List of specific record(s):

Good afternoon, I am a Civil Engineering student at Manhattan College in the Bronx and I am working on a project for my structural analysis class. I would like to request a copy of plans containing the dimensions of the truss system used in the George Washington Bridge. I understand that security concerns probably limit the extent of the plans that you can release but whatever you can give me I would greatly appreciate.

Re: Freedom of Information Reference No. 15487

Dear Mr. Garcia:

This is a response to your November 15, 2014 request, which has been processed under the Port Authority's Freedom of Information Code, (the "Code", copy enclosed), for "a copy of plans containing the dimensions of the truss system used in the George Washington Bridge."

The material responsive to your request is exempt from disclosure pursuant to exemption (4) of the Code.

Very truly yours,

Daniel D. Duffy
