Dear Sir/Madam:

In accordance with the New York Freedom of Information Law, we hereby request records concerning prior notification and/or complaints of dangerous and defective conditions of the *automatic door number S14A3B bearing the bar code number 001411* at the Port Authority Bus Terminal located at the 8th Avenue entrance near 40th Street, New York, New York (attached hereto are photos of the subject premises and automatic door).

We hereby request all maintenance records, including but not limited to notices, correspondence, permits, work and repair orders to the door framework, saddle and motor that you received for 1 year prior to and including May 19, 2014.

Thank you for your prompt attention to this matter.

Very truly yours,

ROSENBAUM & ROSENBAUM, P.C.

Re: Freedom of Information Reference No. 15321

Dear Mr. Gold:

This is in response to your September 15, 2014 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code") for copies of "records concerning prior notification and/or complaints of dangerous and defective conditions of the" automatic door number S14A3B bearing the bar code number 001411 at the Port Authority Bus Terminal located at the 8th Avenue entrance near 40th Street, New York, NY. Copies of "all maintenance records, including but not limited to notices, correspondence, permits, work and repair orders to the door framework, saddle and motor one year prior to and including May 19, 2014."

Material responsive to your request for all maintenance records and available under the Code can be found on the Port Authority's website at <http://www.panynj.gov/corporate-information/foi/15321-O.pdf>. Paper copies of the available records are available upon request.

We have searched the Port Authority's files and found no records responsive to the remainder of your request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

Daniel D. Duffy
