Re: Freedom of Information Reference No. 15490

Dear Ms. Venugopal:

This is in response to your November 18, 2014 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code", copy attached) for copies of the following documents: "1. Documents, including emails, applications, permits, internal memos and complaints that mention Balearic Entertainment and Merritt Quirk, which sought permits to use Pier 9A of the Red Hook Container Terminal for Escape Music Festival, a two-day private concert event. 2. Documents, including emails, applications, permits, internal memos and complaints that mention Nights by Absolut, Absolut Vodka and Vice Media, which sought permits to use Pier 9A of the Red Hook Container Terminal for a private concert. The event was held on Sept. 12, 2014 2. Documents including emails that mention why Balearic Entertainment was not given a permit to use the Terminal for Escape Music Festival. 3. Documents including emails and internal memos that mention Nights by Absolut, Vice Media and Absolut Vodka from Sept. 13 to Nov. 18."

Material responsive to your request and available under the Code can be found on the Port Authority's website at http://www.panynj.gov/corporate-information/foi/15490-O.pdf. Paper copies of the available records are available upon request.

Pursuant to the Code, certain portions of the material responsive to your request are exempt from disclosure as, among other classifications, intra-agency deliberative process and security.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

Daniel D. Duffy
FOI Administrator

Subject: Escape: Press Release

Hi Mike,
This has been approved by Steve Coleman. We will be announcing our new venue tomorrow.

Brooklyn, NY - Red Hook Container Terminal (RHCT) announced today that, due to unforeseen regulatory pressures, it has been unexpectedly forced to cancel its contract with Balearic Entertainment to host Escape Music Festival at Pier 9 on October 11 and 12, 2014.

Balearic Entertainment has secured Governors Beach Club to host Escape Music Festival, and the festivities will go on as planned!

Hi Craig,

Please find the fact sheet attached. We welcome your input.

I will come back to you on other staffing positions aside from Security, as Neil Ryan our production manager who contracts this, is away this week.

As of now, we have just been approved by the PA to use food trucks.

Let me know if you want to go over anything and we can get on a call to discuss.

Subject: Escape: PA Press

Hi Mike,
I wanted to get on the same page with respect to PR for the event. The following article came out with some comments from Lena Rodrigues.

I don't think the reporter understands the difference between the venue and the Port Authority, and so it actually says we don't have the venue booked which will not go-over well with fans or industry people.

In any case, it would be helpful if we could get on the same page going forward. The press release was cleared so we were a little surprised that the comments from Mr. Rogrigues were a bit doubtful.

It would certainly help us if we better understood the PA's public position and would helpful to us if it was a little more positive in the future.

I recognize the PA is a large organization and this is not coming from your office. Let me know if you have any suggestions on how to handle this.

Mark:

Thank you for meeting with us yesterday to discuss proposed event for Sept 12 at RHCT. As discussed, the following is required to move process forward:

- *Send Mike Deveney permittee contact info (name, address, title) Person signing permit MUST be officer of company (due by today August 22)*
    - *PA fee will be $15,000 for event plus security and Public Safety (based on one event)*
- *Send Operations Plan for Film and advise if included into event schedule (due by Monday August 25)*
    - *Separate event will require additional permit process*
- *Port Authority Executive office is currently reviewing scope of event for approval*
- *Update Opts Plan to include security, life safety and operations details (Due prior to next meeting Sept 4)*
- *Follow-up on NY city for permits on drop off/pick-up locations for guest*
- *Coordinate Community outreach with John Liantonio (copied)-212-435-7274*
- *Provide rigging details and engineering plans (due by week of August 25)*
- *Contract with NYSA security firm to hire PPGU guards for access into marine terminal (Event)—Ken Honig has lead*
- *Provide Certificate of Insurance (requirements attached)*
- *PA Contacts updated on attached for operations plan*
- *Next meeting Sept. 4 at 10am in Port Authority Conference Room, 90 Columbia St., Brooklyn, NY*

All deadline dates are firm and material must be sent for review to ensure event is approved by Port Authority.

Please contact me (917-494-7345) with any concerns.

Hi Lenis,
I hope you're doing well. I'm writing an article on the Vice Media event at the Red Hook Container Terminal this Friday. I just had a few questions about the event.

1. Has Vice Media been issued the permits necessary to host the event?
2. Does Port Authority have a signed agreement with Vice Media as yet?

If I could hear from you as soon as possible today, I'd really appreciate it.

Thanks,
Nikhita

Subject: RE: Vice Absolut Rigging Plan

Mark:

As discussed at today's meeting the following are action items:

- Updated operations plan to include:
  - Fire Life Safety
  - Food/beverage plan with permits must be provided to PA no later than Monday 9/8
  - Time to reflect event and film
  - Uber/shuttle pick-up/drop-off
  - Send copy to mike Deveney ASAP
  - Send out social media notice to all invited guest of drop off/pick-up along with doors closing when reaching maximum 1500 guests
  -
- PA Permit
  - COI require with limits provided
  - PA will update costs and advise accordingly based on new plan (PAPA and administration fee)
  - Hopefully will have by 9/11 to execute
  - Check will need to be received by Thursday 9/11
- Rigging
  - Forward Mike Deveney revised drawings ASAP for PA Eng to review and concur
- Next Steps
  - Conf call with CB6 noon Monday 9/8
    - Provide John Liantonio fact sheet prior to meeting (preferred receipt by Friday 9/5)
    - Send John L and Mike D press release
  - Send Mike D and Capt. O'Conner copies of tickets and event credentials
  - Event walk through 4pm Friday 9/12

Thanks

Subject: It was a pleasure to meet you

John-
I'm sure our paths must have crossed before. It will be fun to figure out when and where. As for the matter at hand, I look forward to working with you not only to ensure that the local community is informed of our event, but to see their reasonable objectives be integrated in meaningful way.
I will be traveling next week but I will be returning August 18th. If you would be kind enough to set up a meeting immediately thereafter with the relevant community entities, I am available at your convenience to attend. I would be happy to host the meeting in my office in Times Square if it is easier.
I look forward to working with you.
Stuart

Mark:

Thank you for meeting with us yesterday to discuss proposed event for Sept 12 at RHCT. As discussed, the following is required to move process forward:

- *Send Mike Deveney permittee contact info (name, address, title) Person signing permit MUST be officer of company (due by today August 22)*
    - *PA fee will be $15,000 for event plus security and Public Safety (based on one event)*
- *Send Operations Plan for Film and advise if included into event schedule (due by Monday August 25)*
    - *Separate event will require additional permit process*
- *Port Authority Executive office is currently reviewing scope of event for approval*
- *Update Opts Plan to include security, life safety and operations details (Due prior to next meeting Sept 4)*
- *Follow-up on NY city for permits on drop off/pick-up locations for guest*
- *Coordinate Community outreach with John Liantonio (copied)-212-435-7274*
- *Provide rigging details and engineering plans (due by week of August 25)*

- *Contract with NYSA security firm to hire PPGU guards for access into marine terminal (Event)—Ken Honig has lead*
- *Provide Certificate of Insurance (requirements attached)*
- *PA Contacts updated on attached for operations plan*
- *Next meeting Sept. 4 at 10am in Port Authority Conference Room, 90 Columbia St., Brooklyn, NY*

All deadline dates are firm and material must be sent for review to ensure event is approved by Port Authority.

Please contact me (917-494-7345) with any concerns.

Sincerely,

The Best Emergency Managers Always Have "Plan C"

Escape Music Festival

FIRE SAFETY PLAN

Fire Watch / Fire Marshalls

- At least 10 FDNY certified Fire Wardens will be included in the Event Staff Roster, in a mix of fixed and roving posts
- Training Certifications will be provided upon request
- Posting Locations (indicated on site-plan)

Fire Notifications

- All emergency notifications are to be made immediately to PAPD & the Event Command Post

Fire Department Escort Rendezvous Point (pre-determined by PAPD)

- Main RHCT Gate at Van Brunt & Hamilton/Summit

Fire Extinguisher Locations

- Each trailer will have at least one 2A:20BC fire extinguisher
- Each Tent will have at least one 2A:20BC fire extinguisher
- Event Staff assigned to venue perimeter positions are NYC certified fire wardens (individual certificates will be provided upon request). Each venue perimeter Event Staff person will have immediate access to a 2A:20BC fire extinguisher
- In the food and concession areas there will be ## Fire extinguishers, posted not more than 30 ft. apart (in areas available to staff but not accessible to the general public)
- In the catering area there will be ## Fire extinguishers, posted not more than 30 ft. apart
- In each food preparation areas there will be at least on Class K fire extinguisher

- In addition 2A:20BC fire extinguishers will be located in the following locations:
  - Event Command Post (2)
  - Screening Area (2)
  - Each Talent Transportation Golf Cart (1)
- Fire Response Carts with supplementary extinguishers will be located as follows
  - Event Command Post
    - Four 2A:20BC
    - Two 2½ gallon water can
  - Backstage Compound
    - Four 2A:20BC
    - Two 2½ gallon water can

The primary response of Event Staff in the event of a fire is

1. Notify the Event Command Post and PAPD
2. Clear guests from the area
3. Clear a path for fire response
4. Provide the nearest firefighting assets to PAPD officers when they arrive

Merritt,

Please see the attached additional comments from our Fire Safety Group for improving the operations plan.
We also would like to notate the construction fencing or cone and tape visual barrier at the water's edge on the diagram.

In addition, for any individual working within 10 ft of water's edge for set up activities, they are required to wear:

- US Coast Guard Approved Type I- III highly visible vests in good repair
- Throwable devices, such as ring buoys, should also be made available
- Training to prepare for a PIW (person in the water) is required for event staff responsible for the water safety operations and should be conducted prior to the event. All participants and training points covered should be documented.

Thank you.

Comments by Tues

Hi Merritt,

As I understand from Mike Deveney, we have not yet received final approval for your event, but Mike advised that we should proceed with providing appropriate points of contact in anticipation of its approval .

For public health issues, including food safety, Dave Falcone will be the contact person. You should deal directly with Dave for all health department permits, food safety handling certificates, and other requirements provided in the general PA events food safety guidelines that Mike sent you previously. Dave's number is 973-961-6094 and his email is dfalcone@panynj.gov.

I will be the representative point of contact for other safety considerations including alcohol permitting, water safety, life safety, and general safety related issues. My supervisor and his colleague will be attending the walk thru tomorrow for emergency evacuation planning; however, you can always reach out to me with any questions or concerns that you may have related to the safety group's requirements.

Best regards,

Stephanie L. Miller, CSP

Escape Music Series Security Plan & Proposal

Red Hook Container Terminal, Pier 9

Concept

The producer proposes to do a 2-day weekend concert series for October 2014. It will be a combination of electronic and indie rock music. The event will be 19+. We aim to target a demographic in their mid to late 20's.

There will be some festival amenities including food vendors, a VIP area, craft vendors, body painting, games, activities, interactive environments, and art exhibits.

This will require a capacity of 8,000 people

The event will operate from 1pm-11pm each event day

Tentative Dates

1. Load-in Thursday, October 9 (9AM-6PM)
2. Load-in Friday, October 10 (9AM-6PM)
3. Event Date Saturday, October 11 (1PM-11PM)
4. Event Date Sunday, October 12 (1PM-11PM)
5. Load-out Monday, October 13 (9AM-6PM)

Previous festival and concerts produced by the principals include:

- Coachella
- Mad Decent Bloc Party
- All Points West
- Summer Jam 97
- All Webster Hall concerts from 2009-Present

- Paul McCartney @ CitiField
- Bon Jovi @ MetLife
- Siren Music Festival (2001-2010)

Operating Plan

As Producer, we will provide a site plan specific to Red Hook that will comply with the expectations and protocols of the venue and PA.

Our production plan will include the following:

- Our design on site will be in 100% compliance with all PA codes
- We will present an egress / access plan for all attendees
- A fully detailed operations plan will be put together to address crowd flow and the impending effects on the local community
- We will provide the necessary Security Guards in compliance with the PA certified stipulations
- We will provide a plan to address all issues in accordance with the ADA
- Within the Red Hook Operations Plan, our detailed transportation and communication procedure will be set forth
- A medical plan to service patrons when needed as well as a detailed evacuation plan relating to natural and or man-made crisis will be addressed
- Lastly, we will work hand in hand and side by side with all stakeholders to ultimately present a safe, well organized, and successful event for all parties involved

Food & Beverages

Vendors will have food vending license and food handler licenses. Food vendors will also be required to have general liability insurance.

Vendors will supply current New York City Department of Health & Mental Hygiene Permit to Operate a Food Establishment

Food vendors will be required to follow the procedures and protocols set forth in the Special Events Food Safety Requirements document.

We will partner with Phoenix Beverages and a liquor license holder partner of Phoenix Beverages to distribute and sell the alcohol. Beer will be served in the GA area. There will be 21+ banding stations and personnel spread through the grounds.

Beverages: beer, spirits, water, energy drinks, soda

VIP Areas will be 21+ and will serve beer and spirits

Drug Policy

Drug use is ABSOLUTELY PROHIBITED. We have a ZERO tolerance policy when it comes to underage drinking and drug use, and we take this very seriously. Any violation of this policy will lead to the Producer to notify the PA Police department and evict the patron from the event.

Insurance

The standard General liability insurance for events of this size is $5 Million. The Producer will obtain this policy. The Producer agrees to find an insurance provider who will grant the PA an immunity clause.

The liquor license holder will provide liquor liability insurance. Food vendors will also have their own general liability insurance.

Production Notes

- The number of production vehicles is estimated to be (7-10) 24' bob tails at this time
- We will not have any props
- The event will not be using a crane
- We will have a (4) truss system positioned diagonal in the roof grid of the stage. The trusses will be 40' wide by and will be a 12 inch box truss.
- We will store propane gas cylinders for propane
- We will have (2) SL320 mobile stages

Tents

- There will be (15-20) 10' x 15' tents to house vendors
- There will be (1) 40' x 60' tent for hospitality area located backstage
- There will be (1) 40' x 60' tent for VIP located at the left of the main stage
- There will be (2) 20' x 20' Medical Tents

All tents will have side walls to enclose the structure if needed. Typically (3) sides would remain on the tent and the (4th) side left open.

We will provide all necessary ballasting (concrete) to anchor tents and will be rated to withstand wind gusts typical along the pier location. A HWAP (high wind action plan) will reflect the ballasting layout.

We will provide all flame retardant certificates for each tent and will distribute copies of the certificates to the PARM. Every tent will be ballasted and every tent will have the flame certificates posted inside the tent.

All tents will have **one to three (1-3)** Fire Extinguishers inside in a designated area and posted near a Security / Fire Guard.

Security

We will provide a licensed and bonded NYC Security Firm to staff all necessary positions to insure a successful and safe event, which include but not limited to:

- Bag Check at Entrance
- Security to facilitate entry and exit to terminal
- All Production positions in control area (stage, front of house, backstage, near water)
- Site and Perimeter Security Patrols
- Working hand in hand with PA Security requirements

The Producer will arrange to provide licensed and trained security guards to process and manage patron attending Escape Music Series at Pier 9 Red Hook Container Terminal proposed for Saturday & Sunday October 11 & 12, 2014. The event will open at 1pm and end at 11pm. Security and setup will begin on or about October 9, 2014.

The plans calls for approximately 8,000 pre-ticketed patrons to enter the Red Hook Container Terminal. They will come by taxi, subway, ferry, and will enter the premises on foot at Degraw Street. There will be fenced in walkways to guide the patrons through ticketing check-points and chutes, where Security will search all attendees and bags. They will use "pat down" procedures. No weapons, cans, bottles, liquid, hard objects, illicit substances, or banned items will be permitted inside.

Security will staff emergency exits, have fixed perimeter posts, stage & backstage, delay sound and video tower positions, and zone response teams.

Security will wear visible bright colored shirts, clearly identifiable with a unique number for each Security Guard. All activity within the venue will be closely monitored by placing staff in strategic observational positions, as well as by response teams.

Security will work closely with Authorities and provide accurate intelligence regarding the operations of the concert, in advance, and throughout the Event, in order to insure public safety and meet concerts.

Pre-Event meetings as deemed necessary will be held to coordinate among the PA Police Department and the security teams. It is understood that jurisdiction, and the responsibility for setting police and protocols, lies with the PA and PA Police Department.

Communications

To facilitate communications at the event, the Producer will rent **Ten (10)** walkie-talkies.

The radio channels will be designated to allow various functions to interact directly. Namely, the channels will correspond to function as follows:

- Administration
- Balearic Entertainment Management
- Hospitality
- Operations
- Police/Security
- Cleaning
- First Aid
- Tent Contractor/Electrical Services

All relevant entities, subcontractors, event staff, etc. will receive radios. Relevant PA personnel, including on-site representatives, Police and First Aid/EMS, will be on the distribution list.

It remains to be coordinated how "outside" resources are contacted, specifically the NYPD and NYFD. The event is ready to have the PA Police Department be responsible for contacting these agencies; otherwise the Producer and the Security Firm will take the lead in establishing communications as needed come the weekend of the event.

Additionally, the on-site contact list will afford direct phone connect. However, the above mentioned radios will serve as the primary communication tool. The producers will provide a full list of contact numbers prior to the show.

Fire Safety

A Fire Safety Director will be present from setup through the event to load-out and cleanup of event.

There will be 80 fireguards stationed throughout the facility. These are noted on the sitemap.

Pier 9 is approximately 230,000 square feet. At a requirement of 8 extinguishers per 40,000 square feet, we will have 48 extinguishers on site (Extinguishers shall be A:B:C type).

Egress

Base building lighting will be powered on an emergency power circuit to maintain minimum lighting levels for egress in case of power outage.

Passenger drop-off areas on the city streets will be designated in coordination with NYPD.

There will be separate areas for buses and automobiles (POV and taxies).

