**MINUTES of the Meeting of The Port Authority of New York and New Jersey held Thursday, May 30, 2002, at 2 Broadway, City, County and State of New York.**

**PRESENT:**

**NEW JERSEY**

Hon. Jack G. Sinagra, Chairman  
 Hon. William J. Martini  
 Hon. Alan G. Philibosian  
 Hon. Anthony J. Sartor

**NEW YORK**

Hon. Bruce A. Blakeman  
 Hon. David S. Mack  
 Hon. Anastasia M. Song

Joseph J. Seymour, Executive Director  
 Jeffrey S. Green, General Counsel  
 Karen E. Eastman, Secretary

Gwendolyn Archie, Administrator, Office of the Secretary  
 Kayla M. Bergeron, Director, Public Affairs  
 Gregory G. Burnham, Chief Technology Officer  
 Ernesto L. Butcher, Chief Operating Officer  
 Janice Chiantese, Special Advisor to the Chairman  
 Anthony G. Cracchiolo, Director, Priority Capital Programs  
 William R. DeCota, Director, Aviation  
 Michael R. DeCotiis, Deputy Executive Director  
 John C. Denise, Supervisor, Audio Visual/Photography, Operations Services  
 Michael P. DePallo, Director, PATH  
 Charles D. DeRienzo, Superintendent of Police, Director, Public Safety  
 Michael Dombrowski, Cinematographer, Operations Services  
 Linda C. Handel, Assistant Secretary  
 Edward L. Jackson, Director, Financial Services  
 Howard G. Kadin, Senior Attorney, Law  
 Louis J. LaCapra, Chief Administrative Officer  
 Richard M. Larrabee, Director, Port Commerce  
 Francis J. Lombardi, Chief Engineer  
 Stephen Marinko, Attorney, Law  
 Angel E. Martinez, Executive Assistant to the Chief Engineer  
 Charles F. McClafferty, Chief Financial Officer  
 James E. McCoy, Senior Administrator, Office of the Secretary  
 Joseph M. Morris, Chief of Department, Public Safety  
 Allen M. Morrison, Supervisor, Public Affairs  
 Catherine F. Pavelec, Executive Assistant to the Secretary  
 Michael A. Petralia, Chief of Public and Government Relations  
 Kenneth P. Philmus, Director, Tunnels, Bridges and Terminals  
 Edmond F. Schorno, Chief of Staff  
 Richard Wright, State Legislative Representative, Government and Community Relations  
 Peter Yerkes, Press Secretary

Guests:

Noreen Giblin, Authorities Unit, Office of the Governor of New Jersey  
 Jay Hector, New York Empire State Development Corporation  
 Miki Krakauer, New Jersey Department of Transportation

The public meeting was called to order by Chairman Sinagra at 4:15 p.m. and ended at 4:22 p.m. The Board met in executive session prior to the public meeting.

### **Action on Minutes**

The Secretary submitted for approval Minutes of the meetings of April 23, 2002. She reported that copies of these Minutes were sent to all of the Commissioners and to the Governors of New York and New Jersey. She reported further that the time for action by the Governors of New York and New Jersey has expired.

Whereupon, the Board of Commissioners unanimously approved the Minutes.

### **Report of Audit Committee**

The Audit Committee reported, for information, on matters discussed in executive session at its meeting on May 30, 2002, which included discussion of internal audit matters, and the report was received.

### **Report of Committee on Finance**

The Committee on Finance reported, for information, on matters discussed and action taken in executive session at its meeting on May 30, 2002, which included discussion of matters related to, or which could impact upon, the issuance, sale, resale, or redemption of Port Authority bonds, notes or other obligations and matters which could affect the competitive economic position of the Port Authority, the Port District or businesses with which we deal, in addition to matters filed with the Committee pursuant to Board action or separately reported to the Board of Commissioners at this meeting of the Board, and the report was received and is included with these minutes.

### **Report of Committee on Capital Programs/Port Planning**

The Committee on Capital Programs/Port Planning reported, for information, on matters discussed in executive session at its meeting on May 30, 2002, which included discussion of matters which could affect the competitive economic position of the Port Authority, the Port District or businesses with which we deal, and the report was received.

