ARTICLE 3

RENT

3.01 Fixed Minimum Rent.

A. During the term of this Lease, Tenant agrees to pay to Landlord an annual fixed minimum rent, exclusive of Percentage Rent, in lawful money of the United States, in the following amounts (collectively, the "Fixed Rent"):

 for the first Lease Year commencing on the RCD; and

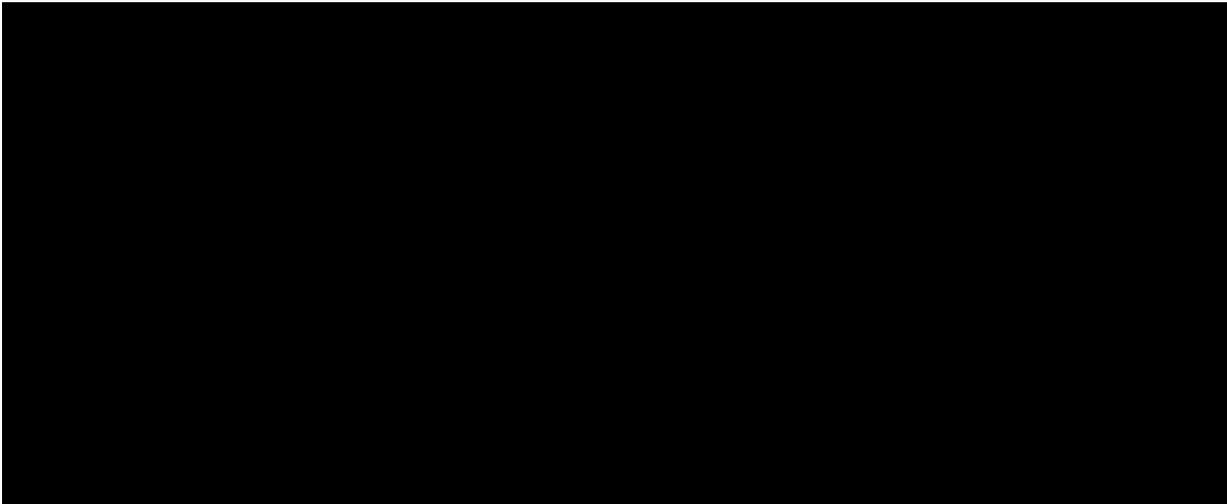

(ii) for each subsequent Lease Year an amount per annum equal to of the Fixed Rent for the immediately prior Lease Year.

B. [Intentionally omitted.]

C. Fixed Rent shall be payable in equal monthly installments in advance on the first day of each month during the term of this Lease commencing upon the RCD without any setoff or deduction whatsoever (except (x) that the first full monthly installment thereof shall be paid on the execution and delivery of this Lease and (y) as otherwise expressly provided herein). In the event that the RCD shall occur on a day other than the first day of a calendar month, the Fixed Rent for such month shall be prorated on a per diem basis.

3.02 Percentage Rent.

A. During the Term, Tenant shall pay to Landlord an amount (the "Percentage Rent") calculated in accordance with the terms of this Section 3.02. Percentage Rent shall be due and payable on a monthly basis on or before the tenth (10th) day following the end of each calendar month

B. Gross Sales shall not include the amount of sales or value of services which would have been received by Tenant with respect to any Landlord Visitors, or which would have been received by Tenant or its Affiliates or any permitted subtenants, licensees or concessionaires at or with respect to the Demised Premises but are provided without charge or at a reduced charge (which discount

1 shall not be included in Gross Sales, but the purchase price paid for such items shall be included in Gross  
2 Sales) for charitable or educational purposes pursuant to a community relations policy that has been  
3 approved in writing by Landlord and Net Lessor with respect to the Lease Year during which such  
4 services are provided. The following shall be deducted from Gross Sales for purposes of determining  
5 Percentage Rent (and each such deduction shall be shown on the Gross Sales statements delivered to  
6 Landlord pursuant to Sections 3.02E, 3.02F and 3.03 hereof): (i) any returns to shippers or  
7 manufacturers; (ii) cash or credit refunds to customers on transactions (not to exceed the actual selling  
8 price of the item returned) otherwise included in Gross Sales; (iii) credit card transaction fees withheld  
9 from customer transactions by third party credit card companies and not otherwise remitted to Tenant (or  
10 if remitted to Tenant, paid monthly to such credit card companies); (iv) payments by customers on  
11 transactions that are included in Gross Sales and that are determined to be uncollectible in accordance  
12 with GAAP (provided that any such amounts that are subsequently collected shall be included in Gross  
13 Sales upon receipt); (v) sales of trade fixtures, machinery and equipment after use thereof in the conduct  
14 of Tenant's business; (vi) gratuities actually paid to non-managerial employees of Tenant; (vii) amounts  
15 collected and paid by Tenant to any government for any sales tax with respect to sales or services  
16 included in Gross Sales; and (viii) amounts received by Tenant from its customers and passed through by  
17 Tenant directly to third-party vendors with respect to products or services that are not customarily  
18 provided by Tenant to customers in its day-to-day operations but are being provided by Tenant to its  
19 customers without mark-up in connection with catered events at the Premises. Tenant shall establish  
20 procedures acceptable to Landlord to track any amounts that are included in Gross Sales due to attributed  
21 value (i.e., promotional products and services) or not included in Gross Sales pursuant to this  
22 Section 3.02B.

23 C. As soon as practicable after the end of each Lease Year (but in no event later than  
24 30 days after the end of such Lease Year), the Percentage Rent paid or payable with respect thereto shall  
25 be adjusted between Landlord and Tenant, so that Tenant has paid Percentage Rent for such Lease Year  
26 equal to the applicable Percentage Rent Rate multiplied by the amount by which Tenant's Aggregate  
27 Gross Sales for such Lease Year exceed the applicable Percentage Rent Breakpoint. Tenant shall pay  
28 any underpayment to Landlord simultaneously with the delivery of the annual statement of Gross Sales  
29 required by Sections 3.02E, 3.02F and 3.03 hereof. Provided that Tenant is not then in default under any  
30 of the terms or covenants of this Lease, any overpayment shall be credited against Rent subsequently due  
31 (or, if such adjustment is to be made after the expiration of the Term, any overpayment shall be paid to  
32 Tenant within 30 days of its delivery of the annual statement of Gross Sales).

33 D. For the purposes of calculating Percentage Rent: (i) each Lease Year during the  
34 term of this Lease shall be considered an independent accounting period and the amount of Gross Sales  
35 in any Lease Year shall not be carried over into any other Lease Year; and (ii) in the event any Lease  
36 Year is less than a period of twelve calendar months (for example, in the first and last Lease Years  
37 during the Term), the Percentage Rent Breakpoint(s) shall be reduced by multiplying the breakpoint by a  
38 fraction, the numerator of which is the number of days in such Lease Year and the denominator of which  
39 is 365.

40 E. Tenant shall deliver to Landlord on or before the tenth (10th) day following each  
41 calendar month during the term of this Lease (including the tenth (10th) day of the month following the  
42 expiration or sooner termination of the Term) a written statement (on the form required by Landlord)  
43 detailing Gross Sales for each day during the applicable period certified by the chief financial officer of  
44 Tenant showing the amount of Gross Sales for each calendar month and for the Lease Year to date, in  
45 the aggregate and separately for different categories of income (e.g., ticket sales, food and beverage  
46 sales, merchandise sales, and other categories) as determined in accordance with the provisions of this  
47 Lease (including in its first report the amount of Gross Sales for the fractional calendar month, if any, at  
48 the commencement of the Term) (a "Monthly Statement"). If Tenant shall fail to deliver any Monthly

1 Statement to Landlord within said period, Landlord shall have the right thereafter to employ an  
2 independent certified public accountant to examine such books and records, including, without  
3 limitation, all records required by Section 3.03, as may be necessary to certify the amount of Tenant's  
4 Gross Sales for such month, and Tenant shall pay to Landlord the cost of such audit, as Additional Rent,  
5 within ten (10) days after Landlord's demand therefor. The Monthly Statement referred to herein shall  
6 be prepared in accordance with this Lease, and shall otherwise be generally in such form and style as  
7 provided in Exhibit CC, as the same may be reasonably updated from time to time by Landlord. The  
8 acceptance by Landlord of payments of Percentage Rent or reports thereon shall be without prejudice  
9 and shall in no case constitute a waiver of Landlord's right to review the applicable books and records or  
10 of Landlord's right to any further sums subsequently shown to be due for any period.

11 F. In addition, Tenant shall deliver to Landlord (i) within thirty (30) days after the  
12 close of each Lease Year and after the expiration or sooner termination of the Term, a statement of Gross  
13 Sales, in the aggregate and separately for different categories of income (e.g., ticket sales, food and  
14 beverage sales, merchandise sales, and other categories), as determined in accordance with this Lease,  
15 for the preceding Lease Year, such annual statement to be certified by an Approved Accountant or by the  
16 chief financial officer of Tenant (ii) as and when such statement is furnished to the taxing authority,  
17 copies of any sales tax, franchise tax, income tax or other statement furnished to any federal, state or  
18 local taxing authority showing the amount of Tenant's sales, whether or not such statement is required to  
19 list all income which is included within Gross Sales and (iii) not later than sixty (60) days after the  
20 expiration or earlier termination of this Lease, a statement certified by an Approved Accountant of all  
21 Gross Sales during the term of this Lease (each of the foregoing, "Annual Statement"). All Annual  
22 Statements shall be broken down separately for different categories of income. If Tenant shall fail to  
23 deliver such Annual Statement to Landlord within said period, Landlord shall have the right thereafter to  
24 employ an independent certified public accountant to examine Tenant's Books and Records, including,  
25 without limitation, all Books and Records required by Section 3.03, as may be necessary to certify the  
26 amount of Tenant's Gross Sales for such Lease Year, and Tenant shall pay to Landlord the cost of such  
27 audit, as Additional Rental, within ten (10) days after Landlord's demand therefor. The Annual  
28 Statement referred to herein shall be prepared in accordance with this Lease, and shall otherwise be  
29 generally in such form and style as provided in Exhibit DD, as the same may be reasonably updated from  
30 time to time by Landlord. The acceptance by Landlord of payments of Percentage Rent or reports  
31 thereon shall be without prejudice and shall in no case constitute a waiver of Landlord's right to review  
32 the applicable Books and Records and Landlord's right to any further sums subsequently shown to be  
33 due for any period.

34 G. Notwithstanding the foregoing, Tenant shall, as provided in this Section 3.02.G,  
35 be entitled to a credit against Percentage Rent equal to 50% of the aggregate costs incurred by Tenant (i)  
36 in excess of costs that exceed reasonable standards for a Premier Facility in a Comparable Building, due  
37 to Landlord and/or the Port Authority, as applicable, modifying and/or adding, after the Execution Date,  
38 to the Premises Expenses, to Tenant's requirements as set forth in Section 5.01D(d), to the Tenant's  
39 reimbursement requirements under Section 16.07(ii) and/or the Rules and Regulations as set forth in  
40 Section 26, (ii) in excess of the security cost baseline described in Exhibit S-1 due to Landlord and/or the  
41 Port Authority, as applicable, requiring security in excess of the baseline described in Exhibit S-1, and  
42 (iii) in connection with Tenant's cooperation required under Article 47 of this Lease. At Landlord's  
43 election, with respect to any of the aforementioned costs associated with the purchase of new equipment  
44 or other capital investment, then such cost shall be paid from the capital reserve established under  
45 Section 29.04 rather than credited against Percentage Rent. In the event Tenant believes it is entitled to  
46 any such credit, Tenant shall inform Landlord by Notice identifying such costs and the amount thereof  
47 (or an estimate of the amount for costs incurred by Landlord and reimbursed by Tenant), provided that  
48 (i) with respect to costs incurred by Tenant (and not incurred by Landlord and reimbursed by Tenant),  
49 Tenant shall provide Landlord with Notice and opportunity to modify or eliminate the requirement for

1 such costs before they are incurred and (ii) in any event Tenant's right to a credit shall expire for any  
2 such costs incurred by either Tenant or Landlord in a particular Expense Year if Notice thereof is not  
3 given within the time period allowed under Section 4.03.E(iii) for an audit of Landlord's books and  
4 records for such Expense Year. If following such Notice, the parties shall agree in writing, or it shall be  
5 ultimately determined by a final non appealable judgment of a court of competent jurisdiction, that  
6 Tenant is entitled to a credit hereunder, then such amount with interest at the Prime Rate accruing from  
7 the date of payment of the excess cost by Tenant shall be, at Landlord's option, either refunded to Tenant  
8 or credited against the payment(s) of Rent next coming due.

9                                   3.03           Rental Payments; Books and Records; Audit.

10                   A.       All Fixed Rent, Percentage Rent and Recurring Additional Rent shall be payable  
11 in lawful money of the United States by wire transfer of immediately available funds to such account as  
12 Landlord may from time to time direct in writing. All other Additional Rent payable under this Lease  
13 shall be paid either by (a) wire transfer of immediately available funds to such account as Landlord may  
14 from time to time direct in writing or (b) a check of Tenant drawn on a bank which is a member of The  
15 Clearing House Payments Company L.L.C. (or any successor thereto) remitted to such address as  
16 Landlord may from time to time direct in writing.

17                   B.       Tenant shall prepare and keep throughout the term of this Lease and thereafter  
18 for a period of not less than seven (7) years following the Expiration Date, complete and accurate books  
19 and records in such form as maintained by Tenant in accordance with Legal Requirements and in its  
20 ordinary course of business with respect to all operations in, from, at or with respect to the Premises  
21 including, without limitation, Gross Sales and all items of income, expense and other costs (collectively,  
22 the "Books and Records"). The Books and Records shall be maintained in accordance with GAAP and  
23 in such form as to allow Landlord to confirm the accuracy of the information contained in the Monthly  
24 Statement and Annual Statement, and shall include the Books and Records of all subtenants, licensees  
25 and concessionaries.

26                   C.       Within thirty (30) days after the end of each Lease Year, and forthwith upon the  
27 termination of this Lease, Tenant shall cause a complete audit of the records of Tenant relevant to a  
28 determination of the Gross Sales and a true and correct statement certified by an Approved Accountant  
29 shall be rendered to Landlord setting forth the Gross Sales for such Lease Year and specifying the  
30 Percentage Rent due with respect to such Lease Year, and the parties shall within ten (10) days after the  
31 end of such thirty (30) day period account to each other for the difference, if any, between (a) the  
32 aggregate of the Percentage Rent, which shall have been paid monthly on account, as aforesaid, and  
33 (b) the Percentage Rent due with respect to such Lease Year, and in such accounting Tenant shall pay  
34 any deficiency to Landlord, and Landlord shall, but only to the extent of the aggregate Percentage Rent  
35 paid monthly on account, allow to Tenant a credit against the next accruing payments of Percentage Rent  
36 due equal to any such overpayment by Tenant, except that upon expiration of the term of this Lease and  
37 receipt by Landlord of Tenant's audit, any such excess shall be promptly refunded by Landlord to  
38 Tenant.

39                   D.       At any time upon not less than five (5) days' prior notice to Tenant, Landlord  
40 shall have the right to perform a review of Tenant's Books and Records (and the books and records of  
41 any company which is owned or controlled by Tenant, Tenant's Parent or which is under Common  
42 Control with Tenant selling goods or performing services similar to those sold or performed by Tenant,  
43 as well as the books and records of all subtenants, licensees and concessionaries) relevant to any Annual  
44 Statement, which right may be exercised through any employee or agent of Landlord or any certified  
45 public accounting firm designated by Landlord and Tenant will make all such Books and Records  
46 available, or cause the same to be made available, for examination (and photocopying or duplicating) at

1 the Building or another location in Manhattan, by Landlord or its authorized representatives. If the  
2 results of such review show that Tenant's statement of Percentage Rent for any Lease Year has been  
3 understated then Tenant shall pay to Landlord, in addition to any deficiency payment required, interest  
4 on such deficiency payment accruing from the date such amounts were due under this Lease until the  
5 date actually paid at the Prime Rate. In addition, if such Percentage Rent has been understated by three  
6 percent (3%) or more, then Tenant shall pay to Landlord the actual cost of such review. Landlord's  
7 review results shall be binding and conclusive upon Landlord and Tenant unless Tenant submits any  
8 dispute with respect thereto to arbitration in accordance with Article 25 within thirty (30) days after a  
9 notice of the results of such review is delivered to Tenant.

10 E. Landlord and Tenant agree that, except as otherwise expressly set forth herein,  
11 the Fixed Rent and Percentage Rent shall be absolutely net to the Landlord without any abatement,  
12 deduction, counterclaim, set-off or offset whatsoever, so that this Lease shall yield to the Landlord the  
13 Fixed Rent and Percentage Rent payable in each year during the Term and, except as otherwise  
14 expressly provided in this Lease, the Tenant shall pay all costs, expenses and charges of every kind and  
15 nature relating to the Demised Premises and to the services and facilities provided by Landlord for the  
16 operation of the Demised Premises. Landlord and Tenant expressly agree that nothing in this Lease  
17 (including, without limitation, the payment of Fixed Rent or Percentage Rent by Tenant) shall create or  
18 be deemed to create any relationship between Landlord and Tenant, whether as partners, joint venturers,  
19 or otherwise, other than that of Landlord and Tenant under this Lease.

20 F. The obligations of Tenant in any and all Lease Years during the term of this  
21 Lease (i) to pay Rent and (ii) to keep its Books and Records in accordance with this Section 3.03 shall  
22 survive the termination of this Lease. Landlord's right to elect to review Tenant's Books and Records  
23 and to collect amounts that would have been payable hereunder during the term of this Lease shall  
24 survive the termination of this Lease.

25 3.04 Additional Rent; Arbitration of Additional Rent Claims. All adjustments  
26 of rent, costs, charges and expenses which Tenant is obligated to pay to Landlord pursuant to this  
27 Lease shall be deemed additional rent which Tenant covenants to pay when due. In the event of  
28 nonpayment, Landlord shall have all the rights and remedies with respect thereto as is herein provided  
29 for in case of nonpayment of Fixed Rent or Percentage Rent. Any disagreements with respect to the  
30 calculation of Additional Rent shall be resolved by arbitration pursuant to Article 25. All rent shall  
31 be payable by Tenant to Landlord, except as otherwise provided herein, without offset, reduction,  
32 counterclaim and/or deduction.

33 3.05 Legal Requirements. If any of the rent payable under the terms of this  
34 Lease shall be or become uncollectible; reduced or required to be refunded because of any rent  
35 control, federal, state or local law, regulation, proclamation or other Legal Requirement not currently  
36 in effect, Tenant shall enter into such agreement(s) and take such other steps (without additional  
37 expense to Tenant, the acceleration of any expense by Tenant or any other adverse effect on Tenant)  
38 as Landlord may reasonably request and as may be legally permissible to permit Landlord to collect  
39 the maximum rent which, from time to time, during the continuance of such legal rent restriction may  
40 be legally permissible (and not in excess of the amounts then reserved therefor under this Lease).  
41 Upon the termination of such legal rent restriction, (a) the Fixed Rent, Percentage Rent, and  
42 additional rent shall become and shall thereafter be payable in accordance with the amounts reserved  
43 herein for the periods following such termination and (b) Tenant shall promptly pay in full to  
44 Landlord (or, at Tenant's option, over a period of two (2) years in equal monthly installments with  
45 interest at the Prime Rate), unless expressly prohibited by applicable Legal Requirements, an amount  
46 equal to (i) rentals which would have been paid pursuant to this Lease but for such legal rent

1 outside of the Real Property, including any such costs and expenses incurred pursuant to the REOA and  
2 any costs paid by Landlord under the REOA.

3 C. [Intentionally Omitted.]

4 D. "Expense Year" shall mean each calendar year or portion thereof included within  
5 the Term.

6 E. [Intentionally Omitted.]

7 F. [Intentionally Omitted.]

8 G. "Tenant's Expense Share" shall be Three and 67/100 percent (3.67%).

9 H. "Premises Expenses" means Landlord's Cost incurred or paid in connection with  
10 services provided by Landlord to Tenant at Tenant's expense under Article 6, Article 7 or Section 12.01  
11 hereof including without limitation the costs and expenses identified as Premises Expenses on Exhibit L.

12 4.03 Tenant's Expense Payments.

13 A. For each Expense Year all or a portion of which occurs in or during the term of  
14 this Lease, Tenant shall pay to Landlord, as additional rent during and throughout such Expense Year, in  
15 the manner hereinafter provided, an amount equal to the Premises Expenses ("Tenant's Premises  
16 Expense Payment" or "Tenant's Expense Payment").

17 B.

18 (i) Prior to the RCD, Landlord shall deliver to Tenant by Notice a  
19 reasonably itemized statement of Landlord's reasonable good faith estimate (an "Expense Estimate") of  
20 the projected Premises Expenses for the portion of the Expense Year commencing on the RCD (which  
21 Expense Estimate shall be appropriately grossed-up to correspond to a full twelve (12)-month Expense  
22 Year). Landlord shall, prior to or following the commencement of each subsequent Expense Year, deliver  
23 to Tenant for such Expense Year (which estimate shall not exceed 105% (or such higher percentage  
24 which Landlord can reasonably document) of the Expense Estimate for the immediately preceding  
25 Expense Year). Tenant shall pay on the RCD and the first day of each month thereafter, as additional  
26 rent, together with the payment of Fixed Rent and the Fixed Expense Payment, an "Estimated Tenant's  
27 Expense Payment," which shall be equal to one-twelfth (1/12th) of the entire amount of such projected  
28 Premises Expenses. Until a new Expense Estimate of projected Premises Expenses is rendered, the  
29 Estimated Tenant's Expense Payment for any Expense Year shall be deemed to be one-twelfth (1/12th) of  
30 the total Estimated Tenant's Expense Payment for the preceding Expense Year. One time during any  
31 Expense Year, Landlord shall have the right to deliver by Notice a revised estimate (a "Revised  
32 Estimate") of projected Premises Expenses and Tenant's Premises Expense Payment to reflect, if  
33 Landlord can reasonably so estimate, known increases in Premises Expenses and Tenant's Premises  
34 Expense Payment for the then current Expense Year (provided, that Landlord can reasonably document  
35 such known increases and Landlord takes into account any known decreases in the current Expense Year  
36 from the previous Expense Year) and, as of the first day of the month following delivery of such Revised  
37 Estimate, Tenant shall pay the new amount for such month and each subsequent month of the then current  
38 Expense Year.

39 (ii) To the extent that at the time of furnishing of any Expense Estimate or  
40 Revised Estimate the aggregate monthly payments made during the preceding months of the Expense

1 Year in question are less than the amount that would have been paid if the installment required pursuant  
2 to such Expense Estimate or Revised Estimate had been made for such preceding months, the deficiency  
3 shall be due and payable in full as additional rent within thirty (30) days of Landlord's Notice with a  
4 statement to Tenant therefor. To the extent that there is an overpayment of such aggregate monthly  
5 payments by Tenant, Landlord shall permit Tenant to credit such overpaid amount without interest against  
6 the next installment(s) of Rent payable under this Lease, or, if no further Rent is payable under this Lease,  
7 Landlord shall promptly refund such overpaid amount without interest to Tenant. The provisions of this  
8 Section 4.03B(ii) shall survive the expiration or earlier termination of this Lease.

9 C. [Intentionally Omitted.]

10 D. [Intentionally Omitted.]

11 E. (i) Following the expiration of each Expense Year, Landlord shall submit to  
12 Tenant an Expense Statement, setting forth the Premises Expenses for the preceding Expense Year and  
13 the Tenant's Premises Expense Payment for such Expense Year, if any, due to Landlord from Tenant for  
14 such Expense Year. In the event that Tenant's Expense Payment due to Landlord for such Expense Year  
15 shall be greater than the aggregate of the Estimated Tenant's Expense Payments made by Tenant for such  
16 Expense Year, then, within thirty (30) days after receipt of such Expense Statement, Tenant shall make  
17 payment of any unpaid portion of the Tenant's Expense Payment. In the event the aggregate of the  
18 Estimated Tenant's Expense Payments made by Tenant for such Expense Year shall be more than the  
19 Tenant's Expense Payment for such Expense Year, then, Landlord shall permit Tenant to credit such  
20 excess amount without interest against the next installment(s) of Rent payable under this Lease, or, if no  
21 further Rent is payable under this Lease, Landlord shall promptly refund such excess amount without  
22 interest to Tenant.

23 (ii) Subject to this Section 4.03E, the failure by Landlord to deliver an  
24 Expense Statement at any time shall not prejudice Landlord's right to deliver same to Tenant or to receive  
25 Tenant's Expense Payments. Notwithstanding anything contained in this Lease to the contrary, (x) if  
26 Landlord shall fail to render an Expense Statement to Tenant within one (1) year after the end of the  
27 Expense Year in question, Tenant shall have the right to withhold payments on account of Premises  
28 Expenses until Landlord shall have rendered to Tenant the Expense Statement for the Expense Year in  
29 question (without any obligation to pay any interest thereon), at which time Tenant shall pay to Landlord  
30 within thirty (30) days after the receipt by Tenant of such Expense Statement, any payments on account of  
31 Premises Expenses withheld by Tenant for the Expense Year in question together with any other  
32 payments on account of Premises Expenses withheld by Tenant and (y) Tenant shall not be obligated to  
33 pay any net debit balance as a result of a reconciliation with respect to an Expense Statement for an  
34 Expense Year if Landlord shall not have rendered such Expense Statement within two (2) years after the  
35 end of the Expense Year in question.

36 (iii) The Expense Statements furnished to Tenant shall constitute a final  
37 determination as between Landlord and Tenant of the Premises Expenses for the periods represented  
38 thereby, unless Tenant, within one hundred eighty (180) days after they are furnished, shall give a Notice  
39 to Landlord that it disputes the accuracy or appropriateness of any of same, which Notice shall specify the  
40 particular respects in which the disputed Statement is inaccurate or inappropriate. Pending the resolution  
41 of such dispute, Tenant shall pay to Landlord both Tenant's Expense Payment in dispute and all Estimated  
42 Tenant's Expense Payments due in accordance with the latest Expense Estimate (or latest Revised  
43 Estimate, as the case may be) furnished by Landlord in accordance with Section 4.03B hereof. Tenant,  
44 and its accountants as described in clause (b) below in this Section 4.03.E(iii), shall have the right, from  
45 9:00 a.m. to 5:00 p.m. on Business Days and upon not less than ten (10) Business Days' prior Notice to  
46 Landlord, to examine Landlord's books and records with respect to any disputed Expense Statement,

1 provided (a) such examination is concluded on or before the date which is the earlier of (i) sixty (60) days  
2 following the commencement of such examination or (ii) two hundred forty (240) days after the Expense  
3 Statement in question was furnished to Tenant, (b) such examination may only be conducted by full-time,  
4 regular employees of an independent and reputable, certified public accounting firm, and such firm is not  
5 being compensated by Tenant for such services on a contingency or success fee basis (and, at Landlord's  
6 request, Tenant shall provide Landlord with evidence reasonably acceptable to Landlord of same, and any  
7 materials respecting the compensation of such firm shall be subject to audit by Landlord hereunder) and  
8 (c) Tenant delivers a confidentiality agreement to Landlord with respect to such dispute and such  
9 examination in form and substance reasonably satisfactory to Landlord and Tenant. If following such  
10 examination, the parties shall agree in writing, or it shall be ultimately determined by arbitration, that  
11 (i) Tenant overpaid Tenant's Expense Payment for any Expense Year, then such excess with interest at the  
12 Prime Rate accruing from the date of such overpayment shall be, at Landlord's option, either refunded to  
13 Tenant or credited against the payment(s) of Rent next coming due and (ii) Tenant underpaid Tenant's  
14 Expense Payment for any Expense Year, then such shortfall with interest at the Prime Rate accruing from  
15 the date of such underpayment shall be paid by Tenant within twenty (20) days thereafter. If Tenant shall  
16 not have commenced an arbitration pursuant to Article 25 hereof in respect of an Expense Statement  
17 which Tenant shall have disputed in accordance with this Section 4.03E within two hundred forty (240)  
18 days after such Expense Statement was initially furnished to Tenant, then such Expense Statement shall  
19 be conclusive and binding upon Tenant. Landlord shall pay the reasonable and customary out-of-pocket  
20 costs of Tenant's examination of its books and records if it is finally determined that a discrepancy of  
21 greater than ten percent (10%) exists between the amount charged to Tenant in respect of Premises  
22 Expenses and the amount actually owed by Tenant with respect of Premises Expenses pursuant to the  
23 terms of this Article 4.

24 F. If the date of expiration or termination of this Lease, whether or not same is the  
25 Expiration Date or another date prior or subsequent thereto, is not the last day of an Expense Year, then  
26 the Tenant's Expense Payment shall be prorated based upon the number of days of the applicable  
27 Expense Year within the term. With respect to the year in which the term expires or terminates, such  
28 pro rata portion shall, within thirty (30) days of Landlord's rendition of an Expense Statement therefor  
29 together with the annual statements of the Premises Expenses for that Expense Year, become due and  
30 payable by Tenant to Landlord, if it has not theretofore already been paid. Prior to the receipt by Tenant  
31 of the aforementioned Expense Statement from Landlord, Tenant shall continue to make Estimated  
32 Tenant's Expense Payments to Landlord in accordance with the other applicable terms of this Article 4.  
33 To the extent that there is an overpayment of such aggregate monthly payments by Tenant, Landlord  
34 shall permit Tenant to credit such overpaid amount without interest against the next installment(s) of  
35 Rent payable under this Lease, or, if no further Rent is payable under this Lease, Landlord shall  
36 promptly refund such overpaid amount without interest to Tenant. The provisions of this Section 4.03F  
37 shall survive the expiration or earlier termination of this Lease.

38 G. Electricity, condenser water, domestic water, and other utilities included in  
39 Premises Expenses shall, to the extent practicable, as reasonably determined by Landlord, be metered or  
40 submetered. All meters or submeters for measuring utilities included in Premises Expenses shall be  
41 installed, maintained and repaired or replaced by Tenant, at its expense. Any such meter or submeter  
42 which is found to be inaccurate shall be replaced and there shall be a retroactive adjustment for payments  
43 made based on such inaccurate meter. For any utility service which cannot practically be metered or  
44 submetered, as reasonably determined by Landlord, Tenant's use or consumption shall be deemed to be  
45 the connected load of the equipment utilizing such service (except that the charges for unmetered electric  
46 service shall be as set forth in Section 7.01B).

47 4.04 Tenant's CAM Payments.

1           A. For each Expense Year all or a portion of which occurs in or during the term of  
2 this Lease, Tenant shall pay to Landlord, as additional rent for such Expense Year, in the manner  
3 hereinafter provided, an amount equal to the product obtained by multiplying (x) 115,578 by (y) the  
4 CAM Rate (such amount being herein called the "Tenant's CAM Payment").

5           B. Tenant shall pay Tenant's CAM Payment at the same time and in the same  
6 manner as Tenant makes payments of Estimated Tenant's Expense Payments pursuant to Section 4.03  
7 hereof. Each Expense Estimate and Revised Estimate delivered pursuant to Section 4.03B hereof, and  
8 each Expense Statement delivered pursuant to Section 4.03E hereof, shall include a separate calculation  
9 of Tenant's CAM Payment.

10           C. If the date of expiration or termination of this Lease, whether or not same is the  
11 Expiration Date or another date prior or subsequent thereto, is not the last day of an Expense Year, then  
12 the Tenant's CAM Payment shall be prorated based upon the number of days of the applicable Expense  
13 Year within the term.

14           4.05           Tenant's PILOT Payments; Tenant's Tax Payments.

15           A. For purposes of this Section 4.05:

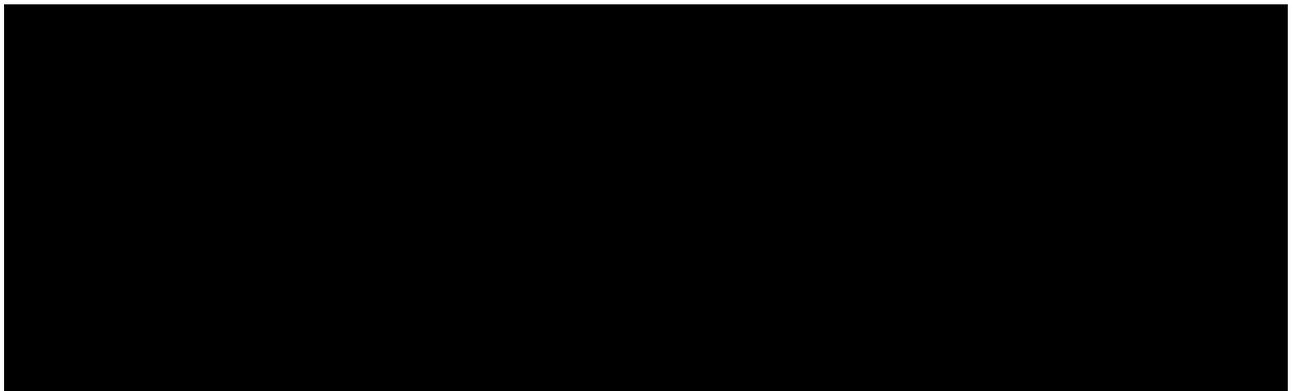

16                       (i) "PILOT" shall mean the computation of payments in lieu of taxes  
17 pursuant to the PILOT Agreement.

18                       (ii) "PILOT Agreement" shall mean that certain Restated and Amended  
19 Agreement between the Port Authority and the City of New York, dated as of November 24, 2004, as the  
20 same has been and may hereafter be amended from time to time.

21                       (iii) [Intentionally Omitted.]

22                       (iv) "PILOT Escalator" shall mean the "Escalator" (as such term is defined  
23 in the PILOT Agreement), as finally determined in accordance with the PILOT Agreement. The PILOT  
24 Escalator for 2012/2013 is shown on Exhibit M as the product of (A) and (B) on such Exhibit M.

                      (v) "PILOT Rate"

37  
38                       (vi) "PILOT Semi-Annual Period" shall mean each "Semi-Annual Period" (as  
39 such term is defined in the PILOT Agreement).

1 (vii) "PILOT Space" shall mean those portions of the Demised Premises in  
2 respect of which PILOT is payable pursuant to the PILOT Agreement, as finally determined between  
3 Landlord (or the Port Authority) and the City of New York pursuant to the PILOT Agreement.

4 (viii) "PILOT Square Feet" shall mean the number of "Gross Square Feet" (as  
5 such term is defined in the PILOT Agreement) of the PILOT Space, as finally determined between  
6 Landlord (or the Port Authority) and the City of New York pursuant to the PILOT Agreement.

7 (ix) [Intentionally Omitted.]

8 (x) "Tax Year" shall mean each successive New York City real estate fiscal  
9 year commencing on July 1st and expiring on June 30th. If the present use of July 1 to June 30 real estate  
10 tax year shall change, then such changed tax year shall be used with appropriate adjustment for the  
11 transition.

12 (xi) "Taxes" shall mean (a) the amount finally determined to be legally  
13 payable, by legal proceedings or otherwise, of all real estate taxes which shall be levied, assessed or  
14 imposed, or become due and payable or become liens upon, or arise in connection with the use,  
15 occupancy or possession of, the Real Property or any part thereof or interest therein during the term of  
16 this Lease (without taking into consideration any abatement, exemption and/or deferral applicable to the  
17 Real Property), (b) any assessments, special and extraordinary assessments, and government levies  
18 imposed upon or with respect to the Real Property, including business improvement district charges  
19 (exclusive of any abatements, exemptions and/or deferrals) and (c) any franchise, income, profit, value  
20 added, use, or other tax imposed in whole or partial substitution for, or in lieu of an increase (in whole or  
21 part) in such real estate taxes, whether due to a change in the method of taxation or otherwise, exclusive  
22 of any abatements, exemptions and/or deferrals, it being understood and agreed that the portion of the  
23 Taxes so computed hereunder may be a different amount than the real estate taxes actually payable by  
24 Landlord in any Tax Year because of any such abatements, exemptions and/or deferrals. The benefit of  
25 any discount for any early payment or prepayment of Taxes shall accrue solely to the benefit of Landlord  
26 and such discount shall not be subtracted from Taxes.

27 B. Commencing with the PILOT Semi-Annual Period in which the RCD occurs, all  
28 or a portion of which occurs in or during the term of this Lease, Tenant shall pay to Landlord, as  
29 additional rent for such PILOT Semi-Annual Period, in the manner hereinafter provided, an amount  
30 equal to one-half of the product obtained by multiplying (x) the PILOT Square Feet contained in the  
31 PILOT Space as of the first day of the previous PILOT Semi-Annual Period, by (y) the PILOT Rate for  
32 such PILOT Semi-Annual Period, (such amount being herein called the "Tenant's PILOT Payment").  
33 Tenant's PILOT Payment shall be pro-rated for any partial PILOT Semi-Annual Period at the beginning  
34 of the Term. An example of the computation of Tenant's PILOT Payment is attached hereto as  
35 Exhibit M.

36 C. Landlord shall, prior to or following the commencement of each PILOT  
37 Semi-Annual Period that is wholly or partially included in the Term, deliver to Tenant by Notice a  
38 statement (a "PILOT Statement") setting forth Landlord's calculation of Tenant's PILOT Payment for  
39 such PILOT Semi-Annual Period. Each PILOT Statement shall contain a certification from an officer of  
40 Landlord or its managing agent that the PILOT Square Feet and the PILOT Escalator used in calculating  
41 Tenant's PILOT Payment set forth in such statement are the PILOT Square Feet and PILOT Escalator for  
42 such PILOT Semi-Annual Period. Tenant's PILOT Payment (or the balance thereof remaining after  
43 crediting Tenant for any estimated payments made by Tenant for such period as hereinafter in this  
44 Section 4.05C provided) shall be due and payable within thirty (30) days after Landlord shall have  
45 submitted to Tenant Notice with a PILOT Statement with respect thereto. Commencing with the first

1 PILOT Semi-Annual Period for which Tenant's PILOT Payment is due hereunder and for each  
2 subsequent PILOT Semi-Annual Period during the term of this Lease (but not sooner than thirty (30)  
3 days following receipt of a PILOT Estimate Statement, hereinafter defined, from Landlord), Landlord  
4 shall deliver to Tenant a reasonable estimate of Tenant's PILOT Payment for the following PILOT  
5 Semi-Annual Period, such estimate to be set forth in a written statement prepared by Landlord or its  
6 managing agent and furnished to Tenant (a "PILOT Estimate Statement"). Tenant shall pay one-sixth of  
7 the estimated Tenant's PILOT Payment set forth in such PILOT Estimate Statement, as additional rent,  
8 in equal monthly installments on the first day of each calendar month thereafter until a new PILOT  
9 Estimate Statement is furnished to Tenant. In the event the total estimated payments made by Tenant for  
10 any PILOT Semi-Annual Period shall exceed the actual amount of Tenant's PILOT Payment due from  
11 Tenant for such PILOT Semi-Annual Period, then Landlord shall permit Tenant to credit such overpaid  
12 amount without interest against the next installment(s) of Rent payable under this Lease, or, if no further  
13 Rent is payable under this Lease, Landlord shall promptly refund such overpaid amount without interest  
14 to Tenant.