Bus loading and drop off will be the same area. The Producer will work with NYPD/NYC DOT to restrict parking allocated for these areas.

Water Safety

There will be safety barricades between the patrons and the water. In addition, there will be various security personnel stations and/or patrolling the perimeter of the Pier.

The Producer will notify and coordinate with NYPD Marine personnel along with the Coast Guard. Life vests and water rescue equipment will be stored at multiple locations along the perimeter.

Crowd Control

Patrons will enter the facility on Degraw Street. There will be barricades and security personnel guiding the patrons from the entrance to Pier 9. We have allocated 4 square feet per person close to the stages. As you will notice on the site map, this will take up less than 25% of space on the Pier. In all likelihood, the crowd will be significantly more dispersed at other places (food and concession vendors, bathrooms, the 2nd stage, along the Pier and facility, and relax areas).

Patrons will also exit on Degraw Street. We will coordinate with the traffic division of NYPD.

We will create an egress plan that will utilize the new gate to be installed at the Degraw Street entrance. This entrance is reflected on our updated site plan.

Emergency Evacuation

In the event of an emergency, patrons will have access to the safety barrier surrounding the Pier. They will be directed by security and fire safety personnel to 3 emergency exits (Degraw, Terminal Entrance at Hamilton and Van Brunt and Columbia Street). Columbia and the Terminal Entrance exits will be walled off and only accessible during an emergency.

Kenneth Hoenig and CIMAT will coordinate with PAPD and PA Risk Management to ensure compliance with their standards and plans. Coordination with NYPD, FDNY, USCG, NYC DOT and NYC CB6 will also be needed.

Site Map Note

The site map is designed using a grid system for an easier way to find and locate any emergency situations or for simple ease of finding items around the concert site.

Medical

Producer will have EMS on site and ALS service will be offered

Hours of Operation: Beginning approximately 13:00 hours on each event date

Ending approximately 24:00 hours each date

Medical Staffing

1. All staff working at "Escape Music Series" will be certified at the appropriate level
2. Auxiliary staff. Medical Director available on-site or by radio at all times
3. All staff are instructed to report 15 minutes prior to their scheduled shift. An afternoon briefing for all staff will be held.

Producer shall supply **one (1)** ambulance vehicle on-site at the concert. All vehicles will be staffed according to PA protocols.

We will provide **two (2)** Medical Tents on site. Each 20' x 20' tent will be fully enclosed with proper exit signs posted. The tent will be climate controlled.

Charity

The Producer will donate 1% of GA Ticket sales to Hurricane Sandy Relief and/or local Red Hook Community projects.

What We Are About

escape MUSIC SERIES

October 11-12, 2014
Pier 9, Red Hook

The Festival IS:

- Safety & Security are Paramount above all else
- First Class entertainment
- Opportunity to showcase local businesses
- Opportunity to brand and market Red Hook
- 8,000 per day maximum (5,000-7,000 realistically)
- Positive experience for fans and community
- We have a zero tolerance towards drug use and excessive alcohol consumption
- We are not a source of community overcrowding
- We are NOT a rave –

What We Offer

escape MUSIC SERIES

October 11-12, 2014
Pier 9, Red Hook

- We have the HIGHEST age minimum of any festival in NY
  - 19+
  - Targeting adults in their 20's and 30's
- Affordable Ticket Prices
  - $110 for 2 days
  - Competitors charge more than double
- 2 Stages
- Multiple genres of music
- Artwork
- Food Trucks and Vendors
- Concessions
- Craft Vendors
- Merchandise
  - T-Shirts, Hats, Posters

ESCAPE MUSIC SERIES 2014 SUPPORT STAFF PLAN

CSS Support staff has been providing event support staff services for over thirty eight years in the tri-state region and has been recognized a valuable partner in event planning and implementation process.

The CSS support staff team provides fully screened and highly trained personnel who are experienced in the field of Special Events. The CSS Director will be on site to provide overall support staff coordination.

All support staff members of CSS are registered with the New York State Division of Criminal Justice. Each licensed support staff member has attended and passed the New York State mandated curriculum, pass a criminal background check, maintained a clean criminal record, attended the required annual New York State training class and received many additional hours of company and site specific training.

After visiting the Red Hook Container Terminal, surveying the neighborhood, reviewing the site plans, meeting the terminal operator, event promoter, NYNJ Port Authority Police a preliminary support staff and safety plan has been created. This plan will be update after the final overall event plan is completed

Audience Load In

Entrance Line Control.

The main entrance will be through the gate at where Degraw Street meets the terminal property line. The area inside the gate will be large enough to create a cue the line on the Red Hood Container Terminal Property. A soft check for tickets will be conducted at that point to minimize un-ticketed patrons from entering the cue line. Inside the property, metal barricade may be used to create a serpentine chute which will allow guests to experience progress as they advance. This cue system will greatly reduce the events impact on the local community.

Safety Check

A safety check will be administered in an effort to insure the safety of all persons entering the site.

The promoter will create a list of prohibited items. This list will be published on the website and further disseminated, in advance of the event, to ticket holders via email. On event day, large signs listing the prohibited items will be visible for all attendees to see prior to entering the search area. This notification will allow guests to voluntarily leave to find a safe harbor for their prohibited items. If the guest declines the opportunity to store their prohibited items site they will be required to dispose of the items in the trash bins located at the search area. This must be completed before being granted access to the event site. No provision for the return of such items will be made. The disposed items will be picked up by the trash removal team though out the course of the event.

Each attendee will be subjected to a voluntary safety inspection beginning with a bag check followed by a physical pat down. Legal prohibited items will be voluntarily disposed by the patron in the trash bins. Patrons in possession illegal prohibited items such as guns or distribution quantity of drugs, will be turned over to law enforcement for further investigation.

Ticket Takers

CSS will provide ticket scan operators. These support personnel will operated hand held tickets scanners to assure each patron has a valid ticket. Once the ticket has been scanned and validated, the holder will permitted to enter the event grounds. Patrons who have tickets which fail to validate will be sent an area known as ticket resolution. Those who cannot resolve their ticket issues will be escorted off of the property.

Alcohol Age Banding

Patrons who have entered the event and intend to consume alcoholic beverages will need to present legal government issued ID proving that they are of legal age to purchase and consume alcohol. Those who qualify will be wrist banded with an "over 21" wrist band.

Alcohol Compliance

Float teams and redeployed ID Banders will patrol the site for un-banded alcohol consumption. Persons spotted consuming alcohol will first be challenged to produce valid government issued ID which confirms they are of legal age to drink. If the ID is produced and they are in fact over 21 an "over 21" wrist band will be applied. If the individual is cannot prove they are 21 or older they will be immediately escorted off the property. Anyone who has been banded as "over 21" and is observed facilitating underage drinking will be immediately escorted off for the site.

445 Hollow Tree Ridge Road

Darien, CT 06820

Escape Music Series Security Plan & Proposal

Red Hook Container Terminal, Pier 9

Concept

The producer proposes to do a 2-day weekend concert series for October 2014. It will be a combination of electronic and indie rock music. The event will be 19+. We aim to target a demographic in their mid to late 20's.

There will be some festival amenities including food vendors, a VIP area, craft vendors, body painting, games, activities, interactive environments, and art exhibits.

This will require a capacity of 8,000 people

The event will operate from 1pm-11pm each event day

Tentative Dates

1. Load-in Thursday, October 9 (9AM-6PM)
2. Load-in Friday, October 10 (9AM-6PM)
3. Event Date Saturday, October 11 (1PM-11PM)
4. Event Date Sunday, October 12 (1PM-11PM)
5. Load-out Monday, October 13 (9AM-6PM)

- Paul McCartney @ CitiField
- Bon Jovi @ MetLife
- Siren Music Festival (2001-2010)

Operating Plan

As Producer, we will provide a site plan specific to Red Hook that will comply with the expectations and protocols of the venue and PA.

Our production plan will include the following:

- Our design on site will be in 100% compliance with all PA codes
- We will present an egress / access plan for all attendees
- A fully detailed operations plan will be put together to address crowd flow and the impending effects on the local community
- We will provide the necessary Security Guards in compliance with the PA certified stipulations
- We will provide a plan to address all issues in accordance with the ADA
- Within the Red Hook Operations Plan, our detailed transportation and communication procedure will be set forth
- A medical plan to service patrons when needed as well as a detailed evacuation plan relating to natural and or man-made crisis will be addressed
- Lastly, we will work hand in hand and side by side with all stakeholders to ultimately present a safe, well organized, and successful event for all parties involved

Food & Beverages

Vendors will have food vending license and food handler licenses. Food vendors will also be required to have general liability insurance.

Vendors will supply current New York City Department of Health & Mental Hygiene Permit to Operate a Food Establishment

Food vendors will be required to follow the procedures and protocols set forth in the Special Events Food Safety Requirements document.

Tents

- There will be (15-20) 10' x 15' tents to house vendors
- There will be (1) 40' x 60' tent for hospitality area located backstage
- There will be (1) 40' x 60' tent for VIP located at the left of the main stage
- There will be (2) 20' x 20' Medical Tents

All tents will have side walls to enclose the structure if needed. Typically (3) sides would remain on the tent and the (4th) side left open.

We will provide all necessary ballasting (concrete) to anchor tents and will be rated to withstand wind gusts typical along the pier location. A HWAP (high wind action plan) will reflect the ballasting layout.

We will provide all flame retardant certificates for each tent and will distribute copies of the certificates to the PARM. Every tent will be ballasted and every tent will have the flame certificates posted inside the tent.

All tents will have **one to three (1-3)** Fire Extinguishers inside in a designated area and posted near a Security / Fire Guard.

Security

We will provide a licensed and bonded NYC Security Firm to staff all necessary positions to insure a successful and safe event, which include but not limited to:

- Bag Check at Entrance
- Security to facilitate entry and exit to terminal
- All Production positions in control area (stage, front of house, backstage, near water)
- Site and Perimeter Security Patrols
- Working hand in hand with PA Security requirements

The Producer will arrange to provide licensed and trained security guards to process and manage patron attending Escape Music Series at Pier 9 Red Hook Container Terminal proposed for Saturday & Sunday October 11 & 12, 2014. The event will open at 1pm and end at 11pm. Security and setup will begin on or about October 9, 2014.

All relevant entities, subcontractors, event staff, etc. will receive radios. Relevant PA personnel, including on-site representatives, Police and First Aid/EMS, will be on the distribution list.

It remains to be coordinated how "outside" resources are contacted, specifically the NYPD and NYFD. The event is ready to have the PA Police Department be responsible for contacting these agencies; otherwise the Producer and the Security Firm will take the lead in establishing communications as needed come the weekend of the event.

Additionally, the on-site contact list will afford direct phone connect. However, the above mentioned radios will serve as the primary communication tool. The producers will provide a full list of contact numbers prior to the show.

Fire Safety

A Fire Safety Director will be present from setup through the event to load-out and cleanup of event.

There will be 80 fireguards stationed throughout the facility. These are noted on the sitemap.

Pier 9 is approximately 230,000 square feet. At a requirement of 8 extinguishers per 40,000 square feet, we will have 48 extinguishers on site (Extinguishers shall be A:B:C type).

Egress

Base building lighting will be powered on an emergency power circuit to maintain minimum lighting levels for egress in case of power outage.

Passenger drop-off areas on the city streets will be designated in coordination with NYPD.

There will be separate areas for buses and automobiles (POV and taxies).

Bus loading and drop off will be the same area. The Producer will work with NYPD/NYC DOT to restrict parking allocated for these areas.

Site Map Note

The site map is designed using a grid system for an easier way to find and locate any emergency situations or for simple ease of finding items around the concert site.

Medical

Producer will have EMS on site and ALS service will be offered

Hours of Operation: Beginning approximately 13:00 hours on each event date

Ending approximately 24:00 hours each date

Medical Staffing

1. All staff working at "Escape Music Series" will be certified at the appropriate level
2. Auxiliary staff. Medical Director available on-site or by radio at all times
3. All staff are instructed to report 15 minutes prior to their scheduled shift. An afternoon briefing for all staff will be held.

Producer shall supply **one (1)** ambulance vehicle on-site at the concert. All vehicles will be staffed according to PA protocols.

We will provide **two (2)** Medical Tents on site. Each 20' x 20' tent will be fully enclosed with proper exit signs posted. The tent will be climate controlled.

Charity

The Producer will donate 1% of GA Ticket sales to Hurricane Sandy Relief and/or local Red Hook Community projects.

Hi Stephanie,
Thanks for your voicemail. I don't have the specifications on the Insurance.

Also I was wondering if you could put me in touch with the risk manager/department associated with food.

Merritt

Insurance Procured By The Contractor

The Contractor shall take out, maintain, and pay the premiums on Commercial General Liability and Legal Liquor Liability Insurances, including but not limited to premises-operations and products-completed operations, broad form property damage and independent contractors coverage, with contractual liability language covering the obligations assumed by the Permitee under this Contract and, if vehicles are to be used to carry out the performance of this Contract, then the Permitee shall also take out, maintain, and pay the premiums on Automobile Liability Insurance covering owned, non-owned, and hired autos in the following minimum limits:

Commercial General Liability Insurance - $ 6 million combined single limit per occurrence for bodily injury and property damage liability.

Automobile Liability Insurance - $ 6 million combined single limit per accident for bodily injury and property damage liability.

Concession & Liquor Liability Insurance - $ 5 million per occurrence for bodily injury and property damage.

In addition, the liability policy (ies) shall name "The Port Authority of New York and New Jersey and its related entities, The City of New York and its related entities as additional insured", including but not limited to premise-operations, products-completed operations on the Commercial General Liability Policy. Moreover, the Commercial General Liability Policy shall not contain any provisions for exclusions from liability other than provisions for exclusion from liability forming part of the most up to date ISO form or its equivalent unendorsed Commercial General Liability Policy. The liability policy (ies) and certificate of insurance shall contain separation of insured condition and severability of interests so that coverage will respond as if separate policies were in force for each insured. These insurance requirements shall be in effect for the duration of the contract to include any warrantee/guarantee period.

The certificate of insurance and policy (ies) must contain the following endorsement for the above liability coverages:

> ***"The insurer shall not, without obtaining the express advance written permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the Tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority."***

The Permitee shall also take out, maintain, and pay premiums on Workers' Compensation Insurance in accordance with the requirements of law in the state(s) where work will take place, including Employer's Liability Insurance with limits of not less than $1 million each accident.

Each policy above shall contain a provision that the policy may not be canceled, terminated, or modified without thirty (30) days' prior written notice to the Port Authority of New York and New Jersey, Att: Facility Administrator, at the location where the event will take place and to the General Manager, Risk Management.

Within five (5) days after the award of this agreement or contract and prior to the start of work, the Permitee must submit an original certificate of insurance, to the Port Authority, Facility Administrator, at the location where the event will take place. This certificate of insurance MUST show evidence of the above insurance policy(ies), stating the agreement/contract number prior to the start of the event. Upon request by the Port Authority, the Permitee shall furnish to the General Manager, Risk Management, a certified copy of each policy, including the premiums.

Renewal certificates or policies shall be delivered to the Facility Administrator, Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. If at any time any of the certificates or policies shall become unsatisfactory to the Port Authority, the Permitee shall promptly obtain a new and satisfactory certificate and policy.

The requirements for insurance procured by the Permitee shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permitee under this contract. The insurance requirements is not a representation by the Port Authority of NY and NJ and its related entities as to the adequacy of the insurance to protect the Permitee against the obligations imposed on them by law or by this or any other Contract.

Subject: RE: Updated Operations Plan

Merritt:

We have reviewed latest operations plan for Escape Music Series proposed for RHCT on Oct 11 and 12, 2014 and have the following comments:

- Health/Safety—working with Stephanie Miller and Dave Falcone on details
- PAPD—11 Police Officers and 2 Sgts, including K-9—Est expense breakdown attached
- Security—
  - Event security to reach out to New York Shipping Association to confirm PPGU guard requirements
    - APG Security may be a good options
  - Reach out to USCG to ensure FSP complies with event
- Emergency egress
  - Enter through RHCT Main entrance—PAPD is responsible for coordination
  - NO entry between internal gates Piers 8/9, 10/11 and 90 Columbia St
- Entry/Exit
  - Degraw St and Van Brunt St
  - Please use 70 Hamilton Ave as address for event
- Community Outreach
  - Work will PA Public Affairs—John Liantonio to coordinate with CBN-6, BBP, and other local organizations
- NYPD—Coordinate with 76th Pct

Port Authority has approved event providing all aforementioned issues are addressed.

Please be prepared to discuss in more detail during meeting on July 22.

Thanks and enjoy 4th of July.