### **Report of Committee on Construction**

The Committee on Construction reported, for information, on matters discussed at its meeting on May 30, 2002, which included discussion of a project for rental car area improvements at John F. Kennedy International Airport, and a contract for the rehabilitation of the New Jersey abutment of the Bayonne Bridge, in addition to matters filed with the Board pursuant to Board action or separately reported to the Board of Commissioners at this meeting of the Board, and the report was received and is included with these minutes.

### **Report of Committee on Operations**

The Committee on Operations reported, for information, on matters discussed in executive session at its meeting on May 30, 2002, which included discussion of matters which could affect the competitive economic position of the Port Authority, the Port district or businesses with which we deal, in addition to matters filed with the Committee pursuant to Board action or separately reported to the Board of Commissioners at this meeting of the Board, and the report was received and is included with these minutes.

### **Staff Report**

A presentation was made by staff on the restoration of the World Trade Center site and Port Authority Trans-Hudson system rail service to both the Exchange Place Station in Jersey City, New Jersey and lower Manhattan.

## **JOHN F. KENNEDY INTERNATIONAL AIRPORT – RENTAL CAR AREA IMPROVEMENTS – PROJECT AUTHORIZATION AND AWARD OF CONTRACTS**

It was recommended that the Board authorize a project for improvements to the rental car area at John F. Kennedy International Airport, which include: a) construction of a new vehicular circulation roadway; b) installation of new security fencing; and c) installation of new pedestrian canopies, at a total estimated project cost of \$8.4 million, including payments to contractors, allowances for extra work (if necessary) and net cost work, payments to consultants and planners, engineering, administrative and financial expense and a project contingency (if necessary).

Four contracts would be awarded for the rental car area under this authorization: JFK-834.100 Roadway Improvements Phase I for construction of a new vehicular circulation roadway adjacent to the new Federal Circle AirTrain Station at a total estimated cost of \$1.9 million; JFK-834.101 Roadway Improvements Phase II for improvements to the Cargo Service Road at a total estimated cost of \$1.9 million; JFK-834.102 Phase I for installation of pedestrian canopies at a total estimated cost of \$600,000; and JFK 834.103 for installation of aesthetic security fencing at a total estimated cost of \$1.9 million.

Completion of Phase I of the roadway improvements and the pedestrian canopies is expected to coincide with the opening of the AirTrain system by the fourth quarter of 2002. Completion of Phase II of the roadway improvements is expected by the first quarter of 2003. Installation of the new security fencing would be coordinated with the rental car tenants based upon their estimated dates of completion of their facilities.

These improvements would provide passengers with a safe, convenient and more efficient access to the rental car area. The improved roadway would also serve as a central passenger pick-up and drop-off point for off-airport hotels, rental car area and bus stops to the cargo service areas. In addition, this investment would augment an estimated \$20 million of required improvements that the rental car tenants would be undertaking to improve their facilities at the new Federal Circle AirTrain station.

Pursuant to the foregoing report, the following resolution was adopted with Commissioners Blakeman, Mack, Martini, Philibosian, Sartor, Sinagra and Song voting in favor; none against:

**RESOLVED**, that a project for improvements to the rental car area at John F. Kennedy International Airport at an estimated total project cost of \$8.4 million, including payments to contractors, allowances for extra work (if necessary) and net cost work, payments to consultants and planners, engineering, administrative and financial expenses, and a project contingency (if necessary), be and it hereby is authorized; and it is further