15 D. In the event that, following the delivery of a PILOT Statement by Landlord,  
16 either (x) the PILOT Square Feet comprising the Demised Premises applicable to the PILOT  
17 Semi-Annual Period covered thereby, or (y) the PILOT Rate used to calculate the Escalator for such  
18 PILOT Semi-Annual Period modified pursuant to the PILOT Agreement (e.g., by reason of an appeal by  
19 the Port Authority and/or Landlord, a change in the assessed valuation of any property used in  
20 calculating the PILOT Escalator, or otherwise), Landlord shall promptly deliver to Tenant a revised  
21 PILOT Statement. If the amount of Tenant's PILOT Payment previously paid by Tenant for such PILOT  
22 Semi-Annual Period is less than the amount of Tenant's PILOT Payment shown on such revised PILOT  
23 Statement, Tenant shall, within thirty (30) days after its receipt of such revised PILOT Statement, pay to  
24 Landlord the amount of the shortfall. If the amount of Tenant's PILOT Payment previously paid by  
25 Tenant for such PILOT Semi-Annual Period is greater than the amount of Tenant's PILOT Payment  
26 shown on such revised PILOT Statement, Landlord shall permit Tenant to credit such overpaid amount  
27 without interest against the next installment(s) of Rent payable under this Lease or, if no further Rent is  
28 payable under this Lease, promptly refund such overpaid amount without interest to Tenant.

29 E. Subject to Section 4.05D hereof, each PILOT Statement furnished to Tenant shall  
30 constitute a final determination as between Landlord and Tenant of Tenant's PILOT Payment for the  
31 PILOT Semi-Annual Period represented thereby, unless Tenant, within forty-five (45) days after it is  
32 furnished, shall give a Notice to Landlord that it disputes the accuracy of Landlord's calculation of  
33 Tenant's PILOT Payment set forth therein. Tenant's failure to raise any such dispute within such  
34 forty-five (45) day period shall not affect Tenant's right to a credit pursuant to the terms of  
35 Section 4.05D hereof. In the event Landlord and Tenant are unable to resolve any such dispute within a  
36 period of thirty (30) days following such dispute Notice, then either party may submit such dispute for  
37 resolution by arbitration in accordance with Article 25 hereof. Pending the resolution of such dispute,  
38 Tenant shall continue to pay Tenant's PILOT Payment in accordance with Landlord's PILOT Statement  
39 and estimated payments in respect thereof in accordance with Section 4.05C hereof. In the event it is  
40 determined in connection with the resolution of such dispute that Tenant has overpaid Tenant's PILOT  
41 Payment, Landlord shall permit Tenant to credit such overpaid amount without interest against the next  
42 installment(s) of Rent payable under this Lease or, if no further Rent is payable under this Lease,  
43 promptly refund such overpaid amount without interest to Tenant. In no event may Tenant dispute the  
44 calculation of the amount of the PILOT Escalator absent manifest mathematical error. The provisions of  
45 this Section 4.05E shall survive the expiration or earlier termination of this Lease.

46 F. If the date of expiration or termination of this Lease, whether or not same is the  
47 Expiration Date or another date prior or subsequent thereto, is not the last day of a PILOT Semi-Annual  
48 Period, then Tenant's PILOT Payment shall be prorated based upon the number of days of the applicable

1 PILOT Semi-Annual Period within the term. With respect to the PILOT Semi-Annual Period in which  
2 the term expires or terminates, such pro rata portion shall, within thirty (30) days of Landlord's rendition  
3 of a PILOT Statement therefor, become due and payable by Tenant to Landlord, if it has not theretofore  
4 already been paid. To the extent that there is an overpayment based on any estimated Tenant's PILOT  
5 Payments for such period previously made by Tenant, Landlord shall permit Tenant to credit such  
6 overpaid amount without interest against the next installment(s) of Rent payable under this Lease or, if  
7 no further Rent is payable under this Lease, promptly refund such overpaid amount without interest to  
8 Tenant. The provisions of this Section 4.05F shall survive the expiration or earlier termination of this  
9 Lease.

10 G. (i) Notwithstanding anything to the contrary contained in this Section 4.05,  
11 in the event that at any time during the Term the Real Property shall become subject to Taxes by reason  
12 of the termination of the PILOT Agreement, the transfer of the Real Property (or any interest therein) to  
13 a non-governmental entity, or otherwise, Tenant shall thereafter pay, in lieu of Tenant's PILOT Payment,  
14 an amount ("Tenant's Tax Payment") equal to Tenant's Expense Share (which shall be adjusted for  
15 purposes of calculating Tenant's Tax Payment to add any space in the Building or the Demised Premises  
16 which is subject to Taxes but was not included in the computation of Tenant's Expense Share for the  
17 calculation of Tenant's Expense Payment or to subtract any space in the Building or the Demised  
18 Premises which is not subject to Taxes but was included in the computation of Tenant's Expense Share  
19 for the calculation of Tenant's Expense Payment) of the Taxes for the Real Property for each Tax Year.  
20 In such event, Landlord shall make reasonable estimates of Tenant's Tax Payment with respect to the  
21 then current or any forthcoming Tax Year and Tenant shall be required to pay such estimated amounts in  
22 such installments and amounts as Landlord may reasonably require (or as may otherwise be required by  
23 a taxing authority, mortgagee or otherwise), in advance, on the first day of each month, based upon  
24 delivery of an "Estimated Tax Statement." If there shall be any increase in Taxes for any Tax Year, prior  
25 to or during such Tax Year, Landlord may deliver to Tenant a revised Estimated Tax Statement, and  
26 Tenant's Tax Payment for such Tax Year shall be appropriately adjusted. In the event of any increase in  
27 Taxes, Tenant shall, within twenty (20) days of rendition of such revised Estimated Tax Statement, pay  
28 to Landlord the amount of any underpayment of Tenant's Tax Payment with respect to such Tax Year.  
29 In the event of any decrease in Taxes for any Tax Year for which Tenant has made a Tenant's Tax  
30 Payment, Landlord shall either pay to Tenant, or at Landlord's election, credit against subsequent  
31 payments of Rent, the amount of any overpayment. At any time after, during or prior to the end of each  
32 Tax Year, Landlord shall cause the actual amount of Tenant's Tax Payment to be computed and a "Final  
33 Tax Statement" to be given to Tenant. If such Final Tax Statement shall show a deficiency, Tenant shall  
34 pay such amount to Landlord within twenty (20) days; if it shall show that Tenant has made an  
35 overpayment, Landlord shall either pay to Tenant, or at Landlord's election, credit against subsequent  
36 payments of Rent, the amount of such overpayment.

37 (ii) The Final Tax Statements furnished to Tenant shall constitute a final  
38 determination as between Landlord and Tenant of the Taxes for the periods represented thereby, unless  
39 (a) the Taxes for any such period are subsequently reduced by tax certiorari proceedings or otherwise (in  
40 which event the Final Tax Statement for such adjusted Taxes shall be conclusive and binding, subject to  
41 subsection (b) of this Section), or (b) Tenant, within forty-five (45) days after they are furnished, shall  
42 give a Notice to Landlord that it disputes the accuracy or appropriateness of any of same, which Notice  
43 shall specify the particular respects in which the disputed Final Tax Statement is inaccurate or  
44 inappropriate. Pending the resolution of such dispute, Tenant shall pay Tenant's Expense Share of Taxes  
45 to Landlord in accordance with the Estimated Tax Statements and/or Final Tax Statements furnished by  
46 Landlord. Tenant shall have the right to receive a copy of any tax bill or statement from the applicable  
47 taxing authority upon which the disputed Final Tax Statement is based within twenty (20) days after  
48 demand therefor. Tenant may not dispute Estimated Tax Statements.

1 (iii) An appropriate proration shall be made as between Tenant's PILOT  
2 Payment and Tenant's Tax Payment in respect of the Tax Year in which the Real Property first becomes  
3 subject to Taxes. If the date of expiration or termination of this Lease (except for termination for Tenant's  
4 default), whether or not same is the Expiration Date or another date prior or subsequent thereto, is not the  
5 last day of a Tax Year, then Tenant's Tax Payment shall be prorated based upon the number of days of the  
6 applicable Tax Year within the period. With respect to the year in which the term of this Lease expires or  
7 terminates, such pro rata portion shall be payable by Tenant to Landlord within twenty (20) days  
8 following delivery of an invoice therefor if it has not theretofore already been paid, and Landlord, as soon  
9 as reasonably practicable, shall cause the annual statements of the Taxes for that Tax Year to be prepared  
10 and furnished to Tenant. Landlord and Tenant thereupon shall make appropriate adjustments of all  
11 amounts then owing.

12 4.06 Fixed Expense Payments.

13 A. During the term of this Lease commencing on the RCD (and on the first day of  
14 each month thereafter), together with the payment of Fixed Rent and the Estimated Tenant's Expense  
15 Payment, Tenant shall pay, as additional rent, annual fixed expense payments (individually, a "Fixed  
16 Expense Payment" and collectively, the "Fixed Expense Payments") at the following rates (each such  
17 payment shall be equal to one-twelfth (1/12th) of the annual amounts below, which amounts are subject  
18 to increase in the manner set forth in Section 4.06B hereof);

19 (i) Use of the loading dock by Tenant during Freight Operating Hours:

20 [REDACTED]

21 (ii) Use of the Common Freight Elevators by Tenant during Freight

22 [REDACTED]

23 (iii) Tenant's portion of the cost incurred by Landlord to provide, maintain  
24 and empty the dumpster facilities for the Building (other than for wet garbage: [REDACTED])

25 (iv) HVAC service to the portions of the Premises located on the ground  
26 floor and the B2 Level during Premises Operating Hours that are outside of Office Operating Hours: [REDACTED]

27  
28 (v) Exterior window washing of the Premises: [REDACTED]

29 B. Each of the above amounts shall be for the calendar year in which the Rent  
30 Commencement Date occurs, and for each subsequent calendar year shall be an amount equal to  
31 [REDACTED] of the amount for the immediately prior calendar year.

32 4.07 Survival. The executory provisions of this Article 4 shall survive the expiration  
33 or earlier termination of the term of this Lease. In no event shall the Fixed Rent and/or Fixed Expense  
34 Payments under this Lease be reduced by virtue of this Article 4 or any provision hereof except to the  
35 extent Tenant is entitled to a credit or credits against such Fixed Rent and/or Fixed Expense Payments  
36 with respect to any overpayment as herein in this Article 4 expressly provided.

37 ARTICLE 5

38 USE

39  
40 5.01 Observation Deck Uses.

1           A.     Tenant shall use and occupy the Observation Deck as (i) a public observation  
2 deck and observatory that provides a unique interactive visitor experience, and (ii) ancillary service-type  
3 retail uses for such observation deck, which shall include gift shop facilities, food and beverage facilities  
4 for visitors to the Observation Deck, an event venue, and related advertising and marketing activities  
5 permitted under this Lease (the uses described in clause (ii), together with the uses described in  
6 clause (i), the "Floor 100-102 Uses"). Tenant shall use and occupy the Observation Deck Exclusive  
7 Lobby only for ticket sales, security screening, coat check services, waiting areas (together with, if  
8 approved by the tenant under the Condé Nast Lease, ancillary beverage, cold food and gift shop  
9 facilities) and event support activities such as event registration, and the like (the "Exclusive Lobby  
10 Uses"). Tenant may not use the Observation Deck Public Lobby for any purposes other than access and  
11 egress to the Observation Deck Exclusive Lobby (the "Public Lobby Use").

12           B.     Tenant shall seek, to the maximum extent practicable, to limit queuing of visitors  
13 to areas within the Demised Premises, including without limitation by the use of a time-ticketing  
14 admission system and operational protocols. If necessary during atypical overflow periods, Tenant may  
15 queue ticket-holding visitors on a portion of the West Plaza in accordance with a plan approved in  
16 advance by Landlord in writing, which approval shall not be unreasonably withheld, conditioned or  
17 delayed provided that it complies with standards for Premier Facilities. At least two (2) months prior to  
18 the time Tenant submits Tenant's Architectural Plans and Tenant's Engineering Plans to Landlord for  
19 Landlord's approval in accordance with Exhibit J, Tenant shall provide an initial queuing plan to  
20 Landlord for such approval, and may thereafter modify the queuing plan from time to time with such  
21 approval by Landlord. Tenant's queuing plan shall describe the limited circumstances under which  
22 queuing will be permitted, the specific locations where queue lines will be located, the barriers that will  
23 be used to form the queue lines, the maximum size of queue lines, the staffing and placement of visitor  
24 service representatives and security personnel, and the procedures for admitting visitors to the Demised  
25 Premises. In no event shall queue lines be allowed to obstruct or discourage use of the Observation Deck  
26 Public Lobby by members of the public for travel to and from the below-grade areas of the World Trade  
27 Center or to obstruct or discourage use of seating areas in the West Plaza. No entertainment or  
28 programming shall be provided on the West Plaza without Landlord's prior written approval in its sole  
29 discretion.

30           C.     The high walls and ceiling of the Observation Deck Public Lobby on the ground  
31 floor will be cleaned, maintained and repaired using the same specialized lift used by Landlord for the  
32 Main Lobby of the Building (which may change from time to time). Tenant shall keep the ground floor  
33 portion of the Observation Deck Public Lobby free and clear of obstructions or impediments to the use  
34 of such lift. Any furniture, equipment or installations in the ground floor portion of the Observation  
35 Deck Public Lobby shall require Landlord's approval, which may be revoked at any time if there is an  
36 obstruction or impediment to use of the particular lift then employed by Landlord.

37           D.     The Floor 100-102 Uses, Exclusive Lobby Uses and Public Lobby Use, each as  
38 applicable to its respective portion of the Demised Premises, are collectively referred to in this Lease as  
39 the "Observation Deck Uses" and shall be designed, constructed, maintained and operated in accordance  
40 with the Tenant Business Plan as provided in Section 5.11 and consistent with the LEED certification for  
41 the Building, standards for the World Trade Center and with then-existing Premier Facility Standard.  
42 The respective portions of the Demised Premises shall only be used for the Floor 100-102 Uses,  
43 Exclusive Lobby Uses, and Public Lobby Use, as applicable, and for no other purpose; provided  
44 (a) Tenant complies with all applicable provisions of this Lease in connection with the foregoing uses,  
45 (b) Tenant obtains (at its cost and expense) any and all required permits, licenses and certificates for the  
46 Observation Deck Uses, (c) Tenant performs (or has performed) and pays for any necessary  
47 extermination, exhaust or ventilation (in excess of any exhaust or ventilation provided by Landlord at its  
48 expense as part of Basic Construction upon and subject to the terms of the Work Letter) and cleaning

1 necessitated by the use of such space for the Observation Deck Uses, (d) Tenant shall comply with the  
2 requirements set forth on Exhibit KK concerning all food preparation and food service facilities and any  
3 additional requirements reasonably imposed by Landlord in connection with any of the uses permitted  
4 hereunder, (e) no Observation Deck Use may constitute "manufacturing" under any applicable Legal  
5 Requirements and (f) no Observation Deck Use shall affect the exterior appearance of the Building,  
6 including without limitation by colored lights, strobe lights, lasers or other special lighting visible from  
7 outside the Building. No event or function may be held in the Demised Premises without Landlord's  
8 prior approval, in its sole discretion, if (i) the event or function by its nature (e.g. the nature of the  
9 sponsor, speaker, or invited guests) is reasonably expected to generate special security concerns outside  
10 the Demised Premises and in or around the Building or (ii) Landlord has notified Tenant that the same or  
11 a similar event or function has been prohibited in other space in the Building based on security concerns  
12 which Tenant is unwilling or unable to satisfy. The Demised Premises may not be open for business  
13 earlier than 8:00 A.M. or later than 12:00 midnight without Landlord's reasonable approval. The  
14 Observation Deck Uses shall include the types of uses set forth in the Tenant Business Plan to the extent  
15 that such uses comply with all the terms and conditions of this Lease.

16 E. The conduct of Tenant's business in the Demised Premises (including all  
17 maintenance, operation and repair obligations and other services performed by Tenant on its own behalf  
18 pursuant to the terms of this Lease, including the terms of Article 6 hereof) shall not be done in a manner  
19 which would (i) disturb harmony with any trade engaged in performing any other work in the Building  
20 (including the creation of any work slowdown, sabotage, strike, picket or jurisdictional dispute) and (ii)  
21 in Landlord's reasonable determination, create any actual interference with the operation of the Building  
22 (other than the Demised Premises) and/ or the operations of other tenants. Tenant shall immediately take  
23 all actions necessary to avoid any such disturbance if Landlord delivers a Notice to Tenant that its  
24 operations are disturbing harmony with any trade engaged in performing any work in the Building (other  
25 than for the Demised Premises) and in Landlord's reasonable determination are creating actual  
26 interference with the operation of the Building and/or the operations of other tenants. Landlord and  
27 Tenant shall cooperate with one another in all reasonable respects to avoid any such labor disharmony.  
28 If Landlord delivers such a Notice to Tenant, and Tenant fails to eliminate such actual interference  
29 within 24 hours after the Notice is given, then without limiting Landlord's other rights and remedies  
30 Tenant hereby agrees to defend, save and hold Landlord harmless from any and all loss arising after such  
31 24 hour period has expired from any labor disharmony arising from Tenant's business, including any  
32 reasonable attorneys' fees and any claims made by third parties. Tenant may at any time utilize Tenant's  
33 employees to conduct its business whether or not such employees shall be unionized; provided, however,  
34 that such employees shall be properly licensed if required by applicable Legal Requirements and shall  
35 not cause labor disharmony in the Building as described in the first sentence of this Section 5.01E.

36 F. Tenant is very committed to the New York/New Jersey region, which includes its  
37 goal of engaging more minority and women-owned businesses in its operations. Tenant intends to provide  
38 meaningful opportunities for these businesses to bid on contracts and subcontracts to enable more  
39 widespread participation in its business activities. Tenant agrees to use commercially reasonable efforts  
40 when economically feasible to take the following steps in connection with this Lease:

41 (1) Place qualified minority and women-owned business enterprises on its  
42 solicitation list;

43 (2) Assure that minority and women-owned business enterprises are solicited  
44 whenever they are potential sources;

1 (3) Divide project requirements, when logistically and economically  
2 feasible, into small tasks or quantities to permit maximum participation by minority and women owned  
3 business enterprises;

4 (4) Use the services and assistance of the Small Business Administration  
5 (Federal construction contractor data now maintained in www.ccr.gov (the Central Contractor  
6 Registration)), the Minority Business Development Agency Department of Commerce and the Port  
7 Authority of New York and Jersey's Office of Business and Job Opportunity; and

8 (5) Require the prime contractor, if subcontracts are to be let, to take the  
9 affirmative steps in Sections 5.01F(1) through (4) above.

10 Through these efforts, Landlord's managing agent hopes to enhance participation of minority and women-  
11 owned businesses in its projects and the construction industry.

12 5.02 Prohibited Uses. The use of the Demised Premises for the purposes  
13 specified in Section 5.01 shall not include:

14 (1) any office uses, other than offices for the business operated in the  
15 Demised Premises;

16 (2) any services provided to customers other than as described in the Tenant  
17 Business Plan or otherwise approved by Landlord;

18 (3) the conduct of an auction except in connection with Tenant's business or  
19 as part of Tenant's eleemosynary activities but subject to all applicable Legal Requirements and  
20 reasonable regulations or restrictions of Landlord with respect to the time and scope of the conduct of any  
21 such auction;

22 (4) the conduct of any gambling activities (except as part of Tenant's  
23 eleemosynary activities but subject to all applicable Legal Requirements and reasonable regulations and  
24 restrictions);

25 (5) any use prohibited by the Rules and Regulations attached hereto and  
26 made a part hereof as Exhibit N;

27 (6) the sale or display of obscene material, or the use of any space for the  
28 conduct of any obscene or nude live performances, or as a sex club of any sort, or as a "massage parlor,"  
29 or for any similar, or related purpose;

30 (7) any retail uses that are not expressly included in the definition of  
31 Observation Deck Uses; or

32 (8) any activities that are not described in the Tenant Business Plan.

33 5.03 Prohibited Items. Tenant shall not use, occupy, suffer or permit the  
34 Demised Premises (or any part thereof) to be used in any manner, or suffer or permit anything to be  
35 brought into or kept therein, which would (a) make unobtainable at standard rates from a reputable  
36 insurance company authorized to do business in New York State fire insurance or liability, elevator,  
37 boiler, umbrella or other insurance customarily carried by landlords of first-class office buildings in  
38 Manhattan, (b) cause, or be likely to cause, injury or damage to the Building or to any Building

1 equipment or to the Demised Premises, (c) constitute a public or private nuisance, (d) emit  
2 objectionable fumes, vibrations, heat, chilled air, vapors or odors into or from the Building or the  
3 Building equipment, or (e) interfere with any of the Building services (except if such interference is  
4 temporary, is coordinated with Landlord and does not affect any other tenant of the Building),  
5 including the furnishing of electrical energy, or the proper and economical cleaning, heating,  
6 ventilating, air conditioning or other services servicing the Building (other than the Demised  
7 Premises). In addition, Tenant shall conduct its business in the Premises throughout the term in such  
8 a manner that does not create any noise or vibration which, in Landlord's reasonable discretion, would  
9 be objectionable to members of the public using the Observation Deck Public Lobby, would be heard  
10 or felt in the Main Lobby of the Building or other areas outside the Demised Premises at levels that  
11 would make the noise level in the Main Lobby exceed NC 35 (except for special circumstances (e.g.,  
12 public announcements)), or which would otherwise impair or interfere with the use or enjoyment by  
13 any other tenant of any other space in the Building.

14                   5.04           Licenses and Permits. Subject to the terms of the Work Letter, if any  
15 governmental license or permit shall be required for the proper and lawful conduct of Tenant's  
16 business in (or any subtenant's business) or occupancy of the Demised Premises, then Tenant, at its  
17 sole expense, shall procure and thereafter maintain (or cause to be maintained) such license or permit  
18 and submit the same to Landlord for inspection upon Landlord's request. Tenant shall comply with  
19 the terms and conditions of each such license and/or permit. Landlord shall cooperate (at Tenant's  
20 expense equal to Landlord's Cost therefor) with Tenant's efforts to obtain any such permits, licenses  
21 and certificates, including executing and delivering to Tenant within five (5) days after delivery to  
22 Landlord any documents or instruments reasonably required by Tenant in connection therewith;  
23 provided that all forms, plans, instruments and other documentation requiring Landlord's signature or  
24 sign-off shall be completed by Tenant prior to delivery to Landlord and provided, further, that Tenant  
25 shall provide Landlord with all reasonably requested information regarding such permits, licenses,  
26 certificates, forms, plans, instruments and other such documentation.

27                   5.05           [Intentionally Omitted.]

28                   5.06           [Intentionally Omitted.]

29                   5.07           Licensing. Except as otherwise expressly provided in Article 8 hereof,  
30 no licensing of space within the Demised Premises shall be permitted.

31                   5.08           Operating Covenant. The Demised Premises shall be occupied and  
32 operated from and after the Occupancy Date, continuously and uninterruptedly, during Premises  
33 Operating Hours on each and every calendar day during the term of this Lease (specifically including  
34 Sundays and Holidays) for the Observation Deck Uses except during a Permitted Closure. "Permitted  
35 Closure" shall mean periods of repairs, alterations or renovations to the Demised Premises set forth in  
36 Tenant's Capital Budget and approved by Landlord in accordance with the provisions of this Lease  
37 governing Tenant improvements, construction and alterations, and periods of closure due to Force  
38 Majeure. Tenant agrees that Landlord may change the Premises Operating Hours from time to time  
39 by notice to Tenant, subject to standards for the World Trade Center and with then-existing Premier  
40 Facility Standards, and Legal Requirements. Tenant acknowledges that: (i) other occupants of the  
41 Building are not required to be open for business during all Premises Operating Hours; (ii) Tenant's  
42 continuous use and occupancy obligations under this Section 5.08 are a material inducement for  
43 Landlord to enter into this Lease and but for such continuous use and occupancy agreement, Landlord  
44 would not have entered into this Lease; (iii) Tenant's required operation of the Observation Deck  
45 Uses in the Demised Premises is integral to the proper and successful operation of the Building and of  
46 the World Trade Center; and (iv) in entering into this Lease, Tenant has not relied upon, nor has

1 Landlord made any express or implied warranties to Tenant with respect to, the leasing, operation or  
2 use of other space or facilities within the Building or the World Trade Center, the number of visitors  
3 to the Demised Premises, Building, or World Trade Center, the cost of operating the Demised  
4 Premises or the financial performance of the Observation Deck Uses, and that Tenant's obligations  
5 under this Lease are in no way conditioned or dependent upon any of the foregoing. For each day  
6 that is not a Permitted Closure and that the Demised Premises are not occupied and operated  
7 continuously and uninterruptedly for the Observation Deck Uses during Premises Operating Hours, in  
8 addition to the Rent payable by Tenant with respect to such day, Tenant shall pay Landlord liquidated  
damages equal to the sum of [REDACTED]

13 [REDACTED] In addition, if there are more than  
14 fifteen (15) days of unpermitted closure in any thirty-six (36) months period, then Landlord shall have  
15 the right to terminate this Lease by sending notice thereof to Tenant.

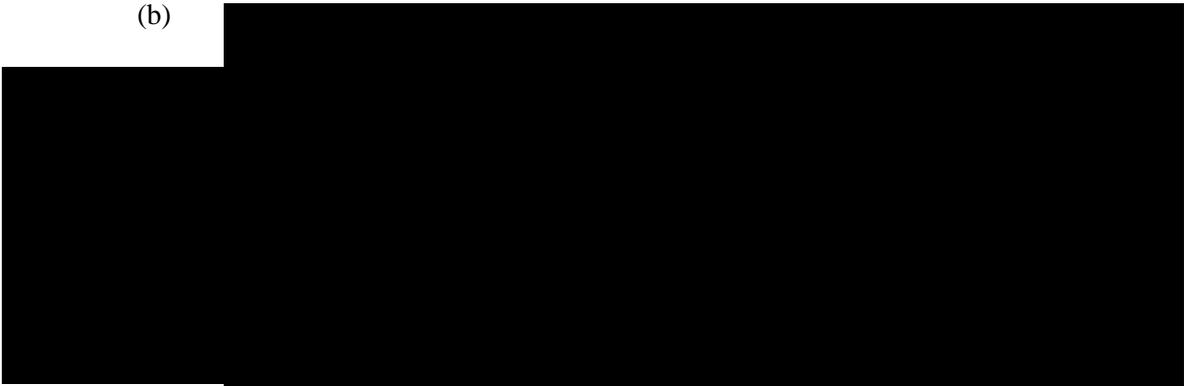

16 5.09 Offensive or Distasteful Elements. Notwithstanding anything to the  
17 contrary in this Lease, if Landlord or the Port Authority reasonably determines, taking into account  
18 then existing standards for the World Trade Center and the Premier Facility Standards, that any  
19 element of the operation of the Demised Premises is offensive (including, without limitation, signage,  
20 programming, merchandise, food or beverage) or distasteful, upon notice thereof Tenant shall  
21 immediately eliminate such element or modify it to the Landlord's and Port Authority's reasonable  
22 satisfaction.

23 5.10 Compliance with Screening Protocols and Security Plan. Tenant, its  
24 sublessees, servants, employees, agents, visitors and licensees shall comply with the Screening  
25 Protocols. Tenant may furnish copies of the Screening Protocols (as the same may hereafter be  
26 modified or amended from time to time as set forth below) to Tenant's contractors, subcontractors and  
27 potential contractors and subcontractors. At least two (2) months prior to the time Tenant submits  
28 Tenant's Architectural Plans and Tenant's Engineering Plans to Landlord for Landlord's approval in  
29 accordance with Exhibit J, Tenant shall also submit for review and approval by Landlord and Net  
30 Lessor a comprehensive security plan ("Tenant's Security Plan") setting forth the security equipment,  
31 personnel and procedures that will be used by Tenant to protect the Demised Premises from potential  
32 threats as described in the Screening Protocols and otherwise to provide security for the Demised  
33 Premises and West Plaza, in accordance with this Lease including without limitation all security  
34 standards established by the Port Authority under Section 6.01G(2). Tenant shall incorporate into  
35 Tenant's Security Plan and comply with the Building Access Control And Security Monitoring Plan  
36 attached hereto as Exhibit S-2. Once approved, Tenant shall adhere to Tenant's Security Plan.  
37 Landlord shall have the right from time to time during the term of this Lease to make changes in and  
38 additions to the Screening Protocols, and such changes shall be binding upon Tenant upon reasonable  
39 prior Notice to Tenant of such changes with the same force and effect as if they were originally  
40 attached hereto and incorporated herein. Tenant shall modify the Tenant Security Plan in order to  
41 comply with any changes to the Screening Protocols or security standards established by the Port  
42 Authority under Section 6.01G(2) within five (5) Business Days following notice of any such  
43 changes from Landlord or the Port Authority or if such change shall be of such a nature that  
44 compliance cannot be completed within such five (5) Business Day period (for example, because of  
45 the need to hire personnel or obtain equipment), such longer period of time provided Tenant  
46 commences to implement such change within said five (5) Business Day period, and thereafter  
47 diligently take all steps necessary to implement such change taking into account the importance of  
48 providing security for the Demised Premises. Any failure by Landlord to enforce the requirements of  
49 this Lease respecting the Screening Protocols now or hereafter in effect shall not constitute a waiver

1 of the enforceability of any such requirements respecting Screening Protocols. Landlord shall  
2 exercise its judgment in good faith in any instance providing for the exercise of its judgment with  
3 respect to the Screening Protocols.

4 5.11 Tenant Business Plan. (a) Tenant's use, occupancy and operation of the  
5 Premises, and the concept, design elements, technology, visitor experience, amenities and ancillary  
6 services respecting the Premises must be in accordance with the Tenant Business Plan at all times.  
7 Tenant shall have the right and obligation to revise the Tenant Business Plan from time to time in  
8 accordance with changes in Premier Facility Standards or upgrades or improvements to the Demised  
9 Premises required by this Lease. Changes to the Tenant Business Plan shall be subject to the prior  
10 written consent of Landlord and Net Lessor which shall not be unreasonably withheld, conditioned or  
11 delayed, provided that no change in the Tenant Business Plan shall be effective unless and until the  
12 change is incorporated into this Lease by an amendment hereto signed by Landlord and Tenant.

(b)

23  
24 5.12 Key Persons; Tenant Ownership/Control Requirement. Tenant shall  
25 cause the Tenant Ownership/Control Requirement to remain satisfied at all times during the term of  
26 this Lease (provided, however, that Tenant shall not be in default of this covenant by reason of death,  
27 insanity, incapacity, or termination of employment of any Key Person or Key Manager as to which  
28 Tenant gives Landlord Notice within ten (10) days after such death, insanity, incapacity or  
29 termination and within thirty (30) days after such death, insanity, incapacity or termination designates  
30 by Notice to Landlord a substitute Key Person or Key Manager, as applicable, for written approval by  
31 Landlord, such approval not to be unreasonably withheld, conditioned or delayed beyond ten (10)  
32 Business Days after Landlord's receipt of Notice of such designation; provided, however, if Landlord  
33 gives notice to Tenant that Landlord disapproves of Tenant's substitute Key Person or Key Manager,  
34 as applicable, such thirty (30) day period (and any subsequent thirty (30) day period) shall be  
35 extended by an additional thirty (30) days from Landlord's disapproval Notice, until Landlord  
36 approves of Tenant's substitute Key Person or Key Manager, as applicable). If Tenant's Notice  
37 designating the substitute Key Manager states, in all capital letters and bold type, that the substitute  
38 Key Person or Key Manager shall be deemed approved pursuant to this Section 5.12 if Landlord does  
39 not respond within ten (10) Business Days and Landlord fails to timely approve or disapprove of  
40 Tenant's substitute Key Person or Key Manager, as applicable, within such ten (10) Business Day  
41 period, Landlord shall be deemed to have approved such substitute Key Person or Key Manager, as  
42 applicable. Without limitation of the foregoing, during the Stabilization Period it shall be a default  
43 under this Lease if any Key Person ceases to be fully responsible and actively directing the design,  
44 construction and operation of the Premises within each such Key Person's specified area of  
45 responsibility (provided, however, that Tenant shall not be in default of this covenant by reason of  
46 death, insanity, incapacity, or termination of employment of any Key Person as to which Tenant gives  
47 Landlord notice within ten (10) days after such death, insanity, incapacity or termination and within  
48 thirty (30) days after such death, insanity, incapacity or termination designates by Notice to Landlord

1 a substitute Key Person for written approval by Landlord, such approval not to be unreasonably  
2 withheld, conditioned or delayed ten (10) Business Days after Landlord's receipt of Notice of such  
3 designation); provided, however, if Landlord gives Notice to Tenant that Landlord disapproves of  
4 Tenant's substitute Key Person, such thirty (30) day period (and any subsequent thirty (30) day  
5 period) shall be extended by an additional thirty (30) days from Landlord's disapproval Notice until  
6 Landlord approves of Tenant's substitute Key Person). If Tenant's Notice designating the substitute  
7 Key Person states, in all capital letters and bold type, that the substitute Key Person shall be deemed  
8 approved pursuant to this Section 5.12 if Landlord does not respond within ten (10) Business Days  
9 and Landlord fails to timely approve or disapprove of Tenant's substitute Key Person within such  
10 ten (10) Business Day period, Landlord shall be deemed to have approved such substitute Key  
11 Person.

12 5.13 Licensed Property; Trade Name. The ability of Landlord to own and  
13 control the branding of the Premises and the Trade Name of the Premises and to obtain one or more  
14 major corporate sponsorships for the Facility is a material condition of this Lease.

15 A. It is the Landlord's intention that the Premises be known as ONE WORLD  
16 OBSERVATORY. Thus, Tenant shall always conduct its operations in the Premises under the Marks in  
17 strict accordance with the License Agreement, unless Landlord and Net Lessor shall otherwise consent,  
18 which consent may be granted or withheld in their sole and absolute discretion. Prior to the execution of  
19 this Lease, Tenant has delivered to Landlord a trademark opinion that each of the Marks is available for  
20 use and registration in connection with any goods and services and do not infringe upon the intellectual  
21 property rights of another individual or entity. Landlord may, in its discretion, require Tenant to change  
22 the Marks to other marks reasonably acceptable to Tenant. Landlord shall pay Tenant's out-of-pocket  
23 expenses of such a change but shall have no other liability in connection therewith. In the event of such  
24 change, the new mark shall be deemed a Mark under this Lease.

25 B. Landlord, with the approval of Net Lessor, shall have the right to select one or  
26 more sponsors for the Premises, the identity of such sponsor(s) must be reasonably acceptable to Tenant,  
27 in which event, Tenant shall as directed by Landlord: (i) incorporate and/or use the sponsor's name  
28 and/or other indicia of the sponsor as part of the name of the Premises (or portions of the Premises as  
29 designated by Landlord, in the event of multiple sponsors), (ii) identify such sponsor(s) in Signs and  
30 marketing materials related to the Premises, (iii) incorporate such sponsor(s) in Tenant's program  
31 content and marketing activities, (iv) use equipment and products of such sponsor(s) in the Demised  
32 Premises (and not use the products or equipment of any such sponsors' competitors) and (v) otherwise  
33 cooperate with Landlord in maximizing the sponsorship potential of the Facility, all as requested by  
34 Landlord consistent with the Premier Facility Standard and prevailing market requirements of major  
35 corporate sponsors of nationally recognized sports and entertainment facilities and attractions. Tenant  
36 shall not be required to incur any unreimbursed out-of-pocket costs as a result of any sponsorship.  
37 Tenant shall make no use of the sponsor's name or other indicia of the sponsor except on the terms  
38 directed by Landlord or otherwise approved in writing by Landlord in its sole discretion. Tenant shall  
39 not enter into any sponsorship arrangement related to the Facility (or any part or aspect thereof) except at  
40 Landlord's request pursuant to this Section 5.13. If requested by Landlord, Tenant shall enter into a  
41 sponsorship agreement with Landlord and any such sponsor. Notwithstanding anything in this Lease to  
42 the contrary, Landlord shall receive any and all revenue arising from the sponsorship of the Premises.  
43 Landlord shall reimburse Tenant for all actual third party costs incurred by Tenant in connection with  
44 any such sponsorship pursuant to a budget reasonably approved by Landlord.

45 C. Tenant acknowledges and agrees that all right, title and interest in and to all of  
46 the Licensed Property and all goodwill of the business symbolized by the Marks is and shall at all times  
47 be owned solely and exclusively by Landlord, its successors and assigns and that nothing in this Lease or

1           A. (1) At Tenant's sole cost and expense, Tenant shall operate the Observation  
2 Deck Elevators. The Observation Deck Elevators located in the Observation Deck Public Lobby shall be  
3 operated and available for use by the public on a 24/7 basis for access to and from other WTC facilities,  
4 including public transit facilities. At Landlord's election, (i) Tenant shall either assume Landlord's rights  
5 and obligations with respect to the Observation Deck Elevators under the Building's elevator  
6 maintenance and repair contract pursuant to an agreement reasonably satisfactory to Landlord and  
7 Tenant (Landlord and Tenant agree that the share of routine elevator service costs allocable to the  
8 Observation Deck Elevators that are included in the Basic Construction is equal to [REDACTED]  
9 of the costs of routine elevator service for all elevators and escalators being installed as  
10 part of Basic Construction in the Building (i.e., the base contract amount for services for which no  
11 separate charge is made, not including any additional Observation Deck Elevators installed by Tenant))  
12 or (ii) Tenant shall contract for elevator maintenance and repair services for the Observation Deck  
13 Elevators directly with the same elevator service company as Landlord employs for other Building  
14 elevators, in which event Landlord shall use commercially reasonable efforts to cause its elevator service  
15 company to provide pricing and contract terms and conditions to Tenant that are comparable to the  
16 pricing and contract terms and conditions provided to Landlord, taking into account differences in  
17 equipment and usage. Tenant shall comply with all of the manufacturer's specifications and  
18 requirements for the Observation Deck Elevators. The security system serving the elevators shall be  
19 capable of limiting initial access to any floor from the Observation Deck Exclusive Lobby with the use  
20 of integral devices or codes provided as part of the elevator dispatching system installed by Landlord at  
21 its expense as part of Basic Construction; if Landlord is required to modify the base Building security  
22 system to facilitate such tie-in, such work shall be performed by Landlord at Tenant's expense equal to  
23 Landlord's Cost therefor. The programming for the operation of the Observation Deck Elevators in the  
24 event of an emergency shall be approved by Landlord and shall be revised from time to time as Landlord  
25 may determine. In no event shall the Observation Deck Elevators be allowed to stop at any location that  
26 is not within the Demised Premises without Landlord's approval which may be withheld in its sole and  
27 absolute discretion. All Observation Deck Elevators shall be generally available for use by visitors to  
28 the Observation Deck except that one or more Observation Deck Elevators may be reserved (x) as  
29 necessary for guests attending functions in the Observation Deck and (y) for customers of any lounge or  
30 restaurant in the Observation Deck provided that use of the Observation Deck Elevators under this  
31 clause (y) shall be pursuant to a plan reasonably approved by Landlord that is intended to maximize the  
32 amount of Percentage Rent.

