Clearance is required for all employees upon being hired or assigned to the Master Lease Premises. Concessionaire shall not permit any employee to begin work until the Port Authority grants clearance to each individual employee.

SECTION 24.05 Intentionally Omitted.

ARTICLE XXV. MISCELLANEOUS

SECTION 25.01 Concessionaire's OFAC Certification.

(a) Concessionaire hereby represents and warrants to Sublandlord and the Port Authority (which representations and warranties shall be deemed to be continuing and re-made at all times during the Term) that Concessionaire is not, and shall not become, a person or entity with whom Sublandlord or the Port Authority is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order on Terrorist Financing Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not engaging, and shall not engage, in any dealings or transactions or be otherwise associated with such persons or entities. Concessionaire acknowledges that Sublandlord is entering into this Sublease, and the Port Authority is entering into the Consent, in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing Sublandlord to enter into and execute this Sublease and the Port Authority to enter into and execute the Consent. In the event of any breach of any of the foregoing representations and warranties by Concessionaire, Sublandlord shall have the right, in addition to any and all other remedies provided under this Sublease or at law or in equity, to immediately terminate this Sublease upon written notice to the Concessionaire, and the Port Authority shall have the right, in addition to any and all other remedies provided under the Consent or at law or in equity, to immediately revoke the Consent upon written notice to the Concessionaire. Concessionaire further acknowledges that there shall be no cure for such a breach. In the event of any such termination by Sublandlord or revocation by the Port Authority, Concessionaire shall, immediately on receipt of Sublandlord's termination notice or the Port Authority's revocation notice, cease all use of and operations permitted under this Sublease and surrender possession of the Concessionaire Premises to Sublandlord without

Sublandlord being required to resort to any other legal process. Termination or revocation on the aforedescribed basis shall be deemed a termination or revocation for cause.

(b) Concessionaire shall indemnify and hold harmless Sublandlord and the Port Authority and their respective Commissioners, directors, officers, employees, agents and representatives from and against any and all claims, damages, losses, risks, liabilities and expenses (including, without limitation, attorney's fees and disbursements) arising out of, relating to, or in connection with Concessionaire's breach of any of its representations and warranties made under this Section. Upon the request of Sublandlord or the Port Authority, Concessionaire shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent) and in handling such defense of the Port Authority it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provision of any statutes respecting suits against the Port Authority.

(c) The provisions of this Section shall survive the expiration or earlier termination of this Sublease.

SECTION 25.02 Intentionally Omitted.

SECTION 25.03 Sublease Subordinate to Bond Ordinance. This Sublease and all rights of Concessionaire hereunder are expressly subordinated and subject to the lien and provisions of any pledge or assignment made by Sublandlord or the Port Authority to secure any bonds authorized by law to be issued for the development or improvement of the Master Lease Premises or Airport, and Sublandlord and Concessionaire agree that the holders of the said bonds shall possess, enjoy and may exercise all rights of Sublandlord hereunder to the extent such possession, enjoyment and exercise are necessary to ensure compliance by Concessionaire and Sublandlord with the terms and provisions of the bond covenants.

SECTION 25.04 Information Statement. At any time and from time to time, Concessionaire agrees that, within ten (10) days after written request from Sublandlord, Concessionaire shall execute, acknowledge and deliver to Sublandlord a written statement certifying that this Sublease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications), that Concessionaire is not in default under this Sublease (or if in default, stating the nature of such default), and including such other pertinent and reasonable information regarding this Sublease and Concessionaire's occupancy of the Concessionaire Premises as may be requested. Nothing in this Section 17.01 is intended to, or shall be deemed to affect, alter or diminish in any way (i) any rights of Sublandlord under this Sublease or (ii) any obligations of Concessionaire under this Sublease.

SECTION 25.05 Waiver; Election of Remedies. One or more waivers of any covenant or condition of this Sublease by Sublandlord shall not be construed as a waiver of a subsequent

breach of the same covenant or condition, and the consent or approval by Sublandlord to or of any act of Concessionaire requiring consent or approval of Sublandlord, shall not be deemed to render unnecessary such consent or approval to or of any subsequent similar act. No breach by Concessionaire of a covenant or condition of this Sublease shall be deemed to have been waived by either, any or both of Sublandlord unless such waiver is in writing signed by each non-breaching party. Rights and remedies under this Sublease or under any specific section, subsection or clause hereof shall be cumulative and in addition to any and all other rights and remedies which each party has or may have elsewhere under this Sublease or at law or in equity, whether or not such section, subsection or clause expressly so states.

SECTION 25.06 Entire Agreement; Amendment.

(a) All exhibits and/or addendum(s), and/or rider(s), if any, attached to this Sublease are hereby made a part of this Sublease, with full force and effect as if set forth herein. This Sublease supersedes all prior agreements between the parties hereto and sets forth all the covenants, promises, agreements and conditions, and understandings between Sublandlord and Concessionaire concerning the Concessionaire Premises or any other premises within the Master Lease Premises occupied or used by Concessionaire, and there shall be no actual or implied covenants, promises, agreements, conditions or understandings, either oral or written, between them other than as are set forth herein and none thereof shall be used to interpret, construe, supplement or contradict this Sublease. The parties agree that any deletion of language from the Sublease prior to its mutual execution by Sublandlord and Concessionaire shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, obverse or opposite of the deleted language.

(b) No alteration, amendment, change or addition to this Sublease shall be binding upon Sublandlord or Concessionaire unless reduced to writing and signed by each party. Furthermore, any alteration, amendment, change or addition to this Sublease shall be subject to the consent of the Port Authority, which consent shall be in the sole and absolute discretion of the Port Authority.

SECTION 25.07 Interpretation; Use of Pronouns; Consent.

(a) Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of a joint venture between the parties hereto, it being understood and agreed that neither the method of computation of Rent, any other provision contained herein, nor any acts of the parties herein, shall be deemed to create any relationship between the parties hereto other than the relationship of landlord and tenant. This Sublease is the result of arms length negotiations between Sublandlord and Concessionaire and shall not be construed against Sublandlord by reason of its preparation of this Sublease.

(b) Whenever herein the singular number is used the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

(c) If this Sublease is silent as to the standard for any consent, approval, determination, or similar discretionary action, the standard shall be at the sole and unfettered discretion of Sublandlord, rather than any implied standard of good faith, fairness or reasonableness. If Concessionaire requests Sublandlord's consent or approval pursuant to any provision of this Sublease and Sublandlord fails or refuses to give such consent, Concessionaire shall not be entitled to any damages as a result of such failure or refusal, whether or not unreasonable.

SECTION 25.08 Contract Documents. The request for proposals published in connection herewith and Concessionaire's proposal in response thereto, which proposal is set forth in Exhibit L attached hereto, shall all form a part of this Sublease. In the event of a conflict between the terms and conditions of this Sublease and any of said documents, the terms and conditions of this Sublease shall take precedence.

SECTION 25.09 Delays; Force Majeure. Time is of the essence in the performance under this Sublease. In the event Sublandlord or Concessionaire shall be delayed in the performance of any obligation, covenant, agreement or other undertaking required of it under this Sublease, by reasons of strikes, lockouts, labor disputes, Acts of God, inability to procure labor, materials, or reasonable substitutes therefor, or shall at any time be so delayed by reason of the diminution of power or power failure(s), restrictive governmental laws or controls, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or reasons of a similar nature beyond the reasonable control of and not the fault of the party delayed in performing work or doing acts required under the terms of this Sublease, then performance of such act shall be excused for the period of the delay, and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay, provided that the time for performance shall in no event be extended due to financial or economic problems of any party. Notwithstanding anything to the contrary, the occurrence of any of the events of force majeure herein described shall not excuse Concessionaire's obligations to pay Rent or any other payment obligation hereunder on a timely basis.

SECTION 25.10 Notices. Any notice or demand to Concessionaire or from Concessionaire to Sublandlord shall be in writing and shall be sent by either (a) certified mail addressed, return receipt requested with proper postage affixed thereto, or (b) a nationally-recognized courier, prepaid, to the following addresses:

SECTION 25.11 Captions and Section Numbers. The captions, section numbers and article numbers and index appearing in this Sublease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles of this Sublease or in any way affect this Sublease.

SECTION 25.12 Brokers. Concessionaire and Sublandlord represent and warrant each to the other and the Port Authority that there are and shall be no claims for brokerage commissions or finder's fees in connection with this Sublease, and each party agrees to indemnify the other, Sublandlord and the Port Authority and hold each and all of them harmless from all liabilities arising from any claim for brokerage commissions and finder's fees in connection with this Sublease. Such agreement shall survive the expiration or sooner termination of this Sublease.

Jane Iredale introduced her unique skin care makeup line in May of 1994. It was the first full makeup line on the market to offer not just color enhancement but also benefits to the skin. The products are based on micronized minerals and are made without fillers and binders (such as talc and mineral oil) and without chemical dyes or preservatives.

HOW IS OUR MAKEUP DIFFERENT?

- **Four in one** - Our micronized mineral bases are four products in one: foundation, powder, concealer and sunscreen, and will disguise almost any skin discoloration.
- **SPF 20 Pressed Bases & SPF 20 Loose Bases** - Formulated with titanium dioxide and zinc oxide, the minerals give instant, broad-spectrum, chemical-free sun protection. They are also Very Water Resistant.
- **Fast, weightless coverage** - Because we use no fillers like talc to dilute the effectiveness of the pigment, one quick application of our minerals provides all-day coverage that doesn't fade, crease or smear.
- **Non-comedogenic and oil-free** - The skin is allowed to breathe and function normally.
- **Minimum allergy risk** - We use no sensitizers like perfume or chemical dyes and preservatives in our bases, blush or eye shadows.
- **Coverage** - Because the minerals are concentrated pigment, they give complete coverage and can be used effectively to camouflage large or small distractions.
- **Adhere** - The minerals adhere to the skin until they are removed with any cleanser.
- **Anti-inflammatory** - Our mineral bases have anti-inflammatory properties and are especially helpful for acne and rosacea-prone skins.
- **Inert** - The loose minerals are inert and cannot support bacteria.
- **Quality** - We use state of the art cosmeceutical ingredients to ensure the finest performance in coverage, application and texture. Our vitamins and antioxidants are pharmaceutical grade.
- **No animal testing**

They combine natural ingredients that are proven to affect health and well-being and are delivered in a rapidly absorbed spray form. The revolutionary concept is, in fact, quite simple: vitamins and other nutrients sprayed into the mouth and under the tongue are more readily absorbed into the bloodstream than the same substances ingested into the stomach. This process bypasses the digestive tract and stomach, avoiding the standard metabolic process that often reduces the restorative properties of tablets, liquids and capsules.

The Sprayology system helps the body replenish its resources and function at optimum levels to meet the daily challenges of active and diverse lifestyles. All Sprayology formulas are designed in FDA approved laboratories by expert medical doctors and homeopaths to create a balance between modern technology and holistic health. The Sprayology line consists of 20 homeopathic FDA regulated sprays and four vitamin sprays.

AFFIRMATIVE ACTION-EQUAL OPPORTUNITY---MINORITY BUSINESS ENTERPRISES ---WOMEN-OWNED BUSINESS ENTERPRISES REQUIREMENTS

Part I. Affirmative Action Guidelines - Equal Employment Opportunity

I. As a matter of policy, the Port Authority hereby requires Concessionaire and Concessionaire shall require the Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Exhibit G and Sections 6.07 and 6.08 of the Sublease. The provisions set forth in this Part I are similar to the conditions for bidding on federal government contract adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

Concessionaire as well as each bidder, contractor and subcontractor of Concessionaire and each subcontractor of a contractor at any tier of construction (herein collectively referred to as "the Contractor") must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). Concessionaire hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions. Concessionaire shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions by submitting a properly signed bid.

II. Concessionaire and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

(1) Minority participation
Minority, except laborers 30%
Minority, laborers 40%

(2) Female participation

Female, except laborers 6.9%
Female, laborers 6.9%

These goals are applicable to all the Contractor's construction work performed in and for the premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to Concessionaire and Concessionaire shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within 10 working days of award of any construction subcontract in excess of $10,000 at any tier for construction work. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1)"Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941:

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of $10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor, shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone number of each minority and female off-the-street applicant and minority or female referral from

a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Concessionaire when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO Policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decision including specific review of these items with on-premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m)The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered by the Concessionaire. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at lease as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Concessionaire shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanical apprentice, trainee, helper, or laborer), dates of

changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Lease, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II. MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires the Concessionaire and the Concessionaire shall itself and shall require the general contractor or other construction supervisor and each of the Concessionaire's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purposes hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations.

The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Concessionaire and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may specify by notice to the Concessionaire. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e. suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

EXHIBIT I

PORT AUTHORITY LOCAL BUSINESS ENTERPRISE COMMITMENT

As a matter of policy, Sublandlord and the Port Authority hereby require Concessionaire and Concessionaire shall require any Contractor utilized by Concessionaire to perform construction work on the Concessionaire Premises to comply with the provisions set forth hereinafter in this Exhibit I.

(1) Concessionaire and each Contractor shall use every good faith effort to maximize the participation of Local Business Enterprises ("LBEs") in all construction work on the Concessionaire Premises. In order to assure familiarity with the services and materials provided by LBEs, the Contractor shall attend such meetings as may be called by the General Manager of the Airport on LBEs and shall contact the Queens Air Services Development Office ("ASDO"), located at John F. Kennedy International Airport, Bldg. 141, First Floor, Jamaica, NY 11430 to obtain LBE Vendor Profiles and access ASDO's on-line vendor retrieval system ("BASIS"). Sublandlord, American or the Authority has not checked the references, capabilities or financial background of the LBEs registered with the ASDO, but is referring the Contractor to the ASDO and BASIS solely for the purpose of advising Contractors of LBEs who may be interested in providing services and/or materials to the Contractor.

(2) Good faith efforts to include participation by LBEs in construction work shall include at least the following: (i) Dividing the work to be subcontracted and services and materials to be procured into small portions, where feasible. (3) Sublandlord and the Port Authority are committed to making employment opportunities available to local residents and expects that the Contractor will utilize LBEs.

(4) It is specifically understood and agreed that the requirements set forth herein for the participation of LBEs shall not alter, limit, diminish or modify any of the obligations under this Sublease including, without limitation, the obligation to put into effect the affirmative action program and the MBE and WBE programs in accordance with the provisions set forth above in Exhibit I.

PORT AUTHORITY STREET PRICING REQUIREMENTS

A. General Port Authority Street Pricing Policy.

The Aviation Department of the Port Authority requires specific pricing criteria in all concessions agreements at the Airport. In general, the Port Authority and Sublandlord seek to promote fair and reasonable prices in airport concession programs. The street pricing policy is also designed to produce a greater volume of sales, thereby reflecting the Port Authority's and Sublandlord's objective to provide high customer service and optimization of financial return. The Port Authority's street pricing policy requires that prices charged at the Airport will be comparable to off-airport prices. In general, the policy requires any specialty retail, newsstand and food & beverage vendors that operate both on-airport and off-airport to price goods in the on-airport store within the range of prices charged at their off-airport stores. For vendors without off-airport operations in the area, comparable stores in the region are identified to establish the basis for street prices (the specific methodology for this comparison is established based upon the specific type of store and merchandise sold). For duty free concession vendors, where there are no comparable off-airport operations, the pricing policy requires that the prices of duty free merchandise be substantially comparable to the prices charged for duty free goods in duty free stores at other airports in the northeastern United States. Further, vendors must submit price lists for all goods and services in advance for approval. The street pricing policy also requires vendors to post signs in clearly visible locations notifying customers that the store charges fair and reasonable prices that are comparable to other stores in the region. Sublandlord requires strict adherence to the Port Authority's street pricing policy.

B. Comparable Locations In the Metro Area.

1. Specialty Retail and Food Service Concessions. For price comparative purposes, the street pricing policy requires that the prices charged in the various types of specialty retail and food & beverage concession facilities permitted hereunder shall be compared to similar specialty retail and food & beverage establishments located in major regional malls, shopping centers, or other appropriate retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease.

2. Newsstand and News & Gifts Concessions. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for newspapers, magazines and sundries shall be compared to local convenience store chains and/or local non-Airport news & gift establishments (excluding any locations which do not have multiple independent competitive sources and operators) located in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease. For price comparative purposes, the street pricing policy requires that the prices charged in the newsstand and news & gift concession facilities permitted hereunder for gifts, souvenirs and novelties shall be compared to both similar gift, souvenir and novelty establishments located in the major regional malls, shopping centers, or other appropriate

retail/entertainment complexes (excluding any locations that do not have multiple independent competitive sources and operators) located in the Metro Area as well as to the local convenience store chains and/or local non-Airport news & gift locations (excluding any locations that do not have multiple independent competitive sources and operators) in the Metro Area as approved by Sublandlord from time to time as described in Section 8.03 of this Sublease.

C. Specialty Retail and Food Service Concession Pricing Requirements.

(Sublessee)

HIS CONSENT AGREEMENT SHALL NOT BE BINDING UPON THE PORT AUTHORITY UNTIL DULY EXECUTED BY AN EXECUTIVE OFFICER THEREOF AND DELIVERED TO THE AIRLINE AND THE SUBLESSEE BY AN AUTHORIZED REPRESENTATIVE OF THE PORT AUTHORITY

Port Authority Lease No. AYD-350
Consent to Sublease No. AYD-817
Facility: John F. Kennedy International Airport

CONSENT AGREEMENT

THIS CONSENT AGREEMENT, effective as of September 29, 2008 ("*Effective Date*"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("*Port Authority*") and **STELLAR PARTNERS INC.**, dba Ron Jon Surf Shop ("*Sublessee*"), a corporation organized and existing under the laws of the State of Florida with an office and place of business at 5402 Beaumont Center Boulevard, Suite 108, Tampa, Florida 33634, whose representative is Susan Stackhouse, and consented to by **JETBLUE AIRWAYS CORPORATION** ("*Airline*").

