on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the deposit at all times to the full amount above stated, and such additional deposits shall be subject to all the conditions of this Standard Endorsement. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

If any type of strike or other labor activity is directed against the Permittee at the Facility or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Facility or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

SPECIAL ENDORSEMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of March 2nd, 2005 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class food and beverage concession facility offering the primary sale of the following various food items and non-alcoholic beverages: a vast selection of hot and cold regular and gourmet coffees, teas, cocoa, steamed milk and other non-alcoholic beverages, as well as sandwiches, wraps and pastries,

ground bulk and packaged gourmet coffee beans and teas, coffee related accessories such as tumblers mugs, and canisters; such other food and beverage items as shall be approved in advance in writing by the Airline; and for no other purpose whatsoever.

The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum of

per annum, payable as set forth in paragraph (b) of this Special

Endorsement, as the same may be adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned

by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(vi) "PA Share" shall mean

(b) (i) The Permittee shall pay to the Port Authority the PA Share of the Guaranteed Rent of per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the PA Share of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the

amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable PA Share of the Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of the PA Share of the Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, storage premises rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the PA Share of the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of of all gross receipts of the Permittee which are in excess of the Annual Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations

hereunder in the preceding month, and specifying the percentage stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentage applicable thereto. Whenever any monthly statement shall show that (A) the percentage set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, or (B) the percentage set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the Monthly Exemption Amount, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand.

In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of the PS Share of the Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls

shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentage stated in paragraph (c) of this Special Endorsement, such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority the PA Share of all rent payable under this Permit and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder is measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) ninety (90) days following delivery of the Space to the Permittee or

(c) June 1, 2005,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

SPECIAL ENDORSEMENTS

(a) The last three sentences of Section l of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) The following clause shall be deemed to have been added to the first sentence of Section 8: "or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier."

(h) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(i) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(j) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(k) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(l) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(m) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(n) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

SPECIAL ENDORSEMENTS

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but

not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) (i) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(ii) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) Notwithstanding anything to the contrary stated in Sections 6.04 and 12.01 (c) of the Sublease, there shall be no abatement of the PA Share of rent payable under this Permit or the Sublease under the circumstances described in Sections 6.04 or 12.01 (c).

(2) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of any payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered

to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to the Permit at the time of issuance.

16. Neither the Commissioners of the Port Authority nor any officer, agent or employee thereof, shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anywise connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(4) Effective from and after October 13, 2005, and continuing during the effective period of permissions granted under the Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port

Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2), (3) and (4) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority/s rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons including the United States of America resulting from the Permittee's noncompliance with any of the provisions of this Endorsement and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(e) may interfere with the effectiveness or accessibility of the drainage and sewerage system, fire-protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Airport, or

SPECIAL ENDORSEMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of January 26, 2005 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class deli-style food and beverage concession facility offering for the sale at retail of a variety of (i) fresh pre-made deli-style sandwiches and freshly toasted pannini sandwiches, assorted pre-made salads; (ii) Krispy Kreme

donuts and freshly made assorted ciabatta breakfast rolls during the early morning hours; and (iii) assorted coffees, teas, juices and other non-alcoholic beverages, and for no other purpose whatsoever.

The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special

Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being

operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Percentage Rent" shall mean Ex. 2.a.

(vi) "PA Share" shall mean

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect

during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, storage premises rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of Ex. 2.a. of all gross receipts which are in excess of Ex. 2.a.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations

hereunder in the preceding month, and specifying the percentage stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentage applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Guaranteed Rent, established for the monthly period, or (B) the applicable percentage set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Guaranteed Rent, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Guaranteed Rent, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Guaranteed Rent, less the total of all percentage rent payments previously made for such annual period. At any time that the Guaranteed Rent is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand.

In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all

percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Guaranteed Rent established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority the PA Share of all rent payable under this Permit and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) 60 days following delivery of the Space to the Permittee or

(c) April 29, 2005,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, cancellation, re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

SPECIAL ENDORSEMENTS

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) The following clause shall be deemed to have been added to the first sentence of Section 8: "or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier."

(h) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(i) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours

requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(j) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(k) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(l) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(m) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(n) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or

privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) (i) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(ii) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Subleasc or in a separate written agreement), the Permittee shall pay to the Port Authority of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the

Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of any payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Thirty Thousand Dollars and No Cents ($30,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of

the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is
Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. The Permittee shall provide and maintain a full force and effect throughout the effective period of the permission granted under this Permit a contract of absolute and

unconditional guaranty of the due and punctual payment of the fees and other monetary obligations under the Sublease to be paid by the Permittee hereunder and of the full, faithful and prompt performance, observance and fulfillment on the part of the Permittee of all the terms, covenant and conditions of the Sublease to be kept, observed, performed and fulfilled. Such contract of Guaranty shall be in the form annexed to this Permit as Exhibit A, shall be executed by Compass Group USA Investments LLP, a limited liability partnership organized under the laws of the State of Delaware, with an office and place of business at 2400 Yorkmont Raod, Charlotte, NC 28217, in favor of the Port Authority and the Airline and shall constitute part of the security deposit of the Permittee. Compass Group USA Investments LLP expressly agrees that with regard to its Guaranty the term "Sublease" shall be deemed also to include this Permit and accordingly, such contract of Guaranty shall be deemed to include a guaranty of the payment and performance obligations of the Permittee under the Sublease as well as the payment and performance obligations of the Permittee under this Permit.

LIMITED LIABILITY PARTNERSHIP

GUARANTY

THIS GUARANTY ("Guaranty") is made effective as of the 26th day of January, 2005, by **COMPASS GROUP USA INVESTMENTS LLP**, a Delaware limited liability partnership ("Guarantor"), to and for the benefit of **CONTINENTAL AIRLINES, INC.**, ("Landlord") and **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("Authority").

WITNESSETH:

WHEREAS, Landlord and Creative Host Services, Inc. ("Tenant") have entered into that certain sublease dated January 26, 2005 ("Sublease"), for the Premises located in Terminal C of Newark Liberty International Airport more commonly referred to as Space No. B67, as more fully described in the Sublease;

WHEREAS, Guarantor will derive financial benefits from Tenant's use and occupancy of the Premises;

WHEREAS, it is a condition precedent to all of the obligations of Landlord pursuant to the Sublease, that Guarantor shall have executed and delivered this Guaranty.

NOW, THEREFORE, in consideration of and as an inducement to the execution of the Sublease by Landlord, and in consideration of the above recitals and other good and valuable consideration paid by Landlord to Guarantor and intending to be legally bound hereby, Guarantor does hereby covenant and agree as follows:

1. Guarantor hereby absolutely, unconditionally and irrevocably guarantees to Landlord and the Authority that Guarantor is and shall be directly and jointly and severally liable to Landlord and the Authority, for the full and prompt payment of all rents, additional rents and any and all other charges payable by Tenant under the Sublease, when due, whether by acceleration or otherwise, and the full, faithful and prompt performance and observance of all the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, and Guarantor does hereby become surety to Landlord and the Authority, and their respective successors and assigns, for and with respect to all of Tenant's obligations under this Sublease.

2. Guarantor does hereby covenant and agree to and with Landlord and the Authority, that if default shall at any time be made by Tenant, in the payment of any such rents or other sums or charges payable by Tenant under the Sublease or in the performance of any of the covenants, terms, conditions or agreements contained in the Sublease, Guarantor will forthwith pay such rent or other sums or charges to Landlord, and any arrears thereof (including, without limitation, any and all interest or additional charges as provided in the Sublease), and will forthwith faithfully perform and fulfill all of such covenants, terms, conditions and agreements, and will forthwith pay to Landlord and the Authority all damages and all costs and expenses that may arise under the terms of the Sublease in consequence of any default by Tenant (including, without limitation, all attorneys' fees and any and all expenses incurred by Landlord or the Authority or caused by any such default and/or by the enforcement of this Guaranty).

3. This Guaranty is an absolute and unconditional guaranty of payment and of performance and is a surety agreement. Guarantor's liability hereunder is direct and may be enforced immediately without Landlord or the Authority being required to resort to any other right, remedy

or security and this Guaranty shall be enforceable immediately against Guarantor, without the necessity for any suit or proceedings on Landlord's part of any kind or nature whatsoever against Tenant, and without the necessity of any notice of non-payment, non-performance or non-observance or the continuance of any such default or of any notice of acceptance of this Guaranty or of Landlord's or the Authority's intention to act in reliance herein or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives; and Guarantor hereby expressly agrees that the validity of this Guaranty and the obligations of Guarantor hereunder shall in no manner be terminated, affected, or impaired by reason of the assertion or the failure to assert by Landlord or the Authority against Tenant, or of any of the rights or remedies reserved to Landlord or the Authority pursuant to the provisions of the Sublease.

4. This Guaranty shall be a continuing Guaranty, and (whether or not Guarantor shall have notice or knowledge of any of the following) the liability and obligation of Guarantor hereunder shall be absolute and unconditional irrespective of: (i) any amendment or modification of, or supplement to, or extension or renewal of the Sublease or any assignment or transfer thereof or sublease of the Premises; (ii) any exercise or non-exercise of any right, power, remedy or privilege under or in respect of the Sublease or this Guaranty or any waiver, consent or approval by Landlord or the Authority with respect to any of the covenants, terms, conditions or agreements contained in the Sublease or any indulgences, forbearances or extensions of time for performance or observance allowed to Tenant from time to time, at any time and for any length of time; (iii) any lack of validity or enforceability of the Sublease or any other agreement or instrument relating thereto; (iv) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition or liquidation or similar proceedings relating to Tenant, or its properties or creditors; (v) any impairment, modification, change, release or limitation of liability or obligation of Tenant under the Sublease (including, but not limited to, any disaffirmance or abandonment by a trustee of Tenant), resulting from the operation of any present or future provision of the United States Bankruptcy Code, as amended, or any other similar federal or state statute, or from the decisions of any court; (vi) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Tenant in respect of the Sublease or the Guarantor in respect of this Guaranty. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any rents, additional rents and any and all other charges by Tenant, under the Sublease, or performance and observance of any and all of the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, under the Sublease are rescinded, cancelled or otherwise must be returned by Landlord upon the insolvency, bankruptcy or reorganization of the Tenant, all as though such payment had not been made and/or performance and observance had not occurred.

5. All of Landlord's and the Authority's rights and remedies under the Sublease and under this Guaranty are intended to be distinct, separate and cumulative and no such right and remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the others. No termination of the Sublease or taking or recovering of the premises demised thereby shall deprive Landlord or the Authority of any of its rights and remedies against Guarantor under this Guaranty. This Guaranty shall apply to Tenant's obligations thereunder during the original term thereof in accordance with the original provisions thereof.

6. Guarantor represents and warrants to Landlord that (a) it is a duly created limited liability partnership, validly existing and in good standing under the laws of State of Delaware; (b) that the execution and delivery of this Guaranty has been duly authorized by the partners of Guarantor; (c) the making of this Guaranty does not require any vote or consent of partners of

Guarantor; and (d) that the persons executing this Guaranty has been duly authorized to execute the same by the unanimous written consent of the partners of the Guarantor.

7. As a further inducement to Landlord to make and enter into the Sublease and perform its obligations thereunder, and in consideration thereof, Guarantor covenants and agrees that in any action or proceeding brought on, under or by virtue of this Guaranty, Guarantor shall and does hereby waive trial by jury. Guarantor agrees to pay Landlord's and the Authority's reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempted collection or in any negotiations relative to the obligations hereby guaranteed or in enforcing this Guaranty against the undersigned, individually, jointly and severally.

8. This Guaranty shall be legally binding upon Guarantor, its successors and assigns and shall inure to the benefit of Landlord and the Authority, and their respective successors and assigns. The word "Tenant" is used herein to include each and every of the persons named above as Tenant, be the same one or more, as well as their permitted heirs, personal representatives, successors and assigns.

9. This Guaranty shall be governed by, and construed in accordance with, the laws of the State of New Jersey.

IN WITNESS WHEREOF, Guarantor, intending to be legally bound hereby, has caused this Guaranty to be executed and delivered by its officer thereunto duly authorized as of the date first written above.

TERMS AND CONDITIONS

1. The permission hereby granted shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition thereof, it may be revoked without cause, upon thirty (30) days' written notice, by the Port Authority or terminated without cause, upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked by the Port Authority on twenty-four (24) hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. As used in this Permit:

(a) The term "Executive Director" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The term "Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the said Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager (or temporary or Acting Manager) of the Facility for the time being, or his duly designated representative or representatives.

3. The rights granted hereby shall be exercised

(a) If the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) If the Permittee is an unincorporated association, or a business trust, by the Permittee acting only through the medium of its members, trustees, officers and employees;

(c) If the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(d) If the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees, or

(e) If the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers and employees.

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor, without the written approval of the Port Authority.

4. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

5. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

6. In the use of the roads, hallways, stairs and other areas constituting a means of ingress to and egress from the Space, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

Unless otherwise expressly provided, the Permittee, its employees, invitees and those doing business with it shall have no right hereunder to park vehicles within the Facility.

7. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the use and occupancy of the Space by the Permittee, its officers, members, managers (if any), employees and persons who are doing business with the Permittee, or out of any of the operations, acts or omissions of the Permittee, or out of the acts or omissions of others on the Space with the Permittee's consent, or out of the acts or omissions of the Permittee, its officers, members, managers (if any), and employees at the Facility.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. The Permittee shall accept the Space in its present condition and shall repair any damage thereto caused by its operations. The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs in the Space except with the written approval of the Port Authority.

9. The personal property placed or installed by the Permittee in the Space shall remain the property of the Permittee and must be removed on or before the expiration of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall fail to remove its property upon the expiration, termination or revocation hereof, the Port Authority may, at its option, as agent for the Permittee and at the Permittee's risk and expense, remove such property to a public warehouse for deposit or retain the same in its own possession and after the expiration of thirty (30) days sell the same at public auction, the proceeds of which shall be applied first to the expenses of sale, second to any sums owed by the Permittee to the Port Authority, and any balance remaining shall be paid to the Permittee, or may take such other action as may be necessary or desirable.

10. Unless otherwise expressly provided, the Permittee shall not use the Space (or permit it to be used) for the sale to its employees or to the public, of any beverages, food, candy, gum, ice cream or ice cream products, tobacco or tobacco products, periodicals, books, drugs, toys, games, souvenirs, jewelry, novelties, clothing, flowers, sporting or photographic goods, or toilet articles, or for furnishing for a consideration, theatre tickets, shoe shines, pressing and cleaning (except of its employees' uniforms), developing and printing of photographs and films, baggage checking service, or for the display of advertising of third parties, or for the installation of any coin-operated machines or devices.

11. No signs, posters or similar devices shall be erected, displayed or maintained in view of the general public in or about the Space without the written approval of the Manager of the Facility, and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Port Authority shall have the right at any time and as often as it considers necessary, to inspect the Space and (without any obligation so to do) to enter thereon to make ordinary repairs, and in the event of emergency to take such action therein as may be required for the protection of persons or property.

13. The Permittee's representative, hereinbefore specified, (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit and any things done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof and to give and receive notices hereunder.

14. A bill or statement may be rendered or any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given if the same be in writing and sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if

sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent (.8%) of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

16. No failure by the Port Authority to insist upon the strict performance of any agreement, term, covenant or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term, covenant or condition. No agreement, term, covenant or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term, covenant or condition of this Permit shall affect or alter this Permit but each and every agreement, term, covenant and condition thereof shall continue in full force and effect with respect to any other existing or subsequent breach or default thereof.

17. (a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations of the Port Authority now in effect, and such further reasonable rules and regulations which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Facility, including any Space covered by this Permit, or for the safe and efficient operation of the Facility, including any Space covered by this Permit. The Port

Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification. The badges or means of identification shall be subject to the written approval of the Manager of the Facility.

18. (a) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Facility.

(b) The Permittee shall procure all licenses, certificates, permits or other authorization necessary for the Permittee's operations at the Facility from all governmental authorities, if any, having jurisdiction.

(c) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations hereunder or on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of persons and property at the Facility and are not to be construed as a submission by the Port Authority to the application to itself of any such requirements.

19. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach hereof.

20. (a) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the National Board of Fire Underwriters and The Fire Insurance Rating Organization of New Jersey, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Facility or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

(b) The Permittee shall not do or permit to be done any act which:

(i) Will invalidate or be in conflict with any fire insurance policies covering the Facility or any part thereof or upon the contents of any building thereon, or

(ii) Will increase the rate of any fire insurance, extended coverage or rental insurance on the Facility or any part thereof or upon the contents of any building thereon, or

(iii) In the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) May cause or produce upon the Facility any unusual, noxious or objectionable smokes, gases, vapors or odors, or

(v) May interfere with the effectiveness or accessibility of the drainage and sewerage system, fire-protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Facility, or

(vi) Shall constitute a nuisance in or on the Facility or which may result in the creation, commission or maintenance of a nuisance in or on the Facility.

(c) For the purpose of this Section, "Facility" includes all structures located thereon.

21. If any type of strike or other labor activity is directed against the Permittee at the Facility or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours, which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Facility or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit, effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

22. The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the Manager of the Facility covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designations, approvals, substitutions or redesignations given by it hereunder.

23. The Permittee shall not solicit business on the public areas of the Facility and shall not at any time use any electric amplifying devices or hand megaphones whatsoever.

24. It is hereby acknowledged that the Space under this Permit constitutes non-residential real property.

25. The Permittee hereby waives its right to trial by jury in any summary proceeding or action that may hereafter be instituted by the Port Authority against the Permittee in respect of the Space and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any summary proceeding or action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed. The foregoing reference to summary proceedings shall not be construed to mean that a landlord-tenant relationship exists between the Port Authority and the Permittee.

26. Without in any way limiting any provisions of this Permit, unless otherwise notified by the Port Authority in writing, in the event the Permittee continues its use and occupancy of the Space after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination and ending on the date that the Permittee shall surrender and completely vacate the Space at a rate equal to twice the Basic Fee as provided for herein. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue its use and occupancy of the Space after the expiration, revocation or termination of the effective period of the permission granted under this permit. The Permittee acknowledges that the failure of the Permittee to surrender, vacate and yield up the Space to the Port Authority on the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

27. Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action

by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security but in no event would the adjusted amount equal more than three months of fees that would be payable to the Port Authority. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement ("Other PA Agreement") to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and other obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport (or other Port Authority facility) pursuant to any such Other PA Agreement or otherwise, then all such security deposit-related obligations under such Other PA Agreement, and any deposit pursuant thereto, also shall be deemed obligations of the Permittee under this Permit and as security hereunder, as well as under any such Other PA Agreement. All provisions of such Other PA Agreement with respect to security deposit-related obligations, and any obligations thereunder of the Port Authority as to the security deposit, are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. It is understood that the term Other PA Agreement refers both to agreements entered into prior to, or as of, the effective date of this agreement, as well as agreements hereinafter entered into.

28. This Permit, including the attached exhibits and endorsements, constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended, except by written endorsement duly executed on behalf of the parties and attached hereto. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination

and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of **Ex. 2.a.** as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of **Ex. 2.a.** per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of **Ex. 2.a.** on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable to, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the sum of **Ex. 2.a.** of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentages set forth in paragraph (c) of this Special

Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of September 30, 2006:

(a) the date on which Permittee commences operations in the Space.

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for

any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) Paragraph (a) of Section 6 of the foregoing Terms and Conditions shall be deemed deleted in its entirety and the following new paragraph (a) shall be substituted in lieu thereof:

> "(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Permit, and notwithstanding the terms and conditions of the Sublease, the Permittee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Permit by the Permittee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Permittee or others with its consent, or out of any other acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Permittee if it is a limited liability entity), managers (in their capacity as managers of the Permittee if it is a limited liability entity), partners (if Permittee is a partnership), customers, invitees and other persons who are doing business with the Permittee or who are at the Space or the Terminal with the consent of the Permittee, or out of any other acts or omissions of the Permittee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Permittee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement."

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the

Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

SPECIAL ENDORSEMENTS

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

(n) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority fifty percent (50%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) Notwithstanding anything to the contrary stated in Section(s) 6.04 of the Sublease, there shall be no abatement of the PA Share of rent payable under this Permit or the Sublease under the circumstances described in Section(s) 19.01.

(2) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence

on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

(a) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

(b) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a) of Standard Endorsement No. 23.1. Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in said notice which new amount shall thereafter constitute the security deposit subject to said Standard Endorsement No. 23.1.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered

to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. Neither the Commissioners of the Port Authority nor any officer, agent or employee thereof, shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any summary proceeding or action that may hereafter be instituted by the Port Authority against the Permittee in respect of the Space or in any action that may be brought by the Port Authority to recover fees, damages, or other sums payable hereunder. The Permittee shall not interpose any claims as counterclaims in any summary proceeding or action for non-payment of fees which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination

and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority/s rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. (b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons including the United States of America resulting from the Permittee's noncompliance with any of the provisions of this Endorsement and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of it various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate six (6) automated teller machines ("ATMs") with the trade name "Chase", "Chase Bank", "JP Morgan Chase", "JP Morgan", "JP Morgan Chase Bank" or any variation thereof, at the Terminal for the purpose of providing instant cash and

The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iv) Gross Receipts

(1) "Gross Receipts", to the extent applicable to the operation of ATMs, shall mean and include all monies paid or payable to the Permittee, whether for cash, credit or otherwise, for services rendered at or from the Terminal or Airport regardless of when or where the order therefor is received and other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or Airport, including, without limitation: mail, catalogue, closed circuit television, computer, other electronic or telephone orders; all deposits not refunded to or otherwise forfeited by customers; orders taken, although said orders may be filled elsewhere; the entire amount of the actual sales price and all other receipts for sales and services rendered; all insurance proceeds received due to loss of gross earnings paid under the Permittee's business interruption insurance policy because of business interruptions; and the spread earned on any exchange or foreign currency transaction whether for an exchange service or for merchandise, products and/or services. A "sale" shall be deemed to have been consummated for purposes hereof, and the entire amount of the sales price shall be included in Gross Receipts and deemed received at the time of determination of the amount due for each transaction, whether for cash, credit or otherwise, and not at the time of billing or payment. Losses from "bad" checks or credit card transactions are the responsibility of the Permittee and shall not be excluded from Gross Receipts. Gross Receipts shall include the full amount of all insurance proceeds paid on a gross earnings business interruption insurance policy to the Permittee. For purposes of this Permit, "Gross Receipts" shall also mean and include all monies paid or payable to the Permittee, for all surcharges imposed on foreign transactions. Foreign transactions shall be

defined as those transactions conducted by persons other than those that have bank accounts with the Permittee and are subject to a surcharge transaction fee. The Port Authority and Permittee acknowledge and agree that a majority of the Permittee's Gross Receipts, shall be derived from such foreign transactions, due to the nature and limitation of the Permittee's automated teller machine operation under this Permit.

(2) Notwithstanding subparagraph (1) above, Gross Receipts shall not include: (i) any sums collected for any federal, state, county and municipal sales taxes, so-called luxury taxes, use taxes, consumer excise taxes, gross receipts taxes and other similar taxes now or hereafter imposed by law upon the sale of merchandise or services but only if separately stated from the sales price and only to the extent paid by the Permittee to any duly constituted governmental/taxing authority; (ii) the portion of the sales price for all merchandise returned by customers and accepted for credit to the extent of the credit actually given to the customer as well as rebates, exchanges or allowances made to customers; (iii) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to the Permittee and such charges are merely an accommodation to customers; (iv) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (v) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including volume discounts received from the Permittee's vendors, suppliers or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors and suppliers, etc. all of which must be included within Gross Receipts); (vi) customary discounts given by the Permittee on sales of merchandise or services to the Permittee's employees, if separately stated, and limited in amount to not more than of the Permittee's Gross Receipts per month; (vii) Ex. 2.a. which must be given by the Permittee on sales of merchandise or services to the Airlines's employees, other Airport airline lessees' employees and other individuals employed at the Airport, if separately stated; (viii) gratuities for services performed by employees of the Permittee which are paid by the Permittee or its customers to such employees; (ix) exchange of merchandise between stores or warehouses owned by or affiliated with the Permittee (where such exchange is made solely for the convenient operation of the business of the Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Port Authority of the benefit of a sale which otherwise would be made in or from the Space); (x) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to the Permittee's record keeping system; (xi) the sale or transfer in bulk of the inventory of the Permittee to a purchaser of all or substantially all of the assets of the Permittee in a transaction not in the ordinary course of the Permittee's business; (xii) except with respect to proceeds received for business interruptions paid on a gross earnings business interruption insurance policy as provided in subparagraph (1) above, receipts from all other insurance proceeds received by the Permittee

as a result of a loss or casualty; and (xiii) all funds owned by customers of the Permittee.

(3) For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "PA Share" shall mean Ex. 2.a.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the sum of of all gross receipts of the Permittee on all monthly foreign (non-Chase members) ATM transactions arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentage applicable thereto.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of

that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; and second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto.

(f) The Permittee shall pay to the Port Authority the PA Share of all rent payable under this Permit and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the later to occur of:

(a) the date the Permittee commences operations at the Space, or

(b) 30 business days following the submission of the Tenant Alteration Application by the Permittee to the Port Authority, or

(c) September 3, 2007 (which date may be postponed on a day-to-day basis equal to the exact number of days past August 5, 2007, that possession of the Space to the Permittee was so delayed by the Port Authority),

subject to the Permittee's limited right (if any) to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Two Hundred Dollars ($200) per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

SPECIAL ENDORSEMENTS

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) The following clause shall be deemed to have been added to the first sentence of Section 8: "or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier."