**RESOLVED**, that the Executive Director be and he hereby is authorized, for and on behalf of the Port Authority, to take action with respect to

purchase and construction contracts and contracts for professional and advisory services related to the foregoing project as he deems in the best interest of the Port Authority, including, without limitation, award to the lowest bidder(s) qualified by reason of responsibility, experience and capacity to perform the work and whose bid prices the Executive Director deems reasonable, of Contract JFK-834.100 Roadway Improvements Phase I at an estimated cost of \$1.9 million, Contract JFK-834.101 Roadway Improvements Phase II at an estimated cost of \$1.9 million, Contract JFK-834.102 Phase I at an estimated cost of \$600,000, and Contract JFK-834.103 at an estimated cost of \$1.9 million; or to reject all proposals, solicit new proposals on revised or the same requirements or negotiate with one or more proposers or other contractors as he deems in the best interest of the Port Authority, and to order extra work (if necessary) and net cost work in connection with each contract, including supplemental agreements thereto, and enter into such other agreements as may be necessary to effectuate the project; and it is further

**RESOLVED**, that the form of all contracts and agreements in connection with the foregoing shall be subject to the approval of General Counsel or his authorized representative.

**JOHN F. KENNEDY INTERNATIONAL AIRPORT – SUPPLEMENTS TO AGREEMENT AYB-513 - AVIS RENT A CAR SYSTEM, INC., AYB-512 – THE HERTZ CORPORATION, AYB-516 – DOLLAR RENT A CAR SYSTEMS, INC. AND AYB-515 – BUDGET RENT A CAR CORPORATION AND AMENDMENTS TO CORRESPONDING OPERATING PERMITS**

It was recommended that the Board authorize the Executive Director to enter into supplemental agreements to: (1) extend through December 30, 2015 the term of the leases at John F. Kennedy International Airport (JFK) for each of Avis Rent A Car System, Inc. (Avis), The Hertz Corporation (Hertz), Dollar Rent A Car Systems, Inc. (Dollar) and Budget Rent a Car Corporation (Budget); (2) provide for a capital investment by Avis in the amount of \$10 million, Hertz in the amount of \$8 million, Dollar in the amount of \$1 million and Budget in the amount of \$1 million, which shall be applied toward the redesign of their respective leased premises (*e.g.*, demolition of existing facilities, possible removal of underground fuel tanks, reconfiguration of parking lots, construction of new customer service facilities, and repaving and installation of canopies over new walkways) to accommodate the new roadway serving the AirTrain Station at JFK, in connection with which the acreage of the Avis, Hertz and Budget premises will be reduced and the acreage of the Dollar premises will remain approximately the same; and (3) provide for payment by the Port Authority of up to \$1 million of the capital costs attributable to Budget's JFK leased premises. Budget's lease shall provide for the payment of additional rent over a five-year period to commence after Budget's construction completion date, determined on the basis of such capital costs together with a factor equivalent to the Revenue Bond Index plus 3.5 percent. The four rental car company leases at JFK currently expire as of December 31, 2004.

In addition, Avis, Hertz, Dollar and Budget will be obligated, collectively, to pay to the Port Authority an annual amount of \$2.5 million for AirTrain operation and maintenance to commence upon the cessation of their passenger shuttle bus services at JFK, which it is estimated will occur on or about April 1, 2003. Avis, Hertz, Dollar and Budget shall each bear a portion of this annual obligation in an amount which represents its share of the on-airport rental car gross receipts at JFK during the relevant year and, accordingly, its pro rata share shall be adjusted from year to year. The aggregate \$2.5 million amount will escalate annually by three percent.

Pursuant to operating permits with Avis, Hertz, Dollar and Budget covering JFK and LaGuardia Airport (LGA), each pays the Port Authority a percentage fee of 12.5 percent of its gross receipts at both airports and each permit is subject to termination or revocation by either party, without cause, upon 30 days' notice. With respect to the proposed new capital investment to be made by the companies, the operating permits will be amended to provide for application of an annual credit against the percentage fee amount based on an agreed-upon formula for amortization (including principal and interest) of that company's capital investment in the re-designed facilities, determined on a straight-line basis over a period commencing with the completion of construction and ending not later than the stated expiration date of the company's lease. A maximum

