List of specific record(s):

On 10/29/2014 while traveling westbound on upper level of George Washington Bridge an auto spring came hurtling from beneath a yellow truck and smashed the window of my vehicle, a 2008 Mercury Mariner. I am requesting copies of any surveillance footage that may exist which shows the object coming from under the truck and hitting my window. This incident took place around 1:00PM on 10/29/2014 at the western side of the bridge near the exits. My vehicle was in the right lane the yellow truck was I believe two lanes to my left.
