Re: Insurance Requirements for Air Train construction at JFK Airport - Slattery Skanska

Dear Sir/Madam:

Pursuant to the appropriate FOIL laws, this office is making a request for all documents related to insurance requirements that were in effect in 1999 (and prior) between the Port Authority and Slattery Skanska for the construction of the JFK Airtrain. Note that, at this time, we are not requesting copies of the contract per se, but any documents (including but not limited to RFPs, proof of insurance, certificates of insurance, contracts, etc.) that refer to the requirements and compliance of and with and the insurance requirements.

Thank you for your prompt attention to this. I look forward to hearing from you.

Sincerely,

Charles M. Hymowitz

Re: Freedom of Information Reference No. 13690

Dear Mr. Hymowitz:

This is a response to your January 3, 2013 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code"), for copies of the RFP and certificate of insurance related to insurance requirement that were in effect in 1999 and prior between the PA and Slattery Skanska for the construction of the JFK Airtrain.

Please be advised that we have searched our files and found no records responsive to the request. The records that may have been responsive to the request were destroyed at the World Trade Center on September 11, 2001.

Very truly yours,

Daniel D. Duffy