ESCAPE MUSIC FESTIVAL
October 11-12, 2014

DRAFT OPERATIONS PLAN

EGRESS POINTS:

MAIN EXIT:

Degraw Avenue Gate (Degraw Ave at Van Brunt Street)

- Signage directs person from exits to:
  - Hamilton Ave
  - Atlantic Ave
  - Subway Stations
    - Walk Degraw 2 blocks to Hicks, turn right
    - Hicks 1 block to Sackett , Turn left
    - Sackett 4 blocks to Smith, turn right,
    - 2 blocks to subway station
  - NYC Transit Bus Lines (B61 & B63)
    - B61 stop at Van Brunt & Hamilton (toward Downtown Brooklyn / Fulton Mall)
    - B61 stop at Van Brunt & Summit (toward Prospect Park / Park Slope)
      - Upon exit from DeGraw gate, patrons directed to walk south and remain on west side of Van Brunt
      - Crossing assistance on Degraw, at Summit
      - Patrons for B61 to Park Slope stay on west side of Degraw
      - Patrons for B61 to Fulton Mall/Barclays cross Degraw and cue on east sidewalk with crossing assistance at Hamilton Ave.
      - There will be Event Staff posted along the sidewalk, to assist with crossings and to cue patrons for the buses.
      - We are working with NYC MTA to increase service during the departure window
    - B63 stop at Atlantic & Furman St (toward Bay Ridge)
      - Patrons depart thru Degraw gate and continue east on Degraw, turn left on Columbia and then proceed to Atlantic. Turn left on Atlantic

        - NYC MTA has been requested to install MetroCard vending kiosks on the Festival Campus and near the bus loading area
    - Ferry Barge
        - Guests departing by ferry will turn left from the pier and enter a Ferry Queue
        - Queue Lines will provide pre-counted groups for boarding
        - "Soft Check" to prevent prohibited items from being brought onto the ferry
        - Need to provide numerous trash bins and a dedicated trash tem
        - The number of people allowed on the barge will be metered to prevent overcrowding
        - Ferry loading to be coordinated by the Ferry Contractor with assistance from CSS Event Staff
    - Bicycle parking area
    - UBER Pick-Up Lot
        - A dedicated, off-street drop-off/pick-up site is being negotiated
- Egress Off Site Crowd Control
    - Signage (see Sign Appendix)
    - Event Staff to direct patrons away from residential streets
    - Event Staff + NYPD to assist with street crossings
    - Port-a-Potties available at exit
    - Trash barrels available at and near exits

CONTINGENCY EXIT (if overcrowding occurs at Main Exit):

- Gate at Sackett St (This was the VIP entrance gate)
- Via secure corridor to RHCT Gate at Van Bunt & Hamilton

EMERGENCY EVACUATION EXITS:

In an emergency the determination of which Emergency Exit Corridors are to be utilized rests with the Event Command Post in consultation with the PAPD Incident Commander

Emergency Exit Corridor #1

- Exit from Pier
- Turn Right toward entrance
- Exit through the Degraw Avenue Gate (this was the entrance gate)

Emergency Exit Corridor #2
(to be used in event of overcrowding at Degraw Ave)

- Patrons directed South past the DeGraw Ave Gate
- Along barricade delineated corridor to Sackett St. Gate (This was the VIP/Talent Entrance Gate)

Emergency Exit Corridor #3 NORTHBOUND
Access Gate must be opened by PAPD

- Exit from Pier
- Left turn toward Pier 8
- Along designated/secured corridor to Atlantic Ave Gate

Emergency Exit Corridor #4 SOUTHBOUND
Access Gate must be opened by PAPD

- Exit from Pier
- Turn Right toward entrance
- Past Degraw Gate
- Past Sackett Gate
- Through Access gate between Pier 10 & 11
- Follow secured corridor to exit gate at Bowne & Imlay Streets

Emergency Exit Corridor #5

- Route as determined by PAPD

Special Needs Exit Considerations

- A leveled path for emergency egress will be established
- Extraction teams with carry chairs or other devices will be designated.
- Entrance gate personnel will provide an estimated count of special needs patrons to the Event Command Post

DRAFT OPERATIONS PLAN

FOOD SERVICES PLAN

To Include:

- Staffing Plan
- Food Handler Certifications

There will be no cooking on site
Any reheating equipment will be electrically powered
No propane or open flame will be utilized

Escape Music Festival Food Plan

There will be 20-25 food vendors total. This will be a combination of tented vendors and food trucks. The festival will supply tents and the power infrastructure to support the vendors. All vendors will be using electricity provided, there will be no open flame or gas.

Load in for equipment will be Friday from 12-6. Food load-in will be available in the morning both days of the event. Load out will occur Monday morning from 9-3. There will be parking on premises for food vendors.

All Vendors are aware of and will be adhering to the following criteria:

- Provide the name and address of all food suppliers and the specific food they will be providing.
- Provide a copy of the current New York City Department of Health & Mental Hygiene Permit to Operate a Food Establishment (or the appropriate jurisdiction) from each food supplier.
- Provide a list of all menu items that will be served.
- Provide metal stem type thermometers (or thermocouple type) for employees to verify food temperatures. In addition, provide alcohol swabs for cleaning thermometers in between use. Instruct employees on the proper use of thermometers.
- Verify that all food products, when picked up/received from suppliers, are at the proper temperature – 41 degrees F. for cold products and 140 degrees F. for hot products.

Products must be transported in properly insulated containers.

- Provide details on the procedures that will be implemented to ensure that when food is on display or in storage, that employees are ensuring that proper temperatures are maintained – 41 degrees F. for cold and 140 degrees F. for hot. All cold food must be displayed on ice. Ice should be at same level as food. Display type refrigeration units should be utilized if available.
- If using refrigeration units, refrigeration must be set at 33 – 38 degrees F. in order to maintain food at 41 degrees F. and must be operating at those temperatures prior to placing food inside refrigerator.
- When food is placed on display, it should be covered or protected by sneeze guards or equivalent
- Ensure that hot holding units are at the proper temperature prior to displaying food.
- Limit the amount of food on display.
- Provide sanitizing stations by serving area for employees. Employees must be provided with gloves. The gloves should be changed frequently and employees should use the sanitizer when changing gloves.
- Employees should wear hair restraints and clean outer clothing (disposable aprons, etc.).
- If using coolers to store food the coolers must be stored off the ground.

Alcohol Concessions Plan

BBC
best beverage catering

Balearic Entertainment
Pier 9 Brooklyn, New York
October 11th and 12th, 2014
Approximately 8000 attendees each day

BBC is a licensed and insured full-service beverage catering company equipped to accommodate any type or size event throughout the United States. We provide services to special event industry professionals, sports & music promoters, private individuals and non-profits. BBC has diversified into operating daily food service in cafes and restaurants. Our greatest growth has been in all types of complete concessions services.

BBC has set the industry standard for producing the highest grossing & most comprehensive concessions programs for festivals across the nation. We have developed staff, specialized equipment, various styles of food & beverage presentations and the expertise needed to take the risk factor out of the equation.

BBC will work with Balearic Entertainment to help create a customized and unique food & beverage area at the Escape Music Festival. Our goal is to provide quality food, and consistent service. In addition to our extensive and veteran pool of vendors, we will work together to source local, NY based vendors & restaurants, to fit the needs of the event.

ESCAPE MUSIC FESTIVAL
October 11-12, 2014
DRAFT OPERATIONS PLAN

Our priorities in this partnership are as follows:

- Compliance with the Department of Alcohol and Beverage Control (SLA);
- Consistency in service with trained, professional bar staff;
- Liquor and General Liability Insurance, ($10m)
- Removing the responsibility of Alcohol liability from client and venue;
- Shared responsibility in sales and marketing efforts;
- Customized beverage catering services

SAMPLE ALCOHOL MANAGEMENT PLAN

- All staff serving alcoholic beverages will be 21 years of age or older
- There will be several ID-Check Stations throughout the event.
- Each guest over 21 will be wristbanded. Only guests with wristbands will be served an alcoholic beverage.
- Different color wrist bands for participants 21 years of age or older.
- There will be roaming security guards combing the event to ensure only guests with wristbands are consuming alcoholic beverages.
- Two alcoholic beverages per guest per visit.
- Intoxicated guests will not be served alcoholic beverages.
- There will be distinctive cups for alcoholic beverages vs. non-alcoholic beverages
- Non-alcoholic beverages will be available at every Point-of-Sale.
- Food stations throughout the event.
- The event producers will provide security guards and police officers for the overall event.

All PA event food safety guidelines will be adhere to, for any food safety related information or questions please contact

ESCAPE MUSIC FESTIVAL
October 11-12, 2014
DRAFT OPERATIONS PLAN

SECURITY PLAN

ESCAPE MUSIC SERIES 2014 SUPPORT STAFF PLAN

CSS Support staff has been providing event support staff services for over thirty eight years in the tri-state region and has been recognized a valuable partner in event planning and implementation process.
The CSS support staff team provides fully screened and highly trained personnel who are experienced in the field of Special Events. The CSS Director will be on site to provide overall support staff coordination.
All support staff members of CSS are registered with the New York State Division of Criminal Justice. Each licensed support staff member has attended and passed the New York State mandated curriculum, pass a criminal background check, maintained a clean criminal record, attended the required annual New York State training class and received many additional hours of company and site specific training.
After visiting the Red Hook Container Terminal, surveying the neighborhood, reviewing the site plans, meeting the terminal operator, event promoter, NYNJ Port Authority Police a preliminary support staff and safety plan has been created. This plan will be update after the final overall event plan is completed

Audience Load In

Entrance Line Control.
The main entrance will be through the gate at where Degraw Street meets the terminal property line. The area inside the gate will be large enough to create a cue the line on the Red Hood Container Terminal Property. A soft check for tickets will be conducted at that point to minimize un-ticketed patrons from entering the cue line. Inside the property, metal barricade may be used to create a serpentine chute which will allow guests to experience progress as they advance. This cue system will greatly reduce the events impact on the local community.

Safety Check
A safety check will be administered in an effort to insure the safety of all persons entering the site.
The promoter will create a list of prohibited items. This list will be published on the website and further disseminated, in advance of the event, to ticket holders via email. On event day, large signs listing the prohibited items will be visible for all attendees to see

prior to entering the search area. This notification will allow guests to voluntarily leave to find a safe harbor for their prohibited items. If the guest declines the opportunity to store their prohibited items site they will be required to dispose of the items in the trash bins located at the search area. This must be completed before being granted access to the event site. No provision for the return of such items will be made. The disposed items will be picked up by the trash removal team though out the course of the event.
Each attendee will be subjected to a voluntary safety inspection beginning with a bag check followed by a physical pat down. Legal prohibited items will be voluntarily disposed by the patron in the trash bins. Patrons in possession illegal prohibited items such as guns or distribution quantity of drugs, will be turned over to law enforcement for further investigation.

Ticket Takers
CSS will provide ticket scan operators. These support personnel will operated hand held tickets scanners to assure each patron has a valid ticket. Once the ticket has been scanned and validated, the holder will permitted to enter the event grounds. Patrons who have tickets which fail to validate will be sent an area known as ticket resolution. Those who cannot resolve their ticket issues will be escorted off of the property.

Alcohol Age Banding
Patrons who have entered the event and intend to consume alcoholic beverages will need to present legal government issued ID proving that they are of legal age to purchase and consume alcohol. Those who qualify will be wrist banded with an "over 21" wrist band.
Alcohol Compliance
Float teams and redeployed ID Banders will patrol the site for un-banded alcohol consumption. Persons spotted consuming alcohol will first be challenged to produce valid government issued ID which confirms they are of legal age to drink. If the ID is produced and they are in fact over 21 an "over 21" wrist band will be applied. If the individual is cannot prove they are 21 or older they will be immediately escorted off the property. Anyone who has been banded as "over 21" and is observed facilitating underage drinking will be immediately escorted off for the site.

Off Hours Security

A PPGU represented security firm will provide PPGU guards who are TWIC qualified to provide off-hours security for the venue.

Set-Up Security

A USCG approved Event Security Plan will be filed by RHCT that will designate Pier 9A (the Backstage Area) a segregated non-secure area.

- During set-up a bike rack fence will be installed from edge to edge across the pier
- A TWIC qualified PPGU guard with an unobstructed view from end to end will be posted to monitor the perimeter fence across the pier.
- The guard will have radio communication with a dispatcher who can make telephone contact with PAPD
- The guard will prevent persons who are not TWIC qualified from entering into the secure port area without a qualified escort.
- All deliveries and staff will enter RHCT via the Hamilton Ave Gate, comply with RHCT security procedures and be escorted to the backstage area

PERSON IN WATER

- All persons working within 10 feet of the water's edge during any activities are required to wear a US Coast Guard Approved Type I-III highly visible vest
- Perimeter guards will keep a constant lookout to prevent persons from crossing the perimeter safety barriers and for any signs of a person in the water.
- Emergency throwable personnel flotation devices (life rings) will be placed at the Event Staff posts in each corner of the venue perimeter of the pier, on the talent golf cart and in the EMS response cart (if provided).
- **Any and all emergencies will be reported to the PAPD by the Event Command Post**
- Emergency notification numbers for NYPD harbor, FDNY Marine Unit and USCG to be posted in Event Command Center.
    - Direct radio communications with water rescue assets thru the command center liaison to be considered
    - Immediate notification to PAPD 911 (or thru other established communications) for any report of a person in the water
- Under no circumstances is a member of the production team or any sub-contractors or vendor to enter the water.

PERSON IN WATER TRAINING – DRAFT OUTLINE

2 hours training of Event Support Staff. They will be providing security on a Pier, with possible entry of individual(s) into water, Staff will not enter water

The following is what I believe should be covered:

1. Life Jackets (the CG changed the terminology back since it never caught on with the public)
    A. Proper size
    B. How to don and secure
        1. issues if not properly worn
        2. practice and size the life jackets which will be issued to the Guards
    C. Swimming issues should they themselves fall into the water.

    Note:

    - Life Jackets should have a mirror and whistle attached; they can be Type III or Type V. I also suggest International Orange in color.
2. Rescue
    A. Notification of individual in water
    B. Reach
        1. Use of Safety Hook
        2. Securing the Rescuer
        3. "Hooking" the victim
        4. Retrieval of victim
    C. Throw
        1. Use of safety ring and heaving line
        2. Securing Bitter end before throwing
        3. "Hitting" the target (victim)
        4. Retrieval of victim
    D. Basic First Aid topics
        1. Abrasions, Punctures, Lacerations
        2. Shock
        3. Hypothermia
        4. Broken Bones

    Note:

    - You should obtain Safety Hooks with extensions that will reach 3-4' out from the pier at Mean Lower Low Water for that area.
    - You should obtain heaving Line lengths for safety ring of not less than 50 of buoyant line.
    - Some type of ladders to aid in retrieval should the victim be able to climb, otherwise in-water retrieval.

Main Medical Tent

- Nurse (2)
- Paramedic (2)
- Emergency Medical Technician (2)
- Logistics Person

Grounds

- Emergency Medical Technician Team (Stage Right)
- Emergency Medical Technician Team (Roving – Beer Garden Area)
- Emergency Medical Technician Team (Roving – West of Port-o-potties)
- Emergency Medical Technician Team (Roving – East of Stage)

Ambulances

- Ambulances located directly behind medical tent

Additional

- Command Post for Medical Dispatch

Communications

Equipment and Structure

- Medical staff will be equipped with portable two-way radios. All communication will be directed through medical dispatch (which will be located inside the First Response Command Post.)
- Medical Dispatch will be assigned a radio from event security.
- Event Security will call for medical dispatch for any emergency that requires medical attention.
- Medical Dispatch at that time will assign a unit to respond to the emergency.

Medical Response to the Patient in the Field

- Upon arrival to patient, medical staff will assess the patients condition and either transport the patient back to medical tent for further evaluation and treatment, or call for additional resources in the field.

Medical Response to Patient in Medical Tent

- Patient will be assessed by medical staff in the tent
- Treatment will be rendered onsite, unless otherwise directed by Physician
- If transport decision is made (Hospital), ambulance will take to the closest 911 receiving hospital unless otherwise instructed

Patient Treated and Cleared medically by Physician

- Depending on circumstances may be escorted off the grounds, and not permitted access back into the event

Main Medical Tent

Structure

- Walled tent for climate regulation and patient privacy
- Air Condition/Heater unit
- Ventilation system
- Perimeter barricades

Additional Staffing

- Security Personnel stationed at the opening of the barricade/tent
- Security Personnel stationed inside the tent
- Janitor assigned to main medical tent

Medical Supplies
- Advanced Life Support equipment
- Basic Life Support equipment
- First Aid Supplies
- Constant replenishment

Supplies (non-medical)
- Patient Cots
- Low Sitting Chairs
- Stretchers (4)

Additional Supplies (Promoter)
- Ice (50-100 pounds) – ability for constant replenishment
- Large Garbage Bags
- Cases of bottled water (30/Day) – ability for constant replenishment
- Large trash cans

Medical Teams (Roving)

Equipment
- Wheelchair
- Basic Life Support "Jump Bag"
- Two-Way Radio

The medical service provider will file the documentation required by NYSHD Part 18

INTOXICATED/UNRULY PERSONS

- Event Command Post to be notified
- Security Team dispatched to contain area
    - Event Support Staff are not to make physical contact with the person unless necessary to prevent injury to themselves or others
- Port Authority Police notified
- The concert has a "Zero Tolerance Policy" for unruly or intoxicated persons. Any person acting in an unruly manner will be immediately ejected from the venue with no refund or reentry.
- Persons who appear to be intoxicated are to be evaluated for medical treatment before they are escorted out of the venue.

ESCAPE MUSIC FESTIVAL
October 11-12, 2014
DRAFT OPERATIONS PLAN

EVENT DETAILS:

Balearic Entertainment is proud to announce the inaugural Escape Music Festival will take place in Brooklyn. The event will take place in the Fall of 2014 and feature 30 dance music & indie/electro rock acts on two stages over two days and nights.

EMF will be an interactive experience that integrates the artists, the music, the audience, character actors, experiential exhibits and art, and social networks into a truly unique experience. In addition, Balearic Entertainment is partnering with local vendors, restaurants, and other cultural institutions to create a world-class event that is uniquely Brooklyn.

Escape is set on a Pier in Red Hook, Brooklyn with views of the Manhattan skyline (main stage backdrop above), Governors Island and the East River.

Escape is a truly a unique experience that integrates this Brooklyn setting with the artists, the music, the fans, experiential art exhibits and a first class production. An other-worldly experience defined by a collaborative experience between you, your friends, and us.

Our mission is to create an invaluable experience and lifelong memory for you at an affordable ticket price. We will be donating 1.5% of ticket sales to local non-profits.