(h) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(i) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours

requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(k) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(l) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(m) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(n) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or

privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority fifty percent (50%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In Section 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to and assumed by the Port Authority: (i) the last sentence of Section 19.01(a) and Section 19.01(b) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01(a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

(4) With regard to Section 27.32 of the Sublease, the parties do not intend that the Port Authority's Tenant Alteration Application-related time frames shall be contractually binding on, or result in any liability of the Port Authority.

(h) With regard to Sections 3.01, 3.02 and 4.02, references to Records (whether as defined in the Sublease or as defined in Special Endorsement No. 2.8 to the Permit) being subject to applicable privacy laws and other applicable laws shall not prevent the Port Authority from applying its freedom of information policies and processes. The Permittee shall be responsible for notifying the Port Authority of specific provisions of privacy laws and other applicable laws of and to the extent it believes that any of these supercede the Port Authority's freedom of information policy/process.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of any payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted

by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Sixty Thousand Dollars and No Cents ($60,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such

letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted

hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair

competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the

Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of

such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any Space and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any Space under this Permit and the furnishing of services thereon by it, no person on the grounds of race, creed, color national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any Space and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of May 9, 2008 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class food and beverage concession, under the trade name "Famous Famiglia", offering pizza by the slice and whole pies, pasta, Italian hero and deli sandwiches, non-alcoholic beverages and alcoholic beverages to include

beer and wine; and such other related products as may be consented to in advance by the Airline and the Port Authority and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift

certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of Ex. 2.a. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed

Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority a monthly percentage rent equivalent to the PA Share equal to Ex. 2.a. of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the

report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority twenty percent (20%) of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) April 11, 2009,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section l of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the

shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) Paragraph (a) of Section 6 of the foregoing Terms and Conditions shall be deemed deleted in its entirety and the following new paragraph (a) shall be substituted in lieu thereof:

"(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Permit, and notwithstanding the terms and conditions of the Sublease, the Permittee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Permit by the Permittee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Permittee or others with its consent, or out of any other acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Permittee if it is a limited liability entity), managers (in their capacity as managers of the Permittee if it is a limited liability entity), partners (if Permittee is a partnership), customers, invitees and other persons who are doing business with the Permittee or who are at the Space or the Terminal with the consent of the Permittee, or out of any other acts or omissions of the Permittee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Permittee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement."

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees,

the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

SPECIAL ENDORSMENTS

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority twenty percent (20%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port

Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the

terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of One Hundred Fifty Thousand Dollars and No Cents ($150,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days

notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

15. The Expiration Date of this Permit shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease is extended beyond March 30, 2013, then the period of permission granted under this Permit shall be the earlier of: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 7th anniversary of the Rent Commencement Date. The Airline shall confirm the actual date of the expiration date in a written letter to the Permittee, a copy of which letter shall be delivered contemporaneously to the Port Authority.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily

business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will

determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted

hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair

competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the

Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of

such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class full-service, sit-down diner style food and beverage concession, under the trade name "Ruby's Diner", offering menu items for breakfast, lunch and dinner and a wide variety of non-alcoholic and alcoholic beverage and the incidental sale of Ruby's Diner logoed merchandise; and such other

be consented to in advance by the Airline and the Port Authority and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. , which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift

certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

Ex. 2.a.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of

) as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of

Ex. 2.a.

) per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of

Ex. 2.a.

, on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed

Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority a monthly percentage rent equivalent to the PA Share equal to Ex. 2.a. of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the

report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) November 24, 2008,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section l of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the

shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens,

shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a.
of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import

not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

SPECIAL ENDORSMENTS

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of One Hundred Twenty-five Thousand Dollars and No Cents ($125,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port

Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the

Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

SPECIAL ENDORSMENTS

15. The Expiration Date of this Permit shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease is extended beyond March 30, 2013, then the period of permission granted under this Permit shall be the earlier of: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 10th anniversary of the Rent Commencement Date. The Airline shall confirm the actual date of the expiration date in a written letter to the Permittee, a copy of which letter shall be delivered contemporaneously to the Port Authority.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily

business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will

determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted

hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair

competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the

Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of

such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. (b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of March 24, 2008 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class food and beverage concession, under the trade name "Vino Volo", offering a rotating selection of international, local and domestic wines by the glass, by the sampling of wines and by the bottle which will be matched to a rotating selection of menu offerings such as pork tacos, cured meat platter, broccoli rabe and

All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

(ii) "Annual Exemption Amount" shall mean the sum of (Ex. 2.a.

as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of

merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Guaranteed Rent" shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(vi) "Monthly Exemption Amount" shall mean equal one-twelfth of the Annual Exemption Amount.

(vii) "PA Share" shall mean Ex. 2.a.

(b) (i) The Permittee shall pay to the Port Authority the PA Share of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. on the Rent Commencement Date (as hereinafter defined) and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual

number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements (as defined in the Sublease), pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority the PA Share of a monthly percentage rent equal to Ex. 2.a. of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted

hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments

previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentage(s) stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority the PA Share of all rent payable under this Permit and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) December 31, 2008,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

SPECIAL ENDORSMENTS

(a) The last three sentences of Section l of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) Paragraph (a) of Section 6 of the foregoing Terms and Conditions shall be deemed deleted in its entirety and the following new paragraph (a) shall be substituted in lieu thereof:

"(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Permit, and notwithstanding the terms and conditions of the Sublease, the Permittee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Permit by the Permittee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Permittee or others with its consent, or out of any other acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Permittee if it is a limited liability entity), managers (in their capacity as managers of the Permittee if it is a limited liability entity), partners (if Permittee is a partnership), customers, invitees and other persons who are doing business with the Permittee or who are at the Space or the Terminal with the consent of the Permittee, or out of any other acts or omissions of the Permittee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Permittee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor,

including but not limited to the obligations of indemnification, repair and replacement."

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect; provided, however, notwithstanding anything to the contrary herein, the Permittee's prices for merchandise and services shall not exceed the average of five (5) prices for similar merchandise or services sold in the following local malls (i) Garden State Plaza, (ii) The Mall at Short Hills, and (iii) Newport Center.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to

this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port

Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to

the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to and assumed by the Port Authority: (i) the

last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of any payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

SPECIAL ENDORSMENTS

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of Fifty-three Thousand Dollars and No Cents ($53,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Permit, it has delivered to the Port Authority evidence of a signed labor peace

agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily

business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will

determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th FIoor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and

demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13 As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14 A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the

representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under

the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of

such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any Space and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any Space under this Permit and the furnishing of services thereon by it, no person on the grounds of race, creed, color national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any Space and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of it various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(1) The Permittee in its own name as assured shall secure and pay the premium or premiums for such of the following policies of insurance with respect to which minimum limits are fixed in the schedule below. (6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of June 27, 2008 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class food and beverage concession to sell Juan Valdez brand coffee drinks, tea, water, soda, juices, pre-made sandwiches, baked goods including empanadas and other Latino pastries, yogurt and fruit as well as retail merchandise as is typically sold in Tenant's other stores operating under the trade name "Juan Valdez Cafe"; provided that such accessories do not exceed 10% of the sales display area portion of the floor area of the space, and such other related products

may be consented to in advance by the Airline and the Port Authority, and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefore, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed ten percent (10%), which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than one percent (1%) of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been

treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of Ex. 2.a. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in

subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority a monthly percentage rent equivalent to the PA Share equal to of all gross receipts of the Permittee in excess of Ex. 2.a. the Monthly Exemption Amount, arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the

applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) May 30, 2008,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to **Ex. 2.a.** Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in

connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefore within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) Paragraph (a) of Section 6 of the foregoing Terms and Conditions shall be deemed deleted in its entirety and the following new paragraph (a) shall be substituted in lieu thereof:

"(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Permit, and notwithstanding the terms and conditions of the Sublease, the Permittee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Permit by the Permittee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Permittee or others with its consent, or out of any other acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Permittee if it is a limited liability entity), managers (in their capacity as managers of the Permittee if it is a limited liability entity), partners (if Permittee is a partnership), customers, invitees and other persons who are doing business with the Permittee or who are at the Space or the Terminal with the consent of the Permittee, or out of any other acts or omissions of the Permittee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Permittee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefore, including but not limited to the obligations of indemnification, repair and replacement."

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been

consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs,

alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Twenty-five Thousand Dollars and No Cents ($25,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean

and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is
Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. This Permit is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the

above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The

Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

16. The Expiration Date of this Permit shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease is extended beyond March 30, 2013, then the period of permission granted under this Permit shall be the earlier of: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 7th anniversary of the Rent Commencement Date. WITNESSETH.

WHEREAS, Landlord and _____ ("Tenant") have entered into that certain sublease dated _____, (the "Sublease"), for the Premises located in Terminal C of Newark International Airport, as more fully described in the Sublease;

WHEREAS, Guarantor will derive financial benefits from Tenant's use and occupancy of the Premises;

NOW, THEREFORE, in consideration of and as an inducement to the execution of the Sublease by Landlord, and in consideration of the above recitals and other good and valuable consideration paid by Landlord to Guarantor and intending to be legally bound hereby, Guarantor does hereby covenant and agree as follows:

1. Guarantor hereby absolutely, unconditionally and irrevocably guarantees to Landlord and the Authority that Guarantor is and shall be directly and jointly and severally liable to Landlord and the Authority, for the full and prompt payment of all rents, additional rents and any and all other charges payable by Tenant under the Sublease, when due, whether by acceleration or otherwise, and the full, faithful and prompt performance and observance of all the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, and Guarantor does hereby become surety to Landlord and the Authority, and their respective successors and assigns, for and with respect to all of Tenant's obligations under this Sublease.

2. Guarantor does hereby covenant and agree to and with Landlord and the Authority, that if default shall at any time be made by Tenant, in the payment of any such rents or other sums or charges payable by Tenant under the Sublease or in the performance of any of the covenants, terms, conditions or agreements contained in the Sublease, Guarantor will forthwith pay such rent or other sums or charges to Landlord, and any arrears thereof (including, without limitation, any and all interest or additional charges as provided in the Sublease), and will forthwith faithfully perform and fulfill all of such covenants, terms, conditions and agreements, and will forthwith pay to Landlord and the Authority all damages and all costs and expenses that may arise in consequence of any default by Tenant, under the Sublease (including, without limitation, all attorneys' fees and any and all expenses incurred by Landlord or the Authority or caused by any such default and/or by the enforcement of this Guaranty).

3. This Guaranty is an absolute and unconditional guaranty of payment and of performance and is a surety agreement. Guarantor's liability hereunder is direct and may be enforced immediately without Landlord or the Authority being required to resort to any other right, remedy or security and this Guaranty shall be enforceable immediately against Guarantor, without the necessity for any suit or proceedings on Landlord's part of any kind or nature whatsoever against Tenant, and without the necessity of any notice of non-payment, non-performance or non-

observance or the continuance of any such default or of any notice of acceptance of this Guaranty or of Landlord's or the Authority's intention to act in reliance herein or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives; and Guarantor hereby expressly agrees that the validity of this Guaranty and the obligations of Guarantor hereunder shall in no manner be terminated, affected, or impaired by reason of the assertion or the failure to assert by Landlord or the Authority against Tenant, or of any of the rights or remedies reserved to Landlord or the Authority pursuant to the provisions of the Sublease.

4. This Guaranty shall be a continuing Guaranty, and (whether or not Guarantor shall have notice or knowledge of any of the following) the liability and obligation of Guarantor hereunder shall be absolute and unconditional irrespective of: (i) any amendment or modification of, or supplement to, or extension or renewal of the Sublease or any assignment or transfer thereof or sublease of the Premises; (ii) any exercise or non-exercise of any right, power, remedy or privilege under or in respect of the Sublease or this Guaranty or any waiver, consent or approval by Landlord or the Authority with respect to any of the covenants, terms, conditions or agreements contained in the Sublease or any indulgences, forbearances or extensions of time for performance or observance allowed to Tenant from time to time, at any time and for any length of time; (iii) any lack of validity or enforceability of the Sublease or any other agreement or instrument relating thereto; (iv) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition or liquidation or similar proceedings relating to Tenant, or its properties or creditors; (v) any impairment, modification, change, release or limitation of liability or obligation of Tenant under the Sublease (including, but not limited to, any disaffirmance or abandonment by a trustee of Tenant), resulting from the operation of any present or future provision of the United States Bankruptcy Code, as amended, or any other similar federal or state statute, or from the decisions of any court; (vi) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Tenant in respect of the Sublease or the Guarantor in respect of this Guaranty. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any rents, additional rents and any and all other charges by Tenant, under the Sublease, or performance and observance of any and all of the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, under the Sublease are rescinded, cancelled or otherwise must be returned by Landlord upon the insolvency, bankruptcy or reorganization of the Tenant, all as though such payment had not been made and/or performance and observance had not occurred.

5. All of Landlord's and the Authority's rights and remedies under the Sublease and under this Guaranty are intended to be distinct, separate and cumulative and no such right and remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the others. No termination of the Sublease or taking or recovering of the premises demised thereby shall deprive Landlord or the Authority of any of its rights and remedies against Guarantor under this Guaranty. This Guaranty shall apply to Tenant's obligations thereunder during the original term thereof in accordance with the original provisions thereof.

6. Guarantor represents and warrants to Landlord that (a) it is duly incorporated, validly existing and in good standing under the laws of the State of Delaware; (b) the making, executing and delivery of this Guaranty does not require any vote or consent of either the Board of Directors or shareholders of Guarantor; and (c) that the officer executing this Guaranty has been duly authorized.

7. As a further inducement to Landlord to make and enter into the Sublease and perform its obligations thereunder, and in consideration thereof, Guarantor covenants and agrees that in any

action or proceeding brought on, under or by virtue of this Guaranty, Guarantor shall and does hereby waive trial by jury. Guarantor agrees to pay Landlord's and the Authority's reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempted collection or in any negotiations relative to the obligations hereby guaranteed or in enforcing this Guaranty against the undersigned, individually, jointly and severally.

8. This Guaranty shall be legally binding upon Guarantor, its successors and assigns and shall inure to the benefit of Landlord and the Authority, and their respective successors and assigns. The word "Tenant" is used herein to include each and every of the persons named above as Tenant, be the same one or more, as well as their permitted heirs, personal representatives, successors and assigns.

9. This Guaranty shall be governed by, and construed in accordance with, the laws of the State of New Jersey.

IN WITNESS WHEREOF, Guarantor, intending to be legally bound hereby, has caused this Guaranty to be executed and delivered by its officer thereunto duly authorized as of the date first written above.

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged

established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and

demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the

representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under

the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of

such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of June 31, 2008 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class food and beverage concession to sell Juan Valdez brand coffee drinks, tea, water, soda, juices, pre-made sandwiches, baked goods including empanadas and other Latino pastries, yogurt and fruit as well as retail merchandise as is typically sold in Tenant's other stores operating under the trade name "Juan Valdez Cafe"; provided that such accessories do not exceed 10% of the sales display area

portion of the floor area of the space, and such other related products as may be consented to in advance by the Airline and the Port Authority and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefore, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. , which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been

treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of Ex. 2.a. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in

subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority a monthly percentage rent equivalent to the PA Share equal to Ex. 2.a. of all gross receipts of the Permittee in excess of the Monthly Exemption Amount, arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the

applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority twenty percent (20%) of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) November 15, 2008,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in

connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefore within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) Paragraph (a) of Section 6 of the foregoing Terms and Conditions shall be deemed deleted in its entirety and the following new paragraph (a) shall be substituted in lieu thereof:

"(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Permit, and notwithstanding the terms and conditions of the Sublease, the Permittee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Permit by the Permittee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Permittee or others with its consent, or out of any other acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Permittee if it is a limited liability entity), managers (in their capacity as managers of the Permittee if it is a limited liability entity), partners (if Permittee is a partnership), customers, invitees and other persons who are doing business with the Permittee or who are at the Space or the Terminal with the consent of the Permittee, or out of any other acts or omissions of the Permittee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Permittee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefore, including but not limited to the obligations of indemnification, repair and replacement."

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with

like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been

consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority twenty percent (20%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs,

alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Fifty Thousand Dollars and No Cents ($50,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and

and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. This Permit is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the

above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The

Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

15. The Permittee shall provide and maintain a full force and effect throughout the effective period of the permissions granted under this Permit a contract of absolute and unconditional guaranty of the due and punctual payment of the fees and other monetary obligations under the Sublease to be paid by the Permittee hereunder and of the full, faithful and prompt performance, observance and fulfillment on the part of the Permittee of all the terms, covenant and conditions of the Sublease to be kept, observed, performed and fulfilled. Each of the above-named guarantors, expressly agrees that with regard to its Guaranty the term "Sublease" shall be deemed also to include this Permit and accordingly, such contract of Guaranty shall be deemed to include a guaranty of the payment and performance obligations of the Permittee under the Sublease as well as the payment and performance obligations of the Permittee under this Permit.

15. The Permittee shall provide and maintain a full force and effect throughout the effective period of the permissions granted under this Permit a contract of absolute and unconditional guaranty of the due and punctual payment of the fees and other monetary obligations under the Sublease to be paid by the Permittee hereunder and of the full. faithful and prompt performance, observance and fulfillment on the part of the Permittee of all the terms, covenant and conditions of the Sublease to be kept, observed, performed and fulfilled. GUARANTY

THIS GUARANTY ("Guaranty") is made and entered into as of this ___ day of _____, ____, by _____ ("Guarantor"), to and for the benefit of **CONTINENTAL AIRLINES, INC.** ("Landlord") and **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("Authority").

WITNESSETH:

WHEREAS, Landlord and _____ ("Tenant") have entered into that certain sublease dated _____, (the "Sublease"), for the Premises located in Terminal C of Newark International Airport, as more fully described in the Sublease;

WHEREAS, Guarantor will derive financial benefits from Tenant's use and occupancy of the Premises;

WHEREAS, it is a condition precedent to all of the obligations of Landlord pursuant to the Sublease, that Guarantor shall have executed and delivered this Guaranty

NOW, THEREFORE, in consideration of and as an inducement to the execution of the Sublease by Landlord, and in consideration of the above recitals and other good and valuable consideration paid by Landlord to Guarantor and intending to be legally bound hereby, Guarantor does hereby covenant and agree as follows:

1. Guarantor hereby absolutely, unconditionally and irrevocably guarantees to Landlord and the Authority that Guarantor is and shall be directly and jointly and severally liable to Landlord and the Authority, for the full and prompt payment of all rents, additional rents and any and all other charges payable by Tenant under the Sublease, when due, whether by acceleration or otherwise, and the full, faithful and prompt performance and observance of all the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, and Guarantor does hereby become surety to Landlord and the Authority, and their respective successors and assigns, for and with respect to all of Tenant's obligations under this Sublease.

2. Guarantor does hereby covenant and agree to and with Landlord and the Authority, that if default shall at any time be made by Tenant, in the payment of any such rents or other sums or charges payable by Tenant under the Sublease or in the performance of any of the covenants, terms, conditions or agreements contained in the Sublease, Guarantor will forthwith pay such rent or other sums or charges to Landlord, and any arrears thereof (including, without limitation, any and all interest or additional charges as provided in the Sublease), and will forthwith faithfully perform and fulfill all of such covenants, terms, conditions and agreements, and will forthwith pay to Landlord and the Authority all damages and all costs and expenses that may arise in consequence of any default by Tenant, under the Sublease (including, without limitation, all attorneys' fees and any and all expenses incurred by Landlord or the Authority or caused by any such default and/or by the enforcement of this Guaranty).

3. This Guaranty is an absolute and unconditional guaranty of payment and of performance and is a surety agreement. Guarantor's liability hereunder is direct and may be enforced immediately without Landlord or the Authority being required to resort to any other right, remedy or security and this Guaranty shall be enforceable immediately against Guarantor, without the necessity for any suit or proceedings on Landlord's part of any kind or nature whatsoever against Tenant, and without the necessity of any notice of non-payment, non-performance or non-

observance or the continuance of any such default or of any notice of acceptance of this Guaranty or of Landlord's or the Authority's intention to act in reliance herein or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives; and Guarantor hereby expressly agrees that the validity of this Guaranty and the obligations of Guarantor hereunder shall in no manner be terminated, affected, or impaired by reason of the assertion or the failure to assert by Landlord or the Authority against Tenant, or of any of the rights or remedies reserved to Landlord or the Authority pursuant to the provisions of the Sublease.

4. This Guaranty shall be a continuing Guaranty, and (whether or not Guarantor shall have notice or knowledge of any of the following) the liability and obligation of Guarantor hereunder shall be absolute and unconditional irrespective of: (i) any amendment or modification of, or supplement to, or extension or renewal of the Sublease or any assignment or transfer thereof or sublease of the Premises; (ii) any exercise or non-exercise of any right, power, remedy or privilege under or in respect of the Sublease or this Guaranty or any waiver, consent or approval by Landlord or the Authority with respect to any of the covenants, terms, conditions or agreements contained in the Sublease or any indulgences, forbearances or extensions of time for performance or observance allowed to Tenant from time to time, at any time and for any length of time, (iii) any lack of validity or enforceability of the Sublease or any other agreement or instrument relating thereto; (iv) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition or liquidation or similar proceedings relating to Tenant, or its properties or creditors; (v) any impairment, modification, change, release or limitation of liability or obligation of Tenant under the Sublease (including, but not limited to, any disaffirmance or abandonment by a trustee of Tenant), resulting from the operation of any present or future provision of the United States Bankruptcy Code, as amended, or any other similar federal or state statute, or from the decisions of any court; (vi) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Tenant in respect of the Sublease or the Guarantor in respect of this Guaranty. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any rents, additional rents and any and all other charges by Tenant, under the Sublease, or performance and observance of any and all of the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, under the Sublease are rescinded, cancelled or otherwise must be returned by Landlord upon the insolvency, bankruptcy or reorganization of the Tenant, all as though such payment had not been made and/or performance and observance had not occurred.

5. All of Landlord's and the Authority's rights and remedies under the Sublease and under this Guaranty are intended to be distinct, separate and cumulative and no such right and remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the others. No termination of the Sublease or taking or recovering of the premises demised thereby shall deprive Landlord or the Authority of any of its rights and remedies against Guarantor under this Guaranty. This Guaranty shall apply to Tenant's obligations thereunder during the original term thereof in accordance with the original provisions thereof.

6. Guarantor represents and warrants to Landlord that (a) it is duly incorporated, validly existing and in good standing under the laws of the State of Delaware; (b) the making, executing and delivery of this Guaranty does not require any vote or consent of either the Board of Directors or shareholders of Guarantor; and (c) that the officer executing this Guaranty has been duly authorized.

7. As a further inducement to Landlord to make and enter into the Sublease and perform its obligations thereunder, and in consideration thereof, Guarantor covenants and agrees that in any

action or proceeding brought on, under or by virtue of this Guaranty, Guarantor shall and does hereby waive trial by jury. Guarantor agrees to pay Landlord's and the Authority's reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempted collection or in any negotiations relative to the obligations hereby guaranteed or in enforcing this Guaranty against the undersigned, individually, jointly and severally.

8. This Guaranty shall be legally binding upon Guarantor, its successors and assigns and shall inure to the benefit of Landlord and the Authority, and their respective successors and assigns. The word "Tenant" is used herein to include each and every of the persons named above as Tenant, be the same one or more, as well as their permitted heirs, personal representatives, successors and assigns.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged

business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will

determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. 11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anywise connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(4) Effective from and after October 13, 2005, and continuing during the effective period of permissions granted under the Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port

Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2), (3) and (4) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority/s rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons including the United States of America resulting from the Permittee's noncompliance with any of the provisions of this Endorsement and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of August 6, 2008 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal first-class food and beverage concessions, offering the following: (i) at Space No. 49, the foods and beverages identified in the Sublease and associated with an operation under the trade name Guinness Pub; (ii) at Space No. 56, the foods and beverages identified in the Sublease and associated with an operation under the trade name Heineken Pub; and (iii) at Space No. 64, the foods and beverages identified in the Sublease and associated with an operation under the trade name Sam Adams Brew Club, the primary sale of various food items and non-alcoholic beverages; and such other related products as may be consented to in advance by the Airline and the Port Authority and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefore, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall

shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefore is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. , which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record-keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Percentage Rent" shall mean the following: (i) with respect to Space No. 49, of all gross receipts from food and non-alcoholic beverage products and of all gross receipts from alcoholic beverage products, (ii) with respect to Space No. 56, of all gross receipts from food and non-alcoholic beverage products and of all gross receipts from alcoholic beverage products, and (iii) with respect to Space No. 64, of all gross receipts from food and non-alcoholic beverage products and 16% of all gross receipts from alcoholic beverage products.

(vi) "PA Share" shall mean

(b) (i) Space No. 49: the Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit.

(ii) Space No. 56: the Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex.2. a. , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit

(iii) Space No. 64: the Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex.2.a , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit

(iv) If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Emplacements, pursuant to the terms of the Sublease.

(v) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination,

revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraphs (b)(i), (b)(ii) and (b)(iii) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(vi) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, storage premises rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority a monthly percentage rent equivalent to the PA Share equal to Ex. 2.a.
of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual

periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority twenty percent (20%) of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

I. Space No. 49

(a) the date on which Permittee commences operations in the Space, or

(b) November 1, 2008

II. Space No. 56

(a) the date on which Permittee commences operations in the Space, or

(b) December 22, 2008

III. Space No. 64

(a) the date on which Permittee commences operations in the Space, or

(b) May 1, 2009

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to

the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) Paragraph (a) of Section 6 of the foregoing Terms and Conditions shall be deemed deleted in its entirety and the following new paragraph (a) shall be substituted in lieu thereof:

"(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Permit, and notwithstanding the terms and conditions of the Sublease, the Permittee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Permittee shall indemnify and hold harmless the Port Authority, its

Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Permit by the Permittee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Permittee or others with its consent, or out of any other acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Permittee if it is a limited liability entity), managers (in their capacity as managers of the Permittee if it is a limited liability entity), partners (if Permittee is a partnership), customers, invitees and other persons who are doing business with the Permittee or who are at the Space or the Terminal with the consent of the Permittee, or out of any other acts or omissions of the Permittee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Permittee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement."

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee

and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a.
of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full,

faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of ~~One Hundred~~ Five Thousand Dollars and No Cents (~~$105,000.00~~). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. This Permit is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the

Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

15. The Expiration Date of this Permit shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease is extended beyond March 31, 2013, then the period of permission granted under this Permit shall be the earlier of the following: (A) Space No. 49: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 5th year 3rd month anniversary of the actual Latest Rent Commencement Date. (B) Space No. 56: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 5th year 6th week anniversary of the actual Latest Rent Commencement Date. (C) Space No. 64: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 5th year 6th week anniversary of the actual Latest Rent Commencement Date. The Airline shall confirm the actual date of the expiration date in a written letter to the Permittee, a copy of which letter shall be delivered contemporaneously to the Port Authority.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

1 The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees, or

(e) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3 This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons, including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any of the operations, acts or omissions of the Permittee hereunder.

(b) The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any way connected with this Permit. Without in any way limiting its obligations under the preceding paragraph (a) hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any way connected with this Permit.

(c) If so directed, the Permittee shall at its own expense defend any suit based on any claim or demand referred to in the foregoing paragraphs (a) or (b) (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining the prior written consent of the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its governmental nature or the provisions of any statutes respecting the Port Authority.

(d) In the event of any injury or death to any person (other than employees of the Permittee) at the Facility when caused by the Permittee's operations, acts or omissions of the Permittee hereunder, or damage to any property (other than the Permittee's property) at the Facility when caused by the Permittee's operations, acts or omissions of the Permittee hereunder, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

10. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

11. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

12. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

13. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

14. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

15. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

16. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

17. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

18. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege permitted hereunder, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination and ending on the date that the Permittee shall cease to perform the privilege at the Facility equal to twice the rate payable to the Port Authority by the Permittee under this Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege at the Facility after the expiration, revocation or termination of the effective period of the permission granted under this Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Facility from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination

and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(e)	"Additional Interest" policy of boiler and machinery insurance, covering all boilers, pressure vessels and machines operated by the Permittee in the Space:	$

(3) Every policy of insurance on property other than that of the Permittee required by this Endorsement shall name the Port Authority as the owner of property, unless the Space is located in an area as to which the Port Authority is itself a lessee, in which case the Port Authority shall be named as the lessee and the owner shall be named as the owner, and the policy shall be endorsed substantially as follows:

Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified, without giving thirty (30) days' written notice thereof to the Port Authority. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. If at any time any of the policies shall be or become unsatisfactory to the Port Authority as to form or substance, of if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

If any type of strike or other labor activity is directed against the Permittee at the Facility or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours, which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Facility or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit, effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee are parties to a sublease agreement, dated as of February 23, 2001, as extended by Extension Agreement, dated as of November 30, 2006, and as further amended and extended by Second Amendment and Extension Agreement, dated as of August 31, 2007 (pursuant to which Second Amendment and Extension Agreement the sublease was also assigned to the Permittee by World Concourse Ventures, LLC, a Delaware limited liability company) (the sublease, as extended, amended and assigned hereinafter called the "Sublease"). Pursuant to the Sublease, the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate one first-class concession at the Terminal for the purpose of the sale at retail

of newspapers, magazines and periodicals and certain other items expressly identified for sale in the Sublease, as well as the incidental sale at retail of gifts, souvenir apparel, souvenirs, novelties and traveler-related gifts, and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods

thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; provided, however, that effective as of August 31, 2007 it is understood and agreed that no discount shall be required or shall be given with respect to the sale of any newspapers, magazines and tobacco; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record-keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the following rate:

(1) for the period from the Rent Commencement Date to and including November 30, 2006, Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a.

(2) for the period from December 1, 2006 to and including August 31, 2007, One Hundred Twelve Thousand Five Hundred Dollars for such nine-month period, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. and

(3) for the period from September 1, 2007 to and including March 31, 2012, Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a.

on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the relevant period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall

be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the following percentage of the Permittee's gross receipts arising during the effective period of permission hereunder:

(i) Ex. 2.a. of all gross receipts of the Permittee on Category A Products, retail display allowances and other promotional incentives; and

(ii) Ex. 2.a. of all gross receipts of the Permittee on Category B Products.

The terms Category A Products and Category B Products shall have the meanings ascribed to them in the Sublease.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement

shall show that (A) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder

shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) December 1, 2001

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment *(excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and* operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements

set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to

any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the

Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port

Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Agreement by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of Thirty Seven Thousand Five Dollars and No Cents ($37,500.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under the Permit, as extended hereby, and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under the Permit, as extended hereby, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of the Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of the Permit, and all remedies under the Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(b) For the purposes of this paragraph, the Permittee hereby certifies that its federal tax identification number is Ex. 1/4

(b) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon fifteen (15) days' notice to the Permittee, to adjust the amount of the letter of credit as set forth above in subparagraph (a). Not later than the effective date set forth in said notice by the Port Authority the Permittee shall furnish an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the letter of credit, and such adjusted (or replaced) letter of credit shall thereafter constitute the letter of credit required under this paragraph.

13. This Permit is subject to the requirements of the United States Department of *Transportation's regulations 49 CFR Part 23. The Permittee agrees that it will not* discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b)

whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong,

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria

established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted

hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair

competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the

Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of

such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of March 10, 2008 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class food and beverage concession facility, under the trade name "Jamba Juice", offering juices, blended drinks (including but not limited to smoothies, whether hot or cold), tea and tea based drinks, and other beverages, soups, baked goods, sandwiches, salads, health products (including but not limited to, health foods,

health oriented books and nutritional products), juice related equipment and supplies; and such other related products as may be consented to in advance by the Airline and the Port Authority and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed ex. 2.A. , which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than ex. 2.A. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which

otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of eX. 2.A. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of eX. 2.A. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of eX. 2.A. , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority a monthly percentage rent equivalent to the PA Share equal to ex. 2.A. of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentage(s) applicable thereto. Whenever any monthly

statement shall show that (A) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: <u>first</u>, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; <u>second</u>, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and <u>third</u>, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being

applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority ex. 2.A. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) April 1, 2008,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to ex. 2.A. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section l of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be

jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

> (ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit

satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority fifty percent (50%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

SPECIAL ENDORSMENTS

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port

Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Thirty-one Thousand Dollars and No Cents ($31,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive

such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is eX. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is

directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily

business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will

determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

MEMORANDUM OF AGREEMENT

THIS AGREEMENT is made and entered into by and between Healthy Food Concepts, LLC (hereinafter the "Employer"), and UNITE HERE (the "Union").

1. This Agreement shall cover all employees covered in classifications listed in Exhibit A (referred to hereinafter as "Employees") in a unit of all food and beverage, retail, news and gifts and duty free operations ("Operations") at Newark Liberty International Airport ("Airport"). which during the term of this Agreement are operated by or substantially under the control of the Employer. The term "Employer" shall be deemed to include any person, firm, partnership, corporation, joint venture or other legal entity substantially under the control of the Employer covered by this Agreement, or one or more principal(s) of the Employer covered by this Agreement, or a subsidiary of the Employer covered by this Agreement, or any person, firm, partnership, corporation, joint venture or other legal entity which substantially controls the Employer covered by this Agreement.

2. The parties hereby establish the following procedure for the purpose of ensuring an orderly environment for the exercise by the Employees of their rights under Section 7 of the National Labor Relations Act and to avoid picketing and/or other economic action directed at the Employer in the event the Union decides to conduct an organizing campaign among Employees.

3. The parties mutually recognize that national labor law guarantees employees the right to form or select any labor organization to act as their exclusive representative for the purpose of collective bargaining with their employer, or to refrain from such activity.

4. The Employer will take a neutral approach to unionization of Employees. The Employer will not do any action nor make any statement that will directly or indirectly state or imply any opposition by the Employer to the selection by such Employees of a collective bargaining agent, or preference for or opposition to any particular union as a bargaining agent.

5. The Union and its representatives will not coerce or threaten any Employee in an effort to obtain authorization cards.

6. If the Union provides written notice to the Employer of its intent to organize Employees covered by this Agreement, the Employer shall provide access to its premises and to such Employees by the Union in accordance with the conditions set forth in this paragraph. The Union may engage in organizing efforts in non-work areas during Employees' non-working times (before work, after work, and during meals and breaks) and/or during such other periods as the parties may mutually agree upon. "Organizing" includes communicating with Employees before and after recognition of the Union as provided in Paragraph 8. The Employer shall request the granting of security clearance from the appropriate authority and use its best efforts to obtain clearance for the organizers. The Union shall exercise due care so that its access to Employees does not disrupt the Employer's business or violate any security regulations.

7. Within ten (10) days following receipt of written notice of intent to organize Employees, the Employer will furnish the Union with a complete list of Employees, including both full and part-time Employees, showing their job classifications, departments, including terminals, and addresses. Thereafter, the Employer will provide updated complete lists monthly upon request of the Union.

Mar 26 2009 1:48PM HP LASERJET FAX p.2

8. The Union may request recognition as the exclusive collective bargaining agent for the Employees in a unit consisting of all the Operations. The Union may request recognition at any time a substantial and representative complement of Employees is actively at work in the Operations, even if some of the Operations have not yet opened at the time the Union makes its request. The Arbitrator identified in Paragraph 12, or another person mutually agreed to by Employer and Union, will conduct a review of Employees' authorization cards and membership information submitted by the Union in support of its claim to represent a majority of such Employees. The review shall involve a comparison of the authorization card signatures of the Employees to W-4 or I-9 forms for such Employees provided to the Arbitrator by the Employer. The identity of all card-signers shall be kept confidential from the Employer. Such review shall take place no more than ten days after the Union's request absent mutual agreement to extend time. If that review establishes that a majority of such Employees has designated the Union as their exclusive collective bargaining representative or joined the Union, the Employer will recognize the Union as such representative of such Employees. The Employer will not file a petition with the National Labor Relations Board for any election in connection with any demands for recognition provided for in this agreement or file a notice of voluntary recognition with the NLRB, so that the decision of when and whether to provide such notice is within the sole discretion of the Union. If the Union notifies the NLRB of recognition pursuant to this Agreement, the Employer shall post the NLRB notice of recognition in accordance with the instructions from the NLRB immediately upon receipt of the notice. The Union and the Employer agree that if any other person or entity petitions the National Labor Relations Board for any election as a result of or despite recognition of the Union pursuant to this Paragraph, (a) if the NLRB notice has been posted for 45 days before the petition is filed (a condition that applies only to this subparagraph (a)), the Employer and the Union will each request that the NLRB dismiss the petition on grounds of recognition bar or, if they have agreed to a collective bargaining agreement covering Employees at the time the petition is filed, on grounds of contract bar, (b) if the petition is not dismissed, the Employer and the Union shall agree to a full consent election agreement under Section 102.62(c) of the NLRB's Rules and Regulations, and (c) the Employer and the Union shall at all times abide by the provisions of this Agreement except that the Union may file unfair labor practice charges. Except as provided above, the Union and the Employer will not file any charges with the National Labor Relations Board in connection with any act or omission occurring within the context of this agreement; arbitration under Paragraph 12 shall be the exclusive remedy.

9. If the Union is recognized as the exclusive collective bargaining representative as provided in paragraph 8, negotiations for a collective bargaining agreement shall be commenced immediately. To ensure labor peace throughout the collective bargaining process, if the parties are unable to reach agreement on a collective bargaining agreement within 60 days after the Union's request for collective bargaining, all unresolved issues shall be submitted for resolution to final and binding arbitration pursuant to Paragraph 12. The arbitrator identified in paragraph 12 below shall be the arbitrator, unless another arbitrator is mutually agreed to by the parties. The arbitrator shall be guided by, but not limited to, the following considerations: (a) Wages, hours and other terms and conditions of employment of the Employer's competitors; (b) The Employer's financial capacity (if the Employer places this in issue); (c) Cost of living as it affects the Employees; (d) Ability of Employees to earn a living wage for the support of themselves and their families; and (e) Regional and local market conditions.

Mar 26 2009 1:48PM HP LASERJET FAX p.3

10. During the life of this Agreement, the Union will not engage in picketing or other economic activity at the Airport, and the Employer will not engage in a lockout of the Employees. If the Employer recognizes any union besides Union as the exclusive collective bargaining representative of Employees, or any of them, this paragraph shall terminate immediately and without notice.

11. In the event that the Employer sells, transfers, or assigns all or any part of its right, title, or interest in the Operations or substantially all of the assets used in the Operations, or in the event there is a change in the form of ownership of the Employer, the Employer shall give the Union reasonable advance notice thereof in writing, and the Employer further agrees that as a condition to any such sale, assignment, or transfer, the Employer will obtain from its successor or successors in interest a written assumption of Paragraphs 4, 6, 7, 8, 9, 12, 13, and14 of this Agreement, provided the Union agrees contemporaneously to assume Paragraphs 5 and 10 of this Agreement, and furnish a copy thereof to the Union, in which event the assignor shall be relieved of its obligations hereunder to the extent that the assignor has fully transferred its right, title, or interest.

12. The parties agree that any disputes over the interpretation or application of this Agreement shall be submitted to expedited and binding arbitration, with Dan Silverman of New York serving as the arbitrator. If he is unavailable to serve within thirty (30) calendar days of notification then Ralph Berger of New York or another mutually acceptable person, shall be the arbitrator. The arbitrator shall have the authority to determine the arbitration procedures to be followed. The arbitrator shall also have the authority to order the non-compliant party to comply with this Agreement. The parties hereto agree to comply with any order of the arbitrator, which shall be final and binding. The United States District Court for the Southern District of New York shall have exclusive jurisdiction in any action concerning arbitration under this Agreement. The parties hereto agree to comply with any order of the arbitrator, which shall be final and binding, and furthermore consent to the entry of any order of the arbitrator as the order or judgment of the court, without entry of findings of fact and conclusions of law.

13. This Agreement shall be in full force and effect from the date it is fully executed on behalf of the Employer and the Union until the expiration of the Employer's contract(s) with the Airport or the Airport's agent, or if sooner upon execution of a collective bargaining agreement, which explicitly supersedes this document.

14. No copies of the Agreement shall be disclosed to anyone unaffiliated with the Union, Employer or Employees except as required by law or as part of any arbitration proceeding under this MOA. Employer will submit Exhibit X to the Port Authority as evidence of its signed labor peace agreement.

IN WITNESS WHEREOF, the parties hereto by their duly designated representatives have hereunto set their hands.

Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and

demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the

representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under

the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of

such Records including without limitation salaries. benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. (b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

If any type of strike or other labor activity is directed against the Permittee at the Facility or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours, which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Facility or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit, effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of March 10, 2008 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class food and beverage concession, serving the following products: hand-rolled, flavored, soft pretzels, which flavors may include, but not be limited to original, cinnamon sugar, garlic, whole wheat, sour cream and onion, sesame seed, glazin' raisin, carmel almond, jalapeno, and other flavors which Auntie Anne's, Inc. may introduce; toppings which may include cheese, chocolate fudge, marinara sauce, and other toppings which Auntie Anne's, Inc. may introduce; other

products utilizing the soft pretzel dough; hand-squeezed and /or other varieties of lemonade, iced tea, coffee, hot chocolate, hot tea, carbonated beverages and other non-alcoholic beverages, which may include Dutch Treats such as Dutch Ice, Dutch Shakes, and Dutch Smoothies; and printed materials bearing the Auntie Anne's trademark; and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefore, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift

certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of Ex. 2.a. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination,

revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority a monthly percentage rent equivalent to the PA Share equal to of all gross receipts of the Permittee in excess of Ex. 2.a. , the Monthly Exemption Amount, arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B)

the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority twenty percent (20%) of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) February 5, 2009,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an

amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefore within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) Paragraph (a) of Section 6 of the foregoing Terms and Conditions shall be deemed deleted in its entirety and the following new paragraph (a) shall be substituted in lieu thereof:

"(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Permit, and notwithstanding the terms and conditions of the Sublease, the Permittee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Permit by the Permittee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Permittee or others with its consent, or out of any other acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Permittee if it is a limited liability entity), managers (in their capacity as managers of the Permittee if it is a limited liability entity), partners (if Permittee is a partnership), customers, invitees and other persons who are doing business with the Permittee or who are at the Space or the Terminal with the consent of the Permittee, or out of any other acts or omissions of the Permittee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Permittee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefore, including but not limited to the obligations of indemnification, repair and replacement."

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority twenty percent (20%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise.

Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Thirty-seven Thousand Five Hundred Dollars and No Cents ($37,500.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6)

months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is
Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. This Permit is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease

agreement, or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed

commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged

individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria

established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

MEMORANDUM OF AGREEMENT

THIS AGREEMENT is made and entered into by and between Healthy Food Concepts, LLC (hereinafter the "Employer"), and UNITE HERE (the "Union").

1. This Agreement shall cover all employees covered in classifications listed in Exhibit A (referred to hereinafter as "Employees") in a unit of all food and beverage, retail, news and gifts and duty free operations ("Operations") at Newark Liberty International Airport ("Airport"), which during the term of this Agreement are operated by or substantially under the control of the Employer. The term "Employer" shall be deemed to include any person, firm, partnership, corporation, joint venture or other legal entity substantially under the control of the Employer covered by this Agreement, or one or more principal(s) of the Employer covered by this Agreement, or a subsidiary of the Employer covered by this Agreement, or any person, firm, partnership, corporation, joint venture or other legal entity which substantially controls the Employer covered by this Agreement.

2. The parties hereby establish the following procedure for the purpose of ensuring an orderly environment for the exercise by the Employees of their rights under Section 7 of the National Labor Relations Act and to avoid picketing and/or other economic action directed at the Employer in the event the Union decides to conduct an organizing campaign among Employees.

3. The parties mutually recognize that national labor law guarantees employees the right to form or select any labor organization to act as their exclusive representative for the purpose of collective bargaining with their employer, or to refrain from such activity.

4. The Employer will take a neutral approach to unionization of Employees. The Employer will not do any action nor make any statement that will directly or indirectly state or imply any opposition by the Employer to the selection by such Employees of a collective bargaining agent, or preference for or opposition to any particular union as a bargaining agent.

5. The Union and its representatives will not coerce or threaten any Employee in an effort to obtain authorization cards.

6. If the Union provides written notice to the Employer of its intent to organize Employees covered by this Agreement, the Employer shall provide access to its premises and to such Employees by the Union in accordance with the conditions set forth in this paragraph. The Union may engage in organizing efforts in non-work areas during Employees' non-working times (before work, after work, and during meals and breaks) and/or during such other periods as the parties may mutually agree upon. "Organizing" includes communicating with Employees before and after recognition of the Union as provided in Paragraph 8. The Employer shall request the granting of security clearance from the appropriate authority and use its best efforts to obtain clearance for the organizers. The Union shall exercise due care so that its access to Employees does not disrupt the Employer's business or violate any security regulations.

7. Within ten (10) days following receipt of written notice of intent to organize Employees, the Employer will furnish the Union with a complete list of Employees, including both full and part-time Employees, showing their job classifications, departments, including terminals, and addresses. Thereafter, the Employer will provide updated complete lists monthly upon request of the Union.

Mar 26 2009 1:48PM HP LASERJET FAX p.2

8. The Union may request recognition as the exclusive collective bargaining agent for the Employees in a unit consisting of all the Operations. The Union may request recognition at any time a substantial and representative complement of Employees is actively at work in the Operations, even if some of the Operations have not yet opened at the time the Union makes its request. The Arbitrator identified in Paragraph 12, or another person mutually agreed to by Employer and Union, will conduct a review of Employees' authorization cards and membership information submitted by the Union in support of its claim to represent a majority of such Employees. The review shall involve a comparison of the authorization card signatures of the Employees to W-4 or I-9 forms for such Employees provided to the Arbitrator by the Employer. The identity of all card-signers shall be kept confidential from the Employer. Such review shall take place no more than ten days after the Union's request absent mutual agreement to extend time. If that review establishes that a majority of such Employees has designated the Union as their exclusive collective bargaining representative or joined the Union, the Employer will recognize the Union as such representative of such Employees. The Employer will not file a petition with the National Labor Relations Board for any election in connection with any demands for recognition provided for in this agreement or file a notice of voluntary recognition with the NLRB, so that the decision of when and whether to provide such notice is within the sole discretion of the Union. If the Union notifies the NLRB of recognition pursuant to this Agreement, the Employer shall post the NLRB notice of recognition in accordance with the instructions from the NLRB immediately upon receipt of the notice. The Union and the Employer agree that if any other person or entity petitions the National Labor Relations Board for any election as a result of or despite recognition of the Union pursuant to this Paragraph, (a) if the NLRB notice has been posted for 45 days before the petition is filed (a condition that applies only to this subparagraph (a)), the Employer and the Union will each request that the NLRB dismiss the petition on grounds of recognition bar or, if they have agreed to a collective bargaining agreement covering Employees at the time the petition is filed, on grounds of contract bar, (b) if the petition is not dismissed, the Employer and the Union shall agree to a full consent election agreement under Section 102.62(c) of the NLRB's Rules and Regulations, and (c) the Employer and the Union shall at all times abide by the provisions of this Agreement except that the Union may file unfair labor practice charges. Except as provided above, the Union and the Employer will not file any charges with the National Labor Relations Board in connection with any act or omission occurring within the context of this agreement; arbitration under Paragraph 12 shall be the exclusive remedy.

9. If the Union is recognized as the exclusive collective bargaining representative as provided in paragraph 8, negotiations for a collective bargaining agreement shall be commenced immediately. To ensure labor peace throughout the collective bargaining process, if the parties are unable to reach agreement on a collective bargaining agreement within 60 days after the Union's request for collective bargaining, all unresolved issues shall be submitted for resolution to final and binding arbitration pursuant to Paragraph 12. The arbitrator identified in paragraph 12 below shall be the arbitrator, unless another arbitrator is mutually agreed to by the parties. The arbitrator shall be guided by, but not limited to, the following considerations: (a) Wages, hours and other terms and conditions of employment of the Employer's competitors; (b) The Employer's financial capacity (if the Employer places this in issue); (c) Cost of living as it affects the Employees; (d) Ability of Employees to earn a living wage for the support of themselves and their families; and (e) Regional and local market conditions.

Mar 26 2009 1:48PM HP LASERJET FAX p.3

10. During the life of this Agreement, the Union will not engage in picketing or other economic activity at the Airport, and the Employer will not engage in a lockout of the Employees. If the Employer recognizes any union besides Union as the exclusive collective bargaining representative of Employees, or any of them, this paragraph shall terminate immediately and without notice.

11 In the event that the Employer sells, transfers, or assigns all or any part of its right, title, or interest in the Operations or substantially all of the assets used in the Operations, or in the event there is a change in the form of ownership of the Employer, the Employer shall give the Union reasonable advance notice thereof in writing, and the Employer further agrees that as a condition to any such sale, assignment, or transfer, the Employer will obtain from its successor or successors in interest a written assumption of Paragraphs 4, 6, 7, 8, 9, 12, 13, and14 of this Agreement, provided the Union agrees contemporaneously to assume Paragraphs 5 and 10 of this Agreement, and furnish a copy thereof to the Union, in which event the assignor shall be relieved of its obligations hereunder to the extent that the assignor has fully transferred its right, title, or interest.

12. The parties agree that any disputes over the interpretation or application of this Agreement shall be submitted to expedited and binding arbitration, with Dan Silverman of New York serving as the arbitrator. If he is unavailable to serve within thirty (30) calendar days of notification then Ralph Berger of New York or another mutually acceptable person, shall be the arbitrator. The arbitrator shall have the authority to determine the arbitration procedures to be followed. The arbitrator shall also have the authority to order the non-compliant party to comply with this Agreement. The parties hereto agree to comply with any order of the arbitrator, which shall be final and binding. The United States District Court for the Southern District of New York shall have exclusive jurisdiction in any action concerning arbitration under this Agreement. The parties hereto agree to comply with any order of the arbitrator, which shall be final and binding, and furthermore consent to the entry of any order of the arbitrator as the order or judgment of the court, without entry of findings of fact and conclusions of law.

13. This Agreement shall be in full force and effect from the date it is fully executed on behalf of the Employer and the Union until the expiration of the Employer's contract(s) with the Airport or the Airport's agent, or if sooner upon execution of a collective bargaining agreement, which explicitly supersedes this document.

14. No copies of the Agreement shall be disclosed to anyone unaffiliated with the Union, Employer or Employees except as required by law or as part of any arbitration proceeding under this MOA. Employer will submit Exhibit X to the Port Authority as evidence of its signed labor peace agreement.

IN WITNESS WHEREOF, the parties hereto by their duly designated representatives have hereunto set their hands.

Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons, including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any of the operations, acts or omissions of the Permittee hereunder.

(b) The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any way connected with this Permit. Without in any way limiting its obligations under the preceding paragraph (a) hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any way connected with this Permit.

(c) If so directed, the Permittee shall at its own expense defend any suit based on any claim or demand referred to in the foregoing paragraphs (a) or (b) (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining the prior written consent of the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its governmental nature or the provisions of any statutes respecting the Port Authority.

(d) In the event of any injury or death to any person (other than employees of the Permittee) at the Facility when caused by the Permittee's operations, acts or omissions of the Permittee hereunder, or damage to any property (other than the Permittee's property) at the Facility

when caused by the Permittee's operations, acts or omissions of the Permittee hereunder, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

10. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

11. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

12. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

13. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

14. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

15. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

16. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

17. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

18. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege permitted hereunder, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination and ending on the date that the Permittee shall cease to perform the privilege at the Facility equal to twice the rate payable to the Port Authority by the Permittee under this Permit. Nothing herein contained shall give, or be

deemed to give, the Permittee any right to continue to perform the privilege at the Facility after the expiration, revocation or termination of the effective period of the permission granted under this Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Facility from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination

and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Facility.

The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of persons and property at the Facility and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of it various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

If any type of strike or other labor activity is directed against the Permittee at the Facility or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours, which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Facility or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit, effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of November 27, 2007 hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate one first-class concession at the Terminal for the purpose of the sale at retail of The Body Shop brand/labeled and other health, beauty, nutritional, well-being, skin products, hair care products and aromatherapy products for the inner and outer body, and such ancillary items as are sold from time to time in a majority of the Permittee's other stores operating in the United States and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this

Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise

or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of Ex. 2.a. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the sum of Ex. 2.a. of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority Ex. 2.a.) of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) January 26, 2008

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Two Hundred Dollars ($200) per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

> (ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".
>
> (iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and

any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Agreement by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of Thirty Thousand Dollars and No Cents ($30,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it

shall continue throughout the effective period of the permission granted under the Permit, as extended hereby, and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under the Permit, as extended hereby, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of the Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of the Permit, and all remedies under the Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(b) For the purposes of this paragraph, the Permittee hereby certifies that its federal tax identification number is Ex. 1/4

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon fifteen (15) days' notice to the Permittee, to adjust the amount of the letter of credit as set forth above in subparagraph (a). Not later than the effective date set forth in said notice by the Port Authority the Permittee shall furnish an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the letter of credit, and such adjusted (or replaced) letter of credit shall thereafter constitute the letter of credit required under this paragraph.

13. This Permit is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Permit, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permittee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

" Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the

Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee or sublessee, the term Concessionaire shall mean the Lessee or Sublessee herein, as the case may be.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and

demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the

representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under

the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of

such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any Space and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any Space under this Permit and the furnishing of services thereon by it, no person on the grounds of race, creed, color national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any Space and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified, without giving ten (10) days' written notice thereof to the Port Authority. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. If at any time any of the policies shall be or become unsatisfactory to the Port Authority as to form or substance, of if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

(a) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(b) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(c) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(d) may cause or produce upon the Airport any unusual, noxious or objectionable smokes, gases, vapors or odors, or

(e) may interfere with the effectiveness or accessibility of the drainage and sewerage system, fire-protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Airport, or

(f) shall constitute a nuisance in or on the Airport or which may result in the creation, commission or maintenance of a nuisance in or on the Airport.

For the purpose of this Endorsement, "Airport" includes all structures located thereon.

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of March 19, 2008 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate at the Terminal a first-class food and beverage concession providing for serving the following food and beverage products: (i) the operation of a Grove Natural Snack concept offering bulk natural snack foods including candies, nuts, dried fruits, pretzels, power bars, bottled water, bottled fruit juices and ice teas, organic coffees, miscellaneous bakery items, organic coffees by the pound (for off-premises consumption), gift tins and gift packs of bulk natural snack foods; and (ii) the operation of a Ciao

Bella Café concept offering a selection of gelatos, sorbets, smoothies, crepes, coffee, and bottled water, bottled fruit juices and ice teas as is typically sold in other stores operating under the trade name "The Grove & Ciao Bella Cafe"; and such other related products as may be consented to in advance by the Airline and the Port Authority and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefore, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift

certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of Ex. 2.a. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains

effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority a monthly percentage rent equivalent to the PA Share equal to of all gross receipts of the Permittee in excess of the Monthly Exemption Amount, arising during the effective period of permission hereunder. Ex. 2.a.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross

receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) May 15, 2008,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section l of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in

connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefore within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) Paragraph (a) of Section 6 of the foregoing Terms and Conditions shall be deemed deleted in its entirety and the following new paragraph (a) shall be substituted in lieu thereof:

"(a) Without in any manner affecting the obligations of the Airline under the Airline Lease and under this Permit, and notwithstanding the terms and conditions of the Sublease, the Permittee shall make repairs and replacements in, at or about the Space as if it were the Airline under the Airline Lease. In addition, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Permit by the Permittee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Permittee or others with its consent, or out of any other acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, members (in their capacity as members of the Permittee if it is a limited liability entity), managers (in their capacity as managers of the Permittee if it is a limited liability entity), partners (if Permittee is a partnership), customers, invitees and other persons who are doing business with the Permittee or who are at the Space or the Terminal with the consent of the Permittee, or out of any other acts or omissions of the Permittee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Airline Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Permittee shall be deemed to be acts and omissions of the Airline under the Airline Lease and the Airline shall also be severally responsible therefore, including but not limited to the obligations of indemnification, repair and replacement."

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with

like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been

consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs,

alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Thirty-seven Thousand Five Hundred Dollars and No Cents ($37,500.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of

a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is
Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. This Permit is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the

above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The

Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged

individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria

established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most

recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing

herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port

Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

If at any time any of the policies shall be or become unsatisfactory to the Port Authority as to form or substance, of if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

(a) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(b) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(c) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(d) may cause or produce upon the Airport any unusual, noxious or objectionable smokes, gases, vapors or odors, or

(e) may interfere with the effectiveness or accessibility of the drainage and sewerage system, fire-protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Airport, or

(f) shall constitute a nuisance in or on the Airport or which may result in the creation, commission or maintenance of a nuisance in or on the Airport.

For the purpose of this Endorsement, "Airport" includes all structures located thereon.

SPECIAL ENDORSEMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of November 15, 2007(hereinafter, as amended by the First Amendment to Sublease, dated as of June 13, 2008, called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate a first-class concession at the Terminal for the purpose of the sale at retail

of high quality Brooks Brothers branded merchandise including, but not limited to, men's and women's apparel and accessories, and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. , which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift

certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of Ex. 2.a. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed

Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the sum of of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the

report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

SPECIAL ENDORSEMENTS

(f) The Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) February 1, 2008

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee

shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the

Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

SPECIAL ENDORSEMENTS

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the

Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to

the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a.
of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) Notwithstanding anything to the contrary stated in Section(s) 2.08 of the Sublease, there shall be no abatement of the PA Share of rent payable under this Permit or the Sublease under the circumstances described in Section(s) 2.08.

(2) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee

and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and

prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of One Hundred Thirty Thousand Dollars and No Cents ($130,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is
Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than

the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same

type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

15. The Expiration Date of this Permit shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease is extended beyond March 31, 2013, then the period of permission granted under this Permit shall be the earlier of: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 7th anniversary of the Rent Commencement Date. The Airline shall confirm the actual date of the expiration date in a written letter to the Permittee, a copy of which letter shall be delivered contemporaneously to the Port Authority.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but

which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and

demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the

representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under

the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination

and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

(c) Charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any Space and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any Space under this Permit and the furnishing of services thereon by it, no person on the grounds of race, creed, color national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any Space and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of it various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

SPECIAL ENDORSMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of November 15, 2007, as amended by a First Amendment to Sublease, dated as of June 13, 2008 (such sublease, as amended, being referred to herein as the "Sublease") under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate three first-class concessions at the Terminal, doing business under the trade name CNBC News, for the purpose of the sale at retail of newspapers, magazines, periodicals and paperback books, candies, pre-packaged snacks, cigarettes, cigars, pipe tobacco, bottled soda, bottled juice, umbrellas, cameras, film, basic camera accessories,

batteries, suntan lotion, utility writing pads, pocket notebooks, postcards, greeting cards, gift wrap, bows, ribbons, travel guides, maps and tour books, gifts, souvenir apparel, souvenirs, novelties and travel related gifts and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods

thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record-keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(b) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of the greater of the Guaranteed Rent and the percentage rent as described in Special Endorsement 2 (c), below. The Guaranteed Rent shall be at the following rate:

(i) From the Rent Commencement Date of the first of the three locations comprising the Space to and including the day preceding the Rent Commencement Date of the last of the three locations comprising the Space:

Ex. 2.a.

on the Rent Commencement Date applicable to each of the respective spaces listed above, and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement

Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(iii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iv) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) Consistent with Special Endorsement 2 (b), above, if the annual percentage rent is greater than the Guaranteed Rent, then the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the following percentage of the Permittee's gross receipts arising during the effective period of permission hereunder:

Ex. 2.a.

The terms "Category A Products" and "Category B Products" shall have the meanings as described on Exhibit A, attached hereto and incorporated by reference herein.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount (if applicable), established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount (if applicable), established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts (if applicable), and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount (if applicable), less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount (if applicable) is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for

the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) For Space 32:

(i) the date on which Permittee commences operations in Space 32, or

(ii) December 15, 2008

(b) For Space 11:

(i) the date on which Permittee commences operations in Space 11, or

(ii) March 15, 2009

(c) For Space 47A:

(i) the date on which Permittee commences operations in Space 47A, or

(ii) November 15, 2008

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

> (ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

> (iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23:1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and

any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a.
of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) Notwithstanding anything to the contrary stated in the Sublease, there shall be no abatement of the PA Share of rent payable under this Permit or the Sublease.

(2) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default

inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority and payable in the Port of New York District in the amount

of Three Hundred Sixty Five Thousand Dollars and No Cents ($365,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to constitute a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is
Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. This Permit is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management

contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Permit, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X, or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permittee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of

all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

15. The Expiration Date of this Permit shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease is extended beyond March 30, 2013, then the period of permission granted under this Permit shall be the earlier of: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 5th anniversary of the Rent Commencement Date for the last of the three locations (i.e., Space 11, 32, and 47A) comprising the Space to open for business. The Airline shall confirm the actual date of the expiration date in a written letter to the Permittee, a copy of which letter shall be delivered contemporaneously to the Port Authority.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

" Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the

Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee or sublessee, the term Concessionaire shall mean the Lessee or Sublessee herein, as the case may be.

Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most

recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing

herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port

Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any Space and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any Space under this Permit and the furnishing of services thereon by it, no person on the grounds of race, creed, color national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any Space and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of it various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(1) The Permittee in its own name as assured shall secure and pay the premium or premiums for such of the following policies of insurance with respect to which minimum limits are fixed in the schedule below. (6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but

which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. Special Endorsements

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of January 26, 2009(hereinafter, called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate a salon concession at the Terminal, using the trade name "d_parture Spa", for the purpose of the following services at a minimum: manicures, pedicures, and massages. The Permittee may also provide other services typically provided in first class day spa facilities such as makeovers, leg waxing, eyebrow shaping and other similar facial and body care services. In addition, the Permittee may also provide for the sale at retail of heath and beauty care products limited to cosmetics, skin care products, nail care products, hair care

products, foot care products, travel totes and bags and miscellaneous spa enhancing products, and for no other purpose whatsoever other than as set forth above in this paragraph.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder

commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. , which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record- keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the

Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of Ex. 2.a. as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a., on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable) be remitted on its behalf directly, and payable, to

Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the sum, for each annual period, of of all gross receipts of the Permittee in excess of Ex. 2.a. per month, arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in

percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) May 1, 2009

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the

Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination. In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be

delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex, 2.a.
of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) Notwithstanding anything to the contrary stated in Section(s) 2.08 of the Sublease, there shall be no abatement of the PA Share of rent payable under this Permit or the Sublease under the circumstances described in Section(s) 2.08.