investment limit for each company, beyond which the percentage fee credits will not apply, will be applicable as follows: \$10 million for Avis, \$8 million for Hertz, \$1 million for Budget and \$1 million for Dollar. Any reduction in the percentage fee will be limited for Avis, Hertz and Dollar so as not to exceed 2.5 percent of gross receipts arising from their respective operations at JFK, LGA and Newark International Airport (EWR), and with respect to Budget, so as not to exceed 2.5 percent of gross receipts arising from its operations at JFK and LGA. Other aspects of the existing arrangement at all three airports will remain unchanged - *e.g.*, the fees payable to the Port Authority by each operator under its operating permit will never be less than 10 percent of the gross receipts at all three airports, the percentage fee credits are applicable only in the year available and cannot be used retroactively, and no carryover of amortization to future years is permitted in the event the amortization exceeds the available credits in any given year. Furthermore, the credits apply only to the initial construction undertaken in connection with the new roadway serving the AirTrain Station at Federal Circle and not to any future alterations or expansions the companies may undertake. Moreover, the credits do not apply to the annual ground rentals under the leases. With respect to Avis, Hertz and Dollar, only the balance of the 2.5 percent remaining after the credits under the EWR permit have been applied would be available to reduce the percentage fee payable under the JFK and LGA operating permits.

The new ground rentals under the four leases for the extended terms commencing January 1, 2005 will be as follows: \$372,840 for Avis, \$467,220 for Hertz, \$159,900 for Budget and \$133,380 for Dollar. The ground rentals will continue to escalate annually by the greater of 4 percent or one-half the Consumer Price Index increase.

Additionally, the termination provisions of the existing leases and operating permits for Avis, Hertz and Dollar will continue to provide that if the Port Authority terminates the operating permit of any of said rental car companies without cause, the Port Authority will pay that company its unamortized investment; however, with respect to the proposed capital investment in the re-designed facilities, such payment would be up to \$10 million for Avis, \$8 million for Hertz and \$1 million for Dollar, subject to and in accordance with the amortization period limits and calculations described above.

Pursuant to the foregoing report, the following resolution was adopted with Commissioners Blakeman, Mack, Martini, Philibosian, Sartor, Sinagra and Song voting in favor; none against:

**RESOLVED**, that the Executive Director be and he hereby is authorized, for and on behalf of the Port Authority, to enter into supplemental lease agreements and supplemental permit agreements with Avis Rent A Car System, Inc., The Hertz Corporation, Dollar Rent A Car Systems, Inc. and Budget Rent a Car Corporation (collectively, the Companies), extending the terms of the Companies' leases at John F. Kennedy International Airport (JFK) and providing for the redesign of the Companies' spaces to accommodate the new roadway serving the JFK AirTrain Station,

substantially in accordance with the terms and conditions outlined to the Board; and it is further

**RESOLVED**, that the form of the agreements shall be subject to the approval of General Counsel or his authorized representative.

**REGIONAL TRANSPORTATION PROGRAM - AUTHORIZATION**

It was recommended that the Board authorize capital expenditures, in an aggregate amount not to exceed \$500 million with \$250 million to be provided to each of the States of New York and New Jersey, for regional transportation initiatives in each state to be designated by the respective Governor thereof. The 2001-2005 capital plan, established in February 2001, included a provision for a regional transportation program (Program) with expenditures totaling \$500 million, which anticipated \$50 million to be provided to each of the States of New York and New Jersey annually over a five-year period for certain transportation projects to be undertaken in each State as designated by the respective Governor thereof. Under the present recommendation, the Executive Director would be authorized to effectuate such projects, consistent with existing legislation and agreements with the holders of the Port Authority's obligations. At the time of incurring the initial expenditures for this Program, authorization will be requested from the Board to establish and certify this Program as an additional facility of the Port Authority.

At this time, the Governor of the State of New Jersey is requesting commitment of its allocation of Program expenditures to the State's program of acquiring 231 bi-level rail cars for New Jersey Transit Corporation (New Jersey Transit). These cars, together with needed locomotives, will help relieve overcrowding on New Jersey Transit rail service into New York Penn Station, which has been greatly exacerbated as a result of the terrorist attacks on The World Trade Center on September 11, 2001. This request will satisfy the total amount to be provided to the State of New Jersey under this Program. In the future, when the Governor of the State of New York submits requests for commitments to projects under this Program, and should the Governor of the State of New Jersey request that its allocation of Program funds be reallocated to other projects, the Executive Director would be authorized to fund such projects in a manner similar to prior programs, and such projects designated by the Governor of the State of New York and the Governor of the State of New Jersey would be reported to the Commissioners by the Executive Director before expenditures are incurred.