33 Following the Occupancy Date Landlord shall provide freight elevator service from 7:00 a.m. to  
34 5:00 p.m. on Business Days ("Freight Operating Hours") on a first-come, first-served basis to the floors  
35 on which the Demised Premises and loading docks are located, through not less than two (2) freight  
36 elevators (the "Common Freight Elevators") (except that during the first twenty-four (24) months after the  
37 First Delivery Date only one (1) Common Freight Elevator may be available). The Common Freight  
38 Elevators may be used by Tenant during Freight Operating Hours solely for workmen and small  
39 deliveries, and shall not be used for construction materials or large deliveries. The cost incurred by  
40 Landlord to furnish the foregoing service to Tenant shall be paid by Tenant as a Fixed Expense Payment  
41 pursuant to the terms of Section 4.06 of this Lease. Use of the Common Freight Elevators by Tenant prior  
42 to the Occupancy Date shall be governed by the Work Letter. Following the Occupancy Date, on an  
43 annualized basis Tenant shall not call for a Common Freight Elevator to stop on any floor of the Premises  
44 more than Tenant's Freight Elevator Share if one or more office tenants complain that such excess use  
45 interferes with the use of the Common Freight Elevators by office tenants during Freight Operating Hours  
46 or that the cost of such excess use is being paid by office tenants. "Tenant's Freight Elevator Share" shall  
47 be equal to 3.67% of the maximum aggregate number of all calls for the Common Freight Elevators to  
48 stop on any floor of the Building during Freight Operating Hours on Business Days that can be made  
49 consistent with standards for Comparable Buildings when the Building is fully occupied as reasonably  
50 determined by Landlord. Tenant's Freight Elevator Share shall be pro-rated for any partial year. In the

1 event that Tenant's use of the Common Freight Elevators during Freight Operating Hours is exceeding  
2 Tenant's Freight Elevator Share and there is an office tenant complaint as described above, then upon  
3 Notice from Landlord Tenant shall prepare and implement a plan approved by Landlord for reducing  
4 Tenant's use to no more than Tenant's Freight Elevator Share by changing Tenant's operations or  
5 transferring use of the Common Freight Elevators to times outside of Freight Operating Hours. If Tenant  
6 fails to eliminate such excess use within thirty (30) days following Landlord's Notice or, at Tenant's  
7 election if the office tenant complaint is related solely to cost, then Tenant shall pay as additional rent,  
8 within thirty (30) days after receipt of a bill from Landlord, an amount equal to the product of (i) the  
9 excess number of calls for a Common Freight Elevator to stop on any floor of the Premises during Freight  
10 Operating Hours following Landlord's Notice, multiplied by (ii) one-third of the hourly rate for use of the  
11 Common Freight Elevators outside of Freight Operating Hours in accordance with Exhibit BB. If, at any  
12 time and from time to time in the judgment of Landlord, there is insufficient capacity of the Common  
13 Freight Elevators during Freight Operating Hours to reasonably serve the needs of Tenant, other tenants  
14 of the Building and/or Building operations on account of the use by one (1) or more party(ies) of the  
15 Common Freight Elevators in excess of the percentage of Building space occupied thereby, then Landlord  
16 may, subject to the other terms of this Section, immediately impose additional requirements and/or  
17 procedures reasonably designated by Landlord with respect to the use of the Common Freight Elevators  
18 during Freight Operating Hours to resolve such problem, which requirements and/or procedures shall be

6 agrees that Tenant may install, at Tenant's own cost and expense in accordance with, and subject to,  
7 the applicable provisions of this Lease an additional HVAC system (hereinafter referred to as the

19 shall not be unreasonably withheld, delayed or conditioned, (b) comply with Landlord's reasonable  
20 requirements as to installation, maintenance and operation, and (c) comply with all other terms  
21 covenants and conditions of this Lease applicable thereto. Landlord shall provide to Tenant without

25 no liability or responsibility whatsoever for any interruption in service of the Supplemental HVAC  
26 System (if any) for any cause whatsoever, nor shall any such interruption be construed as an actual or  
27 constructive eviction of Tenant, or, except as otherwise provided in this Lease, entitle Tenant to any  
28 abatement of Fixed Rent or additional rent, or relieve or release Tenant from any of its obligations  
29 under this Lease. Tenant agrees to cooperate with Landlord and to abide by all reasonable regulations  
30 and requirements which Landlord may prescribe for the proper connection, functioning and protection  
31 of the Supplemental HVAC System.

32 B. (1) Landlord shall furnish condenser water (x) for the DX units serving the  
33 Observation Deck and for Tenant's Supplemental HVAC System (if any) located within the Observation

35 thirty (130) tons for the DX units serving the portion of the Demised Premises located on level B2.  
36 Tenant may allocate the condenser water for the Observation Deck among the floors of the Observation  
37 Deck as part of Tenant's Work upon and subject to the applicable terms of this Lease, subject to  
38 Landlord's Engineer's reasonable review at Tenant's expense (which shall be equal to Landlord's Cost  
39 therefor). Tenant shall give Notice to Landlord on or before the Final Delivery Date setting forth how  
40 many of tons of such reserved condenser water capacity Tenant desires to reserve (the "Condenser Water

42 sentence of this Section 6.06B(1). Tenant acknowledges that it shall pay Landlord's charges for all such  
43 reserved tons of condenser water, whether or not any or all of such tons are used by Tenant. Tenant  
44 further acknowledges that if Tenant fails to deliver the Condenser Water Notice to Landlord timely in  
45 accordance with this Section 6.06B(1), then Tenant shall be deemed to have elected to reserve the entire  
46 aggregate capacity available to Tenant pursuant to the first sentence of this Section 6.06B(1).  
47 Commencing on the Occupancy Date (but prorated on a per diem basis with respect to any partial

1 month), Tenant shall pay to Landlord, as additional rent, one twelfth (1/12th) of the annual charge  
2 hereunder for any condenser water reserved by Tenant as set forth above, at a cost to Tenant per reserved  
3 ton equal to Landlord's Cost therefor. Such charge shall be paid by Tenant to Landlord in equal monthly  
4 installments in advance on the first day of each month of the term of this Lease together with Tenant's  
5 installment of Fixed Rent. If Tenant thereafter requires more than the number of tons it elected to  
6 reserve for its use pursuant to the foregoing, Tenant shall deliver a Notice to Landlord with respect  
7 thereto; provided such additional tonnage is then available in Landlord's sole and absolute discretion,  
8 taking into account the future needs of existing and future occupants of space in the Building (whether or  
9 not such space is then vacant) as well as Landlord's existing and future needs in the operation of the  
10 Building, Landlord agrees that it will make such additional tonnage available to Tenant at a cost equal to  
11 Landlord's Cost therefor, which charge shall be payable by Tenant to Landlord in the manner set forth  
12 above.

13 (2) Landlord shall furnish such condenser water, operable 24 hours per day,  
14 7 days per week, to floors 57 and above via an open loop system and to floors 56 and below via a closed  
15 loop system. Water temperatures shall be within +/-2°F of the following: (a) 90°F supply and 105°F  
16 return at base zone (which includes Level B2); and (b) 85°F supply and 100°F return at upper zone  
17 (which includes Floors 100-102). The condenser water system shall deliver lower temperatures when  
18 outdoor air conditions permit operation using a water side economizer. Subject to outside air wet bulb  
19 temperatures, the condenser water could be as low as (a) 47°F supply at the base zone (which includes  
20 Level B2) and (b) 42°F supply at upper office zone (which includes Floors 100-102).

21 C. Limited amounts of chilled water are available for Tenant's use on Level B2 of  
22 the Demised Premises. If requested by Tenant by Notice given prior to the date for submission of  
23 Design Development Plans pursuant to the Work Letter, Landlord shall provide chilled water to Tenant  
24 as a Premises Expense in the amount requested by Tenant in such Notice, up to the available capacity.  
25 All plumbing and other work necessary to obtain the chilled water from the location shown on the Final  
26 Basic Construction Plans shall be performed by Tenant as part of Tenant's Work.

27 6.07 Anything herein contained to the contrary notwithstanding, if solely due  
28 to (a) Landlord's effecting repairs or other work in the Building or the Demised Premises,  
29 (b) Landlord's failure to perform any of its obligations expressly set forth in Articles 6, 7, 10, 11 or 12  
30 hereof (and except to the extent due to any act or omission of Tenant, its contractors, subcontractors,  
31 architects, space designers, agents or employees) or (c) a Force Majeure event, (i) any utility or  
32 service is not provided to all or part of the Demised Premises (except if such utility or service is not  
33 provided due to the failure of the utility company) or (ii) Tenant and its invitees are unable to access  
34 the Demised Premises, and therefore Tenant for ten (10) consecutive Business Days cannot and does  
35 not use all or any part of the Demised Premises for the uses expressly permitted hereunder for such  
36 entire ten (10) consecutive Business Day period, then as Tenant's sole remedy for any matter  
37 described in (a), (b) or (c) above, Tenant shall be entitled to a pro rata abatement of Fixed Rent and  
38 additional rent pursuant to Article 4 hereof attributable to the portion of the Demised Premises that  
39 Tenant cannot and does not so use for each day after said ten (10) consecutive Business Day period,  
40 until such utility, service or access (as the case may be) is restored and Tenant can use the entire  
41 Demised Premises for the uses expressly permitted hereunder.

26 hereof may not be measured with coincident demand (it being agreed that Tenant shall pay Landlord as  
27 additional rent for the cost of the installation and maintenance thereof, which cost shall be equal to  
28 Landlord's Cost therefor). If Landlord determines that it is not reasonably feasible to meter any portion  
29 of Tenant's use of electricity, then such usage shall be determined from a survey at Tenant's expense  
30 made by a reputable independent electrical engineer or consultant selected by Landlord or a qualified  
31 member of Landlord's in-house personnel. If Landlord causes any such survey to be performed,  
32 Landlord shall send a copy of such survey to Tenant together with a Notice providing that Tenant has a  
33 period of sixty (60) days following receipt of Landlord's findings and such Notice to dispute Landlord's  
34 findings. If Tenant shall dispute the findings of such survey, Tenant, within sixty (60) days of receipt of  
35 Landlord's findings and such Notice (time being of the essence), may cause a like survey to be made by  
36 an independent, reputable electric consultant selected and paid by Tenant. If Tenant so elects, upon  
37 completion of the second survey, Tenant shall deliver Notice to Landlord of the results thereof. If such  
38 determination differs from that of Landlord by 10% or less, Landlord's findings shall be conclusive and  
39 binding upon the parties. If such determination differs from that made by Landlord by more than 10%  
40 and Landlord and Tenant cannot agree on the amount of such electric use, the dispute may be resolved  
41 by arbitration in accordance with the terms of Article 25 hereof, except that the arbitrators shall be  
42 qualified electrical engineers or consultants having at least ten (10) years' active, continuous experience  
43 in electrical work or consultation with respect to first-class office buildings in the Borough of  
44 Manhattan. Pending a final determination pursuant to such arbitration, Tenant shall pay to Landlord for  
45 electrical energy based on the determination of Landlord; and if it is determined that Tenant has  
46 overpaid, Landlord shall reimburse Tenant (by either, at the sole option of Landlord, providing a credit  
47 against the next payment(s) of Rent payable by Tenant hereunder or paying such sum to Tenant) for any  
48 overpayment at the conclusion of such arbitration. If Tenant shall not timely dispute the findings of  
49 Landlord as provided in this Section 7.01B, the determination by Landlord shall be deemed to be final  
50 and conclusive.

1 C. Landlord and its agents shall be permitted access to the electric closets and the  
2 meters at reasonable times after delivery of a reasonable prior Routine Notice to Tenant, which may be  
3 oral (except in the event of an emergency, when no such Routine Notice or oral notice shall be required).  
4 Tenant shall supply, at Tenant's cost, adequate electric lighting and electric power to Landlord or  
5 Landlord's contractors to make repairs in the Demised Premises.

6 7.02 Capacity. Tenant's use of electrical energy shall never exceed the  
7 capacity of the then existing feeders to the Building or the then existing risers or wiring installation  
8 serving the Demised Premises set forth in Section 7.01 hereof without Landlord's prior  
9 written approval. Any additional risers, risers, additional POC(s) or POC(s) required by Tenant to  
10 supply Tenant's electrical requirements in excess of the electrical capacities to be provided in  
11 accordance with Section 7.01 hereof, and all other equipment proper and necessary in connection  
12 therewith, upon request of Tenant, will be installed and maintained by Landlord at Tenant's expense  
13 equal to Landlord's Cost therefor (as hereinafter provided) if in Landlord's reasonable judgment, the  
14 same are necessary and will not cause or create a hazardous condition or interfere with other tenants'  
15 use of their premises or the Building, and subject to such other requirements as Landlord may impose  
16 in connection therewith. Electro-metallic tubing only shall be used, at Tenant's expense, in  
17 connection with (i) any penetration by Tenant of any floor slab and (ii) any inter-floor riser utilized by  
18 Tenant; otherwise, flexible conduit shall be permitted. In order that personal safety and property of  
19 Landlord and the tenants and occupants of the Demised Premises and the Building may not be  
20 imperiled by the over taxing of the capacity of the electrical distribution system of the Demised  
21 Premises or the Building, and to avert possible adverse effect upon the Building's electrical system,  
22 Tenant shall not, without prior consent of Landlord (not to be unreasonably withheld, delayed or  
23 conditioned, make or perform or permit any changes in or alterations to wiring installations or other  
24 electrical facilities in or serving the Demised Premises (as such installations or facilities shall be  
25 indicated by the final electrical plans submitted by Tenant to Landlord in connection with the initial  
26 construction of the Demised Premises as modified from time to time pursuant to plans submitted by  
27 Tenant to Landlord pursuant to the terms hereof or otherwise) if such changes or alterations would  
28 result in Tenant's electrical use exceeding the electrical capacities to be provided in accordance with  
29 Section 7.01 hereof or would otherwise constitute a Material Alteration. Any such alterations or  
30 changes performed by Tenant shall be in compliance with all applicable Legal Requirements. Should  
31 Landlord grant such consent to the extent required hereunder, all additional risers, wiring or other  
32 equipment required therefor shall be provided and maintained by Landlord and Landlord's Cost  
33 therefor shall be paid by Tenant as additional rent within thirty (30) days after being billed therefor by  
34 Notice. Landlord's approval of any electrical alterations or changes shall not be deemed a  
35 representation that the same comply with applicable Legal Requirements. Landlord, its agents and  
36 engineers and consultants may survey Tenant's electrical use from time to time upon a prior Routine  
37 Notice in coordination with Tenant so as to minimize interference with Tenant and at Landlord's  
38 expense to determine whether Tenant is complying with its obligations under this Article 7. Tenant  
39 may allocate spare bus duct capacity within the same bus duct among the floors and areas of the  
40 Observation Deck served by said bus duct upon and subject to the terms of the Work Letter. At such  
41 time as Tenant shall surrender any portion of the Premises to Landlord, including pursuant to the  
42 terms of Article 8 hereof, Tenant at its expense shall redistribute any electricity to the extent  
43 necessary so that such portion has an electrical capacity in compliance with the terms of Article 7  
44 hereof.

45 7.03 Limitation on Liability.

46 (a) Except as provided in Section 6.07, Landlord shall have no liability to Tenant for  
47 any loss, damage or expense which Tenant may sustain or incur by reason of any change, failure,  
48 inadequacy or defect in the supply or character of the electrical energy furnished to the Demised Premises

1 or if the quantity or character of the electrical energy is no longer available or suitable for Tenant's  
2 requirements, except for any actual damage suffered by Tenant by reason of any such failure, inadequacy  
3 or defect caused by Landlord's negligence or willful acts.

4 (b) In addition to the foregoing, Landlord shall have the right, by the delivery of  
5 ten (10) Business Days' prior Routine Notice to Tenant (except in the event of an emergency, in which  
6 event such Routine Notice to Tenant shall be delivered if and to the extent reasonably feasible under the  
7 circumstances) to "shut down" electrical energy to the Demised Premises (if reasonably feasible, such  
8 shut-down to occur outside Premises Operating Hours) when necessitated by the need for repairs,  
9 alterations, connections or reconnections, with respect to the Building electrical system (singularly or  
10 collectively, "Electrical Work"), regardless of whether the need for such Electrical Work arises in respect  
11 of the Demised Premises, any other tenant space, or any Building Common Areas. Except as provided in  
12 Section 6.08, provided that Landlord complies with the terms hereof, Landlord shall have no liability to  
13 Tenant for any loss, damage, or expense which Tenant may sustain due to such "shut down" or Electrical  
14 Work. Landlord shall use all commercially reasonable efforts to coordinate all scheduled shut downs  
15 with Tenant.

16 7.04 Electric Rates. As used in this Lease the term "Electric Rates" shall  
17 mean:

18 A. so long as the Net Lessor purchases electricity from the Power Authority of the  
19 State of New York ("NYPA"), the NYPA SC-64 low tension rate (or the low tension rate under any  
20 successor NYPA tariff to SC-64) plus an additional three (3%) percent. Landlord is deemed the agent of  
21 Net Lessor to collect any payments due hereunder on account of electricity purchased from NYPA.  
22 Landlord agrees that it will not arbitrarily terminate (and will cause the Port Authority not to arbitrarily  
23 terminate) the agreements by which the Building obtains electricity from NYPA.

24 B. at any time the Net Lessor does not purchase electricity from NYPA,  
25 one-hundred three (103%) percent of the rates at which Landlord then purchases electrical energy from  
26 the public utility or any other entity supplying electrical service to the Building (if Landlord currently  
27 purchased electrical energy from Consolidated Edison, such rate would be the SC-9 II time of day low  
28 tension rate), including any surcharges or charges incurred, or utility taxes or sales taxes or other taxes  
29 payable by or imposed upon Landlord in connection therewith, or increase thereof by reason of fuel  
30 adjustment, or any substitutions for such rate or additions thereto. In the event that Landlord, in  
31 Landlord's reasonable opinion, finds it necessary to hire an electrical consultant to interpret and/or  
32 compute Tenant's electric bills, Tenant shall pay to Landlord Landlord's Cost with respect to the hiring  
33 of such consultant, provided, however, that if Landlord hires such consultant to interpret and/or compute  
34 electric bills to other tenants in addition to Tenant, the costs and expenses incurred by Landlord shall be  
35 allocated equitably among Tenant and such other tenants. Landlord and Tenant acknowledge that they  
36 understand that the electric rates, charges, taxes and other costs may be changed by virtue of peak  
37 demand, time of day rates, or other methods of billing, and that the foregoing reference to changes in  
38 methods or rules of billing is intended to include any such change, provided, however, if any change  
39 which results in an increase in the Electric Rates is due to the negligence or willful misconduct of  
40 Landlord or any other tenant in the Building, such increase shall not be charged to Tenant in the Electric  
41 Rates.

42 7.05 Termination of Service. Provided that Landlord shall also  
43 simultaneously discontinue the furnishing of electric energy to all office tenants, or in the event that  
44 such discontinuance shall be required by (x) applicable Legal Requirements or insurance  
45 requirements or (y) the electric energy provider servicing the Building, Landlord reserves the right to  
46 terminate the furnishing of electrical energy at any time, upon the delivery of sixty (60) days' prior

1 Notice to Tenant unless such Notice is not feasible under the circumstances, in which event Landlord  
2 will give Tenant such reasonable Notice as is possible. If Landlord shall so discontinue the furnishing  
3 of electrical energy, (a) Tenant shall arrange to obtain electrical energy directly from the utility  
4 company or other provider furnishing electrical energy to the Building, (b) Landlord shall permit the  
5 existing feeders, risers, wiring and other electrical facilities serving the Demised Premises to be used  
6 by Tenant for such purpose to the extent that they are available, suitable and safe, (c) from and after  
7 the effective date of such discontinuance Landlord shall not be obligated to furnish electric energy to  
8 Tenant, (d) such discontinuance shall be without liability of Landlord to Tenant, and (e) if Landlord  
9 shall discontinue the furnishing of electrical energy on account of (i) applicable Legal Requirements  
10 or insurance requirements or (ii) the electric energy provider servicing the Building, Landlord shall, at  
11 Tenant's expense equal to Landlord's Cost therefor, install and maintain at locations in the Building  
12 selected by Landlord any necessary electrical meter equipment, panel boards, feeders, risers, wiring  
13 and other conductors and equipment which may be required to obtain electrical energy directly from  
14 the utility company or other provider supplying the same (it being agreed that if such discontinuance  
15 shall be for any other reason, the foregoing installation and maintenance shall be at Landlord's  
16 expense). Landlord, at its option, before commencing any work to be paid for by Tenant hereunder or  
17 at any time thereafter, may require Tenant to furnish to Landlord such security, whether by surety  
18 bond issued by a corporation reasonably satisfactory to Landlord, in form and amount and licensed to  
19 do business in New York State or otherwise, as Landlord shall deem reasonably necessary to assure  
20 the payment for such work by Tenant. If Landlord shall discontinue furnishing electrical energy to  
21 Tenant pursuant to this Section, then provided that Tenant is using diligent efforts to obtain electrical  
22 energy directly from the utility supplying the same to the Building, Landlord agrees not to terminate  
23 the furnishing of electrical energy to Tenant until Tenant succeeds in procuring same directly from  
24 the utility, unless Landlord is prohibited from doing so by any applicable legal or insurance  
25 requirements. Landlord shall be promptly given by Tenant a copy of each electric utility bill of  
26 Tenant if Tenant should become a direct customer of the utility company or other provider servicing  
27 the Building.

28                   7.06           Taxes. In the event that any tax (exclusive of any income taxes) shall be  
29 imposed upon Landlord's receipts from the sale, use or resale of electrical energy to Tenant and paid  
30 by Landlord, the pro rata share allocable to the electrical energy service received by Tenant shall be  
31 passed onto, included in the bill of, and paid by Tenant if and to the extent not prohibited by  
32 applicable Legal Requirements.

33                   7.07           Bulbs, Ballasts, Etc. Landlord shall, at Landlord's option, furnish and  
34 install all replacement lighting, tubes, lamps, starters, bulbs and ballasts required in the Demised  
35 Premises and Tenant shall pay to Landlord (or its designated contractor) Landlord's Cost therefor as  
36 additional rent within thirty (30) days after delivery of Notice with an invoice therefor.

37                   7.08           Submeter Accuracy Check. Landlord may, and at Tenant's request  
38 Landlord shall, from time to time (but in no event more than once every twelve (12) months) check  
39 the accuracy of the electric meter(s) or submeter(s). Promptly after receipt of any such request from  
40 Tenant, Landlord shall, at Tenant's expense equal to Landlord's Cost therefor, engage the services of  
41 an approved testing agency/lab reasonably acceptable to Tenant. If the results shall disclose that the  
42 electric meter(s) or submeter(s) (or any of them) shall be inaccurate (i.e., where the error rate is in  
43 excess of four (4%) percent), such meter(s) or submeter(s) shall be repaired or replaced by Tenant, at  
44 its cost. Landlord and Tenant shall make a retroactive adjustment of the electric payments which  
45 have been made based on such inaccurate electric meter(s) or submeter(s) (as defined above).

46                   7.09           Daylight Dimming. Daylight dimming shall be provided by Tenant as  
47 part of Tenant's Work upon and subject to all of the terms of this Lease with respect to all space that

1 is within fifteen (15) feet from the perimeter (from the inside face of exterior glass) upon and subject  
2 to the applicable terms of the Work Letter.

3 ARTICLE 8

4  
5 ASSIGNMENT AND SUBLETTING

6 8.01 General Clause. Tenant acknowledges and agrees that the Demised  
7 Premises constitute a unique facility of great importance to the Building, WTC and general public,  
8 particularly in light of the events of September 11, 2001 and the public effort made to reconstruct the  
9 WTC thereafter. Tenant has been selected to lease and operate the Demised Premises by Landlord  
10 and Net Lessor following a competitive process, and the financial capacity and capability, business  
11 reputation, and venue design, construction and operation experience of Tenant, Tenant's Parent and  
12 the Tenant Guarantor are of critical importance to the decision by Landlord and Net Lessor to select  
13 Tenant. Except as otherwise expressly provided herein, Tenant or its legal representatives will not by  
14 operation of law or otherwise, assign (in whole or in part), mortgage or encumber this Lease, or sublet  
15 or permit the Demised Premises or any part thereof to be used or occupied by others, without  
16 Landlord's prior written consent in each instance which may be given or withheld in Landlord's sole  
17 discretion. The consent by Landlord to any assignment or subletting, whether by Tenant or any other  
18 tenant in the Building, shall not be a waiver of or constitute a diminution of Landlord's right to  
19 withhold its consent to any other assignment or subletting and shall not be construed to relieve Tenant  
20 from obtaining Landlord's express written consent to any other or further assignment or subletting (to  
21 the extent that such consent shall be expressly required hereunder). Such reasonable third party  
22 attorneys' fees as may be incurred by Landlord in connection with any proposed or actual assignment  
23 or subletting (whether or not Landlord's consent thereto shall be required) shall be paid by Tenant.  
24 No approval or consent by Landlord under this Article 8 shall be effective unless the Net Lessor, in its  
25 sole discretion, joins in and concurs with such approval or consent.

26 8.02 [Intentionally Omitted]

27 8.03 Assignments of this Lease. Each assignee that is approved by Landlord  
28 pursuant to this Article VIII shall assume, and be deemed to have assumed, this Lease as to all  
29 liability accruing hereunder from and after the effective date of such assignment and shall be and  
30 remain liable jointly and severally with Tenant for the payment of the Fixed Rent and additional rent  
31 due hereunder from and after the effective date of such assignment and for the due performance of all  
32 the terms, covenants, conditions and agreements herein contained on Tenant's part to be performed  
33 for the term of this Lease from and after the effective date of such assignment. No assignment shall  
34 be effective unless Tenant shall promptly deliver to Landlord a duplicate original of the instrument of  
35 assignment, in form reasonably satisfactory to Landlord, containing a covenant of assumption by the  
36 assignee of all of the obligations aforesaid and shall obtain from Landlord the aforesaid written  
37 consent prior thereto. If this Lease shall be assigned, no such assignment shall be deemed a waiver of  
38 the covenants in this Article, nor shall it be deemed a release of Tenant from the full performance by  
39 Tenant of all the terms, conditions and covenants of this Lease.

40 8.04 [Reserved].

41 8.05 Miscellaneous. Anything herein contained to the contrary  
42 notwithstanding:

1 (1) All marketing materials utilized in connection with any licensing or  
2 assignment or sublease of all or any portion of the Premises shall be subject to the prior written consent of  
3 Landlord, which consent shall not be unreasonably withheld or delayed.

4 (2) Except as provided in Section 8.06(2), a transfer of any direct or indirect  
5 ownership interest (whether stock, partnership or otherwise) in Tenant, or any permitted sublessee or  
6 assignee of this Lease shall be deemed to be an assignment of this Lease or such sublease, however  
7 accomplished, and whether in a single transaction or in any series of transactions, related or unrelated, to  
8 which the provisions this Article shall apply. The transfer of outstanding publicly-traded stock of any  
9 corporate tenant, for purposes of this Article, shall not include sale of such stock by persons other than  
10 those deemed "insiders" within the meaning of the Securities Exchange Act of 1934 as amended, and  
11 which sale is effected through "over-the-counter market" or through any recognized stock exchange.

12 (3) A so-called "take-over" agreement (i.e., an agreement executed in  
13 connection with the delivery by Tenant of another lease where another entity agrees to become  
14 responsible for all or a portion of Tenant's obligations under this Lease without actually entering into an  
15 assignment or sublease) shall be deemed an assignment of this Lease and shall be subject to all of the  
16 provisions of this Article 8, including the requirement that Tenant obtain Landlord's prior consent thereto  
17 in each instance.

18 8.06 Permitted Assignment by Tenant.

19 (1) Tenant may after the Demised Premises has been open to the public for  
20 thirty-six (36) months, assign this Lease (it being agreed that any assignment of this Lease by the  
21 consummation of any merger, consolidation, or purchase of stock shall be deemed an assignment of this  
22 Lease) to any successor by merger or consolidation with respect to, or purchaser of all or substantially all  
23 of Tenant's stock (or other equity interests) or assets related to, Tenant's business, provided that such  
24 successor or purchaser (such successor or purchaser being herein called a "Successor"), is deemed  
25 qualified by Landlord and Net Lessor, each in its good faith discretion, based on all criteria considered  
26 relevant by them, including without limitation financial capacity and capability, business reputation, and  
27 venue design, construction and operation experience in comparison to that of Tenant, Tenant's Parent and  
28 the Tenant Guarantor. Without limiting the generality of the foregoing, it shall be a minimum condition  
29 that a Successor, as determined in good faith by Landlord and Net Lessor: (i) satisfies the requirements  
30 of the Screening Protocols; (ii) following such transfer, the representations and warranties set forth in  
31 Section 32.20 continue to be true and the covenants therein continue to be satisfied; (iii) is, or is 10%  
32 owned and solely controlled by, a sophisticated, active, and Qualified Operator that operates one or more  
33 Premier Facilities, provided that none of such Premier Facilities competes with the Facility; (iv) has, or  
34 provides a guaranty reasonably acceptable to Landlord by a guarantor that has, adequate financial  
35 resources to perform the obligations of Tenant under this Lease and otherwise meets standards used by  
36 institutional investors owning or purchasing buildings in which Premier Facilities are located within the  
37 United States, respecting the creditworthiness of tenants or operators of Premier Facilities located within  
38 or on such Buildings; (v) has a net worth on the date immediately following the effective date of such  
39 assignment equal to or greater than the net worth of Tenant on the date immediately prior to the effective  
40 date of such assignment, with all calculations to be made in accordance with GAAP and evidenced by  
41 certified financial statements prepared by Tenant's and the Successor's independent certified public  
42 accountant (if such certified financial statements are regularly prepared therefor by a certified public  
43 accountant) or reasonably detailed uncertified financial statements (if certified financial statements are not  
44 regularly prepared therefor by a certified public accountant, in which case an officer of each of Tenant  
45 and the Successor shall certify to the accuracy of such statements); (vi) with respect to any Successor that  
46 is deemed to receive an assignment of this Lease pursuant to a merger, consolidation or transfer of assets,  
47 such merger, consolidation or transfer of assets is not effected for the primary purpose of transferring this

1 Lease; or avoiding the transfer restrictions set forth herein; and (vii) with respect to any Successor that is  
2 to become the Tenant hereunder, such Successor is a Single Purpose Entity.

3 (2) Notwithstanding anything to the contrary in this Article 8, transfers of  
4 some or all of the direct and indirect interests in Tenant Guarantor (including a public stock offering)  
5 shall be permitted provided that (i) [intentionally omitted]; (ii) following such transfer, the Tenant  
6 Ownership/Control Requirement remains satisfied; (iii) following such transfer, the representations and  
7 warranties set forth in Section 32.20 continue to be true and the covenants therein continue to be satisfied  
8 and (iv) Tenant Guarantor has a net worth on the date immediately following the effective date of such  
9 transaction equal to or greater than the net worth of Tenant Guarantor on the date immediately prior to the  
10 effective date of such transaction, with all calculations to be made in accordance with GAAP and  
11 evidenced by certified financial statements prepared by Tenant's independent certified public accountant  
12 (if such certified financial statements are regularly prepared therefor by a certified public accountant) or  
13 reasonably detailed uncertified financial statements (if certified financial statements are not regularly  
14 prepared therefor by a certified public accountant, in which case an officer of Tenant Guarantor shall  
15 certify to the accuracy of such statements. Any transactions which are substantially similar in effect to  
16 the foregoing but are different in form because of changing organizational structures over the term of this  
17 Lease shall be permitted with Landlord's approval (not to be unreasonably withheld, conditioned or  
18 delayed) provided that the conditions (i) through (iv) are satisfied and there is no adverse effect on the  
19 enforceability of the guaranty provided by Tenant Guarantor without the substitution of a replacement  
20 guaranty from a replacement guarantor which are determined by Landlord in good faith to be at least the  
21 equivalent of the original guaranty and Tenant Guarantor.

22 (3) No transfer permitted under this Section 8.06 shall be permitted or  
23 effective if Tenant is then in default under this Lease and unless (i) Tenant delivers to Landlord at least  
24 sixty (60) days' prior Notice of such actual or deemed assignment or transfer, subject to any applicable  
25 confidentiality requirements and applicable Legal Requirements, together with proof (in the form set forth  
26 above, if any) that the applicable requirements set forth in this Section 8.06 are satisfied and (ii) Tenant  
27 delivers Notice to Landlord promptly following such transaction.

28 (4) No permitted assignment or sublease by Tenant shall be deemed to  
29 release Tenant from any of its obligations and liabilities hereunder.

30 (5) Except as expressly provided in this Section 8.06 and as provided in  
31 Article 45 with respect to leasehold mortgages, Tenant may not assign, sublease or otherwise transfer this  
32 Lease or any interest in this Lease or in Tenant without Landlord's prior written consent which may be  
33 granted or withheld in its sole and absolute discretion.

34 8.07 [Intentionally Omitted].

35 8.08 Indemnity. Subject to the applicable terms of Section 16.01 hereof,  
36 Tenant hereby indemnifies Landlord from and against any liability asserted against Landlord and all  
37 Landlord Parties for any brokerage commission with respect to any assignment or sublease or license  
38 (or proposed assignment or sublease or license) by Tenant or any party claiming through Tenant.  
39 This Section shall survive the expiration or sooner termination of this Lease.

40 8.09 [Intentionally Omitted].

41 8.10 Transactions with other Tenants. Notwithstanding anything herein to the  
42 contrary, in no event may another tenant or occupant of the Building assign its lease to Tenant, sublet  
43 all or any portion of its space in the Building to Tenant or otherwise permit Tenant to occupy all or

1 any portion of its space in the Building without Landlord's prior written consent, which consent may  
2 be withheld in Landlord's sole and absolute discretion, and any such purported assignment, sublease  
3 or occupancy without such consent shall be null and void.

4 8.11 Trademark Issues. Notwithstanding anything herein to the contrary, all  
5 subtenants, licensees and other occupants of all or any portion of the Premises shall be subject to the  
6 terms of Sections 5.13 and 32.19 hereof and the License Agreement.

7 8.12 [Intentionally Omitted].

8 8.13 Arbitration. Either party shall be permitted to submit disputes arising  
9 under this Article 8 to arbitration in accordance with the provisions of Article 25 hereof.

10 8.14 Further Assignment. If this Lease shall be assigned in accordance with  
11 this Article 8, such assignee shall be permitted to further assign this Lease under the same terms and  
12 conditions as Tenant would be permitted to assign this Lease, as the case may be, as if such assignee  
13 were Tenant.

14 ARTICLE 9

15 SUBORDINATION, NON-DISTURBANCE, ESTOPPEL CERTIFICATE

17 9.01 Landlord's right, title and interest in and to its leasehold estate and to the  
18 Building are derived from and under the Net Lease.

19 9.02

20 A. Subject to the other terms of this Section 9.02, this Lease is and shall be subject  
21 and subordinate in all respects to (a) the REOA, (b) the Net Lease and any other ground leases,  
22 overriding leases and underlying leases of the Land and/or the Building hereafter existing other than the  
23 Net Lease, (c) all mortgages which may now or hereafter affect the Land and/or the Building and/or such  
24 leases, and to each and every advance made or hereafter to be made under such mortgages, and (d) all  
25 renewals, modifications, consolidations, replacements and extensions of such leases or mortgages.  
26 Except as otherwise expressly set forth in this Lease, Landlord has not made any representations to  
27 Tenant regarding anything or matter relating to the Net Lease and/or the REOA and Tenant is not relying  
28 upon any other representations of Landlord with regard to the Net Lease and/or the REOA. Landlord  
29 shall not terminate, surrender, renew, modify, amend, consolidate, replace or extend the Net Lease or the  
30 REOA in any manner that would have a monetary or non-monetary adverse impact on Tenant. This  
31 Section shall be self-operative and no further instrument of subordination shall be required; provided,  
32 however, as an express condition of each such subordination, Landlord shall obtain from any present or  
33 future Superior Mortgagee and/or Superior Lessor, respectively, a duly executed and notarized  
34 Non-Disturbance Agreement (it being understood and agreed that Tenant shall have the right to record  
35 any Non-Disturbance Agreement in the Office of the City Register of the City of New York (or its  
36 successor) and that any copies of this Lease presented to the Office of the City Register in connection  
37 with such recording of such NDA shall be redacted and such redactions shall have been approved in  
38 advance and in writing by Landlord). If any Superior Lessor or Superior Mortgagee refuses to sign the  
39 applicable Non-Disturbance Agreement, this Lease shall not be subject to such lease or Mortgage, as the  
40 case may be, and the same shall not be deemed a Superior Lease or Superior Mortgagee, as applicable.  
41 In confirmation of such subordination, Tenant agrees to promptly execute and deliver any reasonable  
42 instrument that Landlord and/or any present or future Superior Mortgagee and/or Superior Lessor may  
43 request to evidence such subordination. The leases to which this Lease is, at the time referred to, subject

1 and subordinate pursuant to this Article (and the Net Lease) are hereinafter sometimes called "Superior  
2 Leases," and references to Superior Lessors are intended to include the successors in interest of Superior  
3 Lessors and their successors in interest as may be appropriate. The mortgages to which this Lease is, at  
4 the time referred to, subject and subordinate and any modifications, extensions or replacements thereof  
5 are hereinafter sometimes collectively called "Superior Mortgages," and references to Superior  
6 Mortgagees are intended to include the successors in interest of Superior Mortgagees and their  
7 successors in interest as may be appropriate.

8 B. Except for security deposits, any other amounts deposited with Landlord or with  
9 any "Mortgagee" (as such term is defined in the Net Lease) in connection with the payment of insurance  
10 premiums, PILOT Rate, Taxes, Expenses and other similar charges or expenses having a billing period  
11 in excess of one (1) month but not more than twelve (12) months, and except for any prepayments of  
12 additional rent made in accordance with the terms of Article 4 of this Lease, Tenant shall not pay Fixed  
13 Rent or additional rent due hereunder for more than one (1) month in advance.

14 9.03

15 A. Landlord represents that it has delivered to Tenant true and complete copies of all  
16 of the documents constituting the Net Lease (other than certain economic terms thereof that have been  
17 redacted) and the REOA as of the Execution Date.