WITNESSETH, That:

WHEREAS, by a certain agreement of lease made as of the 6th day of May, 2005 and bearing Port Authority Lease No. AYD-350 (as the same may have been and may be hereafter amended, supplemented or extended, the "*Airline Lease*") the Port Authority leased to the Airline certain premises at John F. Kennedy International Airport ("*Airport*") for certain passenger terminal facilities as more particularly set forth in the Airline Lease (the "*Terminal*"); and

WHEREAS, it was contemplated under the Airline Lease that certain food and beverage, newsstand, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required; and

WHEREAS, the Airline and the Sublessee have entered into an agreement of sublease covering portions of the Terminal under the Airline Lease (such portions, being hereinafter collectively called the "*Space*" or the "*Spaces*"), a copy of which is attached hereto and made a part hereof (the "*Sublease*"), subject to the consent of the Port Authority and the execution of this Consent by and among the Airline, Sublessee and the Port Authority;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Airline and the Sublessee hereby agree effective as of the Effective Date, as follows:

1. Consent.

On the terms and conditions hereinafter set forth, the Port Authority consents to the Sublease.

2. Term of Consent.

Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Airline or the Sublessee, on the earliest to occur of: (a) the day preceding the date of expiration or earlier termination of the Airline Lease; (b) the effective date of any revocation of this Consent pursuant to paragraph 6 hereof; (c) the date of expiration or earlier termination of the Sublease; or (d) such earlier date as the Airline and the Sublessee may agree upon subject to the terms and provisions hereof. Notwithstanding the foregoing, however, no termination of the Sublease shall diminish, limit, alter, affect, modify or impair the obligations, liabilities, or responsibilities of the Airline under the Airline Lease or release or relieve the Airline from the same or from any of the terms, provisions, covenants and conditions of the Airline Lease on its part to be kept, performed or observed. The Sublessee shall cease its activities and operations at the Space and shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the revocation, expiration or termination of the Sublease.

3. Breach or Default of Airline Lease.

If the Airline shall at any time be in breach or default of its obligations under the Airline Lease, beyond applicable notice and cure periods, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Airline from the Sublessee (including, but not limited to, late charges, liquidated damages, fines and the like). No such payment shall relieve the Airline from any obligation under the Airline Lease or under this Consent but all such payments shall be credited against the obligations of the Airline or of the Sublessee, as the Port Authority may determine for each payment or part thereof.

4. Controlling Documents; Conflicts and Inconsistencies.

(a) Neither this Consent, nor anything contained herein, shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Airline Lease, nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Airline under the Airline Lease. Neither this Consent nor anything contained herein, nor any termination of the Sublease, shall affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Airline under the Airline Lease nor constitute or be deemed to constitute a release of the Airline from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Airline

and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease, including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Consent, or shall thereafter grant its consent or approval thereto, or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact, or that the Port Authority's discretion pursuant to the Airline Lease as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Airline including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) In any case of any conflict with, or difference or inconsistency between, the provisions of this Consent and those of the Sublease, this Consent shall be controlling and, in any case or difference or inconsistency between the terms of the Sublease and those of the Airline Lease, those of the Airline Lease shall control. Accordingly, to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Airline Lease or this Consent then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Airline Lease.

(e) The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with

all the terms, provisions and conditions of the Airline Lease.

(f) Notwithstanding anything to the contrary stated in the Sublease, the following shall supercede and control with respect to the Sections of the Sublease which are referenced, below, if and to the extent of any conflict between this Consent and the said Sublease Section:

(1) Section 2.04 "Delivery of Premises; Concessionaire's Work Generally" – In subparagraph (a), the Sublessee shall have at least sixty (60) days from the Commencement Date to substantially complete the Concessionaire's Work (as defined in the Sublease) and, accordingly, the Substantial Completion Date shall be no longer than the expiration of such 60-day period.

(2) For avoidance of doubt, in the Sublease definitions of Port Authority Share and Sublandlord Share, the phrase "excluding rentals and fees that are strictly pass-through charges for expenses actually incurred by Sublandlord and Sublandlord Concession Manager" shall refer only to certain items of Additional Rent (as defined in the Sublease) and not to the Minimum Annual Guarantee or Percentage Rent (as such terms are defined in the Sublease), and shall not include any expenses personally incurred by the Sublandlord Concession Manager (as defined in the Sublease).

(3) Section 3.02, "Reconciliation" – Any reconciliation to be made by the Port Authority in favor of the Sublessee shall be handled by the Port Authority by applying the procedures typically followed by the Port Authority in the ordinary course of its business with other permittees/lessees/sublessees.

(4) Section 8.04, "Pricing", subparagraph (e) – As a matter of clarification, the reference to identical items in other Ron Jon Stores at non-airport locations shall refer to "identical items in other Ron Jon stores at non-airport locations in the New York Metropolitan Area.

(5) Section 10.09, "Trash and Refuse" and Section 10.11, "Cleaning and Janitorial Services" - The Lessee shall use commercially reasonable efforts to operate, or cause to be operated, the loading dock and storage areas of the Master Lease Premises in an efficient and coordinated manner that supports the use of such facilities by Sublessee and the other concessionaires in connection with their respective businesses, and Sublessee shall have no obligation to manage or operate, to cause to be managed or operated, or to agree to manage or operate, a program for trash removal, the loading dock, the storage areas or any other common areas at the Terminal.

(6) Section 15.03, "Total Damage to Concessionaire Premises" - Notwithstanding the provisions of Section 15.03(c) to the contrary, the Port Authority Share of rent shall not be abated in the event of a casualty.

5. Required Port Authority Consent.

The granting of this Consent by the Port Authority shall not be, and shall not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease or other agreement with respect to the use or occupancy of the Space or any other portion of the Terminal, or to any assignment of the Airline Lease or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

6. Revocation of Consent.

(a) The Port Authority shall have the right to revoke this Consent at any time without cause, as to any one or more (if applicable) of the Spaces at which the Sublessee has permission to operate on thirty (30) days' notice to the Sublessee and the Airline, and no such revocation shall be deemed to affect the Airline Lease or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby.

(b) In the event the Port Authority exercises its right to revoke this Consent if the Sublessee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Consent, the Sublessee shall be obligated to reimburse the Port Authority for any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Consent including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Consent.

7. Utilities.

(a) The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

(b) Except as expressly permitted under the Airline Lease, the cost of utilities shall not be charged to the Sublessee unless the Sublessee is a food/beverage vendor, all in accordance with the Airline Lease. By signing below, the Airline expressly agrees to the foregoing, and agrees that the Airline shall not charge to the Sublessee the cost of any utilities other than as aforesaid in this paragraph.

8. Compliance with Laws.

The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property.

Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

9. Late Charges.

If the Sublessee shall fail to pay any amount to the Port Authority required under this Consent or the Sublease when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent, including without limitation under paragraph 6 hereof or (ii) any obligations of the Sublessee under this Consent. In the event that any late charge imposed pursuant to this paragraph shall exceed a legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent shall be payable instead at such legal maximum.

10. No Responsibility of Port Authority for Capital Investment.

It is hereby acknowledged and agreed by the Airline and the Sublessee that the Port Authority has no obligation under the Airline Lease, the Sublease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's capital investment in the Space or at the Terminal, whether amortized or unamortized. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or upon revocation of this Consent, with or without cause, of any amount of the Sublessee's capital investment in the Space or at the Terminal shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Airline to pay, subsidize or finance said capital investment.

11. Indemnification.

(a) Without in any manner affecting the obligations of the Airline under the Airline

Lease and under this Consent, and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, representatives, agents, contractors, members (in their capacity as members of the Sublessee if it is a limited liability entity), managers (in their capacity as managers of the Sublessee if it is a limited liability entity), partners (if Sublessee is a partnership), customers, guests, invitees and other persons and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Consent by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Sublessee as a limited liability entity), managers (in their capacity as managers of the Sublessee as is a limited liability entity), partners (if Sublessee is a partnership), customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Terminal with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Sublessee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at it own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

12. Insurance.

(a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the

protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

	Minimum Limits
Commercial General Liability Combined single limit per occurrence for bodily injury and property damage liability:	$2,000,000

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the

Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

13. Affirmative Action; Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation.

(a) Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

(b) The Sublessee is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Sublessee agrees that Schedule G, attached to the Sublease and this Consent, is hereby made a part hereof and incorporated by reference herein and the Sublessee shall comply with its terms and provisions.

14. Subordination of Sublease.

Nothing contained in this Consent nor in the Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee, shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority, and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Airline Lease, consistent with paragraph 4 hereof. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of the Sublease.

15. Construction and Repairs

Nothing contained in this Consent or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Terminal including without limitation the installation of any signs at the Airport. The Airline and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions of the Airline Lease and an

approved Tenant Alteration Application which the Airline shall prepare and submit to the Port Authority.

16. Notices.

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the Airline and their respective offices shall be as set forth in the Airline Lease. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the registered or certified mailing thereof.

17. Basic Lease Provisions.

(a) Certain Definitions.

(i) "*Basic Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and the Port Authority, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same from time to time may have been or may be supplemented, amended and/or restated.

(ii) "*City*" shall mean The City of New York, a municipal corporation of the State of New York.

(b) The Sublessee acknowledges that it has received a copy of, and is familiar with the contents of, the Basic Lease. The Sublessee acknowledges that no greater rights or privileges are hereby granted to the Sublessee than the Port Authority has the power to grant under the Basic Lease.

(c) In accordance with the provisions of the Basic Lease, the Port Authority and the Sublessee hereby agree as follows:

(i) This Consent is subject and subordinate to the Basic Lease and to any interest superior to that of the Port Authority;

(ii) The Sublessee shall not pay the fees or other sums under this Airline Lease for more than one (1) month in advance (excluding security and other deposits required under this Airline Lease);

(iii) With respect to this Consent, the Sublessee on the termination of the Basic Lease will, at the option of the City, enter into a direct consent on identical terms with the City;

(iv) The Sublessee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the Basic Lease;

(v) The Sublessee shall not use any portion of the Airport for any use other than as permitted under the Basic Lease;

(vi) The Sublessee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the Basic Lease;

(vii) The failure of the Sublessee to comply with the foregoing provisions shall be an event of default under this Consent, which shall provide the Port Authority with the right to revoke this Consent and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Sublessee pursuant to this Consent.

18. Inspection.

(a) The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Sublessee of its obligations under this Consent and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Consent, the Airline Lease, or otherwise.

(b) Further, the Port Authority shall have the right to inspect the Sublessee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Sublessee, and any activities or operations of the Sublessee hereunder. Upon request of the Port Authority, the Sublessee shall operate or demonstrate any machines or equipment owned by or in the possession of the Sublessee at the Space or to be placed or brought on the Space, and shall demonstrate any process or other activity being carried on by the Sublessee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Sublessee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

19. No Waiver.

No failure by the Port Authority or the Airline to insist upon the strict performance of any agreement, term, covenant or condition of the Sublease or this Consent or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of the Sublease or this Consent during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Airline of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term, covenant or condition. No agreement, term, covenant or condition of the Sublease or this Consent to be performed or complied with by the Sublessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Sublessee in performance of any agreement, term, covenant or condition of the Sublease or this Consent shall affect or alter the Sublease or this Consent, but each and every agreement, term, covenant and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

20. Continued Exercise of Privilege After Expiration, Revocation or Termination.

Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Sublessee shall continue to perform any of the privileges granted to the Sublessee hereunder (the "Authorized Privileges") after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Consent or other remedies the Port Authority may have by law or otherwise, the Sublessee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation, termination or cancellation and ending on the date that the Sublessee shall cease to perform the Authorized Privileges at the Premises equal to twice the sum of all fees payable hereunder. Nothing herein contained shall give, or be deemed to give, the Sublessee any right to continue to perform any of the Authorized Privileges at the Terminal after the expiration, revocation, cancellation or termination of the effective period of the permission granted under this Consent. The Sublessee acknowledges that the failure of the Sublessee to cease to perform all the Authorized Privileges at the Terminal from and after the effective date of such expiration, revocation, cancellation or termination will or may cause the Port Authority injury, damage or loss. The Sublessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Sublessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

21. Waiver of Trial by Jury.

The Sublessee hereby waives its right to trial by jury in any action that may hereafter be

instituted by the Port Authority against the Sublessee in respect of the permission granted under this Consent and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Consent. The Sublessee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

22. Business Development and Records.

(a) In connection with its use of the Space hereunder, the Sublessee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it under the aforedescribed consumer services agreement ;

(ii) not divert, or cause or allow to be diverted, any business from the Terminal or the Airport;

(iii) maintain, in English and accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records and work schedules) recording all transactions of the Sublessee at, through, or in any way connected with its operations at the Terminal or elsewhere at the Airport, and outside the Airport if the order therefor is received at the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport;

(iv) cause any Affiliate (as herein defined) of Sublessee, if any such company performs services similar to those performed by the Sublessee to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Consent, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Sublessee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity performed at the Airport and off the Airport if the order therefor is received at the Airport. An *"Affiliate"* with respect to the Sublessee is any person or entity which directly or indirectly controls, is controlled by, or is under common control with the Sublessee; the term "control" (including the terms controlling, controlled by, and under common control with) shall mean the possession, direct or indirect, of the power to direct

or cause the direction of the management and policies of the person, whether through the ownership of voting securities, by contract, or otherwise;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Consent, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Sublessee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of gross receipts and all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within twenty (20) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records; and

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Sublessee's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals;

(vii) in those situations where the books and records have been generated from computerized data (whether mainframe, minicomputer, or PC-BASED computer systems), provide, or cause to be provided, to the Port Authority's representative extracts of data files in a computer readable format on data disks, E-mail with attached files or alternative computer data exchange formats suitable to the Port Authority in its sole discretion; and

(viii) permit the inspection by the officers, employees and representatives of the Port Authority and those of the Airline of any equipment used by the concession operator including, but not limited to, any of the equipment described in subparagraph (1)(vi) above.

(b) Without implying any limitation on the right of the Port Authority to revoke this Consent for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Sublessee understands that the full reporting and disclosure to the Port Authority of all gross receipts and the Sublessee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Consent. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Sublessee to comply with all the provisions of paragraph (a) above then, in addition to all, and without limiting any other, rights and remedies

of the Port Authority and the Airline under this Consent or otherwise and in addition to all of the Sublessee's other obligations under this Consent:

(i) the Port Authority may estimate the gross receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Sublessee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Sublessee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Sublessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Sublessee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) Without implying any limitation on the rights or remedies of the Port Authority or of the Airline under this Consent or otherwise including without limitation the right of the Port Authority to revoke this Consent for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then the Sublessee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(d) In the event that upon conducting an examination and audit as described in this paragraph, the Port Authority determines that unpaid amounts are due to the Port Authority by the Sublessee (the "*Audit Findings*"), the Sublessee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Sublessee under this Consent or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Consent or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i)

any rights of the Port Authority under this Consent or otherwise, including, without limitation, the Port Authority's rights to revoke this Consent or (ii) any obligations of the Sublessee under this Consent or the Sublease.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Consent payable to the Port Authority with the same force and effect as the basic fee/rent and all other fees/rent payable to the Port Authority hereunder.

23. Sublessee Payments and Statements.

(a) The Sublessee shall pay to the Port Authority the fees, as applicable, due to the Port Authority at the times and in accordance with the terms and provisions of the Sublease. All amounts to be paid to and all statements to be submitted to the Port Authority by the Sublessee pursuant to this Consent and the Sublease shall be made in accordance with Article 3 of the Sublease.

(b) To the extent that the Sublessee has not already done so at the time of execution of this Consent and without limiting the generality of any other term or provision hereof, the Sublessee agrees to submit monthly statements of Gross Receipts and to pay, at the time of execution and delivery of this Consent to the Port Authority, all fees and other amounts, due under this Consent to the Port Authority for the period from the Effective Date to the time of execution and delivery of this Consent by the Sublessee.

24. Port Authority Reserved Uses.

In addition to any other uses prohibited by the express terms of the Sublease, the Sublessee is prohibited in engaging in any of the following uses, operations or installations at the Space, which the Port Authority has reserved exclusively to itself and its designees: (i) advertising, (ii) public telephones (sometimes also referred to as "pay phones" "pay telephones" or "public telephones"), pre-paid phone cards (except Sublessee may sell Port Authority sponsored pre-paid telephone cards purchased from a pre-paid telephone card contractor, subcontractor or permittee of the Port Authority), facsimile transmission machines and other public communications services and facilities, including without limitation, public communications services and facilities that operate within the licensed spectrum radio frequency allocations and including in particular, but without limitation, "cellphone"/cellular technology and any technology that substitutes for, replaces or is used in conjunction with cellphone/cellular technology, and also including all Port Authority-owned or operated information and communications technology infrastructure for common Airport use, (iii) vending machines dispensing anything including, but not limited to, catalog and electronic sales (except in non-public areas of the Space for products then permitted to be sold on the Space under agreements or subleases approved by the Port Authority), (iv) ground transportation (including vehicle rentals) reservations, and (v) provision of on-airport baggage carts (other than shopping carts made available free of charge to retail shoppers within the concession areas) or other on-airport baggage-moving devices.

25. Other Security Deposits.

(a) With respect to the letter of credit as security for the Port Authority, in connection with the Sublease, such letter of credit shall be in favor of the Port Authority, and payable in the Port of New York District in the amount of Thirty Two Thousand Five Hundred Dollars and No Cents ($32,500.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority.

