Dear Mr. Ng,

Thank you very much for your email below & its attachments. I believe that my client's steel was provided to a subcontractor, Metropolitan Enterprises, Inc., to Tutor Perini Building Corp. and used on the new George Washington Bridge Bus Station Redevelopment Project in New York City for George Washington Bridge Development Venture LLC, the project development partner for the Port Authority of New York & New Jersey.

Could you please email me, pursuant to the applicable freedom of information laws, a copy of any payment bond procured by Metropolitan Enterprises, Inc. and/or Tutor Perini Building Corp. for the new George Washington Bridge Bus Station Redevelopment Project in New York City?

Thank you, Kevin