18 B. Landlord represents to Tenant that as of the Execution Date, there are no  
19 Superior Mortgages which currently encumber or otherwise affect the Land, the Building and/or the Real  
20 Property, and the Net Lease is the only Superior Lease encumbering or otherwise affecting the Land, the  
21 Building and/or the Real Property.

22 9.04 In the event of a termination of the Net Lease or any other Superior  
23 Lease, or if the interests of Landlord under this Lease are transferred by reason of or assigned in lieu  
24 of foreclosure or other proceedings for enforcement of any Superior Mortgage or if any Superior  
25 Mortgagee acquires a lease in substitution therefor, then (i) this Lease shall not terminate or be  
26 terminable by Tenant and (ii) this Lease shall not terminate or be terminable by any subtenant or  
27 successor thereto unless Tenant is specifically named and joined in any such action to the extent  
28 permitted under the Non-Disturbance Agreement(s) from any Superior Lessors (including Net Lessor)  
29 and any Superior Mortgagee and unless a judgment is obtained therein against Tenant. Nothing  
30 contained herein shall be deemed to limit or qualify the rights (a) of any Mortgagee, including its  
31 right to request a new lease pursuant to the Net Lease or (b) of Tenant under or to any  
32 Non-Disturbance Agreement granted, or to be granted, pursuant to the terms of this Lease.

33 9.05 In the event of any act or omission of Landlord which would give Tenant  
34 the right, immediately or after lapse of a period of time, to cancel or terminate this Lease, Tenant shall  
35 not exercise such right (i) until it has given written notification of such act or omission to each  
36 Superior Mortgagee and Superior Lessor whose name and address shall previously have been  
37 furnished to Tenant in writing, and (ii) until a reasonable period (but subject to the terms and  
38 provisions of any applicable Non-Disturbance Agreement) for remedying such act or omission shall  
39 have elapsed following the giving of such notification (which reasonable period shall be the later of  
40 one hundred twenty (120) days following the giving of such notification or the period to which  
41 Landlord would be entitled under this Lease or otherwise, after similar Notice), to effect such remedy,  
42 provided, that such Mortgagee or Superior Lessor shall promptly give Tenant written notification of  
43 intention to, and commence and with due diligence continue to, remedy such act or omission. For the  
44 purposes of this Section 9.05 only, the term "Superior Lessor" shall not include the Net Lessor

1 (i.e., the Port Authority or any successor thereto) so long as the Port Authority has any direct or  
2 indirect ownership interest in both Landlord and the Net Lessor.

3 9.06 Subject to the delivery, and the terms and conditions, of any applicable  
4 Non-Disturbance Agreement, in the event of a termination of any Superior Lease, or if the interests of  
5 Landlord under this Lease are transferred by reason of or assigned in lieu of foreclosure or other  
6 proceedings for enforcement of any such mortgage, or if the holder of any such mortgage acquires a  
7 lease in substitution therefor, then Tenant under this Lease will, at the option to be exercised in  
8 writing by the lessor under said Superior Lease or such purchaser, assignee or lessee, as the case may  
9 be, (i) attorn to it and will perform for its benefit all the executory terms, covenants and conditions of  
10 this Lease on Tenant's part to be performed with the same force and effect as if said lessor or such  
11 purchaser, assignee or lessee, were the landlord originally named in this Lease, or (ii) enter into a new  
12 lease with said lessor or such purchaser, assignee or lessee, as landlord, for the remaining term of this  
13 Lease and otherwise on the same terms and conditions and with the same executory options then  
14 remaining.

15 9.07 Subject to the delivery, and the terms and conditions, of any applicable  
16 Non-Disturbance Agreement, in the event of the enforcement by any Superior Mortgagee of the  
17 remedies provided for by law or by any security instrument, Tenant will, upon request of any person  
18 succeeding to the interest of Landlord as a result of such enforcement, automatically become the  
19 Tenant of said successor in interest, without change in the terms or other provisions of this Lease.  
20 Upon request by said successor in interest, Tenant shall execute and deliver an instrument or  
21 instruments confirming such attornment subject to the terms of the Non-Disturbance Agreement.  
22 Anything to the contrary in the foregoing notwithstanding, any cancellation, abridgment, surrender,  
23 modification or amendment of this Lease not expressly provided for under the terms of this Lease,  
24 and made without the prior written consent of the holder of any Superior Mortgage, except as may be  
25 permitted by the provisions of any such Superior Mortgage or assignment of leases and rents granted  
26 in connection with such Superior Mortgage shall be voidable as against the holder of the Superior  
27 Mortgage, at its option.

28 9.08 If, in connection with obtaining financing for (or condominiumizing of)  
29 the Land and/or Building, or of any Superior Lease, a banking, insurance or other recognized  
30 Institutional Lender shall request reasonable modifications in this Lease as a condition to such  
31 financing (or condominiumizing), Tenant will not unreasonably withhold, delay or defer its consent  
32 thereto, provided, that such modifications do not increase the financial or other obligations of Tenant  
33 hereunder or adversely affect Tenant or the leasehold interest hereby created or, impose any  
34 additional burden on Tenant or adversely affect Tenant's use and enjoyment of the Demised Premises,  
35 except in an immaterial way, or reduce Landlord's obligations hereunder, except in an immaterial  
36 way.

37 9.09 The parties agree, at any time and from time to time on reasonable  
38 occasions, upon not less than twenty (20) days' prior Notice by the other, to execute, acknowledge  
39 and deliver to the other, a statement in writing addressed to the other certifying that this Lease is  
40 unmodified and in full force and effect (or, if there have been modifications, that the same is in full  
41 force and effect as modified and stating the modifications), stating the dates to which the Fixed Rent,  
42 additional rental and other charges have been paid, and stating whether or not to the best knowledge  
43 of the signer of such certificate, there exists any default in the performance of any covenant,  
44 agreement, term, provision or condition contained in this Lease, and, if so, specifying each such  
45 default of which the signer may have knowledge, and such other information which may, from time  
46 to time, be reasonably requested by a Superior Mortgagee or a Superior Lessor or a subtenant or a  
47 proposed assignee, it being intended that any such statement delivered pursuant hereto may be relied

1 upon by the other and by any mortgagee or prospective mortgagee of any mortgage affecting the  
2 Building or the Building and the Land, and by any landlord under a ground or underlying lease  
3 affecting the Land or Building, or both or by any proposed assignee or subtenant; provided that  
4 (although the certifying party shall be bound by such statement) neither Landlord nor Tenant shall  
5 have any liability for damages to any of the foregoing parties as a result of any misstatement  
6 contained in any such statement.

7 9.10 [Intentionally Omitted.]

8 9.11 Landlord and Tenant hereby acknowledge and agree that Net Lessor,  
9 after an event of default under the Net Lease shall have occurred and be continuing, may collect rent  
10 and all other sums due under this Lease, and apply the net amount collected to the rental payable  
11 under the Net Lease, but no such collection shall be, or be deemed to be, a waiver of any agreement,  
12 term, covenant or conditions of the Net Lease, the acceptance by the Net Lessor of Tenant as the  
13 lessee under the Net Lease, or a release of Landlord from performance of its obligations under the Net  
14 Lease.

15 9.12 Landlord and Tenant hereby acknowledge and agree that any other  
16 Superior Lessor, after an event of default under a Superior Lease shall have occurred and be  
17 continuing, may collect rent and all other sums due under this Lease, and apply the net amount  
18 collected to the rental payable under the Superior Lease, but no such collection shall be, or be deemed  
19 to be, a waiver of any agreement, term, covenant or conditions of the Superior Lease, the acceptance  
20 by the Superior Lessor of Tenant as the lessee under the Superior Lease, or a release of the lessee  
21 under the Superior Lease from performance of its obligations under the Superior Lease.

22 ARTICLE 10

23 ENTRY; RIGHT TO CHANGE PUBLIC PORTIONS OF THE BUILDING; HUB ACCESS

24 10.01 Entry by Landlord. Subject to the provisions of this Article 10, Tenant  
25 shall permit Landlord, from time to time, to (a) erect, use and maintain pipes and conduits in and  
26 through the Demised Premises in concealed locations beneath floors, behind core or perimeter walls  
27 or within existing column enclosures and above ceilings provided the same do not have a material and  
28 adverse effect on Tenant and (b) recapture a de minimis portion of the Premises immediately adjacent  
29 to floors, walls, column enclosures or ceilings to erect, use and maintain pipes and conduits in and  
30 through the Demised Premises subject to Tenant's prior written consent in Tenant's reasonable  
31 discretion and Landlord's reimbursement of all costs incurred by Tenant in connection with such  
32 recapture and provided, further, however, that to the extent there are alternative locations (which are  
33 permitted by Legal Requirements, provide substantially the same service, do not cost materially more  
34 (unless Tenant, after being advised of the incremental cost by a Routine Notice from Landlord, agrees  
35 to pay such additional cost to Landlord, which additional cost shall be equal to Landlord's Cost  
36 therefor) and do not inconvenience other tenants of the Building (except in a de minimis way)) for the  
37 pipes and conduits outside of the Demised Premises, Tenant shall have the right to require Landlord  
38 to use such alternative locations. The foregoing sentence shall not require Landlord to alter the Basic  
39 Construction. Subject to the provisions of this Article 10, Landlord or its agents or designees shall  
40 have the right to enter the Demised Premises (and the cross-corridor and all other accessible parts of  
41 each floor of the Demised Premises) upon prior reasonable Routine Notice and in coordination with  
42 Tenant so as not to unreasonably disrupt Tenant's business operations (except in an emergency), for  
43 the purpose of (i) making such maintenance, repairs or alterations as Landlord shall be required or  
44 shall have the right to make by the provisions of this Lease and (ii) having access and egress through  
45 the Observation Deck Public Lobby and Observation Deck Exclusive Lobby for non-leasable areas  
46

1 located adjacent thereto. Landlord shall repair any damage caused by its maintenance, repairs or  
2 alterations, including repair (or replacement as necessary) of all Tenant finishes in substantially the  
3 same condition existing prior to such damage. Subject to the provisions of this Article 10, Landlord  
4 shall also have the right on reasonable prior Routine Notice during Premises Operating Hours and in  
5 coordination with Tenant so as not to unreasonably disrupt Tenant's business operations to enter the  
6 Demised Premises for the purpose of inspecting them or exhibiting them to prospective purchasers or  
7 lessees of the Building or to prospective mortgagees or to prospective assignees of any such  
8 mortgagees. Landlord shall be allowed to take such material as shall be required for such day's work  
9 (provided that if excess material does not unreasonably interfere with Tenant's business and use of the  
10 Demised Premises, then Landlord can take such reasonable amounts of material as is required for a  
11 commercially reasonable period not to exceed five (5) Business Days) into and upon the Demised  
12 Premises during periods when work is in progress, without the same constituting an eviction of  
13 Tenant in whole or in part and the rent reserved shall in no wise abate, except as otherwise provided  
14 in this Lease, while said maintenance, repairs or alterations are being made. Landlord shall clean up  
15 all work areas at the end of each day or block off such work areas in a manner that does not  
16 unreasonably interfere with Tenant's business and use of the Demised Premises. Landlord and/or its  
17 agents or designees shall have the right to enter the Premises at reasonable times to conduct  
18 non-intrusive periodic Indoor Air Quality (IAQ) testing in the Demised Premises. Notwithstanding  
19 anything herein to the contrary, if at any time during the term of this Lease, Landlord and Tenant  
20 shall be engaged in litigation of any nature relating to a default by Tenant under this Lease, Landlord  
21 shall have the right, during the entire period of such litigation to enter the Demised Premises at any  
22 time, whether or not Tenant or its agent or representative is present, for the purpose of showing same  
23 to prospective tenants or operators. If Tenant is not present to open and permit an entry into the  
24 Demised Premises in the event of an emergency, Landlord or Landlord's agents may (subject to the  
25 applicable terms hereof) enter the same whenever such entry shall be necessary by master key or  
26 forcibly and, provided reasonable care is exercised to safeguard Tenant's property, such entry shall  
27 not render Landlord or its agents liable therefor, nor in any event shall the obligations of Tenant  
28 hereunder be affected. Tenant hereby accepts the conditions set forth in this Article 10 as  
29 modifications and limitations on its right to use the Demised Premises and Tenant hereby waives any  
30 and all claims for damages to its business which may be caused by the effects of any such work.

31 10.02 Exhibiting of the Premises. During the thirty-six (36) months prior to the  
32 expiration of the term of this Lease, if the term shall not have been extended or renewed, Landlord  
33 may exhibit the Demised Premises to prospective tenants or operators, upon prior reasonable Routine  
34 Notice to Tenant and in coordination with Tenant so as not to unreasonably disrupt Tenant's business.

35 10.03 Work by Landlord. Following the completion of Basic Construction,  
36 (i) Landlord shall have the right at any time without incurring any liability to Tenant therefor, to  
37 change the arrangement or location of entrances, passageways, doors and doorways, corridors, stairs,  
38 toilets and other like public portions or service areas of the Building, provided that any such change  
39 does not (a) diminish Tenant's means of access to (or egress from) the Demised Premises beyond a de  
40 minimis extent, or (b) adversely interfere beyond a de minimis extent with the services or facilities  
41 furnished or available to the Demised Premises and (ii) Landlord may, at any time and from time to  
42 time during the term of this Lease, perform substantial renovation work in and to the Building and/or  
43 the mechanical systems serving the Building (which work may include the repair and/or replacement  
44 of the Building's exterior façade, setbacks, elevators, electrical systems, heating, air conditioning and  
45 ventilating systems and plumbing system and/or the installation, modification and/or removal of the  
46 Interim Loading Dock), any of which work may require access to the same from within the Demised  
47 Premises and/or the erection and maintenance of sidewalk bridges, scaffolding and/or other temporary  
48 safety measures in Landlord's reasonable discretion whether or not required by applicable Legal

1 Requirements (it being agreed that such work shall be performed by Landlord upon and subject to all  
2 of the terms of this Lease).

3           10.04       Additional Conditions. Landlord shall use its commercially reasonable  
4 efforts to minimize interference with Tenant's access and use or occupancy of the Demised Premises  
5 in making any repairs, alterations, additions or improvements and in inspecting and exhibiting the  
6 Demised Premises, and all of the foregoing shall be performed by Landlord with all due diligence;  
7 provided, however, that in performing its obligations under this Article 10, Landlord shall have no  
8 obligation to employ contractors or labor at so-called overtime or other premium pay rates or to incur  
9 any other overtime costs or expenses whatsoever, except that Landlord, at its expense, shall employ  
10 contractors or labor at so-called overtime or other premium pay rates if necessary to make any repair  
11 required to be made by it hereunder to remedy any condition that either (i) results in a denial of  
12 reasonable access to the Demised Premises, (ii) threatens the health or safety of any occupant of the  
13 Demised Premises, or (iii) unreasonably interferes with Tenant's ability to conduct its business in the  
14 Demised Premises. In all other cases, at Tenant's request and subject to the approval of Landlord in  
15 its reasonable discretion, Landlord shall employ contractors or labor at so-called overtime or other  
16 premium pay rates and incur any other overtime costs or expenses in making any repairs, alterations,  
17 additions or improvements in the Premises, provided Tenant shall pay to Landlord, as additional rent,  
18 within thirty (30) days after delivery of Notice with an invoice therefor, an amount equal to the  
19 difference between (x) all costs incurred by Landlord (which shall be equal to Landlord's Cost  
20 therefor) to perform such work on an overtime or other premium pay basis, including all fringe  
21 benefits and other elements of such pay rates, and (y) all costs that would have been incurred by  
22 Landlord (which shall be equal to Landlord's Cost therefor) to perform such work during Office  
23 Operating Hours on Business Days, including all fringe benefits and other elements of such pay rates.  
24 In making any repairs, alterations, additions or improvements in the Premises, Landlord shall cause  
25 its contractors or labor to cover and secure such repair areas and equipment in such a manner to  
26 minimize interference with Tenant's business operations during its daytime business hours. Subject to  
27 the terms of this Section 10.04, in the event that Landlord and its agents, representatives, contractors  
28 and employees desire to enter the Demised Premises in order to perform work on portions of the  
29 Building other than the Demised Premises, then Landlord shall have the right to enter the Demised  
30 Premises in such case only if it is reasonably necessary to enter the Demised Premises in order to  
31 perform such work.

32           10.05       Right of Access by Tenant. Tenant (or its subtenants of any tier, as  
33 applicable) shall have, throughout the term of this Lease, a right of access through other tenant spaces  
34 (and other tenants and their subtenants of any tier, as applicable, shall have a right of access through  
35 the Demised Premises) as necessary (including to the cross-corridor and other accessible parts of each  
36 floor), to install, service, maintain and repair cables, conduits, risers, piping, etc. running through the  
37 Building for which Tenant (or other tenants or subtenants of any tier, as applicable) is (or are)  
38 permitted or required to install, service, maintain and repair, provided, that the party desiring access  
39 (i.e., Tenant or other tenants or subtenants of any tier, as applicable) shall (a) provide Landlord with a  
40 reasonable prior Notice, and the party whose space is affected with reasonable prior notice, of the  
41 need for such access, (b) schedule such access so as not to interfere with the affected party's business  
42 or inconvenience other tenants of the Building, (c) repair, at the accessing party's expense, any  
43 damage to the Building or the accessed space arising out of such access and (d) indemnify and hold  
44 the party whose space is affected harmless from and against any cost, claim, liability, damage or  
45 expense (including reasonable attorneys' fees) incurred by such party as a result of permitting such  
46 access and work. Landlord shall use all commercially reasonable efforts to provide access through  
47 the Building Common Areas (rather than tenantable areas) on all floors of the Building.

ARTICLE 12

MAINTENANCE, REPAIRS AND REPLACEMENT

12.01 Maintenance, Repairs and Replacement by Tenant. Except for the maintenance, repair and replacement to be performed by Landlord pursuant to Sections 6.01 and 12.02, Tenant shall maintain the Demised Premises, the fixtures therein and the systems exclusively serving them in accordance with the Premier Facility Standard, and shall repair any damage thereto and make replacements, as and when needed to preserve them in good working order and condition in accordance with the Premier Facility Standard upon and subject to all of the terms of this Lease. Without limitation of the foregoing, Tenant shall update technical and A/V systems on a regular basis and maintain such systems so that they are at all times consistent with the Premier Facility Standard. Tenant acknowledges that such obligations apply to, without limitation, (a) the Observation Deck Elevators and all toilet rooms, janitor closets, and all service elevator corridors located within the Premises, (b) except as otherwise expressly provided in this Lease, all systems (other than shared elements of Building systems) serving the Demised Premises to the extent the same are located in the Demised Premises, (c) any system located outside of the Demised Premises to the extent it exclusively serves the Demised Premises, (d) Tenant's Insurable Property, (e) Specialty Alterations installed by or for Tenant and (f) those portions of the Building systems located within and exclusively serving the Premises, from the point of connection on each floor of the Premises (by way of example only, Tenant shall be responsible for the maintenance and repair of (i) the electrical system serving the Premises from (but not including) the bus duct on each floor, including the transformers, switches and panels and submeters, (ii) the plumbing and sanitary systems and installations serving the Premises from the points of connection to (but not including) the main vertical risers and stacks of the Building, including any private bathrooms and shower facilities, (iii) the sprinkler system serving the Premises from the point of connection to (but not including) the tamper and flow valves and (iv) the fire alarms serving the Premises from the point of connection to (but not including) the main fire alarm panel on each floor. At the election of Landlord, any work by Tenant with respect to any of the items above may be performed by Landlord, in which event Tenant shall pay to Landlord as additional rent Landlord's Cost therefor. Subject to Section 16.08 below, all damage or injury, whether structural or non-structural, to the Building (excluding the Demised Premises), unless such damage or injury is covered by Landlord's insurance, or to its fixtures, glass, appurtenances and equipment caused by the negligence or willful misconduct of Tenant, its employees, agents, or licensees, shall be repaired, restored or replaced promptly by Tenant at Tenant's sole cost and expense, except to the extent such repairs are necessitated by reason of the negligence or willful misconduct of Landlord or other tenants (or the employees, agents, licensees and/or invitees of either). All aforesaid repairs, restorations and replacements shall be in quality and class equal to the original work or installations to the extent practicable and shall be done in a good and workmanlike manner upon and subject to all of the terms of this Lease. If Tenant fails to perform any of the repairs set forth in this Section 12.01 within thirty (30) days after delivery of a Notice to Tenant with respect thereto (except in the event of an emergency, in which event no such Notice shall be required), same may be made by Landlord at the expense of Tenant (which shall be equal to Landlord's Cost therefor) and all such expenses shall be paid by Tenant to Landlord as additional rent within thirty (30) days after delivery of Notice with an invoice therefor.

12.02 Maintenance, Repairs and Replacement by Landlord. Except for the maintenance, repairs and replacements to be performed by Tenant pursuant to Sections 6.01 and 12.01 above, Landlord shall, at Landlord's expense, and with reasonable diligence, make (or cause to be made) all repairs and replacements, structural and otherwise, necessary or desirable in order to keep in good order and repair (a) all structural portions of the Building (whether located within or outside of the Demised Premises), such as, by way of example only, the roof, foundation,

1 footings, exterior walls, load-bearing columns, floor slabs, windows and sashes, (b) all Building  
2 Common Areas to the extent such areas serve or affect the Demised Premises or Tenant's use of the  
3 Demised Premises and the Building Common Areas, and (c) all shared Building systems (whether  
4 such Building systems are located within or outside of the Demised Premises) serving the Demised  
5 Premises and other Building areas to the extent such areas serve or affect the Demised Premises or  
6 Tenant's use of the Demised Premises and the Building Common Areas, including the shared  
7 elements of the plumbing, sanitary, electrical, mechanical, fire protection, life safety and sprinkler  
8 systems of the Building and the HVAC System, in each case through the term, and in such manner as  
9 is consistent with the maintenance, operation and repair standards of Comparable Buildings.  
10 Landlord shall perform all capital repairs and replacements necessary to keep the West Plaza in good  
11 condition. Tenant agrees to deliver a Notice to Landlord of the necessity of repairs of which Tenant  
12 may have knowledge for which Landlord may be responsible under the provisions of the preceding  
13 sentence. Except as otherwise expressly provided herein, there shall be no liability of Landlord by  
14 reason of inconvenience, annoyance or injury to business arising from Landlord or others making  
15 repairs in or to any portion of the Building or the Demised Premises or in and to the fixtures,  
16 appurtenances or equipment thereof. The provisions of this Article 12 shall not apply in the case of  
17 fire or other casualty which are dealt with in Article 17 hereof.

18 ARTICLE 13

19 ALTERATIONS; FIXTURES

20 13.01 Alterations by Tenant.

21 A. Material and Decorative Alterations. Tenant shall make no alterations,  
22 installations, additions or improvements in or to the Demised Premises or the electrical, plumbing,  
23 mechanical or heating, ventilating and air-conditioning systems serving the Demised Premises, including  
24 Tenant's Work pursuant to the Work Letter (collectively, "Alterations") except in compliance with the  
25 provisions of this Article 13 (and otherwise in accordance with the terms of Exhibit C attached hereto).  
26 Tenant shall make no Alteration (other than a Material Alteration and Decorative Alterations, which are  
27 covered by the terms of the following sentence) without Landlord's prior consent, which consent shall  
28 not be unreasonably withheld or delayed. Notwithstanding the foregoing, (i) decorative Alterations such  
29 as painting, carpeting and floor and wall coverings (collectively, "Decorative Alterations"), which are  
30 consistent with the construction plans for Tenant's Work approved by Landlord under the Work Letter or  
31 the construction plans for any Alterations subsequently approved by Landlord, may be made by Tenant  
32 without Landlord's approval (although Tenant must otherwise fully comply with respect thereto with all  
33 of the other applicable provisions of this Article, including the requirements of Exhibit C attached hereto  
34 and the receipt of approval of any required applicable Governmental Authorities (including QAD)) and  
35 (ii) Landlord's consent may be withheld in its sole and absolute discretion with respect to any Material  
36 Alterations. "Material Alterations" means any Alteration that (a) affects the Building's structure,  
37 (b) affects the Building's exterior, (c) affects the mechanical or utility systems of the Building or any  
38 space occupied by another tenant, (d) affects the provision of services to other Building tenants,  
39 (e) includes work that requires the removal of a portion of the floor slab in any portion of the Demised  
40 Premises, or access to, or penetration of the floor slab adjacent to, any space occupied by any other  
41 tenant or occupant of the Building other than Tenant's subtenants, (f) provides for the installation of wet  
42 pipes above or in close proximity to an existing sensitive area(s) of another tenant, (g) affects any  
43 Building Common Area, or can be seen from any Building Common Area, (h) affects the technical  
44 services or content of the Facility or (i) constitutes a change in the design concept for any portion of the  
45 Demised Premises. Tenant acknowledges that with respect to the performance of all Alterations, Tenant  
46 must otherwise fully comply with all of the other applicable provisions of this Article, including the  
47

1 requirements of Exhibit C attached hereto and the receipt of approval of any required applicable  
2 Governmental Authorities (including QAD).

3 B. Timing of Performance of Alterations. Subject to Section 13.04D hereof and the  
4 terms of the Rules and Regulations Regarding Alterations attached hereto as Exhibit C, Tenant may  
5 perform Alterations at such time as Tenant deems appropriate, both during Office Operating Hours on  
6 Business Days and at other times, although any Prohibited Work being performed on any floor (the  
7 "Prohibited Work Floor") of the Demised Premises when other tenants are in occupancy for the conduct  
8 of their business of all or any portion of the four (4) floors immediately above and/or below the  
9 Prohibited Work Floor and which affects any other tenant's use of its demised premises or the Building  
10 Common Areas used by other tenants of the Building shall be performed during hours other than Office  
11 Operating Hours on Business Days.

12 C. Miscellaneous. As a condition precedent to Landlord's consent to the  
13 performance by Tenant of any Alteration costing in excess of \$5,000,000.00 in the aggregate (pursuant  
14 to a reasonable estimate prepared by Tenant's contractor and reasonably acceptable to Landlord), Tenant  
15 shall, upon the request of Landlord, obtain and deliver to Landlord either (at the election of Landlord)  
16 (a) a performance bond and a labor and materials payment bond issued by a surety company reasonably  
17 satisfactory to Landlord and licensed to do business in the State of New York or (b) a letter of credit in  
18 compliance with the applicable terms of Article 38 hereof, in an amount equal to one hundred (100%)  
19 percent of the cost of all such work, labor, and services to be performed and materials to be furnished in  
20 connection with such work. Landlord and Landlord's designees shall be obligee(s) or insured(s) under  
21 such surety bond or the beneficiary of such letter of credit, as the case may be. If any mechanic's lien is  
22 filed against the Building for work claimed to have been done for or materials claimed to have been  
23 furnished to Tenant, it shall be discharged by Tenant within thirty (30) days after notification to Tenant  
24 of the same, at Tenant's expense, by filing the bond required by law or payment or otherwise. If Tenant  
25 fails to discharge such lien within such thirty (30) day period, then Landlord (upon delivery of ten (10)  
26 days' prior Notice to Tenant) shall have the right to discharge same (by filing the bond required by law)  
27 and Landlord's Cost in obtaining such bond shall be repaid in full by Tenant to Landlord as additional  
28 rent within thirty (30) days after delivery of Notice with an invoice therefor. In addition, Tenant shall  
29 defend, save and hold Landlord harmless from any such mechanic's lien or claim, including Landlord's  
30 reasonable attorneys' fees, costs and expenses incurred by Landlord from and after a default by Tenant  
31 under this Lease with respect to the discharge of such mechanic's liens. If Landlord shall disapprove any  
32 Alteration for which Landlord's consent is required, Landlord shall set forth in writing in reasonable  
33 detail the reasons for such disapproval and shall itemize those portions of the plans and specifications  
34 therefor so disapproved. Landlord shall not be liable for any failure of any Building facilities or services  
35 to the extent caused by any act, omission, negligence or willful misconduct of Tenant or its agents,  
36 employees, contractors, subcontractors or construction managers, including any Alterations performed  
37 by or on behalf of Tenant, and Tenant shall correct any such faulty installation. Upon Tenant's failure to  
38 correct same within thirty (30) days after delivery of a Notice to Tenant with respect thereto (except in  
39 the event of an emergency, in which event no such Notice shall be required), Landlord may make such  
40 correction and charge Tenant for the cost thereof (which cost shall be equal to Landlord's Cost therefor  
41 and shall be payable by Tenant to Landlord as additional rent within thirty (30) days after delivery of  
42 Notice with an invoice therefor).

43 D. Port Authority Manual and QAD Approval. All Alterations shall be done at  
44 Tenant's sole expense and in full compliance with all Legal Requirements, including the Port Authority  
45 Manual. Landlord is not obligated to perform any Alterations for or on behalf of Tenant, except as  
46 expressly provided in this Lease. Notwithstanding anything herein to the contrary, to the extent required  
47 by the Port Authority Manual, Tenant shall not commence any Alterations (including a Decorative  
48 Alteration) until all applicable requirements of the Port Authority Manual with respect to such

1 Alterations shall have been fully satisfied, including the obtaining of the approval of QAD. Landlord  
2 shall cooperate in connection therewith at Landlord's expense and otherwise upon and subject to the  
3 terms of Section 5.04 hereof. The data to be supplied by Tenant in connection with any Alterations shall  
4 describe the fixtures, equipment and systems, if any, to be installed by Tenant, including those for the  
5 emission, handling and distribution of heat, air conditioning, domestic hot and cold water and electricity,  
6 in sufficient detail as shall enable QAD to determine whether the Port Authority Manual requirements  
7 have been complied with, and as shall enable Tenant's contractor to perform the work described and  
8 shown in such plans and specifications and shall show the proposed method of tying in such fixtures,  
9 equipment and systems to the utility lines or connections provided by Landlord on the various floors on  
10 which each portion of the Demised Premises is located.

11 E. Identification and Removal of Wiring. Tenant shall label all wiring installed in  
12 or for the Demised Premises and provide Landlord with an as-built plan showing such wiring (which  
13 shall be updated and delivered to Landlord for additions to or changes in wiring) so that the use of all  
14 wiring installed in or for the Demised Premises by or for Tenant is readily identifiable by Landlord.  
15 Tenant shall remove all abandoned wiring installed by Tenant at the time it is abandoned.

16 13.02 Required Insurance. Prior to commencing any Alteration, Tenant shall  
17 furnish to Landlord (subject to the terms of the Port Authority Manual):

18 A. A certificate evidencing that Tenant, Tenant's contractors, construction managers  
19 and subcontractors have procured workmen's compensation insurance in statutory limits with \$1,000,000  
20 employer's liability insurance covering all persons employed in connection with the work who might  
21 assert claims for death or bodily injury against the holder of the Net Lease, Landlord, Tenant or the  
22 Building. Such certificate is to contain provisions that obligate the insurer to notify Landlord, at least  
23 thirty (30) days in advance, in the event of cancellation or material change of the coverage. The amount  
24 of insurance required hereunder may be reasonably increased by Landlord from time to time.

25 B. A certificate evidencing that Tenant's contractors, construction managers and  
26 subcontractors have procured Commercial General Liability insurance for each location written with at  
27 least a \$25,000,000 limit per occurrence for bodily injury, personal injury and property damage liability,  
28 including products and/or completed operations coverage, and business auto coverage including owned,  
29 non-owned and hired cars coverage of at least \$5,000,000 with insurers reasonably satisfactory to  
30 Landlord, and including Landlord, and such other parties as shall be designated by Landlord, as  
31 additional insureds. The above amount for Commercial General Liability insurance shall be reduced to  
32 \$5,000,000 with respect to all subcontractors retained by or on behalf of Tenant. Such certificate is to  
33 contain provisions that obligate the insurer to notify Landlord, at least thirty (30) days in advance, in the  
34 event of cancellation or material change of the coverage. The amount of insurance required hereunder  
35 may be reasonably increased by Landlord from time to time.

36 C. A certificate evidencing that Tenant (or Tenant's contractors) has (have) procured  
37 Builder's Risk (issued on a completed value basis) and temporary structures coverage (issued on a  
38 replacement cost basis) with respect to such Alteration in an amount reasonably satisfactory to Landlord,  
39 although Tenant shall not be obligated to obtain such Builder's Risk coverage to the extent that Tenant  
40 can demonstrate (to the reasonable satisfaction of Landlord) that its existing property insurance already  
41 provides such coverage.

42 D. Such additional personal injury and property damage insurance (over and above  
43 the insurance required to be carried by Tenant pursuant to the provisions of Article 16 hereof) and  
44 general liability insurance (with completed operations endorsement) for any occurrence in or about the

1 Building, in such limits as Landlord may reasonably require because of the nature of the work to be done  
2 by Tenant and with insurers reasonably satisfactory to Landlord.

3           13.03       Restoration. Subject to the applicable terms of the Work Letter, all  
4 Alterations upon the Demised Premises, made by either party, including all paneling, decoration,  
5 non-removable partitions, railing, mezzanine floors, galleries and the like, affixed to the realty so that  
6 they cannot be removed without material damage to the Building (collectively "Fixtures") shall be the  
7 property of Tenant during the term (to the extent that Tenant shall have paid therefor) and shall be  
8 insured by Tenant, and upon expiration or earlier termination of this Lease shall (except as hereinafter  
9 provided) become the property of Landlord. To the extent that Landlord shall have paid therefor,  
10 such items shall be the property of Landlord during the term of this Lease but shall be insured by  
11 Tenant. The foregoing shall be solely for federal, state and local tax purposes and shall not be  
12 deemed or construed to modify in any manner the obligations of Landlord and Tenant elsewhere in  
13 this Lease, including Articles 11, 12, 16 and 17 hereof. All of such determinations shall be made by  
14 Landlord in its reasonable discretion. Nothing contained herein shall be deemed or construed to be a  
15 representation or warranty by Landlord that any tax deductions and/or tax credits are or will be  
16 available to Tenant with respect thereto. All Fixtures then remaining in the Demised Premises  
17 (except as hereinafter provided) shall be surrendered with the Demised Premises, as a part thereof, at  
18 the end of the term. With respect to any Specialty Alterations, if Landlord shall, at any time prior to  
19 the date which is six (6) months following the Expiration Date or earlier termination of the term of  
20 this Lease, elect to demolish and restore any Specialty Alterations installed by any Tenant Party  
21 during the term of this Lease, Tenant shall pay to Landlord, within thirty (30) days after delivery of  
22 an invoice therefor, Landlord's Cost to demolish and restore same (or, if Landlord, is then  
23 demolishing or restoring other portions of the Demised Premises in addition to such Specialty  
24 Alterations, the incremental Landlord's Cost to demolish or restore any such Specialty Alterations  
25 over and above the cost of such other demolition) and, in case of damage to any structural elements of  
26 the Building or Building mechanical or utility systems by reason of their removal, Tenant shall pay  
27 Landlord's Cost to repair any such damage. If Landlord is holding a Security Deposit pursuant to the  
28 terms of this Lease, Landlord shall retain such portion of that Security Deposit as Landlord deems  
29 reasonably necessary in order to secure Tenant's payment obligations set forth in the immediately  
30 prior sentence (but the same shall not constitute a limit on such obligations). All of Tenant's  
31 telephone and other communications equipment, computer systems, audio or visual systems, kitchen  
32 and food or beverage service equipment, furniture, trade fixtures, furnishings, inventory, marketing  
33 materials, and other items of personal property not affixed to the realty that are removable without  
34 material damage to the Premises or the Building, and any and all right, title and interest of Tenant in  
35 any intangible property related to the Premises or this Lease, including without limitation designs,  
36 images, computer software and program content (collectively, "Tenant's Property") shall remain the  
37 property of Tenant during the Term, and upon expiration or earlier termination of this Lease shall  
38 (except as hereinafter provided) become the property of Landlord, and Tenant agrees that it will  
39 execute any documents reasonably requested by Landlord to evidence the transfer of ownership of  
40 Tenant's Property to Landlord upon expiration or earlier termination of this Lease, at no cost or  
41 expense to Landlord. Notwithstanding the foregoing, if Landlord elects for Tenant to remove one or  
42 more item(s) of Tenant's Property, Landlord shall deliver Notice to Tenant not less than thirty (30)  
43 days prior to the expiration of the term of this Lease specifying the item(s) of Tenant's Property which  
44 Landlord has elected to have Tenant remove. In such event Tenant shall at its expense, on or before  
45 the expiration of the term of this Lease, remove such item(s), and, in case of damage to any structural  
46 elements of the Building or Building mechanical or utility systems by reason of their removal, Tenant  
47 shall repair any such damage. All items of Tenant's Property required to be removed by Tenant at the  
48 end of the term remaining in the Demised Premises after Tenant's removal shall be deemed  
49 abandoned and may, at the election of Landlord, either be retained as Landlord's property or may be  
50 removed from the Demised Premises by Landlord, at Tenant's expense equal to Landlord's Cost

1 therefor. Except for Tenant's repair obligation expressly provided for above in this Section 13.03 and  
2 Tenant's obligations to pay for the removal and restoration of Specialty Alterations in accordance  
3 with this Section 13.03 (and as otherwise expressly provided herein) and Tenant's other obligations  
4 under this Section 13.03, Landlord shall accept the Demised Premises in its then "as is" condition at  
5 the expiration or any earlier termination of this Lease. The foregoing obligations of Tenant shall also  
6 be applicable in connection with the earlier termination of this Lease for any reason with respect to a  
7 portion of the Premises. The terms of this Section 13.03 shall survive the expiration or sooner  
8 termination of this Lease.

9 13.04 Miscellaneous Restrictions.

10 A. Before proceeding with any Alteration other than a Decorative Alteration, Tenant  
11 shall submit to Landlord the number of copies of detailed plans and specifications therefor then required  
12 by the terms of the Rules and Regulations Regarding Alterations attached hereto as Exhibit C (and to  
13 QAD the number of copies of detailed plans and specifications therefor then required by the terms of the  
14 Port Authority Manual).

15 B. Tenant shall not be permitted to install any Fixtures which are subject to liens,  
16 chattel mortgages or security interests (as such term is defined in the Uniform Commercial Code as then  
17 in effect in New York). At all times during the Term, Tenant's Property shall be owned by Tenant free  
18 and clear of any liens, security interests, claims or encumbrances other than a Leasehold Mortgage  
19 permitted under this Lease.

20 C. No Alterations (including Decorative Alterations) shall be undertaken except  
21 after delivery of at least ten (10) Business Days' prior Notice to Landlord with respect thereto (which  
22 period shall begin when QAD shall have issued an approval to proceed with respect thereto and all  
23 permits and authorizations required by applicable Legal Requirements have been obtained (and copies  
24 thereof furnished to Landlord)). Tenant shall be fully responsible at its sole cost and expense for  
25 retaining all architectural, engineering and other technical consultants as QAD shall determine are  
26 necessary to prepare Tenant's plans in accordance with this Article 13 upon and subject to the terms of  
27 the Port Authority Manual. The plans and specifications to be submitted by Tenant to Landlord shall  
28 bear the seal of a licensed architect or professional engineer licensed in the State of New York who shall  
29 be responsible for the administration of the work, and shall be in reasonably sufficient detail for Tenant's  
30 contractor to perform the work. Prior to engaging or retaining architect(s) or engineer(s) for any  
31 Alterations, Tenant shall submit the name or names of such architect(s) or engineer(s) to Landlord for its  
32 approval; it being agreed that any such approval shall not be unreasonably withheld or delayed.

33 D. All Alterations shall at all times comply with all Legal Requirements (including  
34 the Port Authority Manual) and the Rules and Regulations annexed hereto as Exhibit C (including  
35 changes to such Rules and Regulations adopted by Landlord in accordance with Article 26 below) and  
36 Landlord shall cooperate with Tenant in connection with such compliance in accordance with the  
37 provisions of Section 5.04 hereof. Tenant, at its expense, shall cause all Alterations to be performed in a  
38 good and workmanlike manner, using materials and equipment at least equal in quality to the Building  
39 Standards set forth on Exhibit C annexed hereto. Tenant shall have the right to file plans for any  
40 proposed Alteration with any Governmental Authority (including QAD) prior to Landlord's approval of  
41 such plans, provided that (i) Tenant shall simultaneously deliver to Landlord a set of such plans if same  
42 have not theretofore been delivered to Landlord, and (ii) in no event shall Tenant be permitted to  
43 commence the work or to pull or obtain any required permits or license to be issued by any  
44 Governmental Authority (including QAD) authorizing such work until Landlord has approved such  
45 plans pursuant to the provisions of this Article 13. Subject to the terms of Section 13.05 hereof, Tenant  
46 shall reimburse Landlord for Landlord's Cost in connection with any such Alteration. All Alterations

1 shall be promptly commenced and completed and shall be performed in such manner so as not to  
2 interfere with the occupancy of any other tenant nor delay or impose any additional expense upon  
3 Landlord in the maintenance, cleaning, repair, safety, management, or security of the Building (or the  
4 Building's equipment) or in the performance of any improvements. If any such additional expense is  
5 incurred, Landlord may collect Landlord's Cost thereof as additional rent from Tenant within thirty (30)  
6 days after delivery of Notice with an invoice therefor. Subject to the terms of the Rules and Regulations  
7 Regarding Alterations attached hereto as Exhibit C, Tenant shall (upon completion of any Alteration at  
8 Landlord's request) deliver three (3) complete sets of "As Built" drawings and plans to Landlord (which  
9 plans and specifications must include final, marked record drawings which incorporate all bulletins,  
10 revisions, clarification sketches and the like issued from each of Tenant's HVAC, electrical, plumbing  
11 and fire safety and sprinkler designers and subcontractors, as applicable) prepared on an AutoCAD  
12 Computer Assisted Drafting and Design System (or its then equivalent) using naming conventions issued  
13 by the American Institute of Architects in June, 1990 (or its then equivalent) and magnetic computer  
14 media of such record drawings and specifications, translated into in a format compatible with AutoCAD  
15 Release 2000 or later or another format reasonably acceptable to Landlord.

16 E. Tenant, at its sole expense, promptly shall procure the cancellation or discharge  
17 of all notices of violation arising from or otherwise connected with its Alterations which shall be issued  
18 by any Governmental Authority.

19 F. Only Landlord or parties first approved by Landlord shall be permitted to act as a  
20 contractor, subcontractor or construction manager for any Alteration (including a Decorative Alteration).  
21 Such approval shall not be unreasonably withheld or delayed. Landlord reserves the right to exclude  
22 from the Building any party attempting to act as a contractor, subcontractor or construction manager in  
23 violation of this Article. In the event Tenant shall employ any contractor, subcontractor or construction  
24 manager permitted in this Article, such contractor, subcontractor or construction manager may have use  
25 of the Building facilities subject to the provisions of this Lease and the Rules and Regulations Regarding  
26 Alterations attached hereto as Exhibit C. Landlord shall provide Tenant with a list of such contractors or  
27 subcontractors upon request by Tenant from time to time, which contractors and subcontractors shall be  
28 deemed approved for the one (1) year period from the date of approval thereof; provided, however, that  
29 Landlord may remove a contractor or subcontractor (as the case may be) from such list or withdraw its  
30 approval thereto at any time. Notwithstanding anything herein to the contrary, Tenant acknowledges  
that in connection with any Alteration related to

36 and certain other items designated by Landlord in its sole and absolute discretion, a single  
37 subcontractor designated by Landlord or Landlord's managing agent may be required to perform such  
38 work (and certain architectural and engineering services in connection therewith may be required by  
39 Landlord or Landlord's managing agent to be furnished by Landlord's Engineer and Landlord's Architect  
40 or other consulting firms designated by Landlord). At the option of Landlord, Landlord shall cause such  
41 subcontractor to perform such work at Tenant's expense, which expense shall be equal to Landlord's Cost  
42 therefor. The approval by Landlord of any construction manager, general contractor and/or  
43 subcontractor(s) (nor the designation of a single subcontractor for the performance of work) shall not be  
44 deemed to mean the Landlord has given any assurance or made any representation or guaranty with  
45 respect to the performance by or quality of work of such construction manager, general contractor or  
46 subcontractor(s), and Landlord shall have no responsibility for the actions, negligence, work or  
47 workmanship of such construction manager, general contractor or subcontractor(s).

1 G. The performance of any Alteration (or the use of any materials in connection  
2 with such Alteration) shall not be done in a manner which would disturb harmony with any trade  
3 engaged in performing any other work in the Building (including the creation of any work slowdown,  
4 sabotage, strike, picket or jurisdictional dispute) or create any actual interference with the operation of  
5 the Building. Tenant shall immediately stop the performance of any Alteration (or the use of any  
6 materials in connection with such Alteration) if Landlord delivers a Notice to Tenant that continuing  
7 such Alteration would so disturb harmony with any trade engaged in performing any other work in the  
8 Building or create any actual interference with the operation of the Building. Landlord and Tenant shall  
9 cooperate with one another in all reasonable respects to avoid any such labor disharmony. Tenant  
10 hereby agrees to defend, save and hold Landlord harmless from any and all loss arising thereby,  
11 including any reasonable attorneys' fees and any claims made by contractors, subcontractors,  
12 construction managers, mechanics and/or laborers so precluded from having access to the Building  
13 Tenant may at any time utilize Tenant's employees to perform Alterations, whether or not such  
14 employees shall be unionized; provided, however, that such employees shall be properly licensed and  
15 qualified to perform such Alteration and shall not cause labor disharmony in the Building.

16 H. No approval of any plans or specifications by Landlord, QAD or any other  
17 Governmental Authority or consent by Landlord, QAD or any other Governmental Authority allowing  
18 Tenant to make any Alterations or any inspection of Alterations made by or for Landlord, QAD or any  
19 other Governmental Authority shall in any way be deemed to be an agreement by Landlord, QAD or  
20 any other Governmental Authority that the contemplated Alterations comply with any Legal  
21 Requirements (including the Port Authority Manual) or insurance requirements nor shall it be deemed to  
22 be a waiver by Landlord of the compliance by Tenant of any provision of this Lease.

23 I. Subject to Landlord's consent, which shall be granted or withheld in accordance  
24 with and subject to the terms and conditions of this Article 13, Tenant shall be permitted to install  
25 wireless communications networks (also known as "Wi-Fi") within the Demised Premises for use only  
26 within the Demised Premises by Tenant, its employees, and visitors to access a private intranet or public  
27 internet for no charge (the "Network"). Tenant shall not solicit, suffer, or permit other tenants or  
28 occupants of the Building or other third parties to use the Network or any other communications service,  
29 including any wired or wireless internet service that passes through, is transmitted through, or emanates  
30 from, the Demised Premises. Tenant's communications equipment and the communications equipment  
31 of Tenant's service providers and contractors located in or about the Demised Premises or installed in the  
32 Building to service the Demised Premises, including the Network and any antennae, switches or other  
33 equipment (collectively, "Tenant's Communications Equipment") shall be of a type and, if applicable, a  
34 frequency that will not cause radio frequency, electromagnetic or other interference to any other party or  
35 any equipment (e.g., cellular wireless, wireless data, two-way radio (provided that such two-way radio is  
36 integrated with Landlord's system at the expense of Tenant, which expense shall be equal to Landlord's  
37 Cost therefor), or first responder) of any other party, including Landlord, other stakeholders, other  
38 tenants or occupants of the Building or the World Trade Center or any other party and whether or not  
39 such interference is caused to equipment installed after the installation of Tenant's Communications  
40 Equipment. In the event that Tenant's Communications Equipment causes or is believed to cause any  
41 such interference, upon receipt of a Notice from Landlord of such interference, Tenant will take all steps  
42 necessary to correct and eliminate the interference. If the interference is not eliminated within  
43 twenty-four (24) hours (or such shorter period as shall be designated by Landlord in its sole and absolute  
44 discretion if Landlord believes a shorter period to be appropriate) then, upon a Notice from Landlord,  
45 Tenant shall shut down Tenant's Communications Equipment until such interference shall have been  
46 resolved to Landlord's reasonable satisfaction. Landlord shall have no liability to Tenant if Tenant shall  
47 be unable to install any Network in the Demised Premises or if Tenant shall be required to shut down  
48 Tenant's Communications Equipment for any reason. Tenant acknowledges that Landlord has granted  
49 and/or may grant rights, licenses and other rights to install intranet, internet, wireless and cellular

1 networks, satellite dishes, antennae, switches and other communications networks and equipment to  
2 other tenants and occupants of the Building and to telecommunications service providers and other third  
3 parties. In all event's the Network installed by Tenant shall be configured and located so that it cannot  
4 be used in any material respect by persons outside the Demised Premises.

5 13.05 Charges and Other Restrictions.

6 A. Tenant shall reimburse Landlord, as additional rent within thirty (30) days after  
7 delivery of Notice with an invoice therefor, for Landlord's Cost in connection with the review by any  
8 party (including Landlord and its personnel and any architect or engineer employed by Landlord in  
9 connection therewith) of Tenant's plans and specifications for any Alterations (including Tenant's Work).

10 B. Except with respect to Tenant's Work (it being agreed that all standby charges  
11 payable by Tenant in connection therewith shall be set forth in the Work Letter), Tenant shall pay to  
12 Landlord, as additional rent within thirty (30) days after delivery of Notice with an invoice therefor, a  
13 charge equal to Landlord's Cost for all standby Building personnel reasonably required to supervise,  
14 assist and/or otherwise perform any services in connection with the performance by Tenant of any  
15 Alteration for the period that Landlord makes such personnel available therefor in accordance with  
16 standard Building procedures (including any applicable overtime costs Landlord incurs to make such  
17 personnel available therefor). To the extent that Tenant shall be performing any Alterations, Tenant  
18 shall pay any additional costs incurred by Landlord in connection therewith (which shall be equal to  
19 Landlord's Cost therefor), including standby labor and/or operating personnel that may be required to  
20 comply with applicable Legal Requirements and/or union jurisdictional requirements with respect to the  
21 balance of the World Trade Center (other than the Building).

22 C. In connection with Tenant's Work and any subsequent Alteration by Tenant,  
23 Tenant shall be responsible for any charges payable to Port Authority (in its governmental capacity) for  
24 the filing and review of Tenant's architectural and engineering plans (including any permitting and filing  
25 fees of QAD) in accordance with the Port Authority Manual.

26 D. Notwithstanding anything herein to the contrary, the following terms shall be  
27 applicable to a bar, kitchen, sink, shower and any other "wet" installation to be installed by or on behalf  
28 of Tenant: (a) the plans and specifications with respect to any such "wet" installation shall be subject to  
29 Landlord's approval upon and subject to the applicable terms of this Lease and shall be designed in such  
30 a manner so as to minimize the occurrence of any water leaks, (b) Tenant shall install at its expense as  
31 part of Tenant's Work, a membrane waterproofing system (or its then equivalent), and a sealed and tiled  
32 floor with drains (or its then equivalent), throughout all of the "wet" areas of the Demised Premises and  
33 Tenant shall maintain same throughout the term of this Lease in good working order, (c) Tenant shall be  
34 solely responsible at its expense throughout the term for (i) preserving the watertight integrity of the  
35 Demised Premises and (ii) all leaks from such "wet" installation to all areas of the Building beneath the  
36 Demised Premises and any damage caused thereby, (d) if any water leaks occur from such "wet"  
37 installation, Tenant, upon Landlord's request, shall promptly cease the use of the item(s) causing the leak  
38 and shall promptly and diligently perform at its expense any work or alteration reasonably requested by  
39 Landlord to remedy such problem, which work or alteration shall be performed by Tenant upon and  
40 subject to all of the terms of this Lease and (e) Tenant hereby indemnifies Landlord and the other tenants  
41 of the Building from and against any and all loss, cost, liability, claims, actual damages and expenses of  
42 any nature whatsoever arising out of any such leak. Landlord and Tenant acknowledge that (x) except to  
43 the extent that such leak(s) shall have been caused by the negligence or willful misconduct of Landlord  
44 and/or its agents and/or employees (and in such event subject to the terms of Section 16.08 hereof),  
45 Landlord shall have no liability to Tenant for any loss, damage, or expense which Tenant may sustain on  
46 account of such leak(s) into any portion of the Premises, (y) this Lease and the obligations of Tenant

1 shall not be affected by reason of any such leak(s) and (z) the terms of this Section are also subject to the  
2 applicable terms of Exhibit C attached hereto.

3 E. All Alterations shall be subject to and performed in accordance with applicable  
4 LEED standards or its equivalent to the extent Landlord has obtained (and is then maintaining) or is then  
5 seeking a LEED certification or its equivalent, including those set forth in the Rules and Regulations  
6 Regarding Alterations annexed hereto as Exhibit C; provided, however, Tenant's LEED obligations with  
7 respect to Tenant's Work shall be as expressly set forth in the Work Letter. Tenant at its expense shall  
8 be obligated to fully comply with all LEED obligations imposed upon Tenant pursuant to the terms of  
9 the Port Authority Manual. Landlord hereby advises Tenant that (a) it is Landlord's intention to obtain a  
10 LEED certification of gold (or LEED Gold Alternative Path or its equivalent) with respect to the  
11 Building and (b) the Building has been designed and engineered (and is being constructed) by Landlord  
12 in accordance with such intention. Landlord agrees to use commercially reasonable efforts to obtain  
13 such LEED certification, although Landlord shall not be obligated to commence an action or proceeding  
14 or to incur any material expenses in connection therewith. Promptly following the completion of Basic  
15 Construction and the issuance of any LEED certification with respect to the Building, Landlord shall  
16 deliver a Routine Notice to Tenant with respect thereto. Any failure for any reason by Landlord to  
17 obtain or maintain such LEED certification shall not constitute a default by Landlord, entitle Tenant to  
18 any abatement or reduction in Fixed Rent or additional rent, relieve Tenant of any obligation under this  
19 Lease or impose any liability upon Landlord.

20 F. Tenant shall reimburse Landlord, as additional rent within thirty (30) days after  
21 delivery of Notice with an invoice therefor, for Landlord's Cost in connection with any incremental costs  
22 incurred by Landlord with respect to Landlord's maintenance and repair obligations hereunder to the  
23 extent arising from or with respect to any Alterations (including Specialty Alterations) completed by or  
24 for the benefit of Tenant. Tenant acknowledges and agrees that it will be responsible for the  
25 maintenance, repair and replacement of any such Alterations (including its Specialty Alterations), and  
26 Tenant shall promptly commence and complete any such maintenance, repair and/or replacement  
27 following any request therefor from Landlord.

28 13.06 Arbitration. Either party shall be permitted to submit disputes arising  
29 under this Article 13 to arbitration in accordance with the provisions of Article 25 hereof.

30 ARTICLE 14  
31

32 LANDLORD'S RIGHT TO PERFORM TENANT'S OBLIGATIONS

33 14.01 Cure Rights. If Tenant shall default in the observance or performance of  
34 any term or covenant on its part to be observed or performed under or by virtue of any of the terms or  
35 provisions of this Lease, and such default shall continue beyond any applicable notice and cure  
36 period, Landlord, without being under any obligation to do so and without thereby waiving such  
37 default, may, upon at least ten (10) days' prior Notice to Tenant and an opportunity to cure (or such  
38 shorter periods, if any, as may be feasible in the case of an emergency), which Notice shall expressly  
39 state Landlord's intention to exercise its rights under this Section 14.01 (and when and how Landlord  
40 intends to do the same), remedy such default for the account and at the expense of Tenant equal to  
41 Landlord's Cost therefor. Subject to the terms of Section 32.05 hereof, if Landlord makes any  
42 expenditures in connection therewith, including reasonable attorneys' fees in instituting, prosecuting  
43 or defending any action or proceeding, such sums paid with interest at the Prime Rate shall be  
44 deemed to be additional rent hereunder and shall be paid to it by Tenant within thirty (30) days after  
45 submission by Landlord to Tenant of Notice with a reasonably detailed invoice therefor. If the term

1 of this Lease shall have expired or otherwise terminated at the time of making of such expenditures or  
2 incurring of such obligations, such sums shall be recoverable by Landlord as damages.

3 ARTICLE 15

4  
5 NO LIABILITY; FORCE MAJEURE

6 15.01 No Representations. Landlord or Landlord's agents have made no  
7 representations or promises with respect to the Building, the Land or the Demised Premises except as  
8 herein expressly set forth and no rights, easements or licenses are acquired by Tenant by implication  
9 or otherwise except as expressly set forth in the provision of this Lease.

10 15.02 Force Majeure.

11 A. Except as may be specifically provided for elsewhere in this Lease, this Lease  
12 and the obligation of Tenant to pay rent hereunder and perform all of the other covenants and agreements  
13 hereunder on the part of Tenant to be performed shall in no way be affected, impaired or excused  
14 because Landlord is unable to fulfill any of its obligations under this Lease or is unable to supply or is  
15 unable to make or is delayed in making any repairs, additions, alterations or decorations or is unable to  
16 supply or is delayed in supplying any equipment or fixtures (except for the payment of any sums due to  
17 Tenant hereunder and any obligations of Landlord to the extent that the non-performance of such  
18 obligations would unreasonably interfere with or prevent Tenant from performing its corresponding  
19 obligations under this Lease), if Landlord is prevented or delayed from so doing by reason of Force  
20 Majeure.

21 B. Except as may be specifically provided for elsewhere in this Lease and in the  
22 Work Letter, this Lease and the obligation of Landlord to perform all of the covenants and agreements  
23 hereunder on the part of Landlord to be performed shall in no way be affected, impaired or excused  
24 because Tenant is unable to fulfill any of its obligations under this Lease (except for the payment of rent  
25 and any obligations of Tenant to the extent that the non-performance of such obligations would  
26 unreasonably interfere with or prevent Landlord from performing its corresponding obligations under  
27 this Lease), if Tenant is prevented or delayed from doing so by reason of Force Majeure.

28 15.03 No Liability of Landlord. Except to the extent of Landlord's and/or its  
29 agents' negligence or willful acts and provided Landlord has complied with its obligations under this  
30 Lease with respect thereto, Landlord and its agents shall not be liable for any damage to property of  
31 Tenant or of others entrusted to employees of the Building, nor for the loss of or damage to any  
32 property of Tenant by theft or otherwise. Unless caused by or due to the negligence or willful  
33 misconduct of Landlord and/or its agents, servants or employees (but subject to the terms of  
34 Section 16.08 hereof) and provided Landlord has complied with its obligations under this Lease with  
35 respect thereto, Landlord and its agents, servants and employees shall not be liable for any injury or  
36 damage to persons or property resulting from fire, explosion, falling plaster and/or other Building  
37 material such as sheetrock and/or ceiling tiles, steam, gas, electricity, water, rain or snow leaks from  
38 any part of the Building or from the pipes, appliances or plumbing works or from the roof, street or  
39 sub-surface or from any other place or by dampness or by any other cause of whatsoever nature, nor  
40 shall Landlord and its agents, servants and employees be liable for any such damage caused by other  
41 tenants or other persons in the Building or caused by operations in construction of any private, public  
42 or quasi-public work, but the foregoing shall not limit Tenant's rights or decrease Landlord's  
43 obligations under this Lease.

1                   15.04       No Recourse to Principals of Landlord. Except to the extent of  
2 Landlord's "leasehold estate and interest in and to the Building" as defined in Section 15.05, no  
3 recourse shall be had on any of Landlord's obligations under this Lease or for any claim based thereon  
4 or otherwise in respect thereof against any incorporator of Landlord, subscriber to Landlord's capital  
5 stock, shareholder, employee, agent, officer or director, past, present or future, of any corporation, or  
6 any partner or joint venturer of any partnership or joint venture, or any member of any limited  
7 liability company which shall be Landlord hereunder or included in the term "Landlord" or of any  
8 successor of any such corporation or limited liability company, or against any principal, disclosed or  
9 undisclosed, or any such corporation or limited liability company, or against any principal, disclosed  
10 or undisclosed, or any affiliate of any party which shall be Landlord or included in the term  
11 "Landlord," whether directly or through Landlord or through any receiver, assignee, agent, trustee in  
12 bankruptcy or through any other person, firm or corporation, whether by virtue of any constitution,  
13 statute or rule of law or by enforcement of an assessment or penalty or otherwise, all such liability  
14 being expressly waived and released by Tenant.

15                   15.05       Recourse to Landlord. Tenant shall look only and solely to Landlord's  
16 leasehold estate and interest in and to the Building and the rents and profits and proceeds therefrom  
17 for the satisfaction of any right of Tenant arising out of this Lease or for the collection of judgment or  
18 other judicial process or arbitration award requiring the payment of money by Landlord in connection  
19 with this Lease and no other property or assets of Landlord, Landlord's agents, incorporators,  
20 shareholders, employees, officers, directors, members, partners, agents, principals (disclosed or  
21 undisclosed), joint venturers, or affiliates shall be subject to levy, lien, execution, attachment, or other  
22 enforcement procedure for the satisfaction of Tenant's rights and remedies under or with respect to  
23 this Lease, the relationship of Landlord and Tenant hereunder or under law, or Tenant's use and  
24 occupancy of the Demised Premises or any other liability of Landlord to Tenant. For purposes of the  
25 preceding sentence, "Landlord's leasehold estate and interest in and to the Building" shall be deemed  
26 to include (a) all rent or other consideration received by Landlord in respect of the leasehold estate  
27 and the Building, (b) proceeds of a sale (net of transaction costs), financing or refinancing (but only to  
28 the extent the proceeds of a financing or refinancing exceed (i) the amount of any indebtedness that  
29 was paid with the proceeds of such financing or refinancing plus (ii) all transaction costs associated  
30 with such financing or refinancing) of the Building (or any portion thereof), or of Landlord's estate or  
31 interest therein, or in any property, equipment or improvements in the Building (or any portion  
32 thereof), (c) any insurance proceeds or condemnation awards relating to any portion of the leasehold  
33 estate or the Building (to the extent in excess of any restoration costs and net of all costs of obtaining  
34 such proceeds or awards) and (d) any security at any time posted by Landlord with Tenant to secure  
35 Landlord's obligations under this Lease.

36                   15.06       No Recourse to Principals of Tenant. Except as expressly set forth in the  
37 Tenant Guaranty (insofar as it relates to the Tenant Guarantor), no recourse shall be had on any of  
38 Tenant's obligations under this Lease or for any claim based thereon or otherwise in respect thereof  
39 against any incorporator of Tenant, subscriber to Tenant's capital stock, shareholder, employee, agent,  
40 officer or director, past, present or future, of any corporation, or any partner or joint venturer of any  
41 partnership or joint venture, or any member of any limited liability company which shall be Tenant  
42 hereunder or included in the term "Tenant" or of any successor of any such corporation or limited  
43 liability company, or against any principal, disclosed or undisclosed, or any such corporation or  
44 limited liability company, or against any principal, disclosed or undisclosed, or any affiliate of any  
45 party which shall be Tenant or included in the term "Tenant," whether directly or through Tenant or  
46 through any receiver, assignee, agent, trustee in bankruptcy or through any other person, firm or  
47 corporation, whether by virtue of any constitution, statute or rule of law or by enforcement of an  
48 assessment or penalty or otherwise, all such liability being expressly waived and released by  
49 Landlord.

ARTICLE 16

INDEMNIFICATION; INSURANCE

16.01 Indemnity.

A. To the maximum extent permitted by law, but subject to Section 16.08 hereof, Tenant shall indemnify, defend and hold harmless Landlord and all Landlord Parties from and against any and all claims against any of such parties arising from (i) the use or occupancy of the Demised Premises or any business therein or related thereto, (ii) any work or thing whatsoever done, or any condition created (other than by Landlord, its employees, agents or contractors) in or about the Demised Premises, (iii) any negligent act or omission, or willful misconduct, of Tenant or any Tenant Party, whether resulting in injury or death to persons or damage to property or otherwise, or (iv) any business activities of Tenant or any Tenant Party, including without limitation marketing or promotional activities and the manufacture, sale or condition of any merchandise sold, distributed or licensed by or on behalf of Tenant or any Tenant Party, whether from or at the Demised Premises or another location; except, in each case, to the extent that any such claim results from the negligence or willful misconduct of Landlord or any other Landlord Party; together with, in the case of clauses (i), (ii), (iii), and (iv) of this sentence, all costs, expenses and liabilities incurred in or in connection with each such claim or action or proceeding brought thereon, including all reasonable attorneys' fees and expenses.

B. To the maximum extent permitted by law, but subject to Section 16.08 hereof, Landlord shall indemnify, defend and hold harmless Tenant and the Tenant Parties from and against any and all claims against any of such parties arising from (i) Landlord's breach of Section 32.22B hereof with respect to the REOA or (ii) any negligent act or omission, or willful misconduct of Landlord, its employees, agents or contractors in performing work in the Demised Premises or the West Plaza; except to the extent that any such claim results from the negligence or willful misconduct of Tenant; in each case together with all costs, expenses and liabilities incurred in or in connection with each such claim or action or proceeding brought thereon, including all reasonable attorneys' fees and expenses.

C. If any claim that is within the scope of any indemnity set forth in this Lease is asserted against any indemnified party, then the indemnified party shall give prompt Notice (each, an "Indemnified Party Notice") thereof to the indemnifying party (i.e., within a time period so as not to prejudice the indemnifying party's or its insurer's ability to defend effectively any action or proceeding brought on such claim) and the indemnifying party shall have the right to defend and control the defense of any action or proceeding brought on such claim with counsel chosen by the indemnifying party, subject to the approval of the indemnified party (such approval not to be unreasonably withheld), or by the indemnifying party's insurance company. If the indemnified party fails promptly to deliver the Indemnified Party Notice, the indemnifying party shall continue to be liable within the scope of the indemnity provided herein, provided, however, the indemnifying party shall not be liable for such loss sustained by any indemnified party as a result of the failure by the indemnified party to promptly deliver to the indemnifying party the Indemnified Party Notice. If the indemnified party shall not afford the indemnifying party the right to defend and control the defense of any such action or proceeding then the indemnifying party shall have no obligation under the applicable indemnity set forth in this Lease with respect to such action or proceeding or other actions or proceedings involving the same or related facts. If the indemnifying party shall defend any such action or proceeding, then:

(i) the indemnified party shall cooperate with the indemnifying party (or its insurer) in the defense of any such action or proceeding in such manner as the indemnifying party (or its insurer) may from time to time reasonably request and the indemnifying party shall not be liable for the costs of any separate counsel employed by the indemnified party;

1 (ii) the indemnified party shall not be liable for any settlement made without  
2 the indemnified party's consent;

3 (iii) if such action or proceeding can be settled by the payment of money and  
4 without the need to admit liability on the indemnified party's part, then the indemnifying party shall have  
5 the right to settle such action or proceeding without the indemnified party's consent and the indemnifying  
6 party shall have no further obligation under the applicable indemnity set forth in this Lease with respect to  
7 such action or proceeding or other actions or proceedings involving the same or related facts if the  
8 indemnified party refuses to agree to such a settlement; and

9 (iv) if such action or proceeding cannot be settled merely by the payment of  
10 money and without the need to admit liability on the indemnified party's part, then the indemnifying party  
11 shall not settle such action or proceeding without the indemnified party's consent (which consent shall not  
12 be unreasonably withheld or delayed) and if the indemnified party unreasonably withholds or delays its  
13 consent to any such settlement, then the indemnifying party shall have no further obligation under the  
14 applicable indemnity set forth in this Lease with respect to such action or proceeding or other actions or  
15 proceedings involving the same or related facts.

16 D. If an indemnifying party shall, in good faith, believe that a claim set forth in an  
17 Indemnified Party Notice is not or may not be within the scope of the indemnifying party's indemnity set  
18 forth in this Lease then, pending determination of that question, the indemnifying party shall not be  
19 deemed to be in default under this Lease by reason of its failure or refusal to indemnify and hold  
20 harmless any indemnified party therefrom or to pay such costs, expenses and liabilities, but if it shall be  
21 finally determined by a court of competent jurisdiction or by arbitration in accordance with Article 25  
22 that such claim was within the scope of such indemnifying party's indemnity set forth in this Lease, then  
23 such indemnifying party shall be liable for any judgment or reasonable settlement and any reasonable  
24 legal fees and expenses incurred by the party entitled to indemnity hereunder. The provisions of this  
25 Section 16.01 shall survive the expiration or earlier termination of this Lease.

26 E.

27 (i) Notwithstanding any provisions of this Lease to the contrary, Landlord  
28 shall not be liable to Tenant for Consequential Damages of any kind or nature (including Consequential  
29 Damages in respect of (a) any loss of use of the Demised Premises or any Alterations or otherwise, or  
30 (b) any loss of use of, or rents from, the Building or any part thereof) in any event whatsoever, even if  
31 arising from any act, omission or negligence of Landlord or from the breach by Landlord of its  
32 obligations under this Lease.

33 (ii) Notwithstanding any provisions of this Lease to the contrary, except as  
34 expressly provided in Section 22.02B hereof, Tenant shall not be liable to Landlord for Consequential  
35 Damages of any kind or nature (including Consequential Damages in respect of (i) any loss of use of the  
36 Demised Premises or any Alterations or otherwise, or (ii) any loss of use of, or rents from, the Building or  
37 any part thereof) in any event whatsoever, even if arising from any act, omission or negligence of Tenant  
38 or from the breach by Tenant of its obligations under this Lease.

39 F. In connection with any claim or demand with respect to which Tenant is the  
40 indemnifying party in accordance with Section 16.01A (even if such claim or demand is groundless,  
41 false or fraudulent), Tenant shall not, without obtaining express advance permission from the General  
42 Counsel of the Port Authority, raise, assert or maintain any defense involving in any way the jurisdiction  
43 of the tribunal over the person of the Port Authority; the immunity of the Port Authority, its

1 Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the  
2 provisions of any statutes regarding suits against the Port Authority.

3           16.02       Tenant's Liability Insurance. Tenant agrees to maintain in full force and  
4 effect from the date upon which Tenant first enters the Demised Premises or any portion thereof for  
5 the conduct of its business or for the performance of any Alterations or any other purpose (and in any  
6 event not later than the Commencement Date), throughout the term and thereafter, so long as Tenant  
7 is in occupancy of any part of the Demised Premises, (a) a policy of commercial general liability  
8 insurance, which shall include completed operations/product liability coverage and contractual  
9 liability coverage covering Tenant's operations within the Building to the extent and in the manner  
10 provided under the standard ISO form of commercial general liability policy, or its then equivalent, in  
11 use from time to time, under which Tenant is the named insured and Landlord, Landlord's managing  
12 agent and Net Lessor (and such other persons as Landlord may reasonably designate by a Routine  
13 Notice to Tenant from time to time) are named as additional insureds (but not loss payees) on  
14 ISO Form CG 0001 (12/07) or its then equivalent, (b) Statutory Workers Compensation Coverage  
15 with Employers Liability as required by Legal Requirements ("Workers Comp Coverage"),  
16 (c) business auto coverage including owned, non-owned and hired cars coverage, and (d) liquor law  
17 legal liability coverage. Each such policy shall be issued by one or more insurers in a financial size  
18 category of not less than VIII and with general policy holders ratings of not less than A-, as rated in  
19 the most current available insurance reports published by A.M. Best & Company, Inc., or the  
20 then-equivalent thereof, and licensed to do business in the State of New York and authorized to issue  
21 such policies ("Minimum Insurer Standards"). Each policy of insurance procured by Tenant shall  
22 (i) contain endorsements providing that (w) such policy shall not be cancelled or amended with  
23 respect to Landlord and Landlord's said designees without at least thirty (30) days' prior notification  
24 to Landlord and such designees, (x) Tenant shall be solely responsible for the payment of premiums  
25 therefor notwithstanding that Landlord or any such designee is or may be named as an additional  
26 insured, (y) no insurer shall, without the express permission of Landlord and Net Lessor, raise any  
27 defense involving in any way the jurisdiction of any tribunal over Landlord or Net Lessor, if any, or  
28 the immunity of Landlord or Net Lessor as a Sovereign, to the extent applicable; and (z) any policy of  
29 commercial general liability insurance maintained by Tenant pursuant to this Section 16.02 shall  
30 contain a standard separation of insureds provision; and (ii) not prohibit the release of claims given  
31 under Section 16.08, nor shall any of them be limited, terminated or materially affected thereby. As  
32 of the Execution Date, the limits of liability of such insurance shall be \$25,000,000 per occurrence for  
33 commercial general liability insurance and excess liability insurance (including completed  
34 operations/product liability coverage), \$5,000,000 per occurrence for business auto coverage,  
35 worker's compensation coverage as required by Legal Requirements with \$1,000,000 employer's  
36 liability insurance, and \$5,000,000 per occurrence for liquor law legal liability. The amount of  
37 insurance required hereunder may be reasonably increased by Landlord from time to time. Such  
38 coverage may be maintained under blanket and/or a combination of primary and umbrella coverage as  
39 provided in Section 16.05.

40           16.03       Tenant's Casualty and Business Interruption Insurance.

41           A.       Tenant shall take out on or prior to the date upon which Tenant first enters the  
42 Demised Premises or any portion thereof for the conduct of its business or for the performance of any  
43 Alterations or any other purpose (and in any event not later than the Commencement Date) with respect  
44 to the Demised Premises and keep in force during the term the following: (a) "all risk" insurance in an  
45 amount insuring the full replacement value of all of Tenant's Insurable Property, with a replacement cost  
46 endorsement and (b) "all risk" business interruption or earnings insurance, including the perils of flood,  
47 earthquake and terrorism damage, to cover the loss of gross profits and continuing expenses (including  
48 rent payable under this Lease) during the period of partial or total shutdown of Tenant's business (it

1 being understood that such insurance must provide coverage for all Rent payable under this Lease  
2 (calculated based on the greater of the prior Lease Year's Rent or annualized Rent based on the last full  
3 month before the casualty) during partial and total shutdowns of Tenant's business of at least twelve (12)  
4 consecutive months in duration). Such policies shall be written by an insurer of the A.M. Best &  
5 Company, Inc. financial size category and general policy holders rating, and include the required policy  
6 provisions, each as specified in Section 16.02, licensed to do business in the State of New York and  
7 authorized to issue such policies, and Landlord and Landlord's managing agent shall be named loss  
8 payees, as their interests may appear under each of such policies.

9 B. In addition to the foregoing, so long as TRIA or similar legislation providing for  
10 a federal program dealing with insurance for terrorism is in effect, Tenant shall carry such coverage for  
11 property damage throughout the term consistent with the TRIA coverage grant. With respect to such  
12 terrorism insurance, Landlord and Landlord's managing agent shall be named as loss payees, as their  
13 interests may appear. If TRIA or similar legislation is not renewed and no such act is in effect, Tenant  
14 shall carry terrorism insurance consistent with the TRIA coverage grant but if the premium for such  
15 terrorism insurance exceeds one hundred fifty (150%) percent of the premium paid for such coverage  
16 while the TRIA grant was in effect, then Tenant shall only be required to carry the maximum amount of  
17 such terrorism insurance available for one hundred fifty (150%) percent of the premium paid for such  
18 terrorism insurance during the prior policy period when TRIA was in effect.

19 16.04 Certificates of Insurance. On or before the date upon which Tenant first  
20 enters the Demised Premises or any portion thereof for the conduct of its business or for the  
21 performance of any Alterations or any other purpose (and in any event not later than the  
22 Commencement Date), Tenant shall furnish Landlord with certificates evidencing the aforesaid  
23 insurance coverage, and renewal certificates shall be furnished to Landlord ten (10) days prior to the  
24 expiration date of each policy for which a certificate was theretofore furnished evidencing no  
25 interruption in coverage (it being understood, however, Tenant's failure to furnish such certificate  
26 shall not limit or impair Tenant's rights, obligations and liabilities under this Lease). Subject to the  
27 provisions of Sections 16.02 and 16.03 hereof and the following sentence of this Section 16.04, each  
28 such certificate shall evidence, with respect to each required policy (i) that the policy may not be  
29 cancelled, terminated, changed or modified without giving at least thirty (30) days' advance  
30 notification thereof to Landlord and Net Lessor, (ii) each insurer shall not, without express advance  
31 permission of Landlord, raise any defense involving in any way (x) the jurisdiction of any tribunal  
32 over Landlord or Net Lessor, if any, or (y) the immunity of Landlord or Net Lessor as a Sovereign, to  
33 the extent applicable, (iii) the protection afforded Tenant under any policy of commercial general  
34 liability insurance maintained by Tenant pursuant to Section 16.02 hereof with respect to any claim or  
35 action against Tenant by a third person shall pertain and apply with like effect with respect to any  
36 claim or action against Tenant by Landlord or Net Lessor and by Tenant against Landlord or Net  
37 Lessor, provided, however, that such endorsement shall not limit, vary, change or affect the  
38 protections afforded to Landlord and Net Lessor as additional insureds under the contractual liability  
39 endorsement required pursuant to Section 16.02 hereof or the protections afforded to Landlord as loss  
40 payee under Section 16.03 hereof and (iv) the addition of Landlord, Landlord's managing agent, Net  
41 Lessor, and Landlord's designees as additional insureds and the terms of coverage for such additional  
42 insureds. If the certificates of insurance provided by Tenant do not evidence the provisions required  
43 in the immediately preceding sentence, Tenant shall deliver to Landlord a copy of its insurance  
44 policies containing such provisions. For the avoidance of doubt, Landlord being named as an  
45 additional insured on Tenant's policies shall not create any liability on Landlord's part for payment of  
46 premiums on Tenant's policies.

47 16.05 Tenant Blanket Policies. Tenant shall have the right to insure and  
48 maintain the insurance coverage required by Sections 16.02 and 16.03 hereof under blanket and/or

1 excess or umbrella insurance policies covering other risks or premises occupied or owned by Tenant  
2 so long as such policies comply as to terms and amounts with the insurance provisions set forth in this  
3 Lease, provided that (a) with respect to the policies to be carried under Section 16.03, upon request,  
4 Tenant shall either (x) deliver to Landlord a certificate of Tenant's insurer evidencing the portion of  
5 such blanket insurance allocated exclusively to the Demised Premises (which amount shall comply  
6 with the terms of this Lease), or (y) provide evidence reasonably satisfactory to Landlord that the total  
7 amount of blanket coverage is commercially reasonable given the portfolio of properties insured  
8 thereunder, and (b) with respect to the policies to be carried under Section 16.02, such policies shall  
9 contain a provision that the limits of coverage thereunder shall continue to apply irrespective of any  
10 other losses under such policy. Notwithstanding anything to the contrary contained in this Lease, the  
11 carrying of insurance by Tenant in compliance with this Article 16 shall not modify, reduce, limit or  
12 impair Tenant's obligations and liability under this Lease.

13                   16.06       No Violation of Building Policies. Tenant shall not commit or permit  
14 any violation of the public liability or "all risk" property policies covering the Building and/or the  
15 fixtures, equipment and property therein carried by Landlord (provided such policies contain terms  
16 and conditions that are customary in policies for Comparable Buildings and Tenant is given  
17 notification of same by a Routine Notice from Landlord or otherwise), or do or permit anything to be  
18 done, or keep or permit anything to be kept, in the Demised Premises, that in case of any of the  
19 foregoing (i) would violate or result in termination of any such policies, or (ii) would result in  
20 reputable and independent insurance companies refusing to insure the Building or the property of  
21 Landlord in amounts reasonably satisfactory to Landlord.

22                   16.07       Premium Increases. If, by reason of (i) Tenant's knowing failure to  
23 comply with any term or provision of this Lease, or (ii) any particular manner of use required by  
24 Tenant or any Tenant Party in connection with the Demised Premises (other than general office use),  
25 in either case, causes the rates for liability or property insurance on the Building or on the property  
26 and equipment of Landlord to be higher than they otherwise would be, then Tenant shall reimburse  
27 Landlord for the additional insurance premiums thereafter actually paid by Landlord or by the other  
28 tenant(s) and subtenant(s) in the Building (to the extent that Landlord has paid for same) that shall  
29 have been charged because of the aforesaid reasons, such reimbursement to be made from time to  
30 time within twenty (20) days after Landlord's delivery of an invoice therefor.

31                   16.08       Waiver of Liability and Subrogation.

32                   A.       Landlord and Tenant, each at its own expense (if any) shall secure and maintain  
33 an appropriate clause in, or an endorsement upon, each "all risk" policy obtained by it and covering the  
34 Building, the Premises and Tenant's Insurable Property, pursuant to which the respective insurance  
35 companies irrevocably waive any and all right to subrogation. Each party hereby releases the other and  
36 its partners, members, agents, officers and employees (and in the case of Tenant, all other persons  
37 occupying or using the Demised Premises in accordance with the terms of this Lease) with respect to any  
38 claim (including a claim for negligence) that it might otherwise have against the other party for loss,  
39 damages or destruction with respect to its property by fire or other casualty (including rental value or  
40 business interruption, as the case may be) or otherwise occurring during the term. The waiver of  
41 subrogation or permission for waiver of any claim hereinbefore referred to shall extend to the agents of  
42 each party and its members, partners, officers and employees and, in the case of Tenant, shall also extend  
43 to all other persons occupying or using the Demised Premises in accordance with the terms of this Lease,  
44 and shall cover all deductibles maintained by each party in its policies irrespective of whether same  
45 exceed the amounts permitted hereunder.

1           B.     The release provided for in Section 16.08A shall not be affected in the event  
2 either party self-insures, whether or not such self-insurance is permitted under this Lease.

3                   16.09     Landlord's Insurance.

4           A.     Subject to Section 16.09C, 16.09D, and 16.09E hereof, Landlord agrees to  
5 maintain in full force and effect from the Execution Date throughout the term "all risk" property  
6 insurance, inclusive of fire coverage, in an amount reasonably determined by Landlord insuring the  
7 Building including the Building systems, fixtures, equipment and property and the Demised Premises  
8 (including Basic Construction, but excluding Tenant's Insurable Property) (such coverage to include  
9 boiler and machinery coverage, ordinance and law coverage, and loss of rental income coverage). In  
10 addition to the foregoing, so long as TRIA or similar legislation providing for a federal program dealing  
11 with insurance for terrorism is in effect, Landlord shall carry such coverage for property damage  
12 throughout the term consistent with the TRIA coverage grant. If TRIA or similar legislation is not  
13 renewed and no such act is in effect, (i) Landlord shall carry terrorism insurance consistent with the  
14 TRIA coverage grant, but if the premium for such terrorism insurance exceeds one hundred fifty (150%)  
15 percent of the premium paid for such coverage while the TRIA grant was in effect, Landlord shall only  
16 be required to carry the maximum amount of such terrorism insurance available for one hundred  
17 fifty (150%) percent of the premium paid for such terrorism insurance during the prior policy period  
18 when TRIA was in effect.

19           B.     Subject to Section 16.09C, 16.09D, and 16.09E hereof, Landlord agrees to  
20 maintain in full force and effect from the Execution Date and throughout the term, so long as this Lease  
21 is in full force and effect, (a) a policy of commercial general liability insurance on ISO Form CG  
22 0001 (12/07) or its then equivalent (which may include (1) commercially reasonable deductibles and  
23 (2) exclusions to the extent such exclusions are customary or otherwise commercially reasonable), under  
24 which Landlord, Landlord's managing agent (if any) and Net Lessor are the insured, (b) Statutory  
25 Workers Compensation Coverage with Employers Liability as required by Legal Requirements, and  
26 (c) non-owned and hired cars coverage. Each such policy shall be issued by one or more insurers  
27 meeting the Minimum Insurer Standards. Each policy of insurance procured by Landlord shall contain  
28 endorsements providing that (i) such policy shall be not be cancelled or amended without at least  
29 thirty (30) days' notification to Net Lessor and (ii) Landlord shall be solely responsible for the payment  
30 of premiums therefor. As of the Execution Date, the limits of liability of such insurance shall be  
31 \$25,000,000 per occurrence for commercial general liability insurance. The policies of commercial  
32 general liability insurance currently carried by Landlord contain no exclusion for acts of terrorism, and  
33 Landlord shall continue to carry policies without such an exclusion for so long as the cost to do so is  
34 commercially reasonable.

35           C.     Notwithstanding anything contained in Sections 16.09 A and 16.09B hereof,  
36 Landlord shall be permitted to provide all or some of the above-depicted coverages on a retained basis.  
37 With respect to Landlord, "retained" means that Landlord has agreed to act in all respects (and be fully  
38 liable and responsible as) the insurance company that would otherwise be providing the insurance  
39 Landlord is required to have in effect pursuant to the terms of this Lease. Without limiting the generality  
40 of the foregoing, it is agreed that Tenant's rights and remedies against Landlord, if Landlord elects to  
41 provide the required coverages on a retained or partially-retained basis, shall be not less than the rights  
42 and remedies Tenant would have in the event Landlord had effectuated the insurance otherwise required  
43 hereunder.

44           D.     With respect to insurance coverage to be maintained by Landlord pursuant to this  
45 Section 16.09, the Port Authority Insurance Captive Entity L.L.C., a District of Columbia limited  
46 liability company (or any similar entity that complies with the following requirements, the "Port

1 Authority Captive"), shall be an acceptable insurer for all purposes under this Lease, so long as (i) the  
2 policy issued by the Port Authority Captive has (x) a per-occurrence limit of no less than one million  
3 dollars (\$1,000,000); and (y) a deductible of no greater than that contemplated by the actuarial data  
4 approved by the Department of Insurance, Banking and Securities/Risk Bureau located in Washington,  
5 D.C., (ii) the Port Authority Captive is not the subject of a bankruptcy or similar insolvency proceeding  
6 and (iii) no statement, finding, or decree issued under any Legal Requirement states captive insurers  
7 arranged similar to the Port Authority Captive are no longer allowable providers of insurance in the  
8 coverage types and amounts required by this Lease. The portion of such insurance that is not reinsured  
9 by TRIA shall either be reinsured by an insurance carrier meeting the Minimum Insurer Standards, or  
10 shall carry reserves sufficient to sufficiently address any loss covered by the Port Authority Captive. In  
11 no instance shall the Port Authority Captive seek to collect any premium, contribution, or other monies  
12 from Tenant to fund the exposures of the Port Authority Captive.

13 E. Notwithstanding anything contained in Section 16.09A above, solely for so long  
14 as the Port Authority is a Landlord Party, Landlord shall be permitted to Self-Insure. With respect to  
15 Landlord, "Self-Insure" means that (i) Landlord has agreed to act in all respects as (and to be fully liable  
16 and responsible as) the insurance company that would otherwise be providing the insurance Landlord is  
17 required to have in effect pursuant to the terms of this Lease, (ii) Landlord shall pay any amounts due in  
18 lieu of insurance proceeds because of self-insurance, which amounts shall be treated as insurance  
19 proceeds for all purposes under this Lease and (iii) all amounts which Landlord pays or is required to  
20 pay and all loss or damages resulting from risks for which Landlord has elected to Self-Insure shall be  
21 subject to the waiver of subrogation provisions of this Lease and shall not limit Landlord's  
22 indemnification obligations set forth in this Lease. Without limiting the generality of the foregoing, it is  
23 agreed that Tenant's rights and remedies against Landlord, if Landlord elects to Self-Insure, shall be not  
24 less than the rights and remedies Tenant would have in the event Landlord had effectuated the insurance  
25 otherwise required hereunder. Landlord shall be deemed to have elected to Self-Insure at any time that  
26 the insurance Landlord is required to have in effect under this Lease is not so in effect. In the event the  
27 Port Authority is no longer a Landlord Party, Landlord shall immediately lose the right to Self-Insure.

28 F. Landlord shall have the right to insure and maintain the insurance coverage  
29 required by Sections 16.09A and 16.09B hereof under blanket and/or excess or umbrella insurance  
30 policies covering other risks or premises owned or leased by Landlord or its affiliates so long as such  
31 policies comply as to terms and amounts with the insurance provisions set forth in this Lease.  
32 Notwithstanding anything to the contrary contained in this Lease, the carrying of insurance by Landlord  
33 in compliance with this Article 16 shall not modify, reduce, limit or impair Landlord's obligations and  
34 liability under this Lease.

35 G. Nothing contained in this Section 16.09 shall be deemed to limit Landlord's  
36 obligations to repair or restore the Building or the Demised Premises under Article 17 or any other  
37 provision of this Lease.

## 38 ARTICLE 17

### 39 DAMAGE BY FIRE OR OTHER CAUSE

40  
41 17.01 Repairs by Landlord. If the Demised Premises (including all Alterations,  
42 Fixtures, personal property, trade fixtures, furniture, furnishings, equipment and other Tenant's  
43 Property and Tenant's Work (collectively, "Tenant's Insurable Property") or the Building (in such a  
44 manner that materially interferes with Tenant's use of the Demised Premises or reasonable access  
45 thereto) shall be damaged by fire or other cause, the damages (including to Basic Construction) shall  
46 be repaired and restored to substantially the same condition as existed prior to the damage by and at

1 the expense of Landlord (or at the expense of Tenant with respect to any of Tenant's Insurable  
2 Property in accordance with the terms of Article 16 and Section 17.06 hereof) and, until the Casualty  
3 Rent Abatement Date (but subject to Landlord's right to elect not to restore the same as provided  
4 below), Tenant shall receive an abatement of the Rent payable hereunder for all affected portions of  
5 the Demised Premises, which shall be apportioned as of the date of the casualty according to the  
6 portion of the Demised Premises (or all of the Premises, if the Premises is totally damaged, as the  
7 case may be) which is usable by Tenant for the normal conduct of its business, it being agreed that the  
8 foregoing abatement shall end with respect to any full floor upon the date on which Tenant shall  
9 move into a material portion thereof for the normal conduct of its business. Landlord may deliver full  
10 floors to Tenant from time to time as the Limited Casualty Restoration Work with respect thereto  
11 shall be substantially completed. The Full Casualty Restoration Work and the Limited Casualty  
12 Restoration Work shall include the portions of the Building and the Premises for which Landlord is  
13 responsible pursuant to the terms of Article 12 hereof. Landlord shall deliver a Notice to Tenant at  
14 least twenty (20) days prior to the date on which Landlord expects that the Full Casualty Restoration  
15 Work and the Limited Casualty Restoration Work will each be substantially completed. If such  
16 damage occurs following either Delivery Date but prior to the RCD, then (x) Tenant's Rent  
17 abatement for the period prior to the RCD shall be tolled as of the date of such casualty and (y)  
18 Tenant shall receive an abatement of Rent with respect to the Premises pursuant to the terms of this  
19 Article 17, which abatement shall end upon the Casualty Rent Abatement Date hereunder, at which  
20 point the balance of Tenant's Rent abatement for the period prior to the RCD shall recommence and  
21 the RCD shall be extended accordingly. Notwithstanding anything herein to the contrary, Landlord  
22 shall not carry insurance on Tenant's Insurable Property and Tenant agrees that Landlord will not be  
23 obligated to repair any damage thereto or to replace the same.

24 17.02 Tenant's Cancellation Rights.

25 A. Delivery of Damage Statement. In the event that the Demised Premises or the  
26 Building (in such a manner that materially interferes with Tenant's use of the Demised Premises or  
27 reasonable access thereto) shall be damaged by fire or casualty, within ninety (90) days after such  
28 damage or casualty, Landlord shall deliver to Tenant a statement (hereinafter referred to as the "Damage  
29 Statement") prepared by a reputable licensed architect, engineer or contractor having at least ten (10)  
30 years of experience in such matters selected by Landlord setting forth such architect's, engineer's or  
31 contractor's reasonable estimate as to the time required for Landlord to substantially complete the Full  
32 Casualty Restoration Work. The Damage Statement (to the extent applicable) shall set forth the  
33 estimated repair periods with respect to groups of one (1) or more damaged floors.

34 B. Tenant's Initial Right to Terminate. The parties hereto agree that if the estimated  
35 repair period with respect to the damaged portion of the Premises extends beyond the date that is twenty  
36 four (24) months following the date of such fire or casualty, Tenant as its sole remedy may elect to  
37 terminate this Lease in its entirety (the aforementioned date that shall occur twenty four (24) months  
38 following the date of such fire or casualty shall each be referred to herein as a "Casualty Termination  
39 Date"). Any such Notice by Tenant to Landlord must be delivered not later than thirty (30) days  
40 following Tenant's receipt of the Damage Statement, time being of the essence. Notwithstanding the  
41 foregoing, Tenant may not elect to terminate this Lease in its entirety pursuant to the foregoing terms if  
42 (i) the Damage Statement also provides that such repair work by Landlord may be completed within the  
43 required period herein in accordance with a working schedule requiring the performance of all or a  
44 portion of such repair work on an overtime basis and (ii) Landlord agrees to perform such repair work in  
45 accordance with such working schedule.

46 C. Tenant's Subsequent Right to Terminate. Notwithstanding the foregoing, if  
47 (a) Tenant shall not have exercised such termination right in Section 17.02B hereof (or such right shall

1 not have been applicable, as the case may be) and (b) the Full Casualty Restoration Work is not  
2 substantially completed by Landlord on or prior to the date (the "Termination Date") that is the later of  
3 the Casualty Termination Date or the final day of the estimated repair period set forth in the Damage  
4 Statement, then Tenant may elect as its sole remedy to terminate this Lease in its entirety, by Notice to  
5 Landlord no later than sixty (60) days following the Termination Date, time being of the essence;  
6 provided, however, no such right of Tenant to terminate this Lease may be exercised on account of  
7 delays resulting from (x) Force Majeure and adjustment of insurance unless and until such delay or  
8 delays shall, in the aggregate, exceed six (6) months (provided that Landlord complies with the notice  
9 provisions required under the Force Majeure definition set forth in this Lease) and/or (y) Tenant's Delays  
10 in accordance with the applicable terms of the Work Letter (provided that Landlord complies with the  
11 notice provisions required under the definition of Tenant's Delay set forth in the Work Letter); and  
12 provided further, if Tenant shall not elect to so terminate this Lease as set forth above, Tenant shall be  
13 entitled to terminate this Lease at any time thereafter on ninety (90) days' Notice if such repair work with  
14 respect thereto is not substantially completed by the end of any such ninety (90) day period.

15                   17.03       Landlord's Cancellation Rights. If the Building shall be so damaged  
16 (i.e., damage which costs more than twenty five (25%) percent of the replacement cost of the  
17 Building to repair) that Landlord shall decide to demolish it or not to rebuild it, then Landlord may,  
18 within one hundred twenty (120) days (plus an additional one hundred twenty (120) days, if  
19 necessary, for Landlord to complete the adjustment of insurance and to obtain all required consents  
20 from any Superior Lessors and/or Superior Mortgagees, in which event Landlord shall deliver a  
21 Notice to Tenant stating its need for such additional one hundred twenty (120) day period) after such  
22 fire or other casualty, deliver to Tenant a Notice in writing of such decision, and thereupon the term  
23 of this Lease shall expire by lapse of time upon the tenth day after such Notice is given, and Tenant  
24 shall promptly thereafter vacate the Demised Premises and surrender the same to Landlord. Tenant  
25 hereby expressly waives the provision of Section 227 of the Real Property Law and agrees that the  
26 foregoing provision of this Article shall govern and control in lieu thereof, this Article being an  
27 express agreement.

28                   17.04       Miscellaneous.

29                   A.       No Damages/Landlord Repairs. No damage, compensation or claims shall be  
30 payable by Landlord for inconvenience, loss of business or annoyance arising from any repair or  
31 restoration of any portion of the Demised Premises or of the Building pursuant to the terms of this  
32 Article 17. Landlord shall use its reasonable and diligent efforts to effect its repairs promptly and in  
33 such a manner as not unreasonably to interfere with Tenant's occupancy (which reasonable efforts shall  
34 include coordination with Tenant in scheduling such repairs or restoration but which shall in no event  
35 obligate Landlord to pay overtime or other premium rates unless Tenant requests Landlord to incur such  
36 overtime costs provided that Tenant shall pay to Landlord, as additional rent, within thirty (30) days after  
37 delivery of an invoice therefor, an amount equal to the difference between (x) the overtime or other  
38 premium pay rates, including all fringe benefits and other elements of such pay rates, and (y) the regular  
39 pay rates for such labor, including all fringe benefits and other elements of such pay rates).

40                   B.       Extension of Tenant's Casualty Abatement Period. The parties hereto  
41 acknowledge that Tenant's Casualty Abatement Period shall be extended one (1) day for each day that  
42 the performance of Tenant's repair work is delayed (without duplication) during such period on account  
43 of a Landlord's Delay in accordance with the applicable terms of the Work Letter, provided that Tenant  
44 complies with the notice provisions required under the definition of Landlord's Delay set forth in the  
45 Work Letter (it being agreed that Tenant's Casualty Abatement Period shall not be extended on account  
46 of any delay due to Force Majeure).

1 C. Advancement of Substantial Completion of Limited Casualty Restoration Work.

2 The parties hereto acknowledge that the date on which the Limited Casualty Restoration Work with  
3 respect to the Premises (or with respect to one (1) or more Observation Deck floors thereof, as the case  
4 may be) shall be deemed to be substantially completed for the purposes of this Article 17 shall be  
5 advanced one (1) day for each day that the performance of the Limited Casualty Restoration Work is  
6 delayed on account of a Tenant's Delay in accordance with the applicable terms of the Work Letter,  
7 provided that Landlord complies with the notice provisions required under the definition of Tenant's  
8 Delay set forth in the Work Letter (it being agreed that the date on which the Limited Casualty  
9 Restoration Work shall be deemed to be substantially completed for the purposes of this Article 17 shall  
10 not be advanced on account of any delay due to Force Majeure).

11 17.05 Insurance Proceeds. Notwithstanding anything herein to the contrary, if

12 Landlord or Tenant exercises any right to terminate this Lease following a fire or other casualty in  
13 accordance with the terms of this Article 17, (a) any insurance proceeds received by Landlord on  
14 account of any damage to the Building (other than Tenant's Insurable Property) shall be the sole  
15 property of Landlord and (b) any insurance proceeds received by Tenant on account of any damage to  
16 Tenant's Insurable Property shall be the sole property of Landlord; provided however, to the extent  
17 such termination occurred prior to the last sixty (60) days of the term of this Lease, Tenant shall be  
18 entitled to first receive from such proceeds an amount equal to the unamortized portion of the costs  
19 incurred by Tenant in connection with Tenant's Work and any subsequent Alterations to the extent  
20 existing in the Demised Premises at the time of the casualty (any Tenant's Work or Alterations  
21 removed or replaced prior to the casualty shall be deemed fully amortized and the amortization of any  
22 replacement shall commence when the replacement is complete), it being agreed that any such  
23 amortization shall be performed on a straight-line basis without interest.

24 17.06 Access by Tenant. Upon the substantial completion of the Limited

25 Casualty Restoration Work pursuant to this Article 17, Landlord shall provide Tenant and its  
26 contractors access to the Premises to perform the repair work to be performed by Tenant hereunder, at  
27 such appropriate times and in such appropriate sequence during the progress of the Full Casualty  
28 Restoration Work as Landlord and Tenant shall mutually determine, each acting reasonably. Such  
29 access and work shall be upon and subject to all of the applicable terms of this Lease. Landlord's  
30 contractors shall have full and complete priority with respect to the performance of the Limited  
31 Restoration Work.

32 17.07 Casualty Near End of Term. If more than twenty five (25%) percent of

33 the Demised Premises or a substantial (i.e., more than fifty (50%) percent) portion of the Building  
34 shall be damaged by fire or other casualty during the last two (2) years of the term of this Lease,  
35 Landlord (provided Landlord has obtained any and all required consents from any Superior Lessors  
36 and/or Superior Mortgagees) or Tenant may, upon thirty (30) days' Notice to the other, cancel and  
37 terminate this Lease as of the date set forth in such Notice, as if such date were the stated Expiration  
38 Date of this Lease and Landlord shall have no duty to repair and/or restore the Demised Premises.

39 17.08 Arbitration. Any disputes between Landlord and Tenant arising in

40 connection with this Article 17 shall be resolved by arbitration in accordance with the provisions for  
41 arbitration set forth in Section 10 of the Work Letter.

ARTICLE 18

CONDEMNATION

18.01 Condemnation or Taking. In the event that the whole of the Demised Premises shall be condemned or taken in any manner for any public or quasi-public use, this Lease and the term and estate hereby granted shall forthwith cease and terminate as of the date of vesting of title. In the event that only a part of the Demised Premises shall be so condemned or taken, then, effective as of the date of vesting of title, the Fixed Rent and any additional rent hereunder for such part shall be equitably abated and this Lease shall continue as to such part not so taken unless Tenant elects to cancel this Lease pursuant to its rights to do so. In the event that only a part of the Building shall be so condemned or taken, then (a) if, in Landlord's reasonable opinion, substantial structural alteration or reconstruction of the Building shall be necessary or appropriate as a result of such condemnation or taking (whether or not the Demised Premises be affected), Landlord (provided, that Landlord obtains any and all required consents from any Superior Lessors or Superior Mortgagees) or Tenant may (but only if the restoration cannot be completed within eighteen (18) months or such longer period as may be agreed upon by the parties) (subject to delay of up to two (2) months which may arise by reason of Force Majeure) at its option, terminate this Lease and the term and estate hereby granted as of the date of such vesting of title by delivering Notice to the other in writing of such termination within thirty (30) days following the date on which Landlord shall have received notification of vesting of title (provided, that Landlord may not so terminate this Lease unless it contemporaneously terminates other leases demising one-quarter (1/4) of the Building Office Space), or (b) if neither party elects to terminate this Lease, as aforesaid, this Lease shall be and remain unaffected by such condemnation or taking, except that the rent shall be abated to the extent, if any, hereinbefore provided. In the event the portion of the Demised Premises which is condemned or taken exceeds ten (10%) percent of the Usable Area of the Demised Premises or otherwise materially adversely affects Tenant's use of the balance of the Demised Premises, Tenant shall have the right to cancel this Lease by delivering to Landlord Notice within thirty (30) days of said condemnation or taking unless alternative space is provided by Landlord. In the event that only a part of the Demised Premises shall be so condemned or taken and this Lease and the terms and estate hereby granted are not terminated as hereinbefore provided, Landlord will, at its expense, restore with reasonable diligence the remaining structural portions of the Demised Premises as nearly as practicable to the same condition as it was in prior to such condemnation or taking.

18.02 Termination of this Lease. In the event of termination in any of the cases hereinabove provided, this Lease and the term and estate hereby granted shall expire as of the date thirty (30) days after the date of such termination with the same effect as if that were the date hereinbefore set for the expiration of the term of this Lease, and the rent hereunder shall be apportioned as of such date.

18.03 Condemnation Award. In the event of any condemnation or taking hereinabove mentioned of all or a part of the Building, Landlord shall be entitled to receive the entire award in the condemnation proceeding, including any award made for the value of the estate vested by this Lease in Tenant, and Tenant hereby expressly assigns to Landlord any and all right, title and interest of Tenant now or hereafter arising in or to any such award or any part thereof, and Tenant shall be entitled to receive no part of such award. Tenant shall have no claim for the value of any unexpired term of this Lease or for any Fixtures, Tenant's Property or Tenant's Insurable Property, all of which shall belong to Landlord.

18.04 Temporary Taking. If the whole or any part of the Premises, or of Tenant's leasehold estate, shall be taken in condemnation proceedings or by any right of eminent

1 domain for temporary use or occupancy, the foregoing provisions of this Article shall not be  
2 applicable and Tenant shall continue to pay the full amount of Fixed Rent and additional rent payable  
3 by Tenant hereunder and (except solely to the extent that Tenant may actually be prevented from so  
4 doing) Tenant shall continue to perform and observe all of its other obligations under this Lease. In  
5 the event of any such temporary taking, Tenant shall be entitled to claim and receive that portion of  
6 the award or payment from the condemning authority expressly granted for any such temporary  
7 taking of the Premises attributable to any period within the term and for Tenant's Insurable Property.  
8 Landlord shall be entitled to receive that portion of the award that is made for any such temporary  
9 taking of the Premises attributable to the period after the expiration of the term or that is allocable to  
10 the Building and the Premises, including Tenant's Insurable Property. If any such temporary taking  
11 terminates prior to the expiration of the term, Tenant at its expense shall restore Tenant's Insurable  
12 Property as nearly as possible to its condition prior to the taking.

13 18.05 Condemnation Near End of Term. If more than twenty five (25%)  
14 percent of the Demised Premises or a substantial (i.e., more than fifty (50%) percent) portion of the  
15 Building shall be taken in condemnation during the last two (2) years of the term of this Lease,  
16 Landlord (provided, that Landlord obtains any and all required consents from any Superior Lessors or  
17 Superior Mortgagees) or Tenant may upon thirty (30) days' Notice to the other, cancel and terminate  
18 this Lease as of the date set forth in such Notice, as if such date were the stated Expiration Date of  
19 this Lease; provided, however, that if Landlord gives the termination Notice, Tenant may by Notice to  
20 Landlord extend the termination date for up to one (1) year following the condemnation with respect  
21 to such portion of Tenant's Demised Premises as shall not have been so condemned, provided that  
22 Landlord shall have no obligation to perform any restoration or repair work in connection with such  
23 condemnation.

24 ARTICLE 19

25  
26 BANKRUPTCY

27 19.01 If pursuant to the Bankruptcy Law, Tenant is permitted to assign or  
28 otherwise transfer this Lease (whether in whole or in part in disregard of the restrictions contained in  
29 this Article and/or Article 8), Tenant agrees that adequate assurance of future performance by the  
30 assignee or transferee permitted under the Bankruptcy Law shall mean the deposit of cash security (or  
31 a letter of credit) with Landlord in an amount equal to the sum of one year's Fixed Rent then reserved  
32 hereunder plus an amount equal to Percentage Rent payable under Article 3 and all additional rent  
33 payable under Articles 4 and 7 for the Lease Year preceding the year in which such assignment is  
34 intended to become effective, which deposit shall be held by Landlord for the balance of the term as a  
35 security for the full and faithful performance of all of the obligations under this Lease on the part of  
36 Tenant yet to be performed. If Tenant receives or is to receive any valuable consideration for such an  
37 assignment or transfer (in part or in whole) of this Lease, Landlord shall receive the same percentage  
38 of such consideration as it would have received had the assignment or transfer (and the calculation  
39 thereunder) been made pursuant to Section 8.01 above.

40 ARTICLE 20

41  
42 DEFAULTS AND REMEDIES; WAIVER OF REDEMPTION

43 20.01 Default by Tenant.

44 A. In the event of (i), (ii), (iii), (iv) or (v) below, Landlord may serve a ten (10) days'  
45 Notice of cancellation of this Lease upon Tenant, and upon the expiration of said ten (10) days, this

1 Lease and the term hereunder shall end and expire as fully and completely as if the date of expiration of  
2 such ten (10) day period were the day herein definitely fixed for the end and expiration of this Lease and  
3 the term thereof and Tenant shall then quit and surrender the Demised Premises to Landlord but Tenant  
4 shall remain liable as hereinafter provided:

5 (i) Tenant defaults in fulfilling any of the covenants of this Lease, other than  
6 the covenants for the payment of Fixed Rent, Percentage Rent or Additional Rent or any of the other  
7 covenants for which a different (or no) notice and/or cure period applies under this  
8 Section 20.01A or 20.01B, then, upon Landlord serving a twenty (20) days' Notice upon Tenant  
9 specifying the nature of said default, and upon the expiration of said twenty (20) days, if Tenant shall  
10 have failed to comply with or remedy such default, or if the said default shall be of such a nature that the  
11 same cannot be completely cured or remedied within said twenty (20) day period, and Tenant shall not  
12 have diligently commenced curing such default within such twenty (20) day period and shall not  
13 thereafter with reasonable diligence and in good faith proceed to remedy or cure such default, then in  
14 order to exercise the remedy set forth above in this Section 20.01A Landlord shall give to Tenant a  
15 second Notice in bold type specifying a cure date not less than twenty (20) days from the date of the  
16 giving of such second Notice, and Tenant shall have failed to cure or remedy such default by the date set  
17 forth in such second Notice (or if such default shall be of a nature that the same cannot be completely  
18 cured or remedied within such second twenty (20) day period, and Tenant shall not have diligently  
19 commenced curing such default within such twenty (20) day period and shall not thereafter with  
20 reasonable diligence and in good faith proceed to remedy or cure such default, provided that in no event  
21 shall Tenant be entitled to an extension of the initial 20 day cure period for any default in its reporting  
22 obligations hereunder; or

23 (ii) Tenant shall default in the payment of the first payment of the Estimated  
24 Tenant's Expense Payment following delivery to Tenant of an Expense Estimate or a Revised Estimate or  
25 Tenant's PILOT Payment following delivery to Tenant of a PILOT Statement or a PILOT Estimate  
26 Statement (each such first payment, an "Initial Estimated Payment"), or any other payment(s) of  
27 Additional Rent (other than Estimated Tenant's Expense Payments, Fixed Expense Payments and  
28 Tenant's PILOT Payments) which are in the aggregate equal at least \$250,000, for more than thirty (30)  
29 days after Notice from Landlord of such default, then in order to exercise the remedy set forth above in  
30 this Section 20.01A Landlord shall give to Tenant a second Notice in bold type specifying a cure date not  
31 less than thirty (30) days from the date of the giving of such second Notice in which to cure such default,  
32 and Tenant shall have failed to cure such default by the date set forth in such second Notice; or

33 (iii) Tenant shall default in the payment of Fixed Rent, Percentage Rent,  
34 Estimated Tenant's Expense Payments, Fixed Expense Payments or Tenant's PILOT Payment (except for  
35 Initial Estimated Payments) for more than ten (10) days after Notice from Landlord of such default, then  
36 in order to exercise the remedy set forth above in this Section 20.01A Landlord shall give to Tenant a  
37 second Notice in bold type specifying a cure date not less than ten (10) days from the date of the giving of  
38 such second Notice in which to cure such default, and Tenant shall have failed to cure such default by the  
39 date set forth in such second Notice; or

40 (iv) if Tenant or its affiliates asserts that Tenant or its affiliates owns the  
41 Licensed Property and such assertion is not entirely rescinded within fifteen (15) days after Notice from  
42 Landlord; or

43 (v) if Tenant Guarantor defaults under the Tenant Guaranty and fails to cure  
44 such default within fifteen (15) days after Landlord delivers notice to Tenant Guarantor and Tenant of  
45 such default.

1           B. In the event Tenant fails to complete any stage of the Tenant's Work and open the  
2 entire Demised Premises for business on or before the applicable Outside Date set forth in the schedule  
3 attached as Exhibit A-1 (each Outside Date being subject to extension on a day for day basis for each  
4 day of Landlord's Delay (as defined in the Work Letter) and/or Force Majeure), Landlord may serve  
5 a thirty (30) days' Notice of cancellation of this Lease upon Tenant, and upon the expiration of said  
6 thirty (30) days, if such Milestone Condition (as defined in the Work Letter) with respect to such  
7 applicable Outside Date has not been achieved, this Lease and the term hereunder shall end and expire as  
8 fully and completely as if the date of expiration of such thirty (30) day period were the day herein  
9 definitely fixed for the end and expiration of this Lease and the term thereof and Tenant shall then quit  
10 and surrender the Demised Premises to Landlord but Tenant shall remain liable as hereinafter provided.

11           C. If the Notices provided for in Section 20.01A or B hereof shall have been given,  
12 and the term shall expire as aforesaid; then Landlord may, without additional notice, dispossess Tenant  
13 by summary proceedings or other legal actions or proceedings, and the legal representative of Tenant or  
14 other occupant of the Demised Premises and remove their effects and hold the Demised Premises as if  
15 this Lease had not been made but Tenant shall remain liable hereunder as hereinafter provided.

16           20.02       Remedies of Landlord. In the case of any such dispossession by  
17 summary proceedings or other legal actions or proceedings, (a) the Fixed Rent, Percentage Rent and  
18 additional rent shall become due thereupon and be paid to the time of such dispossession, together  
19 with such expenses as Landlord may incur for reasonable attorneys' fees, brokerage, and/or putting  
20 the Demised Premises in good order, or for preparing the same for re-rental; (b) Landlord may re-let  
21 the Demised Premises or any part or parts thereof, either in the name of Landlord or otherwise, for a  
22 term or terms, which may at Landlord's option be less than or exceed the period which would  
23 otherwise have constituted the balance of the term of this Lease and may grant market concessions or  
24 free rent; and/or (c) Tenant or the legal representative of Tenant shall also pay Landlord as liquidated  
25 damages for the failure of Tenant to observe and perform said Tenant's covenants herein contained,  
26 any deficiency between the rent hereby reserved and/or covenanted to be paid and the net amount, if  
27 any, of the rents collected or to be collected on account of the lease or leases of the Demised Premises  
28 for each month of the period which would otherwise have constituted the balance of the term of this  
29 Lease (after first deducting any market concessions granted in such lease(s) such as free rent and any  
30 work allowance and all other costs incurred by Landlord in connection with such lease(s), including  
31 brokerage commissions and reasonable attorneys' fees). The failure of Landlord to re-let the Demised  
32 Premises or any part or parts thereof shall not release or affect Tenant's liability for damages. Any  
33 such damages shall be paid in monthly installments by Tenant on the rent days specified in this Lease  
34 and any suit brought to collect the amount of the deficiency for any month or months shall not  
35 prejudice in any way the rights of Landlord to collect the deficiency for any subsequent month or  
36 months by a similar proceeding. In lieu thereof, Landlord may immediately accelerate such  
37 deficiency for the entire balance of the term assuming that the Demised Premises are relet within a  
38 reasonable time given the then market conditions at a market rent for a lease for the balance of the  
39 term and giving due consideration for market concessions including free rent, work allowance or  
40 other economic terms that would be granted in such a lease and costs incurred by Landlord in  
41 connection with such lease (including brokerage commissions and reasonable attorneys' fees),  
42 discounted to present value using the average of the published prime interest rate (during the  
43 12-month period immediately prior to such acceleration) upon unsecured loans charged by JPMorgan  
44 Chase Bank (or Citibank if JPMorgan Chase Bank shall not then have an announced prime rate) on  
45 loans of ninety (90) days. Landlord at Landlord's option may make such alterations, repairs,  
46 replacements and/or decorations in the Demised Premises as Landlord in Landlord's reasonable  
47 judgment considers advisable and necessary for the purpose of re-letting the Demised Premises; and  
48 the making of such alterations and/or decorations shall not operate or be construed to release Tenant  
49 from liability hereunder as aforesaid. Landlord shall in no event be liable in any way whatsoever for

1 failure to re-let the Demised Premises, or in the event that the Demised Premises are re-let, for failure  
2 to collect the rent thereof under such re-letting. Any such action may be an action for the full amount  
3 of all rents and damages suffered or to be suffered by Landlord. In the event of a breach or threatened  
4 breach by Tenant of any of the covenants or provisions hereof, Landlord shall have the right of  
5 injunction and the right to invoke any remedy allowed at law or in equity as if re-entry, summary  
6 proceedings and other remedies were not herein provided for and the right to invoke any remedy at  
7 law or in equity which is not inconsistent with the terms of this Lease. Mention in this Lease of any  
8 particular remedy, shall not preclude Landlord from any other remedy, in law or in equity. The  
9 foregoing remedies and rights of Landlord are cumulative. Tenant hereby expressly waives any and  
10 all rights of redemption granted by or under any present or future laws in the event of Tenant's being  
11 evicted or dispossessed in accordance herewith.

12 ARTICLE 21

13 COVENANT OF QUIET ENJOYMENT  
14

15 Landlord covenants and agrees with Tenant that Tenant may peaceably and quietly enjoy  
16 the Demised Premises, subject, nevertheless, to the terms and conditions of this Lease and any  
17 Non-Disturbance Agreement with any Superior Lessor or Superior Mortgagee.

18 ARTICLE 22

19 SURRENDER OF PREMISES  
20

21 22.01 End of Term. Upon the expiration or other termination of the term of  
22 this Lease, Tenant shall quit and surrender the Demised Premises in its then "as-is" condition (subject  
23 to any obligation of Tenant to repair and restore pursuant to the terms of Section 13.03 hereof and any  
24 other repair and restoration obligation expressly set forth herein) and shall remove any Tenant's  
25 Property therefrom that has been designated by Landlord, through notice, for removal by Tenant.  
26 Tenant's obligation to observe or perform this covenant shall survive the expiration or other  
27 termination of the term of this Lease. Concurrently with the surrender of the Premises, unless waived  
28 by Landlord in writing with respect to any portion of Tenant's Property, Tenant shall assign to  
29 Landlord or Landlord's designee all of Tenant's Property (including without limitation all personal  
30 property, intellectual property and real property related to Tenant's business, any rights in the Trade  
31 Name, the Logo (as defined in the License Agreement) any and all trademarks, trade dress, domain  
32 names, copyrights or other intellectual property of Tenant, and any and all warranties, licenses and  
33 permits relating to any of the foregoing, the Demised Premises or Tenant's business), and any and all  
34 Fixtures, free of any lien or encumbrance, and any right, title or interest of Tenant in Alterations to  
35 the Premises. At Landlord's request, Tenant shall execute assignment documents, in form reasonably  
36 approved by Landlord, memorializing such transfer of property from Tenant to Landlord, or  
37 Landlord's designee.

