Re: Freedom of Information Reference No. 14040

Dear Mr. Mikusko:

This is a response to your June 5, 2013 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code", copy enclosed), for a list of all food beverage and retail concessions outlets at John F. Kennedy International, LaGuardia and Newark Liberty International Airports, including the name of the establishment, the operator of the establishment company and the expiration date for the lease under which that establishment operates, including information about lease renewal option.

Please be advised that we have searched our files and found no documents responsive to your request for a list which includes the elements noted above. However, information regarding food, beverage and retail establishments at each Airport named above can be found on the Port Authority website, at the following locations:
