Subject: Re: Freedom of Information Request Reference No. 14922

Thank you very much for the prompt response! May I please amend the request to also include a request for any New York City Department of Buildings inspections or Letters of Deficiency concerning the boilers at One World Trade Center between 2009 and the present?
Or I can file a new one for the boilers, which I inadvertently omitted.

Re: Freedom of Information Reference No. 14944

Dear Mr. Mantell:

This is a response to your May 22, 2014 request, which has been processed under the Port Authority's Freedom of Information Code, (the "Code"), for "any New York City Department of Buildings inspections or Letters of Deficiency concerning the boilers at One World Trade Center between 2009 and the present."

Please be advised that we have searched our files and found no records responsive to the request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Sincerely,

Daniel D. Duffy