38 22.02 Holdover Charges.

39 A. Subject to the other terms hereof, possession of the entire Demised Premises  
40 must be surrendered to Landlord at the expiration or sooner termination of the term hereof. The parties  
41 recognize and agree that the damage to Landlord resulting from any failure by Tenant timely to  
42 surrender possession of the Demised Premises as aforesaid may be substantial, may exceed the amount  
43 of annual Fixed Rent and additional rent theretofore payable hereunder and may be impossible  
44 accurately to measure. Tenant desires to limit such amounts and wishes to avoid the payment to  
45 Landlord of any Consequential Damages if Tenant fails to timely surrender possession of the Demised

1 Premises. If possession of the entire Demised Premises is not surrendered to Landlord upon the  
2 expiration or sooner termination of the term of this Lease, then during the first one hundred eighty (180)  
3 days of such holding over, Tenant shall pay to Landlord for each month and for each portion of any  
4 month during which Tenant holds over in all or any part of the Demised Premises, as liquidated damages  
5 for use and occupancy, an amount equal to 200% of the greater of (i) one-twelfth of the sum of the  
6 immediately prior Lease Year's total of Fixed Rent, Percentage Rent and additional rent or (ii) the then  
7 market rent for the Premises, which amount Tenant agrees to pay to Landlord within twenty (20) days  
8 after delivery of an invoice therefor, in full without setoff, and no extension or renewal of this Lease  
9 shall be deemed to have occurred by such holding over, nor shall Landlord be precluded by accepting  
10 such aggregate sum for use and occupancy from exercising all rights and remedies available to it to  
11 obtain possession of the Demised Premises. The parties hereto acknowledge that during the first one  
12 hundred eighty (180) days of such holding over, the foregoing charges (a) shall be paid by Tenant to  
13 Landlord in lieu of the imposition by Landlord of any Consequential Damages with respect thereto and  
14 (b) represent a fair and reasonable estimate of the fair market value for the use and occupancy of the  
15 Premises during such period.

16 B. However, if possession of the entire Demised Premises is not surrendered to  
17 Landlord within one hundred eighty (180) days after the expiration or sooner termination of the term of  
18 this Lease, then at Landlord's sole option (and in addition to the above use and occupancy charges paid  
19 by Tenant during such period), Tenant shall also be liable to Landlord for all losses and damages,  
20 including Consequential Damages, which Landlord may reasonably incur or sustain by reason of such  
21 holding over, including damages incurred or sustained by reason of Landlord's inability to timely place a  
22 new tenant in possession of the Demised Premises.

23 C. Notwithstanding anything herein to the contrary, the parties absolutely and  
24 unconditionally waive any and all rights to dispute or otherwise adjudicate whether the remedies set  
25 forth in Sections 22.02A and 22.02B constitute a penalty or are otherwise unenforceable, such waiver  
26 being a material inducement to Landlord to enter into this Lease and to accept the terms of this Lease.

27 ARTICLE 23

28 DEFINITION OF LANDLORD

29  
30 23.01 Subject to the other terms of this Lease, the term "Landlord" wherever  
31 used in this Lease shall be limited to, mean and include only the owner or owners at the time in  
32 question of the Building or the tenant under the Net Lease affecting the Land and the Building or the  
33 Building, to whom this Lease may be assigned, or a mortgagee in possession, so that in the event of  
34 any sale, assignment or transfer of the Building, or of Landlord's interest as a lessee under the Net  
35 Lease, or of such ground or underlying lease, in each case, to an unrelated third party, such owner,  
36 tenant or mortgagee in possession shall thereupon be released and discharged from all covenants,  
37 conditions and agreements of Landlord hereunder arising from and after the effective date of such  
38 sale, assignment or transfer; but such covenants, conditions and agreements arising from and after the  
39 effective date of such sale, assignment or transfer shall be deemed assumed by and binding upon each  
40 new owner, tenant or mortgagee in possession for the time being of the Building, until again sold,  
41 assigned or transferred.

24.03 Any Notice given by counsel for Landlord or Tenant (or by the managing agent of Landlord) shall be deemed a valid Notice if addressed and sent in accordance with the provisions of this Article 24.

ARTICLE 25

ARBITRATION

25.01 Applicable Clauses. In any instance where this Lease expressly provides, or the parties otherwise agree, that a dispute with respect to a specific matter may be submitted to arbitration, then either party may submit such dispute for resolution by arbitration in The City of New York in accordance with the Expedited Procedures provisions of the JAMS Comprehensive Arbitration Rules and Procedures, as amended from time to time (collectively, the "JAMS Rules"), except to the extent modified by the terms of this Article; provided, however, that with respect to any such arbitration, (i) except as expressly set forth in Article 31 of this Lease, the arbitrator shall have no right to award damages; (ii) the decision and award of the arbitrator shall be final and conclusive on the parties; (iii) a single arbitrator designated in accordance with the JAMS Rules shall resolve all disputes submitted to arbitration other than disputes under this Lease in which three (3) arbitrators are required pursuant to the express provisions of this Lease; and (iv) with respect to disputes under this Lease in which three (3) arbitrators are required pursuant to the express provisions of this Lease, each party shall, on the date it submits such dispute to arbitration, select and appoint (in its sole and absolute discretion) one arbitrator to act as its designee in accordance with the JAMS Rules and the two party-designated arbitrators shall jointly select the third arbitrator consistent with JAMS Rule 15 (where applicable in this Article 25 to account for an arbitration with three arbitrators instead of one, the term "arbitrator" shall mean the plural "arbitrators"). No arbitrator may serve on the panel unless he or she has agreed in writing to abide by the terms of this Article. Except with respect to the interpretation and enforcement of the arbitration procedures (which shall be governed by the Federal Arbitration Act), the arbitrators shall apply the laws of the State of New York (without giving effect to its choice of law principles) in connection with the dispute. If any party fails to appear at a duly scheduled and noticed hearing, the arbitrator is hereby expressly authorized (but not directed) to enter judgment for the appearing party.

25.02 Arbitration Procedures. The arbitrator conducting any arbitration shall be bound by the provisions of this Lease and shall not have the power to add to, subtract from, or otherwise modify such provisions. Landlord and Tenant agree to sign all documents and to do all other things necessary to submit any such matter to arbitration and further agree to, and hereby do, waive any and all rights they or either of them may at any time have to revoke their agreement hereunder to submit to arbitration and to abide by the decision rendered thereunder which shall be binding and conclusive on the parties and shall constitute an "award" by the arbitrator within the meaning of applicable Legal Requirements. Discovery shall be permitted in connection with the arbitration only to the extent, if any, expressly authorized by the arbitration panel upon a showing of substantial need by the party seeking discovery. Unless the parties agree otherwise in writing, and consistent with the FOI Code, the parties, the arbitrators and JAMS shall treat the proceedings, any related discovery and the decisions of the arbitrators as confidential. Subject to the terms of the immediately preceding sentence, the parties may disclose the existence, content, or results of the arbitration in accordance with the JAMS Rules, applicable professional standards and Legal Requirements. Judgment may be had on the decision and award of the arbitrator so rendered in any court of competent jurisdiction. Each arbitrator shall be a qualified, disinterested and impartial person who shall have had at least ten (10) years' experience in New York City in a calling connected with the matter of the dispute. Landlord and Tenant shall each have the right to appear and be represented by counsel before said arbitrator and to submit such data and memoranda in support of their respective positions in the matter in dispute as may be reasonably necessary or appropriate in the circumstances. Notwithstanding anything herein to the contrary, (x) the arbitrator conducting any arbitration pursuant to the terms of this Article 25 shall be required to determine the successful party in any such arbitration and to select either the amount or item (as the case may be) proposed by

1 In the event of any conflict or discrepancy between the Rules and Regulations and the terms and  
2 provisions of this Lease (excluding Exhibits C and N attached hereto), the terms and provisions of  
3 this Lease (excluding Exhibits C and N attached hereto) shall control.

4 ARTICLE 27

5  
6 BROKER

7 Each of Landlord and Tenant warrants and represents that it has not dealt with any broker  
8 in connection with this transaction. Each of Landlord and Tenant agrees to indemnify, defend, save and  
9 hold the other harmless from any claims for fees and commissions and against any liability (including  
10 reasonable attorneys' fees and disbursements) arising out of a breach or alleged breach of the foregoing  
11 warranty and representation by the indemnifying party. The terms of this Article shall survive the  
12 expiration or sooner termination of this Lease.

13 ARTICLE 28

14 COMPLIANCE WITH SECURITY HANDBOOK

15  
16 28.01 By its execution of this Lease, Tenant at its expense agrees to (a) comply  
17 with the Information Security Handbook, (b) require all of its employees, consultants and contractors  
18 (and any other parties required by the Information Security Handbook) to comply with the  
19 Information Security Handbook and the terms of this Article 28 and (c) include in each sublease, and  
20 other occupancy agreement an express obligation that all subtenants and other occupants of any  
21 portion of the Premises (and all of their employees, consultants, contractors and any other parties  
22 required by the Information Security Handbook) must comply with the Information Security  
23 Handbook and the terms of this Article 28.

24 28.02 Tenant and all entities dealing with Tenant (including any contractors  
25 and consultants) that have access to information with respect to the Building and/or the World Trade  
26 Center shall be obligated, prior to any access thereby to such information, to (i) execute and deliver  
27 the Port Authority's then standard form of Non-Disclosure and Confidentiality Agreement and  
28 (ii) fully complete a BQQ (background qualification questionnaire). Any individual employed by  
29 Tenant or by any entity dealing with Tenant (including any contractors and consultants) that has  
30 access to information with respect to the Building and/or the World Trade Center shall be obligated,  
31 prior to any access thereby to such information, to (a) execute and deliver the Port Authority's then  
32 standard form of Non-Disclosure and Confidentiality Agreement, (b) attend any required training  
33 classes regarding the handling of Confidential Information and (c) obtain a SWAC (secure worker  
34 access consortium) card, which shall include a background check.

35 28.03 Notwithstanding anything contrary contained in this Lease or in the  
36 Information Security Handbook, Landlord may elect, in its sole and absolute discretion, to restrict  
37 access by Tenant and any party dealing with Tenant (including any contractors and consultants) to  
38 Confidential and Privileged Information by means of a secure electronic "war room" or by making  
39 copies of same available for inspection and review by Tenant and/or such parties dealing with Tenant  
40 at Landlord's offices (or at the offices of Landlord's designee) in New York City, in either case in lieu  
41 of providing copies of such Confidential and Privileged Information to Tenant and/or such parties  
42 dealing with Tenant.

ARTICLE 29

INITIAL CAPITAL INVESTMENT; FUTURE CAPITAL IMPROVEMENTS

29.01 Initial Capital Investment; Schedule to Complete and Open Premises.

Tenant shall, subject to and in accordance with the provisions of Article 13 above and the Work Letter, at its sole cost and expense perform, or cause to be performed, all work in excess of the Basic Construction to be performed by Landlord that is required to develop the Demised Premises in accordance with the concepts, layout and scope of work described in the plans attached hereto as Exhibit A, which work is referred to herein and in the Work Letter as "Tenant's Work". Tenant shall complete all of Tenant's Work and opening of the Demised Premises to the public in accordance with this Lease, shall promptly correct any defects or deficiencies in Tenant's Work, and shall make prompt and full payment when due of all hard and soft costs payable in connection therewith. The conceptual plans for the Tenant's Work attached hereto as Exhibit A are for business and design intent only. Tenant shall be responsible for, and Landlord shall have no responsibility concerning, the cost and feasibility of the work shown on such plans, including without limitation with respect to coordination with the Final Basic Building Plans, compliance with Legal Requirements, and acceptability to QAD. Tenant acknowledges that the timely commencement, progress and completion of the Tenant's Work, and the opening for business of the entire Demised Premises, is of great importance to Landlord and the Net Lessor in the development of the Building and the World Trade Center. Tenant shall commence the Tenant's Work promptly following the Effective Date and shall diligently proceed to complete such work and open the Demised Premises for business as quickly as reasonably possible and in all events in accordance with Tenant's Milestone Schedule set forth in Exhibit A-1. In the event that Tenant fails to cause the Tenant's Work to proceed and the Demised Premises to open in accordance with such Tenant's Milestone Schedule, Landlord shall have the remedies set forth in the Work Letter. As of the date hereof, Tenant projects that the Tenant's Work will require an estimated expenditure of approximately Sixty-Two Million Five Hundred Thousand Dollars (\$62,500,000). The Tenant's Work will include designing, constructing, modifying, installing and testing the improvements constructed within the Demised Premises. Tenant agrees that it may be difficult to ascertain the amount of damages suffered by Landlord and the Net Lessor from any failure of Tenant to meet Tenant's Milestone Schedule for the Tenant's Work contained in the Work Letter and opening of the entire Demised Premises, and that the liquidated damage amounts set forth in the Work Letter are a fair and reasonable estimate of such damages.

29.02 Sky Portal. The parties acknowledge that the conceptual plans for the

Observation Deck include a so called "sky portal" experience which optimally requires direct video feeds from cameras located outside of the Building at or about the level of the Observation Deck floors (the "Outside Cameras"). The parties acknowledge that any Outside Camera (and feeds to such cameras) may not penetrate the curtain wall. In addition, such Outside Cameras may not be approved by Landlord as part of Tenant's Work due to concerns relating to icing concerns, interference with window washing equipment, inability to locate the Outside Cameras on the outside of the Building, security concerns or otherwise and QAD may not approve installation of such Outside Cameras. In the event that the Outside Cameras are not included in Tenant's Work and Tenant does not develop an alternative method of providing the "sky portal" experience, then Tenant will develop, for Landlord's approval (not to be unreasonably withheld, conditioned or delayed), a substitute for the "sky portal" concept that is a dynamic interactive entertainment element, that is unique to the Demised Premises, that is not found at any other observation deck at the time the Demised Premises are opened to the public, and that is of the same or better caliber as the "sky portal" concept. Once approved by Landlord, such alternative concept will be deemed part of the conceptual plans and the Tenant Business Plan, and shall be deemed to be listed as a unique element on Exhibit GG, all in substitution of the "sky portal" concept. At least one (1) month prior to the time Tenant submits Tenant's Design

1 Development Plans to Landlord for Landlord's approval in accordance with Exhibit J, Tenant shall  
2 demonstrate to Landlord's reasonable satisfaction that the "sky portal" concept is feasible or  
3 demonstrate that Tenant has developed a feasible alternative as described above that is reasonably  
4 acceptable to Landlord.

5                   29.03       Payment for Observation Deck Work. Tenant shall reimburse the Port  
6 Authority or Landlord on a monthly basis for the Observation Deck Reimbursable Expenses. As used  
7 herein, "Observation Deck Reimbursable Expenses" are expenses incurred by Landlord or the Port  
8 Authority from time to time in connection with such parties' designing, constructing, modifying,  
9 installing, testing, or otherwise incorporating additional structural supports into the Building for the  
10 development of the Demised Premises and other areas to be modified, operated, maintained or  
11 repaired by Tenant pursuant to this Lease (collectively, the "Observation Deck Work"). During the  
12 period commencing with any Observation Deck Work, Landlord or the Port Authority shall submit  
13 statements (not more often than monthly) by Notice to Tenant for Observation Deck Reimbursable  
14 Expenses due and payable to the Landlord or Port Authority, including reasonable documentation of  
15 claimed Observation Deck Reimbursable Expenses, and payment of such statements shall be made by  
16 Tenant as requested in such statement within thirty (30) days thereafter (each a "Statement Payment  
17 Date"). If Tenant reasonably requests additional documentation with regard to claimed Observation  
18 Deck Reimbursable Expenses within ten (10) days after receipt of a statement (each request, to the  
19 extent timely made and reasonably requested, a "Required Additional Reasonable Documentation"),  
20 Landlord or the Port Authority shall provide the Required Additional Reasonable Documentation to  
21 Tenant before the later to occur of (i) forty (40) days after receipt of the applicable statement or  
22 (ii) ten (10) days following such request (the "RARD Outside Date"). To the extent that Landlord or  
23 the Port Authority fails to provide the Required Additional Reasonable Documentation to Tenant on  
24 or prior to the RARD Outside Date, then the Statement Payment Date shall be deemed extended on a  
25 day-for-day basis until the Required Additional Reasonable Documentation is received by Tenant.  
26 Notwithstanding the foregoing, in all cases all invoiced amounts as to which Tenant does not request  
27 Required Additional Reasonable Documentation shall be due and payable on or prior to the  
28 applicable Statement Payment Date. All amounts due to Landlord or the Port Authority pursuant to  
29 this Section 29.03 shall bear interest at the annual rate of seven and one-half percent (7.5%),  
30 compounded annually, from the Statement Payment Date (as the same may be extended pursuant to  
31 the foregoing) and payable through the date payment is actually made.

32                   29.04       Capital Budget; Future Capital Improvements. Commencing with the  
33 first calendar year following the RCD, Tenant will annually, on or before January 31, prepare and  
34 obtain Landlord's approval, which approval shall not be unreasonably withheld, conditioned or  
35 delayed, so long as such plan and budget provide for necessary capital repairs and replacements  
36 together with upgrades and improvements to the Demised Premises in order to meet or exceed the  
37 Premier Facility Standard and provide an updated visitor experience in accordance with the Premier  
38 Facility Standard during the Term, a five-year capital plan and budget (as approved, the "Capital  
39 Budget") which will include specific descriptions and dates for projected capital expenditures for  
40 Future Capital Improvements. The capital plan and budget shall be accompanied by sufficient  
41 information for Landlord to reasonably understand the scope of the capital repairs, replacements,  
42 upgrades and improvements and how such repairs, replacements, upgrades and improvements will be  
43 funded by Tenant. Tenant shall make the repairs, replacements, improvements and upgrades to the  
44 Demised Premises as and when described in the Capital Budget. Tenant shall establish a segregated  
45 capital reserve account for the purpose of funding such repairs, replacements, upgrades and  
46 improvements as are set forth in the approved Capital Budget and otherwise in accordance with this  
47 Lease. Within ten (10) days following the end of each calendar month, Tenant shall fund into such  
48 capital reserve account an amount equal to two percent (2%) of Gross Sales for such prior calendar  
49 month and the funds in the capital reserve account may only be used in accordance with the Capital

1 Budget. At least quarterly Tenant shall provide a statement to Landlord, accompanied by copies of  
2 bank statements and other reasonable back-up documentation showing deposits to and all withdrawals  
3 from the capital reserve account. Upon the expiration or earlier termination of this Lease, Tenant  
4 shall deliver all amounts in the capital reserve account to Landlord. Landlord shall be granted a  
5 perfected first priority security interest in the capital reserve account pursuant to documentation  
6 reasonably satisfactory to Landlord. Landlord shall cooperate with Tenant to allow the capital reserve  
7 account to be held by a Leasehold Mortgagee, provided that the funds in such account may be used  
8 only in accordance with this Section 29.04 and shall continue to be available notwithstanding any  
9 loan default or foreclosure.

10 ARTICLE 30

11 WINDOW CLEANING

12  
13 30.01 Tenant will not clean any window in the Premises in violation of the  
14 terms of Section 202 of the New York Labor Law or any successor statute thereto.

15 ARTICLE 31

16 CONSENTS

17  
18 31.01 Tenant hereby waives any claim against Landlord which it may have  
19 based upon any assertion that Landlord has unreasonably withheld or unreasonably delayed any such  
20 consent or approval, and Tenant agrees that its sole remedy shall be an action or proceeding to  
21 enforce any such provision (including by arbitration pursuant to Article 25 hereof or the applicable  
22 terms of the Work Letter) or for specific performance, injunction or declaratory judgment. In the  
23 event of a determination favorable to Tenant, the requested consent or approval shall be deemed to  
24 have been granted; however, Landlord shall have no personal or other liability to Tenant for its  
25 refusal to give such consent or approval. The sole remedy for either party's unreasonably withholding  
26 or delaying of consent or approval shall be as set forth in this Section; provided, however, that if it  
27 shall be finally determined by arbitration that Landlord or Tenant acted in bad faith or failed to  
28 comply with any final decision of any arbitration proceedings pursuant to the terms of this Lease, then  
29 the limitation on damages and remedies provided for in this Section 31.01 shall have no further  
30 application with respect to such act.

31 ARTICLE 32

32 MISCELLANEOUS

33  
34 32.01 Tenant shall not move any safe, heavy equipment or bulky matter in or  
35 out of the Building without Landlord's written consent, which consent shall not be unreasonably  
36 withheld or delayed. If the movement of such items is required to be done by persons holding a  
37 Master's Rigger's License, then all such work shall be done in full compliance with the Administrative  
38 Code of the City of New York, the Port Authority Manual and other municipal requirements. All of  
39 such movements shall be made during hours which will minimize interference with the normal  
40 operations of the Building. All damage caused by such movement shall be promptly repaired by  
41 Tenant at Tenant's expense. Subject to applicable Legal Requirements and Exhibit C attached  
42 hereto, Tenant shall not place a load upon any portion of the Building which exceeds the load which  
43 such portion of the Building was designed to carry (which maximum load shall be determined by  
44 Landlord's Engineer in its sole and absolute discretion).

1                   32.02       Subject to the terms of Section 5.03 of this Lease, business machines and  
2 mechanical equipment belonging to Tenant, Landlord or other tenants of the Building which may  
3 cause noise, vibration or any other nuisance that may be transmitted to other portions of the Building  
4 to such a degree as to interfere with the use or enjoyment by Tenant or other tenants of their premises  
5 or the public portions of the Building or which adversely affect the Building's structure, shall be  
6 placed and maintained by the party owning such machines and/or equipment at such party's cost and  
7 expense, in settings of cork, rubber or spring type vibration eliminators sufficient to eliminate any  
8 such noise or vibration. Notwithstanding anything herein to the contrary, Landlord shall include in its  
9 other leases with respect to any portion of the Building a clause substantially similar to the terms of  
10 the prior sentence.

11                   32.03       In the event that an excavation or any construction should be made for  
12 building or other purposes upon land adjacent to the Building, or should be authorized to be made,  
13 Tenant shall, upon reasonable prior Routine Notice, if necessary, afford to the person or persons  
14 causing or authorized to cause such excavation or construction or other purpose, the right, in a  
15 manner so as to avoid interference with Tenant's business, to enter upon the Demised Premises for the  
16 purpose of doing such work as shall reasonably be necessary to protect or preserve the wall or walls  
17 of the Building, or the Building, from injury or damage and to support them by proper foundations,  
18 pinning and/or underpinning, or otherwise.

19                   32.04       Each of Landlord and Tenant waives the right to trial by jury in any  
20 summary proceeding that may hereafter be instituted against such party and any other action that may  
21 be brought hereunder, provided such waiver is not prohibited by law. Tenant shall not interpose any  
22 counterclaim in any summary proceeding, except for compulsory counterclaims.

23                   32.05       If Landlord or Tenant litigate any provision of this Lease or the subject  
24 matter of this Lease, the unsuccessful litigant shall pay to the successful litigant all costs and  
25 expenses, including reasonable attorneys' fees and court costs, incurred by the successful litigant at  
26 trial and on appeal. If, without fault, either Landlord or Tenant is made a party to any litigation  
27 instituted by or against the other, the other will indemnify the faultless one against all loss, liability  
28 and expense, including reasonable attorneys' fees and court costs incurred by it in connection with  
29 such litigation. The terms of this Section shall survive the expiration or sooner termination of this  
30 Lease.

31                   32.06       The failure of Landlord or Tenant to seek redress for violation of, or to  
32 insist upon the strict performance of, any covenant or condition of this Lease, or, as applicable, any of  
33 the Rules and Regulations attached hereto or hereafter adopted by Landlord, shall not prevent a  
34 subsequent act, which would have originally constituted a violation, from having all the force and  
35 effect of an original violation. No employee of Landlord or of Landlord's agents shall have any  
36 power to accept the keys of the Demised Premises prior to the termination of this Lease. The delivery  
37 of keys to any employee of Landlord or of Landlord's agent shall not operate as a termination of this  
38 Lease or a surrender of the Demised Premises. The receipt or acceptance by Landlord, or payment by  
39 Tenant, of rent with knowledge of the breach of any covenant of this Lease shall not be deemed a  
40 waiver of such breach. No provision of this Lease shall be deemed to have been waived by Landlord  
41 or Tenant, unless such waiver shall be in writing and signed by such party. No payment by Tenant or  
42 receipt by Landlord of a lesser amount than the monthly rent required to be paid shall be deemed to  
43 be other than on account of the earliest such rent, nor shall any endorsement or statement on any  
44 check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction,  
45 and Landlord may accept such check or payment without prejudice to Landlord's right to recover the  
46 balance of such rent or pursue any other remedy in this Lease provided.

1                   32.07       This Lease with its exhibits, schedules and annexes (and all guaranties,  
2 and other documents being executed by the parties or their guarantors in connection with this Lease)  
3 contain the entire agreement between Landlord and Tenant and any executory agreement hereafter  
4 made between Landlord and Tenant shall be ineffective to change, modify, waive, release, discharge,  
5 terminate or effect an abandonment of this Lease, in whole or in part, unless such executory  
6 agreement is signed by the parties hereto. This Lease may not be orally waived, terminated, changed  
7 or modified. This Lease may be executed in one or more counterparts, each of which shall constitute  
8 an original and all of which when taken together shall constitute one and the same instrument.

9                   32.08       A.       The captions of Articles and Sections in this Lease and its Table  
10 of Contents are inserted only as a convenience and for reference and they in no way define, limit or  
11 describe the scope of this Lease or the intent of any provision thereof. References to Articles and  
12 Sections are to those in this Lease unless otherwise noted. Except for a reference to a specific clause  
13 thereof, each reference in this Lease to "this Lease" shall be deemed to include this Lease and all  
14 exhibits thereto, including the Work Letter.

15                   B.       No credit, refund, offset, or abatement of rent shall be granted in respect of any  
16 service provided or available to Tenant as provided in this Lease which is not desired or utilized by  
17 Tenant.

18                   32.09       If any term, covenant, condition, provision or clause (collectively  
19 referred to as "terms and conditions" in this "representation of severability/enforcement of remedies"  
20 provision) of this Lease or the application thereof to any circumstance or to any person, firm or  
21 corporation shall be deemed by a competent tribunal to be invalid or unenforceable to any extent, the  
22 remaining terms and conditions of this Lease or the application thereof to any circumstances or to any  
23 person, firm or corporation other than those as to which any terms and conditions is held invalid or  
24 unenforceable, shall not be affected thereby and each remaining terms and conditions and provision  
25 of this Lease shall be valid and shall be enforceable to the fullest extent permitted by law.  
26 Notwithstanding the foregoing, in no event whatsoever, shall any such determination of invalidity or  
27 unenforceability by a competent tribunal be construed as precluding either party from seeking  
28 enforcement of, or appropriate remedies with respect to, the other terms and conditions or provisions  
29 of this Lease.

30                   32.10       No vault or cellar or sub-cellar space not within the property line of the  
31 Building is leased hereunder, anything to the contrary indicated elsewhere in this Lease  
32 notwithstanding. Any vault or cellar space not within the property line of the Building, which Tenant  
33 may be permitted to use or occupy, shall be used or occupied under revocable license and if the  
34 amount of such space be diminished or required by any Governmental Authority having jurisdiction,  
35 Landlord shall not be subject to any liability nor shall Tenant be entitled to abatement of rent (except  
36 to the extent Tenant is paying rent for the same), nor shall such diminution or abatement be deemed a  
37 constructive or actual eviction. Any fee or license charge or tax of municipal authorities for such  
38 vault or cellar space shall be paid by Tenant to Landlord as additional rent within thirty (30) days  
39 after delivery by Notice of an invoice therefor. If such fee, tax or charge shall be for vault or cellar  
40 space greater in area than that occupied by Tenant, the charge to Tenant shall be pro-rated. Tenant  
41 shall have no obligation to pay the expenses imposed under this Section 32.10 to the extent that such  
42 expenses have been charged to Tenant under another Section of this Lease or are included in the  
43 PILOT Rate or Taxes.

44                   32.11       Each of the schedules and exhibits appended to this Lease is incorporated  
45 by reference herein as if set out in full herein. If, and to the extent that, any of the provisions of this  
46 Lease conflict, or are otherwise inconsistent, with any of the schedules and exhibits appended to this

1 Lease, then whether or not such inconsistency is expressly noted in this Lease, the provision of this  
2 Lease shall prevail; notwithstanding the foregoing, if, and to the extent that, any of the provisions of  
3 this Lease conflict, or are otherwise inconsistent, with Exhibit J, then whether or not such  
4 inconsistency is expressly noted in this Lease, the provision of Exhibit J shall prevail. The term  
5 "including" when used herein shall mean "including, without limitation."

6 32.12 The parties agree that (i) whenever this Lease shall provide that Landlord  
7 or Tenant shall pay the out-of-pocket costs of the other party, such out-of-pocket costs shall be  
8 commercially reasonable, (ii) whenever a party requests reimbursement for its out-of-pocket costs,  
9 upon request of the other party, such party shall deliver to the requesting party bills, receipts, invoices  
10 or other documentation reasonably evidencing such costs, and (iii) in the event such documentation is  
11 not so delivered with five (5) days after request thereof, the time periods set forth herein with respect  
12 to any such payments shall be tolled until five (5) days after delivery to the requesting party of such  
13 documentation. If any clause in this Lease providing for the payment by Tenant to Landlord of any  
14 additional rent shall not state a time period upon which such payment shall be due to Landlord, such  
15 payment shall be payable by Tenant to Landlord within twenty (20) days after delivery of an invoice  
16 therefor by the appropriate method. Tenant hereby acknowledges that (a) the amount of the markup  
17 imposed as part of Landlord's Cost (including in connection with any unrelated third party approved  
18 or selected by Landlord in accordance with the applicable terms of this Lease) and the amounts listed  
19 on Exhibit BB annexed hereto are deemed to be commercially reasonable and (b) the amount charged  
20 to Landlord by any unrelated third party selected by Landlord in accordance with the applicable terms  
21 of this Lease (including any sole source contractor designated by Landlord pursuant to the terms of  
22 Section 13.04F hereof) is deemed to be commercially reasonable.

23 32.13 Landlord and Tenant each represent and warrant to the other that, except  
24 as hereinafter provided in this Section 32.13 and Section 32.15 hereof, (a) this Lease (i) has been duly  
25 authorized, executed and delivered by such party and (ii) constitutes the legal, valid and binding  
26 obligation of such party and (b) the execution and delivery of this Lease is not prohibited by, nor does  
27 it conflict with, or constitute a default under, any agreement or instrument to which such party may be  
28 bound or any Legal Requirement applicable to such party. Tenant represents and warrants to  
29 Landlord that the Ownership Chart attached as Exhibit FF annexed hereto is a true, correct, and  
30 complete description of the direct and indirect ownership of Tenant. Notwithstanding the first (1<sup>st</sup>)  
31 sentence of this Section 32.13, Landlord and Tenant acknowledge that Landlord's representations and  
32 warranties provided in the first (1<sup>st</sup>) sentence of this Section 32.13 are subject to the satisfaction of the  
33 requirements of the Gubernatorial Review Legislation without the occurrence of a gubernatorial veto,  
34 and the satisfaction of such requirements without the occurrence of a gubernatorial veto shall be a  
35 condition precedent to the effectiveness of the terms and conditions of this Lease and this Lease shall  
36 be of no force and effect unless and until such requirements have been satisfied without the  
37 occurrence of a gubernatorial veto. Accordingly, in the event of a gubernatorial veto pursuant to the  
38 Gubernatorial Review Legislation, (x) this Lease shall automatically terminate ab initio and (y) this  
39 Lease shall be null and void and neither party shall have any obligations or liability hereunder.  
40 Promptly following the satisfaction of the requirements of the Gubernatorial Review Legislation  
41 without the occurrence of a gubernatorial veto (or the occurrence of a gubernatorial veto pursuant to  
42 the Gubernatorial Review Legislation, as the case may be), Landlord shall deliver a Notice to Tenant  
43 with respect thereto. "Gubernatorial Review Legislation" means Chapter 333 of the Laws of New  
44 Jersey of 1927, as amended by Chapter 20 of the Laws of New Jersey of 1972 (N.J.S.A. 32:2-6 to 9),  
45 and Chapter 700 of the Laws of New York of 1927, as amended by Chapter 215 of the Laws of New  
46 York of 1956 and Chapter 602 of the Laws of New York of 1972 (McK. Unconsol. Laws  
47 §§ 7151-7154).

1                   32.14       Smoking shall be prohibited at all times within the Premises. This policy  
2 shall apply to all employees, officers, clients, contractors and visitors of Tenant in the Premises and  
3 shall cover all common work areas, conference and meeting rooms, private offices, elevators,  
4 hallways, employee lounges, stairways, rest rooms, locker rooms, shops, stockrooms, and other areas  
5 within the Premises not specifically listed above. Tenant acknowledges that smoking is prohibited in  
6 the public areas of the Building and that designated exterior smoking areas (if any) will be adequately  
7 signed and located at least twenty-five (25) feet from all entries to the Building and outdoor air  
8 intakes.

9                   32.15       Notwithstanding anything herein to the contrary, it is to be strictly  
10 understood and agreed that (X) the submission by Landlord to Tenant of any drafts of this Lease or  
11 any correspondence with respect thereto shall (i) be deemed submission solely for Tenant's  
12 consideration and not for acceptance and execution, (ii) have no binding force or effect, (iii) not  
13 constitute an option for the leasing of the Premises or a lease or conveyance of the Premises by  
14 Landlord to Tenant and (iv) not confer upon Tenant or any other party any title or estate in the  
15 Premises, (Y) the terms and conditions of this Lease shall not be binding upon either party hereto in  
16 any way unless and until (a) it is unconditionally executed and delivered by both parties in their  
17 respective sole and absolute discretion, (b) any Non-Disturbance Agreements required on the  
18 commencement of this Lease have been executed and delivered by all required parties (unless waived  
19 by Tenant after the outside date for the delivery of any such Non-Disturbance Agreement) and (c) all  
20 other conditions precedent to the effectiveness thereof shall have been fulfilled or waived, and (Z) if  
21 this Lease and other agreements are not so executed and delivered for any reason whatsoever  
22 (including either party's willful or other refusal to do so or bad faith), neither Landlord nor Tenant  
23 shall be liable to the other with respect to this Lease on account of any written or parol  
24 representations or negotiations, or drafts, comments or correspondence between the parties or their  
25 respective agents or representatives on any legal or equitable theory (including part performance,  
26 promissory estoppel, undue enrichment, fraud, breach of good faith negotiation obligation or  
27 otherwise).

28                   32.16       Whenever this Lease shall provide that a consent shall not be  
29 unreasonably withheld or delayed, such consent shall also not be unreasonably conditioned.

30                   32.17       Confidentiality.

31                   A.       Subject to the terms of applicable Legal Requirements, including the FOI Code,  
32 neither Landlord nor Tenant nor any of any their respective employees, representatives, agents or  
33 consultants shall publicize, advertise or otherwise disclose any of the economic terms (including Fixed  
34 Rent or other Rent payable hereunder) nor any of the material terms of this Lease which are not  
35 otherwise in the public domain without the prior written consent of the other party except to the extent  
36 such disclosure of such information is required to be made (a) to any actual or prospective purchasers,  
37 mortgagees, overlessors, assignees or subtenants (or any of their respective employees, representatives,  
38 agents or consultants), (b) by Legal Requirements, (c) in any arbitration or litigation between the parties,  
39 (d) to any Governmental Authority providing to Landlord and/or Tenant business incentives, or to any  
40 Governmental Authority which is a party to an agreement pursuant to which such business incentives are  
41 being provided to Tenant, (e) to the partners, members, directors and officers of Landlord and Tenant, as  
42 well as such parties' legal counsel and accountants who need to know such information for the purpose  
43 of complying with the terms and conditions hereof or (f) in Landlord's or Tenant's financial statements as  
44 shall be required by GAAP. The terms of this Section shall survive the expiration or sooner termination  
45 of this Lease and shall be subject to the terms of Section 28.03 hereof and the Work Letter.

1           B. Each party acknowledges that the terms of this Lease as well as certain  
2 information furnished by the parties to each other in connection with this Lease may contain trade  
3 secrets or other proprietary information (the terms of this Lease together with all such information  
4 collectively, "Secure Information"). Subject to applicable Legal Requirements, including the FOI Code,  
5 each party will maintain the confidentiality of all Secure Information, and all other non-public  
6 information of any form provided by the other party pursuant to the terms of this Lease and which is/are  
7 not otherwise in the public domain; provided, however, that the foregoing shall not restrict either party  
8 from making any disclosure of such information (on a need-to-know basis only) to either party's  
9 executive officers or senior staff, and legal and financial advisors, and/or to comply with any applicable  
10 Legal Requirements, provided, that each party shall in each case inform the party to which such  
11 disclosure is made that such information is confidential, inform such party of the confidentiality  
12 provisions of this Lease and obtain a written undertaking from such party to keep such information  
13 confidential in accordance with such confidentiality provisions. In the event that either party is  
14 requested by subpoena, court order or other similar process to disclose such information or if either party  
15 receives any freedom of information request under the FOI Code seeking disclosure of the materials  
16 described in this Section 32.17B, the party receiving such request (the "Disclosing Party") shall  
17 promptly, but in all cases prior to complying with such subpoena, court order or similar process or  
18 freedom of information request, provide the other party (the "Other Party") with Notice of such request,  
19 including a description of the documents or information requested thereby, and to the extent that the  
20 Other Party determines that the requested documents or information contain trade secrets or other  
21 proprietary information, then the Other Party shall provide to the Disclosing Party within ten (10)  
22 Business Days of Notice a letter setting forth which documents or information it seeks to have withheld  
23 and the basis for its determination. If, after reviewing such request, the Disclosing Party determines that  
24 it must disclose or cause its agents or representatives to disclose any such requested documents or  
25 information, it shall promptly deliver Notice to the Other Party of such determination prior to disclosure  
26 and the Other Party shall have an additional ten (10) Business Days to seek relief from a court of  
27 competent jurisdiction preventing such disclosure. The Disclosing Party shall not release or share such  
28 documents or information until after said additional ten (10) Business Day period and during the  
29 pendency of such litigation except to the extent required or directed to do so by a court of competent  
30 jurisdiction.

31           32.18       No Individual Liability. A. No partners, officers, shareholders,  
32 directors, members, trustees, beneficiaries, employees, principals, contractors, licensees, agents and  
33 representatives of Landlord, nor the Port Authority, nor any commissioner, officer, employee,  
34 contractor, licensee, agent or representative thereof, shall be charged personally by Tenant with any  
35 liability or be held liable under any term or provision of this Lease or because of its execution or  
36 attempted execution or because of any breach or attempted or alleged breach thereof.