(b) If the Sublessee is obligated by any other agreement with the Port Authority to maintain a security deposit with the Port Authority to insure payment and performance obligations of the Sublessee to the Port Authority pursuant to any such other agreement or otherwise, then any deposit pursuant thereto shall also secure the obligations of the Sublessee under this Consent and serve as security hereunder, in addition to the amount of any required security cited in Section 25.19 of the Sublease, and in addition to such security continuing to serve as such under such other Port Authority agreement. In such case, all provisions of such other agreement relating to such deposit are hereby incorporated herein by this reference as though fully set forth herein. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply, or any permitted assignment of such other agreement, shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

26. Third Party Beneficiary; Enforcement.

The Port Authority is an express and intended third party beneficiary of the Sublease and the Port Authority shall have the right, but not the obligation, to directly enforce the provisions of the Sublease as well as the right to enforce the provisions of this Consent. The obligation of the Sublessee to pay fees or rent hereunder is for the benefit of both the Port Authority and the Airline and the payment thereof may be enforced by either or both the Port Authority and the Airline, individually or collectively. In the event of any breach or default by the Sublessee in paying the fees due under this Consent, the Airline shall have the right and obligation to enforce payment thereof and to exercise all necessary remedies in connection therewith and, without limiting or affecting the rights of the Port Authority to collect the fees due hereunder for the account of both the Port Authority and the Airline, the Port Authority shall not have any obligation to the Airline to incur any expenses or to commence any legal proceeding to collect unpaid fees or rent from the Sublessee; provided, however, that all fees/rent due hereunder to the Port Authority and collected by the Airline shall be remitted by the Airline to the Port Authority as and when collected and that all fees/ret due hereunder to the Airline and collected by the Port Authority shall be remitted by the Port Authority to the Airline as and when collected.

27. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Consent, the Sublessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Sublessee

recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Sublessee shall promptly give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all threatened or existing labor-related disruptions directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent which (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem reasonable under the circumstances, including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and the Sublessee, subject to applicable laws and regulations.

(b) Labor peace agreement. To assure that labor harmony is maintained at the Airport, the Sublessee agrees that it shall deliver to the Port Authority one of the following: (1) evidence that the Sublessee has entered into a signed "labor peace agreement" with a labor organization that seeks to represent the Sublessee's employees that contains provisions under which the labor organization and its members agree to refrain from engaging in any picketing, work stoppages, boycotts or any other economic interference with the Sublessee's operations, (2) written notification from an officer of the Sublessee on the Sublessee's letterhead that no labor organization (as defined by 29 U.S.C. Section 152(5)) is seeking to represent the employees of the Sublessee at the Airport as of the date of such notification, or (3) written notification from an officer of the Sublessee on the Sublessee's letterhead that Sublessee and a labor organization seeking to represent the employees of the Sublessee have been unable to agree upon the terms of a "labor peace agreement" that otherwise complies with clause (1) above, and that Sublessee has extended a written offer to such labor organization to enter into mediation to reach such agreement. Should the labor organization that seeks to represent the Sublessee's employees and the Sublessee fail to reach a resolution on the terms of the "labor peace agreement" set forth in clause (1) above, within a period of sixty (60) calendar days from the commencement of mediation, then, upon notice by either party to the other, the dispute shall be submitted to binding arbitration by a single neutral arbitrator (who shall be selected by the parties from a list of neutral arbitrators provided to the parties by the American Arbitration Association ("AAA")) and in accordance with the Commercial Rules of the AAA. Both the cost of mediation and arbitration will be split evenly between the parties. The labor peace agreement provided in (1), or the notification provided in either (2) or (3), of the preceding clause, shall be delivered to the Port Authority no later than ninety (90) days after the execution of this agreement. If after the expiration of such ninety (90) day period, the Sublessee has not provided such labor peace agreement or either such notification, then the Port Authority shall have the right to take such reasonable actions as the Port Authority may deem appropriate including, without limitation, revocation of this Consent on five (5) days' written notice to the Lessee and Sublessee, subject to

applicable laws and regulations, it being understood, that nothing in this subsection shall limit the Port Authority's rights to take any actions it deems reasonable under the circumstances to ensure labor harmony as provided in subsection (a) of this Section during the entire term of this Consent. In the event that the Sublessee has delivered the notification provided in clause (2) of the first sentence of this paragraph, and thereafter a labor organization (as defined by 29 U.S.C. Section 152(5)) seeks to represent the employees of the Sublessee at the Airport, the Sublessee shall provide the Port Authority with notice of such change in circumstances, and follow the procedures set forth in this paragraph.

(c) Employee Retention. If the Sublessee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "Predecessor Concession"), the Sublessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Sublessee at the Space. The foregoing requirement shall be subject to the Sublessee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Sublessee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space.

The Port Authority shall have the right, subject to applicable laws and regulations regarding human resources and employment matters, to demand from the Sublessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision.

(d) Applicability of Provisions. The provisions of the foregoing subsections (b) and (c) of this Section shall apply to any concession operation of the Sublessee at the Terminal which employs ten (10) or more persons at the Space.

28. General; Construction and Interpretation.

(a) Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees, contractors, subcontractors and others on the Space or on the Airport with the consent of the Sublessee.

(b) The paragraph headings used herein are used solely for convenience and shall not be given any weight in the interpretation of this Consent. All Schedules and Exhibits are hereby incorporated and merged into this Consent and made a part hereof.

(c) This Consent shall be construed without regard to any presumption or any other rule requiring construction against the party causing this Consent or any part thereof to be drafted.

(d) For the convenience of the parties, any number of counterparts hereof may be executed, each such executed counterpart shall be deemed an original and all such counterparts together shall constitute one and the same document.

(e) The Port Authority may at any time and from time to time by notice to the Airline and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Airline or the Sublessee.

29. Governing Law.

Anything in the Sublease to the contrary notwithstanding, the effect and meaning of this Consent and the rights of the parties hereunder shall be governed by, and construed and enforced in accordance with, the laws of the State of New York without regard to the conflict of laws principles thereof.

30. No Personal Liability.

Neither the Commissioners of the Port Authority nor any of them, nor any director, officer, agent or employee of the Port Authority, the Airline or the Sublessee shall be held personally liable to any party under any term or provision of this Consent or because of its execution or attempted execution or because of any breach or alleged breach thereof.

31. Entire Agreement; Amendment. This Consent constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority, the Sublessee and the Airline.

IN WITNESS WHEREOF, the Port Authority, the Airline and the Sublessee have executed these presents as of the date hereinabove written.

Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $30million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South,

4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

(vi) install and use such cash registers, sales slips, invoicing machines and any other equipment and devices, including without limitation computerized record-keeping systems, for recording orders taken, or services rendered, as may be appropriate to Concessionaire's business and necessary or desirable to keep accurate Books and Records as aforesaid, and without limiting the generality of the foregoing, for any activity involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals;

(viii) permit the inspection by the officers, employees and representatives of Sublandlord and the Port Authority of any equipment used by Concessionaire, including, but not limited to, any of the equipment described in subparagraph (a)(vi) above.

(b) Without implying any limitation on the right of Sublandlord to terminate this Sublease based on an Event of Default, including but not limited to, default of any term, condition or provision of paragraph (a) above, if any Books and Records are maintained outside of the Port of New York District, then Sublandlord in its sole discretion may (i) require on ten (10) days' notice to Concessionaire that any such Books and Records be made available to Sublandlord and the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (ii) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States, Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all travel costs and related expenses, as determined by Sublandlord and the Port Authority, for Sublandlord and Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, and if such Books and Records are maintained outside the contiguous United States Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all costs and expenses of Sublandlord and the Port Authority, as determined by Sublandlord and the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by Sublandlord and the Port Authority for the purpose of conducting such audit and examination.

(c) Without implying any limitation on the rights or remedies of Sublandlord or the Port Authority under this Sublease or otherwise, including without limitation the right of the Sublandlord to terminate this Sublease for an Event of Default, including a default of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, if any of the Books and Records are not maintained in English, then Concessionaire shall pay to Sublandlord and the Port Authority, when billed, all costs and expenses of Sublandlord and the Port Authority, as determined by Sublandlord and the Port Authority, to translate such Books and Records into English.

No acceptance by Sublandlord or the Port

Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of Sublandlord or the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Sublease or otherwise with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by Sublandlord and the Port Authority in the same manner and with like remedies as if it were originally a part of the original fees to be paid. Nothing in this section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of Sublandlord or the Port Authority under this Sublease or otherwise, including, without limitation, Sublandlord's right to terminate this Sublease or the Port Authority's rights to revoke the Consent, or (ii) any obligations of Concessionaire under this Sublease. In addition, Concessionaire shall pay to Sublandlord and the Port Authority the cost of any audit or inspection performed pursuant to this Section if Gross Receipts were understated by more than three percent (3%).

Such statement shall also contain a list of the Gross Receipts, by month, location, and product category, as shown on the Books and Records, which were used to compute the Monthly Rent and other payments made to Sublandlord and the Port Authority during the period covered by said statement. Such statement shall be certified, at Concessionaire's expense, by an independent certified public accountant. Concessionaire shall have until ninety (90) days from the end of each year during the Term to propose, in writing, any adjustments to such annual statement. No adjustments shall be made until Concessionaire has received approval from Sublandlord, the Port Authority, or their designated representatives, as applicable. Any additional or unpaid rent or fees due for the prior year shall be submitted with such annual statement.

(b) Any year-end credit due to Concessionaire, after approval of the annual certified statement, shall be taken by the 180th day of the year during which the annual statement was submitted. A credit shall be noted in the monthly statement submitted by Concessionaire and the credit shall be applied to the rent due. If credit is not taken by said date, credit shall be deemed as forfeited by Concessionaire with no further obligation by Sublandlord.

SECTION 4.03 Internal Controls. SECTION 5.01 Alterations.

(a) Concessionaire shall not make or perform or permit the making or performance of, any alterations, installations, improvements, additions or other physical changes in or about the Concessionaire Premises, including Concessionaire's Work (collectively, "Alterations"), without the prior written consent of Sublandlord and the Port Authority as hereinafter set forth. Sublandlord's and the Port Authority's consent to Alterations may be withheld for any reason or for no reason. Any Alterations made to the Concessionaire Premises shall be made in accordance with (i) this Sublease, (ii) the Tenant Design Manual, (iii) the Master Lease, (iv) the Port Authority's TAA process and the specific TAA therefor, (v) the Consent, and (vi) all Legal Requirements.

(b) Title to all Alterations made and installed by Concessionaire upon or in the Concessionaire Premises shall pass to the City of New York as the same or any part thereof is erected, constructed or installed, in accordance with the Master Lease, provided that all furniture, finishings, movable trade fixtures, and personal property of Concessionaire shall remain the property of Concessionaire and upon the Expiration Date, shall be removed from the Concessionaire Premises by Concessionaire, provided, further, that Concessionaire shall repair any damage to the Concessionaire Premises or the Master Lease Premises caused by such removal. The foregoing provisions of this paragraph shall not affect the risks and obligations assumed by Concessionaire under this Sublease nor release Concessionaire from the performance of its obligations to rebuild and/or restore any such Alterations as set forth in this Sublease. Notwithstanding the foregoing, subject to the provisions of the Master Lease, Sublandlord shall have the right and privilege at any time up to six (6) months prior to the expiration of this Sublease to serve notice upon Concessionaire that any of such Alterations shall be removed and, in the event of service of such notice, Concessionaire shall, at Concessionaire's own cost and expense, remove the same in accordance with such request, and restore the Concessionaire Premises to its original condition, ordinary wear and tear and casualty excepted.

Sets of plans and materials boards for all Alterations shall be given to Sublandlord for review prior to commencement of construction in accordance with the requirements listed in the Tenant Design Manual. After final approval by Sublandlord, Sublandlord shall return to Concessionaire one (1) approved copy for Concessionaire's records and shall retain one (1) approved copy as an official record thereof.

(d) Concessionaire will additionally be required to comply with the Port Authority's Tenant Alteration Application (TAA) procedure and construction requirements. All costs associated with the TAA process, including any resubmissions, shall be borne by Concessionaire. The forms and information required in this process may be obtained directly from the Port Authority's Tenant Liaison Office in Building 14 at the Airport.

(e) All Alterations, including the plans and specifications therefor, constructed or installed by Concessionaire, its agents, or contractors, shall conform in all respects to applicable Legal Requirements, including the ADA Act of 1990, as outlined in the Tenant Design Manual. Any approval given by Sublandlord shall not constitute a representation or warranty as to such conformity; and responsibility therefor shall at all times remain with Concessionaire.

(f) Sublandlord's approval requirements shall extend to and include architectural and aesthetic matters and Sublandlord reserves the right at its sole and absolute discretion to reject any layout or design proposals submitted and to require Concessionaire to resubmit any such layout or design proposals until they meet Sublandlord's approval.

(g) In the event of disapproval by Sublandlord of any portion of any plans or specifications, Concessionaire shall promptly submit necessary modifications and revisions thereof for approval by Sublandlord. Sublandlord agrees to act promptly upon such plans and specifications and upon requests for approval of changes or alterations in said plans or specifications. No substantial changes or alterations, as determined by Sublandlord, shall be made in said plans or specifications after initial approval by Sublandlord, and no alterations or improvements shall be made to or upon the Concessionaire Premises without the prior written approval of Sublandlord.

(h) No more than sixty (60) days after the completion of any construction project, Concessionaire shall provide Sublandlord two (2) completed sets of as-built drawings in reproducible form as specified in Section 7 of the Tenant Design Manual and an electronic file of As-Built Drawings in the format outlined in Section 7 of the Tenant Design Manual, such submissions to include (i) stamped and sealed drawings within the Construction Document set, including architectural, structural, and MEP, (ii) a full set of specifications, including schedules of doors, hardware, equipment, furniture, finishes, and (iii) graphic specifications and details. Concessionaire agrees that, upon the request of Sublandlord, Concessionaire will inspect the Concessionaire Premises jointly with Sublandlord to verify the as-built drawings. If Concessionaire fails to provide such as-built drawings in accordance with the foregoing, Sublandlord shall have the right to assess against Concessionaire liquidated damages of up to $500 per day for each day until Concessionaire provides them, which liquidated damages shall be payable upon demand.

(i) Concessionaire may install video equipment in its Concessionaire Premises in accordance with plans and specifications to be submitted to Sublandlord, but shall not install any paging or audio system within the Concessionaire Premises without the prior written consent of Sublandlord.

SECTION 5.02 Access by Sublandlord and the Port Authority.

(a) Sublandlord, the Port Authority (to the extent permitted under the Master Lease), and their respective directors, officers, employees, agents, representatives, contractors, and furnishers of utilities and other services, shall have the right from time to time, at their own cost and expense, for their own benefit or for the benefit of others at the Master Lease Premises and/or Airport, to: (i) construct and maintain existing and future utility and other systems throughout the Concessionaire Premises; (2) enter the Concessionaire Premises at all reasonable times and upon reasonable notice (provided no notice shall be required during any real or threatened emergency) to inspect any part of the Concessionaire Premises, fixed improvements and operating equipment, and to make such repairs, replacements or alterations thereto as may, in the opinion of Sublandlord or the Port Authority, be necessary or advisable (and, if Concessionaire is otherwise obligated under this Sublease to perform such work and/or take such action, the cost thereof shall be due and payable by Concessionaire on demand, as Additional Rent; (3) construct or install facilities over, in or under parts of the Concessionaire Premises otherwise not conveniently accessible; and (4) install, operate, maintain, recover and repair the property used in connection with their respective rights to the Concessionaire Premises, provided that in each case in the exercise of such rights of access, maintenance, repair, replacement, alteration or new construction, Sublandlord and the Port Authority, as applicable, shall use reasonable efforts not to unreasonably interfere with the use and occupancy of the Concessionaire Premises by Concessionaire. In no event shall the exercise by Sublandlord or the Port Authority of the rights granted under this paragraph entitle Concessionaire to receive any compensation, reimbursement, damages or abatement of Rent, nor shall such actions by Sublandlord or the Port Authority constitute an eviction or constructive eviction of Concessionaire in whole or in part.

(b) If any movable property of Concessionaire shall obstruct the access of Sublandlord or the Port Authority, their employees, agents and/or contractors, to any of the existing or future utility, mechanical, electrical and/or other systems and thus shall interfere with the inspection, maintenance or repair of any such system, Concessionaire shall move such property, as directed by Sublandlord or the Port Authority, in order that access may be had to the system or part thereof for its inspection, maintenance and/or repair; and, if Concessionaire shall fail to so move such property after direction from Sublandlord or the Port Authority to do so, Sublandlord or the Port Authority may move it, and Concessionaire shall pay the cost of such moving upon demand. In the case of fixed improvements installed by or on behalf of Concessionaire that were approved by Sublandlord and/or the Port Authority and thereafter are required to be moved for the reasons provided above, Sublandlord, at its cost, may move the same and, upon completion of the inspection, maintenance and/or repair; and, to the extent Sublandlord is obligated pursuant to the Master Lease, Sublandlord shall restore such permanent fixed improvements and repair any damage caused by such removal and restoration to the same condition as existed immediately prior to such removal.

SECTION 5.03 Minimum Initial Investment.

(a) As a valuable consideration for Sublandlord's entering into this Sublease, Concessionaire shall expend in the performance of Concessionaire's Work a minimum of (the "Minimum Initial Investment"). Excluded Costs shall not be counted toward Concessionaire's satisfaction of the Minimum Initial Investment expenditure requirement.