Re: Permission to Use the Brooklyn-Port Authority Marine Terminal – September 12-13, 2014

Port Authority Agreement Number FLM-004BP

Dear Mr. Creighton:

Subject to all the terms and conditions of this letter agreement, the Port Authority of New York and New Jersey (the "Port Authority") hereby grants permission to the permittee set forth below (the "Permittee") to use the space designated below (the "Space") for the purpose described below and for no other purpose whatsoever:

Permittee: Vice Media, Inc., a(n) Delaware corporation

Facility: Brooklyn-Port Authority Marine Terminal

Space: Pier 9A at the Red Hook Container Terminal, or such area, or areas, of the Facility as shall be designated from time to time by the Facility Manager, or his or her authorized designee.

Purpose: For the Absolut Nights Marketing Event, including filming of Absolut Night Music Video. Alcohol will be served at this event, and the Permittee shall not serve more than one (1) drink per hour to individuals. All alcohol will only be served by licensed bartenders and the Permittee will have security personnel on hand during this event. This agreement only serves this purpose, and no other purpose whatsoever.

Effective Date: September 12, 2014 at 6 o'clock a.m..

Expiration Date: September 13, 2014 at 10 o'clock p.m. unless sooner terminated in accordance with the following terms and conditions.

Minimum Administrative Charge: Forty-Two Thousand Twenty-Three Dollars and No Cents ($42,023.00).

Minimum Limits of Required Insurance Coverages:

90 Columbia Street
Brooklyn, NY 11201
T: 718 330 2950

$10,000,000.00 Commercial General Liability
$ 5,000,000.00 Automobile Liability
$ 0 Aircraft General and Aircraft Operator's Liability
$ 0 Helicopter Liability
Statutory - Workers Compensation and Employer's Liability

Facility Contact: Michael Deveney

Contact Telephone Number: 718-330-2977

1. This permission is subject to the condition that all operations and activities of the Permittee shall be conducted only at such times and under such conditions as may be approved by the Facility Manager to insure that the same can be conducted without interfering with other activities and operations at the Facility. The Permittee hereby agrees not to use or have any equipment or permit any condition to exist or to conduct the Permittee's operations or activities so as to interfere with or compromise the safe and efficient operation of the Facility. The Permittee shall contact the above named Facility staff member at the telephone number listed above prior to the Effective Date hereof to coordinate all details of the proposed use of the Space.

2. If the Port Authority, in its sole discretion, determines that any of the Permittee's activities in the Space or at the Facility interfere with other activities and operations at the Facility, the Permittee shall immediately cease all operations hereunder.

3. The Permittee is granted the use of the Space hereunder on a non-exclusive basis and acknowledges that it may occupy the Space contemporaneously with use thereof by the general public and other lessees or permittees of the Port Authority at the Facility.

4. (a) The Permittee hereby agrees to pay to the Port Authority the greater of (i) the sum of (x) one hundred forty percent (140%) of all Port Authority costs and expenses resulting from or incurred in connection with its operations or activities hereunder including, but not limited to, wages and materials (the "Port Authority Costs") and (y) the daily facility use charge, if any, for the operations and activities of the Permittee as contemplated hereunder as such charge is determined by the Facility Manager (the "Facility Use Charge") and (ii) the Minimum Administrative Charge set forth above.

(b) Upon the Permittee's execution and delivery of this agreement, the Permittee shall pay to the Port Authority the Minimum Administrative Charge set forth above. At the conclusion of the Permittee's operations hereunder, the Port Authority will determine all of the Port Authority Costs in connection with the Permittee's operations and activities hereunder. If the sum of the Port Authority Costs and the Facility Use Charge, if any, is in excess of the said Minimum Administrative Charge, then the Permittee shall pay such excess to the Port Authority upon demand. In the event the Minimum Administrative Charge is less than the sum of the Port Authority Costs and the Facility Use Charge, if any, the Permittee understands and agrees that it shall not be entitled to any refund, credit or allowance.

5. (a) The Permittee acknowledges that the Port Authority shall have no obligation to keep the Space, or any portion thereof, guarded, attended or patrolled and the Permittee further acknowledges that the Port Authority will have no liability of any kind whatsoever for loss, theft or damage of or to any property, equipment or materials of the Permittee or for which the Permittee is responsible placed or installed on or in the Space or elsewhere at the Facility. Without limiting the foregoing, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees of and from any and all claims and demands including claims and demands of third persons for loss, theft or damage of or to any property, equipment or materials of the Permittee, or for which the Permittee is responsible, placed or installed on or in the Space or elsewhere at the Facility. In addition to the foregoing, the Permittee shall be the insurer of the Port Authority against the risk of loss or damage arising out of the Permittee's operations to any Port Authority fixtures, equipment and personal property which are a part of or are located in or on the Space and shall promptly replace or repair the same within five (5) days of such loss or damage. Further, the Permittee shall repair, replace or rebuild all or any part of the Space or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee or those of its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Facility. The Port Authority shall have no duty of repair or maintenance as to the Space or any fixtures, equipment or personal property which is located in or on the Space and the Permittee shall accept the same in their "as is" condition.

(b) The Permittee hereby assumes all risks involved in the use of the Space and the Facility under this agreement and the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from any and all claims and demands of third parties including, but not limited to, those for personal injuries (including death) and for property damages arising out of or resulting from the Permittee's operations at the Space and the Facility under this agreement or arising out of or resulting from any acts or omissions hereunder on the part of the Permittee, its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Space and the Facility.

6. (a) The Permittee in its name as insured shall secure and pay the premium on a policy of Commercial General Liability Insurance including, but not limited to Premises-Operations and Products-Completed Operations with a Contractual Liability Endorsement for such coverage as shall be stipulated by the Port Authority covering the Permittee's operations hereunder which insurance shall be in the minimum limit as set forth on the first page of this agreement, for each occurrence bodily injury and property damage. In addition, included in the abovementioned policy shall be Automobile Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired vehicles. Further, included in the abovementioned policy shall be Aircraft General Liability and Aircraft Operator's Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired aircraft. In addition, included in the above policy shall be Helicopter Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily

injury or property damage liability including, but not limited to, owned, non-owned and hired helicopters including passenger helicopters. In addition to the insurance required by this paragraph, the Permittee shall maintain in effect during the entire period hereunder Worker's Compensation Insurance and Employer's Liability Insurance coverage providing full benefits as required by law. The Port Authority shall be named as an additional insured in each such policy required by this agreement, except for Worker's Compensation Insurance and Employer's Liability Insurance, unless the Port Authority directs otherwise, and shall contain a provision that the policies may not be cancelled, terminated or modified without thirty (30) days' written notice to the Port Authority.

(b) As to any insurance required hereunder, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, and all required endorsements, or binders, together with a certificate of Workers' Compensation Insurance, shall be delivered to the Port Authority, Risk Financing Division, 225 Park Avenue South, 12th Floor, New York, New York 10003, Attn: Certificate Review, at least five (5) days prior to the Effective Date hereof. Each policy of insurance required hereunder shall contain a provision that the insurer shall not, without obtaining the express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(c) The policies referred to in this paragraph shall contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded to the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and against the Port Authority by the Permittee, but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(d) The policies referred to in this paragraph must be specifically endorsed to provide that the policy may not be canceled, terminated, or modified without thirty (30) days' written notice to the Port Authority of New York and New Jersey, General Manager, Risk Financing, at the address above.

7. Prior to the Effective Date hereof, the Permittee shall promptly supply, in detail, information regarding the nature of the activities contemplated to be performed hereunder and such other information regarding the Permittee's operations and activities hereunder as the Port Authority may reasonably request including, but not limited to, information regarding equipment and other property to be used by the Permittee in its operations or activities at the Facility. The Permittee agrees not to use any equipment or property to which the Port Authority may object and shall change the location of such property or equipment to another location if so directed by the Port Authority. Under no circumstances will the Permittee be permitted to use any hazardous equipment or materials including, but not limited to, firearms and explosives. Failure on the part of the Port Authority to object to the Permittee's operations or activities or to the use of any equipment or property or its location shall not be deemed

to be an approval thereof and the Permittee acknowledges that the Port Authority undertakes no duties or responsibilities of any kind in connection with information supplied by the Permittee and shall have no liability in connection therewith. Under the terms and provisions of this agreement, the Permittee shall not and shall not be permitted to engage in any operations or activities at any area at the Facility unless such operations or activities have been authorized by the Port Authority. The Permittee hereby acknowledges and agrees that all of its operations and activities at the Space and at the Facility shall be conducted at the highest degree of safety and care and be in strict conformity with procedures as may be established by the Port Authority.

8. Without the express written permission of the Port Authority, the Permittee shall not film, videotape or photograph or permit to be filmed, videotaped or photographed any scene or sequence identifying the Facility or any other Port Authority facility (or depicting any aspect thereof). The Permittee shall not use or permit the use in any scene of any vehicles, uniforms, signs or posters or dialogue, which in any way bear or carry the name of the Facility or the name of any other Port Authority facility.

9. The Permittee shall observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations or activities of the Permittee hereunder. The Permittee shall observe and obey (and to compel its officers, employees, agents, contractors, guests, invitees and those doing business with it to observe and obey) the Rules and Regulations of the Port Authority (a copy of which is available from the Facility Manager) for the government of the Permittee's conduct and operations and activities at the Facility. The operations and activities of the Permittee and those of its officers, employees, agents, contractors, guests, invitees and those doing business with it shall be conducted in an orderly and proper manner so as not to annoy, disturb or be offensive to others at the Facility or interfere with the operations of the Facility and shall be in compliance with all procedures and directives established by the Manager of the Facility or his or her authorized designee. Further, the Permittee shall comply with any directives of the Facility Manager or his or her authorized designee.

10. All property, materials and equipment placed or installed in the Space by the Permittee pursuant to this agreement shall be removed therefrom immediately upon the expiration or earlier termination of this agreement.

11. This agreement may be terminated by the Port Authority without cause upon two (2) days' notice, however the Port Authority may immediately terminate this agreement if the Permittee shall fail to observe or is not in compliance with any of the terms and conditions of this agreement. Termination shall not relieve the Permittee of any obligations, which have accrued on or prior to termination.

12. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach hereof.

13. This agreement constitutes the entire agreement of the parties on the subject matter and may be amended only in writing signed by the parties.

This agreement is forwarded in duplicate. If the terms of the agreement herein contained are satisfactory, the original and duplicate copy of this agreement should be signed by an authorized officer of the Permittee and returned promptly to the Port Authority. The return to the Permittee of a copy of this agreement executed on behalf of the Port Authority will place it into effect.

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY

By for Richard M. Larrabee

(Title) Director, Port Commerce Dept

Approved and accepted this 4th day of September, 2014:

Vice Media, Inc.

Port Authority Use Only:	
Approval as to Terms:	Approval as to Form:
MJD WR	

By

Print Name: Andrew Creighton

(Title) President

Rider
Permission for Vice Media, Inc. to conduct filming at Brooklyn-Port Authority Marine Terminal September 12-13, 2014

Dated: September 9, 2014

This Rider is made a part of the letter agreement, ala Permit, dated September 9, 2014, bearing number FLM-004BP (the "Permit") granting Vice Media, Inc. (the "Permittee") permission to conduct filming at Brooklyn-Port Authority Marine Terminal on September 12-13, 2014 by the Port Authority of New York and New Jersey (the "Port Authority") for the purposes described in the Permit. All terms used herein and not defined herein shall have the meaning ascribed to such terms in the Permit.

The parties agree to modify the terms of the Permit as follows:

1. Paragraph 14: the following is added as Paragraph 14 of the Permit:

   "14. This Permit and any claim, dispute or controversy arising out of, under or related to this Permit, the relationship of the parties hereunder, and/or the interpretation and enforcement of the rights and obligation of the parties hereunder shall be governed by, interpreted and construed in accordance with the laws of the State of New York, without regard to choice of law principles. The Permittee and the Port Authority agree that any action at law or equity arising out of this Permit, including to enforce the terms of this Permit or to seek a remedy for breach thereof, shall be brought in a court of competent jurisdiction located in the County of Kings of the State of New York, and the Permittee and the Port Authority agree that neither party will object to any such action being brought in such court on the ground that the court lacks personal jurisdiction, or that venue is improper or inconvenient."

Mr. Andrew Creighton
President
Vice Media, Inc.
90 North 11th Street
Brooklyn, NY 11211

Re: Permission to Use the Brooklyn-Port Authority Marine Terminal – September 12-13, 2014

Port Authority Agreement Number FLM-004BP

Dear Mr. Creighton:

Subject to all the terms and conditions of this letter agreement, the Port Authority of New York and New Jersey (the "Port Authority") hereby grants permission to the permittee set forth below (the "Permittee") to use the space designated below (the "Space") for the purpose described below and for no other purpose whatsoever:

Permittee:	Vice Media, Inc., a(n) Delaware corporation
Facility:	Brooklyn-Port Authority Marine Terminal
Space:	Pier 9A at the Red Hook Container Terminal, or such area, or areas, of the Facility as shall be designated from time to time by the Facility Manager, or his or her authorized designee.
Purpose:	For the Absolut Nights Marketing Event, including filming of Absolut Night Music Video. Alcohol will be served at this event, and the Permittee shall not serve more than one (1) drink per hour to individuals. All alcohol will only be served by licensed bartenders and the Permittee will have security personnel on hand during this event. This agreement only serves this purpose, and no other purpose whatsoever.
Effective Date:	September 12, 2014 at 6 o'clock a.m..
Expiration Date:	September 13, 2014 at 10 o'clock p.m. unless sooner terminated in accordance with the following terms and conditions.
Minimum Administrative Charge:	Forty-Two Thousand Twenty-Three Dollars and No Cents ($42,023.00).

Minimum Limits of Required Insurance Coverages:

$10,000,000.00 Commercial General Liability
$ 5,000,000.00 Automobile Liability
$ 0 Aircraft General and Aircraft Operator's Liability
$ 0 Helicopter Liability
Statutory - Workers Compensation and Employer's Liability

Facility Contact: Michael Deveney

Contact Telephone Number: 718-330-2977

1. This permission is subject to the condition that all operations and activities of the Permittee shall be conducted only at such times and under such conditions as may be approved by the Facility Manager to insure that the same can be conducted without interfering with other activities and operations at the Facility. The Permittee hereby agrees not to use or have any equipment or permit any condition to exist or to conduct the Permittee's operations or activities so as to interfere with or compromise the safe and efficient operation of the Facility. The Permittee shall contact the above named Facility staff member at the telephone number listed above prior to the Effective Date hereof to coordinate all details of the proposed use of the Space.

2. If the Port Authority, in its sole discretion, determines that any of the Permittee's activities in the Space or at the Facility interfere with other activities and operations at the Facility, the Permittee shall immediately cease all operations hereunder.

3. The Permittee is granted the use of the Space hereunder on a non-exclusive basis and acknowledges that it may occupy the Space contemporaneously with use thereof by the general public and other lessees or permittees of the Port Authority at the Facility.

4. (a) The Permittee hereby agrees to pay to the Port Authority the greater of (i) the sum of (x) one hundred forty percent (140%) of all Port Authority costs and expenses resulting from or incurred in connection with its operations or activities hereunder including, but not limited to, wages and materials (the "Port Authority Costs") and (y) the daily facility use charge, if any, for the operations and activities of the Permittee as contemplated hereunder as such charge is determined by the Facility Manager (the "Facility Use Charge") and (ii) the Minimum Administrative Charge set forth above.

(b) Upon the Permittee's execution and delivery of this agreement, the Permittee shall pay to the Port Authority the Minimum Administrative Charge set forth above. At the conclusion of the Permittee's operations hereunder, the Port Authority will determine all of the Port Authority Costs in connection with the Permittee's operations and activities hereunder. If the sum of the Port Authority Costs and the Facility Use Charge, if any, is in excess of the said Minimum Administrative Charge, then the Permittee shall pay such excess to the Port Authority upon demand. In the event the Minimum Administrative Charge is less than the sum of the Port

Authority Costs and the Facility Use Charge, if any, the Permittee understands and agrees that it shall not be entitled to any refund, credit or allowance.

5. (a) The Permittee acknowledges that the Port Authority shall have no obligation to keep the Space, or any portion thereof, guarded, attended or patrolled and the Permittee further acknowledges that the Port Authority will have no liability of any kind whatsoever for loss, theft or damage of or to any property, equipment or materials of the Permittee or for which the Permittee is responsible placed or installed on or in the Space or elsewhere at the Facility. Without limiting the foregoing, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees of and from any and all claims and demands including claims and demands of third persons for loss, theft or damage of or to any property, equipment or materials of the Permittee, or for which the Permittee is responsible, placed or installed on or in the Space or elsewhere at the Facility. In addition to the foregoing, the Permittee shall be the insurer of the Port Authority against the risk of loss or damage arising out of the Permittee's operations to any Port Authority fixtures, equipment and personal property which are a part of or are located in or on the Space and shall promptly replace or repair the same within five (5) days of such loss or damage. Further, the Permittee shall repair, replace or rebuild all or any part of the Space or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee or those of its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Facility. The Port Authority shall have no duty of repair or maintenance as to the Space or any fixtures, equipment or personal property which is located in or on the Space and the Permittee shall accept the same in their "as is" condition.

(b) The Permittee hereby assumes all risks involved in the use of the Space and the Facility under this agreement and the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from any and all claims and demands of third parties including, but not limited to, those for personal injuries (including death) and for property damages arising out of or resulting from the Permittee's operations at the Space and the Facility under this agreement or arising out of or resulting from any acts or omissions hereunder on the part of the Permittee, its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Space and the Facility.

6. (a) The Permittee in its name as insured shall secure and pay the premium on a policy of Commercial General Liability Insurance including, but not limited to Premises-Operations and Products-Completed Operations with a Contractual Liability Endorsement for such coverage as shall be stipulated by the Port Authority covering the Permittee's operations hereunder which insurance shall be in the minimum limit as set forth on the first page of this agreement, for each occurrence bodily injury and property damage. In addition, included in the abovementioned policy shall be Automobile Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired vehicles. Further, included in the abovementioned policy shall be Aircraft General Liability and Aircraft Operator's Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired aircraft. In addition, included

in the above policy shall be Helicopter Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury or property damage liability including, but not limited to, owned, non-owned and hired helicopters including passenger helicopters. In addition to the insurance required by this paragraph, the Permittee shall maintain in effect during the entire period hereunder Worker's Compensation Insurance and Employer's Liability Insurance coverage providing full benefits as required by law. The Port Authority shall be named as an additional insured in each such policy required by this agreement, except for Worker's Compensation Insurance and Employer's Liability Insurance, unless the Port Authority directs otherwise, and shall contain a provision that the policies may not be cancelled, terminated or modified without thirty (30) days' written notice to the Port Authority.

(b) As to any insurance required hereunder, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, and all required endorsements, or binders, together with a certificate of Workers' Compensation Insurance, shall be delivered to the Port Authority, Risk Financing Division, 225 Park Avenue South, 12th Floor, New York, New York 10003, Attn: Certificate Review, at least five (5) days prior to the Effective Date hereof. Each policy of insurance required hereunder shall contain a provision that the insurer shall not, without obtaining the express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(c) The policies referred to in this paragraph shall contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded to the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and against the Port Authority by the Permittee, but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(d) The policies referred to in this paragraph must be specifically endorsed to provide that the policy may not be canceled, terminated, or modified without thirty (30) days' written notice to the Port Authority of New York and New Jersey, General Manager, Risk Financing, at the address above.

7. Prior to the Effective Date hereof, the Permittee shall promptly supply, in detail, information regarding the nature of the activities contemplated to be performed hereunder and such other information regarding the Permittee's operations and activities hereunder as the Port Authority may reasonably request including, but not limited to, information regarding equipment and other property to be used by the Permittee in its operations or activities at the Facility. The Permittee agrees not to use any equipment or property to which the Port Authority may object and shall change the location of such property or equipment to another location if so directed by the Port Authority. Under no circumstances will the Permittee be permitted to use any hazardous equipment or materials including, but not limited to, firearms and explosives.

Failure on the part of the Port Authority to object to the Permittee's operations or activities or to the use of any equipment or property or its location shall not be deemed to be an approval thereof and the Permittee acknowledges that the Port Authority undertakes no duties or responsibilities of any kind in connection with information supplied by the Permittee and shall have no liability in connection therewith. Under the terms and provisions of this agreement, the Permittee shall not and shall not be permitted to engage in any operations or activities at any area at the Facility unless such operations or activities have been authorized by the Port Authority. The Permittee hereby acknowledges and agrees that all of its operations and activities at the Space and at the Facility shall be conducted at the highest degree of safety and care and be in strict conformity with procedures as may be established by the Port Authority.

8. Without the express written permission of the Port Authority, the Permittee shall not film, videotape or photograph or permit to be filmed, videotaped or photographed any scene or sequence identifying the Facility or any other Port Authority facility (or depicting any aspect thereof). The Permittee shall not use or permit the use in any scene of any vehicles, uniforms, signs or posters or dialogue, which in any way bear or carry the name of the Facility or the name of any other Port Authority facility.

9. The Permittee shall observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations or activities of the Permittee hereunder. The Permittee shall observe and obey (and to compel its officers, employees, agents, contractors, guests, invitees and those doing business with it to observe and obey) the Rules and Regulations of the Port Authority (a copy of which is available from the Facility Manager) for the government of the Permittee's conduct and operations and activities at the Facility. The operations and activities of the Permittee and those of its officers, employees, agents, contractors, guests, invitees and those doing business with it shall be conducted in an orderly and proper manner so as not to annoy, disturb or be offensive to others at the Facility or interfere with the operations of the Facility and shall be in compliance with all procedures and directives established by the Manager of the Facility or his or her authorized designee. Further, the Permittee shall comply with any directives of the Facility Manager or his or her authorized designee.

10. All property, materials and equipment placed or installed in the Space by the Permittee pursuant to this agreement shall be removed therefrom immediately upon the expiration or earlier termination of this agreement.

11. This agreement may be terminated by the Port Authority without cause upon two (2) days' notice, however the Port Authority may immediately terminate this agreement if the Permittee shall fail to observe or is not in compliance with any of the terms and conditions of this agreement. Termination shall not relieve the Permittee of any obligations, which have accrued on or prior to termination.

12. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach hereof.

13. This agreement constitutes the entire agreement of the parties on the subject matter and may be amended only in writing signed by the parties.

This agreement is forwarded in duplicate. If the terms of the agreement herein contained are satisfactory, the original and duplicate copy of this agreement should be signed by an authorized officer of the Permittee and returned promptly to the Port Authority. The return to the Permittee of a copy of this agreement executed on behalf of the Port Authority will place it into effect.

See PA Law following comments and advise:

Please note, Vice Media, Inc. is suggested to be a New York corporation, but it is not registered with the State (nor with NJ). Please check on the State where the company is organized. (If they remain unregistered in NYS, a Rider will have to be added to the agreement.) Please also note, the only signatory on behalf of a corporation we accept without further demonstration of signatory authority is President or Vice-President.

Thanks

September 5, 2014

Mr. Rick Waterlow
Chief Operating Officer
Vice Media, Inc.
90 North 11th Street
Brooklyn, NY 11211

Re: Permission to Use the Brooklyn-Port Authority Marine Terminal – September 12-13, 2014

Port Authority Agreement Number FLM-004BP

Dear Mr. Waterlow:

Subject to all the terms and conditions of this letter agreement, the Port Authority of New York and New Jersey (the "Port Authority") hereby grants permission to the permittee set forth below (the "Permittee") to use the space designated below (the "Space") for the purpose described below and for no other purpose whatsoever:

Permittee: Vice Media, Inc., a(n) New York corporation

Facility: Brooklyn-Port Authority Marine Terminal

Space: Pier 9A at the Red Hook Container Terminal, or such area, or areas, of the Facility as shall be designated from time to time by the Facility Manager, or his or her authorized designee.

Purpose: For the Absolut Nights Marketing Event, including filming of Absolut Night Music Video, and no other purpose whatsoever.

Effective Date: September 12, 2014 at 6 o'clock a.m..

Expiration Date: September 13, 2014 at 10 o'clock p.m. unless sooner terminated in accordance with the following terms and conditions.

Minimum Administrative Charge: Forty-Two Thousand Twenty-Three Dollars and No Cents ($42,023.00).

Minimum Limits of Required Insurance Coverages:
$10,000,000.00 Commercial General Liability
$ 5,000,000.00 Automobile Liability
$ 0 Aircraft General and Aircraft Operator's Liability
$ 0 Helicopter Liability

Statutory - Workers Compensation and Employer's Liability

Facility Contact: Michael Deveney

Contact Telephone Number: 718-330-2977

1. This permission is subject to the condition that all operations and activities of the Permittee shall be conducted only at such times and under such conditions as may be approved by the Facility Manager to insure that the same can be conducted without interfering with other activities and operations at the Facility. The Permittee hereby agrees not to use or have any equipment or permit any condition to exist or to conduct the Permittee's operations or activities so as to interfere with or compromise the safe and efficient operation of the Facility. The Permittee shall contact the above named Facility staff member at the telephone number listed above prior to the Effective Date hereof to coordinate all details of the proposed use of the Space.

2. If the Port Authority, in its sole discretion, determines that any of the Permittee's activities in the Space or at the Facility interfere with other activities and operations at the Facility, the Permittee shall immediately cease all operations hereunder.

3. The Permittee is granted the use of the Space hereunder on a non-exclusive basis and acknowledges that it may occupy the Space contemporaneously with use thereof by the general public and other lessees or permittees of the Port Authority at the Facility.

4. (a) The Permittee hereby agrees to pay to the Port Authority the greater of (i) the sum of (x) one hundred forty percent (140%) of all Port Authority costs and expenses resulting from or incurred in connection with its operations or activities hereunder including, but not limited to, wages and materials (the "Port Authority Costs") and (y) the daily facility use charge, if any, for the operations and activities of the Permittee as contemplated hereunder as such charge is determined by the Facility Manager (the "Facility Use Charge") and (ii) the Minimum Administrative Charge set forth above.

(b) Upon the Permittee's execution and delivery of this agreement, the Permittee shall pay to the Port Authority the Minimum Administrative Charge set forth above. At the conclusion of the Permittee's operations hereunder, the Port Authority will determine all of the Port Authority Costs in connection with the Permittee's operations and activities hereunder. If the sum of the Port Authority Costs and the Facility Use Charge, if any, is in excess of the said Minimum Administrative Charge, then the Permittee shall pay such excess to the Port Authority upon demand. In the event the Minimum Administrative Charge is less than the sum of the Port Authority Costs and the Facility Use Charge, if any, the Permittee understands and agrees that it shall not be entitled to any refund, credit or allowance.

5. (a) The Permittee acknowledges that the Port Authority shall have no obligation to keep the Space, or any portion thereof, guarded, attended or patrolled and the Permittee further acknowledges that the Port Authority will have no

liability of any kind whatsoever for loss, theft or damage of or to any property, equipment or materials of the Permittee or for which the Permittee is responsible placed or installed on or in the Space or elsewhere at the Facility. Without limiting the foregoing, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees of and from any and all claims and demands including claims and demands of third persons for loss, theft or damage of or to any property, equipment or materials of the Permittee, or for which the Permittee is responsible, placed or installed on or in the Space or elsewhere at the Facility. In addition to the foregoing, the Permittee shall be the insurer of the Port Authority against the risk of loss or damage arising out of the Permittee's operations to any Port Authority fixtures, equipment and personal property which are a part of or are located in or on the Space and shall promptly replace or repair the same within five (5) days of such loss or damage. Further, the Permittee shall repair, replace or rebuild all or any part of the Space or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee or those of its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Facility. The Port Authority shall have no duty of repair or maintenance as to the Space or any fixtures, equipment or personal property which is located in or on the Space and the Permittee shall accept the same in their "as is" condition.

(b) The Permittee hereby assumes all risks involved in the use of the Space and the Facility under this agreement and the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from any and all claims and demands of third parties including, but not limited to, those for personal injuries (including death) and for property damages arising out of or resulting from the Permittee's operations at the Space and the Facility under this agreement or arising out of or resulting from any acts or omissions hereunder on the part of the Permittee, its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Space and the Facility.

6. (a) The Permittee in its name as insured shall secure and pay the premium on a policy of Commercial General Liability Insurance including, but not limited to Premises-Operations and Products-Completed Operations with a Contractual Liability Endorsement for such coverage as shall be stipulated by the Port Authority covering the Permittee's operations hereunder which insurance shall be in the minimum limit as set forth on the first page of this agreement, for each occurrence bodily injury and property damage. In addition, included in the abovementioned policy shall be Automobile Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired vehicles. Further, included in the abovementioned policy shall be Aircraft General Liability and Aircraft Operator's Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired aircraft. In addition, included in the above policy shall be Helicopter Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury or property damage liability including, but not limited to, owned, non-owned and hired helicopters including passenger helicopters. In addition to the insurance required by this paragraph, the Permittee shall maintain in effect during the entire period hereunder Worker's Compensation Insurance and Employer's Liability Insurance

coverage providing full benefits as required by law. The Port Authority shall be named as an additional insured in each such policy required by this agreement, except for Worker's Compensation Insurance and Employer's Liability Insurance, unless the Port Authority directs otherwise, and shall contain a provision that the policies may not be cancelled, terminated or modified without thirty (30) days' written notice to the Port Authority.

(b) As to any insurance required hereunder, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, and all required endorsements, or binders, together with a certificate of Workers' Compensation Insurance, shall be delivered to the Port Authority, Risk Financing Division, 225 Park Avenue South, 12th Floor, New York, New York 10003, Attn: Certificate Review, at least five (5) days prior to the Effective Date hereof. Each policy of insurance required hereunder shall contain a provision that the insurer shall not, without obtaining the express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(c) The policies referred to in this paragraph shall contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded to the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and against the Port Authority by the Permittee, but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(d) The policies referred to in this paragraph must be specifically endorsed to provide that the policy may not be canceled, terminated, or modified without thirty (30) days' written notice to the Port Authority of New York and New Jersey, General Manager, Risk Financing, at the address above.

7. Prior to the Effective Date hereof, the Permittee shall promptly supply, in detail, information regarding the nature of the activities contemplated to be performed hereunder and such other information regarding the Permittee's operations and activities hereunder as the Port Authority may reasonably request including, but not limited to, information regarding equipment and other property to be used by the Permittee in its operations or activities at the Facility. The Permittee agrees not to use any equipment or property to which the Port Authority may object and shall change the location of such property or equipment to another location if so directed by the Port Authority. Under no circumstances will the Permittee be permitted to use any hazardous equipment or materials including, but not limited to, firearms and explosives. Failure on the part of the Port Authority to object to the Permittee's operations or activities or to the use of any equipment or property or its location shall not be deemed to be an approval thereof and the Permittee acknowledges that the Port Authority undertakes no duties or responsibilities of any kind in connection with information supplied by the Permittee and shall have no liability in connection therewith. Under the terms and provisions of this agreement, the Permittee shall not and shall not be

permitted to engage in any operations or activities at any area at the Facility unless such operations or activities have been authorized by the Port Authority. The Permittee hereby acknowledges and agrees that all of its operations and activities at the Space and at the Facility shall be conducted at the highest degree of safety and care and be in strict conformity with procedures as may be established by the Port Authority.

8. Without the express written permission of the Port Authority, the Permittee shall not film, videotape or photograph or permit to be filmed, videotaped or photographed any scene or sequence identifying the Facility or any other Port Authority facility (or depicting any aspect thereof). The Permittee shall not use or permit the use in any scene of any vehicles, uniforms, signs or posters or dialogue, which in any way bear or carry the name of the Facility or the name of any other Port Authority facility.

9. The Permittee shall observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations or activities of the Permittee hereunder. The Permittee shall observe and obey (and to compel its officers, employees, agents, contractors, guests, invitees and those doing business with it to observe and obey) the Rules and Regulations of the Port Authority (a copy of which is available from the Facility Manager) for the government of the Permittee's conduct and operations and activities at the Facility. The operations and activities of the Permittee and those of its officers, employees, agents, contractors, guests, invitees and those doing business with it shall be conducted in an orderly and proper manner so as not to annoy, disturb or be offensive to others at the Facility or interfere with the operations of the Facility and shall be in compliance with all procedures and directives established by the Manager of the Facility or his or her authorized designee. Further, the Permittee shall comply with any directives of the Facility Manager or his or her authorized designee.

10. All property, materials and equipment placed or installed in the Space by the Permittee pursuant to this agreement shall be removed therefrom immediately upon the expiration or earlier termination of this agreement.

11. This agreement may be terminated by the Port Authority without cause upon two (2) days' notice, however the Port Authority may immediately terminate this agreement if the Permittee shall fail to observe or is not in compliance with any of the terms and conditions of this agreement. Termination shall not relieve the Permittee of any obligations, which have accrued on or prior to termination.

12. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach hereof.

13. This agreement constitutes the entire agreement of the parties on the subject matter and may be amended only in writing signed by the parties.

This agreement is forwarded in duplicate. If the terms of the agreement herein contained are satisfactory, the original and duplicate copy of this agreement should be signed by an authorized officer of the Permittee and returned promptly to the Port Authority. The return to the Permittee of a copy of this agreement executed on behalf of the Port Authority will place it into effect.

Re: Permission to Use the Brooklyn-Port Authority Marine Terminal – September 12, 2014

Port Authority Agreement Number FLM-004BP

Dear Mr. Waterlow:

Subject to all the terms and conditions of this letter agreement, the Port Authority of New York and New Jersey (the "Port Authority") hereby grants permission to the permittee set forth below (the "Permittee") to use the space designated below (the "Space") for the purpose described below and for no other purpose whatsoever:

Permittee: Vice Media, Inc., a(n) New York corporation

Facility: Brooklyn-Port Authority Marine Terminal

Space: Pier 9A at Red Hook Container Terminal, or such area, or areas, of the Facility as shall be designated from time to time by the Facility Manager, or his or her authorized designee.

Purpose: For the performance of motion picture filming, videotaping and /or still photography and no other purpose whatsoever.

Effective Date: September 12, 2014 at 7 o'clock p.m.

Expiration Date: September 12, 2014 at 11 o'clock p.m. unless sooner terminated in accordance with the following terms and conditions.

Minimum Administrative Charge: Thirty-Five Thousand Nine Hundred Seventy-One Dollars and No Cents ($35,971.00).

Minimum Limits of Required Insurance Coverages:
$10,000,000.00 Commercial General Liability
$ 5,000,000.00 Automobile Liability
$ 0 Aircraft General and Aircraft Operator's Liability
$ 0 Helicopter Liability
Statutory - Workers Compensation and Employer's Liability

Facility Contact: Michael Deveney

Contact Telephone Number: (718) 330-2977

1. This permission is subject to the condition that all filming, videotaping or photography operations of the Permittee shall be conducted only at such times and under such conditions as may be approved by the Facility Manager to insure that the same can be conducted without interfering with other activities and operations at the Facility. The Permittee hereby agrees not to use or have any equipment or permit any condition to exist or to conduct the Permittee's operations or activities so as to interfere with or compromise the safe and efficient operation of the Facility. The Permittee shall contact the above named Facility staff member at the telephone number listed above prior to the Effective Date hereof to coordinate all details of the proposed use of the Space.

2. If the Port Authority, in its sole discretion, determines that any of the Permittee's activities in the Space or at the Facility interfere with other activities and operations at the Facility, the Permittee shall immediately cease all operations hereunder.

3. The Permittee is granted the use of the Space hereunder on a non-exclusive basis and acknowledges that it may occupy the Space contemporaneously with use thereof by the general public and other lessees or permittees of the Port Authority at the Facility.

