Re: Freedom of Information Reference No. 13922

Dear Ms. Rapp:

This is a response to your April 5, 2013 request, which has been processed under the Port Authority's Freedom of Information Code, copy enclosed, for various records related to Tomasello Construction Company's work at the World Trade Center site between 1966 and 1976.

Please be advised that we have searched our files and found no documents responsive to the request. The records that may have been responsive to the request, to the extent that they existed, were likely destroyed at The World Trade Center on September 11, 2001.

Sincerely,

Ann L. Qureshi