(b) Within sixty (60) days after completion of all of Concessionaire's Work, Concessionaire shall provide Sublandlord with a statement executed by an officer of Concessionaire certifying the total cost of installing Concessionaire's Work, including the associated architectural, engineering, and interior design fees of independent consultants, less any Excluded Costs. If said costs are less than the Minimum Initial Investment, the difference shall be payable to Sublandlord and the Port Authority pro rata based on the percentages set forth in the definitions of Sublandlord Share and Port Authority Share, respectively, within thirty (30) days after issuance of such statement. This certification reporting and fee restrictions shall also apply to any Mid-Term Refurbishments. In addition to the certified statement, Concessionaire shall submit to Sublandlord paid contractor receipts and lien waivers for labor and materials for Concessionaire's Work that have been constructed, as well as depreciation schedules for (i) all Concessionaire's Work, (ii) the Initial Buildout Costs, and (iii) all Mid-Term Refurbishments upon the installation and cost certification thereof. Failure by Concessionaire to provide such reports and schedules on time shall result in a $150 per day penalty, payable to Sublandlord upon demand.

SECTION 5.04 Reimbursement of Unamortized Capital Investment.

(a) If this Sublease is terminated or the Term shall end prior to the eighth (8th) anniversary of the Rent Commencement Date as result of a Discretionary Revocation under Section 25.18 or for any other reason other than (i) Concessionaire's default hereunder, (ii) other cause, including a revocation of the Consent by the Port Authority as a result of a default thereunder, or (iii) a termination under Section 14.01(g), then Sublandlord shall reimburse Concessionaire for its Unamortized Capital Investment as of the effective date of such termination. (b) Any payments required to be made pursuant to this Section shall be in full and final satisfaction of any and all obligations, damages, reimbursements and compensation due to Concessionaire, arising from or related to a termination or expiration of the Sublease as described in Section 5.04(a). If Sublandlord is obligated to reimburse any Unamortized Capital Investment pursuant to this Section, under no circumstances shall Sublandlord be liable to Concessionaire or any third party for any liabilities or damages whatsoever, including lost

profits, revenues, or punitive, consequential, incidental or special damages, other than the Unamortized Capital Investment due Concessionaire under this Section.

(c) Notwithstanding anything in this Section to the contrary, Sublandlord shall not be required to reimburse Concessionaire for any Unamortized Capital Investment unless and until Concessionaire provides Sublandlord with reasonably detailed documentation verifying the Initial Buildout Costs and the Unamortized Capital Investment.

(d) Sublandlord and Concessionaire each expressly acknowledges and agrees that the Port Authority shall have no obligations to Concessionaire to subsidize, finance or reimburse any portion if the Unamortized Capital Investment, and Concessionaire hereby releases and discharges the Port Authority from any such obligation with respect to the Unamortized Capital Investment.

with the Port Authority's policy regarding Local Business Enterprises set forth in Exhibit I attached hereto.

SECTION 6.10 Non-Discrimination.

(a) Without limiting the generality of any of the provisions of this Sublease, Concessionaire, for itself, its successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the ground of race, creed, color, sex or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Premises, (2) that in the construction of any improvements on, over, or under the Premises and furnishing of services thereon, no person on the ground of race, creed, color, sex or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that Concessionaire shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to Concessionaire's operations at the Airport, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) Concessionaire shall include the provisions of paragraph (a) of this Section in every sublease, agreement or concession it may make pursuant to which any Person or Persons, other than Concessionaire, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such covenant.

(c) Concessionaire's noncompliance with the provisions of this Section shall constitute a material breach of this Sublease. In the event of the breach by Concessionaire of any of the above nondiscrimination provisions, the Port Authority may take appropriate action to enforce compliance; or in the event such noncompliance shall continue for a period of twenty (20) days after receipt of written notice from the Port Authority, the Port Authority shall have the right to terminate this Sublease and the letting hereunder with the same force and effect as a revocation of the Consent, or may pursue such other remedies as may be provided by law; and as to any or all the foregoing, the Port Authority may take such action as the United States may direct.

(d) Concessionaire shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from Concessionaire's noncompliance with any of the provisions of this Section and Concessionaire shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to Concessionaire the right to transfer or assign this Sublease, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on the Concessionaire Premises.

SECTION 6.11 Airport Concessions Disadvantaged Business Enterprise (ACDBE) Participation. Concessionaire hereby represents, warrants, and covenants as follows:

(b) Concessionaire shall use the Concessionaire Premises in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 23, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to Concessionaire's operations at the Airport, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(c) Concessionaire is now, or will be prior to the Operational Commencement Date, qualified as an ACDBE to the extent and by virtue of Certificate PA-3641 dated February 10, 2006 and issued by the Port Authority, and shall, at all times during the Term, maintain its status and qualification as such pursuant to the requirements set forth in this Section and Exhibit H attached hereto. Notwithstanding the foregoing, following the initial certification of Concessionaire as an ACDBE by the Port Authority, and although Concessionaire intends to remain so certified, Sublandlord acknowledges and agrees that if Concessionaire fails to maintain its status as a certified ACDBE by the Port Authority at any time during the Term of this Sublease due to Concessionaire no longer meeting the statutory or regulatory requirements of ACDBE total gross receipts or the statutory or regulatory ACDBE personal net worth requirements, such failure shall not be considered a default by Concessionaire under the terms and provisions of this Sublease so long as such failure does not preclude Sublandlord from satisfying any ACDBE requirements applicable to Sublandlord.

(d) Concessionaire's noncompliance with the provisions of this Section shall constitute a material breach of this Sublease. In the event of the breach by Concessionaire of any ACDBE provisions in this Sublease, Sublandlord and the Port Authority may take appropriate action to enforce compliance, or in the event such noncompliance shall continue for a period of twenty (20) days after receipt of written notice from either Sublandlord or the Port Authority, Sublandlord or the Port Authority, as the case may be, shall have the right to terminate this Sublease and the letting hereunder, and with respect to any such termination by the Port Authority such termination shall have the same force and effect as a revocation of the Consent, or Sublandlord and the Port Authority may pursue such other remedies as may be provided by law.

ARTICLE VII. HOURS OF OPERATION, ETC.

SECTION 7.01 Hours of Operation. Concessionaire shall actively operate its business in the Concessionaire Premises in a business-like manner. The Concessionaire Premises shall be open to serve the public seven (7) days per week, and the hours of operation shall be such that passengers of any and all flights departing from the Master Lease Premises will be accommodated. In no event shall the hours of operation be curtailed to an extent that the service contemplated under this Concession Lease shall be diminished. Except as otherwise stated herein, the hours of service shall be determined in light of changing public demands and Sublandlord's flight schedules, provided that Concessionaire shall remain open for business continuously during the period commencing no later than one hour prior to the first scheduled aircraft departure at the Master Lease Premises each day and continuing until at least the last actual departure at the Master Lease Premises on such day. Concessionaire has the right to advise the Sublandlord Concession Manager of Concessionaire's analysis of the optimum arrangements, but the final determination of minimum hours of operation shall be made by the Sublandlord Concession Manager based on his or her analysis of necessary service to the public. No facilities shall be blocked off or closed at any time during the designated minimum hours of operation. The minimum hours of operation for the first ninety (90) days following the Operational Commencement Date shall be as follows:

Minimum Hours of Operation

Any damage incurred to the Master Lease Premises architecture, furniture, fixtures or infrastructure during merchandise distribution must be replaced or repaired to Sublandlord's satisfaction at Concessionaire's expense. SECTION 8.01 Merchandise. Concessionaire shall sell the items listed in Exhibit E in the designated locations. These outlets must be approved in advance in writing by Sublandlord. The comparable outlets must be valid comparables and will be used as the basis for price comparisons during the term of the Sublease to determine compliance with the Street Pricing Requirements. Acceptable outlets shall not include hotel gift stores, amusement parks, stadiums, arenas, other airports or transportation facilities, and zoos. If Concessionaire owns and/or operates a similar business selling like products to the public or there are outlets of the same brand in the New York Metropolitan area, then prices at the Concessionaire Premises shall be the same as the prices charged at the non-airport location(s).

(b) During the term of this Sublease, Concessionaire shall at least semi-annually provide documentation to Sublandlord comparing the prices it charges in the Master Lease Premises with the prices charged by the designated comparable outlets to establish Concessionaire's compliance with the Street Pricing Requirements. The items used in the

foregoing price comparisons shall be the 10 items sold by Concessionaire having the highest dollar sales volume and another five items selected as having the highest number of units sold.

(c) Additionally, no more than twice per year, Sublandlord may require Concessionaire to perform a price comparison of up to twenty items selected by Sublandlord. In the event it is determined by Sublandlord that Concessionaire is not in compliance with the Street Pricing Requirements, Sublandlord shall give Concessionaire written notice thereof and proceed with the Sanctions outlined in Section 17.03 hereof.

(d) Prior to introducing new products at any time during the Term of the Sublease, Concessionaire shall submit prices and appropriate comparisons to Sublandlord for review and written approval.

(e) Notwithstanding the provisions of this Section, so long as Concessionaire's prices for Ron Jon apparel and merchandise are identical to the prices for identical items in other Ron Jon stores at non-airport locations, Concessionaire shall not be deemed to be in breach of the "Street Pricing" requirements set forth in this Section with respect thereto..

SECTION 8.04 Adult Materials. Any adult materials approved for sale on the Concessionaire Premises shall be handled in a discreet manner so as not to offend the public. Adult magazines shall be wrapped or covered, except for the name, and their manner of display shall be subject at all times to Sublandlord's approval. Any other adult materials shall be handled as directed by Sublandlord. Concessionaire shall immediately remove from the Concessionaire Premises all adult materials that Sublandlord directs it to so remove and shall not thereafter display such material on the Concessionaire Premises. For the purposes of this Section, Sublandlord's designation of an item as adult material shall be final.

SECTION 8.05 Sublandlord Concession Manager's Right to Object. The Sublandlord Concession Manager shall have the right to raise reasonable objections to the appearance or condition of the Concessionaire Premises, the quality and quantity of merchandise, the character of the service, the hours of operation, the appearance and performance of service personnel, and to require any such conditions or practices objectionable to said Sublandlord Concession Manager to be remedied by Concessionaire.

SECTION 8.06 Nondiscriminatory Services Requirement. Concessionaire shall provide all services authorized hereunder to its customers and patrons upon a fair, equal, and nondiscriminatory basis and charge fair, reasonable, and nondiscriminatory prices. Concessionaire shall offer a 20% discount on the price of all products and merchandise, excluding reading material and tobacco products, sold in the Master Lease Premises to all Sublandlord, Sublandlord affiliate, and Port Authority employees, provided such individuals show valid identification. Exemptions from and modifications to the discount shall be subject to the prior written approval of Sublandlord in its sole discretion.

SECTION 8.07 Type of Operation. Concessionaire shall maintain and operate the

Concessionaire Premises granted hereunder in an orderly, proper, and first-class manner, which, in the sole judgment of Sublandlord, does not annoy, disturb, or offend others at the Airport. Furthermore, Concessionaire shall operate its business so as to maximize revenues in accordance with best industry practices and the standards observed generally by first-class business enterprises of regional or national scope which operate at other major airports.

SECTION 8.08 Replacements and Refunds. Concessionaire shall without any additional charge to the purchaser, exchange any product determined by said purchaser to be unsatisfactory, flawed, defective, or of poor quality or shall provide a full refund of the purchase price. Concessionaire agrees to satisfy all customers' complaints within forty-eight hours of receipt.

At all times during the term of this Sublease, Concessionaire shall accept as payment for goods and services travelers checks and at least three major nationally recognized credit or debit cards (e.g., American Express, Master Card, VISA) as designated by Sublandlord, subject, in all instances, to applicable Legal Requirements. Such travelers' checks and credit and debit cards shall be accepted as a service to the public for purchases. "Contactless" credit card transactions (e.g., Visa/Mastercard PayPass, Amex ExpressPay, etc.) and "No Signature Required" credit card transactions are Sublandlord's preferred payment options for customer purchases that are less than $25 at all concession locations in the Master Lease Premises.

Employees of Concessionaire shall wear appropriate nametags, subject to the approval of Sublandlord, and employees performing similar jobs shall have a similar dress code or wear similar uniforms, which shall be clean and pressed. Employees of Concessionaire shall also wear/display their Port Authority-issued security badges as required. Sublandlord shall have the right to object to the demeanor, conduct, and appearance of any employee of Concessionaire, or any of its invitees or those doing business with it, whereupon Concessionaire shall take all steps necessary to remedy the cause of the objection.

(b) The management, maintenance, and operation of the Concessionaire Premises shall be at all times during the term hereof under the supervision and direction of an active, qualified, competent, and experienced manager, who shall at all times be authorized to represent and act for Concessionaire. Concessionaire shall cause such manager to be assigned a duty station or office in the Concessionaire Premises at which he or she shall be available during normal business hours, and Concessionaire will at all times during the absence of such manager assign, or cause to be assigned, a qualified subordinate to assume and be directly responsible for the carrying out of his or her duties. A local representative of Concessionaire shall be available by telephone 24 hours per day, 7 days per week, 365 days per year in case of an emergency. SECTION 8.14 Tip Jars and Need-A-Penny Plates. Tip jars, cups, baskets or containers and "Need-A-Penny" plates, jars or cups are not permitted in any Concessionaire Premises. In bars and sit-down restaurants, tip jars may be kept apart from the public serving area, such as on a back bar. In quick service restaurants such as coffee shops, tip jars, cups, baskets and containers must be kept from public view. Under no circumstances shall a tip jar be placed in such a way as to "invite" or suggest that tips should be offered by customers.

ARTICLE IX. COMMON AREAS

SECTION 9.01 Use of Common Areas. Upon payment of the Rent and performance and observance of all terms and conditions in this Sublease to be performed and observed by Concessionaire, the right to possession of the Concessionaire Premises shall also include the non-exclusive right to the use of the Common Areas with all others for whose convenience and use both the Common Areas have been or may hereafter be provided by the Port Authority or Sublandlord, or both, subject however, to such rules and regulations for the use thereof as may be prescribed from time to time by either or both of Sublandlord and the Port Authority.

SECTION 9.02 Operation and Maintenance of Premises and Common Areas. Subject to Article X below, Sublandlord agrees, at no cost to Concessionaire, to keep all portions of the Master Lease Premises in good order and repair, and in full compliance with all Legal Requirements, including all HVAC equipment, plumbing (including sewage systems), electrical, fire protection (including any sprinkler systems in the Concessionaire Premises), and other systems and facilities servicing the Master Lease Premises, foundations, and exterior walls, provided that the provisions of this Section shall not apply in the case of damage or destruction by fire or other casualty or a taking under the power of eminent domain, in which case the obligations of Sublandlord shall be controlled by either Section 12 or Section 18 of the Master Lease or any other controlling section of the Master Lease. The foregoing obligations of Sublandlord shall include the responsibility and liability for the repair, maintenance, replacement

and restoration of all systems serving the Concessionaire Premises or all portions thereof, save and except for those systems installed within the Concessionaire Premises by Concessionaire, to the extent that such system serves only the Concessionaire Premises.

ARTICLE X. MAINTENANCE OF CONCESSIONAIRE PREMISES

SECTION 10.01 Airport Maintenance Obligations.

(b) Sublandlord shall provide, or cause to be provided, structural maintenance of the Master Lease Premises.

(c) Sublandlord shall provide free and uninterrupted access to the Master Lease Premises by Concessionaire and its employees, contractors and agents at all times, subject to interruptions due to security, construction, or operational conditions dictating otherwise, subject, further, to compliance with all Airport and Port Authority rules and regulations. Sublandlord reserves the right to restrict access to the Master Lease Premises for deliveries during peak activity periods by giving prior notice of such restrictions.

(d) Sublandlord agrees to use commercially reasonable efforts to operate, or cause to be operated, the loading dock and storage areas of the Master Lease Premises in an efficient and coordinated manner that supports the use of such facilities by Concessionaire and the Other Concessionaires in connection with their respective businesses.

SECTION 10.02 Concessionaire's General Maintenance Obligations. Except for maintenance of the Common Areas, as provided in Article IX, Concessionaire shall be obligated, without cost to Sublandlord, to maintain the Concessionaire Premises and every part thereof in good appearance, repair, and safe condition. Concessionaire shall maintain and repair all Leasehold Improvements on the Concessionaire Premises and all furnishings, fixtures, and equipment therein, whether installed by Concessionaire or by others, including repainting or redecorating as necessary, and replacing or repairing worn carpet, tile, fixtures, or furnishings. Concessionaire's responsibilities include the scheduled and unscheduled maintenance, repair, and replacement of all utility lines and connections, wiring, communication cables, fire alarm systems and protection devices, panels, and associated parts and equipment located within or exclusively serving the Concessionaire Premises. All such maintenance and repairs shall be of quality equal to the original in materials and workmanship, and all work, including paint colors, shall be subject to the prior written approval of Sublandlord.

SECTION 10.03 Preventive and Routine Maintenance Programs. Upon the execution of this Sublease, Concessionaire shall establish a preventive and routine maintenance program to maintain the Concessionaire Premises in like-new condition, the provisions of which shall be

subject to the approval of and periodic review by the Sublandlord Concession Manager or his or her designated representative. Concessionaire shall in January of each lease year, provide the Sublandlord Concession Manager a written schedule of Concessionaire's cleaning and maintenance program.

SECTION 10.04 Sublandlord Sole Judge of Maintenance. Sublandlord or its authorized agents shall be the sole judge of the quality of maintenance. Sublandlord or its authorized agents may, during Concessionaire's working hours and without notice, enter upon the Concessionaire Premises to determine if maintenance satisfactory to Sublandlord is being performed. If it is determined that such maintenance is not satisfactory, Sublandlord shall so notify Concessionaire in writing. If such maintenance is not performed to Sublandlord standards by Concessionaire within seven (7) days after receipt of written notice, Sublandlord or its agents thereafter shall have the right (but not the obligation) to enter upon the Concessionaire Premises and perform the maintenance thereof and Concessionaire agrees to promptly reimburse Sublandlord for the cost thereof, plus twenty percent (20%) for administrative overhead.