(2) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines

by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the sum of Twenty Thousand Dollars and No Cents ($20,000.00) either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the deposit is returned to the Permittee any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach of this Agreement on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the deposit to the sum specified above. In the event that the Port Authority shall at any time or times so use the deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the above-mentioned amount, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the deposit at all times to the full amount above stated, and such additional deposits shall be subject to all the conditions of this Standard Endorsement. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part

of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

13. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a

signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

15. The Expiration Date of this Permit shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease, with regard to the Space covered by this Permit, is extended beyond March 31, 2013, then the period of permission granted under this Permit shall be extended to the earlier of: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 5th anniversary of the Rent Commencement Date. The Airline shall confirm the actual date of the expiration date in a written letter to the Permittee, a copy of which letter shall be delivered contemporaneously to the Port Authority.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most

recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing

herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination

and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

STANDARD ENDORSEMENT NO. 3.1
ACCOMMODATION OF THE PUBLIC
All Facilities
8/21/49

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefore is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. , which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record-keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the

Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Percentage rent" shall have the meaning ascribed to it in paragraph (c) of this Special Endorsement..

(vi) "PA Share" shall mean have the meaning ascribed to it in paragraph (f) of this Special Endorsement.

(b) (I) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit.

(ii) If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Emplacements, pursuant to the terms of the Sublease.

(v) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraphs (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(vi) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, storage premises rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the sum of (i) of all gross receipts from food and non-alcoholic beverage products and (ii) of all gross receipts from alcoholic beverage products, which is in excess of the Guaranteed Rent arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Guaranteed Rent, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Guaranteed Rent, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Guaranteed Rent, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Guaranteed Rent, less the total of all percentage rent payments previously made for such annual period. At any time that the Guaranteed Rent is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Guaranteed Rent established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority Ex. 2.a. of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

(h) Notwithstanding anything to the contrary contained in this Permit, the Permittee shall not be obligated to pay Guaranteed Rent or Percentage Rent during the period in which the Permittee is performing work in the Premises and is unable to remain open for business to the public ("Temporary Abatement Period"); provided, however, in no event shall the Temporary Abatement Period exceed a total of ninety (90) days except as described in Section 2 of the First Amendment to Sublease. It is currently anticipated that the Space shall be closed for the performance of the Permittee's work on or about January 4, 2010 and currently anticipated to be reopened for business o or about April 6, 2010. The Temporary Abatement Period shall commence on the date of the actual closing of the Space for business to the public and shall expire on the early to occur of: (i) the actual date that the Permittee reopens the Space for business to the public; or (ii) ninety (90) days from the actual closing of the Space for business to the public, as confirmed in a letter from the Port Authority to the Permittee.

Special Endorsements

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) December 9, 2009

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination. In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours

requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to

any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any

part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority Ex. 2.a.
of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) Notwithstanding anything to the contrary stated in Section(s) 2.08 of the Sublease, there shall be no abatement of the PA Share of rent payable under this Permit or the Sublease under the circumstances described in Section(s) 2.08.

(2) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps

to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Forty-three Thousand Five Hundred Dollars and No Cents ($43,500.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to waiver of any default by the

Permittee under the terms of this Permit and all remedies of the Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit

(b) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but

which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most

recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing

herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed, or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any Space and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any Space under this Permit and the furnishing of services thereon by it, no person on the grounds of race, creed, color national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any Space and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of it various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(a) The Permittee named in the permit to which this Insurance Schedule is attached and of which it constitutes an integral part (the "Permit"), in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limit set forth below:

SCHEDULE

Policy	Minimum Limit
Commercial general liability insurance (to include contractual liability endorsement)	

In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of the Permit, including without limitation this Insurance Schedule.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of the Permit.

(c) All insurance coverages and policies required under this Insurance Schedule may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the period of permission under the Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy must be specifically endorsed to provide that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any

defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of the Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least thirty (30) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under the Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by the Permit or any other agreement or by law.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

(a) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(b) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(c) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(d) may cause or produce upon the Airport any unusual, noxious or objectionable smokes, gases, vapors or odors, or

(e) may interfere with the effectiveness or accessibility of the drainage and sewerage system, fire-protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Airport, or

(f) shall constitute a nuisance in or on the Airport or which may result in the creation, commission or maintenance of a nuisance in or on the Airport.

For the purpose of this Endorsement, "Airport" includes all structures located thereon.

The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of October 12, 2009 (hereinafter, called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate three currency exchange service centers, two foreign currency ATMs, one US currency ATM as part of Space B52 and one currency exchange cart. The Permittee shall provide currency exchange services at the Space as follows: foreign currency bank notes and drafts; Cash Passport; domestic money wire service, i.e., Western Union, and foreign wires; travel insurance; cash advances on Visa and MasterCard credit cards; prepaid phone cards through Port Authority approved vendors only; and change-making services for passengers only; and for no other purpose whatsoever other than as set forth above in this paragraph.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

The computation of percentage fees for each annual period, or a portion of an annual period, as herein above defined, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period.

(d) The Permittee shall pay percentage fees as follows: on the 20th day of the first month following the Rent Commencement Date and on the 20th day of each and every

month thereafter including the month following the end of each annual period, the Permittee shall render to the Port Authority a sworn statement showing its gross receipts for the preceding month and showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month, whenever such statement shall show that the sum of the percentages stated above applied to the cumulative gross receipts of the Permittee is in excess of the Minimum Annual Guaranty amount, the Permittee shall pay at the time of rendering the statement an amount equal to the PA Share of such excess and the Permittee shall thereafter on the 20th day of each month during that annual period and on the 20th day of the month following the end during such annual period pay an amount equal to the said percentages applied to the gross receipts during each subsequent month of that annual period.

(e) Upon any termination or revocation of the period of the permission granted hereunder (even if stated to have the same effect as expiration), the Permittee shall within twenty (20) days after the effective date of such termination, make a payment of fees computed as follows: first, if the period of the permission hereunder is terminated or revoked effective on a date other than the last day of a month the MAG for the portion of the month in which the period of the permission remains effective shall be the amount of the applicable monthly installment of the MAG prorated on a daily basis, and if the monthly installment due on the first day of that month has not been paid the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess shall be credited to the Permittee's obligations; second, the Permittee shall within twenty (20) days after the effective date of termination or revocation, render to the Port Authority a sworn statement separately showing all its gross receipts for the monthly period in which the effective date of termination or revocation happens to fall and the cumulative gross receipts for such annual period, third, the payment then due on account of the Percentage Fee Amount for the annual period in which the effective date of termination or revocation happens to fall shall be the excess over the prorated Minimum Annual Guaranty amount of the percentages stated in subparagraph (c) above applied to all the gross receipts arising during such annual period; said Minimum Annual Guaranty amount being prorated by multiplying the same by a fraction, the numerator of which shall be the number of days from the commencement of the annual period through the effective date of termination or revocation and the denominator of which shall be 365, less any Percentage Fee Amount payments previously made for such annual period.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in any portion of the Space, or

(b) October 27, 2009

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the

Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Ex. 2.a. per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

> "Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination. In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be

delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (e) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority fifty percent (50%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (ii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) Notwithstanding anything to the contrary stated in Section(s) 2.08 of the Sublease, there shall be no abatement of the PA Share of rent payable under this Permit or the Sublease under the circumstances described in Section(s) 2.08.

(2) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11 The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines

by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of Four Hundred Eighty-seven Thousand Five Hundred Dollars and No Cents ($487,500.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to waiver of any default by the Permittee under the terms of this Permit and all remedies of the Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

13. In any instance where the consent of the Port Authority is required to be obtained hereunder in connection with an assignment, sublease or sublicense by the Permittee, the Permittee shall be obligated to pay the Port Authority a consent fee in the amount of Ex. 2.a. Such fee shall be paid contemporaneously with the delivery to the Port Authority of execution copies by the Permittee, and the relevant assignee/sublessee/sublicensee, of the consent agreement provided by the Port Authority for their signature. In the event that more than one Port Authority permit is impacted by the Permittee's proposed transaction, the consent fee shall apply to each and every Port Authority permit.

14. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

15. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the

health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

Special Endorsements

16. With respect to the portion of the Space located in Terminal C Concourse C-1 and C-2 the Expiration Date shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease, with regard to these Concourse C-1 and C-2 Spaces, is extended beyond March 31, 2013, then the period of permission granted under this Permit for these Spaces shall be extended to the earlier of: (a) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (b) the Expiration Date of this Permit applicable to the portion of the Space located in Terminal C Concourse C-3. The Airline shall confirm the actual date of the expiration date in a written letter to the Permittee, a copy of which letter shall be delivered contemporaneously to the Port Authority.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but

which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3 This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7 The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most

recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing

herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port

Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of September 18, 2009 (the "Sublease"), under which the Permittee has agreed to operate certain consumer services in a location the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate a first-class, full service sit-down restaurant, at the Terminal, using the trade name "Grand Central Oyster Bar", serving a variety of fresh oysters and other types of fresh seafood and entrees, a complement of appetizers and a wide array of alcoholic and non-alcoholic beverages, and for no other purpose whatsoever other than as set forth above in this paragraph.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then

the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefore is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed Ex. 2.a. , which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than Ex. 2.a. of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record-keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall

be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Percentage Rent" shall mean, for each annual period, of all gross receipts up to , payable in monthly installments, and of all gross receipts in excess of Ex. 2.a. payable in monthly installments.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the rate of Ex. 2.a. per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Ex. 2.a. , on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit.

(ii) If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Emplacements, pursuant to the terms of the Sublease.

(v) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(vi) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, storage premises rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority the PA Share (as defined in paragraph (f), below, of this Special

Endorsement) of a monthly percentage rent, calculated in accordance with paragraph (a)(v) of this Special Endorsement.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (a) (v) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage(s) set forth in paragraph (a) (v) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable monthly installment of Guaranteed Rent, established for the monthly period, or (B) the applicable percentages set forth in paragraph (a) (v) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Guaranteed Rent, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable monthly installment of Guaranteed Rent, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Guaranteed Rent, less the total of all percentage rent payments previously made for such annual period. At any time that the amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date

of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority twenty percent (20%) of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) May 5, 2010

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

Special Endorsements

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination. In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

> "If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

> "In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

> (ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".
>
> (iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

Special Endorsements

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

5. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port

Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

6. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority **Ex. 2.a.** of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) Notwithstanding anything to the contrary stated in Section(s) 2.08 of the Sublease, there shall be no abatement of the PA Share of rent payable under this Permit or the Sublease under the circumstances described in Section(s) 2.08.

(2) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(3) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(4) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to an assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

7. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

8. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

9. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

10. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

11. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority , and payable in the Port of New York District in the amount of One Hundred Fifteen Thousand Dollars and No Cents ($115,000.00). The form and terms of such letter of credit, as well as the institution issuing it,

shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is a appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to waiver of any default by the Permittee under the terms of this Permit and all remedies of the Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit

(b) The Permittee hereby certifies that its Federal Tax Identification Number is Ex. 1/4 for the purposes of this Special Endorsement.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a). Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to this Special Endorsement.

12. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

13. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permitte shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

14. The Expiration Date of this Permit shall be March 30, 2013; provided, however, that if the term of the letting to the Airline under the Airline Lease, with regard to the Space covered by this Permit, is extended beyond March 30, 2013, then the period of permission granted under this Permit shall be extended to the earlier of: (i) the day prior to the expiration date of the term of the letting of the Airline Lease, as extended; or (ii) the 7th anniversary of the Rent Commencement Date. The Airline shall confirm the actual date of the expiration date in a written letter to the Permittee, a copy of which letter shall be delivered contemporaneously to the Port Authority.

15. The Permittee shall provide and maintain a full force and effect throughout the effective period of the permissions granted under this Permit a contract of absolute and unconditional guaranty of the due and punctual payment of the fees and other monetary obligations under the Sublease to be paid by the Permittee hereunder and of the full, faithful and prompt performance, observance and fulfillment on the part of the Permittee of all the terms, covenant and conditions of the Sublease to be kept, observed, performed and fulfilled. Such contract of Guaranty shall be executed by AREAS USA, INC., a corporation under the laws of the State of Florida with a business address at 5301 Blue Lagoon Drive, Suite 690, Miami, Florida 33126, in favor of the Port Authority and shall constitute part of the security deposit of the Permittee. The above-named guarantor, expressly agrees that with regard to its Guaranty the term "Sublease" shall be deemed also to include this Permit and accordingly, such contract of Guaranty shall be deemed to include a guaranty of the payment and performance obligations of the Permittee under the Sublease as well as the payment and performance obligations of the Permittee under this Permit.

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed $47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is $750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

a. Women;

b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but

which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same).Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee, its officers, employees or persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the

Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most

recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

18. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

19. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under this Permit, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing

herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under this Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anyway connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;

(f) Furnish on or before the twentieth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month;

(g) Furnish on or before the twentieth day of April of each calendar year following the effective date of this Permit a statement of all gross receipts arising out of operations of the Permittee hereunder for the preceding calendar year certified, at the Permittee's expense, by a certified public accountant;

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port

Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. (b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Endorsement, and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark Liberty International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark Liberty International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of it various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.