4. (a) The Permittee hereby agrees to pay to the Port Authority the greater of (i) the sum of (x) one hundred forty percent (140%) of all Port Authority costs and expenses resulting from or incurred in connection with its operations or activities hereunder including, but not limited to, wages and materials (the "Port Authority Costs") and (y) the daily facility use charge, if any, for filming, videotaping or photography as such charge is determined by the Facility Manager (the "Facility Use Charge") and (ii) the Minimum Administrative Charge set forth above.

(b) Upon the Permittee's execution and delivery of this agreement, the Permittee shall pay to the Port Authority the Minimum Administrative Charge set forth above. At the conclusion of the Permittee's operations hereunder, the Port Authority will determine all of the Port Authority Costs in connection with the Permittee's operations and activities hereunder. If the sum of the Port Authority Costs and the Facility Use Charge, if any, is in excess of the said Minimum Administrative Charge, then the Permittee shall pay such excess to the Port Authority upon demand. In the event the Minimum Administrative Charge is less than the sum of the Port Authority Costs and the Facility Use Charge, if any, the Permittee understands and agrees that it shall not be entitled to any refund, credit or allowance.

5. (a) The Permittee acknowledges that the Port Authority shall have no obligation to keep the Space, or any portion thereof, guarded, attended or patrolled and the Permittee further acknowledges that the Port Authority will have no

liability of any kind whatsoever for loss, theft or damage of or to any property, equipment or materials of the Permittee or for which the Permittee is responsible placed or installed on or in the Space or elsewhere at the Facility. Without limiting the foregoing, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees of and from any and all claims and demands including claims and demands of third persons for loss, theft or damage of or to any property, equipment or materials of the Permittee, or for which the Permittee is responsible, placed or installed on or in the Space or elsewhere at the Facility. In addition to the foregoing, the Permittee shall be the insurer of the Port Authority against the risk of loss or damage arising out of the Permittee's operations to any Port Authority fixtures, equipment and personal property which are a part of or are located in or on the Space and shall promptly replace or repair the same within five (5) days of such loss or damage. Further, the Permittee shall repair, replace or rebuild all or any part of the Space or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee or those of its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Facility. The Port Authority shall have no duty of repair or maintenance as to the Space or any fixtures, equipment or personal property which is located in or on the Space and the Permittee shall accept the same in their "as is" condition.

(b) The Permittee hereby assumes all risks involved in the use of the Space and the Facility under this agreement and the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from any and all claims and demands of third parties including, but not limited to, those for personal injuries (including death) and for property damages arising out of or resulting from the Permittee's operations at the Space and the Facility under this agreement or arising out of or resulting from any acts or omissions hereunder on the part of the Permittee, its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Space and the Facility.

6. (a) The Permittee in its name as insured shall secure and pay the premium on a policy of Commercial General Liability Insurance including, but not limited to Premises-Operations and Products-Completed Operations with a Contractual Liability Endorsement for such coverage as shall be stipulated by the Port Authority covering the Permittee's operations hereunder which insurance shall be in the minimum limit as set forth on the first page of this agreement, for each occurrence bodily injury and property damage. In addition, included in the abovementioned policy shall be Automobile Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired vehicles. Further, included in the abovementioned policy shall be Aircraft General Liability and Aircraft Operator's Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired aircraft. In addition, included in the above policy shall be Helicopter Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury or property damage liability including, but not limited to, owned, non-owned and hired helicopters including passenger helicopters. In addition to the insurance required by this paragraph, the Permittee shall maintain in effect during the entire period hereunder Worker's Compensation Insurance and Employer's Liability Insurance

coverage providing full benefits as required by law. The Port Authority shall be named as an additional insured in each such policy required by this agreement, except for Worker's Compensation Insurance and Employer's Liability Insurance, unless the Port Authority directs otherwise, and shall contain a provision that the policies may not be cancelled, terminated or modified without thirty (30) days' written notice to the Port Authority.

(b) As to any insurance required hereunder, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, and all required endorsements, or binders, together with a certificate of Workers' Compensation Insurance, shall be delivered to the Port Authority, Risk Financing Division, 225 Park Avenue South, 12th Floor, New York, New York 10003, Attn: Certificate Review, at least five (5) days prior to the Effective Date hereof. Each policy of insurance required hereunder shall contain a provision that the insurer shall not, without obtaining the express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(c) The policies referred to in this paragraph shall provide an ISO standard "separation of insureds" clause or contain a cross liability endorsement providing that the protections afforded to the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and against the Port Authority by the Permittee, but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(d) The policies referred to in this paragraph must be specifically endorsed to provide that the policy may not be canceled, terminated, or modified without thirty (30) days' written notice to the Port Authority of New York and New Jersey, General Manager, Risk Financing, at the address above.

7. Prior to the Effective Date hereof, the Permittee shall promptly supply, in detail, information regarding the nature of the activities contemplated to be performed hereunder and such other information regarding the Permittee's operations and activities hereunder as the Port Authority may reasonably request including, but not limited to, information regarding equipment and other property to be used by the Permittee in its operations or activities at the Facility. The Permittee agrees not to use any equipment or property to which the Port Authority may object and shall change the location of such property or equipment to another location if so directed by the Port Authority. Under no circumstances will the Permittee be permitted to use any hazardous equipment or materials including, but not limited to, firearms and explosives. Failure on the part of the Port Authority to object to the Permittee's operations or activities or to the use of any equipment or property or its location shall not be deemed to be an approval thereof and the Permittee acknowledges that the Port Authority undertakes no duties or responsibilities of any kind in connection with information supplied by the Permittee and shall have no liability in connection therewith. Under the terms and provisions of this agreement, the Permittee shall not and shall not be

permitted to engage in any operations or activities at any area at the Facility unless such operations or activities have been authorized by the Port Authority. The Permittee hereby acknowledges and agrees that all of its operations and activities at the Space and at the Facility shall be conducted at the highest degree of safety and care and be in strict conformity with procedures as may be established by the Port Authority.

8. Without the express written permission of the Port Authority, the Permittee shall not film, videotape or photograph or permit to be filmed, videotaped or photographed any scene or sequence identifying the Facility or any other Port Authority facility (or depicting any aspect thereof). The Permittee shall not use or permit the use in any scene of any vehicles, uniforms, signs or posters or dialogue, which in any way bear or carry the name of the Facility or the name of any other Port Authority facility.

9. The Permittee shall observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations or activities of the Permittee hereunder. The Permittee shall observe and obey (and to compel its officers, employees, agents, contractors, guests, invitees and those doing business with it to observe and obey) the Rules and Regulations of the Port Authority (a copy of which is available from the Facility Manager) for the government of the Permittee's conduct and operations and activities at the Facility. The operations and activities of the Permittee and those of its officers, employees, agents, contractors, guests, invitees and those doing business with it shall be conducted in an orderly and proper manner so as not to annoy, disturb or be offensive to others at the Facility or interfere with the operations of the Facility and shall be in compliance with all procedures and directives established by the Manager of the Facility or his or her authorized designee. Further, the Permittee shall comply with any directives of the Facility Manager or his or her authorized designee.

10. The Port Authority hereby acknowledges and agrees that the Port Authority does not, through the execution of this agreement and the Permittee's use and occupancy of the Space as herein permitted, obtain any proprietary or other property rights in the filming, recording or photography by the Permittee at or on the Space and the Facility pursuant to the permission granted under this agreement and that the Port Authority shall make no claim, legal or equitable, that the Permittee has granted to the Port Authority any proprietary or other property rights in such filming, recording or photography.

11. All property, materials and equipment placed or installed in the Space by the Permittee pursuant to this agreement shall be removed therefrom immediately upon the expiration or earlier termination of this agreement.

12. This agreement may be terminated by the Port Authority without cause upon two (2) days' notice, however the Port Authority may immediately terminate this agreement if the Permittee shall fail to observe or is not in compliance with any of the terms and conditions of this agreement. Termination shall not relieve the Permittee of any obligations, which have accrued on or prior to termination.

13. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under

any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach hereof.

14. This agreement constitutes the entire agreement of the parties on the subject matter and may be amended only in writing signed by the parties.

This agreement is forwarded in duplicate. If the terms of the agreement herein contained are satisfactory, the original and duplicate copy of this agreement should be signed by an authorized officer of the Permittee and returned promptly to the Port Authority. The return to the Permittee of a copy of this agreement executed on behalf of the Port Authority will place it into effect.

Thank you for meeting with us yesterday to discuss proposed event for Sept 12 at RHCT. As discussed, the following is required to move process forward:

- *Send Mike Deveney permittee contact info (name, address, title) Person signing permit MUST be officer of company (due by today August 22)*
  - *PA fee will be $15,000 for event plus security and Public Safety (based on one event)*
- *Send Operations Plan for Film and advise if included into event schedule (due by Monday August 25)*
  - *Separate event will require additional permit process*
- *Port Authority Executive office is currently reviewing scope of event for approval*
- *Update Opts Plan to include security, life safety and operations details (Due prior to next meeting Sept 4)*
- *Follow-up on NY city for permits on drop off/pick-up locations for guest*
- *Coordinate Community outreach with John Liantonio (copied)-212-435-7274*
- *Provide rigging details and engineering plans (due by week of August 25)*
- *Contract with NYSA security firm to hire PPGU guards for access into marine terminal (Event)—Ken Honig has lead*
- *Provide Certificate of Insurance (requirements attached)*
- *PA Contacts updated on attached for operations plan*
- *Next meeting Sept. 4 at 10am in Port Authority Conference Room, 90 Columbia St., Brooklyn, NY*

All deadline dates are firm and material must be sent for review to ensure event is approved by Port Authority.

Please contact me (917-494-7345) with any concerns.

Insurance Procured by the Contractor

The Contractor shall take out, maintain, and pay the premiums on Commercial General Liability Insurance, including but not limited to premises-operations, products-completed operations, liquor liability, set up and take down coverage and independent contractors coverage, with contractual liability language covering the obligations assumed by the Contractor under this Contract and, if vehicles are to be used to carry out the performance of this Contract, then the Contractor shall also take out, maintain, and pay the premiums on Automobile Liability Insurance covering owned, non-owned, and hired autos in the following minimum limits:

Commercial General Liability Insurance - $ 10 million combined single limit per occurrence for bodily injury and property damage liability.

Automobile Liability Insurance - $ 5 million combined single limit per accident for bodily injury and property damage liability.

In addition, the liability policy (ies) shall name "The Port Authority of New York and New Jersey and its related entities, their commissioners, directors, officers, partners, employees and event volunteers" as additional insureds, including but not limited to premise-operations, products-completed operations on the Commercial General Liability Policy. Moreover, the Commercial General Liability Policy shall not contain any provisions for exclusions from liability other than provisions for exclusion from liability forming part of the most up to date ISO form or its equivalent unendorsed Commercial General Liability Policy. The liability policy (ies) and certificate of insurance shall contain separation of insured condition and severability of interests clause for all policies so that coverage will respond as if separate policies were in force for each insured. An act or omission of one of the insureds shall not reduce or void coverage to the other insureds. Any and all excess and umbrella policies shall 'follow form' by conforming to the underlying policies. Furthermore, the Contractor's insurance shall be primary insurance as respects to the above additional insureds. Any insurance or self-insurance maintained by the above additional insureds shall not contribute to any loss or claim.
These insurance requirements shall be in effect for the duration of the contract to include any maintenance/warrantee/guarantee period.

The certificate of insurance and liability policy (ies) must contain the following endorsement for the above liability coverages:

"The insurer(s) shall not, without obtaining the express advance written permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the Tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority."

The Contractor shall also take out, maintain, and pay premiums on Workers' Compensation Insurance in accordance with the requirements of law in the state(s) where work will take place, and Employer's Liability Insurance with limits of not less than $1 million each accident. A waiver of subrogation shall be provided in favor of the additional insureds.

Each policy above shall contain an endorsement that the policy may not be canceled, terminated, or modified without thirty (30) days' prior written notice to the Port Authority of NY and NJ, Att: Facility Contract Administrator, at the location where the work will take place and to the General Manager, Risk Management.

The Port Authority may at any time during the term of this agreement change or modify the limits and coverages of insurance. Should the modification or change results in an additional premium, The General Manager, Risk Management for the Port Authority may consider such cost as an out-of-pocket expense.

Within five (5) days after the award of this agreement or contract and prior to the start of work, the Contractor must submit an original certificate of insurance, to the Port Authority of NY and NJ, Facility Contract Administrator, at the location where the work will take place. This certificate of insurance MUST show evidence of the above insurance policy (ies), including but not limited to the cancellation notice endorsement and stating the agreement/contract number prior to the start of work. The General Manager, Risk Management must approve the certificate(s) of insurance before any work can begin. Upon request by the Port Authority, the Contractor shall furnish to the General Manager, Risk Management, a certified copy of each policy, including the premiums.

If at any time the above liability insurance should be canceled, terminated, or modified so that the insurance is not in effect as above required, then, if the Manager shall so direct, the Contractor shall suspend performance of the contract at the premises. If the contract is so suspended, no extension of time shall be due on account thereof. If the contract is not suspended (whether or not because of omission of the Manager to order suspension), then the Authority may, at its option, obtain insurance affording coverage equal to the above required, the cost of such insurance to be payable by the Contractor to the Port Authority.

Renewal certificates of insurance or policies shall be delivered to the Facility Contractor Administrator, Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. The General Manager, Risk Management must approve the renewal certificate(s) of insurance before work can resume on the facility. If at any time any of the certificates or policies shall become unsatisfactory to the Port Authority, the Contractor shall promptly obtain a new and satisfactory certificate and policy.

The requirements for insurance procured by the Contractor shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Contractor under this contract. The insurance requirements are not a representation by the Authority as to the adequacy of the insurance to protect the Contractor against the obligations imposed on them by law or by this or any other Contract. **[CITS#34595N]**

NIGHTS BY ABSOLUT
OPERATIONS OVERVIEW
Nights by Absolut: September 12, 2014

EVENT DETAIL SUMMARY:
Nights by Absolut is an event being produced by Vice Media at the Red Hook Container Terminal in Brooklyn, N.Y. The location was chosen due to the unique character of the Red Hook community and its off the beaten path location on the vibrant New York City waterfront. The event celebrates NYC's nightlife.

EVENT DIRECTOR:
Mark Aceto, Senior Producer Vice Media, Inc.
917-453-1033

EVENT PRODUCTION & OPERATIONS MANAGER:
Arnold Sitruk
347-683-6655

DATE: Load-In: Monday (eve) - Thursday, September 8-11, 2014

Event Day: Friday, September 12, 2014

Load Out: Friday-Saturday, September 12-13, 2014

Program Begins: 19:00
Program ends: 23:00

Load-Out: 23:00 Friday – 22:00 Saturday

LOCATION: Red Hook Container Terminal
Brooklyn Piers
Pier 9A
70 Van Brunt St (Corner Degraw St)
Brooklyn, NY

866-349-5279
581793

EVENT CHARACTER:
Invitation Only - Private Event
1,000 with preparedness for up to 1,500 Attendees
Event is promotional in nature and will be recorded for future publicity use.

GENERAL INGRESS AND EGRESS POINTS:
During the load-in and load-out (9/8-9/11 and 9/13):
All Production vehicles and crew will enter/exit at the Main Entrance to the Container Terminal at 149 Van Brunt Street @ Summit Street.

During the event on Friday (9/12):
All guests will enter and exit the event at the Degraw street gate at 70 Van Brunt Street. Guests will be checked on a computerized system, screened by security and given a wristband for admission.

TRANSPORTATION OPTIONS:
On 9/12, a free bus shuttle service is being arranged to bring guests from the 4th avenue and 9th street F/G/R stations in Park Slope directly to the Red Hook Container terminal at Summit Street and Imlay Street.

Guests can return to this same location to ride the shuttle back to 4th ave and 9th street, after the event is over. Shuttle service will run on a loop from 6pm-12am.

Guests who choose to walk to the F/G trains will be directed to walk straight up Degraw Street to Smith Street to the subway station at Carroll Street.

Additionally Bike Parking will be made available inside of the container terminal for guests arriving by Bicycle.

We will have a mixture of event ambassadors, event support specialists, event security, traffic control specialists and Port Authority Police to manage all aspects of ingress and egress.

GENERAL STATUS OF EVENT PERMITS:
Event organizers (Vice Media) are working in strict compliance with the rules and regulations of the Port Authority of New York and New Jersey, the Red Hook Container Terminal, the NYPD and FDNY and all other relevant agencies and stakeholders to ensure a safe and smoothly run event.

Specifically we are finalizing all details of event permitting and compliances with the Port Authority of New York and New Jersey for activities, operations and production construction occurring inside of the property. We are also submitting any necessary permits required of NYC agencies (such as Health, Fire, etc.) that has been requested by PANYNJ. We have a permit application under review with the NYC Mayor's Street Activity Permit office concerning our Shuttle loading/unloading zones in Red Hook and Park Slope and have been in contact with NYPD concerning this planned activity.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 09/11/2014

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. Re: Permission to Use the Brooklyn-Port Authority Marine Terminal – September 12-13, 2014

Port Authority Agreement Number FLM-004BP

Dear Mr. Creighton:

Subject to all the terms and conditions of this letter agreement, the Port Authority of New York and New Jersey (the "Port Authority") hereby grants permission to the permittee set forth below (the "Permittee") to use the space designated below (the "Space") for the purpose described below and for no other purpose whatsoever:

Permittee: Vice Media, Inc., a(n) Delaware corporation

Facility: Brooklyn-Port Authority Marine Terminal

Space: Pier 9A at the Red Hook Container Terminal, or such area, or areas, of the Facility as shall be designated from time to time by the Facility Manager, or his or her authorized designee.