SECTION 10.05 Routine Refurbishment. On or about the commencement of each calendar year, representatives of Sublandlord and Concessionaire shall tour the Concessionaire Premises and jointly agree upon what, if any routine refurbishment is required to maintain the Concessionaire Premises in first-class condition, and Concessionaire shall promptly undertake such refurbishment at its sole cost and expense. If Concessionaire and Sublandlord cannot jointly agree upon the type and extent of refurbishment, Sublandlord may in its sole discretion determine the refurbishment required. For purposes of this paragraph, "refurbishment" shall mean the routine repainting or redecoration of concession space within the Concessionaire Premises, including the replacement or repair of worn carpet, tile, furnishings, fixtures, finishes, or equipment.

SECTION 10.06 Mid-Term Refurbishment.

(a) Prior to the last one hundred eighty (180) days of the fourth anniversary of the Commencement Date, Concessionaire shall submit plans and an implementation schedule for approval to Sublandlord for refurbishments of the Concessionaire Premises (the "Mid-Term Refurbishments") to be completed within the first ninety (90) days after the fourth anniversary of the Commencement Date (the "MTR Completion Date"), such Mid-Term Refurbishments to consist of alterations and improvements, cosmetic and otherwise, to the Concessionaire Premises in order to restore, refurbish, and beautify the space such that it shall continue to comply with the standards of quality for materials and workmanship, and the other standards set forth in this Sublease. The cost of such refurbishments shall be a minimum of Forty-Eight Thousand Seven Hundred Fifty and 00/100 Dollars ($48,750.00). All Mid-Term Refurbishments shall comply with the Tenant Design Manual issued by Sublandlord and the other provisions of Article V of this Sublease. Notwithstanding anything in this Section to the contrary, upon the written request of Concessionaire, Sublandlord may in its sole discretion waive the Mid-Term Refurbishments requirement if Sublandlord is satisfied that the Concessionaire Premises is in a first-class and "as new" condition and otherwise in keeping with the then current standards established by Sublandlord from time to time for concessions in the Master Lease Premises.

(b) Concessionaire shall proceed with the Mid-Term Refurbishments implementation schedule as approved by Sublandlord and construct the Mid-Term Refurbishments prior to the MTR Completion Date. Upon completion thereof, Concessionaire shall submit to Sublandlord paid contractor receipts and lien waivers for labor and materials for the Mid-Term Refurbishments, together with a certificate from an officer of Concessionaire certifying that (i) such refurbishments or portion thereof have been constructed in accordance with the approved plans and specifications, and (ii) all contractors performing such refurbishments have been paid. Excluded Costs shall not be counted toward satisfaction of the minimum Mid-Term Refurbishment expenditure requirement.

SECTION 10.07 Notification of Hazardous Conditions. In addition to the other obligations of Concessionaire regarding Hazardous Substances, Concessionaire shall immediately upon discovery thereof give oral notice to the Sublandlord Concession Manager and the Port Authority of any hazardous or potentially hazardous conditions in the Concessionaire Premises or in the Master Lease Premises, followed by written notice thereof. Any hazardous or potentially hazardous condition in the Concessionaire Premises shall be corrected immediately upon receipt of oral notice from the Sublandlord Concession Manager in accordance with the other provisions of this Sublease. At the direction of the Sublandlord Concession Manager, Concessionaire shall close the Concessionaire Premises until such hazardous or potentially hazardous condition is removed.

SECTION 10.08 Maintenance Personnel and Program. Concessionaire agrees to employ sufficient personnel, and provide the necessary equipment, to keep the Concessionaire Premises and all furnishings, fixtures, and equipment clean, neat, safe, sanitary, and in good working order and condition at all times.

SECTION 10.09 Trash and Refuse. Concessionaire shall provide a complete and proper arrangement for the adequate sanitary handling of all trash, refuse, and cardboard caused as a result of the operation of the Concessionaire Premises and shall provide for its timely removal and placement in the appropriate dumpsters pre-approved by Sublandlord. The garbage and recycling containers used by Concessionaire to transport the garbage and recyclables from the Concessionaire Premises to the dumpsters must be manually moveable with rubber tires, and must be approved in advance by Sublandlord. Piling of boxes, cartons, barrels, or other similar items in view of a public area is prohibited. Concessionaire shall keep any areas used for trash and garbage storage prior to removal from the Master Lease Premises in a clean and orderly condition so as not to attract rodents, pests, or birds, or create an offensive odor. Notwithstanding the foregoing Sublandlord reserves the right to establish, or require Concessionaire to establish, a centralized program for trash removal for concessions located in the Master Lease Premises, and in such event Concessionaire shall be required to comply with such program and to pay a proportionate share of the costs, based on uniform standards consistently applied to Concessionaire and the Other Concessionaires.

SECTION 10.10 Transporting Trash and Refuse. In transporting trash and refuse from the Concessionaire Premises, Concessionaire shall use only carts, vehicles, or conveyances that are covered, leak proof, and equipped with wheels made of rubber, suitable for operating on

carpets and tile without damage thereto, any such equipment to be approved in advance by Sublandlord. Such disposal shall take place during hours as may be approved by Sublandlord. Trash or debris shall not be allowed to accumulate or be stored on any portion of the Concessionaire Premises.

SECTION 10.11 Cleaning and Janitorial Services.

(a) Concessionaire shall at all times maintain the Concessionaire Premises, including all customer seating areas, and all equipment and materials used by Concessionaire in a clean and sanitary condition, including, but not limited to, keeping them free of rubbish, dirt, insects, rodents and vermin, in accordance with the policies and specifications (as the same may be modified from time to time, the "Cleaning Specifications") set by Sublandlord as well as all Legal Requirements, all without cost to Sublandlord. All cooking equipment, refrigeration, freezer, storage units, and piping shall be constructed to facilitate the necessary cleaning and sterilization. Concessionaire shall provide and maintain trash receptacles, as required, in the Concessionaire Premises and all customer seating areas. The Cleaning Specifications shall be incorporated in this Sublease and made a part hereof by this reference. Notwithstanding the foregoing, Sublandlord reserves the right to establish, or require Concessionaire to establish, a centralized program for cleaning and janitorial services, trash removal, management of the Master Lease Premises' common loading dock, and management of the Master Lease Premises' common storage/distribution area, for concessions located in the Master Lease Premises, and in such event Concessionaire shall be required to comply with such program, execute such further agreements required to effectuate such program, and pay a proportionate share of the costs, based on uniform standards consistently applied to Concessionaire and Other Concessionaires similarly situated.

(b) Sublandlord or its authorized agents shall be the sole judge of compliance with the Cleaning Specifications. Sublandlord or its authorized agents may, during Concessionaire's working hours and without notice, enter upon the Concessionaire Premises to determine if the Cleaning Specifications are being followed in a manner satisfactory to Sublandlord. If it is determined that compliance with the Cleaning Specifications is not satisfactory, Sublandlord shall so notify Concessionaire in writing. If such non-compliance is not remedied to Sublandlord standards by Concessionaire within one (1) day after receipt of written notice, Sublandlord or its agents thereafter shall have the right (but not the obligation) to enter upon the Concessionaire Premises and perform the cleaning and janitorial services with respect thereto and Concessionaire agrees to promptly reimburse Sublandlord for the cost thereof, plus for administrative overhead.

SECTION 10.12 Liens. Concessionaire shall not create, or permit or suffer to be created or to remain, any mechanics' or materialman's lien filed against the Concessionaire Premises, the Master Lease Premises or any Sublandlord or Port Authority property by reason of construction, labor, services, or materials performed or furnished at the request of Concessionaire or any contractor or supplier employed by Concessionaire. Concessionaire may contest the same in any claim filed or noticed in good faith. Notwithstanding such contest, Concessionaire shall, within fifteen (15) days after the filing thereof, cause such lien to be

released of record by payment, bond, order of a court of competent jurisdiction or otherwise. In the event of Concessionaire's failure to clear the record of any such lien within such time period, Sublandlord may (but is not required to) remove said lien by paying the full amount thereof or by bonding or in any other manner Sublandlord deems appropriate, without investigating the validity thereof, and irrespective of the fact that Concessionaire may contest the propriety or the amount thereof, and Concessionaire, upon demand, shall pay Sublandlord the amount so paid out by Sublandlord in connection with the discharge of said lien, together with interest thereon at the rate of 1.5% per month or the maximum legal rate, whichever is greater, and reasonable expenses incurred in connection therewith, including reasonable attorneys' fees, which amounts are due and payable to Sublandlord and the Port Authority as Additional Rent on the first day of the next following month. Nothing contained in this Sublease shall be construed as a consent on the part of Sublandlord to subject Sublandlord's estate in the Concessionaire Premises to any lien or liability under the laws of the State of New York. Concessionaire's obligation to observe and perform any of the provisions of this Section shall survive the expiration of the Term or the earlier termination of this Sublease.

SECTION 10.13 Condition Generally. Concessionaire shall cause the Concessionaire Premises to be, at all times, in good order, working condition and repair, and in a first-class condition. Concessionaire covenants and agrees that it shall maintain the Concessionaire Premises in "as new" condition throughout the Term.

SECTION 11.01 Heat and Air Conditioning. Sublandlord shall provide heat and air-conditioning to the Master Lease Premises to keep the Concessionaire Premises at reasonable temperatures for the conduct of Concessionaire's activities.

SECTION 11.02 Electricity. Sublandlord shall bring to the perimeter of the Concessionaire Premises, and shall install, the necessary pipes, wires, conduits and other infrastructure needed for the supply of electricity, all without charge to Concessionaire, provided that Concessionaire shall be responsible, at its sole cost and expense, for the installation of such infrastructure within the Concession Premises. Sublandlord shall supply electricity to the Concessionaire Premises and the cost thereof (collectively, "Electricity Charges") shall be reimbursed by Concessionaire, provided that (i) if Concessionaire is a Retail Concessionaire, Concessionaire shall have no obligation to reimburse Sublandlord for Electricity Charges, and (ii) if Concessionaire is a F&B Concessionaire, Electricity Charges shall be paid by Concessionaire to Sublandlord in arrears, together with Concessionaire's payment of Rent under Section 3.01 hereof, such Electricity Charges to be the actual cost of electricity for the prior month, as determined by Sublandlord and based on meters installed at such F&B Concessionaire's premises. Maintenance of any meters installed for the Concessionaire Premises shall be at the sole cost and expense of Concessionaire. At no time shall Concessionaire's use of electric current exceed the capacity of the wiring servicing the Concessionaire Premises. Notwithstanding the foregoing, if Concessionaire requires capacity or other upgrades to the electrical infrastructure of the Concessionaire Premises, the cost and expense thereof shall be the sole responsibility of Concessionaire.

SECTION 11.03 Additional Services. Upon prior written approval by Sublandlord as to the nature of such services and the installation of any equipment necessary in connection therewith (which installation shall be subject to the other provisions of this Sublease), Concessionaire may, at its own expense and subject to this Section, request and receive telephone services, Wi-Fi services, or other communications systems. Concessionaire shall be required to have one (1) in-house telephone line to the Concessionaire Premises. Concessionaire shall arrange for and pay the cost of such an in-house telephone or data line directly to the telephone company providing service to the Master Lease Premises (the current telephone service provider is Verizon). Wi-Fi services are intended to be available terminal-wide in the Master Lease Premises and provided through Sublandlord's Wi-Fi provider. Such Wi-Fi services may be used by Concessionaire, but Sublandlord makes no representations or warranties regarding the availability of such service throughout the Master Lease Premises and there shall be no liability on the part of Sublandlord if such service shall not be available to Concessionaire.

SECTION 11.04 Limitations. In no event shall any Concessionaire operating a retail business install and operate refrigerators or other electrical equipment to dispense food, beverages, or other items, provided that Sublandlord shall have the right to charge any Concessionaire utilizing any such equipment for the reasonable cost of electricity used thereby in the Concessionaire Premises. In such event, Sublandlord shall have its engineers prepare a monetary estimate of annual utility consumption by such equipment, which amount shall be payable monthly as Additional Rent and adjusted from time to time by Sublandlord based on increases in utility rates.

SECTION 11.05 Interruptions to Services. Sublandlord shall have no responsibility or liability for interruption, curtailment or failure to supply cooled or outside air, heat, elevator, plumbing, electricity, or any other service when prevented by exercising its right to stop service or by strikes, labor troubles or accidents or by any cause whatsoever beyond Sublandlord's reasonably control, or by failure of independent contractors to perform or by laws, orders, rules or regulations of any federal, state, county or municipal authority, or failure of suitable fuel supply, or inability by exercise of reasonable diligence to obtain suitable fuel or by reason of governmental preemption in connection with a National Emergency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency. The exercise of such right or such failure by Sublandlord shall not constitute an actual or constructive eviction, in whole or in part, or entitle Concessionaire to any compensation or to any abatement or diminution of rent, or relieve Concessionaire from any of its obligations under this Sublease, or impose any liability upon Sublandlord or its agents by reason of inconvenience or annoyance to Concessionaire, or injury to or interruption of Concessionaire's business, or otherwise.

ARTICLE XII. INSURANCE AND INDEMNITY

Premises:	$5,000,000 OCC
Products & Completed Operations:	$5,000,000 OCC
Personal/Advertising Injury:	$5,000,000 OCC
Contractual:	$5,000,000 OCC

Workers' Compensation:	Per State Requirements
"All risk" Property	100% of Replacement Value

(b) Such policies shall provide that Concessionaire is named as the insured and that Sublandlord, the Port Authority, and the City of New York, and their respective Commissioners, directors, officers, employees and agents, shall be added as additional insureds, as their respective interests may appear, except with respect to the Employer's Liability and Workers' Compensation insurance required to be carried. The Commercial General Liability policy(ies) of insurance required to be carried above shall include the following statement:

> "Further, unless otherwise agreed by the Port Authority, the liability policy shall be specifically endorsed, to prohibit the insurance carrier from raising any defenses involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority without obtaining express advance written permission from the General Counsel of the Port Authority."

(c) The insurance requirements set forth in this Article do not in any way limit the amount or scope of liability of Concessionaire under this Sublease. The amounts listed indicate only the minimum amounts of insurance coverage that Sublandlord is willing to accept to help insure full performance of all terms and conditions of this Sublease.

(d) Concessionaire and all officers and employees of Concessionaire who may handle or are responsible for the handling of receipts and disbursements shall be covered by

insurance in an amount not less than Five Hundred Thousand Dollars ($500,000) for employee dishonesty coverage against any and all loss, theft, embezzlement or other fraudulent acts on the part of Concessionaire or Concessionaire's employees, and not less than One Hundred Thousand Dollars ($100,000) for money and securities on or off premises, transit and depositors forgery coverage, indemnifying Sublandlord and the Port Authority, as co-obligees, against any and all loss, theft, embezzlement or other fraudulent acts of the part of Concessionaire or Concessionaire's employees.

(e) All insurance coverages and policies required under this Sublease may be reviewed by Sublandlord for adequacy of terms, conditions and limits of coverage at any time during the term of this Sublease. Sublandlord may, at any such time, require commercially reasonably additions, deletions, amendments or modifications to the above insurance requirements, or may require such other and additional insurance, in such reasonable amounts against such other insurable hazards, as Sublandlord may deem required.

SECTION 12.02 Additional Details and Coverages.

(a) During any construction activity with a value of Twenty Five Thousand Dollars ($25,000) or more, Concessionaire shall obtain and maintain for the benefit of the parties to the Sublease, as their interest may appear, "special peril" Builder's Risk insurance equal to one hundred percent (100%) of the value of the project. Coverage shall also include: (i) form work in place; (ii) form lumber on site; (iii) temporary structures; (iv) equipment; and (v) supplies related to the work while at the site. In the event Concessionaire fails to maintain such insurance, Sublandlord may, at its option, arrange therefor, and any premium incurred shall be reimbursed by Concessionaire to Sublandlord upon demand.

(b) Concessionaire shall maintain gross earnings and extra expense insurance that shall include coverage for all rent due in accordance with this Sublease for a minimum of a six (6) month period. The proceeds of such insurance shall be used first to continue rent payments to Sublandlord and the Port Authority.

(c) Prior to any commencement of any construction, alteration, or repair hereunder by Concessionaire that exceeds Ten Thousand Dollars ($10,000.00) in cost, Concessionaire shall furnish to Sublandlord, at Concessionaire's sole cost, a performance bond and a payment bond issued by a surety Concessionaire licensed to transact business in the State of New York and approved by Sublandlord, in a form approved by Sublandlord. The penal amount of each bond shall not be less than one hundred percent (100%) of the total cost of the contract or contracts for the construction, alteration, or repair. In the event that such contract(s) involve alteration or work on or to Sublandlord's facilities, the performance and payment bonds shall be posted regardless of the dollar value of the work. The payment bond required by this Section shall guarantee the prompt payment to all persons supplying labor, materials, provisions, supplies, and equipment used directly or indirectly by any contractor, subcontractor(s), and suppliers doing work provided for in the above-mentioned construction contract, and the performance bond shall guarantee the full performance of the work.

(d) Unless otherwise agreed to, prior to commencement of construction of the Concessionaire Premises, Concessionaire shall pay the construction deposit to Sublandlord as detailed in Section 6.09 of the Tenant Design Manual.

(e) Upon completion of construction, Concessionaire shall procure and maintain policies of insurance at its own expense, insuring the Concessionaire Premises and improvements thereon against all perils of direct physical loss, excluding earthquake and flood. The insurance coverage shall be for not less than one hundred percent (100%) of the full replacement value of said Concessionaire Premises and improvements with an agreed amount clause and a reasonable and customary deductible on said Concessionaire Premises and improvements. Such amount is subject to final approval by Sublandlord. Concessionaire shall furnish to Sublandlord and the Port Authority evidence that such coverage has been procured and is being maintained in full force and effect.

