# PATH Riders' Council

**Now Accepting Applications!**

## **PATH wants to hear from riders like you!**

PATH riders have a lot of great suggestions to share. The PATH Riders' Council (PRC) is a new initiative that creates a standing advisory group to meet year-round to ensure PATH riders have a voice in system design and operations decision-making.

PATH is launching a one-year pilot of the PRC, with its inaugural session convening July 2014. PATH is currently accepting applications to fill 21 PRC vacancies.

### **Eligibility Requirements**

- Use the PATH system regularly
- Reside/travel within the PATH service area
- Be 18 years of age or older

Port Authority of NY & NJ employees (PANYNJ), PATH employees, and PANYNJ and/or PATH contractors are not eligible to apply for PRC membership.

## How will PRC members be selected?

PATH will appoint candidates in the PATH service area representing a cross section of riders from different geographic locations and demographics. Due to the limited number of PRC seats, not every applicant can be accepted.

## Why should I participate?

If selected, you will be provided opportunities to recommend ways to improve PATH service. Serving on the PRC is a volunteer (unpaid) role. However, you will have the chance to help make a difference in the way PATH serves the region.