Purpose: For the Absolut Nights Marketing Event, including filming of Absolut Night Music Video. Alcohol will be served at this event, and the Permittee shall not serve more than one (1) drink per hour to individuals. All alcohol will only be served by licensed bartenders and the Permittee will have security personnel on hand during this event. This agreement only serves this purpose, and no other purpose whatsoever.

Effective Date: September 12, 2014 at 6 o'clock a.m..

Expiration Date: September 13, 2014 at 10 o'clock p.m. unless sooner terminated in accordance with the following terms and conditions.

Minimum Administrative Charge: Forty-Two Thousand Twenty-Three Dollars and No Cents ($42,023.00).

Minimum Limits of Required Insurance Coverages:

90 Columbia Street
Brooklyn, NY 11201
T: 718 330 2950

$10,000,000.00 Commercial General Liability
$ 5,000,000.00 Automobile Liability
$ 0 Aircraft General and Aircraft Operator's Liability
$ 0 Helicopter Liability
Statutory - Workers Compensation and Employer's Liability

Facility Contact: Michael Deveney

Contact Telephone Number: 718-330-2977

1. This permission is subject to the condition that all operations and activities of the Permittee shall be conducted only at such times and under such conditions as may be approved by the Facility Manager to insure that the same can be conducted without interfering with other activities and operations at the Facility. The Permittee hereby agrees not to use or have any equipment or permit any condition to exist or to conduct the Permittee's operations or activities so as to interfere with or compromise the safe and efficient operation of the Facility. The Permittee shall contact the above named Facility staff member at the telephone number listed above prior to the Effective Date hereof to coordinate all details of the proposed use of the Space.

2. If the Port Authority, in its sole discretion, determines that any of the Permittee's activities in the Space or at the Facility interfere with other activities and operations at the Facility, the Permittee shall immediately cease all operations hereunder.

3. The Permittee is granted the use of the Space hereunder on a non-exclusive basis and acknowledges that it may occupy the Space contemporaneously with use thereof by the general public and other lessees or permittees of the Port Authority at the Facility.

4. (a) The Permittee hereby agrees to pay to the Port Authority the greater of (i) the sum of (x) one hundred forty percent (140%) of all Port Authority costs and expenses resulting from or incurred in connection with its operations or activities hereunder including, but not limited to, wages and materials (the "Port Authority Costs") and (y) the daily facility use charge, if any, for the operations and activities of the Permittee as contemplated hereunder as such charge is determined by the Facility Manager (the "Facility Use Charge") and (ii) the Minimum Administrative Charge set forth above.

(b) Upon the Permittee's execution and delivery of this agreement, the Permittee shall pay to the Port Authority the Minimum Administrative Charge set forth above. At the conclusion of the Permittee's operations hereunder, the Port Authority will determine all of the Port Authority Costs in connection with the Permittee's operations and activities hereunder. If the sum of the Port Authority Costs and the Facility Use Charge, if any, is in excess of the said Minimum Administrative Charge, then the Permittee shall pay such excess to the Port Authority upon demand. In the event the Minimum Administrative Charge is less than the sum of the Port Authority Costs and the Facility Use Charge, if any, the Permittee understands and agrees that it shall not be entitled to any refund, credit or allowance.

5. (a) The Permittee acknowledges that the Port Authority shall have no obligation to keep the Space, or any portion thereof, guarded, attended or patrolled and the Permittee further acknowledges that the Port Authority will have no liability of any kind whatsoever for loss, theft or damage of or to any property, equipment or materials of the Permittee or for which the Permittee is responsible placed or installed on or in the Space or elsewhere at the Facility. Without limiting the foregoing, the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees of and from any and all claims and demands including claims and demands of third persons for loss, theft or damage of or to any property, equipment or materials of the Permittee, or for which the Permittee is responsible, placed or installed on or in the Space or elsewhere at the Facility. In addition to the foregoing, the Permittee shall be the insurer of the Port Authority against the risk of loss or damage arising out of the Permittee's operations to any Port Authority fixtures, equipment and personal property which are a part of or are located in or on the Space and shall promptly replace or repair the same within five (5) days of such loss or damage. Further, the Permittee shall repair, replace or rebuild all or any part of the Space or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee or those of its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Facility. The Port Authority shall have no duty of repair or maintenance as to the Space or any fixtures, equipment or personal property which is located in or on the Space and the Permittee shall accept the same in their "as is" condition.

(b) The Permittee hereby assumes all risks involved in the use of the Space and the Facility under this agreement and the Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from any and all claims and demands of third parties including, but not limited to, those for personal injuries (including death) and for property damages arising out of or resulting from the Permittee's operations at the Space and the Facility under this agreement or arising out of or resulting from any acts or omissions hereunder on the part of the Permittee, its officers, employees, agents, contractors, guests, invitees or those doing business with it at the Space and the Facility.

6. (a) The Permittee in its name as insured shall secure and pay the premium on a policy of Commercial General Liability Insurance including, but not limited to Premises-Operations and Products-Completed Operations with a Contractual Liability Endorsement for such coverage as shall be stipulated by the Port Authority covering the Permittee's operations hereunder which insurance shall be in the minimum limit as set forth on the first page of this agreement, for each occurrence bodily injury and property damage. In addition, included in the abovementioned policy shall be Automobile Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired vehicles. Further, included in the abovementioned policy shall be Aircraft General Liability and Aircraft Operator's Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily injury and property damage liability including, but not limited to, owned, non-owned and hired aircraft. In addition, included in the above policy shall be Helicopter Liability Insurance in the minimum limit as set forth on the first page of this agreement, combined single limit per accident for bodily

injury or property damage liability including, but not limited to, owned, non-owned and hired helicopters including passenger helicopters. In addition to the insurance required by this paragraph, the Permittee shall maintain in effect during the entire period hereunder Worker's Compensation Insurance and Employer's Liability Insurance coverage providing full benefits as required by law. The Port Authority shall be named as an additional insured in each such policy required by this agreement, except for Worker's Compensation Insurance and Employer's Liability Insurance, unless the Port Authority directs otherwise, and shall contain a provision that the policies may not be cancelled, terminated or modified without thirty (30) days' written notice to the Port Authority.

(b) As to any insurance required hereunder, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, and all required endorsements, or binders, together with a certificate of Workers' Compensation Insurance, shall be delivered to the Port Authority, Risk Financing Division, 225 Park Avenue South, 12th Floor, New York, New York 10003, Attn: Certificate Review, at least five (5) days prior to the Effective Date hereof. Each policy of insurance required hereunder shall contain a provision that the insurer shall not, without obtaining the express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(c) The policies referred to in this paragraph shall contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded to the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and against the Port Authority by the Permittee, but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(d) The policies referred to in this paragraph must be specifically endorsed to provide that the policy may not be canceled, terminated, or modified without thirty (30) days' written notice to the Port Authority of New York and New Jersey, General Manager, Risk Financing, at the address above.

7. Prior to the Effective Date hereof, the Permittee shall promptly supply, in detail, information regarding the nature of the activities contemplated to be performed hereunder and such other information regarding the Permittee's operations and activities hereunder as the Port Authority may reasonably request including, but not limited to, information regarding equipment and other property to be used by the Permittee in its operations or activities at the Facility. The Permittee agrees not to use any equipment or property to which the Port Authority may object and shall change the location of such property or equipment to another location if so directed by the Port Authority. Under no circumstances will the Permittee be permitted to use any hazardous equipment or materials including, but not limited to, firearms and explosives. Failure on the part of the Port Authority to object to the Permittee's operations or activities or to the use of any equipment or property or its location shall not be deemed

to be an approval thereof and the Permittee acknowledges that the Port Authority undertakes no duties or responsibilities of any kind in connection with information supplied by the Permittee and shall have no liability in connection therewith. Under the terms and provisions of this agreement, the Permittee shall not and shall not be permitted to engage in any operations or activities at any area at the Facility unless such operations or activities have been authorized by the Port Authority. The Permittee hereby acknowledges and agrees that all of its operations and activities at the Space and at the Facility shall be conducted at the highest degree of safety and care and be in strict conformity with procedures as may be established by the Port Authority.

8. Without the express written permission of the Port Authority, the Permittee shall not film, videotape or photograph or permit to be filmed, videotaped or photographed any scene or sequence identifying the Facility or any other Port Authority facility (or depicting any aspect thereof). The Permittee shall not use or permit the use in any scene of any vehicles, uniforms, signs or posters or dialogue, which in any way bear or carry the name of the Facility or the name of any other Port Authority facility.

9. The Permittee shall observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations or activities of the Permittee hereunder. The Permittee shall observe and obey (and to compel its officers, employees, agents, contractors, guests, invitees and those doing business with it to observe and obey) the Rules and Regulations of the Port Authority (a copy of which is available from the Facility Manager) for the government of the Permittee's conduct and operations and activities at the Facility. The operations and activities of the Permittee and those of its officers, employees, agents, contractors, guests, invitees and those doing business with it shall be conducted in an orderly and proper manner so as not to annoy, disturb or be offensive to others at the Facility or interfere with the operations of the Facility and shall be in compliance with all procedures and directives established by the Manager of the Facility or his or her authorized designee. Further, the Permittee shall comply with any directives of the Facility Manager or his or her authorized designee.

10. All property, materials and equipment placed or installed in the Space by the Permittee pursuant to this agreement shall be removed therefrom immediately upon the expiration or earlier termination of this agreement.

11. This agreement may be terminated by the Port Authority without cause upon two (2) days' notice, however the Port Authority may immediately terminate this agreement if the Permittee shall fail to observe or is not in compliance with any of the terms and conditions of this agreement. Termination shall not relieve the Permittee of any obligations, which have accrued on or prior to termination.

12. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach hereof.

13. This agreement constitutes the entire agreement of the parties on the subject matter and may be amended only in writing signed by the parties.

This agreement is forwarded in duplicate. If the terms of the agreement herein contained are satisfactory, the original and duplicate copy of this agreement should be signed by an authorized officer of the Permittee and returned promptly to the Port Authority. The return to the Permittee of a copy of this agreement executed on behalf of the Port Authority will place it into effect.

THE PORT AUTHORITY OF NEW YORK
AND NEW JERSEY

(Title) President

Rider
Permission for Vice Media, Inc. to conduct filming at Brooklyn-Port Authority Marine Terminal September 12-13, 2014

Dated: September 9, 2014

This Rider is made a part of the letter agreement, ala Permit, dated September 9, 2014, bearing number FLM-004BP (the "Permit") granting Vice Media, Inc. (the "Permittee") permission to conduct filming at Brooklyn-Port Authority Marine Terminal on September 12-13, 2014 by the Port Authority of New York and New Jersey (the "Port Authority") for the purposes described in the Permit. All terms used herein and not defined herein shall have the meaning ascribed to such terms in the Permit.

The parties agree to modify the terms of the Permit as follows:

1. Paragraph 14: the following is added as Paragraph 14 of the Permit:

   "14. This Permit and any claim, dispute or controversy arising out of, under or related to this Permit, the relationship of the parties hereunder, and/or the interpretation and enforcement of the rights and obligation of the parties hereunder shall be governed by, interpreted and construed in accordance with the laws of the State of New York, without regard to choice of law principles. The Permittee and the Port Authority agree that any action at law or equity arising out of this Permit, including to enforce the terms of this Permit or to seek a remedy for breach thereof, shall be brought in a court of competent jurisdiction located in the County of Kings of the State of New York, and the Permittee and the Port Authority agree that neither party will object to any such action being brought in such court on the ground that the court lacks personal jurisdiction, or that venue is improper or inconvenient."

EMERGENCY EVACUATION EXITS:
In an emergency the determination of which Emergency Exit Corridors are to be utilized rests with the Event Command Post in consultation with the PAPD Incident Commander
Maps of Exit Routes can be found in the Map #5 Annex

Emergency Exit Corridor #1
- Exit from Pier
- Turn Right toward entrance
- Exit through the Degraw Avenue Gate (this was the entrance gate)

Emergency Exit Corridor #2
- Exit Venue thru backstage north of stage
- Walk between container walls until access point on the right
- Rejoin exiting crow on main concourse

Emergency Exit Corridor #3 NORTHBOUND
Access Gate must be opened by PAPD
- Exit from Pier
- Left turn toward Pier 8
- Along designated/secured corridor to Atlantic Ave Gate

Emergency Exit Corridor #4 SOUTHBOUND

Access Gate must be opened by PAPD

- Exit from Pier
- Turn Right toward entrance
- Past Degraw Gate
- Through Access gate between Pier 10 & 11
- Follow secured corridor to exit gate at Bowne & Imlay Streets

Emergency Exit Corridor #5

- Route as determined by PAPD

Special Needs Exit Considerations

- A leveled path for emergency egress will be established
- Extraction teams with carry chairs or other devices will be designated.
- Entrance gate personnel will provide an estimated count of special needs patrons to the Event Command Post

- Inner barrier:
  - Circular fence not less than 50 feet from edge of pier
  - Openings for authorized access – manned by Event Staff
  - Chain Link Fence, not less than 6 feet tall
  - Emergency Exit Points staffed by Event Support Staff
- Outer barrier
  - Container where line of sight not an issue
    - Placed at edge of pier
  - Interlocked Bicycle Rack in other areas
    - Placed approximately 30 feet from edge of pier
  - Monitored by Event Support Staff to prevent crossing
- No guests permitted in the backstage zone between the inner and outer barriers
- No-one permitted in the safety Zone between the outer barrier and the edge of the pier
- Entry to safety zone restricted to
  - Staff with "Backstage Access"
  - Talent – under escort
  - Security Team
  - Emergency Response Personnel

Backstage Areas

- Staff with "Backstage Access"
- Talent – under escort
- Security Team
- Emergency Response Personnel

Secure Terminal Areas outside of Venue Footprint

- RHCT Personnel

- TWIC Certified Staff
- All others under AUTHORIZED ESCORT ONLY

Load in Safety & Security Precautions

- Event Security Plan approved by USCG (submitted by RHCT)
- Outer Barrier established in venue portion of pier 9A
- Fence line utilizing interlocked bicycle rack and/or containers established edge to edge across the pier to delineate the secure area from the venue
- TWIC Security Guard to monitor entry and exit
- All staff and vehicles must be under escort before entering the secure port area

Anyone observed in Backstage, Restricted or Secure areas without proper ID displayed MUST BE CHALLENGED

OPERATIONS PLAN

FOOD SERVICES PLAN

Event organizers will be contracting only with Food Service providers that possess the appropriate valid vendor licenses and certifications issued by the NYC Department of Health and Mental Hygiene as well as possess the most recent passed equipment inspection.

Copies of all the following appropriate documentation to be provided to the Port Authority of New York and New Jersey upon contracting and receipt

- NYC DMHMH Mobile Food Vending Unit Permit
- Valid Driver's License
- Results of most recent DOHMH equipment Inspection

Other Requirements:

- Propane tanks properly installed on vehicle
- Fire extinguishers – currently inspected

A complete listing of food vendors including contact information will be available at the Event Command Post

Food Vendor List

Vendor	NYC MFVUP#	Type	Propane?	Fire Ext	Notes
George Pagiazitis	C2329 (exp 08/2014) REN-2014-0047411	Truck	Yes	2	Renewal thru Aug 2015 documented

Food Safety & Handling Comments

- Provide the name and address of all food suppliers and the specific food they will be providing.
- Provide a copy of the current New York City Department of Health & Mental Hygiene Permit to Operate a Food Establishment (or the appropriate jurisdiction) from each food supplier.
- Provide a list of all menu items that will be served.
- Provide metal stem type thermometers (or thermocouple type) for employees to verify food temperatures. In addition, provide alcohol swabs for cleaning thermometers in between use. Instruct employees on the proper use of thermometers.
- Verify that all food products, when picked up/received from suppliers, are at the proper temperature – 41 degrees F. for cold products and 140 degrees F. for hot products. Products must be transported in properly insulated containers.
- Provide details on the procedures that will be implemented to ensure that when food is on display or in storage, that employees are ensuring that proper temperatures are maintained – 41 degrees F. for cold and 140 degrees F. for hot. All cold food must be displayed on ice. Ice should be at same level as food. Display type refrigeration units should be utilized if available.
- If using refrigeration units, refrigeration must be set at 33 – 38 degrees F. in order to maintain food at 41 degrees F. and must be operating at those temperatures prior to placing food inside refrigerator.
- When food is placed on display, it should be covered or protected by sneeze guards or equivalent
- Ensure that hot holding units are at the proper temperature prior to displaying food.
- Limit the amount of food on display.
- Provide sanitizing stations by serving area for employees. Employees must be provided with gloves. The gloves should be changed frequently and employees should use the sanitizer when changing gloves.
- Employees should wear hair restraints and clean outer clothing (disposable aprons, etc.).
- If using coolers to store food the coolers must be stored off the ground.

SECURITY PLAN

Communications

All Event Staff and Security personal and supervisors will be equipped with radios operating on a common frequency. A radio will be provided to the PAPD on-site supervisor, the radio channel will be monitored at the Event Command Post.

Off Hours Security

A PPGU represented security firm will provide PPGU guards who are TWIC qualified to provide off-hours security for the venue.

Set-Up Security

A USCG approved Event Security Plan will be filed by RHCT that will designate the distal portion of Pier 9A (the Backstage Area) a segregated non-secure area.