37           B. Except as otherwise expressly provide in the Tenant Guaranty (insofar as it  
38 relates to the Tenant Guarantor), no partners, officers, shareholders, directors, members, trustees,  
39 beneficiaries, employees, principals, contractors, licensees, agents and representatives of Tenant, shall be  
40 charged personally by Landlord with any liability or be held liable under any term or provision of this  
41 Lease or because of its execution or attempted execution or because of any breach or attempted or  
42 alleged breach thereof.

43           32.19       Trademarks and Merchandise Sales.

44           A. Except as may be provided in the License Agreement or otherwise expressly  
45 approved of in writing by the Landlord or the Port Authority, Tenant may not for any purpose or in any

7 B. As set forth more fully in Section 5.13 and in the License Agreement, and subject  
8 to the execution and terms thereof, Tenant acknowledges and agrees that all right, title and interest in and

15 one of the above; (ii) depicting (whether by photograph, drawing, model, rendering, architectural  
16 plans, etc.) any Port Authority facilities, Demised Premises, the Building or the World Trade Center, or  
17 any portion thereof or any view therefrom; or (iii) any other indicia of the Landlord, Port Authority or  
18 any of their Affiliates, the Building, the World Trade Center or the Demised Premises, shall be sold or  
19 displayed by Tenant or any Affiliate of Tenant unless expressly provided for in the License Agreement  
20 and then only in compliance with the terms therein.

22 A. Tenant represents and warrants that (a) Tenant and each person or entity owning  
23 an interest in Tenant is (i) not currently identified on the OFAC List, and (ii) not a person or entity with  
24 whom a citizen of the United States is prohibited to engage in transactions by any trade embargo,  
25 economic sanction, or other prohibition of United States law, regulation, or executive order of the  
26 President of the United States, (b) none of the funds or other assets of Tenant constitute property of, or  
27 are beneficially owned, directly or indirectly, by any Embargoed Person, (c) no Embargoed Person has  
28 any interest of any nature whatsoever in Tenant (whether directly or indirectly), (d) none of the funds of

39 Requirements relating to money laundering, anti-terrorism, trade embargoes and economic sanctions,  
40 now or hereafter in effect, (b) to immediately deliver Notice to Landlord in writing if any of the

43 or have been breached, (c) not to use funds from any "Prohibited Person" (as such term is defined in the  
44 September 24, 2001 Executive Order Blocking Property and Prohibiting Transactions With Persons Who

46 Lease and (d) at the request of Landlord, to provide such information as may be requested by Landlord  
47 to determine Tenant's compliance with the terms hereof.

1 C. Tenant hereby acknowledges and agrees that Tenant's inclusion on the OFAC  
2 List at any time during the term shall be a material default (as to which no notice or cure period is

4 Premises or any portion thereof to be used or occupied by any person or entity on the OFAC List or by  
5 any Embargoed Person (on a permanent, temporary or transient basis), and any such use or occupancy of  
6 the Premises by any such person or entity shall be a material default (as to which no notice or cure  
7 period is applicable) hereunder.

8 32.21 Landlord's OFAC Compliance.

9 A. Landlord represents and warrants that (a) Landlord and each person or entity  
10 owning an interest in Landlord is (i) not currently identified on the OFAC List, and (ii) not a person or  
11 entity with whom a citizen of the United States is prohibited to engage in transactions by any trade  
12 embargo, economic sanction, or other prohibition of United States law, regulation, or executive order of  
13 the President of the United States, (b) none of the funds or other assets of Landlord constitute property  
14 of, or are beneficially owned, directly or indirectly, by any Embargoed Person, (c) no Embargoed Person  
15 has any interest of any nature whatsoever in Landlord (whether directly or indirectly), (d) none of the  
16 funds of Landlord have been derived from any unlawful activity with the result that the investment in  
17 Landlord is prohibited by Legal Requirements or that this Lease is in violation of Legal Requirements,

19 the foregoing representations and warranties remain true and correct at all times.

20 B. Landlord covenants and agrees (a) to comply with all requirements of Legal  
21 Requirements relating to money laundering, anti-terrorism, trade embargoes and economic sanctions,  
22 now or hereafter in effect, (b) to immediately deliver Notice to Tenant in writing if any of the  
23 representations, warranties or covenants set forth in this Section or the preceding Section are no longer  
24 true or have been breached or if Landlord has a reasonable basis to believe that they may no longer be  
25 true or have been breached, (c) not to use funds from any "Prohibited Person" (as such term is defined in  
26 the September 24, 2001 Executive Order Blocking Property and Prohibiting Transactions With Persons  
27 Who Commit, Threaten to Commit, or Support Terrorism) to make any payment due to Tenant under  
28 this Lease and (d) at the request of Tenant, to provide such information as may be requested by Tenant to  
29 determine Landlord's compliance with the terms hereof.

30 C. Landlord hereby acknowledges and agrees that Landlord's inclusion on the  
31 OFAC List at any time during the term shall be a material default (as to which no notice or cure period is  
32 applicable) hereunder. Notwithstanding anything herein to the contrary, Landlord shall not permit the  
33 Building or any portion thereof to be used or occupied by any person or entity on the OFAC List or by  
34 any Embargoed Person (on a permanent, temporary or transient basis), and any such use or occupancy of  
35 the Building by any such person or entity shall be a material default (as to which no notice or cure period  
36 is applicable) hereunder.

37 32.22 Net Lease and REOA.

38 A. Landlord hereby represents and warrants to Tenant that neither the Net Lease nor  
39 the REOA shall affect either Tenant's rights and obligations under this Lease or Landlord's obligations to  
40 Tenant under this Lease. In the event of any conflict or discrepancy between the Net Lease and/or the  
41 REOA and the terms and provisions of this Lease, the terms and provisions of this Lease shall control.  
42 Simultaneously with Landlord's execution hereof, Landlord shall deliver to Tenant a duly executed and  
43 notarized Non-Disturbance Agreement from Net Lessor in the form of Exhibit G attached hereto, it  
44 being understood that Tenant shall have the right to record such document in the Office of the City  
45 Register of the City of New York.

1 B. Landlord agrees that it shall not modify the Net Lease in such a manner as to  
2 adversely affect Tenant's rights and obligations under this Lease or to have an adverse monetary effect  
3 on Tenant. Landlord agrees that it shall not modify the REOA in such a manner as to adversely affect  
4 Tenant's rights and obligations under this Lease or increase the costs and expenses payable by Tenant in  
5 a manner inconsistent with this Lease, except to the extent that Tenant is compensated therefor.  
6 Landlord hereby represents and warrants to Tenant that as of the date hereof (i) Landlord has delivered  
7 to Tenant true, accurate and complete copies of the Net Lease (other than certain economic terms thereof  
8 that have been redacted) and the REOA, (ii) both the Net Lease and the REOA are in full force and  
9 effect and have not been modified or amended, (iii) no default exists and no condition or event exists  
10 which, after notice or lapse of time, or both, would constitute a default under the Net Lease and/or the  
11 REOA, and (iv) any and all consents required under each of the Net Lease and the REOA in connection  
12 with the execution and delivery of this Lease have been obtained.

13 32.23 No Liability. Reference to Landlord having "no liability to Tenant" or  
14 being "without liability to Tenant" or terms of similar import shall mean that Tenant is not entitled to  
15 terminate this Lease, or to claim actual or constructive eviction, partial or total, or to receive any  
16 abatement or diminution of rent, or to be relieved in any manner of any of its other obligations  
17 hereunder, or to be compensated for loss or injury suffered, or to enforce any other right or kind of  
18 liability whatsoever against Landlord under or with respect to this Lease or with respect to Tenant's  
19 use or occupancy of the Premises.

20 ARTICLE 33

23 The covenants, conditions and agreements contained in this Lease shall bind and inure to  
24 the benefit of the parties hereto and their respective heirs, legal representatives, successors and, except as  
25 otherwise provided herein, their assigns. The Port Authority and, if different the Net Lessor, shall have  
26 the right as third-party beneficiaries to enforce the obligations of Tenant hereunder that are for their  
27 benefit.

28 ARTICLE 34

29  
30 HAZARDOUS MATERIALS

31 34.01 Representations by Landlord. Landlord represents and warrants to  
32 Tenant that as of the Execution Date, Landlord has not received any notification of (and Landlord has  
33 no actual knowledge of) any violation of Environmental Laws at or in connection with the Land, the  
34 Building or the Demised Premises.

35 34.02 Removal of Hazardous Materials. Neither Landlord nor Tenant shall  
36 cause or permit Hazardous Materials to be used, transported, stored, released, handled, produced or  
37 installed in, on or from, the Demised Premises or the Building. The term "Hazardous Materials"  
38 shall, for the purposes hereof, mean any flammable, explosive or radioactive materials; hazardous  
39 wastes; hazardous and toxic substances or related materials; mold; asbestos or any material containing  
40 asbestos; and any other waste, substance or material regulated under any federal, state or local law,  
41 ordinance, rule or regulation covering pollution or protection of the environment or human health and  
42 safety, including the Comprehensive Environmental Response Compensation and Liability Act of  
43 1980, as amended, the Hazardous Materials Transportation Act, as amended, the Resource  
44 Conservation and Recovery Act, as amended, and in the regulations adopted and publications  
45 promulgated pursuant to each of the foregoing (collectively, "Environmental Laws").

1 Notwithstanding the foregoing, the restriction in the first sentence of this Section 34.02 shall not be  
2 deemed to be a restriction on materials and supplies typically and lawfully used in connection with  
3 the performance of Alterations of the type being undertaken by Tenant as part of Tenant's Work, and  
4 by Landlord as part of Basic Construction, and the operation and maintenance of public facilities for  
5 uses similar to the Observation Deck Uses, including Tenant's routine operations (provided the same  
6 are used, handled and stored in accordance with all applicable Environmental Laws). In the event of  
7 a breach of the provisions of this Article 34, the non-breaching party shall, in addition to all of its  
8 rights and remedies under this Lease and pursuant to Legal Requirements, require the other to remove  
9 any such Hazardous Materials from the Demised Premises or the Building in the manner prescribed  
10 for such removal by applicable Legal Requirements. In the event any Hazardous Materials (which  
11 the parties acknowledge includes asbestos containing material) which were not brought or introduced  
12 into the Building by Tenant are found in the Building, the Demised Premises or at, on or under the  
13 Land, (i) Landlord shall promptly remove such Hazardous Materials at Landlord's sole cost and  
14 expense and (ii) Tenant shall receive a proportionate abatement of Fixed Rent and additional rent with  
15 respect to any portion of the Demised Premises which Tenant is unable to use and vacates because of  
16 the existence of such Hazardous Materials in the Building from the date Tenant vacates such space  
17 until the substantial completion of Landlord's removal work. Solely with respect to any material(s)  
18 present in any portion of the Premises upon the date of delivery of possession thereof to Tenant,  
19 which material(s) was in compliance with applicable Legal Requirements at the time of its  
20 introduction into the Premises but is later required by applicable Legal Requirements to be removed,  
21 including (a) on account of compliance with any Legal Requirement (regardless of the date of  
22 enactment thereof) in connection with the performance of any Alteration by or on behalf of Tenant or  
23 (b) due to the identification of such material(s) as a Hazardous Material pursuant to a Legal  
24 Requirement enacted after the date of delivery of possession thereof (or by an amendment enacted  
25 after the date of delivery of possession thereof to a Legal Requirement enacted prior to the date of  
26 delivery of possession thereof to the extent required by such amendment), Tenant at its expense shall  
27 be responsible for the removal thereof from the Premises upon and subject to the applicable terms of  
28 this Lease and this Article 34.

29 34.03 Arbitration. Either party may submit disputes arising under this  
30 Article 34 to arbitration in accordance with the terms of Article 25 hereof.

31 34.04 Survival. The provisions of this Article 34 shall survive the expiration or  
32 sooner termination of this Lease.

33 ARTICLE 35

34 SHAFT SPACE

36 35.01 Landlord shall make available the following for Tenant's use at Tenant's  
37 sole expense upon and subject to the applicable terms of this Lease and all applicable Legal  
38 Requirements: (a) conduits and sleeve equivalents to run inter-floor telecommunications wiring upon  
39 and subject to the terms of Section 6.01N hereof, (b) shaft space and a pathway in a location  
40 reasonably designated by Landlord for the connection of utilities from Landlord's designated point of  
41 connection to the Tenant's Special Equipment; and (c) a gas interconnection conduit in connection  
42 with the furnishing of gas service to Tenant upon and subject to the terms of Section 6.01P hereof. If  
43 Landlord shall incur any costs to create the pathways referred to in clause (b) above, Tenant shall be  
44 responsible as additional rent for the payment of Landlord's Cost therefor.

45 35.02 Landlord shall, upon request, provide Tenant access to any telephone  
46 closets controlled by Landlord on each floor of the Demised Premises; provided, however, Tenant

1 shall only have access to such telephone closets at reasonable times following delivery of reasonable  
2 Notice to Landlord.

3 35.03 At Tenant's request, Landlord shall take all reasonable steps (at Tenant's  
4 expense equal to Landlord's Cost therefor) to allow any wired telecommunications service provider to  
5 provide service to the Building for Tenant's operations. Tenant shall utilize any shaft space provided  
6 to Tenant in a reasonably efficient manner as shown on approved plans (and subject to Landlord's  
7 on-site review thereof and on-site direction with respect thereto at Tenant's expense equal to  
8 Landlord's Cost therefor). Notwithstanding anything to the contrary contained herein, Tenant may  
9 not use any telecommunications service provider which has been excluded by the Port Authority from  
10 the World Trade Center on a site-wide basis based on the Port Authority's standard protocols.

14 36.01 Jurisdiction; Venue; Governing Law. Landlord and Tenant each hereby  
15 (a) irrevocably consents and submits to the jurisdiction of any Federal, state, county or municipal  
16 court sitting in the State of New York, County of New York in respect to any action or proceeding  
17 concerning any matters arising out of or in any way relating to this Lease; (b) irrevocably waives all  
18 objections as to venue and any and all rights it may have to seek a change of venue with respect to  
19 any such action or proceedings if the same is brought in New York City; (c) agrees that the laws of  
20 the State of New York shall govern in any such action or proceeding and waives any defense to any  
21 action or proceeding granted by the laws of any other country or jurisdiction unless such defense is  
22 also allowed by the laws of the State of New York; and (d) agrees that any final judgment rendered  
23 against it in any such action or proceeding shall be conclusive and may be enforced in any other  
24 jurisdiction by suit on the judgment or in any other manner provided by law. Landlord and Tenant  
25 further agree that any action or proceeding in respect to any matters arising out of or in any way  
26 relating to this Lease shall be brought only in the State of New York, County of New York. This  
27 Lease and the rights and obligations of the parties hereunder shall be governed by and construed, and  
28 all actions, proceedings and all controversies and disputes arising under or of or relating to this Lease  
29 shall be resolved, in accordance with the internal substantive laws of the State of New York  
30 applicable to agreements made and to be wholly performed with the State of New York.

31 36.02 Compliance with the Litigation Legislation. Notwithstanding the  
32 foregoing nor anything to the contrary contained in this Lease, Tenant hereby expressly  
33 acknowledges that any litigation instituted by Tenant against the Port Authority must be brought in  
34 accordance with the requirements of the Litigation Legislation and nothing contained in Section 36.01  
35 above or any other provisions of this Lease shall be deemed a waiver by the Port Authority of any  
36 provisions, rights or requirements thereunder.

37 ARTICLE 37

38 TENANT GUARANTY

39  
40 37.01 Tenant Guaranty. Simultaneously with the execution and delivery of this  
41 Lease and as a pre-condition to the effectiveness of this Lease, Tenant shall deliver to Landlord a  
42 Tenant Guaranty in the form attached hereto as Exhibit W-2 made by Tenant Guarantor.

1 Lease and Landlord shall have the right, exercisable by a sight draft, to receive the monies represented  
2 by the Letter of Credit (which monies shall be held by Landlord as a cash deposit pursuant to the terms  
3 of this Article 38 pending the replacement of such Letter of Credit or Tenant's default after Notice and  
4 the expiration of any applicable cure period hereunder); however, Landlord's holding of such cash  
5 security shall not be deemed a waiver of Tenant's default of its obligation to maintain the security in the  
6 form of a Letter of Credit);

7 D. Upon Landlord's sale of Landlord's interest in the Land and the Building, the  
8 Letter of Credit shall be transferable, without charge, by Landlord, as provided in Section 38.03 hereof;  
9 and

10 E. If a Bankruptcy Event occurs, Landlord shall have the right, exercisable by a  
11 sight draft, to receive monies represented by the Letter of Credit.

12 38.03 In the event of a sale of Landlord's interest in the Land and the Building,  
13 Landlord shall have the right to transfer (at no expense to Landlord) the Letter of Credit deposited  
14 hereunder to the vendee or lessee, and Landlord shall be released by Tenant from all liability for the  
15 return of such Letter of Credit. In such event, Tenant agrees to look solely to the new landlord for the  
16 return of said Letter of Credit. It is agreed that the provisions hereof shall apply to every transfer or  
17 assignment made of said Letter of Credit to a new landlord.

18 38.04 Tenant covenants that it will not assign or encumber, or attempt to assign  
19 or encumber, the monies or Letter of Credit deposited hereunder as security, and that neither Landlord  
20 nor its successors or assigns shall be bound by any such assignment, encumbrance, attempted  
21 assignment, or attempted encumbrance.

22 38.05 Landlord agrees that it will not draw down the proceeds of the Letter of  
23 Credit except in the event of a default by Tenant hereunder beyond the expiration of any applicable  
24 notice and cure period or a Bankruptcy Event or the non-renewal of such Letter of Credit by the  
25 Issuing Bank.

26 38.06 In the event that at any time during the term of this Lease, Landlord, in  
27 Landlord's reasonable opinion, believes (a) that the net worth of the Issuing Bank shall be less than  
28 the minimum amount specified in Section 38.02 hereof, or (b) that circumstances have occurred  
29 indicating that the Issuing Bank may be incapable of, unable to, or prohibited from honoring the then  
30 existing Letter of Credit (hereinafter referred to as the "Existing L/C") in accordance with the terms  
31 thereof, then, upon the happening of either of the foregoing, Landlord may send Notice to Tenant  
32 (hereinafter referred to as the "Replacement Notice") requiring Tenant within thirty (30) days to  
33 replace the Existing L/C with a new letter of credit (hereinafter referred to as the "Replacement L/C")  
34 from an Issuing Bank meeting the qualifications described in Section 38.02 hereof. Upon receipt of a  
35 Replacement L/C meeting the qualifications of Section 38.02 hereof, Landlord shall forthwith return  
36 the Existing L/C to Tenant. In the event that (i) a Replacement L/C meeting the qualifications of  
37 Section 38.02 hereof is not received by Landlord within the time specified, or (ii) Landlord  
38 reasonably believes an emergency exists, then in either event, the Existing L/C may be presented for  
39 payment by Landlord and the proceeds thereof shall be held by Landlord in accordance with  
40 Article 38 hereof, subject, however, to Tenant's obligation to replace such cash security with a new  
41 letter of credit meeting the qualifications of Section 38.02 hereof.

42 38.07 Tenant shall pay Landlord's reasonable attorneys' fees in connection with  
43 the replacement, substitution or amendment of the letter of credit described herein or the drawing  
44 thereon by Landlord.

RIGHT OF TENANT TO MORTGAGE LEASEHOLD

45.01 Notwithstanding anything herein to the contrary, Tenant shall have the right at any time and from time to time during the term of this Lease to encumber Tenant's interest in this Lease, all of the leasehold estate hereby created, Tenant's interest in improvements constructed in or on the Demised Premises, all rents, profits and other revenues of the leasehold estate and any other Tenant assets (said Lease, leasehold estate, improvements, licenses, rents, profits, revenues and other assets being collectively referred to in this Article 45 as the "leasehold estate") with one or more mortgages or other security instruments (individually, a "Leasehold Mortgage" and collectively, "Leasehold Mortgages") in favor of a third party or third parties to secure a bona fide arms-length loan to Tenant; provided, however, that there shall only be one Leasehold Mortgage at any time (unless Landlord shall elect in its sole discretion to permit more than one Leasehold Mortgage) and that the amount of such Leasehold Mortgage at the time of its creation cannot exceed a loan-to-value ratio of \_\_\_\_\_ of the value of Tenant's leasehold estate or a loan-to-cost ratio of \_\_\_\_\_ of the value of Tenant's improvements constructed or to be constructed in or on the Demised Premises or a debt service coverage ratio of 1.5:1, in each case as measured by such Leasehold Mortgagee solely with respect to the value of the leasehold estate and the net revenue from the leasehold estate. Each holder of a Leasehold Mortgage that falls within the definition of Institutional Lender, that has provided Landlord with reasonably satisfactory evidence that it is an Institutional Lender and holds a Leasehold Mortgage meeting the requirements of the preceding sentence, and that has provided Landlord with its address for receipt of notices hereunder, shall be considered a "Leasehold Mortgagee" (collectively, "Leasehold Mortgagees"). Notwithstanding anything to the contrary contained herein, no Leasehold Mortgage shall, unless Landlord shall have joined in the execution thereof and expressly so agreed, extend to, affect or be a lien or encumbrance upon, the estate and interest of Landlord in the Demised Premises or any part thereof and each Leasehold Mortgage must be discharged and satisfied in full, not later than the expiration of the Term.

In the case of a Leasehold Mortgage that is held by an agent, trustee or the like on behalf of one or more lenders, then such agent, trustee or the like shall be considered an Institutional Lender only if (i) such agent, trustee or the like is holding the Leasehold Mortgage on behalf of lenders who are all Institutional Lenders, (ii) such agent, trustee or the like is holding the Leasehold Mortgage on behalf of lenders holding at least \_\_\_\_\_ in the aggregate, of the loan amount who are Institutional Lenders provided that Foreclosure Decisions are made solely by no more than two lender(s) that is(are) Institutional Lender(s) or (iii) if Landlord shall in its discretion otherwise agree that such agent, trustee or the like shall be considered an Institutional Lender. "Foreclosure Decisions" shall collectively mean (i) any decision on behalf of the lenders to foreclose on, or accept a transfer in lieu of foreclosure of, Tenant's interest in the Lease or any of the other assets subject to the Leasehold Mortgage, or to otherwise take any other action the effect of which is to cause a change in the ownership or control of Tenant's assets or business operations and (ii) following any such foreclosure, transfer, or other change in ownership or control, all decisions on behalf of the lenders concerning such assets and business operations (including the sale thereof). Each Leasehold Mortgagee shall have the following rights hereunder for so long as its Leasehold Mortgage shall remain unsatisfied of record or until written notice of satisfaction thereof is given by the holder to Landlord, provided that either Tenant or

1 such Leasehold Mortgagee shall have sent or delivered to Landlord a written notice specifying the  
2 address for notices to be given to such Leasehold Mortgagee:

3 (a) Notwithstanding any other provisions of this Lease but subject to compliance  
4 with this Article 45, (i) the making of a Leasehold Mortgage and (ii) any sale of this Lease and of the  
5 leasehold estate hereby created pursuant to any proceedings for the foreclosure of any Leasehold  
6 Mortgage, or an assignment in lieu thereof, or the assignment or transfer of this Lease and of the  
7 leasehold estate in lieu of the foreclosure of any Leasehold Mortgage, in each such case under this clause  
8 (ii) to a new tenant that satisfies all of the requirements of a Successor as set forth in Section 8.06(1) shall  
9 be deemed to be a permitted sale, transfer, or assignment of this Lease and of the leasehold estate.  
10 Landlord hereby further agrees that a Leasehold Mortgagee shall not be deemed to have assumed  
11 performance of any of the terms, covenants, or conditions on the part of the Tenant to be performed under  
12 this Lease, but upon acquisition of the leasehold estate by Leasehold Mortgagee or the purchaser at any  
13 sale of this Lease and of the leasehold estate, such party shall be deemed to have agreed to perform the  
14 terms, covenants, and conditions of Tenant except for payment of any Post-Foreclosure Guaranteed  
15 Amounts and except for those covenants for which performance by a party other than Tenant is not  
16 possible ("Tenant's Personal Covenants"); provided, however, that the Leasehold Mortgagee or its  
17 designee or nominee which becomes the holder of the leasehold estate, or an acquirer of the leasehold  
18 estate pursuant to a foreclosure sale or assignment in lieu of foreclosure as and to the extent permitted  
19 herein, may assign this Lease in accordance with this Article 45 to a new tenant that satisfies all of the  
20 requirements of a Successor as set forth in Section 8.06(1) and shall, upon such permitted assignment, be  
21 relieved of and released from any and all obligations under this Lease which arise after, or relate to any  
22 period following, the effective date of such assignment. The Guaranty shall guaranty Tenant's payment of  
23 any Post-Foreclosure Guaranteed Amounts.

24 (b) If Tenant shall at any time grant a Leasehold Mortgage, Landlord, upon  
25 providing Tenant any notice under this Lease on which Landlord may base or claim a (i) default or  
26 (ii) termination or proposed termination, shall, at the same time, provide a copy of such notice to each  
27 Leasehold Mortgagee such address as the Leasehold Mortgagee may have directed Landlord to send  
28 written notices to. In the case of a default notice, such notice shall set forth with particularity the nature  
29 and extent of all defaults then being claimed by Landlord to exist. No notice of the matters described in  
30 this Article 45.01 given by Landlord to the Tenant shall be legally effective as to any particular Leasehold  
31 Mortgagee unless and until a copy of such notice shall have been given by Landlord as required in the  
32 preceding sentence to such Leasehold Mortgagee of which Landlord has notice; provided, however, that  
33 the sole effect of Landlord's failure to give any notice to a Leasehold Mortgagee at the same time that  
34 such notice is given to Tenant shall be that such notice shall not be effective as to such Leasehold  
35 Mortgagee unless and until such notice is given to such Leasehold Mortgagee, and the cure periods set  
36 forth below for Leasehold Mortgagees shall not begin to run as against such Leasehold Mortgagee until  
37 such notice is given to such Leasehold Mortgagee.

38 (c) Each Leasehold Mortgagee of which Landlord has notice shall have the right, but  
39 not the obligation, to perform any term, covenant, condition, or agreement and to remedy any default by  
40 Tenant hereunder within those time limits as set forth in this Lease for Tenant to cure the default, which  
41 time limits will not commence until such notice is given as set forth in Section 45.01(b) above, and  
42 Landlord shall accept such performance by said Leasehold Mortgagee with the same force and effect as if  
43 performed by Tenant; and each Leasehold Mortgagee shall also have such additional cure rights as  
44 provided under Sections 45.01(d) and (e) below. All rights of Tenant under this Lease which may have  
45 been or may be deemed to be waived or terminated by virtue of the existence of a default by Tenant shall  
46 be deemed reinstated if any Leasehold Mortgagee cures such default within the foregoing grace period  
47 applicable to the default in question.

1 (d) Anything contained in this Lease to the contrary notwithstanding, if any default  
2 shall occur which allows Landlord to terminate this Lease, Landlord shall notify every Leasehold  
3 Mortgagee of Landlord's intent to so terminate at least thirty (30) days in advance of the proposed  
4 effective date of such termination. If, before the termination of this Lease, (i) the Leasehold Mortgagee  
5 shall have acquired Tenant's leasehold estate in and possession of the Demised Premises, (ii) an  
6 assumption of performance and observance of the covenants and conditions contained in this Lease on the  
7 Tenant's part to be performed (other than Tenant's Personal Covenants and payment of the  
8 Post-Foreclosure Guaranteed Amounts) shall be delivered to Landlord by such Leasehold Mortgagee, and  
9 (iii) the Leasehold Mortgagee shall have paid the Mortgagee Rent Cure Amount and complied with all  
10 obligations and cured all defaults on Tenant's part to be performed or cured under this Lease (other than  
11 Tenant's Personal Covenants and payment of any Post-Foreclosure Guaranteed Amounts) then, and in  
12 such event, the default(s) under this Lease shall be deemed to have been timely cured and all rights of  
13 Tenant under this Lease which may have been or may be deemed to be waived or terminated by virtue of  
14 such defaults shall be deemed reinstated; provided, however, (x) in the case of any default(s) which  
15 cannot reasonably be cured by the Leasehold Mortgagee (any default which can be cured by the payment  
16 of money being considered reasonably curable), provided that the Leasehold Mortgagee shall have  
17 acquired Tenant's leasehold estate in and possession of the Demised Premises, then Landlord's right to  
18 terminate this Lease on account thereof shall be deemed to have been waived, any termination of this  
19 Lease by Landlord on account thereof shall be deemed to have been revoked and of no effect and no  
20 rights of Tenant under this Lease shall be or shall be deemed to be waived or terminated as a result  
21 thereof and (y) this Lease shall be deemed amended to provide that the Tenant's leasehold estate in the  
22 Demised Premises (or the economic benefit thereof) may not be assigned or otherwise transferred to the  
23 defaulting Tenant or an Affiliate thereof without the consent of Landlord in its sole discretion.

24 (e) If Landlord shall terminate this Lease for an Event of Default and such  
25 termination shall not have been avoided by a Leasehold Mortgagee pursuant to Section 45.01(d) above,  
26 Landlord shall promptly notify each Leasehold Mortgagee of such termination and the amount of any  
27 sums then due to Landlord under this Lease, and each Leasehold Mortgagee shall have the right to have  
28 Landlord enter into a new lease of the Demised Premises with such Leasehold Mortgagee or a nominee or  
29 affiliate controlled by such Leasehold Mortgagee (hereinafter referred to in this subparagraph (e) of this  
30 Section 45.01 as its "nominee") in accordance with the following provisions:

31 (i) The Leasehold Mortgagee or its nominee shall be entitled to such new  
32 lease if the Leasehold Mortgagee shall make written request upon Landlord for such new lease on or  
33 before the date which is thirty (30) days after the date on which the Leasehold Mortgagee shall have been  
34 given the notice from Landlord of such termination and if such written request is accompanied by the  
35 Leasehold Mortgagee's agreement to pay to Landlord, upon the execution and delivery of the new lease,  
36 the Mortgagee Rent Cure Amount together with all of the reasonable costs incurred by Landlord in  
37 connection with the preparation and execution of such new lease including, without limitation, reasonable  
38 attorneys' fees. The new lease shall be executed and delivered by Landlord and the Leasehold Mortgagee  
39 or its nominee within sixty (60) days after Landlord's receipt of such request for a new lease, or within  
40 such extended period of time as shall have been mutually agreed upon in writing by Landlord and the  
41 Leasehold Mortgagee prior to the expiration of such sixty (60) day period. As a condition to the  
42 effectiveness of such new Lease, the Leasehold Mortgagee or its nominee shall have paid all amounts  
43 described in the first sentence of this subsection (i);

44 (ii) Such new lease shall be for what would have been the remainder of the  
45 term hereunder as if this Lease had not terminated, effective as of the date of such termination, at the  
46 same rent and upon the same terms, provisions, covenants and agreements as herein contained, except for  
47 requirements that Landlord and the Leasehold Mortgagee or its nominee agree are no longer applicable or  
48 have been performed;

1 (iii) To the extent within the control of Landlord, such new lease shall be  
2 prior to any mortgage or other lien, charge or encumbrance on the Demised Premises (except taxes and  
3 assessments). Such lease shall, however, be subject to the same conditions of title as this Lease is subject  
4 to on the date of the execution hereof;

5 (iv) In such new lease, the Leasehold Mortgagee or its nominee shall agree to  
6 perform and observe all covenants herein contained on Tenant's part to be performed, except for  
7 covenants that Landlord and the Leasehold Mortgagee or its nominee agree are no longer applicable or  
8 have been performed or such non-monetary covenants that cannot be performed by such Leasehold  
9 Mortgagee or its nominee, and except that all of the obligations and liabilities of the Leasehold Mortgagee  
10 or its nominee as lessee under the new lease shall cease and terminate upon assignment to and assumption  
11 of the new lease by a successor Tenant, or the sooner expiration or termination thereof, and shall be  
12 subject to any limitation on liability contained therein;

13 (v) Landlord shall not warrant possession of the Demised Premises to the  
14 Leasehold Mortgagee or its nominee under the new lease, it being understood that the new lease shall be  
15 expressly made subject to the rights, if any, of Tenant under this Lease or any other person claiming the  
16 right to possession through or under said Tenant;

17 (vi) The Leasehold Mortgagee or its nominee as tenant under the new lease  
18 shall have the same right, title and interest in and to the Demised Premises as Tenant had under this  
19 Lease, provided that the tenant under the new lease shall satisfy all of the requirements for a Successor as  
20 set forth in Section 8.06(1) who is not the defaulting Tenant or an Affiliate thereof; and

21 (f) Landlord will not accept any surrender, agree to the cancellation of or enter into  
22 any modification of this Lease without the prior written consent thereto of each Leasehold Mortgagee of  
23 which Landlord has notice. Without limiting the generality of the foregoing, no modification,  
24 amendment, or termination under Section 365(h) of the Bankruptcy Reform Act of 1978, as the same may  
25 be modified, amended, revised, restated or supplemented from time to time, shall be effective against any  
26 Leasehold Mortgagee without the prior written consent of such Leasehold Mortgagee.

27 (g) No provision of this Lease shall prevent or prohibit an assignment by Tenant to  
28 any holder of a Leasehold Mortgage, as collateral security for Tenant's performance of its obligations  
29 under the Leasehold Mortgage held by such holder, of all rights of Tenant derived from this Lease.

30 (h) Nothing herein contained shall require any Leasehold Mortgagee or its designee  
31 as a condition to its exercise of rights hereunder, to cure a default of Tenant that cannot be cured by the  
32 payment of money and is not reasonably susceptible of being cured by such Leasehold Mortgagee or its  
33 designee, including, but not limited to, defaults relating to bankruptcy and insolvency and any other  
34 sections of this Lease which may impose conditions of default not susceptible to being cured by a  
35 Leasehold Mortgagee or a subsequent owner of the leasehold estate through foreclosure of the Leasehold  
36 Mortgagee, in order to comply with the provisions of Section 45.01(d) hereof, or as a condition of  
37 entering into a new Lease provided for by Section 45.01(e) hereof.

38 (i) No provision of this Lease shall prevent or prohibit, in the case of any default  
39 under a Leasehold Mortgage, (i) a foreclosure of the Leasehold Mortgage pursuant to a power of sale, by  
40 judicial proceedings or other lawful means and the subsequent sale of Tenant's leasehold estate in the  
41 Demised Premises, if any, (ii) the appointment of a receiver, irrespective of whether such Leasehold  
42 Mortgage accelerates the maturity of all indebtedness secured by its Leasehold Mortgage, and (iii) the  
43 right of such Leasehold Mortgagee or the receiver, to the extent permitted by law, to enter and take  
44 possession of the Demised Premises, to manage and operate the same and to collect the revenue, issues

1 and profits therefrom and to cure any default under the Leasehold Mortgage or any default by Tenant  
2 under this Lease, provided however, that until such time as the Leasehold Mortgagee acquires Tenant's  
3 leasehold estate in the Demised Premises, Landlord shall have the right to cause the Demised Premises to  
4 be managed and operated by a Landlord Operator.

5                   45.02       In the event of such a Leasehold Mortgage and while it shall be in effect  
6 at the time of the partial or total destruction of the Demised Premises, or at the time when the Tenant  
7 shall be obligated under this Lease to, maintain, repair, improve or rebuild any improvements in the  
8 Demised Premises pursuant to this Lease, and the Tenant shall fail to repair or rebuild the same, or  
9 commence to repair or rebuild the same, in accordance with the terms of this Lease, such Leasehold  
10 Mortgagee is hereby authorized to repair such improvements or to rebuild such improvements, in  
11 compliance with the provisions of this Lease, in order to prevent a forfeiture thereof by reason of the  
12 breach by the Tenant of any of the covenants and agreements in that respect in this Lease. The  
13 Leasehold Mortgagee so repairing or rebuilding the improvements in accordance with the provisions  
14 of this Lease shall be subrogated to the rights of the Tenant herein to the insurance money collected  
15 upon the improvements so damaged or destroyed and/or to the securities and cash on deposit with the  
16 bank as the case may be, and shall be entitled to have the insurance money paid out on such repairing  
17 or rebuilding in case of such partial or total destruction, and such securities and cash paid out in  
18 erection of a new building, as the case may be, all in the same manner in every respect as if such  
19 Leasehold Mortgagee was the Tenant under this Lease. The Leasehold Mortgagee may likewise pay  
20 rent or make good any default of the Tenant to prevent a forfeiture of this Lease.

21                   45.03       Either party shall be permitted to submit disputes arising under this  
22 Article 45 to arbitration in accordance with the provisions of Article 25 hereof.

23   ARTICLE 46

24   MEMORANDUM OF LEASE

26                   46.01       Simultaneously with the execution of this Lease (and at the request of  
27 either party from time to time during the term of this Lease in connection with an amendment or  
28 modification of this Lease), Landlord and Tenant shall execute, acknowledge and deliver a  
29 memorandum with respect to the foregoing sufficient for recording or other such forms or affidavits  
30 necessary to effect such recording (in substantially the form attached hereto and made a part hereof as  
31 Exhibit JJ).

32                   46.02       Within ten (10) days of the execution of this Lease, Landlord and Tenant  
33 shall execute, acknowledge and deliver transfer tax returns (in substantially the form attached hereto  
34 and made a part hereof as Exhibit JJ), and such transfer tax returns shall be timely filed by Tenant  
35 with the appropriate tax authorities.

36   ARTICLE 47

37   VEHICULAR ACCESS

38                   47.01       Landlord at its expense may (or may cause the Port Authority to) conduct an  
39 analysis of vehicular travel times (any such analysis, a "Travel Times Survey") in the vicinity of the WTC  
40 site in accordance with sound traffic engineering practice. All Travel Times Surveys hereunder shall be  
41 performed by an entity qualified to perform such analysis, which may include Port Authority in-house  
42 personnel with transportation and traffic expertise. All Travel Times Surveys that are made available to  
43 other tenants in the Building shall be available for review by Tenant at its request. If any Travel Times  
44

1 Survey indicates that vehicle travel times exceed the travel times objectives of the Port Authority, Tenant  
2 shall reasonably cooperate with Landlord to identify and implement ways to improve the operations of the  
3 vehicular intersection(s) in order to reduce travel times to be equal to or below the travel times objectives  
4 of the Port Authority, subject to any prescribed security procedures and parameters and Tenant's  
5 reasonable business operations. Neither Landlord nor the Port Authority shall have any liability under  
6 this Lease for any failure to meet vehicular travel time objectives in the vicinity of the WTC site. Nothing  
7 in this Article shall be deemed to require the Port Authority to modify any security standards established  
8 by the Port Authority and/or the New York City Police Department for the World Trade Center generally.