SECTION 12.03 Certificates. Not less than ten (10) days prior to Concessionaire first taking possession of the Concessionaire Premise hereunder, and not less than thirty (30) days prior to the expiration or other termination of any such insurance, Concessionaire shall furnish to Sublandlord and the Port Authority certificates evidencing that Concessionaire has the insurance required by this Sublease. All insurance required to be carried by Concessionaire hereunder shall be effected under valid and enforceable policies issued by reputable and independent insurers permitted to do business in the State of New York and having either (a) a general policyholder rating from Best's Insurance Guide, or an equivalent organization, of not less than "A-" or (b) an international reputation in the aviation marketplace.

SECTION 12.04 Additional Requirements. With respect to the commercial general and automobile liability insurance, each policy shall (a) be primary without right of contribution from any insurance that is carried by Sublandlord or the Port Authority, (b) name as additional insureds the parties listed above, (c) contain a waiver of subrogation in favor of the additional insureds, (d) provide that Concessionaire is solely responsible for the payment of all premiums, deductibles, self insured retentions, penalties and punitive damages thereunder, and (e) contain a provision requiring the insurer(s) to provide Sublandlord and the Port Authority with not less than thirty (30) days' prior written notice of any cancellation or adverse material change in such insurance. To the extent that Concessionaire relies on an excess or "umbrella" policy of insurance to satisfy the requirements of this section, any such policy shall be no less broad than the underlying policy, shall have the same inception and expiration dates as the underlying policy, and shall include a drop-down provision. Any deductible or self insured retention exceeding ten percent (10%) of the per occurrence or per accident limit of a required policy is subject to approval by Sublandlord and the Port Authority.

SECTION 12.05 Concessionaire's Risk. Concessionaire shall be responsible for obtaining any insurance it deems necessary to cover its own risks. In no event shall Sublandlord or the Port Authority be liable for any: (a) business interruption or other consequential loss sustained by Concessionaire; (b) damage to, or loss of Concessionaire's property of any kind; or (c) damage to, or loss of, an automobile, whether or not such loss is insured, even if such loss is caused by the negligence of Sublandlord or the Port Authority.

SECTION 12.06 Periodic Review. Sublandlord shall have the right to periodically review the types, limits, and terms of insurance coverage. In the event Sublandlord or the Port Authority determines that such types, limits, and/or terms should be changed, Sublandlord will give Concessionaire a minimum of thirty (30) days' notice of such determination and Concessionaire shall modify its coverage to comply with the new insurance requirements of Sublandlord. Concessionaire shall also provide Sublandlord and the Port Authority with proof of such compliance by giving Sublandlord and the Port Authority an updated certificate of insurance within fifteen (15) days.

SECTION 12.07 General Indemnification.

(a) Concessionaire shall indemnify, hold harmless and defend Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives from and against any and all claims and actions, demands, damages, civil penalties, charges, judgments, losses, liabilities of any character or kind and other legal actions and proceedings of whatever nature, including reasonable attorney's fees (including fees to establish the right to indemnification) resulting from, arising out of, related to, or caused by Concessionaire's or Concessionaire's sublessees' conduct of business or from any activity or other things done, permitted, or suffered by Concessionaire in, or about the Concessionaire Premises, Master Lease Premises, and/or Airport or other act or failure to act, excluding only claims or actions arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives, provided that Sublandlord shall give Concessionaire prompt and reasonable notice of any such claim or actions made or filed against it.

(b) Concessionaire hereby agrees to release and hold harmless Sublandlord, the Port Authority, the City of New York, their Commissioners, officers, agents and employees, as the case may be, from any damages to Concessionaire caused by noise, vibrations, fumes, dust, fuel particles and all other effects that may be caused by the operation of aircraft landing at or taking off from, or operating at or on the Airport; and Concessionaire does hereby fully waive, remise and release any right or cause of action that it may now have or that it may have in the future against Sublandlord, the Port Authority, their successors and assigns, due to such noise, vibrations, fumes, dust, fuel particles, and all other effects that may be caused or may have been caused by the operations at or in the Master Lease Premises and/or on the Airport. The above exception shall not limit a cause of action against other persons or entities, including licensees, concessionaires or aircraft operators.

(c) Concessionaire further agrees to hold Sublandlord, the Port Authority, the City of New York, their respective Commissioners, officers, agents, employees, and representatives free and harmless from any claims arising out of the damage, destruction or loss of any or all of Concessionaire's equipment, excluding any claims arising out of the sole negligence of Sublandlord, its officers, agents, employees, and representatives.

SECTION 12.08 Sublandlord's Right to Recover Damages. Concessionaire agrees to reimburse Sublandlord and the Port Authority, as applicable, for any and all damages, expenses, costs, fees (including, but not limited to, attorney, accountant, paralegal, and expert fees), fines,

environmental costs and/or penalties (collectively "Costs") that may be imposed upon, incurred or suffered by Sublandlord or the Port Authority, as applicable, and which, in whole or in part, arise from any of the following, except to the extent resulting from the sole negligent acts of Sublandlord or the Port Authority, as applicable: (a) any act or omission of Concessionaire; (b) any use, occupation, management or control of the Concessionaire Premises by Concessionaire, whether or not due to Concessionaire's own act or omission and whether or not occurring on the Concessionaire Premises; (c) any condition created in or about the Concessionaire Premises by any party (other than Sublandlord and the Port Authority), including any accident, injury or damage occurring on or about the Concessionaire Premises after the date on which Concessionaire takes possession of the Concessionaire Premises for build-out; and (d) any breach, violation or nonperformance of any of Concessionaire's obligations under this Sublease.

SECTION 12.09 Waiver of Right of Recovery, Indemnification. Except as otherwise provided in this Sublease, neither Sublandlord nor the Port Authority shall be liable to Concessionaire or Concessionaire's insurance company (by way of subrogation or otherwise) for any loss or damage to any building, structure or other tangible property, or any resulting loss of income, or losses under workers' compensation laws and benefits, even though such loss or damage might have been occasioned by the non-gross negligence of Sublandlord, the Port Authority, or their respective agents or employees.

SECTION 12.10 Survival. The indemnification provisions of this Article shall survive the expiration or earlier termination of this Sublease.

ARTICLE XIII. HAZARDOUS MATERIAL

SECTION 13.01 Assumption of Liability. Concessionaire hereby expressly agrees to assume all responsibility for, relieve Sublandlord and the Port Authority from, and reimburse Sublandlord and the Port Authority for, any and all risks, claims, penalties, costs and expenses of any kind whatsoever caused by, arising out of or in connection with, any Hazardous Substances found on, under or about the Master Lease Premises after the date hereof due to the acts or omissions of Concessionaire, its affiliates, officers, agents, employees, contractors or representatives, including without limitation compliance with all Environmental Requirements and remediation of all Environmental Damages with respect thereto, and to indemnify and hold harmless Sublandlord for all such risks, claims, penalties, responsibilities, costs and expenses.

SECTION 13.02 Compliance with Laws. Without limiting Concessionaire's obligations elsewhere under this Sublease to comply with all Legal Requirements, Concessionaire understands and agrees that it shall be obligated, at its sole cost and expense, to comply with and relieve Sublandlord and the Port Authority from compliance with all Environmental Requirements which are applicable to or which affect (i) the Concessionaire Premises as a result of Concessionaire's use and occupancy thereof, (ii) the operations of, or work performed by, Concessionaire or others with the consent of Concessionaire at the Concessionaire Premises or Concessionaire's operations at the Airport, (iii) the occupancy and use of the Concessionaire Premises by Concessionaire or by others with its consent (and in accordance with this Sublease), or (iv) any Hazardous Substance which has migrated from the Concessionaire Premises.

Concessionaire shall, perform all remediation, containment and clean-up of Hazardous Substances required in order to fully satisfy the compliance obligations set forth herein. Nothing in the foregoing shall be construed as a submission by Sublandlord to the application to itself of any Environmental Requirements, provided that no immunity or exemption of Sublandlord from any Environmental Requirements shall excuse compliance or be grounds for noncompliance on the part of Concessionaire. Without limiting the generality of the foregoing and as part of the Concessionaire's fulfillment of the foregoing obligations, Concessionaire shall be responsible, at its sole cost and expense and subject to the direction of Sublandlord, for:

(i) the preparation of and submission to all applicable Governmental Authorities of any notice, negative declaration, remedial action workplan, no further action letter, remediation agreement or any other documentation or information;

(ii) the obtaining of any surety bond or the giving of any other financial assurances; and

(iii) complying with the provisions of all Environmental Requirements becoming effective on or relating to the termination, expiration or surrender of the letting of the Concessionaire Premises or of any portion thereof under this Sublease, or on the closure or transfer of the Concessionaire's operations at the Concessionaire Premises.

SECTION 13.03 Actions by Concessionaire. In addition to and without limiting the generality of the obligations of Concessionaire set forth above and elsewhere in this Sublease, Concessionaire shall, at its sole cost and expense, upon notice from Sublandlord, promptly take all actions to:

(i) completely remove and remediate (i) all Hazardous Substances in, on and under the Concessionaire Premises and at the Airport resulting from or in connection with the use and occupancy of the Concessionaire Premises by Concessionaire or any affiliate of Concessionaire or which have been or permitted to be disposed of, released, discharged or otherwise placed in, on or under the Airport by Concessionaire or any affiliate of Concessionaire, and (ii) all Hazardous Substances which have been disposed of, released, discharged or otherwise placed in, on or under the Concessionaire Premises during the Term, except for Hazardous Substances caused by the sole acts or omissions of Sublandlord or Sublandlord's officers, agents, employees, contractors and representatives on or after the date hereof;

(ii) remove and remediate all Hazardous Substances in, on or under the Concessionaire Premises or which have migrated from or from under the Concessionaire Premises, in either case as a result of the acts or omissions of Concessionaire, its affiliates, agents, contractors or representatives, to any other property which any Governmental Authority or any Environmental Requirement or any violation thereof require to be remediated or removed; and

(iii) remove and remediate all Hazardous Substances which were in, on or under the Lease Premises and which have migrated from or from under the

Concessionaire Premises, in either case as a result of the acts or omissions of Concessionaire, its affiliates, agents, contractors or representatives, necessary to mitigate any Environmental Damages.

SECTION 13.04 Intentionally Omitted.

SECTION 13.05 Additional Remedies of Sublandlord. Without limiting Sublandlord's remedies under this Sublease or at law or in equity, Sublandlord shall have the right during and after the Term to such equitable relief, including restraining injunctions and declaratory judgments, to enforce compliance by Concessionaire of its environmental obligations under this Concession Agreement, including without limitation all Concessionaire's obligations under this Section. In the event that Concessionaire fails to comply with or perform any of such obligations, Sublandlord at any time during the Term or subsequent to the termination, expiration or surrender of the letting of the Concessionaire Premises or any portion thereof may elect (but shall not be required) to perform such obligations and upon demand Concessionaire shall pay to Sublandlord as additional rent its costs thereof, including all overhead costs as determined by Sublandlord.

SECTION 13.06 Obligation to Provide Information. Without limiting any other of Concessionaire's obligations under this Sublease, Concessionaire shall provide Sublandlord, at the cost and expense of Concessionaire, with such information, documentation, records, correspondence, notices, reports, tests, results, and certifications and any other information as Sublandlord shall request in connection with any Environmental Requirements which Concessionaire is obligated to comply with pursuant to this Sublease or Environmental Damages and Concessionaire shall promptly acknowledge, swear to (if required), sign or otherwise fully execute the same. Concessionaire agrees that any of the foregoing may be filed by Sublandlord with the appropriate Governmental Authority on behalf of Concessionaire at Concessionaire's cost and expense. Further, Concessionaire agrees unless directed otherwise by Sublandlord, to provide Sublandlord with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by Concessionaire to a Governmental Authority and by a Governmental Authority to Concessionaire within five (5) days that the same are made available to or received by Concessionaire with respect to any Environmental Requirements or any Environmental Damages.

SECTION 13.07 Indemnification. Without limiting the generality of any other provision contained in this Sublease, Concessionaire shall indemnify, hold harmless and reimburse Sublandlord, the Port Authority, their respective directors, officers, employees and representatives, from all claims, demands, penalties, fines, liabilities (including strict liability), settlements, attorney and consultant fees, investigation and laboratory fees, removal and remediation costs, court costs and litigation expenses, damages, judgments, losses, costs and expenses of whatsoever kind or nature and whether known or unknown, contingent or otherwise, just or unjust, groundless, unforeseeable or otherwise, arising or alleged to arise out of or in any way related to any Environmental Damages or any Environmental Requirement which Concessionaire is obligated to comply with pursuant to this Sublease, or the risks and responsibilities assumed hereunder by Concessionaire for the condition of the Concessionaire

Premises or a breach or default of Concessionaire's obligations under this Section. If so directed, Concessionaire shall at its own expense defend any suit based upon the foregoing.

SECTION 13.08 Compliance Standards. Without limiting the generality of any provision of this Sublease, in the event that any Environmental Requirement sets forth more than one compliance standard, Concessionaire agrees that the standard or standards to be applied in connection with any obligation it may have under this Sublease with respect to said Environmental Requirement shall be that which requires or permits the lowest level of a Hazardous Substance, provided that in the event such lowest level of a Hazardous Substance requires or allows the imposition of any restriction of any nature whatsoever upon the use or occupancy of the Concessionaire Premises or any other portion of the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport or upon the transfer of the Concessionaire Premises or the Airport, then Concessionaire shall remediate to such a level so that there is no such restriction placed upon the use and occupancy of the Concessionaire Premises or the Airport or upon any operations or activities conducted or to be conducted on the Concessionaire Premises or the Airport.

SECTION 13.09 Effect on Master Lease. It is expressly acknowledged and agreed that nothing in this Article XIII shall constitute a modification, as between the Sublandlord and the Port Authority, of the Master Lease, and that none of the liabilities or obligations of the Sublandlord pursuant to the Master Lease are being assigned or delegated to Concessionaire hereunder.

ARTICLE XIV. ASSIGNMENT AND SUBLETTING

SECTION 14.01 Limitations, Prohibitions.

(a) Concessionaire covenants and agrees that it shall not assign, mortgage, pledge, encumber, or otherwise transfer this Sublease, nor underlet, nor suffer, nor permit the Concessionaire Premises or any part thereof to be used or occupied by others or all or any part of the letting hereunder, without obtaining the prior written consent of Sublandlord and the Port Authority, which consent neither Sublandlord nor the Port Authority shall have any obligation whatsoever to give. Any attempted transfer, assumption, assignment or sublease which does not comply with the provisions of this Article shall be void, *ab initio,* and infer no rights upon any third-parties. No amendment, transfer, assumption or contract shall relieve the Concessionaire of any of its obligations under this Sublease. Consent to the foregoing by any one or more of the Port Authority and Sublandlord shall not be deemed a waiver on the part of either or both of the Port Authority or Sublandlord to any prohibition against any future transfer, assignment, assumption or sublease.

(b) The term "transfer" includes, but is not limited to transactions in which any interest of Concessionaire in this Sublease or the Concessionaire Premises are mortgaged or otherwise encumbered or in which the Concessionaire sublets, rents, licenses, or otherwise permits occupancy or use of the Concessionaire Premises or any part thereof.

(c) If Concessionaire is a corporation, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the issued or outstanding stock of said corporation shall change shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a corporation, or if Concessionaire is a corporation whose stock is owned by a corporation ("Parent"), any transfer of any issued or outstanding stock or other change of ownership of Concessionaire or Parent by which control of the majority of the issued or outstanding stock of Concessionaire or Parent shall change shall be deemed to be a transfer under this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a partnership or joint venture, any sale, assignment or transfer, by operation of law or otherwise, of a controlling interest in such partnership or joint venture shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section. If Concessionaire is a limited liability company, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the membership interests in such limited liability company shall change, shall be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(d) A merger, reorganization (including by dissolution, stock transfer or change of classes of stock), or recapitalization of or with Concessionaire, either directly or indirectly, and a purchase of all or substantially all of Concessionaire's assets or stock, shall also be deemed to be a transfer of this Sublease, such transfer requiring the prior written consent or approval of Sublandlord and the Port Authority in accordance with this Section.

(e) If this Sublease is assigned, or if the Concessionaire Premises or any part thereof be underlet or occupied by anybody other than Concessionaire, Sublandlord may, after default by Concessionaire, collect rent from the assignee, undertenant or occupant, and apply the net amount collected to the rent herein reserved, and after Concessionaire shall have defaulted in respect of any of its obligations under this Sublease, Concessionaire shall hold any amounts it receives from any undertenant or occupant in constructive trust for payment of Concessionaire's obligations hereunder; but no assignment, underletting, occupancy or collection shall be deemed a waiver of the provisions hereof, the acceptance of the assignee, undertenant or occupant as tenant, or a release of Concessionaire from the further performance by Concessionaire of covenants on the part of Concessionaire herein contained.

(f) Notwithstanding the foregoing provisions of this Article, and regardless of whether Sublandlord has in fact consented to any further subletting of the Concessionaire Premises or a proposed transfer, Sublandlord's consent will be of no force and effect and shall not be binding upon the Port Authority in any manner whatsoever. No such further subletting or a proposed transfer shall be effective and no estate or benefit shall be conferred on anyone until such time as the Port Authority has consented in writing, as determined in the Port Authority's sole and absolute discretion, to any such further subletting or a proposed transfer, provided that any such consent by the Port Authority shall not become effective until such time as the transferee, any other applicable parties, and the Port Authority shall have entered into an

agreement with respect to the use or occupancy of the Concessionaire Premises in such form and substance required by the Port Authority. In addition, the terms and provisions of the Consent which in any way discusses and/or addresses the Port Authority's rights with respect to the subject matter covered in this Article shall be controlling and shall govern. Further, if this Sublease is assigned by Sublandlord and assumed by the Port Authority for any reason whatsoever, the Port Authority shall have the right to determine, in its sole and absolute discretion, whether any of the provisions of this Article shall be binding upon and enforceable against the Port Authority and thereafter be considered to be a part thereof following such assignment and assumption.