- During set-up a bike rack fence will be installed from edge to edge across the pier
- A TWIC qualified PPGU guard with an unobstructed view from end to end will be posted to monitor the perimeter fence across the pier.
- The guard will have radio communication with a dispatcher who can make telephone contact with PAPD
- The guard will prevent persons who are not TWIC qualified from entering into the secure port area without a qualified escort.
- All deliveries and staff will enter RHCT via the Hamilton Ave Gate, comply with RHCT security procedures and be escorted to the backstage area

OPERATIONS PLAN

PERSON IN WATER

- All persons working within 10 feet of the water's edge during any activities are required to wear a US Coast Guard Approved Type I-III highly visible vest
- Perimeter guards will keep a constant lookout to prevent persons from crossing the perimeter safety barriers and for any signs of a person in the water.
- Emergency throwable personnel flotation devices (life rings) will be placed at the Event Staff posts in each corner of the venue perimeter of the pier, on the talent golf cart and in the EMS response cart (if provided).
- **Any and all emergencies will be reported to the PAPD by the Event Command Post**
- Emergency notification numbers for NYPD harbor, FDNY Marine Unit and USCG to be posted in Event Command Center.
    - Direct radio communications with water rescue assets thru the command center liaison to be considered
    - Immediate notification to PAPD 911 (or thru other established communications) for any report of a person in the water
- Under no circumstances is a member of the production team or any sub-contractors or vendor to enter the water.

PERSON IN WATER TRAINING – OUTLINE

2 hours training of Event Support Staff. They will be providing security on a Pier, with possible entry of individual(s) into water, Staff will not enter water

The following is what I believe should be covered:

1. Life Jackets
    - A. Proper size
    - B. How to don and secure
        1. issues if not properly worn
        2. practice and size the life jackets which will be issued to the Guards
    - C. Swimming issues should they themselves fall into the water.

    Note:

    - Life Jackets should have a mirror and whistle attached; they can be Type III or Type V. I also suggest International Orange in color.
2. Rescue
    - A. Notification of individual in water
    - B. Reach
        1. Use of Safety Hook
        2. Securing the Rescuer
        3. "Hooking" the victim
        4. Retrieval of victim
    - C. Throw
        1. Use of safety ring and heaving line
        2. Securing Bitter end before throwing
        3. "Hitting" the target (victim)
        4. Retrieval of victim
    - D. Basic First Aid topics
        1. Abrasions, Punctures, Lacerations
        2. Shock
        3. Hypothermia
        4. Broken Bones

    Note:

    - You should obtain heaving Line lengths for safety ring of not less than 50 of buoyant line.

OPERATIONS PLAN

MEDICAL PLAN

Midwood Ambulance Service, a NYS Certified Emergency Medical Service / Ambulance Service provider will be contracted to provide continuous, on-site emergency medical services from one-hour prior to the official start of the event until all guests have departed the venue (estimated 18:00 – 24:00).

A Basic Life Support ambulance with 2 NYS Certified Emergency Medical Technicians will be stationed in the backstage area; they will have direct radio communication with the Event Command Post and the Midwood Ambulance Communications Center.

If victim transport is required, an escort by PAPD from the venue to off the facility is required.

In any case FDNY-EMS will be available for response via a call to 9-1-1 by the Event Command Post

Midwood Ambulance Service – 718-645-100
Point of Contact: Mallory Rapisarda 718-943-4058

Area Hospitals:
New York Methodist Hospital (4.1 mi / 10 min)
506 Sixth Street Brooklyn
718-780-3000

Brooklyn Hospital Center (2.1 mi / 11 min)
121 DeKalb Avenue Brooklyn
718-250-8000

Lutheran Medical Center (3.8 mi / 13 min)
150 55th Street Brooklyn (ER on 2nd Ave @ 55 St)
718-630-7000

PAPD to be immediately notified of any and all medical emergencies

INTOXICATED/UNRULY PERSONS

- Event Command Post to be notified
- Security Team dispatched to contain area
    - Event Support Staff are not to make physical contact with the person unless necessary to prevent injury to themselves or others
- Port Authority Police notified
- The event has a "Zero Tolerance Policy" for unruly or intoxicated persons. Any person acting in an unruly manner will be immediately escorted from the venue with no refund or reentry.
- Persons who appear to be intoxicated are to be evaluated for medical treatment before they are escorted out of the venue.

Re: Absolut DJ Reveal Event
Red Hook, Brooklyn, NY
MEG File No. 140920

Mr. Aceto:

McLaren Engineering Group (MEG) has completed our review of the structural safety of several rigged elements for a private, temporary outdoor event to be installed on an existing gantry crane at Red Hook Terminal in Brooklyn, NY. The event will be held from September 9-12, 2014. The effects consist of a 13' diameter LED Mirror Ball hung from the crane, the DJ Reveal effect assembly, and the Bottle Lighting Truss assembly. MEG has reviewed drawings and rigging plots furnished by Tony Bonilla of BNW Rigging. Facility impact loads imposed on the gantry crane were compared to allowable loads dictated by crane documentation for the existing Bromma AST-6 20/40/45 Twin Twenty Ft. Telescopic Spreader, furnished by BNW Rigging.

It is MEG's professional opinion that the existing gantry crane and proposed rigging will safely support the LED Mirror Ball and DJ Reveal Effect if properly assembled and used in accordance with the guidelines within this letter and the attached Severe Weather Action Plan. HOWEVER, MEG is in the process of evaluating this system with the added Bottle Lighting Truss assembly, which may affect the use guidelines for the Mirror Ball and DJ Reveal. A revised letter will be furnished addressing the combined assembly incorporating the Bottle Lighting Truss assembly.

Modifications to the typical usage of the gantry crane structure shall be limited to suspending elements with small wind areas relative to the crane, which may easily be lowered in the event of high winds. Modifications including cladding of the structure with soft goods, hard projection surfaces, and lighting with significant projected area will induce loading on the crane structure for which it has not been designed and shall not be allowed.

Element Descriptions:

The LED mirror ball, by others, will be suspended from a truss grid rigged to the existing crane spreader beam. The mirror ball will be picked by two 2-ton chain motor hoists with appropriately sized hardware as shown in the drawings and attached to a rigging point on the mirror ball. Once raised into position, the ball will remain static and is tied off to mooring posts on the pier and to the gantry crane. The truss grid will consist of (2) 28" Camco L Box Trusses running 30 ft. stage left to

On the web: www.mgmclaren.com

stage right, spaced 5'-8" apart and picked at the ends from the spreader beam lifting lugs. Each lug point is rated for a maximum load of 12.5 tons as per the provided documentation.
At center span above the mirror ball, a 14" Camco M Box Truss will run upstage/downstage. At each end of the 28" Camco L Box Truss will be a 12" Tomcat aluminum plated box truss running 30 ft. upstage to downstage suspending additional lighting. The total weight of the mirror ball, miscellaneous lighting, cables, rigging, and hardware will be 4000 lbs, resulting in 1000 lbs per lifting lug. The most onerous lateral loads induced by wind on the ball will not exceed 600 lbs, the majority of which shall be resolved by two 1/4" lateral guy cables in each direction anchored to existing mooring posts on the pier.

Upstage of the mirror ball truss will be a "DJ Reveal" effect. A 20 ft. shipping container will be lifted by the crane from ground level and raised 30 ft., and will then travel 10 ft. downstage. The shipping container will suspend from the main girders of the gantry crane with (8) chain hoists, plus an additional hoist tied laterally to pull ("breast") the container downstage. Each hoist will be suspended from the crane structure with the use of Lift All EE6D Roundsling ("Spanset") and 5/8" shackle. Additionally a secondary steel safety cable shall be provided at each point. Downstage movement of the container shall be limited to maintain a maximum 18° angle off of vertical in the supporting hoist chains.

The Bottle Lighting Truss will consist of prefabricated rental box truss arranged in the shape of a bottle. The truss will be clad with lights and suspended from the main crane structure with four 2-ton chain motors placed at the ends and third points of the Bottle truss assembly. The structure shall be designed to support its self-weight plus the weight of lighting and loads induced by wind. As the design and loading of the Bottle Lighting Truss effect have not been finalized, this letter serves to introduce the design concept. The final drawings will reflect a safe design in accordance with the 2008 New York City Building Code.

MEG has based its review on the following documentation:

1. "14.9.12 Absolute rig plot v3 8/31.vwx" drawing, furnished by Tony Bonilla of BNW Rigging
2. "10553M~1 copy 2" operation manual for Bromma AST-6 20/40/45 Twin Twenty Ft. Telescopic Spreader, furnished by Tony Bonilla of BNW Rigging
3. Weights as reported by Tony Bonilla of BNW Rigging:
    a. Mirror ball lighting, and rigging: 4000 lbs
    b. 20' container outfitted as DJ booth, and rigging: 7700 lbs

Overhead Rigging System:

1. The weight estimates are based on component catalog's information and Rigger's estimates. The Head Rigger is responsible for verifying that all rigged weights do not exceed the original estimates. It is understood that the set will be lifted in a sequence to minimize overall dynamic impact load on the crane. A 25% impact factor was considered to account for chain motor impact.
2. No 1-ton chain motor shall be left with a load greater than 2000 lbs supported from it. No 2-ton chain motor shall be left with a load greater than 4000 lbs supported from it.

3. All trussing, rigging, chain motors and hardware shall be visually inspected by the Head Rigger. Furthermore, these items shall be load rated, and shall be used in accordance with the manufacturer's guidelines. No changes shall be made without the written approval of MEG.
4. The Head Rigger will use rated roundslings, cable slings and/or other rated hardware to connect suspended elements to the crane steel structure. Provide appropriate padding or protection as needed to avoid damaging the crane and rigging.
5. When operating chain hoists, the control operator must have a clear line of sight to the hoist motors in order to allow the motors to be stopped immediately if needed.
6. Anytime a chain hoist is raised or lowered a verbal warning shall be given to alert all personnel in the area that the hoists are being activated.
7. Personnel shall avoid standing or walking directly below mechanized items while they are being moved vertically. When construction-related work must occur in areas below moving equipment, the Head Rigger shall make sure that all present are aware of the moving overhead equipment.
8. People working at height are to use appropriate fall protection equipment. All work shall comply with OSHA and local safety regulations.
9. When operating chain hoists, the Operator shall wait a minimum of 4 seconds between subsequent button presses to allow the system to settle.

Since MEG representatives will not be present during the construction or installation of the rigging system, we cannot certify that it has been correctly installed. Please advise our office in the event there are any changes to the design, equipment list, construction or loading of the structural steel so we may reassess the system. Please feel free to contact our office if you have any questions.

Very truly yours,

The Office of
M.G. McLAREN, P.C.

GENERATOR EMERGENCY AND SAFETY PLAN

The production team will utilize ## portable generators to provide power for the event.

Manufacturer	Model	KW Capacity	Fuel	Footprint
		400	Diesel	
		400	Diesel	

Each generator will be located in an open, well-ventilated area with adequate space surrounding it for dissipation of heat and fumes. There will be no fresh air intakes or enclosed spaces in the area to prevent the accumulation of fumes. The generator and all connections will be grounded in accordance with national and local electrical codes. Proper overload protection will be provided; all outdoor connections will be protected by Ground Fault Circuit Interruption. The rating capacity is adequate to supply peak connected electrical loads

A qualified technician familiar with the operation of the generator including normal starting, normal and emergency shutdown and system resets will be present while the generator is in operation.

The generator has been designed with a fuel capacity allow for continuous operation during the event without need for refueling.

Initial and any refueling required will occur with the generator not operating and a fire warden with fire extinguishers will be present. Fueling will be accomplished using a manually operated nozzle equipped with a "deadman" cutoff. A supply of absorbent will be on-hand to handle any spillage. Absorbent if utilized will be disposed of following hazardous materials guidelines.

No flammables will be stored in proximity to the generator

All electrical connection will be in accordance with national and local electrical codes, including the use of waterproof receptacle covers.

OPERATIONS PLAN

Heavy Rain Action Plan:

- Monitor roof systems on all structures (stage, tents, tarps, sheds, etc.) for pooling of water
- Monitor all surface areas to ensure drains are clear and ponding of water in minimized
- Clear and debris that could form a dam that impedes water drainage
- Ensure that electrical connections are not submerged, and any in danger of becoming submerged are de-energized by competent personnel.

Thunderstorms/Lightning Action Plan

- Monitor weather reports for the next two hours beginning four hours prior to gate opening
- Yellow Alert:
  - Warning issued to patrons
  - High Wind Action Plan Yellow Alert initiated
  - Heavy Rain Action Plan Initiated
  - Exit routes cleared of obstructions
- Red Alert:
  - Warning issued to patrons
  - High Wind Action Plan Red Alert initiated
  - Heavy Rain Action Plan Initiated
  - Entry of patrons halted
  - General Admission and VIP Gates reconfigured for clear exit access

High Temperature/Heat Emergency Action Plan

- Distribution of water to all staff and patrons
- Cooling stations with misting fans to be established
- Shade tents erected

Insurance Procured by the Contractor

The Contractor shall take out, maintain, and pay the premiums on Commercial General Liability Insurance, including but not limited to premises-operations, products-completed operations, liquor liability, set up and take down coverage and independent contractors coverage, with contractual liability language covering the obligations assumed by the Contractor under this Contract and, if vehicles are to be used to carry out the performance of this Contract, then the Contractor shall also take out, maintain, and pay the premiums on Automobile Liability Insurance covering owned, non-owned, and hired autos in the following minimum limits:

Commercial General Liability Insurance - $ 10 million combined single limit per occurrence for bodily injury and property damage liability.

Automobile Liability Insurance - $ 5 million combined single limit per accident for bodily injury and property damage liability.

In addition, the liability policy (ies) shall name "The Port Authority of New York and New Jersey and its related entities, their commissioners, directors, officers, partners, employees and event volunteers" as additional insureds, including but not limited to premise-operations, products-completed operations on the Commercial General Liability Policy. Moreover, the Commercial General Liability Policy shall not contain any provisions for exclusions from liability other than provisions for exclusion from liability forming part of the most up to date ISO form or its equivalent unendorsed Commercial General Liability Policy. The liability policy (ies) and certificate of insurance shall contain separation of insured condition and severability of interests clause for all policies so that coverage will respond as if separate policies were in force for each insured. An act or omission of one of the insureds shall not reduce or void coverage to the other insureds. Any and all excess and umbrella policies shall 'follow form' by conforming to the underlying policies. Furthermore, the Contractor's insurance shall be primary insurance as respects to the above additional insureds. Any insurance or self-insurance maintained by the above additional insureds shall not contribute to any loss or claim.
These insurance requirements shall be in effect for the duration of the contract to include any maintenance/warrantee/guarantee period.

The certificate of insurance and liability policy (ies) must contain the following endorsement for the above liability coverages:

"The insurer(s) shall not, without obtaining the express advance written permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the Tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority."

The Contractor shall also take out, maintain, and pay premiums on Workers' Compensation Insurance in accordance with the requirements of law in the state(s) where work will take place, and Employer's Liability Insurance with limits of not less than $1 million each accident. A waiver of subrogation shall be provided in favor of the additional insureds.

Each policy above shall contain an endorsement that the policy may not be canceled, terminated, or modified without thirty (30) days' prior written notice to the Port Authority of NY and NJ, Att: Facility Contract Administrator, at the location where the work will take place and to the General Manager, Risk Management.

The Port Authority may at any time during the term of this agreement change or modify the limits and coverages of insurance. Should the modification or change results in an additional premium, The General Manager, Risk Management for the Port Authority may consider such cost as an out-of-pocket expense.

Within five (5) days after the award of this agreement or contract and prior to the start of work, the Contractor must submit an original certificate of insurance, to the Port Authority of NY and NJ, Facility Contract Administrator, at the location where the work will take place. This certificate of insurance MUST show evidence of the above insurance policy (ies), including but not limited to the cancellation notice endorsement and stating the agreement/contract number prior to the start of work. The General Manager, Risk Management must approve the certificate(s) of insurance before any work can begin. Upon request by the Port Authority, the Contractor shall furnish to the General Manager, Risk Management, a certified copy of each policy, including the premiums.

If at any time the above liability insurance should be canceled, terminated, or modified so that the insurance is not in effect as above required, then, if the Manager shall so direct, the Contractor shall suspend performance of the contract at the premises. If the contract is so suspended, no extension of time shall be due on account thereof. If the contract is not suspended (whether or not because of omission of the Manager to order suspension), then the Authority may, at its option, obtain insurance affording coverage equal to the above required, the cost of such insurance to be payable by the Contractor to the Port Authority.

Renewal certificates of insurance or policies shall be delivered to the Facility Contractor Administrator, Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. The General Manager, Risk Management must approve the renewal certificate(s) of insurance before work can resume on the facility. If at any time any of the certificates or policies shall become unsatisfactory to the Port Authority, the Contractor shall promptly obtain a new and satisfactory certificate and policy.

The requirements for insurance procured by the Contractor shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Contractor under this contract. The insurance requirements are not a representation by the Authority as to the adequacy of the insurance to protect the Contractor against the obligations imposed on them by law or by this or any other Contract. **[CITS#34595N]**

August 11, 2014

On September 12, Vice and Absolut will host a free private party for 800 guests at Red Hook Container Terminal on September 12 from 7:00 PM to 11:00 PM. Three DJ's will perform back-to-back on one stage positioned at the end of Pier 9.

Transportation will be provided to assist guest arrival by shuttle buses and a partnership with Uber. Parking will not be provided onsite.

Vice Media Incorporated | 99 North 10th Street | Brooklyn, New York 11211 | Phone 718 599 3101 | Fax 718 599 1769

August 18, 2014

Mr. Michael J. Deveney
Operations Manager, NYMT
90 Columbia St
Brooklyn NY 11201

Re: Nights by Absolut party

Dear Mr. Deveney,

On September 12, Vice and Absolut will host a free private party for 800-1,000 guests at Red Hook Container Terminal on September 12 from 7:00 PM to 11:00 PM.

Three DJ's will perform back-to-back sets on one stage positioned at the base of a crane at the end of Pier 9. A custom 13' diameter disco ball will hang from the crane's hoist, framed by an unforgettable view of the Manhattan skyline in the background.

Absolut signature cocktails will be served to guests from three bars. Two food trucks will serve local fare.

Transportation will be provided to assist guest arrival by shuttle buses and a partnership with Uber. Parking will not be provided onsite.

Please call with any questions.

Sincerely,

Mark Aceto
Senior Producer