Pursuant to the foregoing report, the following resolution was adopted with Commissioners Blakeman, Mack, Martini, Philiposian, Sinagra and Song voting in favor; Commissioner Sartor abstaining; none against:

**RESOLVED**, that, consistent with existing legislation and agreements with the holders of the Port Authority's obligations, capital expenditures in an aggregate amount not to exceed \$500 million, with \$250 million to be provided to each of the States of New York and New Jersey, for regional transportation projects in each state to be designated by the respective Governor thereof, be and the same hereby are authorized; and it is further

**RESOLVED**, that the Executive Director be and he hereby is authorized, for and on behalf of the Port Authority, to effectuate such projects, consistent with existing legislation, agreements with the holders of the Port

Authority's obligations, and the Port Authority's then-current capital plan, and to execute contracts and agreements (including agreements with the State of New York, the State of New Jersey, and respective agencies thereof) as may be necessary to effectuate the foregoing; and it is further

**RESOLVED**, that the form of such agreements shall be subject to the approval of General Counsel or his authorized representative.

**SETTLEMENT OF CLAIM - THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY AGAINST CELOTEX PROPERTY DAMAGE TRUST**

It was recommended that the Board authorize General Counsel to settle two of the Port Authority's claims against the Celotex Chapter 11 Property Damage Trust (Trust) by accepting the sum of \$1,527,049. In return, the Port Authority will release the Trust as to those claims only.

The Celotex Property Damage Claims Facility has agreed to allow all of the Port Authority's past costs of abating vinyl asbestos tile (VAT) at One World Trade Center in the amount of \$2,353,650, multiplied by 3.3 (in recognition of the fact that the Port Authority sued Celotex Corporation prior to the company's bankruptcy), for a total of \$7,767,045 at One World Trade Center, and has agreed to allow \$2,273,771 in abatement costs, also multiplied by 3.3, for a total of \$7,503,444 at Two World Trade Center. The Trust is currently paying allowed costs at the rate of 10 percent; the combined payment at the rate of 10 percent on \$15,270,489 of allowed costs for One and Two World Trade Center is therefore \$1,527,049. The claim for VAT is the largest of about one hundred claims that the Port Authority submitted in the Celotex Chapter 11 Bankruptcy. To date, the Trust has paid the Port Authority \$602,482, and it is expected that beyond the current proposed settlement the Port Authority will receive approximately \$200,000.

The Port Authority has pursued recoveries of its expenditures on three fronts: lawsuits, claims against insurers, and claims in bankruptcies. This settlement would bring total recoveries of asbestos-related costs to date to approximately \$60,000,000.

In view of the size of the offer and the likelihood that other litigants will seek substantial recoveries that will deplete the funds available to the Trust, reducing the incentive to further litigate these claims, it is the view of staff that entering into a settlement for this amount is in the best interest of the Port Authority.

Pursuant to the foregoing report, the following resolution was adopted with Commissioners Blakeman, Mack, Martini, Philibosian, Sartor, Sinagra and Song voting in favor; none against:

**RESOLVED**, that General Counsel be and he hereby is authorized, for and on behalf of the Port Authority, to settle the Port Authority's claims against the Celotex Chapter 11 Property Damage Trust (Trust) for damages related to the abatement of vinyl asbestos tile at One and Two World Trade Center by accepting the sum of \$1,527,049 from the Trust in return for the Port Authority's issuance of a release as to those claims.

**CONTRACT AND PURCHASE ORDER AUTHORIZATIONS AND AMENDMENTS-  
QUARTERLY REPORT**

**REPORT :** In accordance with Article XII, sections (g)(1) and (g)(2) of the By-Laws, the Executive Director reports for the period January 1, 2002 to March 31, 2002