(g) Notwithstanding anything in this Sublease to the contrary, if Concessionaire fails to obtain the consent of both Sublandlord and the Port Authority to any transfer of a type described in clauses (c) or (d) above, such transfer shall not be deemed a breach of this Section, provided that Sublandlord shall have the right to terminate this Sublease by written notice given at any time within ninety (90) days after the date such transfer occurs, provided, further, that Sublandlord shall reimburse Concessionaire for Fifty Percent (50%) of its Unamortized Capital Investment as a result of any such termination.

ARTICLE XV. DAMAGE AND DESTRUCTION

SECTION 15.01 Damage Caused to Master Lease Premises or Airport Property. Any damage caused to the Master Lease Premises, Airport, or any Master Lease Premises or Airport property or operations or the property of any other tenant, person, or entity caused by Concessionaire, or as a result of the operations of Concessionaire, shall be the responsibility of and promptly repaired by Concessionaire unless otherwise directed by Sublandlord, and Concessionaire shall reimburse Sublandlord for any such damage paid for by Sublandlord within thirty (30) days of billing by Sublandlord. The foregoing reimbursement obligation shall apply with respect to damage to Port Authority or Airport property or operations, the cost of which is incurred by the Port Authority. Any sums so paid by Sublandlord shall bear interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by law, whichever is greater, from the date paid by Sublandlord until Sublandlord has been fully repaid. If the same type of damage is caused by Concessionaire more than once, such as a water leak or electrical service interruption, Sublandlord shall review and approve Concessionaire's plan of repair or may require that Concessionaire allow Sublandlord to make the repair and then reimburse Sublandlord for the cost of such repair.

SECTION 15.02 Partial Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Sublandlord. The damage to the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, shall be repaired and restored by Sublandlord at Sublandlord's expense to essentially the same condition as that which existed prior to such damage. Notwithstanding the foregoing, if such damage is caused by the negligence of

Concessionaire, its officials, agents or employees, Concessionaire shall pay for all loss, damage and costs thereof. If a portion of the Concessionaire Premises is untenantable, or operation of the remainder of the Concessionaire Premises is not commercially feasible, as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) If those portions of the Concessionaire Premises constituting Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures are damaged by fire or other casualty, such damage shall be repaired and restored with due diligence by Concessionaire. Such damaged portions of the Concessionaire Premises shall be repaired and restored by Concessionaire at Concessionaire's expense to essentially the same condition as that which existed prior to such damage. If a portion of the Concessionaire Premises is untenantable as a result of such damage or repair and restoration, rent for the untenantable portions of the Concessionaire Premises shall be abated for the period from the occurrence of the damage to the completion of Sublandlord's repairs, except if the damage was caused by the negligence of Concessionaire, its officials, agents or employees. The amount of the rent abatement shall be calculated as set forth in paragraph (a) above.

(c) In all events, Concessionaire shall open, or reopen, as the case may be, for business immediately upon the completion of the repairs and restoration. If Concessionaire fails to so complete the repairs and restoration within sixty (60) days following the date of completion of any repairs and restoration first required to be made by Sublandlord in accordance herewith, due to no fault of Sublandlord or the Port Authority, nor due to a force majeure event, then Sublandlord shall have the right to assess against Concessionaire liquidated damages of up to $1,500 per day for each day until Concessionaire so completes such repairs and restoration and is ready to re-open for business to the public, which liquidated damages shall be payable upon demand, provided that if Concessionaire is unable to complete the necessary repairs and restoration required hereby within one hundred eighty (180) days following the commencement thereof, due to no fault of Sublandlord or the Port Authority, nor due to a force majeure event, then Sublandlord has the right to terminate this Sublease as to that portion or those portions of the Concessionaire Premises so damaged. Upon such termination, the Minimum Annual Guaranteed Rent shall be adjusted based on the proportion of the floor area terminated to the total floor area of the Concessionaire Premises immediately prior to said damage.

SECTION 15.03 Total Damage to Concessionaire Premises.

(a) If the Concessionaire Premises, excluding Concessionaire's Work and Concessionaire's other leasehold improvements and trade fixtures, is totally destroyed or damaged by fire or other casualty or so damaged as to remain untenantable for more than sixty

(60) days, Sublandlord shall be under no obligation to repair and restore such destruction and damage. The rent of the affected portions of the Concessionaire Premises shall be abated for the period from the date such destruction and damage occurred until (i) such space is repaired and restored, (ii) such space is temporarily replaced with other space reasonably sufficient to allow Concessionaire to operate, if such space is reasonably available, or (iii) this Sublease terminates, as the case may be, all in accordance with this Section. The amount of the rent abatement shall be calculated as the pro rata portion of the Minimum Annual Guarantee owed for the untenantable portions of the Concessionaire Premises and such pro rata portion shall be calculated based on the square footage of the untenantable Concessionaire Premises as a percentage of the total square footage for all Concessionaire Premises from which sales are generated.

(b) Sublandlord shall notify Concessionaire within sixty (60) days after the occurrence of such casualty whether it intends to repair and restore such destruction and damage. If Sublandlord elects to repair and restore, it shall do so with due diligence and at its expense, unless such damage was caused by the negligence of Concessionaire, its officials, employees, or agents, in which case Concessionaire shall pay for all loss, damage, and costs thereof. Should Sublandlord elect not to repair and restore such destruction and damage, this Sublease shall terminate on the date of notification by Sublandlord as specified in this Paragraph for the untenantable portions of the Concessionaire Premises. In either such event, Sublandlord agrees to use reasonable efforts to make reasonably sufficient substitute space available for Concessionaire during any repair or restoration period or upon a termination of this Sublease as set forth above.

(c) Notwithstanding anything in this Sublease to the contrary, if the entire Master Lease Premises or a substantial portion thereof is destroyed or damaged and is, as a result thereof, not in use for commercial flight operations, rent for the Concessionaire Premises shall be abated for the period from the date such destruction and damage occurred until such space is repaired, restored and re-opened, such abatement to be given in accordance with this Section, provided that if such space is not repaired, restored and re-opened within two hundred seventy (270) days, Concessionaire shall have the right to terminate this Sublease upon thirty (30) days' prior written notice.

SECTION 15.04 Notification of Damage. Concessionaire shall report any damage to the Concessionaire Premises to Sublandlord and the Port Authority immediately upon the occurrence thereof.

SECTION 15.05 Express Agreement. The parties agree that this Article constitutes an express agreement governing any case of damage or destruction of the Concessionaire Premises or the Master Lease Premises by fire or other casualty, and that Section 227 of the Real Property Law of the State of New York, which provides for such contingency in the absence of an express agreement, and any other law of like import now or hereafter in force, shall have no application in any such case.

ARTICLE XVI. EMINENT DOMAIN

SECTION 16.01 Condemnation.

(a) If the whole of the Master Lease Premises or any portion of the Concessionaire Premises shall be taken by any public authority under the power of eminent domain or sold to a public authority under threat or in lieu of such taking, then the Term shall cease as of the day upon which possession is taken by such public authority, and the Rent shall be paid up to that day.

(b) A voluntary sale or transfer of an interest in all or any part of the Master Lease Premises or of the Concessionaire Premises to any public or quasi-public body, agency, person or other entity, corporate or otherwise, having the power of eminent domain, either under threat of condemnation or while condemnation proceedings are pending, shall be deemed to be a taking under the power of eminent domain for the purposes of this Article.

SECTION 16.02 Damages and Awards. Concessionaire shall have no claim against Sublandlord, the Port Authority or the applicable condemning authority for any award and damages for such taking under the power of eminent domain or proceeds from any sale under threat or in lieu of such a taking and any award or damages shall be distributed in accordance with the Master Lease, provided that neither Sublandlord nor the Port Authority shall be entitled to any award or damages specifically designated as compensation for, depreciation to, or cost of removal of, the personal property and trade fixtures of the Concessionaire.

ARTICLE XVII. DEFAULT

SECTION 17.01 Events of Default. Upon the occurrence, at any time prior to or during the Term, of any one or more of the following events (each, an "Event of Default"):

(a) if Concessionaire shall (i) default in the payment to Sublandlord when due of any installment of Rent or in the payment to Sublandlord when due of any Additional Rent, and such default shall continue for a period of five (5) days after notice by Landlord to Tenant of such default, or (ii) default in the payment to the Port Authority when due of any installment of Rent or in the payment to the Port Authority when due of any Additional Rent; or

(b) if Concessionaire shall default in the observance or performance of any term, covenant or condition on Concessionaire's part to be observed or performed under any other lease or agreement with Sublandlord and such default shall continue beyond any grace period set forth in such other lease or agreement for the remedying of such default; or

(c) if the Concessionaire Premises shall become deserted or abandoned; or

(d) if a Governmental Authority terminates, revokes or suspends any certificate, license, permit or authority held by Concessionaire without which Concessionaire shall not be lawfully empowered to conduct its business operations in the Concessionaire

Premises and such certificate, license, permit, or authority is not reinstated, or a new one received, within five (5) days; or

(e) if Concessionaire shall fail to cause any lien filed against the Concessionaire Premises, the Master Lease Premises, or any Sublandlord or Port Authority property to be released of record by payment, bond, order of a court of competent jurisdiction or otherwise, within fifteen (15) days after the filing thereof; or

(f) if Concessionaire's interest in this Sublease shall devolve upon or pass to any person, whether by operation of law or otherwise, except as may be expressly permitted under Article XIV hereof; or

(g) if Concessionaire shall file a voluntary petition in bankruptcy or insolvency, or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, or shall make an assignment for the benefit of creditors or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Concessionaire or of all or any part of Concessionaire's property; or

(h) if, within sixty (60) days after the commencement of any proceeding against Concessionaire, whether by the filing of a petition or otherwise, seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, such proceeding shall not have been dismissed, or if, within sixty (60) days after the appointment of any trustee, receiver or liquidator of Concessionaire, or of all or any part of Concessionaire's property, without the consent or acquiescence of Concessionaire, such appointment shall not have been vacated or otherwise discharged, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property pursuant to which the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied; or

(i) if within any twelve (12) consecutive calendar month period, Concessionaire shall have on three (3) or more occasions failed to pay Rent when due hereunder, or Sublandlord has had grounds to commence more than two summary proceedings;

(j) Failure to timely deliver the Letter of Credit and any replacement thereof, that continues for a period of ten (10) business days after written notice thereof to Concessionaire; or

(k) The act or omission of Concessionaire which, under the terms of this Sublease or the Master Lease is prohibited and which would result in the Port Authority having the right to terminate the Master Lease or revoke the Consent for cause, provided that if such act or omission is cured prior to the Port Authority terminating the Master Lease or revoking the Consent, and the Port Authority does not terminate the Master Lease or revoke the Consent, then such act or omission by Concessionaire shall be deemed cured; or

(l) if Concessionaire shall default in the observance or performance of any other term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed and either (1) Concessionaire shall fail to remedy such default within thirty (30) days after notice by Sublandlord to Concessionaire of such default, or (2) if such default is of such a nature that it cannot be completely remedied within said period of thirty (30) days, Concessionaire shall not commence the cure of such default within said period of thirty (30) days, thereafter diligently prosecute to completion all steps-necessary to remedy such default and completely remedy such default within sixty (60) days of the notice from Sublandlord;

then, Sublandlord, at any time thereafter, at Sublandlord's option, may give to Concessionaire a five (5) days' notice of termination of this Sublease and, in the event such notice is given, this Sublease and the Term shall come to an end and expire upon the expiration of said five (5) days with the same effect as if the date of expiration of said five (5) days were the Expiration Date, but Concessionaire shall remain liable for damages as provided in this Article.

SECTION 17.02 Rights, Remedies, Damages.

(a) If there exists an Event of Default by Concessionaire, or if any execution or attachment shall be issued against Concessionaire or any of Concessionaire's property whereupon the Concessionaire Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Concessionaire, or if this Sublease and the Term shall expire and come to an end as provided in Section 17.01, then:

(i) Sublandlord and its agents and servants may immediately, or at any time after such default or after the date upon which this Sublease and the Term shall expire and come to an end, re-enter the Concessionaire Premises or any part thereof, without notice, either by summary proceedings, or by any other applicable action or proceeding, or by force or otherwise (without being liable to indictment, prosecution or damages therefor), and may repossess the Premises and dispossess Concessionaire and any other persons from the Concessionaire Premises and remove any and all of their property and effects from the Concessionaire Premises; and

(ii) Sublandlord, at Sublandlord's option, may relet the whole or any part or parts of the Concessionaire Premises from time to time, either in the name of Sublandlord or otherwise, to such tenant or tenants, for such term or terms ending before, on or after the Expiration Date, at such rental or rentals and upon such other conditions, which may include concessions and free rent periods, as Sublandlord, in its sole discretion, may determine. Sublandlord shall have no obligation to relet the Concessionaire Premises or any part thereof and shall in no event be liable for refusal or failure to relet the Concessionaire Premises or any part thereof, or, in the event of any such reletting, for refusal or failure to collect any rent due upon any such reletting, and no such refusal or failure shall operate to relieve Concessionaire of any liability under this Sublease or otherwise to affect any such liability. Sublandlord, at Sublandlord's option, may make such repairs, replacements, alterations, additions, improvements, decorations and other physical changes in and to the Concessionaire Premises as Sublandlord, in its sole

discretion, considers advisable or necessary in connection with any such reletting or proposed reletting, without relieving Concessionaire of any liability under this Sublease or otherwise affecting any such liability.

(b) Concessionaire hereby waives the service of any notice of intention to re-enter or to institute legal proceedings to that end which may otherwise be required to be given under any present or future law. Concessionaire, on its own behalf and on behalf of all persons claiming through or under Concessionaire, including all creditors, does further hereby waive any and all rights which Concessionaire and all such persons might otherwise have under any present or future law to redeem the Concessionaire Premises, or to re-enter or repossess the Concessionaire Premises, or to restore the operation of this Sublease, after (i) Concessionaire shall have been dispossessed by a judgment or by warrant of any court or judge, or (ii) any re-entry by Sublandlord, or (iii) any expiration or termination of this Sublease and the Term, whether such dispossess, re-entry, expiration or termination shall be by operation of law or pursuant to the provisions of this Sublease. The words "re-enter", "re-entry" and "re-entered" as used in this Sublease shall not be deemed to be restricted to their technical legal meanings. In the event of a breach or threatened breach by Concessionaire, or any persons claiming through or under Concessionaire, of any term, covenant or condition of this Sublease on Concessionaire's part to be observed or performed, Sublandlord shall have the right to enjoin such breach and the right to invoke any other remedy allowed by law or in equity as if re-entry, summary proceedings and other special remedies were not provided in this Sublease for such breach. The right to invoke the remedies hereinbefore set forth are cumulative and shall not preclude Sublandlord from invoking any other remedy allowed at law or in equity.

(c) If this Sublease and the Term shall expire and come to an end as provided in this Article, or by or under any summary proceeding or any other action or proceeding, then, in any of said events:

(i) Concessionaire shall pay to Sublandlord all Rent and other charges payable under this Sublease by Concessionaire to Sublandlord to the date upon which this Sublease and the Term shall have expired and come to an end;

(ii) Concessionaire also shall be liable for and shall pay to Sublandlord, as damages, any deficiency (hereinafter, the "Deficiency") between the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term and the net amount, if any, of rents collected under any reletting effected pursuant to the provisions of this Section for any part of such period. The Deficiency shall also include all of Sublandlord's expenses in connection with the termination of this Sublease, or Sublandlord's re-entry upon the Concessionaire Premises and with such reletting including, but not limited to, all repossession costs, brokerage commissions, legal expenses, attorneys' fees and disbursements, alteration costs and other expenses of preparing the Concessionaire Premises for such reletting. Any such Deficiency shall be paid in monthly installments by Concessionaire on the days specified in this Sublease for payment of installments of Rent, Sublandlord shall be entitled to recover from Concessionaire each monthly Deficiency as the same shall arise, and no suit to collect the

amount of the Deficiency for any month shall prejudice Sublandlord's right to collect the Deficiency for any subsequent month by a similar proceeding; and

(iii) whether or not Sublandlord shall have collected any monthly Deficiencies as aforesaid, Sublandlord shall be entitled to recover from Concessionaire, and Concessionaire shall pay to Sublandlord, on demand, in lieu of any further Deficiencies as and for liquidated and agreed final damages, a sum equal to the amount by which the Rent reserved in this Sublease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the then fair and reasonable rental value of the Concessionaire Premises for the same period, less the aggregate amount of Deficiencies theretofore collected by Sublandlord pursuant to the provisions of this Section for the same period. If, before presentation of proof of such liquidated damages to any court, commission or tribunal, the Concessionaire Premises, or any part thereof, shall have been relet by Sublandlord for the period which otherwise would have constituted the unexpired portion of the Term, or any part thereof, the amount of rent reserved upon such reletting shall be deemed, prima facie, to be the fair and reasonable rental value for the part or the whole of the Concessionaire Premises so relet during the term of the reletting. For purposes of this calculation, (i) all additional rent charges due hereunder shall be calculated on the assumption that they would continue to increase at the average rate of increase of additional rent charges in the 24 previous months (or during the prior term hereunder if less); and, (ii) at Sublandlord's election, the "fair and reasonable rate", if the Concessionaire Premises are not re-let, shall be deemed to be the rentable square footage of the Concessionaire Premises multiplied by the discounted average rental per square foot in the last three new leases (excluding renewals) written for space in the Master Lease Premises (or, if fewer than three leases have been written in the previous three months, the most recent lease, or any leases in those three months) discounting for brokerage fees, free rent periods, landlord work letters, and similar expenses, and without reference to any additional rent, escalation or percentage rent clauses therein.

(iv) If the Concessionaire Premises, or any part thereof, shall be relet together with other space in the Master Lease Premises, the rents collected or reserved under any such reletting and the expenses of any such reletting shall be equitably apportioned for the purposes of this Section. Concessionaire shall in no event be entitled to any rents collected or payable under any reletting, whether or not such rents shall exceed the Rent reserved in this Sublease. Solely for the purposes of this Article, the term "Rent" as used in this Section shall mean the Rent in effect immediately prior to the date upon which this Sublease and the Term shall have expired and come to an end, or the date of re-entry upon the Concessionaire Premises by Sublandlord, as the case may be. Nothing contained in this Article shall be deemed to limit or preclude the recovery by Sublandlord from Concessionaire of the maximum amount allowed to be obtained as damages by any statute or rule of law, or of any sums or damages to which Sublandlord may be entitled in addition to the damages set forth in this Article.

(v) All costs and expenses, including attorneys' fees (whether or not legal proceedings are instituted), involved in collecting Rents or enforcing the obligations of

Concessionaire under this Sublease, including the cost and expense of instituting and prosecuting legal proceedings or recovering possession of the Concessionaire Premises after a breach by Concessionaire or upon expiration or earlier termination of this Sublease, to the extent such costs and expenses have not already been paid as a Deficiency or as liquidated damages under this Section, shall be due and payable by Concessionaire as additional rent within twenty (20) days of demand.

(d) For purposes of calculating any Deficiency with respect to Percentage Rent, Gross Receipts shall be determined in the following manner: (i) Gross Receipts shall be derived by multiplying the number of days in the balance of the Term originally fixed, by Concessionaire's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of Concessionaire during that part of the effective period of the Term (including all annual periods falling within the effective period) in which Rent was due and payable, divided by the number of days included in such part of the effective period.

SECTION 17.03 Sanctions for Certain Sublease Violations. Concessionaire's failure to adhere to the operating requirements set forth in this Sublease is reasonably anticipated to result in significant inconvenience to the public, adversely affect the overall concession business of the Master Lease Premises, and reduce the amount of rent to be paid to Sublandlord. Additionally, Sublandlord resources will be expended in dealing with violations of this Sublease by Concessionaire. The parties hereby agree that total damages sustained by Sublandlord for violations of the provisions of this Sublease addressing the subject matter listed below could be significant, but would be difficult to determine and to track. Therefore, the parties hereto agree that the sanction amounts, set forth below for violation of this Sublease terms addressing the referenced subject matter are reasonable estimates of the loss anticipated to be suffered or incurred by Sublandlord. Concessionaire, therefore, hereby agrees that imposition of the sanctions set forth below is fair and reasonable and Concessionaire agrees to pay immediately upon demand by Sublandlord the following sanction amounts upon the occurrence of breaches related to the following subject matter:

Operating Hours
$100 first occurrence ($500 if breach occurs on holiday)
$250 second occurrence ($500 if breach occurs on holiday)
$500 third occurrence (Same if breach occurs on holiday)

$1,000 per occurrence thereafter ($1500 if breach occurs on holiday)

Service Standards; Employee Standards
$50 per occurrence

$500 per occurrence thereafter

Signs and Lease Line Violations

$1,000 per occurrence thereafter or a fee for any remedial sanitation work that must be performed by Sublandlord billed at a rate determined by Sublandlord consistent with the market rate (plus a reasonable additional amount for Sublandlord's administrative costs and expenses).

Deliveries and Vendor Access
$100 per occurrence

SECTION 17.04 Imposition of Sanctions. Except for Sublease violations regarding the minimum hours of operation, the sanctions for which shall be incurred immediately and without notice upon violation, other sanction amounts shall not be imposed unless the Sublease violation continues for more than three (3) calendar days after Sublandlord has given Concessionaire written notice of the violation, provided that after Sublandlord has given Concessionaire notice of the same violation more than twice during any given year of the Term, the sanction amount shall be immediately imposed with no opportunity to cure in order to avoid the sanction. Additionally, after two (2) sublease violations of the same type in the same year of the Term, Sublandlord reserves the right, at its sole option, not to impose the sanction and instead seek any other remedies available to it for an Event of Default, including termination of this Sublease. Sublandlord's right to impose the sanctions described above shall be in addition to any other rights and remedies of Sublandlord under this Sublease.

ARTICLE XVIII. TAXES

SECTION 18.01 Taxes. Concessionaire, solely, shall be responsible and liable for any taxes, assessments, levies, fees and other governmental charges and impositions of any and every kind or nature, regular or special, direct or indirect, foreseen or unforeseen or known or unknown, levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority, upon, against or with respect to (i) Concessionaire's leasehold interest in the Concessionaire Premises, (ii) any leasehold improvements or other alterations made to the Concessionaire Premises by Concessionaire, (iii) the furniture, fixtures, equipment, inventory and any other personal property of any kind owned by, or placed, installed or located in, within, upon or about the Concessionaire Premises by Concessionaire, (iv) Concessionaire's occupancy or use of the Concessionaire Premises.

ARTICLE XIX. HOLDING OVER

SECTION 19.01 Holding Over. Without in any way limiting the provisions in this Sublease regarding Events of Default and the Security Deposit or any other term and condition hereof, unless otherwise notified by Sublandlord in writing, if Concessionaire remains in possession of the Concessionaire Premises after the expiration or termination of the Term, in

addition to any damages to which Sublandlord may be entitled under this Sublease or other remedies Sublandlord may have by law or otherwise, Concessionaire shall pay to the Sublandlord a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that Concessionaire shall surrender and completely vacate the Concessionaire Premises at an annual rate equal to twice the sum of (i) the annual rate of Minimum Annual Guarantee in effect on the date of such expiration or termination, plus (ii) all items of Percentage Rents, Additional Rent and other periodic charges payable with respect to the Concessionaire Premises by the Concessionaire at the rates in effect during the three hundred sixty-five (365) day period immediately preceding such date. Nothing herein contained shall give, or be deemed to give, Concessionaire any right to remain in possession of the Concessionaire Premises after the expiration or termination of the letting under this Sublease. Concessionaire acknowledges that the failure of Concessionaire to surrender, vacate and yield up the Concessionaire Premises to Sublandlord on the effective date of such expiration or termination will or may cause Sublandlord and the Port Authority injury, damage or loss. Concessionaire hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay Sublandlord and the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and Concessionaire hereby expressly agrees to indemnify and hold Sublandlord and the Port Authority harmless against any such injury, damage or loss.

ARTICLE XX. QUIET ENJOYMENT

SECTION 20.01 Quiet Enjoyment. Upon payment by Concessionaire of Rent and upon the timely observance and full performance of all the covenants, terms and conditions on Concessionaire's part to be observed and performed under this Sublease and the Consent, Concessionaire shall peaceably and quietly hold and enjoy the Premises for the Term, free from and without hindrance or interruption, subject to the Master Lease and the Consent.

ARTICLE XXI. SIGNS AND ADVERTISING

SECTION 21.01 Definition of Signs. For purposes of this Section, signs shall include, but not necessarily be limited to, identification signs, Concessionaire logos, advertising, promotions, stickers, photographs, art displays, and the like.

SECTION 21.02 Right to Install. Concessionaire may install and operate upon or in the Concessionaire Premises, and at Concessionaire's sole cost and expense, signs containing its name and representing its business in accordance with the guidelines established in the Tenant Design Manual. Concessionaire acknowledges Sublandlord's desire to maintain a high level of aesthetic quality in the Master Lease Premises and in all concession facilities throughout the Master Lease Premises. Therefore, Concessionaire covenants and agrees that, in the exercise of its privilege to install and maintain appropriate signs on the Concessionaire Premises, it will submit to Sublandlord the size, design, content, and intended location of each and every sign it proposes to install on or within the Concessionaire Premises, and that no signs of any type shall

be installed on or within the Concessionaire Premises without the specific prior written approval of Sublandlord as to the size, design, content, and location. Handwritten, hand lettered, and paper signs are prohibited. Notwithstanding any prior written approval, Concessionaire shall install, remove, or modify any signs as directed in writing by the Sublandlord Concession Manager. Sublandlord's failure to require removal of any sign placed on or about the Concessionaire Premises without written permission shall not be deemed a waiver of the Sublandlord Concession Manager's authority to require removal of any unapproved sign.

SECTION 21.03 Signs and Fixtures Outside Concessionaire Premises.

(a) Concessionaire shall not place, install, erect, maintain or display any racks, stands, trade fixtures, pedestal signs, or other displays of products outside the boundaries of the Concessionaire Premises without the express prior written approval of Sublandlord.

(b) Except with the prior written consent of the Port Authority and Sublandlord, Concessionaire shall not place, install, erect, maintain or display any signs or any advertising at or on the exterior parts of the Concessionaire Premises or in the Concessionaire Premises so as to be visible through the windows or exterior doors thereof. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

SECTION 21.04 Removal of Signs.

(a) Upon the expiration or sooner termination of this Sublease, Concessionaire shall remove, obliterate or paint out, as Sublandlord may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. If there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, Sublandlord may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to Sublandlord on demand.

(b) Upon the expiration or sooner termination of the Master Lease, Concessionaire shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the Concessionaire Premises or elsewhere at the Master Lease Premises if pertaining to Concessionaire, and in connection therewith shall restore the Concessionaire Premises and the Master Lease Premises to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by Concessionaire so to remove, obliterate or paint out each and every sign or advertising and so to restore the Concessionaire Premises and the Master Lease Premises, the Port Authority may, at its option, perform the necessary work at the expense of Concessionaire, and the charge therefor shall be paid by Concessionaire to the Port Authority on demand.

SECTION 21.05 Tenant Directory, Etc. Sublandlord shall list Concessionaire in one or

more "Tenant Directories" to be located within the Master Lease Premises for the convenience of passengers. The design, layout, location, size, and placement of any Tenant Directory and Concessionaire's listing therein shall be at the sole discretion of Sublandlord. Concessionaire hereby grants Sublandlord (a) the right to list Concessionaire's name on its website, and (b) a non-exclusive license to use Concessionaire's name and logo in any marketing or promotional materials describing the Master Lease Premises and Sublandlord generally.

ARTICLE XXII. INTENTIONALLY OMITTED

ARTICLE XXIII. RIGHTS AND PRIVILEGES OF SUBLANDLORD

SECTION 23.01 Rules and Regulations. Sublandlord shall have the right to enforce, and adopt from time to time, reasonable rules and regulations, which Concessionaire agrees to observe and obey, with respect to the use of the Master Lease Premises, provided that such rules and regulations shall not be inconsistent with safety, current rules and regulations of the Federal Aviation Administration (FAA) and the Transportation Security Administration (TSA) , and any future changes prescribed from time to time by the FAA, TSA, or any other successor Federal agency, provided, further, that such rules and regulations shall not be inconsistent with current rules and regulations of the Port Authority and any future changes prescribed from time to time by the Port Authority, all of which rules and regulations of the Port Authority, in the event of any inconsistency, shall supercede and control over those of Sublandlord.

SECTION 23.02 Official Representative. The Sublandlord Concession Manager is hereby designated as the representative for Sublandlord with respect to notices and communication regarding this Sublease.

SECTION 23.03 Sublease Actions. All actions relating to policy determination, modification of this Sublease, termination of this Sublease, and any similar matters affecting the terms of this Sublease shall be subject to Section 25.06 regarding amendments hereto.

SECTION 23.04 Right to Enter Concessionaire Premises. The Sublandlord Concession Manager and his or her designated representatives may enter upon the Concessionaire Premises at any reasonable time, for any purpose necessary, incidental to, or connected with, the performance of its obligations hereunder, or at any time in the case of an emergency.

SECTION 23.05 Sublandlord's and the Port Authority's Right to Develop. Sublandlord reserves the right to further develop or improve the public areas of the Concessionaire Premises, including the Master Lease Premises and ramp space, and the other areas of the Concessionaire Premises as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance. Concessionaire hereby acknowledges the Port Authority's right to further develop or improve the airfield, public areas within the Airport, and any other Airport property or facility as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance.

SECTION 23.06 Aircraft Noise, Etc. Concessionaire acknowledges that the Port

Authority reserves for the use and benefit of the public, the right of aircraft to fly in the airspace overlying the land herein leased, together with the right of said aircraft to cause such noise as may be inherent in the operation of aircraft landing at, taking off from, or operating on or in the vicinity of the Airport and the Master Lease Premises, and the right to pursue all operations of the Airport and the Master Lease Premises.

SECTION 23.07 Aerial Approach Rights. Concessionaire acknowledges that the Port Authority reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Concessionaire from erecting, or permitting to be erected, any building or other structure on the Airport, which, in the opinion of the Port Authority, would limit the usefulness of the Airport, or constitute a hazard to aircraft.

SECTION 23.08 Right to Make Modifications. Sublandlord may from time to time increase or decrease the size or capacity of any public facilities within the Concessionaire Premises, or the Master Lease Premises, or make alterations thereto or reconstruct or relocate them or modify the design and type of construction thereof or close them or any portions of them, either temporarily or permanently, provided notice is given to Concessionaire.

SECTION 23.09 Renegotiations. This Sublease at any time may be reopened for renegotiation in good faith if Federal Aviation Administration (FAA) Airport Certification or Transportation Security Administration's Security Requirements, FAR Parts 139 and TSR 1542 respectively, result in major expenditures to Sublandlord or the Port Authority due to Concessionaire's tenancy in the Master Lease Premises. If said renegotiation is desired, written notice must be given to Concessionaire not less than sixty (60) days prior to such renegotiations.

SECTION 23.10 Sublandlord's Right to Relocate Concessionaire Premises.

(a) Sublandlord reserves the right to relocate the Concessionaire Premises to other space in the Master Lease Premises (such other space being hereinafter referred to as the "Substitution Space") should that be necessary for Master Lease Premises area remodeling, redesign, or expansion.

(b) Notwithstanding the forgoing, the Substitution Space shall (i) contain substantially the same amount of square footage as the Concessionaire Premises, and (ii) have a similar or better layout as the Concessionaire Premises, as determined by Sublandlord in its sole discretion.

(c) Sublandlord shall exercise such right by giving Subtenant not less than sixty (60) days' prior written notice specifying the effective date of such substitution of the Substitution Space, or such additional reasonable time for Concessionaire to alter the Substitution Space for the operation of its business. Upon receipt of such notice, Concessionaire shall have the right, by written notice to Sublandlord given no later than fifteen (15) days after receipt of Sublandlord's initial notice, to notify Sublandlord of its desire to terminate this Sublease if such substitution shall occur, whereupon Sublandlord shall elect, by written notice given no later than fifteen (15) days after receipt of Concessionaire's notice, to (x) withdraw its

notice of substitution, or (y) accept Concessionaire's termination. Any such termination in accordance with the foregoing shall become effective on the effective date established for the substitution in Sublandlord's initial notice, and upon such termination Sublandlord shall reimburse Concessionaire for its Unamortized Capital Investment as of such effective date, in accordance with Section 5.04. Concessionaire's failure to notify Sublandlord of its desire to terminate this Sublease pursuant to this Section shall be deemed its acceptance of the substitution, whereupon, as of the effective date thereof:

(i) the description of the Concessionaire Premises set forth in this Sublease shall, without further act on the part of Sublandlord or Concessionaire, be deemed amended so that the Substitution Space shall be deemed to be the Concessionaire Premises under the Lease, and all of the terms, covenants, conditions and provisions and agreements of this Sublease shall continue in full force and effect and apply to the Substitution Space; and

(ii) Concessionaire shall move from the original Concessionaire Premises into the Substitution Space on or before the effective date stated in Sublandlord's notice and shall vacate and surrender possession to Sublandlord of the original Concessionaire Premises, provided that Concessionaire shall have the right to relocate and reinstall its furniture, equipment, supplies, telephones and telephone equipment and all of Concessionaire's other property in the Substitution Space, provided, further, that Concessionaire shall not be required to move into the Substitution Space or vacate and surrender possession of the original Concessionaire Premises until the Substitution Space is ready for occupancy and operations; and

(iii) Subject to the other provisions of this subsection (iii), Concessionaire shall be deemed to have accepted possession of the Substitution Space in its "as is" condition as of the effective date stated in Sublandlord's notice.

(d) If Sublandlord exercises this relocation right, Sublandlord shall pay directly, upon presentation of invoices, for any of Concessionaire's actual and reasonable out-of-pocket expenses for moving and installing Concessionaire's furniture, equipment, supplies, telephones and telephone equipment and all of Concessionaire's other property in the Concessionaire Premises from the original Concessionaire Premises to the Substitution Space, but Concessionaire shall not be compensated and Sublandlord and Port Authority shall not be liable for any inconvenience to Concessionaire or for any interruption of Concessionaire's business or affairs. Additionally, Sublandlord, at Sublandlord's expense, shall alter the Substitution Space in substantially the same manner as the original Concessionaire Premises were delivered to Concessionaire and the effective date of the substitution of the Substitution Space shall not be deemed to have occurred until the substantial completion of such alterations. If Concessionaire requests materials or installations in the Substitution Space other than those originally installed by Sublandlord in the original Premises or if Concessionaire shall make any changes in the work, Sublandlord's written consent thereto shall be required and Concessionaire shall pay to Sublandlord, if Sublandlord so gives its consent, the extra costs of any such

materials, installations or changes in the work. Sublandlord at its discretion may substitute materials of like quality for the materials originally utilized in proceeding with any such work.
